# CHAPTER 1

## OVERVIEW OF THE PROGRAM AND PLAN

### *INTRODUCTION*

HACCC receives its funding for the Housing Choice Voucher (HCV) program from the Department of Housing and Urban Development. HACCC is not a federal department or agency. A public housing agency (PHA) is a governmental or public body, created and authorized by state law to develop and operate housing and housing programs for low-income families. HACCC enters into an Annual Contributions Contract with HUD to administer the program requirements on behalf of HUD. HACCC must ensure compliance with federal laws, regulations and notices and must establish policy and procedures to clarify federal requirements and to ensure consistency in program operation.

This chapter contains information about HACCC and its programs with emphasis on the HCV program. It also contains information about the purpose, intent and use of the plan and guide.

There are three parts to this chapter:

Part I: The Public Housing Agency (PHA). This part includes a description of HACCC, its jurisdiction, its programs, and its mission and intent.

Part II: The HCV Program. This part contains information about the Housing Choice Voucher program operation, roles and responsibilities, and partnerships.

Part III: The HCV Administrative Plan. This part discusses the purpose and organization of the plan and its revision requirements.

## **PART I: HACCC**

### **1-I.A. OVERVIEW**

This part explains the origin of HACCC's creation and authorization, the general structure of the organization, and the relationship between HACCC Board and staff.

### **1-I.B. ORGANIZATION AND STRUCTURE OF HACCC**

The Section 8 tenant-based Housing Choice Voucher (HCV) assistance program is funded by the federal government and administered by the Housing Authority of the County of Contra Costa for the jurisdiction of Contra Costa County, except for the municipalities of Richmond and Pittsburg (which have their own separate Housing Authorities). The officials of a PHA are known as commissioners or, collectively, as the board of commissioners. At the Contra Costa Housing Authority, the Contra Costa County Board of Supervisors and a HACCCC program beneficiary serves as the Board of Commissioners. Commissioners are appointed in accordance with state housing law and generally serve in the same capacity as the directors of a corporation, establishing policies under which HACCC conducts business, ensuring that policies are followed by HACCC staff and ensuring that HACCC is successful in its mission. The board is responsible for preserving and expanding the agency's resources and assuring the agency's continued viability.

Formal actions of HACCC are taken through written resolutions, adopted by the board of commissioners and entered into the official records of HACCC.

The principal staff member of HACCC is the Executive Director (ED), hired and appointed by the board of commissioners. The Executive Director is directly responsible for carrying out the policies established by the board and is delegated the responsibility for hiring, training and supervising the staff in order to manage the day-to-day operations of HACCC. The Executive Director is responsible for ensuring compliance with federal and state laws and directives for the programs managed. In addition, the Executive Director's duties include budgeting and financial planning for the agency.

### **1-I.C. HACCC MISSION**

The purpose of a mission statement is to communicate the purpose of the agency to people inside and outside of the agency. It provides guiding direction for developing strategy, defining critical success factors, searching out key opportunities, making resource allocation choices, satisfying clients and stakeholders, and making decisions.

#### HACCC Policy

HACCC's mission is to provide safe, decent and sanitary housing conditions for very low-income families and to manage resources efficiently. HACCC is to promote personal, economic and social upward mobility to provide families the opportunity to make the transition from subsidized to non-subsidized housing.

### **1-I.D. HACCC'S PROGRAMS**

The following programs are included under this administrative plan:

## HACCC Policy

HACCC's administrative plan is applicable to the operation of the Housing Choice Voucher program, the Family Self-Sufficiency program, Project Based Assistance program, and the Housing Choice Voucher Homeownership program.

### **1-I.E. HACCC'S COMMITMENT TO ETHICS AND SERVICE**

As a public service agency, HACCC is committed to providing excellent service to HCV program participants, owners, and to the community. HACCC's standards include:

- Administer applicable federal and state laws and regulations to achieve high ratings in performance measurement indicators while maintaining efficiency in program operation to ensure fair and consistent treatment of clients served.
- Provide decent, safe, and sanitary housing – in compliance with program housing quality standards – for very low income families while ensuring that family rents are fair, reasonable, and affordable.
- Encourage self sufficiency of participant families and assist in the expansion of family opportunities which address educational, socio-economic, recreational and other human services needs.
- Promote fair housing and the equal opportunity for very low-income families of all ethnic backgrounds to experience freedom of housing choice.
- Promote a housing program which maintains quality service and integrity while providing an incentive to private property owners to rent to very low-income families.
- Promote a market-driven housing program that will help qualified low-income families be successful in obtaining affordable housing and increase the supply of housing choices for such families.
- Create positive public awareness and expand the level of family, owner, and community support in accomplishing HACCC's mission.
- Attain and maintain a high level of standards and professionalism in day-to-day management of all program components.
- Administer an efficient, high-performing agency through continuous improvement of HACCC's support systems and a high level of commitment to our employees and their development.

HACCC will make every effort to keep program participants informed of HCV program rules and regulations, and to advise participants of how the program rules affect them.

## **PART II: THE HOUSING CHOICE VOUCHER (HCV) PROGRAM**

### **1-II.A. OVERVIEW AND HISTORY OF THE PROGRAM**

The intent of this section is to provide the public and staff with information related to the overall operation of the program. There have been many changes to the program since its inception in 1974 and a brief history of the program will assist the reader to better understand the program.

The United States Housing Act of 1937 (the “Act”) is responsible for the birth of federal housing program initiatives. The Act was intended to provide financial assistance to states and cities for public works projects, slum clearance and the development of affordable housing developments for low-income residents.

The Housing and Community Development (HCD) Act of 1974 created a new federally assisted housing program – the Section 8 Existing program (also known as the Section 8 Certificate program). The HCD Act represented a significant shift in federal housing strategy from locally owned public housing to privately owned rental housing.

Under the Certificate program, federal housing assistance payments were made directly to private owners of rental housing, where this housing was made available to lower-income families. Eligible families were able to select housing in the private rental market. Assuming that the housing met certain basic physical standards of quality (“housing quality standards”) and was within certain HUD-established rent limitations (“fair market rents”), the family would be able to receive rental assistance in the housing unit. Family contribution to rent was generally set at 30 percent of the family’s adjusted income, with the remainder of the rent paid by the program.

Another unique feature of the Certificate program was that the rental assistance remained with the eligible family, if the family chose to move to another privately-owned rental unit that met program requirements (in contrast to the public housing program where the rental assistance remains with the unit, should the family decide to move). Consequently, the Certificate program was characterized as tenant-based assistance, rather than unit-based assistance.

The Housing and Community Development (HCD) Act of 1987 authorized a new version of tenant-based assistance – the Section 8 Voucher program. The Voucher program was very similar to the Certificate program in that eligible families were able to select housing in the private rental market and receive assistance in that housing unit.

However, the Voucher program permitted families more options in housing selection. Rental housing still had to meet the basic housing quality standards, but there was no fair market rent limitation on rent. In addition, family contribution to rent was not set at a limit of 30 percent of adjusted income. Consequently, depending on the actual rental cost of the unit selected, a family might pay more or less than 30 percent of their adjusted income for rent.

From 1987 through 1999, public housing agencies managed both the Certificate and Voucher tenant-based assistance programs, with separate rules and requirements for each. From 1994 through 1998, HUD published a series of new rules, known as “conforming” rules, to more closely combine and align the two similar housing programs, to the extent permitted by the law.

In 1998, the Quality Housing and Work Responsibility Act (QHWRA) – also known as the Public Housing Reform Act – was signed into law. QHWRA eliminated all statutory differences between the Certificate and Voucher tenant-based programs and required that the two programs

be merged into a single tenant-based assistance program, now known as the Housing Choice Voucher (HCV) program.

The HCV program was modeled closely on the pre-merger Voucher program. However, unlike the pre-merger Voucher program, the HCV program requires an assisted family to pay at least 30 percent of adjusted income for rent.

The transition of assistance from the Certificate and Voucher programs to the new HCV program began in October 1999. By October 2001, all families receiving tenant-based assistance were converted to the HCV program.

### **1-II.B. HCV PROGRAM BASICS**

The purpose of the HCV program is to provide rental assistance to eligible families. The rules and regulations of the HCV program are determined by the U.S. Department of Housing and Urban Development. HACCC is afforded choices in the operation of the program which are included in HACCC's administrative plan, a document approved by the board of commissioners of HACCC.

The HCV program offers mobility to eligible families because they may search for suitable housing anywhere in HACCC's jurisdiction and may also be eligible to move under portability to other PHAs' jurisdictions.

When a family is determined to be eligible for the program and funding is available, HACCC issues the family a housing voucher. When the family finds a suitable housing unit and funding is available, HACCC will enter into a contract with the owner and the family will enter into a lease with the owner. Each party makes their respective payment to the owner so that the owner receives full rent.

Even though the family is determined to be eligible for the program, the owner has the responsibility of approving the family as a suitable renter. HACCC continues to make payments to the owner as long as the family is eligible and the housing unit continues to qualify under the program.

### **1-II.C. THE HCV PARTNERSHIPS**

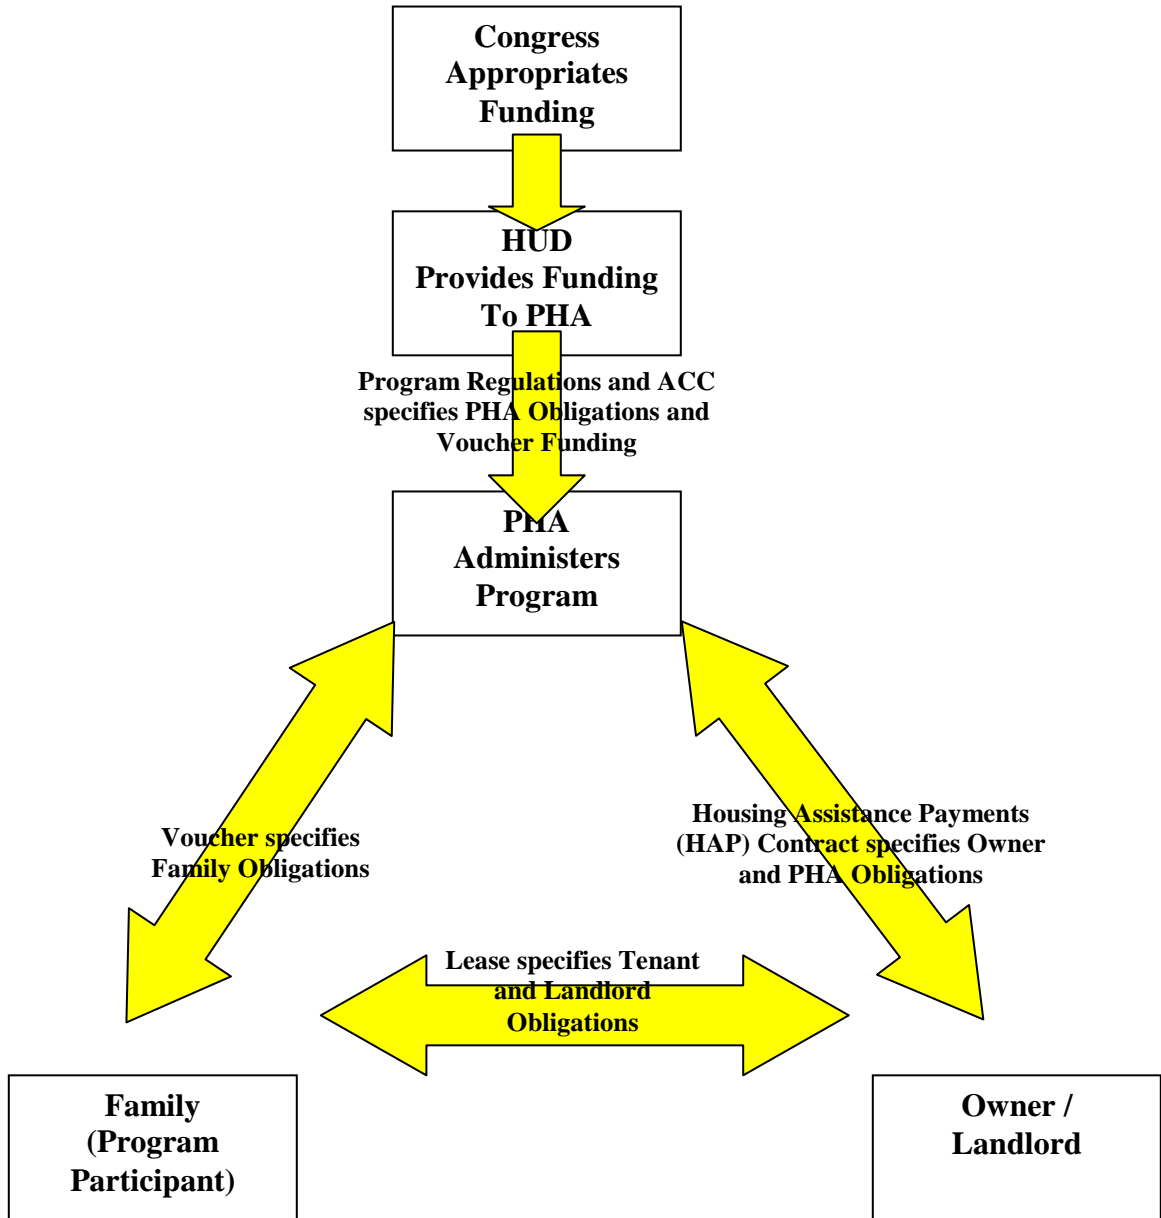

To administer the HCV program, HACCC enters into a contractual relationship with HUD (Consolidated Annual Contributions Contract). HACCC also enters into contractual relationships with the assisted family and the owner or landlord of the housing unit.

For the HCV program to work and be successful, all parties involved – HUD, HACCC, the owner, and the family – have important roles to play. The roles and responsibilities of all parties are defined in federal regulations and in legal documents that parties execute to participate in the program.

The chart on the following page illustrates key aspects of these relationships.

**The HCV Relationships:**

## **What Does HUD Do?**

HUD has the following major responsibilities:

- Develop regulations, requirements, handbooks, notices and other guidance to implement HCV housing program legislation passed by Congress;
- Allocate HCV program funds to PHAs;
- Provide technical assistance to PHAs on interpreting and applying HCV program requirements;
- Monitor PHA compliance with HCV program requirements and PHA performance in program administration.

## **What Does HACCC Do?**

HACCC administers the HCV program under contract with HUD and has the following major responsibilities:

- Establish local policies to administer the program;
- Review applications from interested applicants to determine whether they are eligible for the program;
- Maintain a waiting list and select families for admission;
- Issue vouchers to eligible families and provide information on how to lease a unit;
- Conduct outreach to owners, with special attention to owners outside areas of poverty or minority concentration;
- Approve the rental unit (including assuring compliance with housing quality standards and rent reasonableness), the owner, and the tenancy;
- Make housing assistance payments to the owner in a timely manner;
- Recertify families for continued eligibility under the program;
- Ensure that owners and families comply with their contractual obligations;
- Provide families and owners with prompt, professional service;
- Comply with all fair housing and equal opportunity requirements, HUD regulations and requirements, the Annual Contributions Contract, HUD-approved applications for funding, HACCC's administrative plan, and other applicable federal, state and local laws.

## **What Does the Owner Do?**

The owner has the following major responsibilities:

- Screen families who apply for tenancy, to determine suitability as renters.
  - HACCC can provide some information to the owner, but the primary responsibility for tenant screening rests with the owner.
  - The owner should consider family background factors such as rent and bill-paying history, history of caring for property, respecting the rights of others to peaceful enjoyment of the property, compliance with essential conditions of tenancy, whether the

family is engaging in drug-related criminal activity or other criminal activity that might threaten others.

- Comply with the terms of the Housing Assistance Payments contract executed with HACCC;
- Comply with all applicable fair housing laws and do not discriminate against anyone;
- Maintain the housing unit in accordance with Housing Quality Standards (HQS) and make necessary repairs in a timely manner;
- Collect rent due from the assisted family and otherwise comply with and enforce provisions of the dwelling lease.

### **What Does the Family Do?**

The family has the following responsibilities:

- Provide HACCC with complete and accurate information as determined by HACCC to be necessary for administration of the program;
- Make their best and most timely efforts to locate qualified and suitable housing;
- Attend all appointments scheduled by HACCC;
- Allow HACCC to inspect the unit at reasonable times and after reasonable notice;
- Take responsibility for care of the housing unit, including any violations of housing quality standards caused by the family;
- Comply with the terms of the lease with the owner;
- Comply with the family obligations of the voucher;
- Not commit serious or repeated violations of the lease;
- Not engage in drug-related or violent criminal activity;
- Notify HACCC and the owner before moving or terminating the lease;
- Use the assisted unit only for residence and as the sole residence of the family. Not sublet the unit, assign the lease, or have any interest in the unit;
- Promptly notify HACCC of any changes in family composition;
- Not commit fraud, bribery, or any other corrupt or criminal act in connection with any housing programs.

## **1-II.D. APPLICABLE REGULATIONS**

Applicable regulations include:

- 24 CFR Part 5: General Program Requirements
- 24 CFR Part 8: Nondiscrimination
- 24 CFR Part 35: Lead-Based Paint
- 24 CFR Part 982: Section 8 Tenant-Based Assistance: Housing Choice Voucher Program
- 24 CFR Part 983: Project-Based Vouchers
- 24 CFR Part 985: The Section 8 Management Assessment Program (SEMAP)

## **PART III: THE HCV ADMINISTRATIVE PLAN**

### **1-III.A. OVERVIEW AND PURPOSE OF THE PLAN**

The administrative plan is required by HUD. The purpose of the administrative plan is to establish policies for carrying out the programs in a manner consistent with HUD requirements and local goals and objectives contained in HACCC's agency plan. This administrative plan is a supporting document to HACCC agency plan, and is available for public review as required by CFR 24 Part 903.

This administrative plan is set forth to define HACCC's local policies for operation of the housing programs in accordance with federal laws and regulations. All issues related to the HCV program not addressed in this document are governed by such federal regulations, HUD handbooks and guidebooks, notices, and other applicable law. The policies in this administrative plan have been designed to ensure compliance with the consolidated ACC and all HUD-approved applications for program funding.

HACCC is responsible for complying with all changes in HUD regulations pertaining to the HCV program. If such changes conflict with this plan, HUD regulations will have precedence.

Administration of the HCV program and the functions and responsibilities of HACCC staff shall be in compliance with HACCC's personnel policy and HUD regulations as well as all federal, state and local fair housing laws and regulations.

### **1-III.B. CONTENTS OF THE PLAN [24 CFR 982.54]**

The HUD regulations at 24 CFR 982.54 define the policies that must be included in the administrative plan. They are as follow:

- Selection and admission of applicants from HACCC waiting list, including any HACCC admission preferences, procedures for removing applicant names from the waiting list, and procedures for closing and reopening HACCC waiting list (Chapter 4);
- Issuing or denying vouchers, including HACCC policy governing the voucher term and any extensions of the voucher term. If HACCC decides to allow extensions of the voucher term, HACCC administrative plan must describe how HACCC determines whether to grant extensions, and how HACCC determines the length of any extension (Chapter 5);
- Any special rules for use of available funds when HUD provides funding to HACCC for a special purpose (e.g., desegregation), including funding for specified families or a specified category of families (Chapter 4);
- Occupancy policies, including definition of what group of persons may qualify as a 'family', definition of when a family is considered to be 'continuously assisted'; standards for denying admission or terminating assistance based on criminal activity or alcohol abuse in accordance with 982.553 (Chapters 3 and 12);
- Encouraging participation by owners of suitable units located outside areas of low income or minority concentration (Chapter 13);

- Assisting a family that claims that illegal discrimination has prevented the family from leasing a suitable unit (Chapter 2);
- Providing information about a family to prospective owners (Chapters 3 and 9);
- Disapproval of owners (Chapter 13);
- Subsidy standards (Chapter 5);
- Family absence from the dwelling unit (Chapter 12) ;
- How to determine who remains in the program if a family breaks up (Chapter 3);
- Informal review procedures for applicants (Chapter 16);
- Informal hearing procedures for participants (Chapter 16);
- The process for establishing and revising voucher payment standards including policies on administering decreases in the payment standard during the HAP contract term (Chapter 16);
- The method of determining that rent to owner is a reasonable rent (initially and during the term of a HAP contract) (Chapter 8);
- Special policies concerning special housing types in the program (e.g., use of shared housing) (Chapter 15);
- Policies concerning payment by a family to HACCC of amounts the family owes HACCC (Chapter 16);
- Interim redeterminations of family income and composition (Chapter 11);
- Restrictions, if any, on the number of moves by a participant family (Chapter 10);
- Approval by the board of commissioners or other authorized officials to charge the administrative fee reserve (Chapter 16);
- Procedural guidelines and performance standards for conducting required housing quality standards inspections (Chapter 8); and
- PHA screening of applicants for family behavior or suitability for tenancy (Chapter 3).

### **Mandatory vs. Discretionary Policy**

HUD makes a distinction between:

- Mandatory policies: those driven by legislation, regulations, current handbooks, notices, and legal opinions, and
- Optional, non-binding guidance, including guidebooks, notices that have expired and recommendations from individual HUD staff.

HUD expects HACCC to adopt local policies and procedures that are consistent with mandatory policies in areas where HUD gives HACCC discretion. HACCC's administrative plan is the foundation of those policies and procedures. HUD's directions require HACCC to make policy choices that provide sufficient guidance to staff and ensure consistency to program applicants and participants.

Creating policies based upon HUD guidance is not mandatory, but provides HACCC with a “safe harbor.” HUD has already determined that the recommendations and suggestions it makes are consistent with mandatory policies. If HACCC adopts an alternative strategy, it must make its own determination that the alternative approach is consistent with legislation, regulations, and other mandatory requirements. There may be very good reasons for adopting a policy or procedure that is different than HUD’s safe harbor, but PHAs should carefully think through those decisions.

### **1-III.C. ORGANIZATION OF THE PLAN**

The plan is organized to provide information to users in particular areas of operation.

### **1-III.D. UPDATING AND REVISING THE PLAN**

HACCC will revise this administrative plan as needed to comply with changes in HUD regulations. The original plan and any changes must be approved by the board of commissioners of the agency, the pertinent sections included in the Agency Plan, and a copy provided to HUD.

#### HACCC Policy

HACCC will review and update the plan at least once a year, and more often if needed, to reflect changes in regulations, HACCC operations, or when needed to ensure staff consistency in operation.

## CHAPTER 2

### FAIR HOUSING AND EQUAL OPPORTUNITY

#### INTRODUCTION

This chapter explains the laws and HUD regulations requiring PHAs to affirmatively further civil rights and fair housing in all federally-assisted housing programs. The letter and spirit of these laws are implemented through consistent policy and processes. The responsibility to further nondiscrimination pertains to all areas of HACCC's housing choice voucher (HCV) operations.

This chapter describes HUD regulations and PHA policies related to these topics in three parts:

Part I: Nondiscrimination. This part presents the body of laws and regulations governing the responsibilities of HACCC regarding nondiscrimination.

Part II: Policies Related to Persons with Disabilities. This part discusses the rules and policies of the housing choice voucher program related to reasonable accommodation for persons with disabilities. These rules and policies are based on the Fair Housing Act (42.U.S.C.) and Section 504 of the Rehabilitation Act of 1973, and incorporate guidance from the Joint Statement of The Department of Housing and Urban Development and the Department of Justice (DOJ), issued May 17, 2004.

Part III: Prohibition of Discrimination Against Limited English Proficiency Persons. This part details the obligations of HACCC to ensure meaningful access to the HCV program and its activities by persons with limited English proficiency (LEP). This part incorporates the Final Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition against National Origin Discrimination Affecting Limited English Proficient Persons published January 22, 2007, in the *Federal Register*.

## **PART I: NONDISCRIMINATION**

### **2-I.A. OVERVIEW**

Federal laws require PHAs to treat all applicants and participants equally, providing the same opportunity to access services, regardless of family characteristics and background. Federal law prohibits discrimination in housing on the basis of race, color, religion, sex, national origin, age, familial status, and disability. In addition, HUD regulations provide for additional protections regarding sexual orientation, gender identity, and marital status. HACCC will comply fully with all federal, state, and local nondiscrimination laws, and with rules and regulations governing fair housing and equal opportunity in housing and employment, including:

- Title VI of the Civil Rights Act of 1964
- Title VIII of the Civil Rights Act of 1968 (as amended by the Community Development Act of 1974 and the Fair Housing Amendments Act of 1988)
- Executive Order 11063
- Section 504 of the Rehabilitation Act of 1973
- The Age Discrimination Act of 1975
- Title II of the Americans with Disabilities Act (to the extent that it applies, otherwise Section 504 and the Fair Housing Amendments govern)
- Violence Against Women Reauthorization Act of 2005 (VAWA)
- The Equal Access to Housing in HUD Programs Regardless of Sexual Orientation or Gender Identity Final Rule, published in the *Federal Register* February 3, 2012

When more than one civil rights law applies to a situation, the laws will be read and applied together.

Any applicable state laws or local ordinances and any legislation protecting individual rights of tenants, applicants, or staff that may subsequently be enacted will also apply.

#### HACCC Policy

California Fair Employment and Housing Act (FEHA)

Unruh Civil Rights Act

### **2-I.B. NONDISCRIMINATION**

Federal regulations prohibit discrimination against certain protected classes and other groups of people. State and local requirements, as well as PHA policies, can prohibit discrimination based on other factors.

HACCC shall not discriminate because of race, color, sex, religion, familial status, age, disability or national origin (called “protected classes”)

Familial status includes children under the age of 18 living with parents or legal custodians, pregnant women, and people securing custody of children under the age of 18.

#### HACCC Policy

HACCC will not discriminate on the basis of: [FR Notice 02/03/12].

- Gender, Gender Identity, and Gender Expression
- Sexual Orientation
- Marital Status
- Ancestry
- Source of Income
- Genetic Information

California Supreme Court has held that protections under the Unruh Act are not necessarily restricted to these characteristics. The Act is meant to cover **all arbitrary and intentional discrimination** by a business establishment on the bases of personal characteristics similar to those listed above.

HACCC will not use any of these factors to:

- Deny to any family the opportunity to apply for housing, nor deny to any qualified applicant the opportunity to participate in the housing choice voucher program
- Provide housing that is different from that provided to others
- Subject anyone to segregation or disparate treatment
- Restrict anyone's access to any benefit enjoyed by others in connection with the housing program
- Treat a person differently in determining eligibility or other requirements for admission
- Steer an applicant or participant toward or away from a particular area based any of these factors
- Deny anyone access to the same level of services
- Deny anyone the opportunity to participate in a planning or advisory group that is an integral part of the housing program
- Discriminate in the provision of residential real estate transactions
- Discriminate against someone because they are related to or associated with a member of a protected class
- Publish or cause to be published an advertisement or notice indicating the availability of housing that prefers or excludes persons who are members of a protected class

## **Providing Information to Families and Owners**

HACCC must take steps to ensure that families and owners are fully aware of all applicable civil rights laws. As part of the briefing process, HACCC must provide information to HCV applicant families about civil rights requirements and the opportunity to rent in a broad range of neighborhoods [24 CFR 982.301]. The Housing Assistance Payments (HAP) contract informs owners of the requirement not to discriminate against any person because of race, color, religion, sex, national origin, age, familial status, or disability in connection with the contract.

## **Discrimination Complaints**

If an applicant or participant believes that any family member has been discriminated against by HACCC or an owner, the family should advise HACCC. HUD requires HACCC to make every reasonable attempt to determine whether the applicant's or participant's assertions have merit and take any warranted corrective action. In addition, HACCC is required to provide the applicant or participant with information about how to file a discrimination complaint [24 CFR 982.304].

### HACCC Policy

Applicants or participants who believe that they have been subject to unlawful discrimination may notify HACCC either orally or in writing.

HACCC will attempt to remedy discrimination complaints made against HACCC.

HACCC will provide a copy of a discrimination complaint form to the complainant and provide them with information on how to complete and submit the form to HUD's Office of Fair Housing and Equal Opportunity (FHEO), the California Department of Fair Employment and Housing and local organizations such as Bay Area Legal Aid.

## **PART II: POLICIES RELATED TO PERSONS WITH DISABILITIES**

### **2-II.A. Overview**

One type of disability discrimination prohibited by the Fair Housing Act is the refusal to make reasonable accommodation in rules, policies, practices, or services when such accommodation may be necessary to afford a person with a disability the equal opportunity to use and enjoy a program or dwelling under the program.

HACCC must ensure that persons with disabilities have full access to HACCC's programs and services. This responsibility begins with the first inquiry of an interested family and continues through every programmatic area of the HCV program.

#### **HACCC Policy**

HACCC will ask all applicants and participants if they require any type of accommodations, in writing, on the intake application, reexamination documents, and notices of adverse action by HACCC, by including the following language:

- " If you or anyone in your family is a person with disabilities, and you require a specific accommodation in order to fully utilize our programs and services, please contact the 504/ADA Coordinator."
- A specific name and phone number will be indicated as the contact for requests for accommodation for persons with disabilities.

### **2-II.B. Definition Of Reasonable Accommodation**

A reasonable accommodation is an adjustment made to a rule, policy, practice, or service that allows a person with a disability to have equal access to the HCV program. For example, reasonable accommodations may include making home visits, extending the voucher term, or approving an exception payment standard in order for a participant to lease an accessible dwelling unit.

Federal regulations stipulate that requests for accommodations will be considered reasonable if they do not create an "undue financial and administrative burden" for HACCC, or result in a "fundamental alteration" in the nature of the program or service offered. A fundamental alteration is a modification that alters the essential nature of a provider's operations.

#### **Types of Reasonable Accommodations**

When it is reasonable (see definition above and in Section 2-II-E), HACCC must modify normal procedures to accommodate the needs of a person with disabilities. Examples include:

- Permitting applications and reexaminations to be completed by mail
- Conducting home visits

- Using higher payment standards (either within the acceptable range or with HUD approval of a payment standard outside HACCC range) if HACCC determines this is necessary to enable a person with disabilities to obtain a suitable housing unit
- Providing time extensions for locating a unit when necessary because of lack of availability of accessible units or special challenges of the family in seeking a unit
- Permitting an authorized designee or advocate to participate in the application or certification process and any other meetings with HACCC staff
- Displaying posters and other housing information in locations throughout HACCC's office in such a manner as to be easily readable from a wheelchair

### **2-II.C. Request For An Accommodation**

If an applicant or participant indicates that an exception, change, or adjustment to a rule, policy, practice, or service is needed because of a disability, HUD requires that HACCC treat the information as a request for a reasonable accommodation, even if no formal request is made [Joint Statement of the Departments of HUD and Justice: Reasonable Accommodations under the Fair Housing Act].

The family must explain what type of accommodation is needed to provide the person with the disability full access to HACCC's programs and services.

If the need for the accommodation is not readily apparent or known to HACCC, the family must explain the relationship between the requested accommodation and the disability. There must be an identifiable relationship, or nexus, between the requested accommodation and the individual's disability.

### **HACCC Policy**

HACCC may ask the family to make its request in writing using a reasonable accommodation request form provided by HACCC. However, HACCC will consider an accommodation request any time a family indicates that an accommodation is needed, regardless of whether the request is submitted in writing, and regardless of whether the request is submitted on HACCC's Reasonable Accommodation form.

The family must explain what type of accommodation is needed to provide the person with the disability full access to HACCC's programs and services.

If the need for the accommodation is not readily apparent or known to HACCC, the family must explain the relationship between the requested accommodation and the disability. There must be an identifiable relationship, or nexus, between the requested accommodation and the individual's disability.

The request for a reasonable accommodations/reasonable modifications need not use a specific written form and need not mention the Fair Housing Act, Section 504, or the ADA, or use the phrase "reasonable accommodation" or "reasonable modification." Requests for accommodation

will be evaluated and decided upon by the Section 504 Coordinator and/or another staff member trained in and knowledgeable about fair housing and reasonable accommodations.

## **2-II.D. Verification of Disability**

The regulatory civil rights definition for persons with disabilities is provided in Exhibit 2-1 at the end of this chapter. The definition of a person with a disability for the purpose of obtaining a reasonable accommodation is much broader than the HUD definition of disability, which is used for waiting list preferences and income allowances.

Before providing an accommodation, HACCC must determine that the person meets the definition of a person with a disability, and that the accommodation will enhance the family's access to HACCC's programs and services.

If a person's disability is obvious or otherwise known to HACCC, and if the need for the requested accommodation is also readily apparent or known, no further verification will be required [Joint Statement of the Departments of HUD and Justice: Reasonable Accommodations under the Fair Housing Act].

If a family indicates that an accommodation is required for a disability that is not obvious or otherwise known to HACCC, HACCC must verify that the person meets the definition of a person with a disability, and that the limitations imposed by the disability require the requested accommodation.

When verifying a disability, HACCC will follow the verification policies provided in Chapter 7. All information related to a person's disability will be treated in accordance with the confidentiality policies provided in Chapter 16. In addition to the general requirements that govern all verification efforts, the following requirements apply when verifying a disability:

- Third-party verification must be obtained from an individual identified by the family who is competent to make the determination. A doctor or other medical professional, a peer support group, a non-medical service agency, or a reliable third party who is in a position to know about the individual's disability may provide verification of a disability [Joint Statement of the Departments of HUD and Justice: Reasonable Accommodations under the Fair Housing Act]
- HACCC must request only information that is necessary to evaluate the disability-related need for the accommodation. HACCC will not inquire about the nature or extent of any disability.
- Medical records will not be accepted or retained in the participant file.

## **2-II.E. Approval/Denial of a Requested Accommodation**

[Joint Statement of the Departments of HUD and Justice: Reasonable Accommodations under the Fair Housing Act].

HACCC must approve a request for an accommodation if the following three conditions are met:

- The request was made by or on behalf of a person with a disability.
- There is a disability-related need for the accommodation.
- The requested accommodation is reasonable, meaning it would not impose an undue financial and administrative burden OR it fundamentally alters the nature of HACCC's HCV operations (including the obligation to comply with HUD requirements and regulations).

Requests for accommodations must be assessed on a case-by-case basis, taking into account factors such as the cost of the requested accommodation, the financial resources of HACCC at the time of the request, the benefits that the accommodation would provide to the family, and the availability of alternative accommodations that would effectively meet the family's disability-related needs.

Before making a determination whether to approve or deny the request, HACCC may enter into discussion and negotiation with the family, request more information from the family, or may require the family to sign a consent form so that HACCC may verify the need for the requested accommodation.

### **HACCC Policy**

After a request for an accommodation is presented, HACCC will respond, in writing, within 15 business days.

If HACCC denies a request for an accommodation because it is not reasonable (it would impose an undue financial and administrative burden and fundamentally alter the nature of the HACCC's operations), the notice will inform the family of the right to appeal HACCC's decision through an informal hearing (if applicable, see Chapter 16).

If HACCC denies a request for an accommodation because it is not reasonable (it would impose an undue financial and administrative burden and fundamentally alter the nature of HACCC's operations), HACCC will discuss with the family whether an alternative accommodation could effectively address the family's disability-related needs without a fundamental alteration to the HCV program and without imposing an undue financial and administrative burden.

If HACCC believes that the family has failed to identify a reasonable alternative accommodation after interactive discussion and negotiation, HACCC will notify the family, in writing, of its determination within 15 business days from the date of the most recent discussion or communication with the family.

### **2-II.F. Program Accessibility for Persons with Hearing or Vision Impairments**

HUD regulations require HACCC to ensure that persons with disabilities related to hearing and vision have reasonable access to HACCC's programs and services [24 CFR 8.6].

At the initial point of contact with each applicant, HACCC shall inform all applicants of alternative forms of communication that can be used other than plain language paperwork.

## **HACCC Policy**

To meet the needs of persons with hearing impairments, TTD/TTY (text telephone display / teletype) communication will be available.

To meet the needs of persons with vision impairments, large-print and audio versions of key program documents will be made available upon request. When visual aids are used in public meetings or presentations, or in meetings with HACCC staff, one-on-one assistance will be provided upon request.

Additional examples of alternative forms of communication are sign language interpretation; having material explained orally by staff; or having a third party representative (a contractor of the Authority, a friend, relative or advocate, requested by the applicant) to receive, interpret and explain housing materials and be present at all meetings.

### **2-II.G. Physical Accessibility**

HACCC must comply with a variety of regulations pertaining to physical accessibility, including the following:

- PIH 2002-01 (HA), Accessibility Notice
- Section 504 of the Rehabilitation Act of 1973
- The Americans with Disabilities Act of 1990
- The Architectural Barriers Act of 1968
- The Fair Housing Act of 1988

HACCC's policies concerning physical accessibility must be readily available to applicants and participants. They can be found in three key documents:

- This plan describes the key policies that govern HACCC's responsibilities with regard to physical accessibility.

Notice PIH 2006-03(HA) Accessibility Notice (which must be posted in the HCV offices in a conspicuous place) summarizes information about pertinent laws and implementing regulations related to non-discrimination and accessibility in federally funded housing programs.

- HACCC Agency Plan provides information about self-evaluation, needs assessment and transition plans.

The design, construction, or alteration of HACCC facilities must conform to the Uniform Federal Accessibility Standards (UFAS). Newly constructed facilities must be designed to be readily accessible to and usable by persons with disabilities. Alterations to existing facilities must be accessible to the maximum extent feasible, defined as not imposing an undue financial and administrative burden on the operations of the HCV program.

When issuing a voucher to a family that includes an individual with disabilities, HACCC will include a current list of available accessible units known to HACCC and will assist the family in locating an available accessible unit, if necessary.

In general, owners must permit a family to make reasonable modifications (structural changes) to the unit if such modifications may be necessary to afford a person with a disability full enjoyment of the premises. However, an owner who is not a recipient of federal financial assistance is not required to pay for the modification. In some circumstances, the owner may require that the unit be restored to its original state at the family's expense when the family moves. (Joint Statement on Reasonable Modifications.) HACCC will address requests for reasonable modification using the same process described above for reasonable accommodations.

## **2-II.H. Denial or Termination of Assistance**

HACCC's decision to deny or terminate the assistance of a family that includes a person with disabilities is subject to consideration of reasonable accommodation [24 CFR 982.552 (2)(iv)].

When applicants with disabilities are denied assistance, the notice of denial must inform them of HACCC's informal review process and their right to request an informal hearing. In addition, the notice must inform applicants with disabilities of their right to request reasonable accommodations to participate in the informal review process.

When a participant family's assistance is terminated, the notice of termination must inform them of HACCC's informal hearing process and their right to request a hearing and reasonable accommodation.

When reviewing reasonable accommodation requests, HACCC must consider whether any mitigating circumstances can be verified to explain and overcome the problem that led to HACCC's decision to deny or terminate assistance. If a reasonable accommodation will allow the family to meet the requirements, HACCC must make the accommodation.

Additionally, HACCC must provide any reasonable accommodations necessary for persons with disabilities to participate in the hearing process.

## **PART III: IMPROVING ACCESS TO SERVICES FOR PERSONS WITH LIMITED ENGLISH PROFICIENCY (LEP)**

### **2-III.A. OVERVIEW**

Language for Limited English Proficiency Persons (LEP) can be a barrier to accessing important benefits or services, understanding and exercising important rights, complying with applicable responsibilities, or understanding other information provided by the HCV program. In certain circumstances, failure to ensure that LEP persons can effectively participate in or benefit from federally-assisted programs and activities may violate the prohibition under Title VI against discrimination on the basis of national origin. This part incorporates the Final Guidance to Federal Assistance Recipients Regarding Title VI Prohibition against National Origin Discrimination Affecting Limited English Proficient Persons, published January 22, 2007, in the *Federal Register*.

HACCC will take affirmative steps to communicate with people who need services or information in a language other than English. These persons will be referred to as Persons with Limited English Proficiency (LEP).

LEP is defined as persons who do not speak English as their primary language and who have a limited ability to read, write, speak or understand English. For the purposes of this administrative plan, LEP persons are HCV applicants and participants, and parents and family members of applicants and participants.

In order to determine the level of access needed by LEP persons, HACCC will balance the following four factors: (1) the number or proportion of LEP persons eligible to be served or likely to be encountered by the Housing Choice Voucher program; (2) the frequency with which LEP persons come into contact with the program; (3) the nature and importance of the program, activity, or service provided by the program to people's lives; and (4) the resources available to HACCC and costs. Balancing these four factors will ensure meaningful access by LEP persons to critical services while not imposing undue burdens on HACCC.

### **2-III.B. ORAL INTERPRETATION**

In a courtroom, a hearing, or situations in which health, safety, or access to important benefits and services are at stake, HACCC will generally offer, or ensure that the family is offered through other sources, competent services free of charge to the LEP person.

#### HACCC Policy

HACCC will analyze the various kinds of contacts it has with the public, to assess language needs and decide what reasonable steps should be taken. "Reasonable steps" may not be reasonable where the costs imposed substantially exceed the benefits.

Where feasible, HACCC will train and hire bilingual staff to be available to act as interpreters and translators, will pool resources with other PHAs, and will standardize documents. Where feasible and possible, HACCC will encourage the use of qualified community volunteers.

Where LEP persons desire, they will be permitted to use, at their own expense, an interpreter of their own choosing, in place of or as a supplement to the free language services offered by HACCC. The interpreter may be a family member or friend.

### **2-III.C. WRITTEN TRANSLATION**

Translation is the replacement of a written text from one language into an equivalent written text in another language.

#### HACCC Policy

In order to comply with written-translation obligations, HACCC will take the following steps:

HACCC will provide written translations of vital documents for each eligible LEP language group that constitutes 5 percent or 1,000 persons, whichever is less, of the population of persons eligible to be served or likely to be affected or encountered. Translation of other documents, if needed, can be provided orally; or

If there are fewer than 50 persons in a language group that reaches the 5 percent trigger, HACCC does not translate vital written materials, but provides written notice in the primary language of the LEP language group of the right to receive competent oral interpretation of those written materials, free of cost.

### **2-III.D. IMPLEMENTATION PLAN**

After completing the four-factor analysis and deciding what language assistance services are appropriate, HACCC shall determine whether it is necessary to develop a written implementation plan to address the identified needs of the LEP populations it serves.

If HACCC determines that it is not necessary to develop a written implementation plan, the absence of a written plan does not obviate the underlying obligation to ensure meaningful access by LEP persons to HACCC's Housing Choice Voucher program and services.

#### HACCC Policy

If it is determined that HACCC serves very few LEP persons, and HACCC has very limited resources, HACCC will not develop a written LEP plan, but will consider alternative ways to articulate in a reasonable manner a plan for providing meaningful access. Entities having significant contact with LEP persons, such as schools, grassroots and faith-based organizations, community groups, and groups working with new immigrants will be contacted for input into the process.

If HACCC determines it is appropriate to develop a written LEP plan, the following five steps will be taken: (1) Identifying LEP individuals who need language assistance; (2) identifying language assistance measures; (3) training staff; (4) providing notice to LEP persons; and (5) monitoring and updating the LEP plan.

**EXHIBIT 2-1: DEFINITION OF A PERSON WITH A DISABILITY UNDER FEDERAL CIVIL RIGHTS LAWS [24 CFR Parts 8.3 and 100.201]**

A person with a disability, as defined under federal civil rights laws, is any person who:

- Has a physical or mental impairment that substantially limits one or more of the major life activities of an individual, or
- Has a record of such impairment, or
- Is regarded as having such impairment

The phrase “physical or mental impairment” includes:

- Any physiological disorder or condition, cosmetic or disfigurement, or anatomical loss affecting one or more of the following body systems: neurological; musculoskeletal; special sense organs; respiratory, including speech organs; cardiovascular; reproductive; digestive; genito-urinary; hemic and lymphatic; skin; and endocrine; or
- Any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities. The term “physical or mental impairment” includes, but is not limited to: such diseases and conditions as orthopedic, visual, speech and hearing impairments, cerebral palsy, autism, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional illness, drug addiction and alcoholism.

“Major life activities” includes, but is not limited to, caring for oneself, performing manual tasks, walking, seeing, hearing, breathing, learning, and/or working.

“Has a record of such impairment” means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities.

“Is regarded as having an impairment” is defined as having a physical or mental impairment that does not substantially limit one or more major life activities but is treated by a public entity (such as HACCC) as constituting such a limitation; has none of the impairments defined in this section but is treated by a public entity as having such an impairment; or has a physical or mental impairment that substantially limits one or more major life activities, only as a result of the attitudes of others toward that impairment.

The definition of a person with disabilities does not include:

- Current illegal drug users
- People whose alcohol use interferes with the rights of others
- Persons who objectively pose a direct threat or substantial risk of harm to others that cannot be controlled with a reasonable accommodation under the HCV program

The above definition of disability determines whether an applicant or participant is entitled to any of the protections of federal disability civil rights laws. Thus, a person who does not meet this disability is not entitled to a reasonable accommodation under federal civil rights and fair housing laws and regulations.

The HUD definition of a person with a disability is much narrower than the civil rights definition of disability. The HUD definition of a person with a disability is used for purposes of receiving the disabled family preference, the \$400 elderly/disabled household deduction, the \$480 dependent deduction, the allowance for medical expenses, or the allowance for disability assistance expenses.

The definition of a person with a disability for purposes of granting a reasonable accommodation request is much broader than the HUD definition of disability. Many people will not qualify as a disabled person under the HCV program, yet an accommodation is needed to provide equal opportunity.

## **CHAPTER 3**

### **ELIGIBILITY**

#### **INTRODUCTION**

HACCC is responsible for ensuring that every individual and family admitted to the HCV program meets all program eligibility requirements. This includes any individual approved to join the family after the family has been admitted to the program. The family must provide any information needed by HACCC to confirm eligibility and determine the level of the family's assistance.

To be eligible for the HCV program:

- The applicant family must:
  - Qualify as a family as defined by HUD and HACCC.
  - Have income at or below HUD-specified income limits.
  - Qualify on the basis of citizenship or the eligible immigrant status of family members.
  - Provide social security number information for household members as required.
  - Consent to HACCC's collection and use of family information as provided for in HACCC-provided consent forms.
- HACCC must determine that the current or past behavior of household members does not include activities that are prohibited by HUD or HACCC.

This chapter contains three parts:

Part I: Definitions of Family and Household Members. This part contains HUD and HACCC definitions of family and household members and explains initial and ongoing eligibility issues related to these members.

Part II: Basic Eligibility Criteria. This part discusses income eligibility, and rules regarding citizenship, social security numbers, and family consent.

Part III: Denial of Assistance. This part covers factors related to an applicant's past or current conduct (e.g. criminal activity) that can cause HACCC to deny assistance.

## **PART I: DEFINITIONS OF FAMILY AND HOUSEHOLD MEMBERS**

### **3-I.A. OVERVIEW**

Some eligibility criteria and program rules vary depending upon the composition of the family requesting assistance. In addition, some requirements apply to the family as a whole and others apply to individual persons who will live in the assisted unit. This part provides information that is needed to correctly identify family and household members, and to apply HUD's eligibility rules.

### **3-I.B. FAMILY AND HOUSEHOLD [24 CFR 982.201(c); Notice PIH 2014-20; FR Notice 02/03/12]**

The terms *family* and *household* have different meanings in the HCV program.

#### **Family**

To be eligible for assistance, an applicant must qualify as a family. *Family* as defined by HUD includes, but is not limited to the following, regardless of actual or perceived sexual orientation, gender identity, or marital status, a single person, who may be an elderly person, disabled person, near-elderly person, or any other single person; or a group of persons residing together. Such group includes, but is not limited to a family with or without children (a child who is temporarily away from the home because of placement in foster care is considered a member of the family), an elderly family, a near-elderly family, a disabled family, a displaced family, or the remaining member of a tenant family. HACCC has the discretion to determine if any other group of persons qualifies as a family.

*Gender Identity* means actual or perceived gender characteristics.

*Sexual orientation* means homosexuality, heterosexuality, or bisexuality.

#### HACCC Policy

A family also includes two or more individuals who are not related by blood, marriage, adoption, or other operation of law but who either can demonstrate that they have lived together previously or certify that each individual's income and other resources will be available to meet the needs of the family.

Each family must identify the individuals to be included in the family at the time of application, and must notify HACCC if the family's composition changes.

#### **Household**

*Household* is a broader term that includes additional people who, with HACCC's permission, live in an assisted unit, such as live-in aides, foster children, and foster adults.

### **3-I.C. FAMILY BREAKUP AND REMAINING MEMBER OF TENANT FAMILY**

#### **Family Breakup [24 CFR 982.315]**

Except under the following conditions, HACCC has discretion to determine which members of an assisted family continue to receive assistance if the family breaks up:

- If the family breakup results from an occurrence of domestic violence, dating violence, sexual assault or stalking, HACCC must ensure that the victim retains assistance. (For documentation requirements and policies related to domestic violence, dating violence, sexual assault and stalking, see section 16-IX.D of this plan.)
- If a court determines the disposition of property between members of the assisted family, HACCC is bound by the court's determination of which family members continue to receive assistance.

#### HACCC Policy

When a family on the waiting list breaks up into two otherwise eligible families, only one of the new families may retain the original application date. Other former family members may make a new application with a new application date if the waiting list is open.

If a family breaks up into two otherwise eligible families while receiving assistance, only one of the new families will continue to be assisted.

In the absence of a judicial decision or an agreement among the original family members, HACCC will determine which family will retain their placement on the waiting list or continue to receive assistance. In making its determination, HACCC will take into consideration the following factors: (1) the interest of any minor children, including custody arrangements; (2) the interest of any ill, elderly, or disabled family members; (3) the interest of any family member who is the victim of domestic violence, dating violence, sexual assault or stalking, including a family member who was forced to leave an assisted unit as a result of such actual or threatened abuse; (4) any possible risks to family members as a result of criminal activity; and (5) the recommendations of social service professionals; (6) any original remaining members that can qualify as head of household.

#### **Remaining Member of a Tenant Family [24 CFR 5.403]**

The HUD definition of family includes the *remaining member of a tenant family*, which is a member of an assisted family who remains in the unit when other members of the family have left the unit. Household members such as live-in aides, foster children, and foster adults do not qualify as remaining members of a family.

If dependents are the only “remaining members of a tenant family” and there is no family member able to assume the responsibilities of the head of household, see Chapter 6, Section 6-I.B, for the policy on “Caretakers for a Child.”

#### **3-I.D. HEAD OF HOUSEHOLD [24 CFR 5.504(b)]**

*Head of household* means the adult member of the family who is considered the head for purposes of determining income eligibility and rent. The head of household is responsible for ensuring that the family fulfills all of its responsibilities under the program, alone or in conjunction with a cohead or spouse.

#### HACCC Policy

The family may designate any qualified family member as the head of household.

The head of household must have the legal capacity to enter into a lease under state and local law. A minor who is emancipated under state law may be designated as head of household.

### **3-I.E. SPOUSE, COHEAD, AND OTHER ADULT**

A family may have a spouse or cohead, but not both [HUD-50058 IB, p. 13].

*Spouse* means the marriage partner of the head of household.

#### HACCC Policy

A *marriage partner* includes the partner in a marriage as defined in state law. The term “spouse” does not apply to friends, roommates, or significant others who are not marriage partners. A minor who is emancipated under state law may be designated as a spouse.

A *cohead* is an individual in the household who is equally responsible with the head of household for ensuring that the family fulfills all of its responsibilities under the program, but who is not a spouse. A family can have only one cohead.

#### HACCC Policy

Minors who are emancipated under state law may be designated as a cohead.

*Other adult* means a family member, other than the head, spouse, or cohead, who is 18 years of age or older. Foster adults and live-in aides are not considered other adults.

### **3-I.F. DEPENDENT [24 CFR 5.603]**

A *dependent* is a family member who is under 18 years of age or a person of any age who is a person with a disability or a full-time student, except that the following persons can never be dependents: the head of household, spouse, cohead, foster children/adults and live-in aides. Identifying each dependent in the family is important because each dependent qualifies the family for a dependent allowance as described in Chapter 6.

### **Joint Custody of Dependents**

#### HACCC Policy

Dependents that are subject to a joint custody arrangement will be considered a member of the family, if they live with the applicant or participant family 51 percent or more of the time.

When more than one applicant or participant family is claiming the same dependents as family members, the family with primary custody at the time of the initial examination or reexamination will be able to claim the dependents. If there is a dispute about which family should claim them, HACCC will make the determination based on available documents such as court orders, or an IRS return showing which family has claimed the child for income tax purposes. Alternatively, the parent whose address is listed in school records will be allowed to claim the school-age child as a dependent.

### **3-I.G. FULL-TIME STUDENT [24 CFR 5.603; HCV GB, p. 5-29]**

A *full-time student* (FTS) is a person who is attending school or vocational training on a full-time basis. The time commitment or subject load that is needed to be full-time is defined by the educational institution.

Identifying each FTS is important because: (1) each family member that is an FTS, other than the head, spouse, or cohead, qualifies the family for a dependent allowance, and (2) the earned income of such an FTS is treated differently from the income of other family members.

### **3-I.H. ELDERLY AND NEAR-ELDERLY PERSONS, AND ELDERLY FAMILY [24 CFR 5.100 and 5.403, FR Notice 02/03/12]**

#### **Elderly Persons**

An *elderly person* is a person who is at least 62 years of age.

#### **Near-Elderly Persons**

A *near-elderly person* is a person who is 50-61 years of age.

#### **Elderly Family**

An *elderly family* is one in which the head, spouse, cohead, or sole member is an elderly person. Identifying elderly families is important because elderly families qualify for the elderly family allowance as described in Chapter 6.

### **3-I.I. PERSONS WITH DISABILITIES AND DISABLED FAMILY [24 CFR 5.403, FR Notice 02/03/12]**

#### **Persons with Disabilities**

Under the HCV program, special rules apply to persons with disabilities and to any family whose head, spouse, or cohead is a person with disabilities. The technical definitions of individual with handicaps and persons with disabilities are provided in Exhibit 3-1 at the end of this chapter. These definitions are used for a number of purposes including ensuring that persons with disabilities are not discriminated against based upon disability.

As discussed in Chapter 2, HACCC must make all aspects of the HCV program accessible to persons with disabilities and consider reasonable accommodations requested based upon a person's disability.

#### **Disabled Family**

A *disabled family* is one in which the head, spouse, or cohead is a person with disabilities. Identifying disabled families is important because these families qualify for the disabled family allowance as described in Chapter 6.

Even though persons with drug or alcohol dependencies are considered persons with disabilities, this does not prevent HACCC from denying assistance for reasons related to alcohol and drug abuse in accordance with the policies found in Part III of this chapter, or from terminating assistance in accordance with the policies in Chapter 12.

### **3-I.J. GUESTS [24 CFR 5.100]**

A *guest* is a person temporarily staying in the unit with the consent of a member of the household who has expressed or implied authority to so consent. The head of household is responsible for the conduct of visitors and guests, inside the unit as well as anywhere on or near HACCC premises [24 CFR 966.4(f)].[24 CFR 5.100]

#### HACCC Policy

A guest is a person temporarily staying in the unit with the consent of a member of the household who has express or implied authority to so consent. The head of household is responsible for the conduct of visitors and guests, inside the unit as well as anywhere on or near HACCC premises [24 CFR 966.4(f)].[24 CFR 5.100]

A guest can remain in the assisted unit no longer than 15 consecutive days or a total of 45 cumulative calendar days during any 12-month period.

Non-household members who represent the unit's address as their residence address for receipt of benefits or other purposes will be considered unauthorized occupants.

Children who are subject to a joint custody arrangement or for whom a family has visitation privileges, that are not included as a family member because they live outside of the assisted household more than 51 percent of the time, are not subject to the time limitations of guests as described above.

A family may request an exception to this policy for valid reasons (e.g., care of a relative recovering from a medical procedure is expected to last 40 consecutive days). An exception will not be made unless the family can identify and provide documentation of the residence to which the guest will return.

Participants can not violate the terms of their lease if the lease is more restrictive than the Authority's guest policies.

### **3-I.K. FOSTER CHILDREN AND FOSTER ADULTS**

*Foster adults* are usually persons with disabilities, unrelated to the tenant family, who are unable to live alone [24 CFR 5.609].

The term *foster child* is not specifically defined by the regulations.

Foster children and foster adults who are living with an applicant or who have been approved by HACCC to live with a participant family are considered household members but not family members. The income of foster children/adults is not counted in family annual income, and foster children/adults do not qualify for a dependent deduction [24 CFR 5.603; HUD-50058 IB, p. 13].

#### HACCC Policy

A *foster child* is a child that is in the legal guardianship or custody of a state, county, or private adoption or foster care agency, yet is cared for by foster parents in their own

homes, under some kind of short-term or long-term foster care arrangement with the custodial agency.

A foster child or foster adult may be allowed to reside in the unit if their presence would not result in a violation of HQS space standards according to 24 CFR 982.401.

Children that are temporarily absent from the home as a result of placement in foster care are discussed in Section 3-I.L.

### **3-I.L. ABSENT FAMILY MEMBERS**

Individuals may be absent from the family, either temporarily or permanently, for a variety of reasons including educational activities, placement in foster care, employment, illness, incarceration, and court order.

#### **Definitions of Temporarily and Permanently Absent**

##### HACCC Policy

Generally an individual who is or is expected to be absent from the assisted unit for 90 consecutive calendar days or less is considered temporarily absent and continues to be considered a family member. Generally an individual who is or is expected to be absent from the assisted unit for more than 90 consecutive calendar days is considered permanently absent and no longer a family member. Exceptions to this general policy are discussed below.

#### **Absent Students**

##### HACCC Policy

When someone who has been considered a family member attends school away from home, the person will continue to be considered a family member unless information becomes available to HACCC indicating that the student has established a separate household or the family declares that the student has established a separate household.

#### **Absences Due to Placement in Foster Care [24 CFR 5.403]**

Children temporarily absent from the home as a result of placement in foster care are considered members of the family.

##### HACCC Policy

If a child has been placed in foster care, HACCC will verify with the appropriate agency whether and when the child is expected to be returned to the home. Unless the agency confirms that the child has been permanently removed from the home, the child will be counted as a family member.

#### **Absent Head, Spouse, or Cohead**

##### HACCC Policy

An employed head, spouse, or cohead absent from the unit more than 90 consecutive calendar days due to employment will continue to be considered a family member.

## **Family Members Permanently Confined for Medical Reasons [HCV GB, p. 5-22]**

If a family member is confined to a nursing home or hospital on a permanent basis, that person is no longer considered a family member and the income of that person is not counted [HCV GB, p. 5-22].

### HACCC Policy

HACCC will require the family to obtain verification from a responsible professional at the facility or a medical professional involved in the family member's care and will use this determination. If a determination cannot be made with respect to permanent residency in the facility, the person generally will be considered temporarily absent. HACCC will require the family to obtain monthly status from the facility or medical professional every 30 days until a final determination regarding permanent residency is made. The family may present evidence that the family member is a permanent resident at the facility and request that the person not be considered a family member.

When an individual who has been counted as a family member is determined permanently absent, the family is eligible for the medical expense deduction only if the remaining head, spouse, or cohead qualifies as an elderly person or a person with disabilities.

## **Return of Permanently Absent Family Members**

### HACCC Policy

The family must request HACCC approval for the return of any adult family members that HACCC previously determined to be permanently absent. The individual is subject to the eligibility and screening requirements discussed elsewhere in this chapter.

## **3-I.M. LIVE-IN AIDE**

A *live-in aide* is a person who resides with one or more elderly persons, or near-elderly persons, or persons with disabilities, and who: (1) is determined to be essential to the care and well-being of the persons, (2) is not obligated for the support of the persons, and (3) would not be living in the unit except to provide the necessary supportive services [24 CFR 5.403].

HACCC must approve a live-in aide if needed as a reasonable accommodation in accordance with 24 CFR 8, to make the program accessible to and usable by the family member with disabilities.

The income of a live-in aide is not counted in the calculation of annual income for the family [24 CFR 5.609(b)]. Relatives may be approved as live-in aides if they meet all of the criteria defining a live-in aide. Because live-in aides are not *family* members, a relative who serves as a live-in aide would not be considered a remaining member of a tenant family.

### HACCC Policy

A family's request for a live-in aide must be made in writing. Written verification will be required from a reliable, knowledgeable professional, such as a doctor, social worker, or case worker, that the live-in aide is essential for the care and well-being of the elderly, near-elderly, or disabled family member.

In addition, the family and live-in aide will be required to submit a certification stating that the live-in aide is (1) not obligated for the support of the person(s) needing the care, and (2) would not be living in the unit except to provide the necessary supportive services.

All live-in aides will be subject to HACCC's non-income related screening. HACCC will not approve a particular person as a live-in aide, and may withdraw such approval if [24 CFR 982.316(b)]:

HACCC will not approve a particular person as a live-in aide, and may withdraw such approval if [24 CFR 982.316(b)]:

The person commits fraud, bribery or any other corrupt or criminal act in connection with any federal housing program;

The person commits drug-related criminal activity or violent criminal activity; or

The person currently owes rent or other amounts to HACCC or to another PHA in connection with Section 8 or public housing assistance under the 1937 Act.

HACCC will notify the family of its decision in writing within 7 calendar days of receiving a request for a live-in aide, including all required documentation related to the request.

## **PART II: BASIC ELIGIBILITY CRITERIA**

### **3-II.A. INCOME ELIGIBILITY AND TARGETING**

#### **Income Limits**

HUD establishes income limits for all areas of the country and publishes them annually in the *Federal Register*. They are based upon estimates of median family income with adjustments for family size. The income limits are used to determine eligibility for the program and for income targeting purposes as discussed in this section.

#### **Definitions of the Income Limits [24 CFR 5.603(b)]**

*Low-income family.* A family whose annual income does not exceed 80 percent of the median income for the area, adjusted for family size.

*Very low-income family.* A family whose annual income does not exceed 50 percent of the median income for the area, adjusted for family size.

*Extremely low-income family.* A family whose annual income does not exceed the higher of Federal poverty level or 30 percent of the median income for the area, adjusted for family size.

HUD may establish income ceilings higher or lower than 30, 50, or 80 percent of the median income for an area if HUD finds that such variations are necessary because of unusually high or low family incomes.

#### **Using Income Limits for Eligibility [24 CFR 982.201]**

Income limits are used for eligibility only at admission. Income eligibility is determined by comparing the annual income of an applicant to the applicable income limit for their family size. In order to be income eligible, an applicant family must be one of the following:

- A *very low-income* family
- A *low-income* family that has been "continuously assisted" under the 1937 Housing Act. A family is considered to be continuously assisted if the family is already receiving assistance under any 1937 Housing Act program at the time the family is admitted to the HCV program [24 CFR 982.4]

#### HACCC Policy

HACCC will consider a family to be continuously assisted if the family was leasing a unit under any 1937 Housing Act program at the time they were selected from the waiting list.

- A low-income family that qualifies for voucher assistance as a non-purchasing household living in HOPE 1 (public housing homeownership), HOPE 2 (multifamily housing homeownership) developments, or other HUD-assisted multifamily homeownership programs covered by 24 CFR 248.173

- A low-income or moderate-income family that is displaced as a result of the prepayment of a mortgage or voluntary termination of a mortgage insurance contract on eligible low-income housing as defined in 24 CFR 248.101

HUD permits HACCC to establish additional categories of low-income families that may be determined eligible. The additional categories must be consistent with HACCC plan and the consolidated plans for local governments within HACCC’s jurisdiction.

HACCC Policy

HACCC has not established any additional categories of eligible low-income families.

**Using Income Limits for Targeting [24 CFR 982.201]**

At least 75 percent of the families admitted to HACCC's program during a PHA fiscal year must be extremely low-income families. HUD may approve exceptions to this requirement if HACCC demonstrates that it has made all required efforts, but has been unable to attract an adequate number of qualified extremely low-income families.

Families continuously assisted under the 1937 Housing Act and families living in eligible low-income housing that are displaced as a result of prepayment of a mortgage or voluntary termination of a mortgage insurance contract are not counted for income targeting purposes.

**3-II.B. CITIZENSHIP OR ELIGIBLE IMMIGRATION STATUS [24 CFR 5, Subpart E]**

Housing assistance is available only to individuals who are U.S. citizens, U.S. nationals (herein referred to as citizens and nationals), or noncitizens that have eligible immigration status. At least one family member must be a citizen, national, or noncitizen with eligible immigration status in order for the family to qualify for any level of assistance.

All applicant families must be notified of the requirement to submit evidence of their citizenship status when they apply. Where feasible, and in accordance with HACCC’s Limited English Proficiency Plan, the notice must be in a language that is understood by the individual if the individual is not proficient in English.

**Declaration [24 CFR 5.508]**

HUD requires each family member to declare whether the individual is a citizen, a national, or an eligible noncitizen, except those members who elect not to contend that they have eligible immigration status. Those who elect not to contend their status are considered to be ineligible noncitizens. For citizens, nationals and eligible noncitizens the declaration must be signed personally by the head, spouse, cohead, and any other family member 18 or older, and by a parent or guardian for minors. The family must identify in writing any family members who elect not to contend their immigration status (see Ineligible Noncitizens below). No declaration is required for live-in aides, foster children, or foster adults.

***U.S. Citizens and Nationals***

In general, citizens and nationals are required to submit only a signed declaration as verification of their status. However, HUD regulations permit HACCC to request additional documentation of their status, such as a passport.

## HACCC Policy

Family members who declare citizenship or national status will not be required to provide additional documentation unless HACCC receives information indicating that an individual's declaration may not be accurate.

### ***Eligible Noncitizens***

In addition to providing a signed declaration, those declaring eligible noncitizen status must sign a verification consent form and cooperate with HACCC efforts to verify their immigration status as described in Chapter 7. The documentation required for establishing eligible noncitizen status varies depending upon factors such as the date the person entered the U.S., the conditions under which eligible immigration status has been granted, the person's age, and the date on which the family began receiving HUD-funded assistance.

Lawful residents of the Marshall Islands, the Federated States of Micronesia, and Palau, together known as the Freely Associated States, or FAS, are eligible for housing assistance under section 141 of the Compacts of Free Association between the U.S. Government and the Governments of the FAS [Public Law 106-504].

### ***Ineligible Noncitizens***

Those noncitizens who do not wish to contend their immigration status are required to have their names listed on a non-contending family members listing, signed by the head, spouse, or cohead (regardless of citizenship status), indicating their ineligible immigration status. HACCC is not required to verify a family member's ineligible status and is not required to report an individual's unlawful presence in the U.S. to the United States Citizenship and Immigration Services (USCIS).

Providing housing assistance to noncitizen students is prohibited [24 CFR 5.522]. This prohibition extends to the noncitizen spouse of a noncitizen student as well as to minor children who accompany or follow to join the noncitizen student. Such prohibition does not extend to the citizen spouse of a noncitizen student or to the children of the citizen spouse and noncitizen student. Such a family is eligible for prorated assistance as a mixed family.

### **Mixed Families**

A family is eligible for assistance as long as at least one member is a citizen, national, or eligible noncitizen. Families that include eligible and ineligible individuals are considered *mixed families*. Such families will be given notice that their assistance will be prorated, and that they may request a hearing if they contest this determination. See Chapter 6 for a discussion of how rents are prorated, and Chapter 16 for a discussion of informal hearing procedures.

### **Ineligible Families [24 CFR 5.514(d), (e), and (f)]**

A PHA may elect to provide assistance to a family before the verification of the eligibility of the individual or one family member [24 CFR 5.512(b)]. Otherwise, no individual or family may be assisted prior to the affirmative establishment by HACCC that the individual or at least one family member is eligible. Verification of eligibility for this purpose occurs when the individual or family members have submitted documentation to HACCC in accordance with program requirements [24 CFR 5.512(a)].

### HACCC Policy

HACCC will not provide assistance to a family before the verification of at least one family member.

When HACCC determines that an applicant family does not include any citizens, nationals, or eligible noncitizens, following the verification process, the family will be sent a written notice within 14 calendar days of the determination.

The notice will explain the reasons for the denial of assistance, that the family may be eligible for proration of assistance, and will advise the family of its right to request an appeal to the United States Citizenship and Immigration Services (USCIS), or to request an informal hearing with HACCC. The informal hearing with HACCC may be requested in lieu of the USCIS appeal, or at the conclusion of the USCIS appeal process. The notice must also inform the applicant family that assistance may not be delayed until the conclusion of the USCIS appeal process, but that it may be delayed pending the completion of the informal hearing process.

Informal hearing procedures are contained in Chapter 16.

### **Timeframe for Determination of Citizenship Status [24 CFR 5.508(g)]**

For new occupants joining the assisted family, HACCC must verify status at the first interim or regular reexamination following the person's occupancy, whichever comes first.

If an individual qualifies for a time extension for the submission of required documents, HACCC must grant such an extension for no more than 30 days [24 CFR 5.508(h)].

Each family member is required to submit evidence of eligible status only one time during continuous occupancy.

### HACCC Policy

HACCC will verify the citizenship status of applicants at the time other eligibility factors are determined.

### **3-II.C. SOCIAL SECURITY NUMBERS [24 CFR 5.216 and 5.218, Notice PIH 2012-10]**

The applicant and all members of the applicant's household must disclose the complete and accurate social security number (SSN) assigned to each household member, and the documentation necessary to verify each SSN. If a child under age 6 has been added to an applicant family within 6 months prior to voucher issuance, an otherwise eligible family may be admitted to the program and must disclose and document the child's SSN within 90 days of the effective date of the initial HAP contract. A detailed discussion of acceptable documentation is provided in Chapter 7.

*Note:* These requirements do not apply to noncitizens who do not contend eligible immigration status.

In addition, each participant who has not previously disclosed an SSN, has previously disclosed an SSN that HUD or the SSA determined was invalid, or has been issued a new SSN must submit their complete and accurate SSN and the documentation required to verify the SSN at the

time of the next interim or annual reexamination or recertification. Participants age 62 or older as of January 31, 2010, whose determination of eligibility was begun before January 31, 2010, are exempt from this requirement and remain exempt even if they move to a new assisted unit.

HACCC must deny assistance to an applicant family if they do not meet the SSN disclosure and documentation requirements contained in 24 CFR 5.216.

### **3-II.D. FAMILY CONSENT TO RELEASE OF INFORMATION [24 CFR 5.230; HCV GB, p. 5-13]**

HUD requires each adult family member, and the head of household, spouse, or cohead, regardless of age, to sign form HUD-9886, Authorization for the Release of Information/Privacy Act Notice, and other consent forms as needed to collect information relevant to the family's eligibility and level of assistance. Chapter 7 provides detailed information concerning the consent forms and verification requirements.

HACCC must deny admission to the program if any member of the applicant family fails to sign and submit the consent forms for obtaining information in accordance with 24 CFR 5, Subparts B and F [24 CFR 982.552(b)(3)].

### **3-II.E. STUDENTS ENROLLED IN INSTITUTIONS OF HIGHER EDUCATION [24 CFR 5.612, FR Notice 4/10/06, FR Notice 9/21/16]**

Section 327 of Public Law 109-115 and the implementing regulation at 24 CFR 5.612 established new restrictions on the eligibility of certain students (both part- and full-time) who are enrolled in institutions of higher education.

If a student enrolled at an institution of higher education is under the age of 24, is not a veteran, is not married, does not have a dependent child, and is not a person with disabilities receiving HCV assistance as of November 30, 2005, the student's eligibility must be examined along with the income eligibility of the student's parents. In these cases, both the student and the student's parents must be income eligible for the student to receive HCV assistance. If, however, a student in these circumstances is determined independent from his/her parents in accordance with HACCC Policy, the income of the student's parents will not be considered in determining the student's eligibility.

The new law does not apply to students who reside with parents who are applying to receive HCV assistance. It is limited to students who are seeking assistance on their own, separately from their parents.

#### **Definitions**

In determining whether and how the new eligibility restrictions apply to a student, HACCC will rely on the following definitions [FR Notice 4/10/06, FR Notice 9/21/16].

#### ***Dependent Child***

In the context of the student eligibility restrictions, *dependent child* means a dependent child of a student enrolled in an institution of higher education. The dependent child must also meet the definition of *dependent* in 24 CFR 5.603, which states that the dependent must be a member of the assisted family, other than the head of household or spouse, who is under 18 years of age, or

is a person with a disability, or is a full-time student. Foster children and foster adults are not considered dependents.

## **Independent Student**

### HACCC Policy

HACCC will consider a student “independent” from his or her parents and the parents’ income will not be considered when determining the student’s eligibility if the following four criteria are all met:

The individual is of legal contract age under state law.

The individual has established a household separate from his/her parents for at least one year prior to application for occupancy or the individual meets the U.S. Department of Education’s definition of independent student.

To be considered an *independent student* according to the Department of Education, a student must meet one or more of the following criteria:

The Individual is at least 24 years old by December 31 of the award year for which aid is sought

The Individual is an orphan in foster care or a ward of the court, or was an orphan, in foster care, or ward of the court at any time when the individual was 13 years of age or older

The individual is, or was immediately prior to attaining the age of majority, an emancipated minor or in legal guardianship as determined by a court of competent jurisdiction in the individual’s state of legal residence

The Individual is a veteran of the U.S. Armed Forces or is currently serving on active duty in the Armed Forces for other than training purposes

The Individual is a graduate or professional student

The Individual is married

The individual has one or more legal dependents other than a spouse (for example, dependent children or an elderly dependent parent)

The individual has been verified during the school year in which the application is submitted as either an unaccompanied youth who is a homeless child or youth, or as unaccompanied, at risk of homelessness, and self-supporting by:

A local educational agency homeless liaison

The director of a program funded under subtitle B of title IV of the McKinney-Vento Homeless Assistance Act or a designee of the director

#### A financial aid administrator

The individual is a student for whom a financial aid administrator makes a documented determination of independence by reason of other unusual circumstances

The individual was not claimed as a dependent by his/her parents pursuant to IRS regulations, as demonstrated on the parents' most recent tax forms.

The individual provides a certification of the amount of financial assistance that will be provided by his/her parents. This certification must be signed by the individual providing the support and must be submitted even if no assistance is being provided.

If the PHA determines that an individual meets the definition of a *vulnerable youth* such a determination is all that is necessary to determine that the person is an *independent student* for the purposes of using only the student's income for determining eligibility for assistance.

HACCC will verify that a student meets the above criteria in accordance with the policies in Section 7-II.E.

#### ***Institution of Higher Education***

HACCC will use the statutory definition under section 102 of the Higher Education Act of 1965 to determine whether a student is attending an *institution of higher education* (see Exhibit 3-2).

#### ***Parents***

##### HACCC Policy

For purposes of student eligibility restrictions, the definition of *parents* includes biological or adoptive parents, stepparents (as long as they are currently married to the biological or adoptive parent), and guardians (e.g., grandparents, aunt/uncle, godparents, etc).

#### ***Person with Disabilities***

HACCC will use the statutory definition under section 3(b)(3)(E) of the 1937 Act to determine whether a student is a *person with disabilities* (see Exhibit 3-1).

#### ***Veteran***

##### HACCC Policy

A *veteran* is a person who served in the active military, naval, or air service and who was discharged or released from such service under conditions other than dishonorable.

#### ***Vulnerable Youth***

##### PHA Policy

A *vulnerable youth* is an individual who meets the U.S. Department of Education's definition of *independent student* in paragraphs (b), (c), or (h), as adopted in Section II of FR Notice 9/21/16:

The individual is an orphan, in foster care, or a ward of the court, or was an orphan, in foster care, or ward of the court at any time when the individual was 13 years of age or older

The individual is, or was immediately prior to attaining the age of majority, an emancipated minor or in legal guardianship as determined by a court of competent jurisdiction in the individual's state of legal residence

The individual has been verified during the school year in which the application is submitted as either an unaccompanied youth who is a homeless child or youth, or as unaccompanied, at risk of homelessness, and self-supporting by:

A local educational agency homeless liaison

The director of a program funded under subtitle B of title IV of the McKinney-Vento Homeless Assistance Act or a designee of the director

A financial aid administrator

### **Determining Student Eligibility**

If a student is applying for assistance on his/her own, apart from his/her parents, HACCC must determine whether the student is subject to the eligibility restrictions contained in 24 CFR 5.612. If the student is subject to those restrictions, HACCC must ensure that: (1) the student is individually eligible for the program, (2) either the student is independent from his/her parents or the student's parents are income eligible for the program, and (3) the "family" with which the student is applying is collectively eligible for the program.

#### HACCC Policy

For any student who is subject to the 5.612 restrictions, HACCC will:

Follow its usual policies in determining whether the student individually and the student's "family" collectively are eligible for the program

Determine whether the student is independent from his/her parents in accordance with the definition of *independent student* in this section

Follow the policies below, if applicable, in determining whether the student's parents are income eligible for the program

If HACCC determines that the student, the student's parents (if applicable), or the student's "family" is not eligible, HACCC will send a notice of denial in accordance with the policies in Section 3-III.F, and the applicant family will have the right to request an informal review in accordance with the policies in Section 16-III.B.

## ***Determining Parental Income Eligibility***

### **HACCC Policy**

For any student who is subject to the 5.612 restrictions and who does not satisfy the definition of *independent student* in this section, HACCC will determine the income eligibility of the student's parents as follows:

If the student's parents are married and living together, HACCC will obtain a joint income declaration and certification of joint income from the parents.

If the student's parent is widowed or single, HACCC will obtain an income declaration and certification of income from that parent.

If the student's parents are divorced or separated, HACCC will obtain an income declaration and certification of income from each parent.

If the student has been living with one of his/her parents and has not had contact with or does not know where to contact his/her other parent, HACCC will require the student to submit a certification under penalty of perjury describing the circumstances and stating that the student does not receive financial assistance from the other parent. HACCC will then obtain an income declaration and certification of income from the parent with whom the student has been living or had contact.

In determining the income eligibility of the student's parents, HACCC will use the income limits for the jurisdiction in which the parents live.

## **PART III: DENIAL OF ASSISTANCE**

### **3-III.A. OVERVIEW**

A family that does not meet the eligibility criteria discussed in Parts I and II, must be denied assistance. In this section we will discuss other situations and circumstances in which denial of assistance is mandatory for HACCC, and those in which denial of assistance is optional for HACCC.

#### **Forms of Denial [24 CFR 982.552(a)(2); HCV GB, p. 5-35]**

Denial of assistance includes any of the following:

- Not placing the family's name on the waiting list
- Denying or withdrawing a voucher
- Not approving a request for tenancy or refusing to enter into a HAP contract
- Refusing to process a request for or to provide assistance under portability procedures

#### **Prohibited Reasons for Denial of Program Assistance [24 CFR 982.202(b), 24 CFR 5.2005(b)]**

HUD rules prohibit denial of program assistance to the program based on any of the following criteria:

- Age, disability, race, color, religion, sex, or national origin (See Chapter 2 for additional information about fair housing and equal opportunity requirements.)
- Where a family lives prior to admission to the program
- Where the family will live with assistance under the program. Although eligibility is not affected by where the family will live, there may be restrictions on the family's ability to move outside HACCC's jurisdiction under portability. (See Chapter 10.)
- Whether members of the family are unwed parents, recipients of public assistance, or children born out of wedlock
- Whether the family includes children
- Whether a family decides to participate in a family self-sufficiency program
- Whether or not a qualified applicant is or has been a victim of domestic violence, dating violence, sexual assault or stalking if the applicant is otherwise qualified for assistance (See section 3-III.G.)

### **3-III.B. MANDATORY DENIAL OF ASSISTANCE [24 CFR 982.553(a)]**

HUD requires HACCC to deny assistance in the following cases:

- Any member of the household has been evicted from federally-assisted housing in the last 3 years for drug-related criminal activity. HUD permits, but does not require, HACCC to admit

an otherwise-eligible family if the household member has completed a HACCC-approved drug rehabilitation program or the circumstances which led to eviction no longer exist (e.g., the person involved in the criminal activity no longer lives in the household).

#### HACCC Policy

HACCC will admit an otherwise-eligible family who was evicted from federally-assisted housing within the past 5 (five) years for drug-related criminal activity, if HACCC is able to verify that the household member who engaged in the criminal activity has completed a supervised drug rehabilitation program approved by HACCC, or the person who committed the crime, is no longer living in the household.

- HACCC determines that any household member is currently engaged in the use of illegal drugs.

#### HACCC Policy

*Currently engaged in* is defined as any use of illegal drugs during the previous six months.

- HACCC has reasonable cause to believe that any household member's current use or pattern of use of illegal drugs, or current abuse or pattern of abuse of alcohol, may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents.

#### HACCC Policy

In determining reasonable cause, HACCC will consider all credible evidence, including but not limited to, any record of convictions, or evictions of household members related to the use of illegal drugs or the abuse of alcohol. HACCC will also consider evidence from treatment providers or community-based organizations providing services to household members.

- Any household member has ever been convicted of drug-related criminal activity for the production or manufacture of methamphetamine on the premises of federally assisted housing
- Any household member is subject to a lifetime registration requirement under a state sex offender registration program

### **3-III.C. OTHER PERMITTED REASONS FOR DENIAL OF ASSISTANCE**

HUD permits, but does not require, HACCC to deny assistance for the reasons discussed in this section.

#### **Criminal Activity [24 CFR 982.553]**

HUD permits, but does not require, HACCC to deny assistance if HACCC determines that any household member is currently engaged in, or has engaged in during a reasonable time before the family would receive assistance, certain types of criminal activity.

### HACCC Policy

If any household member is currently engaged in, or has engaged in any of the following criminal activities, within the past five years, the family will be denied assistance.

*Drug-related criminal activity*, defined by HUD as the illegal manufacture, sale, distribution, or use of a drug, or the possession of a drug with intent to manufacture, sell, distribute or use the drug [24 CFR 5.100].

*Violent criminal activity*, defined by HUD as any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force substantial enough to cause, or be reasonably likely to cause, serious bodily injury or property damage [24 CFR 5.100].

Criminal activity that may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents or persons residing in the immediate vicinity; or

Criminal activity that may threaten the health or safety of property owners, management staff, and persons performing contract administration functions or other responsibilities on behalf of HACCC (including a HACCC employee or a HACCC contractor, subcontractor, or agent).

*Immediate vicinity* means within a three-block radius of the premises.

Evidence of such criminal activity includes, but is not limited to:

Any conviction for drug-related or violent criminal activity within the past 5 years.

Any record of eviction from public or privately-owned housing as a result of criminal activity within the past 5 years.

In making its decision to deny assistance, HACCC will consider the factors discussed in Section 3-III.E. Upon consideration of such factors, HACCC may, on a case-by-case basis, decide not to deny assistance.

### **Previous Behavior in Assisted Housing [24 CFR 982.552(c)]**

HUD authorizes HACCC to deny assistance based on the family's previous behavior in assisted housing:

#### HACCC Policy

HACCC **will not** deny assistance to an otherwise eligible family because the family previously failed to meet its obligations under the Family Self-Sufficiency (FSS) program.

HACCC **will** deny assistance to an applicant family if:

The family does not provide information that HACCC or HUD determines is necessary in the administration of the program.

The family does not provide complete and true information to HACCC.

Any family member has been evicted from federally-assisted housing in the last five years.

Any family member has committed fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program.

The family owes rent or other amounts to any PHA in connection with Section 8 or other public housing assistance under the 1937 Act, unless the family repays the full amount of the debt prior to being selected from the waiting list.

If the family has not reimbursed any PHA for amounts the PHA paid to an owner under a HAP contract for rent, damages to the unit, or other amounts owed by the family under the lease, unless the family repays the full amount of the debt prior to being selected from the waiting list.

The family has breached the terms of a repayment agreement entered into with HACCC, unless the family repays the full amount of the debt covered in the repayment agreement prior to being selected from the waiting list.

A family member has engaged in or threatened violent or abusive behavior toward HACCC personnel.

*Abusive or violent behavior towards HACCC personnel* includes verbal as well as physical abuse or violence. Use of racial epithets, or other language, written or oral, that is customarily used to intimidate may be considered abusive or violent behavior.

*Threatening* refers to oral or written threats or physical gestures that communicate intent to abuse or commit violence.

In making its decision to deny assistance, HACCC will consider the factors discussed in Section 3-III.E. Upon consideration of such factors, HACCC may, on a case-by-case basis, decide not to deny assistance.

### **3-III.D. SCREENING**

#### **Screening for Eligibility**

PHAs are authorized to obtain criminal conviction records from law enforcement agencies to screen applicants for admission to the HCV program. This authority assists HACCC in complying with HUD requirements and PHA policies to deny assistance to applicants who are engaging in or have engaged in certain criminal activities. In order to obtain access to the records HACCC must require every applicant family to submit a consent form signed by each adult household member [24 CFR 5.903].

#### HACCC Policy

HACCC will perform a criminal background check through local law enforcement for every adult household member.

If the results of the criminal background check indicate that there may be past criminal activity, but the results are inconclusive, HACCC will request a fingerprint card and will request information from the National Crime Information center (NCIC).

PHAs are required to perform criminal background checks necessary to determine whether any household member is subject to a lifetime registration requirement under a state sex offender program in the state where the housing is located, as well as in any other state where a household member is known to have resided [24 CFR 982.553(a)(2)(i)].

#### HACCC Policy

HACCC will use the National Credit Reporting database to screen applicants for admission.

Additionally, PHAs must ask whether the applicant, or any member of the applicant's household, is subject to a lifetime registered sex offender registration requirement in any state [Notice PIH 2012-28].

If HACCC proposes to deny assistance based on a criminal record or on lifetime sex offender registration information, HACCC must notify the household of the proposed action and must provide the subject of the record and the applicant a copy of the record and an opportunity to dispute the accuracy and relevance of the information prior to a denial of admission. [24 CFR 5.903(f) and 5.905(d)].

#### **Screening for Suitability as a Tenant [24 CFR 982.307]**

HACCC has no liability or responsibility to the owner for the family's behavior or suitability for tenancy. HACCC has the authority to conduct additional screening to determine whether an applicant is likely to be a suitable tenant.

#### HACCC Policy

HACCC will not conduct additional screening to determine an applicant family's suitability for tenancy.

The owner is responsible for screening and selection of the family to occupy the owner's unit. HACCC must inform the owner that screening and selection for tenancy is the responsibility of the owner. An owner may consider a family's history with respect to factors such as: payment of rent and utilities, caring for a unit and premises, respecting the rights of other residents to the peaceful enjoyment of their housing, criminal activity that is a threat to the health, safety or property of others, and compliance with other essential conditions of tenancy.

HUD requires HACCC to provide prospective owners with the family's current and prior address (as shown in HACCC records) and the name and address (if known) of the owner at the family's current and prior addresses. HUD permits HACCC to provide owners with additional information, as long as families are notified that the information will be provided, and the same type of information is provided to all owners.

HACCC may not disclose to the owner any confidential information provided to HACCC by the family in response to a HACCC request for documentation of domestic violence, dating violence, sexual assault or stalking except at the written request or with the written consent of the individual providing the documentation [24 CFR 5.2007(a)(4)].

### HACCC Policy

HACCC will inform owners of their responsibility to screen prospective tenants, and will provide owners with the required known name and address information, at the time of the initial HQS inspection or before. HACCC will not provide any additional information to the owner, such as tenancy history or criminal history.

## **3-III.E. CRITERIA FOR DECIDING TO DENY ASSISTANCE**

### **Evidence [24 CFR 982.553(c)]**

#### HACCC Policy

HACCC will use the concept of the preponderance of the evidence as the standard for making all admission decisions.

*Preponderance of the evidence* is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not. Preponderance of the evidence may not be determined by the number of witnesses, but by the greater weight of all evidence.

### **Consideration of Circumstances [24 CFR 982.552(c)(2)]**

HUD authorizes HACCC to consider all relevant circumstances when deciding whether to deny assistance based on a family's past history except in the situations for which denial of assistance is mandatory (see Section 3-III.B).

#### HACCC Policy

HACCC will consider the following facts and circumstances prior to making its decision:

The seriousness of the case, especially with respect to how it would affect other residents' safety or property

The effects that denial of assistance may have on other members of the family who were not involved in the action or failure to act

The extent of participation or culpability of individual family members, including whether the culpable family member is a minor or a person with disabilities, or (as discussed further in section 3-III.G) a victim of domestic violence, dating violence, sexual assault or stalking

The length of time since the violation occurred, including the age of the individual at the time of the conduct, as well as the family's recent history and the likelihood of favorable conduct in the future

While a record of arrest(s) will not be used as the basis for denial, an arrest may, however, trigger an investigation to determine whether the applicant actually engaged in disqualifying criminal activity. As part of its investigation, the PHA may obtain the police report associated with the arrest and consider the reported circumstances of the arrest. The PHA may also consider:

Any statements made by witnesses or the applicant not included in the police report

Whether criminal charges were filed

Whether, if filed, criminal charges were abandoned, dismissed, not prosecuted, or ultimately resulted in an acquittal

Any other evidence relevant to determining whether or not the applicant engaged in disqualifying activity

Evidence of criminal conduct will be considered if it indicates a demonstrable risk to safety and/or property

In the case of drug or alcohol abuse, whether the culpable household member is participating in or has successfully completed a supervised drug or alcohol rehabilitation program or has otherwise been rehabilitated successfully

HACCC will require the applicant to submit evidence of the household member's current participation in or successful completion of a supervised drug or alcohol rehabilitation program, or evidence of otherwise having been rehabilitated successfully.

### **Removal of a Family Member's Name from the Application**

Should HACCC's screening process reveal that an applicant's household includes an individual subject to state lifetime registered sex offender registration, HACCC must offer the family the opportunity to remove the ineligible family member from the household. If the family is unwilling to remove that individual from the household, HACCC must deny admission to the family [Notice PIH 2012-28].

For other criminal activity, HACCC may permit the family to exclude the culpable family members as a condition of eligibility. [24 CFR 982.552(c)(2)(ii)].

#### HACCC Policy

As a condition of receiving assistance, a family may agree to remove the culpable family member from the application. In such instances, the head of household must certify that the family member will not be permitted to visit, stay as a guest, or reside in the assisted unit.

After admission to the program, the family must present evidence of the former family member's current address upon HACCC request.

### **Reasonable Accommodation [24 CFR 982.552(c)(2)(iv)]**

If the family includes a person with disabilities, HACCC's decision concerning denial of admission is subject to consideration of reasonable accommodation in accordance with 24 CFR Part 8.

#### HACCC Policy

If the family indicates that the behavior of a family member with a disability is the reason for the proposed denial of assistance, HACCC will determine whether the behavior is

related to the stated disability. If so, upon the family's request, HACCC will determine whether admitting the family as a reasonable accommodation is appropriate. HACCC will only consider accommodations that can reasonably be expected to address the behavior that is the basis of the proposed denial of assistance. See Chapter 2 for a discussion of reasonable accommodation.

### **3-III.F. NOTICE OF ELIGIBILITY OR DENIAL**

If the family is eligible for assistance, HACCC will notify the family in writing and schedule a tenant briefing, as discussed in Chapter 5.

If HACCC determines that a family is not eligible for the program for any reason, the family must be notified promptly. The notice must describe: (1) the reasons for which assistance has been denied, (2) the family's right to an informal review, and (3) the process for obtaining the informal review [24 CFR 982.554 (a)]. See Chapter 16, for informal review policies and procedures.

#### HACCC Policy

The family will be notified of a decision to deny assistance in writing within 14 calendar days of the determination.

If a HACCC uses a criminal record or sex offender registration information obtained under 24 CFR 5, Subpart J, as the basis of a denial, a copy of the record must precede the notice to deny, with an opportunity for the applicant to dispute the accuracy and relevance of the information before HACCC can move to deny the application. In addition, a copy of the record must be provided to the subject of the record [24 CFR 5.903(f) and 5.905(d)]. HACCC must give the family an opportunity to dispute the accuracy and relevance of that record, in the informal review process in accordance with program requirements [24 CFR 982.553(d)].

#### HACCC Policy

If based on a criminal record or sex offender registration information, an applicant family appears to be ineligible HACCC will notify the family in writing of the proposed denial and provide a copy of the record to the applicant and to the subject of the record. The family will be given 14 calendar days to dispute the accuracy and relevance of the information. If the family does not contact HACCC to dispute the information within that 14-day period, HACCC will proceed with issuing the notice of denial of admission. A family that does not exercise their right to dispute the accuracy of the information prior to issuance of the official denial letter will still be given the opportunity to do so as part of the informal review process.

Notice requirements related to denying assistance to noncitizens are contained in Section 3-II.B.

Notice policies related to denying admission to applicants who may be victims of domestic violence, dating violence, sexual assault or stalking are contained in Section 3-III.G.

### **3-III.G. PROHIBITION AGAINST DENIAL OF ASSISTANCE TO VICTIMS OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT AND STALKING**

The Violence against Women Act of 2005 (VAWA) and the HUD regulation at 24 CFR 5.2005(b) prohibit PHAs from denying an applicant admission to the HCV program “on the basis that the applicant is or has been a victim of domestic violence, dating violence, sexual assault or stalking, if the applicant otherwise qualifies for assistance or admission.”

Definitions of key terms used in VAWA are provided in section 16-IX of this plan, where general VAWA requirements and policies pertaining to notification, documentation, and confidentiality are also located.

#### **Notification**

VAWA 2013 expanded notification requirements to include the obligation for PHAs to provide applicants who are denied assistance with a notice of rights and the form HUD-5382 at the time the applicant is denied.

##### HACCC Policy

HACCC acknowledges that a victim of domestic violence, dating violence, sexual assault or stalking may have an unfavorable history (e.g., a poor credit history, a record of previous damage to an apartment) that would warrant denial under HACCC’s policies. Therefore, if HACCC makes a determination to deny assistance to an applicant family, HACCC will include in its notice of denial the VAWA information described in section 16-IX.C of this plan and will request that an applicant wishing to claim protection under VAWA notify HACCC within 10 business days.

#### **Documentation**

##### ***Victim Documentation [24 CFR 5.2007]***

##### HACCC Policy

If an applicant claims the protection against denial of assistance that VAWA provides to victims of domestic violence, dating violence, sexual assault or stalking, HACCC will request in writing that the applicant provide documentation supporting the claim in accordance with section 16-IX.D of this plan.

##### ***Perpetrator Documentation***

##### HACCC Policy

If the perpetrator of the abuse is a member of the applicant family, the applicant must provide additional documentation consisting of one of the following:

A signed statement (1) requesting that the perpetrator be removed from the application and (2) certifying that the perpetrator will not be permitted to visit or to stay as a guest in the assisted unit

Documentation that the perpetrator has successfully completed, or is successfully undergoing, rehabilitation or treatment. The documentation must be signed by an employee or agent of a domestic violence service provider or by a medical or

other knowledgeable professional from whom the perpetrator has sought or is receiving assistance in addressing the abuse. The signer must attest under penalty of perjury to his or her belief that the rehabilitation was successfully completed or is progressing successfully. The victim and perpetrator must also sign or attest to the documentation.

## EXHIBIT 3-1: DETAILED DEFINITIONS RELATED TO DISABILITIES

### Person with Disabilities [24 CFR 5.403]

The term *person with disabilities* means a person who has any of the following types of conditions:

- Has a disability, as defined in 42 U.S.C. Section 423(d)(1)(A), which reads:

Inability to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or which has lasted or can be expected to last for a continuous period of not less than 12 months; *or*

In the case of an individual who has attained the age of 55 and is blind (within the meaning of “blindness” as defined in section 416(i)(1) of this title), inability by reason of such blindness to engage in substantial gainful activity, requiring skills or ability comparable to those of any gainful activity in which he has previously engaged with some regularity and over a substantial period of time.
- Has a developmental disability as defined in the Developmental Disabilities Assistance and Bill of Rights Act of 2000 [42 U.S.C.15002(8)], which defines developmental disability in functional terms as follows:

#### (A) In General

The term “developmental disability” means a severe, chronic disability of an individual that:

- (i) is attributable to a mental or physical impairment or combination of mental and physical impairments;
- (ii) is manifested before the individual attains age 22;
- (iii) is likely to continue indefinitely;
- (iv) results in substantial functional limitations in 3 or more of the following areas of major life activity: (I) Self-care, (II) Receptive and expressive language, (III) Learning, (IV) Mobility, (V) Self-direction, (VI) Capacity for independent living, (VII) Economic self-sufficiency; and
- (v) reflects the individual’s need for a combination and sequence of special, interdisciplinary, or generic services, individualized supports, or other forms of assistance that are of lifelong or extended duration and are individually planned and coordinated.

#### (B) Infants and Young Children

An individual from birth to age 9, inclusive, who has a substantial developmental delay or specific congenital or acquired condition, may be considered to have a developmental disability without meeting 3 or more of the criteria described in clauses (i) through (v) of subparagraph (A) if the individual, without services and supports, has a high probability of meeting those criteria later in life.

- Has a physical, mental, or emotional impairment that is expected to be of long-continued and indefinite duration; substantially impedes his or her ability to live independently, and is of such a nature that the ability to live independently could be improved by more suitable housing conditions.

People with the acquired immunodeficiency syndrome (AIDS) or any conditions arising from the etiologic agent for AIDS are not excluded from this definition.

A person whose disability is based solely on any drug or alcohol dependence does not qualify as a person with disabilities for the purposes of this program.

For purposes of reasonable accommodation and program accessibility for persons with disabilities, the term person with disabilities refers to an individual with handicaps.

### **Individual with Handicaps [24 CFR 8.3]**

*Individual with handicaps* means any person who has a physical or mental impairment that substantially limits one or more major life activities; has a record of such an impairment; or is regarded as having such an impairment. The term does not include any individual who is an alcoholic or drug abuser whose current use of alcohol or drugs prevents the individual from participating in the program or activity in question, or whose participation, by reason of such current alcohol or drug abuse, would constitute a direct threat to property or the safety of others. As used in this definition, the phrase:

(1) Physical or mental impairment includes:

- (a) Any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the following body systems: neurological; musculoskeletal; special sense organs; respiratory, including speech organs; cardiovascular; reproductive; digestive; genito-urinary; hemic and lymphatic; skin; and endocrine; or
- (b) Any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities. The term physical or mental impairment includes, but is not limited to, such diseases and conditions as orthopedic, visual, speech and hearing impairments, cerebral palsy, autism, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional illness, drug addiction and alcoholism.

(2) *Major life activities* means functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning and working.

(3) Has a record of such an impairment means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities.

(4) *Is regarded as having an impairment* means:

- (a) Has a physical or mental impairment that does not substantially limit one or more major life activities but that is treated by a recipient as constituting such a limitation;
- (b) Has a physical or mental impairment that substantially limits one or more major life activities only as a result of the attitudes of others toward such impairment; or

- (c) Has none of the impairments defined in paragraph (1) of this section but is treated by a recipient as having such an impairment.

**EXHIBIT 3-2: DEFINITION OF INSTITUTION OF HIGHER EDUCATION  
[20 U.S.C. 1001 and 1002]**

**Eligibility of Students for Assisted Housing Under Section 8 of the U.S. Housing Act of 1937; Supplementary Guidance; Notice [Federal Register, April 10, 2006]**

*Institution of Higher Education* shall have the meaning given this term in the Higher Education Act of 1965 in 20 U.S.C. 1001 and 1002.

*Definition of “Institution of Higher Education” From 20 U.S.C. 1001*

- (a) Institution of higher education. For purposes of this chapter, other than subchapter IV and part C of subchapter I of chapter 34 of Title 42, the term “institution of higher education” means an educational institution in any State that
- (1) Admits as regular students only persons having a certificate of graduation from a school providing secondary education, or the recognized equivalent of such a certificate;
  - (2) Is legally authorized within such State to provide a program of education beyond secondary education;
  - (3) Provides an educational program for which the institution awards a bachelor’s degree or provides not less than a 2-year program that is acceptable for full credit toward such a degree;
  - (4) Is a public or other nonprofit institution; and
  - (5) Is accredited by a nationally recognized accrediting agency or association, or if not so accredited, is an institution that has been granted pre-accreditation status by such an agency or association that has been recognized by the Secretary for the granting of pre-accreditation status, and the Secretary has determined that there is satisfactory assurance that the institution will meet the accreditation standards of such an agency or association within a reasonable time.
- (b) Additional institutions included. For purposes of this chapter, other than subchapter IV and part C of subchapter I of chapter 34 of Title 42, the term “institution of higher education” also includes—
- (1) Any school that provides not less than a 1-year program of training to prepare students for gainful employment in a recognized occupation and that meets the provision of paragraphs (1), (2), (4), and (5) of subsection (a) of this section; and
  - (2) A public or nonprofit private educational institution in any State that, in lieu of the requirement in subsection (a)(1) of this section, admits as regular students persons who are beyond the age of compulsory school attendance in the State in which the institution is located.
- (c) List of accrediting agencies. For purposes of this section and section 1002 of this title, the Secretary shall publish a list of nationally recognized accrediting agencies or associations that the Secretary determines, pursuant to subpart 2 of part G of subchapter IV of this chapter, to be reliable authority as to the quality of the education or training offered.

*Definition of “Institution of Higher Education” From 20 U.S.C. 1002*

(a) Definition of institution of higher education for purposes of student assistance programs

(1) Inclusion of additional institutions. Subject to paragraphs (2) through (4) of this subsection, the term “institution of higher education” for purposes of subchapter IV of this chapter and part C of subchapter I of chapter 34 of title 42 includes, in addition to the institutions covered by the definition in section 1001 of this title—

(A) A proprietary institution of higher education (as defined in subsection (b) of this section);

(B) A postsecondary vocational institution (as defined in subsection (c) of this section); and

(C) Only for the purposes of part B of subchapter IV of this chapter, an institution outside the United States that is comparable to an institution of higher education as defined in section 1001 of this title and that has been approved by the Secretary for the purpose of part B of subchapter IV of this chapter.

(2) Institutions outside the United States

(A) In general. For the purpose of qualifying as an institution under paragraph (1)(C), the Secretary shall establish criteria by regulation for the approval of institutions outside the United States and for the determination that such institutions are comparable to an institution of higher education as defined in section 1001 of this title (except that a graduate medical school, or a veterinary school, located outside the United States shall not be required to meet the requirements of section 1001 (a)(4) of this title). Such criteria shall include a requirement that a student attending such school outside the United States is ineligible for loans made, insured, or guaranteed under part B of subchapter IV of this chapter unless—

(i) In the case of a graduate medical school located outside the United States—

(I)(aa) At least 60 percent of those enrolled in, and at least 60 percent of the graduates of, the graduate medical school outside the United States were not persons described in section 1091(a)(5) of this title in the year preceding the year for which a student is seeking a loan under part B of subchapter IV of this chapter; and

(bb) At least 60 percent of the individuals who were students or graduates of the graduate medical school outside the United States or Canada (both nationals of the United States and others) taking the examinations administered by the Educational Commission for Foreign Medical Graduates received a passing score in the year preceding the year for which a student is seeking a loan under part B of subchapter IV of this chapter; or

(II) The institution has a clinical training program that was approved by a State as of January 1, 1992; or

- (ii) In the case of a veterinary school located outside the United States that does not meet the requirements of section 1001(a)(4) of this title, the institution's students complete their clinical training at an approved veterinary school located in the United States.
- (B) Advisory panel
- (i) In general. For the purpose of qualifying as an institution under paragraph (1)(C) of this subsection, the Secretary shall establish an advisory panel of medical experts that shall—
    - (I) Evaluate the standards of accreditation applied to applicant foreign medical schools; and
    - (II) Determine the comparability of those standards to standards for accreditation applied to United States medical schools.
  - (ii) Special rule if the accreditation standards described in clause (i) are determined not to be comparable, the foreign medical school shall be required to meet the requirements of section 1001 of this title.
- (C) Failure to release information. The failure of an institution outside the United States to provide, release, or authorize release to the Secretary of such information as may be required by subparagraph (A) shall render such institution ineligible for the purpose of part B of subchapter IV of this chapter.
- (D) Special rule. If, pursuant to this paragraph, an institution loses eligibility to participate in the programs under subchapter IV of this chapter and part C of subchapter I of chapter 34 of title 42, then a student enrolled at such institution may, notwithstanding such loss of eligibility, continue to be eligible to receive a loan under part B while attending such institution for the academic year succeeding the academic year in which such loss of eligibility occurred.
- (3) Limitations based on course of study or enrollment. An institution shall not be considered to meet the definition of an institution of higher education in paragraph (1) if such institution—
- (A) Offers more than 50 percent of such institution's courses by correspondence, unless the institution is an institution that meets the definition in section 2471 (4)(C) of this title;
  - (B) Enrolls 50 percent or more of the institution's students in correspondence courses, unless the institution is an institution that meets the definition in such section, except that the Secretary, at the request of such institution, may waive the applicability of this subparagraph to such institution for good cause, as determined by the Secretary in the case of an institution of higher education that provides a 2-or 4-year program of instruction (or both) for which the institution awards an associate or baccalaureate degree, respectively;

- (C) Has a student enrollment in which more than 25 percent of the students are incarcerated, except that the Secretary may waive the limitation contained in this subparagraph for a nonprofit institution that provides a 2-or 4-year program of instruction (or both) for which the institution awards a bachelor's degree, or an associate's degree or a postsecondary diploma, respectively; or
  - (D) Has a student enrollment in which more than 50 percent of the students do not have a secondary school diploma or its recognized equivalent, and does not provide a 2-or 4-year program of instruction (or both) for which the institution awards a bachelor's degree or an associate's degree, respectively, except that the Secretary may waive the limitation contained in this subparagraph if a nonprofit institution demonstrates to the satisfaction of the Secretary that the institution exceeds such limitation because the institution serves, through contracts with Federal, State, or local government agencies, significant numbers of students who do not have a secondary school diploma or its recognized equivalent.
- (4) Limitations based on management. An institution shall not be considered to meet the definition of an institution of higher education in paragraph (1) if—
- (A) The institution, or an affiliate of the institution that has the power, by contract or ownership interest, to direct or cause the direction of the management or policies of the institution, has filed for bankruptcy, except that this paragraph shall not apply to a nonprofit institution, the primary function of which is to provide health care educational services (or an affiliate of such an institution that has the power, by contract or ownership interest, to direct or cause the direction of the institution's management or policies) that files for bankruptcy under chapter 11 of title 11 between July 1, 1998, and December 1, 1998; or
  - (B) The institution, the institution's owner, or the institution's chief executive officer has been convicted of, or has pled nolo contendere or guilty to, a crime involving the acquisition, use, or expenditure of funds under subchapter IV of this chapter and part C of subchapter I of chapter 34 of title 42, or has been judicially determined to have committed fraud involving funds under subchapter IV of this chapter and part C of subchapter I of chapter 34 of title 42.
- (5) Certification. The Secretary shall certify an institution's qualification as an institution of higher education in accordance with the requirements of subpart 3 of part G of subchapter IV of this chapter.
- (6) Loss of eligibility. An institution of higher education shall not be considered to meet the definition of an institution of higher education in paragraph (1) if such institution is removed from eligibility for funds under subchapter IV of this chapter and part C of subchapter I of chapter 34 of title 42 as a result of an action pursuant to part G of subchapter IV of this chapter.

(b) Proprietary institution of higher education

(1) Principal criteria. For the purpose of this section, the term “proprietary institution of higher education” means a school that—

- (A) Provides an eligible program of training to prepare students for gainful employment in a recognized occupation;
- (B) Meets the requirements of paragraphs (1) and (2) of section 1001 (a) of this title;
- (C) Does not meet the requirement of paragraph (4) of section 1001 (a) of this title;
- (D) Is accredited by a nationally recognized accrediting agency or association recognized by the Secretary pursuant to part G of subchapter IV of this chapter;
- (E) Has been in existence for at least 2 years; and
- (F) Has at least 10 percent of the school’s revenues from sources that are not derived from funds provided under subchapter IV of this chapter and part C of subchapter I of chapter 34 of title 42, as determined in accordance with regulations prescribed by the Secretary.

(2) Additional institutions. The term “proprietary institution of higher education” also includes a proprietary educational institution in any State that, in lieu of the requirement in paragraph (1) of section 1001 (a) of this title, admits as regular students persons who are beyond the age of compulsory school attendance in the State in which the institution is located.

(c) Postsecondary vocational institution.

(1) Principal criteria. For the purpose of this section, the term “postsecondary vocational institution” means a school that—

- (A) Provides an eligible program of training to prepare students for gainful employment in a recognized occupation;
- (B) Meets the requirements of paragraphs (1), (2), (4), and (5) of section 1001 (a) of this title; and
- (C) Has been in existence for at least 2 years.

(2) Additional institutions. The term “postsecondary vocational institution” also includes an educational institution in any State that, in lieu of the requirement in paragraph (1) of section 1001 (a) of this title, admits as regular students persons who are beyond the age of compulsory school attendance in the State in which the institution is located.

## CHAPTER 4

### APPLICATIONS, WAITING LIST AND TENANT SELECTION

#### INTRODUCTION

When a family wishes to receive assistance under the HCV program, the family must submit an application that provides HACCC with the information needed to determine the family's eligibility. HUD requires HACCC to place all families that apply for assistance on a waiting list. When HCV assistance becomes available, HACCC must select families from the waiting list in accordance with HUD requirements and PHA policies as stated in the administrative plan and the annual plan.

HACCC is required to adopt clear policies and procedures for accepting applications, placing families on the waiting list, and selecting families from the waiting list, and must follow these policies and procedures consistently. The actual order in which families are selected from the waiting list can be affected if a family has certain characteristics designated by HUD or HACCC that justify their selection. Examples of this are the selection of families for income targeting and the selection of families that qualify for targeted funding.

HUD regulations require that all families have an equal opportunity to apply for and receive housing assistance, and that HACCC affirmatively further fair housing goals in the administration of the program [24 CFR 982.53, HCV GB p. 4-1]. Adherence to the selection policies described in this chapter ensures that HACCC will be in compliance with all relevant fair housing requirements, as described in Chapter 2.

This chapter describes HUD and PHA policies for taking applications, managing the waiting list and selecting families for HCV assistance. The policies outlined in this chapter are organized into three sections, as follows:

Part I: The Application Process. This part provides an overview of the application process, and discusses how applicants can obtain and submit applications. It also specifies how HACCC will handle the applications it receives.

Part II: Managing the Waiting List. This part presents the policies that govern how HACCC's waiting list is structured, when it is opened and closed, and how the public is notified of the opportunity to apply for assistance. It also discusses the process HACCC will use to keep the waiting list current.

Part III: Selection for HCV Assistance. This part describes the policies that guide HACCC in selecting families for HCV assistance as such assistance becomes available. It also specifies how in-person interviews will be used to ensure that HACCC has the information needed to make a final eligibility determination.

## **PART I: THE APPLICATION PROCESS**

### **4-I.A. OVERVIEW**

This part describes HACCC policies for making applications available, accepting applications making preliminary determinations of eligibility, and the placement of applicants on the waiting list. This part also describes HACCC's obligation to ensure the accessibility of the application process to elderly persons, people with disabilities, and people with limited English proficiency (LEP).

### **4-I.B. APPLYING FOR ASSISTANCE [HCV GB, pp. 4-11 – 4-16, Notice PIH 2009-36]**

Any family that wishes to receive HCV assistance must apply for admission to the program. HUD permits HACCC to determine the format and content of HCV applications, as well as how such applications will be made available to interested families and how applications will be accepted by HACCC. HACCC must include Form HUD-92006, Supplement to Application for Federally Assisted Housing, as part of HACCC's application.

#### HACCC Policy

Because demand for housing far exceeds available funding, HACCC will only provide HCV assistance to eligible families on its wait list, with the exception of families transferring into the program through portability. HACCC will utilize a lottery to place applicants on the wait list. A lottery ensures that all applicants who express a need for assistance are given an equal opportunity to apply for and receive a voucher. HACCC will conduct a wait list lottery every 30 months or less. All applicants on an existing wait list will be served or withdrawn prior to families being invited to apply to a new wait list.

Lottery applicants will only be required to provide information needed to make an initial assessment of the family's eligibility, and to determine the family's placement on the waiting list. This is known as the "pre-application." This information will not be verified for waiting list placement.

The family will be required to provide all of the information necessary to establish family eligibility and level of assistance when the family is selected from the waiting list. This information will be verified. If it is determined that the family intentionally misrepresented the facts on the pre-application, the family will either be placed back on the wait list (ranked by their current preferences), or will be denied assistance. If the family is unable to verify their declared preferences, the family will be denied those preferences and will be placed back on the waiting list ranked by their verified preferences.

#### **4-I.C. ACCESSIBILITY OF THE APPLICATION PROCESS**

##### **Elderly and Disabled Populations [24 CFR 8 and HCV GB, pp. 4-11 – 4-13]**

HACCC must take steps to ensure that the application process is accessible to those people who might have difficulty complying with the normal, standard PHA application process. This could include people with disabilities, certain elderly individuals, as well as persons with limited English proficiency (LEP). HACCC must provide reasonable accommodation to the needs of individuals with disabilities. The application process must be fully accessible, or HACCC must provide an alternate approach that provides full access to the application process. Chapter 2 provides a full discussion of HACCC's policies related to providing reasonable accommodations for people with disabilities.

##### **Limited English Proficiency**

PHAs are required to take reasonable steps to ensure equal access to their programs and activities by persons with limited English proficiency [24 CFR 1]. Chapter 2 provides a full discussion on HACCC's policies related to ensuring access to people with limited English proficiency (LEP).

#### **4-I.D. PLACEMENT ON THE WAITING LIST**

HACCC must review each complete application received and make a preliminary assessment of the family's eligibility. HACCC must accept applications from families for whom the list is open unless there is good cause for not accepting the application (such as denial of assistance) for the grounds stated in the regulations [24 CFR 982.206(b)(2)]. Where the family is determined to be ineligible, HACCC must notify the family in writing [24 CFR 982.201(f)]. Where the family is not determined to be ineligible, the family will be placed on a waiting list of applicants.

No applicant has a right or entitlement to be listed on the waiting list, or to any particular position on the waiting list [24 CFR 982.202(c)].

##### **Ineligible for Placement on the Waiting List**

###### HACCC Policy

HACCC will conduct a lottery of all families and individuals who have turned in applications during the application period. Only applicants selected in the lottery will be placed on the wait list. Those not selected will receive a written notice informing them that they were not selected for the wait list.

If HACCC determines from the information provided on the pre-application that any applicant placed on the wait list appears ineligible, the family will be sent a notice denying them assistance. HACCC will send the written notification of the ineligibility determination within 14 calendar days of the determination. The notice will specify the reasons for ineligibility, and will inform the family of its right to request an informal review and explain the process for doing so (see Chapter 16).

## **Eligible for Placement on the Waiting List**

### HACCC Policy

HACCC will send written notification of placement on the waiting list within 14 calendar days of verification of the lottery results.

Placement on the waiting list does not indicate that the family is, in fact, eligible for assistance. A final determination of eligibility will be made when the family is selected from the waiting list.

Applicants will be placed on the waiting list according to any preference(s) for which they qualify and their lottery number..

## **PART II: MANAGING THE WAITING LIST**

### **4-II.A. OVERVIEW**

HACCC must have policies regarding various aspects of organizing and managing the waiting list of applicant families. This includes opening the list to new applicants, closing the list to new applicants, notifying the public of waiting list openings and closings, updating waiting list information, purging the list of families that are no longer interested in or eligible for assistance, as well as conducting outreach to ensure a sufficient number of applicants.

In addition, HUD imposes requirements on how a PHA may structure its waiting list and how families must be treated if they apply for assistance from a PHA that administers more than one assisted housing program.

### **4-II.B. ORGANIZATION OF THE WAITING LIST [24 CFR 982.204 and 205]**

HACCC's HCV waiting list must be organized in such a manner to allow HACCC to accurately identify and select families for assistance in the proper order, according to the admissions policies described in this plan.

The waiting list must contain the following information for each applicant listed:

- Name and social security number of head of household;
- Family unit size and number of family members;
- Amount of annual income
- Any accessibility needs
- Any translation/interpretation needs
- Wait list opening date and lottery number
- Qualification for any local preference;
- Racial or ethnic designation of the head of household;
- Postal mailing address.

HUD requires HACCC to maintain a single waiting list for the HCV program unless it serves more than one county or municipality. Such PHAs are permitted, but not required, to maintain a separate waiting list for each county or municipality served.

#### HACCC Policy

HACCC will maintain a single waiting list for the HCV program. In addition, HACCC shall maintain a separate site-based waiting list for each Project-Based Voucher (PBV) Project.

HUD directs that a family that applies for assistance from the HCV program must be offered the opportunity to be placed on the waiting list for any public housing, project-based voucher or moderate rehabilitation program HACCC operates if 1) the other programs' waiting lists are open, and 2) the family is qualified for the other programs.

HUD permits, but does not require, that PHAs maintain a single merged waiting list for their public housing, Section 8, and other subsidized housing programs.

A family's decision to apply for, receive, or refuse other housing assistance must not affect the family's placement on the HCV waiting list, or any preferences for which the family may qualify.

#### HACCC Policy

HACCC will not merge the HCV waiting list with the waiting list for any other program HACCC operates.

### **4-II.C. OPENING AND CLOSING THE WAITING LIST [24 CFR 982.206]**

#### **Closing the Waiting List**

A PHA is permitted to close the waiting list if it has an adequate pool of families to use its available HCV assistance. Alternatively, HACCC may elect to continue to accept applications only from certain categories of families that meet particular preferences or funding criteria.

#### HACCC Policy

Due to the overwhelming interest in housing assistance received when the wait list is open, HACCC will accept applications for no more than one week at a time. The wait list may be opened for a shorter period of time. HACCC will randomly select applicants via a lottery if there are more applicants than anticipated available vouchers over the subsequent 24-month period. Where HACCC has particular preferences or funding criteria that require a specific category of family, HACCC may elect to continue to accept applications from these applicants while closing the waiting list to others.

HACCC will close the waiting list at the end of the advertised open period. After 24 months, the wait list will be purged of all remaining applicants and a denial letter sent to them. A new wait list will be created thereafter for the next 24 months . Where HACCC has particular preferences or funding criteria that require a specific category of family, HACCC may elect to continue to accept applications from these applicants while closing the waiting list to others.

#### **Reopening the Waiting List**

If the waiting list has been closed, it may be reopened at any time. HACCC must give public notice of the waiting list opening. The notice must comply with HUD fair housing requirements and must specify who may apply, and where and when applications will be received.

#### HACCC Policy

HACCC will announce the reopening of the waiting list at least 14 calendar days prior to the date applications will first be accepted. If the list is only being reopened for certain categories of families, this information will be contained in the notice.

HACCC will give public notice by publishing the relevant information in suitable media outlets including, but not limited to the following newspapers:

- Contra Costa Times
- Peninsula Community News
- LEP Publications:

- El Observador
- Vietnam Daily News

HACCC will develop informational materials and flyers to distribute to public and private agencies that serve low-income persons and will also make presentations to such organizations. HACCC may provide instructions regarding the application process to other agencies that serve low-income clients and also may develop partnerships with such organizations, particularly those that serve persons with disabilities or LEP persons.

#### **4-II.D. FAMILY OUTREACH [HCV GB, pp. 4-2 to 4-4]**

HACCC must conduct outreach as necessary to ensure that HACCC has a sufficient number of applicants on the waiting list to use the HCV resources it has been allotted.

Because HUD requires HACCC to admit a specified percentage of extremely low income families to the program (see Chapter 4, Part III), HACCC may need to conduct special outreach to ensure that an adequate number of such families apply for assistance [HCV GB, p. 4-20 to 4-21].

PHA outreach efforts must comply with fair housing requirements. This includes:

- Analyzing the housing market area and the populations currently being served to identify underserved populations
- Ensuring that outreach efforts are targeted to media outlets that reach eligible populations that are underrepresented in the program
- Avoiding outreach efforts that prefer or exclude people who are members of a protected class

PHA outreach efforts must be designed to inform qualified families about the availability of assistance under the program. These efforts may include, as needed, any of the following activities:

- Submitting press releases to local newspapers, including minority newspapers
- Developing informational materials and flyers to distribute to other agencies
- Providing information on the application process to other public and private agencies that serve low income families
- Developing partnerships with other organizations that serve similar populations, including agencies that provide services for persons with disabilities

#### HACCC Policy

HACCC will monitor the characteristics of the population being served and the characteristics of the population as a whole in HACCC's jurisdiction. Targeted outreach efforts will be undertaken if a comparison suggests that certain populations are being underserved.

## **4-II.E. REPORTING CHANGES IN FAMILY CIRCUMSTANCES**

### HACCC Policy

While the family is on the waiting list, the family must immediately inform HACCC of changes in contact information, including current residence, mailing address, and phone number. The changes must be submitted through the HACCC Applicant Portal. HACCC will send a written confirmation that the notice of change was received to the email address provided by the family.

## **4-II.F. UPDATING THE WAITING LIST [24 CFR 982.204]**

HUD requires HACCC to establish policies to use when removing applicant names from the waiting list. Since the wait list will only be active for 24 months, it is unlikely that it will need to be updated. However, if HACCC must update the wait list for any reason, the following guidelines will be followed:

### **Purging the Waiting List**

#### HACCC Policy

The waiting list will be updated as needed to ensure that all applicants are still interested in receiving housing assistance and that applicant contact information is current. To update the waiting list, HACCC will send an update request via first class mail to each family on the waiting list to determine whether the family continues to be interested in, and to qualify for, the program. This update request will be sent to the last address that HACCC has on record for the family. The update request will provide a deadline by which the family must respond and will state that failure to respond will result in the applicant's name being removed from the HCV waiting list or multiple PBV site-based waiting lists if the update inquiry is for all programs. For wait list updates or correspondence to applicants on a specific wait list, if the household fails to respond, they shall only be removed from the specific wait list they received correspondence for.

The family's response must be in writing and may be delivered in person, by mail, or by fax. Responses should be postmarked or received by HACCC not later than 30 calendar days from the date of HACCC letter.

If the family fails to respond within 30 calendar days of the date of the update letter, the family will be removed from the waiting list without further notice. If the notice is returned by the post office with no forwarding address, the applicant will be removed from the waiting list without further notice.

If the notice is returned by the post office with a forwarding address, the notice will be re-sent to the address indicated. The family will have 14 calendar days to respond from the date the letter was re-sent. If a family is removed from the waiting list for failure to respond, the PHA may reinstate the family if it is determined that the lack of response was due to PHA error, or to circumstances beyond the family's control.

### **Removal from the Waiting List**

#### HACCC Policy

HACCC will remove applicants from the waiting list if they have requested that their name be removed in writing, in person or by email. In such cases no informal hearing is required.

If at any time an applicant family is on the waiting list, HACCC determines that the family is not eligible for assistance (see Chapter 3), the family will be removed from the waiting list.

If a family is removed from the waiting list because HACCC has determined the family is not eligible for assistance, a notice will be sent to the family's address of record as well as to any alternate address provided on the initial application. The notice will state the reasons the family was removed from the waiting list and will inform the family how to request an informal review regarding HACCC's decision (see Chapter 16) [24 CFR 982.201(f)].

The HCV wait list will terminate after 24 months from the date it notified applicants of their initial placement on the wait list. A new HCV wait list will be created thereafter.

## **PART III: SELECTION FOR HCV ASSISTANCE**

### **4-III.A. OVERVIEW**

As vouchers become available, families on the waiting list must be selected for assistance in accordance with the policies described in this part.

The order in which families are selected from the waiting list depends on the selection method chosen by HACCC and is impacted in part by any selection preferences for which the family qualifies. The availability of targeted funding also may affect the order in which families are selected from the waiting list.

HACCC must maintain a clear record of all information required to verify that the family is selected from the waiting list according to HACCC's selection policies [24 CFR 982.204(b) and 982.207(e)].

### **4-III.B. SELECTION AND HCV FUNDING SOURCES**

#### **Special Admissions [24 CFR 982.203]**

HUD may award funding for specifically-named families living in specified types of units (e.g., a family that is displaced by demolition of public housing; a non-purchasing family residing in a HOPE 1 or 2 projects). In these cases, HACCC may admit such families whether or not they are on the waiting list, and, if they are on the waiting list, without considering the family's position on the waiting list. These families are considered non-waiting list selections. HACCC must maintain records showing that such families were admitted with special program funding.

HACCC administers the following Special Purpose funding:

- Veterans Administration Supportive Housing Program (VASH)
- Moderate Rehabilitation
- Mainstream Program

Special (non-waitlist) Admissions include the following:

- In-Place households for newly authorized PBV projects
- Public Housing residents displaced due to RAD and other HACCC redevelopment efforts
- Up to 50 vouchers designated for formerly homeless families transitioning from higher-level Continuum of Care-funded permanent supportive housing programs who no longer need a higher level of care. A referral from the permanent supportive housing program is required.

#### **Targeted Funding [24 CFR 982.204(e)]**

HUD may award a PHA funding for a specified category of families on the waiting list. HACCC must use this funding only to assist the families within the specified category. In order to assist families within a targeted funding category, HACCC may skip families that do not qualify within

the targeted funding category. Within this category of families, the order in which such families are assisted is determined according to the policies provided in Section 4-III.C.

#### HACCC Policy

HACCC does not currently administer targeted funding.

### **Regular HCV Funding**

Regular HCV funding may be used to assist any eligible family on the waiting list. Families are selected from the waiting list according to the policies provided in Section 4-III.C.

### **4-III.C. SELECTION METHOD**

PHAs must describe the method for selecting applicant families from the waiting list, including the system of admission preferences that HACCC will use [24 CFR 982.202(d)].

#### **Local Preferences [24 CFR 982.207; HCV p. 4-16]**

PHAs are permitted to establish local preferences, and to give priority to serving families that meet those criteria. HUD specifically authorizes and places restrictions on certain types of local preferences. HUD also permits HACCC to establish other local preferences, at its discretion. Any local preferences established must be consistent with HACCC plan and the consolidated plan, and must be based on local housing needs and priorities that can be documented by a generally accepted data sources.

#### HACCC Policy

HACCC will use the following preferences (listed below with their ranking value) to rank applicants on the wait list:

- **Involuntary Displacement (20 points).** A preference for applicants who have been involuntarily displaced from housing due to:
  - A federal or state declared disaster
  - Government action (e.g., code enforcement, public improvement or development). Government action will also include participants in a witness protection program)
  - Action by a housing owner that is beyond an applicant's ability to control and which occurs despite the applicant's having met all previous conditions of occupancy, and is other than a rent increase (e.g. conversion of a unit to non-rental or residential use, owner wants the property for personal use, foreclosure).

If the owner is an immediate family relative and there has been no previous rental agreement and the applicant has been part of the owner's family immediately prior to application, the applicant will not be considered involuntarily displaced.

To receive this preference, applicants must not be living in standard, permanent replacement housing. State law requires a preference in cases of displacement by public or private action.

- **Permanent Supportive Housing Graduation (500 points).** A preference for formerly homeless families who have graduated from a Contra Costa County Continuum of Care (COC) funded permanent supportive housing program, or another homeless housing program participating in the COC Coordinated Entry system, that partners with HACCC such as Shelter Plus Care. A referral from the COC Coordinated Entry system is required to be eligible for this preference.

HACCC will provide up to 50 vouchers to eligible families who are homeless and that meet the local preference criteria defined in the Memorandum of Understanding (MOU) by and between HACCC and its partner agency(s). HACCC may, at its discretion, modify the total number of vouchers available for this local preference based on funding availability, the performance of social service agency partners, or other factors.

To serve these clients, HACCC's partner(s) will refer clients to HACCC that meet certain eligibility criteria for the local preference as defined in the Memoranda of Understanding (MOU) with each organization. HACCC may, at its discretion, enter into MOUs with additional agencies serving this population in the future. The partner agency must agree to provide housing search assistance and case management support so that the clients can find housing and remain stably housed. HACCC will not accept any referrals from partner agencies once the allotment for this local preference has been met. Thereafter, applicants referred by partner agencies will be added to the waiting list when there are vouchers available for this local preference. Applicants who are already on HACCC's waiting list may be pulled to the top of the Waiting List if they meet the eligibility requirements for the preference and are referred by the partner agencies.

Eligibility for this local preference is limited to families who are formerly homeless as defined in the MOU between HACCC and the partner agency. Additionally, applicants who qualify for the local preference must meet all of HACCC's specific screening and eligibility requirements.

- **Mainstream (250 Points).** A preference for non-elderly persons with disabilities transitioning out of institutional and other segregated settings, at serious risk of institutionalization, homeless, or at risk of becoming homeless. Families on the HCV waiting list shall have first priority for the Mainstream vouchers and thereafter a separate waiting list for Mainstream eligible households shall be maintained to include referrals from the Housing Consortium of the East Bay and the Contra Costa County Health, Housing and Human Services department who are partners with HACCC in the Mainstream voucher program.
- **Move from Las Deltas Properties to dramatically improve living conditions (500 points).** A preference for residents of the Las Deltas public housing properties who

will move to other housing as soon as possible to dramatically improve their living conditions.

- **Insufficient Funding Termination (20 points).** A preference to any family that has been terminated from HACCC’s HCV program due to insufficient program funding.
- **Residency Preference (10 points).** A residency preference for applicants who live, work or have been hired to work in Contra Costa County. The use of a residency preference will not have the purpose or effect of delaying or otherwise denying admission to the program based on the race, color, ethnic origin, gender, religion, disability, or age of any member of an applicant family.

Eligibility for this preference must be demonstrated by having a permanent physical residence within the jurisdictional area. Physical residence shall be defined as a domicile with a mailing address, other than a P.O. Box, for which the applicant can produce one or more of the following: a lease or purchase agreement, utility bills in their name showing the stated address, two pieces of first class mail addressed to the applicant or a member of their household at the stated address. In certain circumstances of homelessness, third party verification from service agencies, clergy, merchants or other reliable source can be substituted subject to the approval of HACCC.

- **Veterans Assistance (1 point).** A preference for current or former members of the U.S. Armed Forces, veterans, or surviving spouses of veterans (as required by state law).

### **Income Targeting Requirement [24 CFR 982.201(b)(2)]**

HUD requires that extremely low-income (ELI) families make up at least 75% of the families admitted to the HCV program during HACCC’s fiscal year. ELI families are those with annual incomes at the greater of the Federal Poverty level or below 30% of the area median income. To ensure this requirement is met, a PHA may skip non-ELI families on the waiting list in order to select an ELI family.

Low income families admitted to the program that are “continuously assisted” under the 1937 Housing Act [24 CFR 982.4(b)], as well as low-income or moderate-income families admitted to the program that are displaced as a result of the prepayment of the mortgage or voluntary termination of an insurance contract on eligible low-income housing, are not counted for income targeting purposes [24 CFR 982.201(b)(2)(v)].

#### HACCC Policy

HACCC will monitor progress in meeting the income targeting requirement throughout the fiscal year. Extremely low-income families will be selected ahead of other eligible families on an as-needed basis to ensure the income targeting requirement is met.

### **Order of Selection**

HACCC system of preferences may select families based on local preferences according to the date and time of application or by a random selection process (lottery) [24 CFR 982.207(c)]. If a PHA does not have enough funding to assist the family at the top of the waiting list, it is not permitted to skip down the waiting list to a family that it can afford to subsidize when there are not sufficient funds to subsidize the family at the top of the waiting list [24 CFR 982.204(d) and (e)].

### HACCC Policy

All applications received within the application window will be accepted and entered into the applicant pool. The applicant pool will be screened for duplicate applications. Only one application will be allowed per Head of Household. Applicants will be randomly selected for the wait list by computer-generated lottery. All applicants in the pool will be randomly assigned a lottery number. Families will be selected for the waiting list based on preference points and lottery number from the lowest to the highest number until HACCC has reached number 2,400. If HACCC issues all 2,400 vouchers over the next 24 months, the waiting list will be re-opened. If not, after 24 months from the date of notification to families of their placement on the wait list, the remaining applicants not selected will be denied and a new application process will be implemented. HACCC plans to open the HCV wait list every two years.

No other applicant may be placed on the list. All other applicants will have to reapply in the future.

All applicants will be assigned points based on any preference(s) for which they qualify (e.g., a veteran and resident of HACCC's jurisdiction would receive 11 points). Applicants with more preference points will be ranked ahead of applicants with fewer preference points. Among applicants with the same number of preference points, families will be selected according to the lottery number assigned to them in the original lottery. A family assigned a lower number will have preference over a family assigned a higher number (e.g., a family assigned the number 20 in the lottery will receive preference over a family assigned 105).

When selecting families from the waiting list, if HACCC has targeted funding available, it must use those funds only to assist those families who meet the specified criteria. Within each targeted funding category, families will be selected based on the selection preference(s) for which they qualify (e.g., Mainstream Program) and by using their lottery placement as a tiebreaker. Documentation will be maintained by HACCC as to whether families on the list qualify for and are interested in targeted funding. If a higher placed family on the waiting list is neither qualified nor interested in targeted funding, there will be a notation maintained so that HACCC does not have to ask higher placed families each time targeted selections are made.

HACCC may also skip families in order to meet HUD's ELI requirements. HACCC will assist qualified families in rank order off the wait list. HACCC is not permitted to skip down the waiting list to a family that it can afford to subsidize when there are not

sufficient funds to subsidize the family at the top of the waiting list [24 CFR 982.204(d) and (e)].

Preferences will be verified at the time of the full application. If a preference cannot be verified, the family will be returned to the wait list with the revised (lower) preference total.

#### **4-III.D. NOTIFICATION OF SELECTION**

When a family has been selected from the waiting list, HACCC must notify the family [24 CFR 982.554(a)].

##### HACCC Policy

HACCC will notify the family by first class mail when it is selected from the waiting list. The notice will inform the family of the following:

- Date, time, and location of the scheduled application interview, including any procedures for rescheduling the interview

- Who is required to attend the interview

- All documents that must be provided at the interview, including information about what constitutes acceptable documentation

If a notification letter is returned to HACCC with no forwarding address, the family will be removed from the waiting list. A notice of denial (see Chapter 3) will be sent to the family's address of record, as well as to any known alternate address.

#### **4-III.E. THE APPLICATION INTERVIEW**

HUD recommends that HACCC obtain the information and documentation needed to make an eligibility determination through a face-to-face interview with a PHA representative [HCV GB, pg. 4-16]. Being invited to attend an interview does not constitute admission to the program.

Assistance cannot be provided to the family until all SSN documentation requirements are met. However, if HACCC determines that an applicant family is otherwise eligible to participate in the program, the family may retain its place on the waiting list for a period of time determined by HACCC [Notice PIH 2012-10].

Reasonable accommodation must be made for persons with disabilities who are unable to attend an interview due to their disability.

##### HACCC Policy

Families selected from the waiting list are required to participate in an eligibility interview.

All adult family members must be present at the initial eligibility appointment. If any adult members are not present at the initial eligibility appointment the appointment will be rescheduled. Verification of information pertaining to all adult members of the household not present at the interview will not begin until signed release forms are returned to HACCC.

All adult household members must provide acceptable documentation of legal identity. (Chapter 7 provides a discussion of proper documentation of legal identity). If the adult members do not provide the required documentation at the time of the interview, they will be required to provide it within 14 calendar days.

All adult family members must also consent to a fingerprinting scan for criminal background screening.

The family must provide the information necessary to establish the family's eligibility and determine the appropriate level of assistance, as well as completing required forms, providing required signatures, and submitting required documentation. If any materials are missing, HACCC will provide the family with a written list of items that must be submitted.

If the family is claiming a waiting list preference, the family must provide documentation to verify their eligibility for a preference (see Chapter 7). If the family is verified as eligible for the preference, HACCC will proceed with the interview. If HACCC determines the family is not eligible for the preference, the interview will not proceed and the family will be placed back on the waiting list according to their updated preference ranking and lottery number.

Any required documents or information that the family is unable to provide at the interview must be provided within 14 calendar days of the interview (Chapter 7 provides details about longer submission deadlines for particular items, including documentation of eligible noncitizen status). If the family is unable to obtain the information or materials within the required time frame, the family may request an extension. If the required documents and information are not provided within the required time frame (plus any extensions), the family will be sent a notice of denial (See Chapter 3).

An advocate, interpreter, or other assistant may assist the family with the application and the interview process.

Interviews will be conducted in English. For limited English proficient (LEP) applicants, HACCC will provide translation services in accordance with HACCC's LEP plan.

If the family is unable to attend a scheduled interview, the family should contact HACCC in advance of the interview to schedule a new appointment. In all circumstances, if a family does not attend a scheduled interview, HACCC will send another notification letter with a new interview appointment time. Applicants who fail to attend two scheduled interviews without PHA approval will be denied assistance based on the family's failure to supply information needed to determine eligibility. A notice of denial will be issued in accordance with policies contained in Chapter 3.

#### **4-III.F. COMPLETING THE APPLICATION PROCESS**

HACCC must verify all information provided by the family (see Chapter 7). Based on verified information, HACCC must make a final determination of eligibility (see Chapter 3) and must confirm that the family qualified for any special admission, targeted funding admission, or

selection preference that affected the order in which the family was selected from the waiting list.

If HACCC determines that the family is ineligible, HACCC will send written notification of the ineligibility determination within 14 calendar days of the determination. The notice will specify the reasons for ineligibility, and will inform the family of its right to request an informal review (Chapter 16).

If a family fails to qualify for any criteria that affected the order in which it was selected from the waiting list (e.g. targeted funding, extremely low-income), the family will be returned to its original position on the waiting list. HACCC will notify the family in writing that it has been returned to the waiting list, and will specify the reasons for it.

If HACCC determines that the family is eligible to receive assistance, HACCC will invite the family to attend a briefing in accordance with the policies in Chapter 5.

## **CHAPTER 5**

### **BRIEFINGS AND VOUCHER ISSUANCE**

#### **INTRODUCTION**

This chapter explains the briefing and voucher issuance process. When a family is determined to be eligible for the Housing Choice Voucher (HCV) program, HACCC must ensure that the family fully understands the way the program operates and the family's obligations under the program. This is accomplished through both an oral briefing and provision of a briefing packet containing the HUD-required documents and other information the family needs to know in order to lease a unit under the program. Once the family is fully informed of the program's requirements, HACCC issues the family a voucher. The voucher includes the unit size for which the family qualifies based on HACCC's subsidy standards, as well as the issue and expiration date of the voucher. The voucher is the document that authorizes the family to begin its search for a unit, and limits the amount of time the family has to successfully locate an acceptable unit.

This chapter describes HUD regulations and PHA policies related to these topics in two parts:

Part I: Briefings and Family Obligations. This part details the program's requirements for briefing families orally, and for providing written materials describing the program and its requirements. It includes a particular focus on the family's obligations under the program.

Part II: Subsidy Standards and Voucher Issuance. This part discusses HACCC's standards for determining how many bedrooms a family of a given composition qualifies for, which in turn affects the amount of subsidy the family can receive. It also discusses the policies that dictate how vouchers are issued, and how long families have to locate a unit.

## **PART I: BRIEFINGS AND FAMILY OBLIGATIONS**

### **5-I.A. OVERVIEW**

HUD regulations require HACCC to conduct mandatory briefings for applicant families who qualify for a voucher. The briefing provides a broad description of owner and family responsibilities, explains HACCC's procedures, and includes instructions on how to lease a unit. This part describes how oral briefings will be conducted, specifies what written information will be provided to families, and lists the family's obligations under the program.

### **5-I.B. BRIEFING [24 CFR 982.301]**

HACCC must give the family an oral briefing and provide the family with a briefing packet containing written information about the program. Families may be briefed individually or in groups. At the briefing, HACCC must ensure effective communication in accordance with Section 504 requirements (Section 504 of the Rehabilitation Act of 1973), and ensure that the briefing site is accessible to individuals with disabilities. For a more thorough discussion of accessibility requirements, refer to Chapter 2.

#### HACCC Policy

Briefings will be conducted in group meetings.

Generally, the head of household is required to attend the briefing. If the head of household is unable to attend, HACCC may approve another adult family member to attend the briefing.

Families that attend group briefings and still need individual assistance will be referred to an appropriate PHA staff person.

Briefings will be conducted in English. For limited English proficient (LEP) applicants, HACCC will provide translation services in accordance with HACCC's LEP plan (See Chapter 2).

### **Notification and Attendance**

#### HACCC Policy

Families will be notified of their eligibility for assistance at the time they are invited to attend a briefing. The notice will identify who is required to attend the briefing, as well as the date and time of the scheduled briefing.

If the notice is returned by the post office with no forwarding address, a notice of denial (see Chapter 3) will be sent to the family's last address of record, as well as to any alternate address provided on the initial application. Applicants who fail to attend a scheduled briefing will be scheduled for another briefing automatically. HACCC will notify the family of the date and time of the second scheduled briefing. Applicants who fail to attend two scheduled briefings, without prior PHA approval, will be denied assistance (see Chapter 3).

### **Oral Briefing [24 CFR 982.301(a)]**

Each briefing must provide information on the following subjects:

- How the Housing Choice Voucher program works;
- Family and owner responsibilities;
- Where the family can lease a unit, including renting a unit inside or outside HACCC's jurisdiction;
- An explanation of how portability works. The PHA may not discourage the family from choosing to live anywhere in the PHA jurisdiction or outside the PHA jurisdiction under portability, unless otherwise expressly authorized by statute, regulation, PIH Notice, or court order;
- The PHA must inform the family of how portability may affect the family's assistance through screening, subsidy standards, payment standards, and any other elements of the portability process which may affect the family's assistance;
- The advantages of areas that do not have a high concentration of low-income families; and
- For families receiving welfare-to-work vouchers, a description of any local obligations of a welfare-to-work family and an explanation that failure to meet the obligations is grounds for denial of admission or termination of assistance.

### **Briefing Packet [24 CFR 982.301(b)]**

Documents and information provided in the briefing packet must include the following:

- The term of the voucher, voucher suspensions and HACCC's policies on any extensions of the term. If HACCC allows extensions, the packet must explain how the family can request an extension.
- A description of the method used to calculate the housing assistance payment for a family, including how HACCC determines the payment standard for a family, how HACCC determines total tenant payment for a family, and information on the payment standard and utility allowance schedule.
- An explanation of how HACCC determines the maximum allowable rent for an assisted unit.
- Where the family may lease a unit and an explanation of how portability works, including information on how portability may affect the family's assistance through screening, subsidy standards, payment standards, and any other elements of the portability process that may affect the family's assistance.
- The HUD-required tenancy addendum, which must be included in the lease.
- The form the family must use to request approval of tenancy, and a description of the procedure for requesting approval for a tenancy.
- A statement of the HACCC Policy on providing information about families to prospective owners.
- HACCC subsidy standards including when and how exceptions are made.

- Materials (e.g., brochures) on how to select a unit and any additional information on selecting a unit that HUD provides;
- Information on federal, state and local equal opportunity laws and a copy of the housing discrimination complaint form.
- A list of landlords known to the PHA who may be willing to lease a unit to the family or other resources (e.g., newspapers, organizations, online search tools) known to the PHA that may assist the family in locating a unit. PHAs must ensure that the list of landlords or other resources covers areas outside of poverty or minority concentration.
- Notice that if the family includes a person with disabilities, the family may request a list of available accessible units known to HACCC.
- The family obligations under the program, including any obligations of a welfare-to-work family.
- The grounds on which HACCC may terminate assistance for a participant family because of family action or failure to act.
- PHA informal hearing procedures including when HACCC is required to offer a participant family the opportunity for an informal hearing, and how to request the hearing.
- An explanation of the advantages of moving to an area that does not have a high concentration of low-income families.

If HACCC is located in a metropolitan area, the following additional information must be included in the briefing packet in order to receive full points under SEMAP Indicator 7, Expanding Housing Opportunities [24 CFR 985.3(g)]:

- Maps showing areas with housing opportunities outside areas of poverty or minority concentration, both within its jurisdiction and its neighboring jurisdiction
- Information about the characteristics of these areas including job opportunities, schools, transportation, and other services
- An explanation of how portability works, including a list of portability contact persons for neighboring PHAs with names, addresses, and telephone numbers

### **Additional Items to Be Included in the Briefing Packet**

In addition to items required by the regulations, PHAs may wish to include supplemental materials to help explain the program to both participants and owners [HCV GB p. 8-7, Notice PIH 2017-12].

#### HACCC Policy

HACCC will provide the following additional materials in the briefing packet:

The HUD pamphlet on lead-based paint entitled *Protect Your Family from Lead in Your Home*

"Good Neighbor Guidance" that will suggest ways that Section 8 participants can assimilate into their new neighborhoods, i.e., not parking on front lawns, mowing,

trimming, and watering any grass, making sure trash is not allowed to accumulate beyond the weekly pickup available in most communities. Landlords will be allowed to incorporate all or part of the Good Neighbor Guidance into their lease.

Information on how to fill out and file a housing discrimination complaint form

Information about the protections afforded by the Violence against Women Act of 2005 (VAWA) to victims of domestic violence, dating violence, sexual assault and stalking (see section 16-IX.C)

“Is Fraud Worth It?” (form HUD-1141-OIG), which explains the types of actions a family must avoid and the penalties for program abuse

“What You Should Know about EIV,” a guide to the Enterprise Income Verification (EIV) system published by HUD as an attachment to Notice PIH 2017-12

## **5-I.C. FAMILY OBLIGATIONS**

Obligations of the family are described in the housing choice voucher (HCV) regulations and on the voucher itself. These obligations include responsibilities the family is required to fulfill, as well as prohibited actions. HACCC must inform families of these obligations during the oral briefing, and the same information must be included in the briefing packet. When the family’s unit is approved and the HAP contract is executed, the family must meet those obligations in order to continue participating in the program. Violation of any family obligation may result in termination of assistance, as described in Chapter 12.

### **Time Frames for Reporting Changes Required By Family Obligations**

#### HACCC Policy

Unless otherwise noted below, when family obligations require the family to respond to a request or notify HACCC of a change, notifying HACCC of the request or change within 14 calendar days is considered prompt notice.

When a family is required to provide notice to HACCC, the notice must be in writing.

### **Family Obligations [24 CFR 982.551]**

The family obligations of the voucher are listed as follow:

- The family must supply any information that HACCC or HUD determines to be necessary, including submission of required evidence of citizenship or eligible immigration status.
- The family must supply any information requested by HACCC or HUD for use in a regularly scheduled reexamination or interim reexamination of family income and composition.

All adult members of the family must attend each recertification appointment, provide documents and sign documents as required to complete annual and interim recertifications.

- The family must disclose HACCC any information they receive from HUD.

- The family must disclose and verify social security numbers and sign and submit consent forms for obtaining information.
- Any information supplied by the family must be true and complete.
- The family is responsible for any Housing Quality Standards (HQS) breach by the family caused by failure to pay tenant-provided utilities or appliances, or damages to the dwelling unit or premises beyond normal wear and tear caused by any member of the household or guest.

#### HACCC Policy

The family must not damage the unit or premises (other than ordinary wear and tear) or permit any guest to damage the unit or premises. Damages beyond ordinary wear and tear will be considered to be damages which could be assessed against the security deposit.

- The family must allow HACCC to inspect the unit at reasonable times and after reasonable notice, as described in Chapter 8 of this plan.
- The family is responsible for any Housing Quality Standard breach caused by the family or guests.
- The family must not commit any serious or repeated violation of the lease.

#### HACCC Policy

HACCC will determine if a family has committed serious or repeated violations of the lease based on available evidence, including but not limited to, a court-ordered eviction or an owner's notice to evict, police reports, and affidavits from the owner, neighbors, or other credible parties with direct knowledge.

*Serious and repeated lease violations* will include, but not be limited to, nonpayment of rent, disturbance of neighbors, destruction of property, living or housekeeping habits that cause damage to the unit or premises, and criminal activity. Generally, the criterion to be used will be whether or not the reason for the eviction was the fault of the tenant or guests. Any incidents of, or criminal activity related to, domestic violence, dating violence, sexual assault or stalking will not be construed as serious or repeated lease violations by the victim [24 CFR 5.2005(c)(1)].

- The family must notify the owner and HACCC before moving out of the unit or terminating the lease.

#### HACCC Policy

The family must comply with lease requirements regarding written notice to the owner. The family must provide written notice to HACCC at the same time the owner is notified.

- The family must promptly give HACCC a copy of any owner eviction notice.
- The family must use the assisted unit for residence by the family. The unit must be the family's only residence.
- The composition of the assisted family residing in the unit must be approved by HACCC. The family must promptly notify HACCC in writing of the birth, adoption, or court-awarded

custody of a child. The family must request PHA approval to add any other family member as an occupant of the unit.

#### HACCC Policy

The request to add a family member must be submitted in writing and approved prior to the person moving into the unit. HACCC will determine eligibility of the new member in accordance with the policies in Chapter 3.

- The family must promptly notify HACCC in writing if any family member no longer lives in the unit within thirty (30) calendar days.
- Members of the household may engage in legal profit-making activities in the unit if in compliance with the unit lease, but only if such activities are incidental to primary use of the unit for residence by members of the family.
- If HACCC has given approval, a foster child or a live-in aide may reside in the unit. HACCC has the discretion to adopt reasonable policies concerning residency by a foster child or a live-in aide, and to define when PHA consent may be given or denied. For policies related to the request and approval/disapproval of foster children, foster adults, and live-in aides, see Chapter 3 (sections I.K and I.M), and Chapter 11 (section II.B).
- The family must not sublease the unit, assign the lease, or transfer the unit.

#### HACCC Policy

Subleasing includes receiving payment to cover rent and utility costs by a person living in the unit who is not listed as a family member.

- The family must supply any information requested by HACCC to verify that the family is living in the unit or information related to family absence from the unit.
- The family must not owe rent and/or other monies to the Housing Authority or to another Housing Authority in connection with HCV or Public Housing Assistance.
- The family must promptly notify HACCC when the family is absent from the unit.

#### HACCC Policy

Notice is required under this provision only when all family members will be absent from the unit for an extended period. An extended period is defined as any period greater than 30 calendar days. Written notice must be provided to HACCC at the start of the extended absence.

- The family must pay utility bills and provide and maintain any appliances that the owner is not required to provide under the lease [Form HUD-52646, Voucher].
- The family must not own or have any interest in the unit, (other than in a cooperative and owners of a manufactured home leasing a manufactured home space).
- Family members must not commit fraud, bribery, or any other corrupt or criminal act in connection with the program. (See Chapter 14, Program Integrity for additional information).

- Family members must not engage in drug-related criminal activity or violent criminal activity or other criminal activity that threatens the health, safety or right to peaceful enjoyment of other residents and persons residing in the immediate vicinity of the premises. See Chapter 12 for HUD and PHA policies related to drug-related and violent criminal activity.
- Members of the household must not engage in abuse of alcohol in a way that threatens the health, safety or right to peaceful enjoyment of the other residents and persons residing in the immediate vicinity of the premises. See Chapter 12 for a discussion of HUD and PHA policies related to alcohol abuse.
- An assisted family or member of the family must not receive HCV program assistance while receiving another housing subsidy, for the same unit or a different unit under any other federal, state or local housing assistance program.
- A family must not receive HCV program assistance while residing in a unit owned by a parent, child, grandparent, grandchild, sister or brother of any member of the family, unless HACCC has determined (and has notified the owner and the family of such determination) that approving rental of the unit, notwithstanding such relationship, would provide reasonable accommodation for a family member who is a person with disabilities. [Form HUD-52646, Voucher]

## **PART II: SUBSIDY STANDARDS AND VOUCHER ISSUANCE**

### **5-II.A. OVERVIEW**

HACCC must establish subsidy standards that determine the number of bedrooms needed for families of different sizes and compositions. This part presents the policies that will be used to determine the family unit size (also known as the voucher size) a particular family should receive, and the policies that govern making exceptions to those standards. HACCC must also establish policies related to the issuance of the voucher, to the voucher term, and to any extensions of the voucher term.

### **5-II.B. DETERMINING FAMILY UNIT (VOUCHER) SIZE [24 CFR 982.402]**

For each family, HACCC determines the appropriate number of bedrooms under HACCC subsidy standards and enters the family unit size on the voucher that is issued to the family. The family unit size does not dictate the size of unit the family must actually lease, nor does it determine who within a household will share a bedroom/sleeping room.

The following requirements apply when HACCC determines family unit size:

- The subsidy standards must provide for the smallest number of bedrooms needed to house a family without overcrowding.
- The subsidy standards must be consistent with space requirements under the housing quality standards.
- The subsidy standards must be applied consistently for all families of like size and composition.
- A child who is temporarily away from the home because of placement in foster care is considered a member of the family in determining the family unit size.
- A family that consists of a pregnant woman (with no other persons) must be treated as a two-person family.
- Any live-in aide (approved by HACCC to reside in the unit to care for a family member who is disabled or is at least 50 years of age) must be counted in determining the family unit size. Live-in attendants will be provided a separate bedroom. No additional bedrooms will be provided for the attendant's family.
- Children who are being adopted, or whose custody is being obtained, may be considered in assigning subsidy size. However, there must be a reasonable assurance that the child or children will join the family within 6-months and the family must provide proof that the child or children joined the family. In cases where a family was given a larger subsidy size, but the child or children do not join the family, then the family's subsidy size will be reduced with a 30-day notice from HACCC.
- Foster children will be included in determining unit size.
- Unless a live-in-aide resides with a family, the family unit size for any family consisting of a single person must be either a zero- or one-bedroom unit, as determined under HACCC subsidy standards.

HACCC Policy

HACCC will assign one bedroom to the Head of Household and, if present, their spouse or companion. One additional bedroom will be assigned for every two other persons in the household. The living room is considered an additional sleeping room. Foster children in the household will be included in determining unit size. Single person families will be allocated one bedroom (as opposed to a studio).

HACCC will reference the following chart in determining the appropriate voucher size for a family:

<b>Voucher Size</b>	<b>Persons in Household (Minimum – Maximum)</b>
1 Bedroom	1 - 4
2 Bedrooms	2 - 6
3 Bedrooms	3 - 8
4 Bedrooms	4 - 10
5 Bedrooms	6 - 12

**5-II.C. EXCEPTIONS TO SUBSIDY STANDARDS**

HACCC Policy

HACCC will consider granting an exception for any of the reasons specified in the regulation: the age, sex, health, handicap, or relationship of family members or other personal circumstances.

- Live-in attendants will be provided a separate bedroom. No additional bedrooms will be provided for the attendant's family.
- A family member who is temporarily away from the home to attend school or a training program is considered a member of the family in determining the family unit size.
- Children who are being adopted, or whose custody is being obtained, may be considered in assigning subsidy size. However, there must be a reasonable assurance that the child or children will join the family within 6-months and the family must provide proof that the child or children joined the family. In cases where a family was given a larger subsidy size but the child or children do not join the family, the family's subsidy size will be reduced with a 30-day notice from HACCC.

Additional exceptions will be granted on a case-by-case basis if it is determined that the exception is justified by the age, sex, health, handicap, or relationship of family members or other personal circumstances [24 CFR 982.402(b)(8)]. Reasons may include, but are not limited to:

- A need for an additional bedroom for medical equipment when the size, amount, or nature of the equipment and the lack of available space in the family's current unit

indicates that an extra room is required. HACCC may conduct a special inspection to verify the reasonableness of the request.

- A need for a separate bedroom for any other reason related to a family member's disability, medical or health condition.

For a single person who is not elderly, disabled, or a remaining family member, an exception cannot override the regulatory limit of a zero or one bedroom subsidy [24 CFR 982.402(b)(8)].

The family must request any exception to the subsidy standards in writing. The request must explain the need or justification for a larger family unit size, and must include appropriate documentation. Requests based on health-related reasons must be verified by a knowledgeable professional source (e.g., doctor or health professional), unless the disability and the disability-related request for accommodation is readily apparent or otherwise known. The family's continued need for an additional bedroom due to special medical equipment may be required to be re-verified annually at the annual reexamination depending on whether the verification designates the duration of medical need as permanent or temporary. HACCC will notify the family of its determination within 15 calendar days of receiving the family's request or within 15 calendar days after receipt of verification by a knowledgeable professional source if the request is based on health-related reasons. If a participant family's request is denied, the notice will inform the family of their right to request an informal hearing.

#### **5-II.D. VOUCHER ISSUANCE [24 CFR 982.302]**

When a family is selected from the waiting list (or as a special admission as described in Chapter 4), or when a participant family wants to move to another unit, HACCC issues a Housing Choice Voucher, form HUD-52646. This chapter deals only with voucher issuance for applicants. For voucher issuance associated with moves of program participants, please refer to Chapter 10.

The voucher is the family's authorization to search for housing. It specifies the unit size for which the family qualifies, and includes both the date of voucher issuance and date of expiration. It contains a brief description of how the program works and explains the family obligations under the program. The voucher is evidence that HACCC has determined the family to be eligible for the program, and that HACCC expects to have money available to subsidize the family if the family finds an approvable unit. However, HACCC does not have any liability to any party by the issuance of the voucher, and the voucher does not give the family any right to participate in HACCC's housing choice voucher program [Voucher, form HUD-52646]

A voucher can be issued to an applicant family only after HACCC has determined that the family is eligible for the program based on verification of information received within the 60 days prior to issuance [24 CFR 982.201(e)] and after the family has attended an oral briefing [HCV 8-1].

#### HACCC Policy

Vouchers will be issued to eligible applicants immediately following the mandatory briefing.

HACCC should have sufficient funds to house an applicant before issuing a voucher. If funds are insufficient to house the family at the top of the waiting list, HACCC must wait until it has adequate funds before it calls another family from the list [HCV GB p. 8-10].

#### HACCC Policy

Prior to issuing any vouchers, HACCC will determine whether it has sufficient funding in accordance with the policies in Part VIII of Chapter 16.

If HACCC determines that there is insufficient funding after a voucher has been issued, HACCC may rescind the voucher and place the affected family back on the waiting list.

### **5-II.E. VOUCHER TERM AND EXTENSIONS**

#### **Voucher Term [24 CFR 982.303]**

[24 CFR 982.303(a)].

#### HACCC Policy

For all new Housing Choice Voucher Program participants, the initial voucher term will be 90 calendar days. For families wishing to transfer to another unit or who have a change in household size, the voucher term will be 120 calendar days. For families exercising their right of Portability, the Voucher term will be the lesser of the remaining full term of the search period or 120 calendar days. This date may vary based on when the last/current tenancy was terminated.

The family must submit a Request for Tenancy Approval and proposed lease within the voucher period unless HACCC grants an extension.

#### **Extensions of Voucher Term [24 CFR 982.303(b)]**

HACCC has the authority to grant extensions of search time, to specify the length of an extension, and to determine the circumstances under which extensions will be granted. There is no limit on the number of extensions that HACCC can approve. Discretionary policies related to extension and expiration of search time must be described in HACCC's administrative plan [24 CFR 982.54].

PHAs must approve additional search time if needed as a reasonable accommodation to make the program accessible to and usable by a person with disabilities. The extension period must be reasonable for the purpose.

The family must be notified in writing of HACCC's decision to approve or deny an extension. HACCC's decision to deny a request for an extension of the voucher term is not subject to informal review [24 CFR 982.554(c)(4)].

#### HACCC Policy

HACCC will approve extensions to the voucher term only in the following circumstances:

- If an applicant or participant needs and requests an extension of the voucher term as a reasonable accommodation to make the program accessible to and usable by a family member with disabilities, HACCC will extend the voucher term up to the term reasonably required for that purpose.
- If HACCC determines that an applicant or participant needs additional search time beyond the initial term due to reasons beyond the family's control, as determined by HACCC.

Following is a list of extenuating circumstances that HACCC may consider in making its decision. The presence of these circumstances does not guarantee that an extension will be granted:

    Serious illness or death in the family

    Other family emergency

    Obstacles due to employment

    Whether the family has already submitted requests for tenancy approval that were not approved by HACCC

    Whether family size or other special circumstances make it difficult to find a suitable unit

Any request for an additional extension must include the reason(s) an additional extension is necessary. HACCC may require the family to provide documentation to support the request or obtain verification from a qualified third party.

If HACCC determines that the rental market in its jurisdiction is prohibiting voucher holders from finding units, HACCC may decide to allow extensions beyond the 120 day period. The decision to allow additional extensions beyond 120 days must be approved by the Director or Assisted Housing Programs. The family must demonstrate that its due diligence in trying to locate a unit was met by providing HACCC a listing of all units looked at and all contacts with landlords made. HACCC must also be able to document that the market has higher rents than voucher holders can afford or there are a shortage of rental units available.

All requests for extensions to the voucher term must be made in writing and submitted to HACCC prior to the expiration date of the voucher (or extended term of the voucher).

HACCC will decide whether to approve or deny an extension request within 14 calendar days of the date the request is received, and will immediately provide the family written notice of its decision. HACCC's decision to deny a request for an extension of the voucher term is not subject to an informal review [24 CFR 982.554(C)(4)].

The Authority may require additional conditions as part of any extension, such as weekly reporting or insisting that voucher holders receiving an extension work closely with HACCC staff in their search.

## **Suspensions of Voucher Term [24 CFR 982.303(c)]**

The PHA must provide for suspension of the initial or any extended term of the voucher from the date the family submits a request for PHA approval of the tenancy until the date the PHA notifies the family in writing whether the request has been approved or denied

## **Expiration of Voucher Term**

Once an applicant family's housing choice voucher term (including any extensions) expires, the family is no longer eligible to search for housing under the program. If the family is currently an applicant to the program and still wishes to receive assistance, HACCC may require that the family reapply the next time the waiting list is open, or may place the family on the waiting list with a new application date but without requiring reapplication. Such a family does not become ineligible for the program on the grounds that it was unable to locate a unit before the voucher expired [HCV GB p. 8-13].

### HACCC Policy

#### **Expiration of Applicant Vouchers:**

If an applicant family's voucher term or extension expires before the family has submitted a Request for Tenancy Approval (RTA), HACCC will require the family to reapply for assistance the next time the waiting list is open.

If an RTA that was submitted prior to the expiration date of the voucher is subsequently disapproved by HACCC (after the voucher term has expired), the family's voucher will be "tolled" and the number of processing days shall be added to the voucher. The tenant shall be given another RTA to search for another unit for only the days remaining on the voucher after it is tolled. This is not an extension but merely holding the tenant harmless from any processing time.

Within 14 calendar days after the expiration of the voucher term or any extension, HACCC will notify the family in writing that the voucher term has expired and that the family must reapply in order to be placed on the waiting list.

#### **Expiration of Participant Vouchers;**

If a participating family's voucher term or extension expires before the family has submitted a Request for Tenancy Approval (RTA) the family may remain in its current unit with continued voucher assistance if the owner agrees and the PHA approves. If the family has moved out of the unit and the voucher term or extension expires before the family has submitted an RTA then the family will lose its assistance and will be required to reapply for assistance the next time the waiting list is open.

If an RTA that was submitted prior to the expiration date of the voucher is subsequently disapproved by HACCC (after the voucher term has expired), the family's voucher will be "tolled" and the number of processing days shall be added to the voucher. The tenant shall be given another RTA to search for another unit for only the days remaining on the

voucher after it is tolled. This is not an extension but merely holding the tenant harmless from any processing time.

Within 14 calendar days after the expiration of the voucher term or any extension, HACCC will notify the family in writing that the voucher term has expired and if the family is not currently living in an HCV assisted unit, that the family must reapply in order to be placed on the waiting list.

## CHAPTER 6

### INCOME AND SUBSIDY DETERMINATIONS

[24 CFR Part 5, Subparts E and F; 24 CFR 982]

#### INTRODUCTION

A family's income determines eligibility for assistance and is also used to calculate the family's payment and HACCC's subsidy. HACCC will use the policies and methods described in this chapter to ensure that only eligible families receive assistance and that no family pays more or less than its obligation under the regulations. This chapter describes HUD regulations and PHA policies related to these topics in three parts as follows:

- Part I: Annual Income. HUD regulations specify the sources of income to include and exclude to arrive at a family's annual income. These requirements and PHA policies for calculating annual income are found in Part I.
- Part II: Adjusted Income. Once annual income has been established HUD regulations require HACCC to subtract from annual income any of five mandatory deductions for which a family qualifies. These requirements and PHA policies for calculating adjusted income are found in Part II.
- Part III: Calculating Family Share and PHA Subsidy. This part describes the statutory formula for calculating total tenant payment (TTP), the use of utility allowances, and the methodology for determining PHA subsidy and required family payment.

## **PART I: ANNUAL INCOME**

### **6-I.A. OVERVIEW**

The general regulatory definition of *annual income* shown below is from 24 CFR 5.609.

#### 5.609 Annual income.

(a) Annual income means all amounts, monetary or not, which:

(1) Go to, or on behalf of, the family head or spouse (even if temporarily absent) or to any other family member; or

(2) Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and

(3) Which are not specifically excluded in paragraph [5.609(c)].

(4) Annual income also means amounts derived (during the 12-month period) from assets to which any member of the family has access.

In addition to this general definition, HUD regulations establish policies for treating specific types of income and assets. The full texts of those portions of the regulations are provided in exhibits at the end of this chapter as follows:

- Annual Income Inclusions (Exhibit 6-1)
- Annual Income Exclusions (Exhibit 6-2)
- Treatment of Family Assets (Exhibit 6-3)
- Earned Income Disallowance for Persons with Disabilities (Exhibit 6-4)
- The Effect of Welfare Benefit Reduction (Exhibit 6-5)

Sections 6-I.B and 6-I.C discuss general requirements and methods for calculating annual income. The rest of this section describes how each source of income is treated for the purposes of determining annual income. HUD regulations present income inclusions and exclusions separately [24 CFR 5.609(b) and 24 CFR 5.609(c)]. In this plan, however, the discussions of income inclusions and exclusions are integrated by topic (e.g., all policies affecting earned income are discussed together in section 6-I.D). Verification requirements for annual income are discussed in Chapter 7.

## 6-I.B. HOUSEHOLD COMPOSITION AND INCOME

Income received by all family members must be counted unless specifically excluded by the regulations. It is the responsibility of the head of household to report changes in family composition. The rules on which sources of income are counted vary somewhat by family member. The chart below summarizes how family composition affects income determinations.

<b>Summary of Income Included and Excluded by Person</b>	
Live-in aides	Income from all sources is excluded [24 CFR 5.609(c)(5)].
Foster child or foster adult	Income from all sources is excluded [24 CFR 5.609(c)(2)].
Head, spouse, or cohead Other adult family members	All sources of income not specifically excluded by the regulations are included.
Children under 18 years of age	Employment income is excluded [24 CFR 5.609(c)(1)].  All other sources of income, except those specifically excluded by the regulations, are included.
Full-time students 18 years of age or older (not head, spouse, or cohead)	Employment income above \$480/year is excluded [24 CFR 5.609(c)(11)].  All other sources of income, except those specifically excluded by the regulations, are included.

### **Temporarily Absent Family Members**

The income of family members approved to live in the unit will be counted, even if the family member is temporarily absent from the unit [HCV GB, p. 5-18].

#### HACCC Policy

An individual who is or is expected to be absent from the assisted unit for 90 consecutive days or less is considered temporarily absent and continues to be considered a family member. An individual who is or is expected to be absent from the assisted unit for more than 90 consecutive days is considered permanently absent and no longer a family member. Exceptions to this general policy are discussed below.

#### ***Absent Students***

#### HACCC Policy

When someone who has been considered a family member attends school away from home, the person will continue to be considered a family member unless information

becomes available to HACCC indicating that the student has established a separate household or the family declares that the student has established a separate household.

### ***Absences Due to Placement in Foster Care***

Children temporarily absent from the home as a result of placement in foster care are considered members of the family [24 CFR 5.403].

#### HACCC Policy

If a child has been placed in foster care, HACCC will verify with the appropriate agency whether and when the child is expected to be returned to the home. Unless the agency confirms that the child has been permanently removed from the home, the child will be counted as a family member.

### ***Absent Head, Spouse, or Cohead***

#### HACCC Policy

An employed head of household, spouse, or cohead absent from the unit more than 180 consecutive days due to employment will continue to be considered a family member. The employment assignment must be of a temporary nature such as military service or a construction assignment out of the area. Per HUD regulations, if the head of household is the only member of the family, then the head may not be absent more than 180 days without the HAP contract terminating.

### **Family Members Permanently Confined for Medical Reasons**

If a family member is confined to a nursing home or hospital on a permanent basis, that person is no longer considered a family member and the income of that person is not counted [HCV GB, p. 5-22].

#### HACCC Policy

HACCC will require the family to obtain verification from a responsible professional at the facility or a medical professional involved in the family member's care and will use this determination of permanent or temporary residency in the facility. If a determination cannot be made with respect to permanent residency in the facility, the person generally will be considered temporarily absent. HACCC will require the family to obtain monthly status from the facility or medical professional every 30 days until a final determination regarding permanent residency is made. The family may present evidence that the family member is a permanent resident at the facility and request that the person not be considered a family member.

When an individual who has been counted as a family member is determined permanently absent, the family is eligible for the medical expense deduction only if the remaining head, spouse, or cohead qualifies as an elderly person or a person with disabilities.

## **Joint Custody of Dependents**

### HACCC Policy

Dependents that are subject to a joint custody arrangement will be considered a member of the family, if they live with the applicant or participant family 51 percent or more of the time (183 cumulative days during the calendar year).

When more than one applicant or participant family is claiming the same dependent(s) as family members, the family with primary custody at the time of the initial examination or reexamination will be able to claim the dependent(s). If there is a dispute about which family should claim them, HACCC will make the determination based on available documents such as court orders, or an IRS return showing which family has claimed the child for income tax purposes.

## **Caretakers for a Child**

### HACCC Policy

The approval of a caretaker is at the owner and PHA's discretion and subject to the owner and PHA's screening criteria. If neither a parent nor a designated guardian remains in a household receiving HCV assistance, HACCC will take the following actions:

- (1) If a responsible agency has determined that another adult is to be brought into the assisted unit to care for a child for an indefinite period, the designated caretaker will not be considered a family member until a determination of custody or legal guardianship is made.
- (2) If a caretaker has assumed responsibility for a child without the involvement of a responsible agency or formal assignment of custody or legal guardianship, the caretaker will be treated as a visitor for 90 days. After the 90 days has elapsed, the caretaker will be considered a family member unless information is provided that would confirm that the caretaker's role is temporary. In such cases HACCC will extend the caretaker's status as an eligible visitor.
- (3) At any time that custody or guardianship legally has been awarded to a caretaker, the housing choice voucher will be transferred to the caretaker.
- (4) During any period that a caretaker is considered a visitor, the income of the caretaker is not counted in annual income and the caretaker does not qualify the family for any deductions from income.
- (5) All caretakers will be subject to the Authority's non-income background checks. HACCC will not approve a particular person as a caretaker, and may withdraw such approval if:
  - The person commits fraud, bribery or any other corrupt or criminal act in connection with any federal housing program;
  - The person commits drug-related criminal activity or violent criminal activity; or

- The person currently owes rent or other amounts to HACCC or to another Housing Authority in connection with Section 8 or public housing assistance under the 1937 Act.

(6) In the event of a family breakup, HACCC may use its discretion to determine which family members will continue to receive assistance according to Chapter 3.I.C. [24 CFR 982.315]

## **6-I.C. ANTICIPATING ANNUAL INCOME**

HACCC is required to count all income “anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date” [24 CFR 5.609(a)(2)]. Policies related to anticipating annual income are provided below.

### **Basis of Annual Income Projection**

HACCC generally will use current circumstances to determine anticipated income for the coming 12-month period. HUD authorizes HACCC to use other than current circumstances to anticipate income when:

- An imminent change in circumstances is expected [HCV GB, p. 5-17]
- It is not feasible to anticipate a level of income over a 12-month period (e.g., seasonal or cyclic income) [24 CFR 5.609(d)]

HACCC believes that past income is the best available indicator of expected future income [24 CFR 5.609(d)] PHAs are required to use HUD’s Enterprise Income Verification (EIV) system in its entirety as a third party source to verify employment and income information, and to reduce administrative subsidy payment errors in accordance with HUD administrative guidance [24 CFR 5.233(a)(2)]. HUD allows PHAs to use tenant-provided documents (pay stubs) to project income once EIV data has been received in such cases where the family does not dispute the EIV employer data and where HACCC does not determine it is necessary to obtain additional third-party data.

### HACCC Policy

When EIV is obtained and the family does not dispute the EIV employer data, HACCC will use current tenant-provided documents to project annual income. When the tenant-provided documents are pay stubs, HACCC will make every effort to obtain a minimum of two current and consecutive pay stubs dated within the last 60 days.

If additional pay stubs are submitted, HACCC will utilize up to four consecutive paystubs provided to calculate anticipated income for the next annual recertification. Where a participant or applicant has recently commenced employment, HACCC will utilize however many pay stubs have been received to date and attempt to supplement them with written verification from the employer.

Where an employer fails to respond to a request for verification of wages, HACCC shall utilize The Work Number to verify wages. The Work Number shall only be utilized when there is a lack of pay stubs and/or employment verification available to HACCC.

HACCC will obtain written and/or oral third-party verification in accordance with the verification requirements and policy in Chapter 7 in the following cases:

If EIV or other UIV data is not available,

If the family disputes the accuracy of the EIV employer data, and/or

If HACCC determines additional information is needed.

In such cases, HACCC will review and analyze current data to anticipate annual income. In all cases, the family file will be documented with a clear record of the reason for the decision, and a clear audit trail will be left as to how HACCC annualized projected income.

When HACCC cannot readily anticipate income based upon current circumstances (e.g., in the case of seasonal employment, unstable working hours, or suspected fraud), HACCC will review and analyze historical data for patterns of employment, paid benefits, and receipt of other income and use the results of this analysis to establish annual income.

Any time current circumstances are not used to project annual income, a clear rationale for the decision will be documented in the file. In all such cases the family may present information and documentation to HACCC to show why the historic pattern does not represent the family's anticipated income.

### ***Known Changes in Income***

If HACCC verifies an upcoming increase or decrease in income, annual income will be calculated by applying each income amount to the appropriate part of the 12-month period.

**Example:** An employer reports that a full-time employee who has been receiving \$8/hour will begin to receive \$8.25/hour in the eighth week after the effective date of the reexamination. In such a case HACCC would calculate annual income as follows:  $(\$8/\text{hour} \times 40 \text{ hours} \times 7 \text{ weeks}) + (\$8.25 \times 40 \text{ hours} \times 45 \text{ weeks})$ .

The family may present information that demonstrates that implementing a change before its effective date would create a hardship for the family. In such cases HACCC will calculate annual income using current circumstances and then require an interim reexamination when the change actually occurs. This requirement will be imposed even if HACCC's policy on reexaminations does not require interim reexaminations for other types of changes.

When tenant-provided third-party documents are used to anticipate annual income, they will be dated within the last 60 days of the reexamination interview date.

### **Projecting Income**

In HUD's EIV webcast of January 2008, HUD made clear that PHAs are not to use EIV quarterly wages to project annual income.

## **6-I.D. EARNED INCOME**

### **Types of Earned Income Included in Annual Income**

#### ***Wages and Related Compensation***

The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services is included in annual income [24 CFR 5.609(b)(1)].

#### **HACCC Policy**

For persons who regularly receive bonuses or commissions, HACCC will verify and then average amounts received for the two years preceding admission or reexamination. If only a one-year history is available, HACCC will use the prior year amounts. In either case the family may provide, and HACCC will consider, a credible justification for not using this history to anticipate future bonuses or commissions. If a new employee has not yet received any bonuses or commissions, HACCC will count only the amount estimated by the employer. The file will be documented appropriately.

#### ***Some Types of Military Pay***

All regular pay, special pay and allowances of a member of the Armed Forces are counted [24 CFR 5.609(b)(8)] except for the special pay to a family member serving in the Armed Forces who is exposed to hostile fire [24 CFR 5.609(c)(7)].

### **Types of Earned Income Not Counted in Annual Income**

#### ***Temporary, Nonrecurring, or Sporadic Income [24 CFR 5.609(c)(9)]***

This type of income (including gifts) is not included in annual income. Sporadic income includes temporary payments from the U.S. Census Bureau for employment lasting no longer than 180 days [Notice PIH 2009-19].

#### **HACCC Policy**

Sporadic income is income that is not received periodically and cannot be reliably predicted. For example, the income of an individual who works occasionally as a handyman would be considered sporadic if future work could not be anticipated and no historic, stable pattern of income existed.

#### ***Children's Earnings***

Employment income earned by children (including foster children) under the age of 18 years is not included in annual income [24 CFR 5.609(c)(1)]. (See Eligibility chapter for a definition of *foster children*.)

#### ***Certain Earned Income of Full-Time Students***

Earnings in excess of \$480 for each full-time student 18 years old or older (except for the head, spouse, or cohead) are not counted [24 CFR 5.609(c)(11)]. To be considered "full-time," a student must be considered "full-time" by an educational institution with a degree or certificate program [HCV GB, p. 5-29].

### ***Income of a Live-in Aide***

Income earned by a live-in aide, as defined in [24 CFR 5.403], is not included in annual income [24 CFR 5.609(c)(5)]. (See Eligibility chapter for a full discussion of live-in aides.)

### ***Income Earned under Certain Federal Programs***

Income from some federal programs is specifically excluded from consideration as income [24 CFR 5.609(c)(17)], including:

- Payments to volunteers under the Domestic Volunteer Services Act of 1973 (42 U.S.C. 5044(g), 5058)
- Awards under the federal work-study program (20 U.S.C. 1087 uu)
- Payments received from programs funded under Title V of the Older Americans Act of 1985 (42 U.S.C. 3056(f))
- Allowances, earnings, and payments to AmeriCorps participants under the National and Community Service Act of 1990 (42 U.S.C. 12637(d))
- Allowances, earnings, and payments to participants in programs funded under the Workforce Investment Act of 1998 (29 U.S.C. 2931)

### ***Resident Service Stipend***

Amounts received under a resident service stipend are not included in annual income. A resident service stipend is a modest amount (not to exceed \$200 per individual per month) received by a resident for performing a service for HACCC or owner, on a part-time basis, that enhances the quality of life in the development. Such services may include, but are not limited to, fire patrol, hall monitoring, lawn maintenance, resident initiatives coordination, and serving as a member of HACCC's governing board. No resident may receive more than one such stipend during the same period of time [24 CFR 5.600(c)(8)(iv)].

### ***State and Local Employment Training Programs***

Incremental earnings and benefits to any family member resulting from participation in qualifying state or local employment training programs (including training programs not affiliated with a local government) and training of a family member as resident management staff are excluded from annual income. Amounts excluded by this provision must be received under employment training programs with clearly defined goals and objectives and are excluded only for the period during which the family member participates in the training program [24 CFR 5.609(c)(8)(v)].

#### **HACCC Policy**

HACCC defines *training program* as “a learning process with goals and objectives, generally having a variety of components, and taking place in a series of sessions over a period to time. It is designed to lead to a higher level of proficiency, and it enhances the individual's ability to obtain employment. It may have performance standards to measure proficiency. Training may include, but is not limited to: (1) classroom training in a specific occupational skill, (2) on-the-job training with wages subsidized by the program, or (3) basic education” [expired Notice PIH 98-2, p. 3].

HACCC defines *incremental earnings and benefits* as the difference between: (1) the total amount of welfare assistance and earnings of a family member prior to enrollment in a training program, and (2) the total amount of welfare assistance and earnings of the family member after enrollment in the program [expired Notice PIH 98-2, pp. 3–4].

In calculating the incremental difference, HACCC will use as the pre-enrollment income the total annualized amount of the family member's welfare assistance and earnings reported on the family's most recently completed HUD-50058.

End of participation in a training program must be reported in accordance with HACCC's interim reporting requirements.

### ***HUD-Funded Training Programs***

Amounts received under training programs funded in whole or in part by HUD [24 CFR 5.609(c)(8)(i)] are excluded from annual income. Eligible sources of funding for the training include operating subsidy, Section 8 administrative fees, and modernization, Community Development Block Grant (CDBG), HOME program, and other grant funds received from HUD.

#### HACCC Policy

To qualify as a training program, the program must meet the definition of *training program* provided above for state and local employment training programs.

### ***Earned Income Tax Credit***

Earned income tax credit (EITC) refund payments received on or after January 1, 1991 (26 U.S.C. 32(j)), are excluded from annual income [24 CFR 5.609(c)(17)]. Although many families receive the EITC annually when they file taxes, an EITC can also be received throughout the year. The prorated share of the annual EITC is included in the employee's payroll check.

### ***Earned Income Disallowance***

The earned income disallowance for persons with disabilities is discussed in section 6-I.E below.

## **6-I.E. EARNED INCOME DISALLOWANCE FOR PERSONS WITH DISABILITIES [24 CFR 5.617; Streamlining Final Rule (SFR) Federal Register 3/8/16]**

The earned income disallowance (EID) encourages people with disabilities to enter the work force by not including the full value of increases in earned income for a period of time. The full text of 24 CFR 5.617 is included as Exhibit 6-4 at the end of this chapter. Eligibility criteria and limitations on the disallowance are summarized below.

### **Eligibility**

This disallowance applies only to individuals in families already participating in the HCV program (not at initial examination). To qualify, the family must experience an increase in annual income that is the result of one of the following events:

- Employment of a family member who is a person with disabilities and who was previously unemployed for one or more years prior to employment. *Previously unemployed* includes a person who annually has earned not more than the minimum wage applicable to the

community multiplied by 500 hours. The applicable minimum wage is the federal minimum wage unless there is a higher state or local minimum wage.

- Increased earnings by a family member who is a person with disabilities and whose earnings increase during participation in an economic self-sufficiency or job-training program. A self-sufficiency program includes a program designed to encourage, assist, train, or facilitate the economic independence of HUD-assisted families or to provide work to such families [24 CFR 5.603(b)].
- New employment or increased earnings by a family member who is a person with disabilities and who has received benefits or services under Temporary Assistance for Needy Families (TANF) or any other state program funded under Part A of Title IV of the Social Security Act within the past six months. If the benefits are received in the form of monthly maintenance, there is no minimum amount. If the benefits or services are received in a form other than monthly maintenance, such as one-time payments, wage subsidies, or transportation assistance, the total amount received over the six-month period must be at least \$500.

### **Calculation of the Disallowance**

Calculation of the earned income disallowance for an eligible member of a qualified family begins with a comparison of the member's current income with his or her "baseline income." The family member's baseline income is his or her income immediately prior to qualifying for the EID. The family member's baseline income remains constant throughout the period that he or she is participating in the EID.

While qualification for the disallowance is the same for all families, calculation of the disallowance will differ depending on when the family member qualified for the EID. Participants qualifying prior to May 9, 2016, will have the disallowance calculated under the "Original Calculation Method" described below which requires a maximum lifetime disallowance period of up to 48 consecutive months. Participants qualifying on or after May 9, 2016, will be subject to the "Revised Calculation Method" Which shortens the lifetime disallowance period to 24 consecutive months.

Under both the original and new methods, the EID eligibility criteria, the benefit amount, the single lifetime eligibility requirement and the ability of the applicable family member to stop and restart employment during the eligibility period are the same.

### **Original Calculation Method**

#### ***Initial 12-Month Exclusion***

During the initial 12-month exclusion period, the full amount (100 percent) of any increase in income attributable to new employment or increased earnings is excluded. The 12 months are cumulative and need not be consecutive.

#### HACCC Policy

The initial EID exclusion period will begin on the first of the month following the date an eligible member of a qualified family is first employed or first experiences an increase in earnings.

### ***Second 12-Month Exclusion and Phase-In***

During the second 12-month exclusion period, the exclusion is reduced to half (50 percent) of any increase in income attributable to employment or increased earnings. The 12 months are cumulative and need not be consecutive.

### ***Lifetime Limitation***

The EID has a four-year (48-month) lifetime maximum. The four-year eligibility period begins at the same time that the initial exclusion period begins and ends 48 months later. The one-time eligibility for the EID applies even if the eligible individual begins to receive assistance from another housing agency, if the individual moves between public housing and Section 8 assistance, or if there are breaks in assistance.

#### HACCC Policy

During the 48-month eligibility period, HACCC will schedule and conduct an interim reexamination each time there is a change in the family member's annual income that affects or is affected by the EID (e.g., when the family member's income falls to a level at or below his/her prequalifying income, when one of the exclusion periods ends, and at the end of the lifetime maximum eligibility period).

### **Revised Calculation Method**

#### ***Initial 12-Month Exclusion***

During the initial exclusion period of 12 consecutive months, the full amount (100 percent) of any increase in income attributable to new employment or increased earnings is excluded.

#### HACCC Policy

The initial EID exclusion period will begin on the first of the month following the date an eligible member of a qualified family is first employed or first experiences an increase in earnings.

#### ***Second 12-Month Exclusion***

During the second exclusion period of 12 consecutive months, the PHA must exclude at least 50 percent of any increase in income attributable to employment or increased earnings.

#### HACCC Policy

During the second 12-month exclusion period, the PHA will exclude 50 percent of any increase in income attributable to new employment or increased earnings.

### ***Lifetime Limitation***

The EID has a two-year (24-month) lifetime maximum. The two-year eligibility period begins at the same time that the initial exclusion period begins and ends 24 months later. During the 24-month period, an individual remains eligible for EID even if they begin to receive assistance from a different housing agency, move between public housing and Section 8 assistance, or have breaks in assistance.

## **6-I.F. BUSINESS INCOME [24 CFR 5.609(b)(2)]**

Annual income includes “the net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested in the operation by the family” [24 CFR 5.609(b)(2)].

### **Business Expenses**

Net income is “gross income less business expense” [HCV GB, p. 5-19].

#### HACCC Policy

To determine business expenses that may be deducted from gross income, HACCC will use current applicable Internal Revenue Service (IRS) rules for determining allowable business expenses [see IRS Publication 535], unless a topic is addressed by HUD regulations or guidance as described below.

### **Business Expansion**

HUD regulations do not permit HACCC to deduct from gross income expenses for business expansion.

#### HACCC Policy

*Business expansion* is defined as any capital expenditures made to add new business activities, to expand current facilities, or to operate the business in additional locations. For example, purchase of a street sweeper by a construction business for the purpose of adding street cleaning to the services offered by the business would be considered a business expansion. Similarly, the purchase of a property by a hair care business to open at a second location would be considered a business expansion.

### **Capital Indebtedness**

HUD regulations do not permit HACCC to deduct from gross income the amortization of capital indebtedness.

#### HACCC Policy

*Capital indebtedness* is defined as the principal portion of the payment on a capital asset such as land, buildings, and machinery. This means HACCC will allow as a business expense interest, but not principal, paid on capital indebtedness.

### **Negative Business Income**

If the net income from a business is negative, no business income will be included in annual income; a negative amount will not be used to offset other family income.

### **Withdrawal of Cash or Assets from a Business**

HUD regulations require HACCC to include in annual income the withdrawal of cash or assets from the operation of a business or profession unless the withdrawal reimburses a family member for cash or assets invested in the business by the family.

#### HACCC Policy

Acceptable investments in a business include cash loans and contributions of assets or equipment. For example, if a member of an assisted family provided an up-front loan of \$2,000 to help a business get started, HACCC will not count as income any withdrawals from the business up to the amount of this loan until the loan has been repaid. Investments do not include the value of labor contributed to the business without compensation.

### **Co-owned Businesses**

#### HACCC Policy

If a business is co-owned with someone outside the family, the family must document the share of the business it owns. If the family's share of the income is lower than its share of ownership, the family must document the reasons for the difference.

## **6-I.G. ASSETS [24 CFR 5.609(b)(3); 24 CFR 5.603(b)]**

### **Overview**

There is no asset limitation for participation in the HCV program. However, HUD requires that HACCC include in annual income the anticipated "interest, dividends, and other net income of any kind from real or personal property" [24 CFR 5.609(b)(3)]. This section discusses how the income from various types of assets is determined. For most types of assets, HACCC must determine the value of the asset in order to compute income from the asset. Therefore, for each asset type, this section discusses:

- How the value of the asset will be determined
- How income from the asset will be calculated

Exhibit 6-1 provides the regulatory requirements for calculating income from assets [24 CFR 5.609(b)(3)], and Exhibit 6-3 provides the regulatory definition of *net family assets*. This section begins with a discussion of general policies related to assets and then provides HUD rules and PHA policies related to each type of asset.

Optional policies for family self-certification of assets are found in Chapter 7.

### **General Policies**

#### ***Income from Assets***

HACCC generally will use current circumstances to determine both the value of an asset and the anticipated income from the asset. As is true for all sources of income, HUD authorizes HACCC to use other than current circumstances to anticipate income when (1) an imminent change in circumstances is expected (2) it is not feasible to anticipate a level of income over 12 months or (3) HACCC believes that past income is the best indicator of anticipated income. For example, if a family member owns real property that typically receives rental income but the property is

currently vacant, HACCC can take into consideration past rental income along with the prospects of obtaining a new tenant.

#### HACCC Policy

Anytime current circumstances are not used to determine asset income, a clear rationale for the decision will be documented in the file. In such cases the family may present information and documentation to HACCC to show why the asset income determination does not represent the family's anticipated asset income.

#### ***Valuing Assets***

The calculation of asset income sometimes requires HACCC to make a distinction between an asset's market value and its cash value.

- The market value of an asset is its worth in the market (e.g., the amount a buyer would pay for real estate or the total value of an investment account).
- The cash value of an asset is its market value less all reasonable amounts that would be incurred when converting the asset to cash.

#### HACCC Policy

Reasonable costs that would be incurred when disposing of an asset include, but are not limited to, penalties for premature withdrawal, broker and legal fees, and settlement costs incurred in real estate transactions [HCV GB, p. 5-28].

#### ***Lump-Sum Receipts***

Payments that are received in a single lump sum, such as inheritances, capital gains, lottery winnings, insurance settlements, and proceeds from the sale of property, are generally considered assets, not income. However, such lump-sum receipts are counted as assets only if they are retained by a family in a form recognizable as an asset (e.g., deposited in a savings or checking account) [RHIP FAQs]. (For a discussion of lump-sum payments that represent the delayed start of a periodic payment, most of which are counted as income, see sections 6-I.H and 6-I.I.)

#### ***Imputing Income from Assets [24 CFR 5.609(b)(3), Notice PIH 2012-29]***

When net family assets are \$5,000 or less, HACCC will include in annual income the actual income anticipated to be derived from the assets. When the family has net family assets in excess of \$5,000, HACCC will include in annual income the greater of (1) the actual income derived from the assets or (2) the imputed income. Imputed income from assets is calculated by multiplying the total cash value of all family assets by an average passbook savings rate as determined by HACCC.

- Note: The HUD field office no longer provides an interest rate for imputed asset income. The "safe harbor" is now for HACCC to establish a passbook rate within 0.75 percent of a national average.
- HACCC must review its passbook rate annually to ensure that it remains within 0.75 percent of the national average.

### HACCC Policy

HACCC will initially set the imputed asset passbook rate at the national rate established by the Federal Deposit Insurance Corporation (FDIC).

HACCC will review the passbook rate annually, in February of each year. The rate will not be adjusted unless the current PHA rate is no longer within 0.75 percent of the national rate. If it is no longer within 0.75 percent of the national rate, the passbook rate will be set at the current national rate.

Changes to the passbook rate will take effect on April 1 following the February review.

### ***Determining Actual Anticipated Income from Assets***

It may or may not be necessary for HACCC to use the value of an asset to compute the actual anticipated income from the asset. When the value is required to compute the anticipated income from an asset, the market value of the asset is used. For example, if the asset is a property for which a family receives rental income, the anticipated income is determined by annualizing the actual monthly rental amount received for the property; it is not based on the property's market value. However, if the asset is a savings account, the anticipated income is determined by multiplying the market value of the account by the interest rate on the account.

### ***Withdrawal of Cash or Liquidation of Investments***

Any withdrawal of cash or assets from an investment will be included in income except to the extent that the withdrawal reimburses amounts invested by the family. For example, when a family member retires, the amount received by the family from a retirement investment plan is not counted as income until the family has received payments equal to the amount the family member deposited into the retirement investment plan.

### ***Jointly Owned Assets***

The regulation at 24 CFR 5.609(a)(4) specifies that annual income includes "amounts derived (during the 12-month period) from assets to which any member of the family has access."

### HACCC Policy

If an asset is owned by more than one person and any family member has unrestricted access to the asset, HACCC will count the full value of the asset. A family member has unrestricted access to an asset when he or she can legally dispose of the asset without the consent of any of the other owners.

If an asset is owned by more than one person, including a family member, but the family member does not have unrestricted access to the asset, HACCC will prorate the asset according to the percentage of ownership. If no percentage is specified or provided for by state or local law, HACCC will prorate the asset evenly among all owners.

### ***Assets Disposed Of for Less than Fair Market Value [24 CFR 5.603(b)]***

HUD regulations require HACCC to count as a current asset any business or family asset that was disposed of for less than fair market value during the two years prior to the effective date of the examination/reexamination, except as noted below.

### ***Minimum Threshold***

The *HCV Guidebook* permits HACCC to set a threshold below which assets disposed of for less than fair market value will not be counted [HCV GB, p. 5-27].

#### **HACCC Policy**

HACCC will not include the value of assets disposed of for less than fair market value unless the cumulative fair market value of all assets disposed of during the past two years exceeds the gross amount received for the assets by more than \$1,000.

When the two-year period expires, the income assigned to the disposed asset(s) also expires. If the two-year period ends between annual recertifications, the family may request an interim recertification to eliminate consideration of the asset(s).

Assets placed by the family in non-revocable trusts are considered assets disposed of for less than fair market value except when the assets placed in trust were received through settlements or judgments.

### ***Separation or Divorce***

The regulation also specifies that assets are not considered disposed of for less than fair market value if they are disposed of as part of a separation or divorce settlement and the applicant or tenant receives important consideration not measurable in dollar terms.

#### **HACCC Policy**

All assets disposed of as part of a separation or divorce settlement will be considered assets for which important consideration not measurable in monetary terms has been received. In order to qualify for this exemption, a family member must be subject to a formal separation or divorce settlement agreement established through arbitration, mediation, or court order.

### ***Foreclosure or Bankruptcy***

Assets are not considered disposed of for less than fair market value when the disposition is the result of a foreclosure or bankruptcy sale.

### ***Family Declaration***

#### **HACCC Policy**

Families must sign a declaration form at initial certification and each annual recertification identifying all assets that have been disposed of for less than fair market value or declaring that no assets have been disposed of for less than fair market value. HACCC may verify the value of the assets disposed of if other information available to HACCC does not appear to agree with the information reported by the family.

### **Types of Assets**

#### ***Checking and Savings Accounts***

For regular checking accounts and savings accounts, *cash value* has the same meaning as *market value*. If a checking account does not bear interest, the anticipated income from the account is zero.

#### HACCC Policy

In determining the value of a checking account, HACCC will use the current balance.

In determining the value of a savings account, HACCC will use the current balance.

In determining the anticipated income from an interest-bearing checking or savings account, HACCC will multiply the value of the account by the current rate of interest paid on the account.

#### ***Investment Accounts Such as Stocks, Bonds, Saving Certificates, and Money Market Funds***

Interest or dividends earned by investment accounts are counted as actual income from assets even when the earnings are reinvested. The cash value of such an asset is determined by deducting from the market value any broker fees, penalties for early withdrawal, or other costs of converting the asset to cash.

#### HACCC Policy

In determining the market value of an investment account, HACCC will use the value of the account on the most recent investment report.

How anticipated income from an investment account will be calculated depends on whether the rate of return is known. For assets that are held in an investment account with a known rate of return (e.g., savings certificates), asset income will be calculated based on that known rate (market value multiplied by rate of earnings). When the anticipated rate of return is not known (e.g., stocks), HACCC will calculate asset income based on the earnings for the most recent reporting period.

#### ***Equity in Real Property or Other Capital Investments***

Equity (cash value) in a property or other capital asset is the estimated current market value of the asset less the unpaid balance on all loans secured by the asset and reasonable costs (such as broker fees) that would be incurred in selling the asset [HCV GB, p. 5-25].

#### HACCC Policy

In determining the equity, HACCC will determine market value by examining recent sales of at least three properties in the surrounding or similar neighborhood that possess comparable factors that affect market value.

HACCC will first use the payoff amount for the loan (mortgage) as the unpaid balance to calculate equity. If the payoff amount is not available, HACCC will use the basic loan balance information to deduct from the market value in the equity calculation.

Equity in real property and other capital investments is considered in the calculation of asset income **except** for the following types of assets:

- Equity accounts in HUD homeownership programs [24 CFR5.603(b)]
- The value of a home currently being purchased with assistance under the HCV program Homeownership Option for the first 10 years after the purchase date of the home [24 CFR 5.603(b), Notice PIH 2012-3]
- Equity in owner-occupied cooperatives and manufactured homes in which the family lives [HCV GB, p. 5-25]
- Equity in real property when a family member's main occupation is real estate [HCV GB, p. 5-25]. This real estate is considered a business asset, and income related to this asset will be calculated as described in section 6-I.F.
- Interests in Indian Trust lands [24 CFR 5.603(b)]
- Real property and capital assets that are part of an active business or farming operation [HCV GB, p. 5-25]

HACCC must also deduct from the equity the reasonable costs for converting the asset to cash. Using the formula for calculating equity specified above, the net cash value of real property is the market value of the loan (mortgage) minus the expenses to convert to cash [Notice PIH 2012-3].

#### HACCC Policy

For the purposes of calculating expenses to convert to cash for real property, HACCC will use ten percent of the market value of the home.

A family may have real property as an asset in two ways: (1) owning the property itself and (2) holding a mortgage or deed of trust on the property. In the case of a property owned by a family member, the anticipated asset income generally will be in the form of rent or other payment for the use of the property. If the property generates no income, actual anticipated income from the asset will be zero.

In the case of a mortgage or deed of trust held by a family member, the outstanding balance (unpaid principal) is the cash value of the asset. The interest portion only of payments made to the family in accordance with the terms of the mortgage or deed of trust is counted as anticipated asset income.

#### HACCC Policy

In the case of capital investments owned jointly with others not living in a family's unit, a prorated share of the property's cash value will be counted as an asset unless HACCC determines that the family receives no income from the property and is unable to sell or otherwise convert the asset to cash.

### ***Trusts***

A *trust* is a legal arrangement generally regulated by state law in which one party (the creator or grantor) transfers property to a second party (the trustee) who holds the property for the benefit of one or more third parties (the beneficiaries).

#### *Revocable Trusts*

If any member of a family has the right to withdraw the funds in a trust, the value of the trust is considered an asset [HCV GB, p. 5-25]. Any income earned as a result of investment of trust funds is counted as actual asset income, whether the income is paid to the family or deposited in the trust.

#### *Non-revocable Trusts*

In cases where a trust is not revocable by, or under the control of, any member of a family, the value of the trust fund is not considered an asset. However, any income distributed to the family from such a trust is counted as a periodic payment or a lump-sum receipt, as appropriate [24 CFR 5.603(b)]. (Periodic payments are covered in section 6-I.H. Lump-sum receipts are discussed earlier in this section.)

#### **Retirement Accounts**

##### *Company Retirement/Pension Accounts*

In order to correctly include or exclude as an asset any amount held in a company retirement or pension account by an employed person, HACCC must know whether the money is accessible before retirement [HCV GB, p. 5-26].

While a family member is employed, only the amount the family member can withdraw without retiring or terminating employment is counted as an asset [HCV GB, p. 5-26].

After a family member retires or terminates employment, any amount distributed to the family member is counted as a periodic payment or a lump-sum receipt, as appropriate [HCV GB, p. 5-26], except to the extent that it represents funds invested in the account by the family member. (For more on periodic payments, see section 6-I.H.) The balance in the account is counted as an asset only if it remains accessible to the family member.

##### *IRA, Keogh, and Similar Retirement Savings Accounts*

IRA, Keogh, and similar retirement savings accounts are counted as assets even though early withdrawal would result in a penalty [HCV GB, p. 5-25].

#### **Personal Property**

Personal property held as an investment, such as gems, jewelry, coin collections, antique cars, etc., is considered an asset [HCV GB, p. 5-25].

##### HACCC Policy

In determining the value of personal property held as an investment, HACCC will use the family's estimate of the value. HACCC may obtain an appraisal if appropriate to confirm the value of the asset if there is reason to believe that the family's estimated value is off by \$50 or more. The family must cooperate with the appraiser, but cannot be charged any costs related to the appraisal.

Generally, personal property held as an investment generates no income until it is disposed of. If regular income is generated (e.g., income from renting the personal property), the amount that is expected to be earned in the coming year is counted as actual income from the asset.

Necessary items of personal property are not considered assets [24 CFR 5.603(b)].

#### HACCC Policy

Necessary personal property consists of only those items not held as an investment, and may include clothing, furniture, household furnishings, jewelry, and vehicles, including those specially equipped for persons with disabilities.

#### ***Life Insurance***

The cash value of a life insurance policy available to a family member before death, such as a whole life or universal life policy, is included in the calculation of the value of the family's assets [HCV GB 5-25]. The cash value is the surrender value. If such a policy earns dividends or interest that the family could elect to receive, the anticipated amount of dividends or interest is counted as income from the asset whether or not the family actually receives it.

### **6-I.H. PERIODIC PAYMENTS**

Periodic payments are forms of income received on a regular basis. HUD regulations specify periodic payments that are and are not included in annual income.

#### **Periodic Payments Included in Annual Income**

- Periodic payments from sources such as social security, unemployment and welfare assistance, annuities, insurance policies, retirement funds, and pensions. However, periodic payments from retirement accounts, annuities, and similar forms of investments are counted only after they exceed the amount contributed by the family [24 CFR 5.609(b)(4) and (b)(3)].
- Disability or death benefits and lottery receipts paid periodically, rather than in a single lump sum [24 CFR 5.609(b)(4) and HCV, p. 5-14].

#### **Lump-Sum Payments for the Delayed Start of a Periodic Payment**

Most lump-sums received as a result of delays in processing periodic payments, such as unemployment or welfare assistance, are counted as income. However, lump-sum receipts for the delayed start of periodic social security or supplemental security income (SSI) payments are not counted as income. Additionally, any deferred disability benefits that are received in a lump-sum or in prospective monthly amounts from the Department of Veterans Affairs are to be excluded from annual income [24 CFR 5.609(c)(14)].

#### HACCC Policy

When a delayed-start payment is received and reported during the period in which HACCC is processing an annual reexamination, HACCC will adjust the family share and PHA subsidy retroactively for the period the payment was intended to cover. The family may pay in full any amount due or request to enter into a repayment agreement with HACCC.

#### **Treatment of Overpayment Deductions from Social Security Benefits**

HACCC must make a special calculation of annual income when the Social Security Administration (SSA) overpays an individual, resulting in a withholding or deduction from his or her benefit amount until the overpayment is paid in full. The amount and duration of the

withholding will vary depending on the amount of the overpayment and the percent of the benefit rate withheld. Regardless of the amount withheld or the length of the withholding period, HACCC must use the reduced benefit amount after deducting only the amount of the overpayment withholding from the gross benefit amount [Notice PIH 2012-10].

### **Periodic Payments Excluded from Annual Income**

- Payments received for the care of foster children or foster adults (usually persons with disabilities, unrelated to the assisted family, who are unable to live alone) [24 CFR 5.609(c)(2)]. Kinship guardianship assistance payments (Kin-GAP) and other similar guardianship payments are treated the same as foster care payments and are likewise excluded from annual income [Notice PIH 2012-1].

#### HACCC Policy

HACCC will exclude payments for the care of foster children and foster adults only if the care is provided through an official arrangement with a local welfare agency [HCV GB, p. 5-18].

- Amounts paid by a state agency to a family with a member who has a developmental disability and is living at home to offset the cost of services and equipment needed to keep the developmentally disabled family member at home [24 CFR 5.609(c)(16)].
- Amounts received under the Low-Income Home Energy Assistance Program (42 U.S.C. 1626(c)) [24 CFR 5.609(c)(17)].
- Amounts received under the Child Care and Development Block Grant Act of 1990 (42 U.S.C. 9858q) [24 CFR 5.609(c)(17)].
- Earned Income Tax Credit (EITC) refund payments (26 U.S.C. 32(j)) [24 CFR 5.609(c)(17)]. *Note:* EITC may be paid periodically if the family elects to receive the amount due as part of payroll payments from an employer.
- Lump-sums received as a result of delays in processing Social Security and SSI payments (see section 6-I.H.) [24 CFR 5.609(c)(14)].
- Lump-sums or prospective monthly amounts received as deferred disability benefits from the Department of Veterans Affairs (VA) [24 CFR 5.609(c)(14)].

### **6-I.I. PAYMENTS IN LIEU OF EARNINGS**

Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation, and severance pay, are counted as income [24 CFR 5.609(b)(5)] if they are received either in the form of periodic payments or in the form of a lump-sum amount or prospective monthly amounts for the delayed start of a periodic payment. If they are received in a one-time lump sum (as a settlement, for instance), they are treated as lump-sum receipts [24 CFR 5.609(c)(3)]. (See also the discussion of periodic payments in section 6-I.H and the discussion of lump-sum receipts in section 6-I.G.)

## **6-I.J. WELFARE ASSISTANCE**

### **Overview**

Welfare assistance is counted in annual income. Welfare assistance includes Temporary Assistance for Needy Families (TANF) and any payments to individuals or families based on need that are made under programs funded separately or jointly by federal, state, or local governments [24 CFR 5.603(b)].

### **Sanctions Resulting in the Reduction of Welfare Benefits [24 CFR 5.615]**

HACCC must make a special calculation of annual income when the welfare agency imposes certain sanctions on certain families. The full text of the regulation at 24 CFR 5.615 is provided as Exhibit 6-5. The requirements are summarized below. This rule applies only if a family was receiving HCV assistance at the time the sanction was imposed.

#### ***Covered Families***

The families covered by 24 CFR 5.615 are those “who receive welfare assistance or other public assistance benefits (‘welfare benefits’) from a State or other public agency (‘welfare agency’) under a program for which Federal, State or local law requires that a member of the family must participate in an economic self-sufficiency program as a condition for such assistance” [24 CFR 5.615(b)]

#### ***Imputed Income***

When a welfare agency imposes a sanction that reduces a family’s welfare income because the family commits fraud or fails to comply with the agency’s economic self-sufficiency program or work activities requirement, HACCC must include in annual income “imputed” welfare income. HACCC must request that the welfare agency provide the reason for the reduction of benefits and the amount of the reduction of benefits. The imputed welfare income is the amount that the benefits were reduced as a result of the sanction.

This requirement does not apply to reductions in welfare benefits: (1) at the expiration of the lifetime or other time limit on the payment of welfare benefits, (2) if a family member is unable to find employment even though the family member has complied with the welfare agency economic self-sufficiency or work activities requirements, or (3) because a family member has not complied with other welfare agency requirements [24 CFR 5.615(b)(2)].

#### ***Offsets***

The amount of the imputed welfare income is offset by the amount of additional income the family begins to receive after the sanction is imposed. When the additional income equals or exceeds the imputed welfare income, the imputed income is reduced to zero [24 CFR 5.615(c)(4)].

## **6-I.K. PERIODIC AND DETERMINABLE ALLOWANCES [24 CFR 5.609(b)(7)]**

Annual income includes periodic and determinable allowances, such as alimony and child support payments, and regular contributions or gifts received from organizations or from persons not residing with an assisted family.

## **Alimony and Child Support**

HACCC must count alimony or child support amounts awarded as part of a divorce or separation agreement.

### HACCC Policy

HACCC will count court-awarded amounts for alimony and child support unless HACCC verifies that: (1) the payments are not being made, and (2) the family has made reasonable efforts to collect amounts due, including filing with courts or agencies responsible for enforcing payments [HCV GB, pp. 5-23 and 5-47].

Families who do not have court-awarded alimony and child support awards are not required to seek a court award and are not required to take independent legal action to obtain collection.

## **Regular Contributions or Gifts**

HACCC must count as income regular monetary and nonmonetary contributions or gifts from persons not residing with an assisted family [24 CFR 5.609(b)(7)]. Temporary, nonrecurring, or sporadic income and gifts are not counted [24 CFR 5.609(c)(9)].

### HACCC Policy

Examples of regular contributions include: (1) regular payment of a family's bills (e.g., utilities, telephone, rent, credit cards, and car payments), (2) cash or other liquid assets provided to any family member on a regular basis, and (3) "in-kind" contributions such as groceries and clothing provided to a family on a regular basis.

Nonmonetary contributions will be valued at the cost of purchasing the items, as determined by HACCC. For contributions that may vary from month to month (e.g., utility payments), HACCC will include an average amount based upon past history.

## **6-I.L. STUDENT FINANCIAL ASSISTANCE [24 CFR 5.609(b)(9); Notice PIH 2015-21]**

In 2005, Congress passed a law (for section 8 programs only) requiring that certain student financial assistance be included in annual income. Prior to that, the full amount of student financial assistance was excluded. For some students, the full exclusion still applies.

### **Student Financial Assistance Included in Annual Income [24 CFR 5.609(b)(9); FR 4/10/06; Notice PIH 2015-21]**

The regulation requiring the inclusion of certain student financial assistance applies only to students who satisfy all of the following conditions:

- They are enrolled in an institution of higher education, as defined under the Higher Education Act (HEA) of 1965.
- They are seeking or receiving Section 8 assistance on their own—that is, apart from their parents—through the HCV program, the project-based voucher program, or the moderate rehabilitation program.
- They are under 24 years of age **OR** they have no dependent children.

For students who satisfy these three conditions, any financial assistance in excess of tuition and any other required fees and charges received: (1) under the 1965 HEA, (2) from a private source, or (3) from an institution of higher education, as defined under the 1965 HEA, must be included in annual income.

To determine annual income in accordance with the above requirements, HACCC will use the definitions of *dependent child*, *institution of higher education*, and *parents* in section 3-II.E, along with the following definitions [FR 4/10/06, pp. 18148-18150]:

- *Assistance under the Higher Education Act of 1965* includes Pell Grants, Federal Supplement Educational Opportunity Grants, Academic Achievement Incentive Scholarships, State Assistance under the Leveraging Educational Assistance Partnership Program, the Robert G. Byrd Honors Scholarship Program, and Federal Work Study programs.
- *Assistance from private sources* means assistance from nongovernmental sources, including parents, guardians, and other persons not residing with the student in an HCV assisted unit.
- *Tuition and fees* are defined in the same manner in which the Department of Education defines *tuition and fees* [Notice PIH 2015-21].
  - This is the amount of tuition and required fees covering a full academic year most frequently charged to students.
  - The amount represents what a typical student would be charged and may not be the same for all students at an institution.
  - If tuition is charged on a per-credit-hour basis, the average full-time credit hour load for an academic year is used to estimate average tuition.
  - Required fees include all fixed-sum charges that are required of a large proportion of all students. Examples include, but are not limited to, writing and science lab fees and fees specific to the student's major or program (i.e., nursing program).
  - Expenses related to attending an institution of higher education must **not** be included as tuition. Examples include, but are not limited to, room and board, books, supplies, meal plans, transportation and parking, student health insurance plans, and other non-fixed-sum charges.

#### **Student Financial Assistance Excluded from Annual Income [24 CFR 5.609(c)(6)]**

Any student financial assistance not subject to inclusion under 24 CFR 5.609(b)(9) is fully excluded from annual income under 24 CFR 5.609(c)(6), whether it is paid directly to the student or to the educational institution the student is attending. This includes any financial assistance received by:

- Students residing with parents who are seeking or receiving Section 8 assistance
- Students who are enrolled in an educational institution that does **not** meet the 1965 HEA definition of *institution of higher education*
- Students who are over 23 **AND** have at least one dependent child, as defined in section 3-II.E

- Students who are receiving financial assistance through a governmental program not authorized under the 1965 HEA.

### **6-I.M. ADDITIONAL EXCLUSIONS FROM ANNUAL INCOME**

Other exclusions contained in 24 CFR 5.609(c) that have not been discussed earlier in this chapter include the following:

- Reimbursement of medical expenses [24 CFR 5.609(c)(4)]
- Amounts received by participants in other publicly assisted programs which are specifically for or in reimbursement of out-of-pocket expenses incurred and which are made solely to allow participation in a specific program [24 CFR 5.609(c)(8)(iii)]
- Amounts received by a person with a disability that are disregarded for a limited time for purposes of Supplemental Security Income eligibility and benefits because they are set aside for use under a Plan to Attain Self-Sufficiency (PASS) [(24 CFR 5.609(c)(8)(ii)]
- Reparation payments paid by a foreign government pursuant to claims filed under the laws of that government by persons who were persecuted during the Nazi era [24 CFR 5.609(c)(10)]
- Adoption assistance payments in excess of \$480 per adopted child [24 CFR 5.609(c)(12)]
- Refunds or rebates on property taxes paid on the dwelling unit [24 CFR 5.609(c)(15)]
- Amounts paid by a state agency to a family with a member who has a developmental disability and is living at home to offset the cost of services and equipment needed to keep the developmentally disabled family member at home [24 CFR 5.609(c)(16)]
- Amounts specifically excluded by any other federal statute [24 CFR 5.609(c)(17), FR Notice 12/14/12]. HUD publishes an updated list of these exclusions periodically. It includes:
  - (a) The value of the allotment provided to an eligible household under the Food Stamp Act of 1977 (7 U.S.C. 2017 (b))
  - (b) Benefits under Section 1780 of the School Lunch Act and Child Nutrition Act of 1966, including WIC
  - (c) Payments to Volunteers under the Domestic Volunteer Services Act of 1973 (42 U.S.C. 5044(g), 5058)
  - (d) Payments received under the Alaska Native Claims Settlement Act (43 U.S.C. 1626(c))
  - (e) Income derived from certain sub-marginal land of the United States that is held in trust for certain Indian tribes (25 U.S.C. 459e)
  - (f) Payments or allowances made under the Department of Health and Human Services' Low-Income Home Energy Assistance Program (42 U.S.C. 8624(f))
  - (g) Payments received under programs funded in whole or in part under the Workforce Investment Act of 1998 (29 U.S.C. 2931)
  - (h) Deferred disability benefits from the Department of Veterans Affairs, whether received as a lump sum or in monthly prospective amounts

- (i) Income derived from the disposition of funds to the Grand River Band of Ottawa Indians (Pub. L. 94-540, 90 Stat. 2503-04)
- (j) Payments, funds, or distributions authorized, established, or directed by the Seneca Nation Settlement Act of 1990 (25 U.S.C. 1774f(b))
- (k) A lump sum or periodic payment received by an individual Indian pursuant to the Class Action Settlement Agreement in the United States District Court case entitled *Elouise Cobell et al. v. Ken Salazar et al*
- (l) The first \$2,000 of per capita shares received from judgment funds awarded by the Indian Claims Commission or the U. S. Claims Court, the interests of individual Indians in trust or restricted lands, including the first \$2,000 per year of income received by individual Indians from funds derived from interests held in such trust or restricted lands (25 U.S.C. 1407-1408)
- (m) Benefits under the Indian Veterans Housing Opportunity Act of 2010 (only applies to Native American housing programs)
- (n) Payments received from programs funded under Title V of the Older Americans Act of 1985 (42 U.S.C. 3056(f))
- (o) Payments received on or after January 1, 1989, from the Agent Orange Settlement Fund or any other fund established pursuant to the settlement in *Re Agent-product liability litigation*, M.D.L. No. 381 (E.D.N.Y.)
- (p) Payments received under the Maine Indian Claims Settlement Act of 1980 (25 U.S.C. 1721)
- (q) The value of any child care provided or arranged (or any amount received as payment for such care or reimbursement for costs incurred for such care) under the Child Care and Development Block Grant Act of 1990 (42 U.S.C. 9858q)
- (r) Earned income tax credit (EITC) refund payments received on or after January 1, 1991 (26 U.S.C. 32(j))
- (s) Payments by the Indian Claims Commission to the Confederated Tribes and Bands of Yakima Indian Nation or the Apache Tribe of Mescalero Reservation (Pub. L. 95-433)
- (t) Allowances, earnings and payments to AmeriCorps participants under the National and Community Service Act of 1990 (42 U.S.C. 12637(d))
- (u) Amounts of scholarships funded under Title IV of the Higher Education Act of 1965j, including awards under federal work-study programs or under the Bureau of Indian Affairs student assistance programs (20 U.S.C. 1087uu). For Section 8 programs, the exception found in § 237 of Public Law 109-249 applies and requires that the amount of financial assistance in excess of tuition and mandatory fees shall be considered income in accordance with the provisions codified at 24 CFR 5.609(b)(9), except for those persons with disabilities as defined by 42 U.S.C. 1437a(b)(3)(E) (Pub. L. 109-249) (See Section 6-I.L. for exceptions.)

- (v) Any amount of crime victim compensation (under the Victims of Crime Act) received through crime victim assistance (or payment or reimbursement of the cost of such assistance) as determined under the Victims of Crime Act because of the commission of a crime against the applicant under the Victims of Crime Act (42 U.S.C. 10602)

## **PART II: ADJUSTED INCOME**

### **6-II.A. INTRODUCTION**

#### **Overview**

HUD regulations require PHAs to deduct from annual income any of five mandatory deductions for which a family qualifies. The resulting amount is the family's adjusted income. Mandatory deductions are found in 24 CFR 5.611.

5.611(a) Mandatory deductions. In determining adjusted income, the responsible entity [PHA] must deduct the following amounts from annual income:

- (1) \$480 for each dependent;
- (2) \$400 for any elderly family or disabled family;
- (3) The sum of the following, to the extent the sum exceeds three percent of annual income:
  - (i) Unreimbursed medical expenses of any elderly family or disabled family;
  - (ii) Unreimbursed reasonable attendant care and auxiliary apparatus expenses for each member of the family who is a person with disabilities, to the extent necessary to enable any member of the family (including the member who is a person with disabilities) to be employed. This deduction may not exceed the earned income received by family members who are 18 years of age or older and who are able to work because of such attendant care or auxiliary apparatus; and
- (4) Any reasonable child care expenses necessary to enable a member of the family to be employed or to further his or her education.

This part covers policies related to these mandatory deductions. Verification requirements related to these deductions are found in Chapter 7.

#### **Anticipating Expenses**

##### HACCC Policy

Generally, HACCC will use current circumstances to anticipate expenses. When possible, for costs that are expected to fluctuate during the year (e.g., child care during school and nonschool periods and cyclical medical expenses), HACCC will estimate costs based on historic data and known future costs.

If a family has an accumulated debt for medical or disability assistance expenses, HACCC will include as an eligible expense the portion of the debt that the family expects to pay during the period for which the income determination is being made. However, amounts previously deducted will not be allowed even if the amounts were not paid as expected in a preceding period. HACCC may require the family to provide documentation of payments made in the preceding year.

## 6-II.B. DEPENDENT DEDUCTION

An allowance of \$480 is deducted from annual income for each dependent [ 24 CFR 5.611(a)(1)]. *Dependent* is defined as any family member other than the head, spouse, or cohead who is under the age of 18 or who is 18 or older and is a person with disabilities or a full-time student. Foster children, foster adults, and live-in aides are never considered dependents [24 CFR 5.603(b)].

## 6-II.C. ELDERLY OR DISABLED FAMILY DEDUCTION

A single deduction of \$400 is taken for any elderly or disabled family [24 CFR 5.611(a)(2)]. An *elderly family* is a family whose head, spouse, cohead, or sole member is 62 years of age or older, and a *disabled family* is a family whose head, spouse, cohead, or sole member is a person with disabilities [24 CFR 5.403].

## 6-II.D. MEDICAL EXPENSES DEDUCTION [24 CFR 5.611(a)(3)(i)]

Unreimbursed medical expenses may be deducted to the extent that, in combination with any disability assistance expenses, they exceed three percent of annual income.

The medical expense deduction is permitted only for families in which the head, spouse, or cohead is at least 62 or is a person with disabilities. If a family is eligible for a medical expense deduction, the medical expenses of all family members are counted [VG, p. 28].

### Definition of *Medical Expenses*

HUD regulations define *medical expenses* at 24 CFR 5.603(b) to mean “medical expenses, including medical insurance premiums, that are anticipated during the period for which annual income is computed, and that are not covered by insurance.”

### HACCC Policy

The most current IRS Publication 502, *Medical and Dental Expenses*, will be used as a reference to determine the costs that qualify as medical expenses.

<b>Summary of Allowable Medical Expenses from IRS Publication 502</b>	
Services of medical professionals	Substance abuse treatment programs
Surgery and medical procedures that are necessary, legal, non-cosmetic	Psychiatric treatment
Services of medical facilities	Ambulance services and some costs of transportation related to medical expenses
Hospitalization, long-term care, and in-home nursing services	The cost and care of necessary equipment related to a medical condition (e.g., eyeglasses/lenses, hearing aids, crutches, and artificial teeth)
Prescription medicines and insulin, but <u>not</u> nonprescription medicines even if recommended by a doctor	
Improvements to housing directly related	

to medical needs (e.g., ramps for a wheel chair, handrails)	<p>Cost and continuing care of necessary service animals</p> <p>Medical insurance premiums or the cost of a health maintenance organization (HMO)</p>
<p><b>Note:</b> This chart provides a summary of eligible medical expenses only. Detailed information is provided in IRS Publication 502. Medical expenses are considered only to the extent they are not reimbursed by insurance or some other source.</p>	

**Families That Qualify for Both Medical and Disability Assistance Expenses**

HACCC Policy

This policy applies only to families in which the head, spouse, or cohead is 62 or older or is a person with disabilities.

When expenses anticipated by a family could be defined as either medical or disability assistance expenses, HACCC will consider them medical expenses unless it is clear that the expenses are incurred exclusively to enable a person with disabilities to work.

**6-III.E. DISABILITY ASSISTANCE EXPENSES DEDUCTION [24 CFR 5.603(b) and 24 CFR 5.611(a)(3)(ii)]**

Reasonable expenses for attendant care and auxiliary apparatus for a disabled family member may be deducted if they: (1) are necessary to enable a family member 18 years or older to work, (2) are not paid to a family member or reimbursed by an outside source, (3) in combination with any medical expenses, exceed three percent of annual income, and (4) do not exceed the earned income received by the family member who is enabled to work.

**Earned Income Limit on the Disability Assistance Expense Deduction**

A family can qualify for the disability assistance expense deduction only if at least one family member (who may be the person with disabilities) is enabled to work [24 CFR 5.603(b)].

The disability expense deduction is capped by the amount of “earned income received by family members who are 18 years of age or older and who are able to work” because of the expense [24 CFR 5.611(a)(3)(ii)]. The earned income used for this purpose is the amount verified before any earned income disallowances or income exclusions are applied.

HACCC Policy

The family must identify the family members enabled to work as a result of the disability assistance expenses. In evaluating the family’s request, HACCC will consider factors such as how the work schedule of the relevant family members relates to the hours of care provided, the time required for transportation, the relationship of the family members to the person with disabilities, and any special needs of the person with disabilities that might determine which family members are enabled to work.

When HACCC determines that the disability assistance expenses enable more than one family member to work, the expenses will be capped by the sum of the family members' incomes.

### **Eligible Disability Expenses**

Examples of auxiliary apparatus are provided in the *HCV Guidebook* as follows: "Auxiliary apparatus are items such as wheelchairs, ramps, adaptations to vehicles, or special equipment to enable a blind person to read or type, but only if these items are directly related to permitting the disabled person or other family member to work" [HCV GB, p. 5-30].

HUD advises PHAs to further define and describe auxiliary apparatus [VG, p. 30].

### ***Eligible Auxiliary Apparatus***

#### HACCC Policy

Expenses incurred for maintaining or repairing an auxiliary apparatus are eligible. In the case of an apparatus that is specially adapted to accommodate a person with disabilities (e.g., a vehicle or computer), the cost to maintain the special adaptations (but not maintenance of the apparatus itself) is an eligible expense. The cost of service animals trained to give assistance to persons with disabilities, including the cost of acquiring the animal, veterinary care, food, grooming, and other continuing costs of care, will be included.

### ***Eligible Attendant Care***

The family determines the type of attendant care that is appropriate for the person with disabilities.

#### HACCC Policy

Attendant care includes, but is not limited to, reasonable costs for home medical care, nursing services, in-home or center-based care services, interpreters for persons with hearing impairments, and readers for persons with visual disabilities.

Attendant care expenses will be included for the period that the person enabled to work is employed plus reasonable transportation time. The cost of general housekeeping and personal services is not an eligible attendant care expense. However, if the person enabled to work is the person with disabilities, personal services necessary to enable the person with disabilities to work are eligible.

If the care attendant also provides other services to the family, HACCC will prorate the cost and allow only that portion of the expenses attributable to attendant care that enables a family member to work. For example, if the care provider also cares for a child who is not the person with disabilities, the cost of care must be prorated. Unless otherwise specified by the care provider, the calculation will be based upon the number of hours spent in each activity and/or the number of persons under care.

### ***Payments to Family Members***

No disability assistance expenses may be deducted for payments to a member of an assisted family [24 CFR 5.603(b)]. However, expenses paid to a relative who is not a member of the assisted family may be deducted if they are not reimbursed by an outside source.

### **Necessary and Reasonable Expenses**

The family determines the type of care or auxiliary apparatus to be provided and must describe how the expenses enable a family member to work. The family must certify that the disability assistance expenses are necessary and are not paid or reimbursed by any other source.

#### HACCC Policy

HACCC determines the reasonableness of the expenses based on typical costs of care or apparatus in the locality. To establish typical costs, HACCC will collect information from organizations that provide services and support to persons with disabilities. A family may present, and HACCC will consider, the family's justification for costs that exceed typical costs in the area.

### **Families That Qualify for Both Medical and Disability Assistance Expenses**

#### HACCC Policy

This policy applies only to families in which the head or spouse is 62 or older or is a person with disabilities.

When expenses anticipated by a family could be defined as either medical or disability assistance expenses, HACCC will consider them medical expenses unless it is clear that the expenses are incurred exclusively to enable a person with disabilities to work.

## **6-II.F. CHILD CARE EXPENSE DEDUCTION**

HUD defines *child care expenses* at 24 CFR 5.603(b) as “amounts anticipated to be paid by the family for the care of children under 13 years of age during the period for which annual income is computed, but only where such care is necessary to enable a family member to actively seek employment, be gainfully employed, or to further his or her education and only to the extent such amounts are not reimbursed. The amount deducted shall reflect reasonable charges for child care. In the case of child care necessary to permit employment, the amount deducted shall not exceed the amount of employment income that is included in annual income.”

### **Clarifying the Meaning of *Child* for This Deduction**

Child care expenses do not include child support payments made to another on behalf of a minor who is not living in an assisted family's household [VG, p. 26]. However, child care expenses for foster children that are living in the assisted family's household are included when determining the family's child care expenses [HCV GB, p. 5-29].

## **Qualifying for the Deduction**

### ***Determining Who Is Enabled to Pursue an Eligible Activity***

#### HACCC Policy

The family must identify the family member(s) enabled to pursue an eligible activity. The term *eligible activity* in this section means any of the activities that may make the family eligible for a child care deduction (seeking work, pursuing an education, or being gainfully employed).

In evaluating the family's request, HACCC will consider factors such as how the schedule for the claimed activity relates to the hours of care provided, the time required for transportation, the relationship of the family member(s) to the child, and any special needs of the child that might help determine which family member is enabled to pursue an eligible activity.

### ***Seeking Work***

#### HACCC Policy

If the child care expense being claimed is to enable a family member to seek employment, the family must provide evidence of the family member's efforts to obtain employment at each reexamination. The deduction may be reduced or denied if the family member's job search efforts are not commensurate with the child care expense being allowed by HACCC.

### ***Furthering Education***

#### HACCC Policy

If the child care expense being claimed is to enable a family member to further his or her education, the member must be enrolled in school (academic or vocational) or participating in a formal training program. The family member is not required to be a full-time student, but the time spent in educational activities must be commensurate with the child care claimed.

### ***Being Gainfully Employed***

#### HACCC Policy

If the child care expense being claimed is to enable a family member to be gainfully employed, the family must provide evidence of the family member's employment during the time that child care is being provided. Gainful employment is any legal work activity (full- or part-time) for which a family member is compensated.

### **Earned Income Limit on Child Care Expense Deduction**

When a family member looks for work or furthers his or her education, there is no cap on the amount that may be deducted for child care – although the care must still be necessary and reasonable. However, when child care enables a family member to work, the deduction is capped by “the amount of employment income that is included in annual income” [24 CFR 5.603(b)].

The earned income used for this purpose is the amount of earned income verified after any earned income disallowances or income exclusions are applied.

When the person who is enabled to work is a person with disabilities who receives the earned income disallowance (EID) or a full-time student whose earned income above \$480 is excluded, child care costs related to enabling a family member to work may not exceed the portion of the person's earned income that actually is included in annual income. For example, if a family member who qualifies for the EID makes \$15,000 but because of the EID only \$5,000 is included in annual income, child care expenses are limited to \$5,000.

HACCC must not limit the deduction to the least expensive type of child care. If the care allows the family to pursue more than one eligible activity, including work, the cap is calculated in proportion to the amount of time spent working [HCV GB, p. 5-30].

#### HACCC Policy

When the child care expense being claimed is to enable a family member to work, only one family member's income will be considered for a given period of time. When more than one family member works during a given period, HACCC generally will limit allowable child care expenses to the earned income of the lowest-paid member. The family may provide information that supports a request to designate another family member as the person enabled to work.

### **Eligible Child Care Expenses**

The type of care to be provided is determined by the assisted family. HACCC may not refuse to give a family the child care expense deduction because there is an adult family member in the household that may be available to provide child care [VG, p. 26].

### ***Allowable Child Care Activities***

#### HACCC Policy

For school-age children, costs attributable to public or private school activities during standard school hours are not considered. Expenses incurred for supervised activities after school or during school holidays (e.g., summer day camp, after-school sports league) are allowable forms of child care.

The costs of general housekeeping and personal services are not eligible. Likewise, child care expenses paid to a family member who lives in the family's unit are not eligible; however, payments for child care to relatives who do not live in the unit are eligible.

If a child care provider also renders other services to a family or child care is used to enable a family member to conduct activities that are not eligible for consideration, HACCC will prorate the costs and allow only that portion of the expenses that is attributable to child care for eligible activities. For example, if the care provider also cares for a child with disabilities who is 13 or older, the cost of care will be prorated. Unless otherwise specified by the child care provider, the calculation will be based upon the number of hours spent in each activity and/or the number of persons under care.

### *Necessary and Reasonable Costs*

Child care expenses will be considered necessary if: (1) a family adequately explains how the care enables a family member to work, actively seek employment, or further his or her education, and (2) the family certifies, and the child care provider verifies, that the expenses are not paid or reimbursed by any other source.

#### HACCC Policy

Child care expenses will be considered for the time required for the eligible activity plus reasonable transportation time. For child care that enables a family member to go to school, the time allowed may include not more than one study hour for each hour spent in class.

To establish the reasonableness of child care costs, HACCC will use the schedule of child care costs from the local welfare agency. Families may present, and HACCC will consider, justification for costs that exceed typical costs in the area.

## **PART III: CALCULATING FAMILY SHARE AND PHA SUBSIDY**

### **6-III.A. OVERVIEW OF RENT AND SUBSIDY CALCULATIONS**

#### **TTP Formula [24 CFR 5.628]**

HUD regulations specify the formula for calculating the total tenant payment (TTP) for an assisted family. TTP is the highest of the following amounts, rounded to the nearest dollar:

- 30 percent of the family's monthly adjusted income (adjusted income is defined in Part II)
- 10 percent of the family's monthly gross income (annual income, as defined in Part I, divided by 12)
- The welfare rent (in as-paid states only)
- A minimum rent between \$0 and \$50 that is established by HACCC

HACCC has authority to suspend and exempt families from minimum rent when a financial hardship exists, as defined in section 6-III.B.

The amount that a family pays for rent and utilities (the family share) will never be less than the family's TTP but may be greater than the TTP depending on the rent charged for the unit the family selects.

#### ***Welfare Rent [24 CFR 5.628]***

##### HACCC Policy

Welfare rent does not apply in this locality.

#### ***Minimum Rent [24 CFR 5.630]***

##### HACCC Policy

The minimum rent for this locality is \$50.

#### **Family Share [24 CFR 982.305(a)(5)]**

If a family chooses a unit with a gross rent (rent to owner plus an allowance for tenant-paid utilities) that exceeds HACCC's applicable payment standard: (1) the family will pay more than the TTP, and (2) at initial occupancy HACCC may not approve the tenancy if it would require the family share to exceed 40 percent of the family's monthly adjusted income. The income used for this determination must have been verified no earlier than 60 days before the family's voucher was issued. (For a discussion of the application of payment standards, see section 6-III.C.)

#### **PHA Subsidy [24 CFR 982.505(b)]**

HACCC will pay a monthly housing assistance payment (HAP) for a family that is equal to the lower of (1) the applicable payment standard for the family minus the family's TTP or (2) the gross rent for the family's unit minus the TTP. (For a discussion of the application of payment standards, see section 6-III.C.)

## **Utility Reimbursement [24 CFR 982.514(b); 982.514(c)]**

When HACCC subsidy for a family exceeds the rent to owner, the family is due a utility reimbursement. HUD permits HACCC to pay the reimbursement to the family or directly to the utility provider.

### HACCC Policy

HACCC has the discretion to make utility reimbursements to the family or the utility provider.

The PHA may make all utility reimbursement payments to qualifying families on a monthly basis or may make quarterly payments when the monthly reimbursement amount is \$15.00 or less. Reimbursements must be made once per calendar-year quarter and must be prorated if the family leaves the program in advance of its next quarterly reimbursement. The PHA must also adopt hardship policies for families for whom receiving quarterly reimbursement would create a financial hardship.

### PHA Policy

HACCC will issue all utility reimbursements monthly.

## **6-III.B. FINANCIAL HARDSHIPS AFFECTING MINIMUM RENT [24 CFR 5.630]**

### **Overview**

If HACCC establishes a minimum rent greater than zero, HACCC must grant an exemption from the minimum rent if a family is unable to pay the minimum rent because of financial hardship.

The financial hardship exemption applies only to families required to pay the minimum rent. If a family's TTP or Family Share of the rent is higher than the minimum rent, the family is not eligible for a hardship exemption. If HACCC determines that a hardship exists, the family share is the highest of the remaining components of the family's calculated TTP.

### **HUD-Defined Financial Hardship**

Financial hardship includes the following situations:

- (1) The family has lost eligibility for or is awaiting an eligibility determination for a federal, state, or local assistance program. This includes a family member who is a noncitizen lawfully admitted for permanent residence under the Immigration and Nationality Act who would be entitled to public benefits but for Title IV of the Personal Responsibility and Work Opportunity Act of 1996.

### HACCC Policy

A hardship will be considered to exist only if the loss of eligibility has an impact on the family's ability to pay the minimum rent.

For a family waiting for a determination of eligibility, the hardship period will end as of the first of the month following: (1) implementation of assistance, if approved, or (2) the decision to deny assistance. A family whose request for assistance is denied may request a hardship exemption based upon one of the other allowable hardship circumstances.

(2) The family would be evicted because it is unable to pay the minimum rent.

HACCC Policy

For a family to qualify under this provision, the cause of the potential eviction must be the family's failure to pay rent to the owner or tenant-paid utilities.

(3) Family income has decreased because of changed family circumstances, including the loss of employment.

(4) A death has occurred in the family.

HACCC Policy

In order to qualify under this provision, a family must describe how the death has created a financial hardship (e.g., because of funeral-related expenses or the loss of the family member's income).

(5) The family has experienced other circumstances determined by HACCC.

HACCC Policy

HACCC has not established any additional hardship criteria.

**Implementation of Hardship Exemption**

***Determination of Hardship***

When a family requests a financial hardship exemption, HACCC must suspend the minimum rent requirement beginning the first of the month following the family's request.

HACCC then determines whether the financial hardship exists and whether the hardship is temporary or long-term.

HACCC Policy

HACCC defines temporary hardship as a hardship expected to last 90 days or less. Long-term hardship is defined as a hardship expected to last more than 90 days.

When the minimum rent is suspended, the family share reverts to the highest of the remaining components of the calculated TTP. The example below demonstrates the effect of the minimum rent exemption.

<b>Example: Impact of Minimum Rent Exemption</b>			
Assume HACCC has established a minimum rent of \$35.			
<b>Family Share – No Hardship</b>		<b>Family Share – With Hardship</b>	
\$0	30% of monthly adjusted income	\$0	30% of monthly adjusted income
\$15	10% of monthly gross income	\$15	10% of monthly gross income
N/A	Welfare rent	N/A	Welfare rent

\$35 Minimum rent	\$35 Minimum rent
Minimum rent applies. TTP = \$35	Hardship exemption granted. TTP = \$15

HACCC Policy

To qualify for a hardship exemption, a family must submit a request for a hardship exemption in writing. The request must explain the nature of the hardship and how the hardship has affected the family’s ability to pay the minimum rent.

HACCC will make the determination of hardship within 30 calendar days.

***No Financial Hardship***

If HACCC determines there is no financial hardship, HACCC will reinstate the minimum rent and require the family to repay the amounts suspended.

HACCC Policy

HACCC will require the family to repay the suspended amount within 30 calendar days of HACCC’s notice that a hardship exemption has not been granted.

***Temporary Hardship***

If HACCC determines that a qualifying financial hardship is temporary, HACCC must suspend the minimum rent for the 90-day period beginning the first of the month following the date of the family’s request for a hardship exemption.

At the end of the 90-day suspension period, the family must resume payment of the minimum rent and must repay HACCC the amounts suspended. HUD requires HACCC to offer a reasonable repayment agreement, on terms and conditions established by HACCC. HACCC also may determine that circumstances have changed and the hardship is now a long-term hardship.

HACCC Policy

HACCC will enter into a repayment agreement in accordance with the procedures found in Chapter 16 of this plan.

***Long-Term Hardship***

If HACCC determines that the financial hardship is long-term, HACCC must exempt the family from the minimum rent requirement for so long as the hardship continues. The exemption will apply from the first of the month following the family’s request until the end of the qualifying hardship. When the financial hardship has been determined to be long-term, the family is not required to repay the minimum rent.

HACCC Policy

The hardship period ends when any of the following circumstances apply:

- (1) At an interim or annual reexamination, the family’s calculated TTP is greater than the minimum rent.

- (2) For hardship conditions based on loss of income, the hardship condition will continue to be recognized until new sources of income are received that are at least equal to the amount lost. For example, if a hardship is approved because a family no longer receives a \$60/month child support payment, the hardship will continue to exist until the family receives at least \$60/month in income from another source or once again begins to receive the child support.
- (3) For hardship conditions based upon hardship-related expenses, the minimum rent exemption will continue to be recognized until the cumulative amount exempted is equal to the expense incurred.

### **6-III.C. APPLYING PAYMENT STANDARDS [24 CFR 982.505; 982.503(b)]**

#### **Overview**

HACCC's schedule of payment standards is used to calculate housing assistance payments for HCV families. This section covers the application of HACCC's payment standards. The establishment and revision of HACCC's payment standard schedule are covered in Chapter 16.

*Payment standard* is defined as "the maximum monthly assistance payment for a family assisted in the voucher program (before deducting the total tenant payment by the family)" [24 CFR 982.4(b)].

The payment standard for a family is the lower of (1) the payment standard for the family unit size, which is defined as the appropriate number of bedrooms for the family under HACCC's subsidy standards [24 CFR 982.4(b)], or (2) the payment standard for the size of the dwelling unit rented by the family.

If HACCC has established an exception payment standard for a designated part of a zip code area or an FMR area and a family's unit is located in the exception area, HACCC must use the appropriate payment standard for the exception area.

HACCC is required to pay a monthly housing assistance payment (HAP) for a family that is the lower of (1) the payment standard for the family minus the family's TTP or (2) the gross rent for the family's unit minus the TTP.

If during the term of the HAP contract for a family's unit, the owner lowers the rent, HACCC will recalculate the HAP using the lower of the initial payment standard or the gross rent for the unit [HCV GB, p. 7-8].

#### **Changes in Payment Standards**

When HACCC revises its payment standards during the term of the HAP contract for a family's unit, it will apply the new payment standards in accordance with HUD regulations.

#### ***Decreases***

If HACCC changes its payment standard schedule, resulting in a lower payment standard amount, during the term of a HAP contract, HACCC shall not reduce the payment standard used to calculate subsidy for families under HAP contract as long as the HAP contract remains in effect [FR Notice 11/16/16].

However, if HACCC does choose to reduce the payment standard for families currently under HAP contract, the initial reduction to the payment standard may not be applied any earlier than the effective date of the family's second regular reexamination following the effective date of the decrease in the payment standard amount. At that point, HACCC may either reduce the payment standard to the current amount in effect on HACCC's payment standard schedule, or may reduce the payment standard to another amount that is higher than the normally applicable amount on the schedule. HACCC may also establish different policies for designated areas within its jurisdiction (e.g., different zip code areas).

In any case, HACCC must provide the family with at least 12 months' notice that the payment standard is being reduced before the effective date of the change. HACCC's policy on decreases in the payment standard during the term of the HAP contract apply to all families under HAP contract at the time of the effective date of the decrease in the payment standard within the designated area.

#### HACCC Policy

If HACCC changes its payment standard schedule resulting in a lower payment standard amount, during the term of a HAP contract, HACCC will not reduce the payment standard used to calculate subsidy for families under HAP contract as long as the HAP contract remains in effect.

HACCC will not establish different policies for decreases in the payment standard for designated areas within its jurisdiction.

#### ***Increases***

If the payment standard is increased during the term of the HAP contract, the increased payment standard will be used to calculate the monthly housing assistance payment for the family beginning on the effective date of the family's first regular reexamination on or after the effective date of the increase in the payment standard.

Families requiring or requesting interim reexaminations will not have their HAP payments calculated using the higher payment standard until their next annual reexamination [HCV GB, p. 7-8].

#### ***Changes in Family Unit Size***

Irrespective of any increase or decrease in the payment standard, if the family unit size increases or decreases during the HAP contract term, the new family unit size must be used to determine the payment standard for the family beginning at the family's first regular reexamination following the change in family unit size.

#### **Reasonable Accommodation**

If a family requires a higher payment standard as a reasonable accommodation for a family member who is a person with disabilities, HACCC is allowed to establish a higher payment standard for the family of not more than 120 percent of the published FMR.

## **6-III.D. APPLYING UTILITY ALLOWANCES [24 CFR 982.517]**

### **Overview**

A PHA-established utility allowance schedule is used in determining family share and PHA subsidy. HACCC must use the lower of the utility allowance for the size of dwelling unit actually leased by a family or the voucher unit size for which the family qualifies using PHA subsidy standards. See Chapter 5 for information on HACCC's subsidy standards.

For policies on establishing and updating utility allowances, see Chapter 16.

### **Reasonable Accommodation**

HCV program regulations require a PHA to approve a utility allowance amount higher than shown on HACCC's schedule if a higher allowance is needed as a reasonable accommodation for a family member with a disability. For example, if a family member with a disability requires such an accommodation, HACCC will approve an allowance for air-conditioning, even if HACCC has determined that an allowance for air-conditioning generally is not needed.

In the cases where the unit size leased exceeds the family voucher size, as a reasonable accommodation, HACCC may approve a utility allowance for the actual size of the unit leased.

The family must request the higher allowance and provide HACCC with an explanation of the need for the reasonable accommodation and information about the amount of additional allowance required [HCV GB, p. 18-8].

### **Utility Allowance Revisions**

At reexamination, HACCC must use HACCC current utility allowance schedule [HCV GB, p. 18-8].

#### HACCC Policy

Revised utility allowances will be applied to a family's rent and subsidy calculations at the first annual reexamination that is effective after the allowance is adopted. If a revised Utility Allowance Schedule is implemented retroactively, annual certifications affected by the revised schedule shall be updated with a correction to the Annual reexamination if the utility allowance is increasing or, when the utility allowance is decreasing, an Interim Reexamination will be completed to ensure the tenant is given 30 -Day Notice of the increase in the tenant rent portion.

## **6-III.E. PRORATED ASSISTANCE FOR MIXED FAMILIES [24 CFR 5.520]**

HUD regulations prohibit assistance to ineligible family members. A *mixed family* is one that includes at least one U.S. citizen or eligible immigrant and any number of ineligible family members. HACCC must prorate the assistance provided to a mixed family. HACCC will first determine assistance as if all family members were eligible and then prorate the assistance based upon the percentage of family members that actually are eligible. For example, if HACCC subsidy for a family is calculated at \$500 and two of four family members are ineligible, HACCC subsidy would be reduced to \$250.

**EXHIBIT 6-1: ANNUAL INCOME INCLUSIONS**

**24 CFR 5.609**

*(a) Annual income means all amounts, monetary or not, which:*

- (1) Go to, or on behalf of, the family head or spouse (even if temporarily absent) or to any other family member; or
- (2) Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and
- (3) Which are not specifically excluded in paragraph (c) of this section.
- (4) Annual income also means amounts derived (during the 12-month period) from assets to which any member of the family has access.

*(b) Annual income includes, but is not limited to:*

- (1) The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services;
- (2) The net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested in the operation by the family;

(3) Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation is permitted only as authorized in paragraph (b)(2) of this section. Any withdrawal of cash or assets from an investment will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has net family assets in excess of \$5,000, annual income shall include the greater of the actual income derived from all net family assets or a percentage of the value of such assets based on the current passbook savings rate, as determined by HUD;

(4) The full amount of periodic amounts received from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts, including a lump-sum amount or prospective monthly amounts for the delayed start of a periodic amount (except as provided in paragraph (c)(14) of this section);

(5) Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation and severance pay (except as provided in paragraph (c)(3) of this section);

(6) Welfare assistance payments.

(i) Welfare assistance payments made under the Temporary Assistance for Needy Families (TANF) program are included in annual income only to the extent such payments:

(A) Qualify as assistance under the TANF program definition at 45 CFR 260.31<sup>1</sup>; and

(B) Are not otherwise excluded under paragraph (c) of this section.

(ii) If the welfare assistance payment includes an amount specifically designated for shelter and utilities that is subject to adjustment by the welfare assistance agency in accordance with the actual cost of shelter and utilities, the amount of welfare assistance income to be included as income shall consist of:

(A) The amount of the allowance or grant exclusive of the amount specifically designated for shelter or utilities; plus

(B) The maximum amount that the welfare assistance agency could in fact allow the family for shelter and utilities. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this paragraph shall be the amount resulting from one application of the percentage.

(7) Periodic and determinable allowances, such as alimony and child support payments, and regular contributions or gifts received from organizations or from persons not residing in the dwelling;

(8) All regular pay, special pay and allowances of a member of the Armed Forces (except as provided in paragraph (c)(7) of this section)

<b>HHS</b>	<b>DEFINITION</b>	<b>OF</b>
<b>"ASSISTANCE"</b>		

**45 CFR: GENERAL TEMPORARY ASSISTANCE FOR NEEDY FAMILIES**

**260.31 What does the term "assistance" mean?**

(a)(1) The term "assistance" includes cash, payments, vouchers, and other forms of benefits designed to meet a family's ongoing basic needs (i.e., for food, clothing, shelter, utilities, household goods, personal care items, and general incidental expenses).

(2) It includes such benefits even when they are:

(i) Provided in the form of payments by a TANF agency, or other agency on its behalf, to individual recipients; and

(ii) Conditioned on participation in work experience or community service (or any other work activity under 261.30 of this chapter).

(3) Except where excluded under paragraph (b) of this section, it also includes supportive services such as transportation and child care provided to families who are not employed.

(b) [The definition of "assistance"] excludes: (1) Non-recurrent, short-term benefits that:

(i) Are designed to deal with a specific crisis situation or episode of need;

(ii) Are not intended to meet recurrent or ongoing needs; and

(iii) Will not extend beyond four months.

---

<sup>1</sup> Text of 45 CFR 260.31 follows.

(2) Work subsidies (i.e., payments to employers or third parties to help cover the costs of employee wages, benefits, supervision, and training);

(3) Supportive services such as child care and transportation provided to families who are employed;

(4) Refundable earned income tax credits;

(5) Contributions to, and distributions from, Individual Development Accounts;

(6) Services such as counseling, case management, peer support, child care information and referral, transitional services, job retention, job advancement, and other employment-related services that do not provide basic income support; and

(7) Transportation benefits provided under a Job Access or Reverse Commute project, pursuant to section 404(k) of [the Social Security] Act, to an individual who is not otherwise receiving assistance.

## EXHIBIT 6-2: ANNUAL INCOME EXCLUSIONS

### 24 CFR 5.609

(c) Annual income does not include the following:

- (1) Income from employment of children (including foster children) under the age of 18 years;
- (2) Payments received for the care of foster children or foster adults (usually persons with disabilities, unrelated to the tenant family, who are unable to live alone);
- (3) Lump-sum additions to family assets, such as inheritances, insurance payments (including payments under health and accident insurance and worker's compensation), capital gains and settlement for personal or property losses (except as provided in paragraph (b)(5) of this section);
- (4) Amounts received by the family that are specifically for, or in reimbursement of, the cost of medical expenses for any family member;
- (5) Income of a live-in aide, as defined in Sec. 5.403;
- (6) The full amount of student financial assistance paid directly to the student or to the educational institution;
- (7) The special pay to a family member serving in the Armed Forces who is exposed to hostile fire;
- (8) (i) Amounts received under training programs funded by HUD;
- (ii) Amounts received by a person with a disability that are disregarded for a limited time for purposes of Supplemental Security Income eligibility and benefits because they are set aside for use under a Plan to Attain Self-Sufficiency (PASS);

(iii) Amounts received by a participant in other publicly assisted programs which are specifically for or in reimbursement of out-of-pocket expenses incurred (special equipment, clothing, transportation, child care, etc.) and which are made solely to allow participation in a specific program;

(iv) Amounts received under a resident service stipend. A resident service stipend is a modest amount (not to exceed \$200 per month) received by a resident for performing a service for the HACCC or owner, on a part-time basis, that enhances the quality of life in the development. Such services may include, but are not limited to, fire patrol, hall monitoring, lawn maintenance, resident initiatives coordination, and serving as a member of the HACCC's governing board. No resident may receive more than one such stipend during the same period of time;

(v) Incremental earnings and benefits resulting to any family member from participation in qualifying State or local employment training programs (including training programs not affiliated with a local government) and training of a family member as resident management staff. Amounts excluded by this provision must be received under employment training programs with clearly defined goals and objectives, and are excluded only for the period during which the family member participates in the employment training program;

(9) Temporary, nonrecurring or sporadic income (including gifts);

(10) Reparation payments paid by a foreign government pursuant to claims filed under the laws of that government by persons who were persecuted during the Nazi era;

(11) Earnings in excess of \$480 for each full-time student 18 years old or older (excluding the head of household and spouse);

(12) Adoption assistance payments in excess of \$480 per adopted child;

(13) [Reserved]

(14) Deferred periodic amounts from supplemental security income and social security benefits that are received in a lump sum amount or in prospective monthly amounts, or any deferred Department of Veterans Affairs disability benefits that are received in a lump sum amount or prospective monthly amounts.

(15) Amounts received by the family in the form of refunds or rebates under State or local law for property taxes paid on the dwelling unit;

(16) Amounts paid by a State agency to a family with a member who has a developmental disability and is living at home to offset the cost of services and equipment needed to keep the developmentally disabled family member at home; or

(17) Amounts specifically excluded by any other Federal statute from consideration as income for purposes of determining eligibility or benefits under a category of assistance programs that includes assistance under any program to which the exclusions set forth in 24 CFR 5.609(c) apply. A notice will be published in the Federal Register and distributed to HACCCs and housing owners identifying the benefits that qualify for this exclusion. Updates will be published and distributed when necessary. [See the following chart for a list of benefits that qualify for this exclusion.]

Sources of Income Excluded by Federal Statute from Consideration as Income for Purposes of Determining Eligibility or Benefits

a) The value of the allotment provided to an eligible household under the Food Stamp Act of 1977 (7 U.S.C. 2017 (b));

t) Any amount received under the Richard B. Russell School Lunch Act (42 U.S.C. 1760(e)) and the Child Nutrition Act of 1966 (42 U.S.C. 1780(b)), including reduced-price lunches and food under the Special Supplemental Food Program for Women, Infants, and Children (WIC); (xx) Payments, funds, or distributions authorized, established, or directed by the Seneca Nation Settlement Act of 1990 (25 U.S.C. 1774f(b));

u) Payments from any deferred U.S. Department of Veterans Affairs disability benefits that are received in a lump sum amount or in prospective monthly amounts (42 U.S.C. § 1437a(b)(4));

v) Compensation received by or on behalf of a veteran for service-connected disability, death, dependency, or indemnity compensation as provided by an amendment by the Indian Veterans Housing Opportunity Act of 2010 (Pub. L. 111-269; 25 U.S.C. 4103(9)) to the definition of income applicable to programs authorized under the Native American Housing Assistance and Self-Determination Act (NAHASDA) (25

U.S.C. 4101 *et seq.*) and administered by the Office of Native American Programs;

w) A lump sum or a periodic payment received by an individual Indian pursuant to the Class Action Settlement Agreement in the case entitled *Elouise Cobell et al. v. Ken Salazar et al.*, 816 F.Supp.2d 10 (Oct. 5, 2011 D.D.C.), for a period of one year from the time of receipt of that payment as provided in the Claims Resolution Act of 2010 (Pub. L. 111-291);

x) Any amounts in an “individual development account” as provided by the Assets for Independence Act, as amended in 2002 (Pub. L. 107-110, 42 U.S.C. 604(h)(4));

y) Per capita payments made from the proceeds of Indian Tribal Trust Cases as described in PIH Notice 2013- 30 “Exclusion from Income of Payments under Recent Tribal Trust Settlements” (25 U.S.C. 117b(a)); and

z) Major disaster and emergency assistance received by individuals and families under the Robert T. Stafford Disaster Relief and Emergency Assistance Act (Pub. L. 93-288, as amended) and comparable disaster assistance provided by States, local governments, and disaster assistance organizations (42 U.S.C. 5155(d)).

## EXHIBIT 6-3: TREATMENT OF FAMILY ASSETS

### 24 CFR 5.603(b) Net Family Assets

(1) Net cash value after deducting reasonable costs that would be incurred in disposing of real property, savings, stocks, bonds, and other forms of capital investment, excluding interests in Indian trust land and excluding equity accounts in HUD homeownership programs. The value of necessary items of personal property such as furniture and automobiles shall be excluded.

(2) In cases where a trust fund has been established and the trust is not revocable by, or under the control of, any member of the family or household, the value of the trust fund will not be considered an asset so long as the fund continues to be held in trust. Any income distributed from the trust fund shall be counted when determining annual income under Sec. 5.609.

(3) In determining net family assets, HACCCs or owners, as applicable, shall include the value of any business or family assets disposed of by an applicant or tenant for less than fair market value (including a disposition in trust, but not in a foreclosure or bankruptcy sale) during the two years preceding the date of application for the program or reexamination, as applicable, in excess of the consideration received therefore. In the case of a disposition as part of a separation or divorce settlement, the disposition will not be considered to be for less than fair market value if the applicant or tenant receives important consideration not measurable in dollar terms.

(4) For purposes of determining annual income under Sec. 5.609, the term "net family assets" does not include the value of a home currently being purchased with assistance under part 982, subpart M of this title. This exclusion is limited to the first 10 years after the purchase date of the home.

**EXHIBIT 6-4: EARNED INCOME  
DISALLOWANCE FOR PERSONS  
WITH DISABILITIES**

**24 CFR 5.617 Self-sufficiency incentives for persons with disabilities—Disallowance of increase in annual income.**

(a) *Applicable programs.* The disallowance of earned income provided by this section is applicable only to the following programs: HOME Investment Partnerships Program (24 CFR part 92); Housing Opportunities for Persons with AIDS (24 CFR part 574); Supportive Housing Program (24 CFR part 583); and the Housing Choice Voucher Program (24 CFR part 982).

(b) *Definitions.* The following definitions apply for purposes of this section.

*Baseline income.* The annual income immediately prior to implementation of the disallowance described in paragraph (c)(1) of this section of a person with disabilities (who is a member of a qualified family).

*Disallowance.* Exclusion from annual income.

*Previously unemployed* includes a person with disabilities who has earned, in the twelve months previous to employment, no more than would be received for 10 hours of work per week for 50 weeks at the established minimum wage.

*Qualified family.* A family residing in housing assisted under one of the programs listed in paragraph (a) of this section or receiving tenant-based rental assistance under one of the programs listed in paragraph (a) of this section.

(1) Whose annual income increases as a result of employment of a family member who is a person with disabilities and who was previously unemployed for one or more years prior to employment;

(2) Whose annual income increases as a result of increased earnings by a family member who is a person with disabilities during participation in any economic self-sufficiency or other job training program; or  
(3) Whose annual income increases, as a result of new employment or increased earnings of a family member who is a person with disabilities, during or within six months after receiving assistance, benefits or services under any state program for temporary assistance for needy families funded under Part A of Title IV of the Social Security Act, as determined by the responsible entity in consultation with the local agencies administering temporary assistance for needy families (TANF) and Welfare-to-Work (WTW) programs. The TANF program is not limited to monthly income maintenance, but also includes such benefits and services as one-time payments, wage subsidies and transportation assistance-- provided that the total amount over a six-month period is at least \$500.

(c) *Disallowance of increase in annual income—*

(1) Initial twelve month exclusion. During the 12-month period beginning on the date a member who is a person with disabilities of a qualified family is first employed or the family first experiences an increase in annual income attributable to employment, the responsible entity must exclude from annual income (as defined in the regulations governing the applicable program listed in paragraph (a) of this section) of a qualified family any increase in income of the family member who is a person with disabilities as a result of employment over prior income of that family member.

(2) Second twelve month exclusion. Upon expiration of the 12-month period defined in paragraph (c)(1) of this section and for the subsequent 12-month period, the responsible

entity must exclude from annual income of a qualified family at least 50 percent of any increase in income of such family member as a result of employment over the family member's baseline income.

(3) *Maximum 2-year disallowance.* The disallowance of increased income of an individual family member who is a person with disabilities as provided in paragraph (c)(1) or (c)(2) of this section is limited to a lifetime 24-month period. The disallowance applies for a maximum of 12 months for disallowance under paragraph (c)(1) of this section and a maximum of 12 months for disallowance under paragraph (c)(2) of this section, during the 24-month period starting from the initial exclusion under paragraph (c)(1) of this section.

(4) *Effect of changes on currently participating families.* Families eligible for and participating in the disallowance of earned income under this section prior to *May 9, 2016* will continue to be governed by this section in effect as it existed immediately prior to that date (see 24 CFR parts 0 to 199, revised as of April 1, 2016).

(d) *Inapplicability to admission.* The disallowance of increases in income as a result of employment of persons with disabilities under this section does not apply for purposes of admission to the program (including the determination of income eligibility or any income targeting that may be applicable).

**EXHIBIT 6-5: THE EFFECT OF WELFARE BENEFIT REDUCTION**

**24 CFR 5.615**

**Public housing program and Section 8 tenant-based assistance program: How welfare benefit reduction affects family income.**

*(a) Applicability.* This section applies to covered families who reside in public housing (part 960 of this title) or receive Section 8 tenant-based assistance (part 982 of this title).

*(b) Definitions.* The following definitions apply for purposes of this section:

*Covered families.* Families who receive welfare assistance or other public assistance benefits ("welfare benefits") from a State or other public agency ("welfare agency") under a program for which Federal, State, or local law requires that a member of the family must participate in an economic self-sufficiency program as a condition for such assistance.

*Economic self-sufficiency program.* See definition at Sec. 5.603.

*Imputed welfare income.* The amount of annual income not actually received by a family, as a result of a specified welfare benefit reduction, that is nonetheless included in the family's annual income for purposes of determining rent.

*Specified welfare benefit reduction.*

(1) A reduction of welfare benefits by the welfare agency, in whole or in part, for a family member, as determined by the welfare agency, because of fraud by a family member in connection with the welfare program; or because of welfare agency sanction against a family member for noncompliance with a welfare agency requirement to participate in an economic self-sufficiency program.

(2) "Specified welfare benefit reduction" does not include a reduction or termination of welfare benefits by the welfare agency:

(i) at expiration of a lifetime or other time limit on the payment of welfare benefits;

(ii) because a family member is not able to obtain employment, even though the family member has complied with welfare agency economic self-sufficiency or work activities requirements; or

(iii) because a family member has not complied with other welfare agency requirements.

*(c) Imputed welfare income.*

(1) A family's annual income includes the amount of imputed welfare income (because of a specified welfare benefits reduction, as specified in notice to the HACCC by the welfare agency), plus the total amount of other annual income as determined in accordance with Sec. 5.609.

(2) At the request of the HACCC, the welfare agency will inform the HACCC in writing of the amount and term of any specified welfare benefit reduction for a family member, and the reason for such reduction, and will also inform the HACCC of any subsequent changes in the term or amount of such specified welfare benefit reduction. The HACCC will use this information to determine the amount of imputed welfare income for a family.

(3) A family's annual income includes imputed welfare income in family annual income, as determined at the HACCC's interim or regular reexamination of family income and composition, during the term of the welfare benefits reduction (as specified in information provided to the HACCC by the welfare agency).

(4) The amount of the imputed welfare income is offset by the amount of additional income a family receives that commences after the time the sanction was imposed. When such additional income from other sources is at least equal to the imputed

(5) The HACCC may not include imputed welfare income in annual income if the family was not an assisted resident at the time of sanction.

*(d) Review of HACCC decision.*

(1) Public housing. If a public housing tenant claims that the HACCC has not correctly calculated the amount of imputed welfare income in accordance with HUD requirements, and if the HACCC denies the family's request to modify such amount, the HACCC shall give the tenant written notice of such denial, with a brief explanation of the basis for the HACCC determination of the amount of imputed welfare income. The HACCC notice shall also state that if the tenant does not agree with the HACCC determination, the tenant may request a grievance hearing in accordance with part 966, subpart B of this title to review the HACCC determination. The tenant is not required to pay an escrow deposit pursuant to Sec. 966.55(e) for the portion of tenant rent attributable to the imputed welfare income in order to obtain a grievance hearing on the HACCC determination.

(2) Section 8 participant. A participant in the Section 8 tenant-based assistance program may request an informal hearing, in accordance with Sec. 982.555 of this title, to review the HACCC determination of the amount of imputed welfare income that must be included in the family's annual income in accordance with this section. If the family claims that such amount is not correctly calculated in accordance with HUD requirements, and if the HACCC denies the family's request to modify such amount, the HACCC shall give the family written notice

of such denial, with a brief explanation of the basis for the HACCC determination of the amount of imputed welfare income. Such notice shall also state that if the family does not agree with the HACCC determination, the family may request an informal hearing on the determination under the HACCC hearing procedure.

*(e) HACCC relation with welfare agency.*

(1) The HACCC must ask welfare agencies to inform the HACCC of any specified welfare benefits reduction for a family member, the reason for such reduction, the term of any such reduction, and any subsequent welfare agency determination affecting the amount or term of a specified welfare benefits reduction. If the welfare agency determines a specified welfare benefits reduction for a family member, and gives the HACCC written notice of such reduction, the family's annual incomes shall include the imputed welfare income because of the specified welfare benefits reduction.

(2) The HACCC is responsible for determining the amount of imputed welfare income that is included in the family's annual income as a result of a specified welfare benefits reduction as determined by the welfare agency, and specified in the notice by the welfare agency to the HACCC. However, the HACCC is not responsible for determining whether a reduction of welfare benefits by the welfare agency was correctly determined by the welfare agency in accordance with welfare program requirements and procedures, nor for providing the opportunity for review or hearing on such welfare agency determinations.

(3) Such welfare agency determinations are the responsibility of the welfare agency, and the family may seek appeal of such determinations through the welfare agency's normal due process procedures. The HACCC shall be

entitled to rely on the welfare agency notice to the HACCC of the welfare agency's determination of a specified welfare benefits reduction.

# **CHAPTER 7**

## **VERIFICATION**

[24 CFR 982.516, 24 CFR 982.551, 24 CFR 5.230, Notice PIH 2017-12]

### **INTRODUCTION**

The PHA must verify all information that is used to establish the family's eligibility and level of assistance and is required to obtain written authorization from the family in order to collect the information. Applicants and program participants must cooperate with the verification process as a condition of receiving assistance. The PHA must not pass on the cost of verification to the family.

The PHA will follow the verification guidance provided by HUD in Notice PIH 2017-12 and any subsequent guidance issued by HUD. This chapter summarizes those requirements and provides supplementary PHA policies.

Part I Describes the general verification process.

Part II Provides more detailed requirements related to family information.

Part III Provides information on income and assets

Part IV Covers mandatory deductions.

Verification policies, rules and procedures will be modified as needed to accommodate persons with disabilities. All information obtained through the verification process will be handled in accordance with the records management policies of the PHA.

## **PART I: GENERAL VERIFICATION REQUIREMENTS**

### **7-I.A. FAMILY CONSENT TO RELEASE OF INFORMATION [24 CFR 982.516 AND 982.551, 24 CFR 5.230]**

The family must supply any information that the PHA or HUD determines is necessary to the administration of the program and must consent to PHA verification of that information [24 CFR 982.551].

#### **Consent Forms**

It is required that all adult applicants and participants sign form HUD-9886, Authorization for Release of Information. The purpose of form HUD-9886 is to facilitate automated data collection and computer matching from specific sources and provides the family's consent only for the specific purposes listed on the form. HUD and the PHA may collect information from State Wage Information Collection Agencies (SWICAs) and current and former employers of adult family members. Only HUD is authorized to collect information directly from the Internal Revenue Service (IRS) and the Social Security Administration (SSA). Adult family members must sign other consent forms as needed to collect information relevant to the family's eligibility and level of assistance.

#### **Penalties for Failing to Consent [24 CFR 5.232]**

If any family member who is required to sign a consent form fails to do so, the PHA will deny admission to applicants and terminate assistance of participants. The family may request an informal review (applicants) or informal hearing (participants) in accordance with PHA procedures.

### **7-I.B. OVERVIEW OF VERIFICATION REQUIREMENTS**

#### **HUD's Verification Hierarchy [Notice PIH 2017-12]**

HUD mandates the use of the EIV system and offers administrative guidance on the use of other methods to verify family information and specifies the circumstances in which each method will be used. In general HUD requires the PHA to use the most reliable form of verification that is available and to document the reasons when the PHA uses a lesser form of verification.

In order of priority, the forms of verification that the PHA will use are:

- Up-front Income Verification (UIV) using HUD's Enterprise Income Verification (EIV) system
- Up-front Income Verification (UIV) using a non-HUD system
- Written Third-Party Verification (may be provided by applicant or participant)
- Written Third-party Verification Form
- Oral Third-party Verification
- Self-Certification

Each of the verification methods is discussed in subsequent sections below. Exhibit 7-1 below contains an excerpt from the notice that provides guidance with respect to how each method may be used.

**Exhibit 7-1 HUD’s Verification Hierarchy**

<b>Level</b>	<b>Verification Technique</b>	<b>Ranking</b>
<b>6</b>	<b>Upfront Income Verification (UIV)</b> using HUD’s Enterprise Income Verification (EIV) system (not available for income verifications of applicants)	<b>Highest (Mandatory)</b>
<b>5</b>	<b>Upfront Income Verification (UIV)</b> using non-HUD system	<b>Highest (Optional)</b>
<b>4</b>	<b>Written third Party Verification</b>	<b>High</b> (Mandatory to supplement EIV-reported income sources and when EIV has no data; Mandatory for non-EIV reported income sources; Mandatory when tenant disputes EIV-reported employment and income information <b>and</b> is unable to provide acceptable documentation to support dispute)
<b>3</b>	<b>Written Third Party Verification Form</b>	<b>Medium-Low</b> (Mandatory if written third party verification documents are not available or rejected by the PHA; and when the applicant or tenant is unable to provide acceptable documentation)
<b>2</b>	<b>Oral Third Party Verification</b>	<b>Low</b> (Mandatory if written third party verification is not available)
<b>1</b>	<b>Tenant Declaration</b>	<b>Low</b> (Use as a last resort when unable to obtain any type of third party verification)

**Requirements for Acceptable Documents**

HACCC Policy

Any documents used for verification must be the original (not photocopies) and generally must be dated within 60 days of the date they are provided to the PHA. The documents must not be damaged, altered or in any way illegible.

Print-outs from Web pages are considered original documents.

The HACCC staff member must only make a photocopy of an original document. If an original document is not available, HACCC staff must review secondary documentation to authenticate the copy.

Any family self-certifications must be made in a format acceptable to the PHA and must be signed in the presence of a PHA representative or PHA notary public.

### **File Documentation**

The PHA must document in the file how the figures used in income and rent calculations were determined. All verification attempts, information obtained, and decisions reached during the verification process will be recorded in the family's file in sufficient detail to demonstrate that the PHA has followed all of the verification policies set forth in this plan. The record should be sufficient to enable a staff member or HUD reviewer to understand the process followed and conclusions reached.

#### HACCC Policy

The PHA will document, in the family file, the following:

- Reported family annual income
- Value of assets
- Expenses related to deductions from annual income
- Other factors influencing adjusted income

When the PHA is unable to obtain third-party verification, the PHA will document in the family file the reason that third-party verification was not available [24 CFR 982.516(a)(2); Notice PIH 2017-12].

### **7-I.C. UP-FRONT INCOME VERIFICATION (UIV)**

Up-front income verification (UIV) refers to the PHA's use of the verification tools available from independent sources that maintain computerized information about earnings and benefits. UIV will be used to the extent that these systems are available to the PHA.

There may be legitimate differences between the information provided by the family and UIV-generated information. If the family disputes the accuracy of UIV data, no adverse action can be taken until the PHA has independently verified the UIV information and the family has been granted an opportunity to contest any adverse findings through the informal review/hearing process of the PHA.

See Chapter 6 for the PHA's policy on the use of UIV/EIV to project annual income.

#### **Upfront Income Verification Using HUD's Enterprise Income Verification (EIV) System (Mandatory)**

PHAs must use HUD's EIV system in its entirety as a third-party source to verify tenant employment and income information during mandatory reexaminations or recertifications of family composition and income in accordance with 24 CFR 5.236 and administrative guidance issued by HUD. The EIV system contains data showing earned income, unemployment benefits, social security benefits, and SSI benefits for participant families. The following policies apply to the use of HUD's EIV system.

### ***EIV Income Reports***

The data shown on income reports is updated quarterly. Data may be between 3 and 6 months old at the time reports are generated.

#### HACCC Policy

The PHA will obtain income reports for annual reexaminations on a monthly basis. Reports will be generated as part of the regular reexamination process.

Income reports will be compared to family-provided information as part of the annual reexamination process. Income reports may be used in the calculation of annual income, as described in Chapter 6-I.C. Income reports may also be used to meet the regulatory requirement for third party verification, as described above. Policies for resolving discrepancies between income reports and family-provided information will be resolved as described in Chapter 6-I.C. and in this chapter.

Income reports will be used in interim reexaminations to identify any discrepancies between reported income and income shown in the EIV system, and as necessary to verify and calculate earned income, unemployment benefits, Social Security and/or SSI benefits. EIV will also be used to verify that families claiming zero income are not receiving income from any of these sources.

Income reports will be retained in participant files with the applicable annual or interim reexamination documents.

When the PHA determines through income reports and third-party verification that a family has concealed or under-reported income, corrective action will be taken pursuant to the policies in Chapter 14, Program Integrity.

### ***EIV Identity Verification***

The EIV system verifies tenant identities against SSA records. These records are compared to PIC data for a match on social security number, name, and date of birth.

PHAs are required to use EIV's *Identity Verification Report* on a monthly basis to improve the availability of income information in EIV [Notice PIH 2017-12].

When identity verification for a participant fails, a message will be displayed within the EIV system and no income information will be displayed.

#### HACCC Policy

The PHA will identify participants whose identity verification has failed by reviewing EIV's *Identity Verification Report* on a monthly basis.

The PHA will attempt to resolve PIC/SSA discrepancies by obtaining appropriate documentation from the participant. When the PHA determines that discrepancies exist due to PHA errors such as spelling errors or incorrect birth dates, the errors will be corrected promptly.

## **Upfront Income Verification Using Non-HUD Systems (Optional)**

In addition to mandatory use of the EIV system, HUD encourages PHAs to utilize other upfront verification sources.

### HACCC Policy

The PHA will inform all applicants and participants of its use of the following UIV resources during the admission and reexamination process:

HUD's EIV system

### **7-I.D. Fixed Income Sources of Income**

For any family member with a fixed source of income, HACCC shall determine that family member's income by means of a streamlined income determination. A streamlined income determination must be conducted by applying, for each fixed-income source, the verified cost of living adjustment (COLA) or current rate of interest to the previously verified or adjusted income amount.

- (1) Family member with a fixed source of income is defined as a family member whose income includes periodic payments at reasonably predictable levels from one or more of the following sources:
  - (i) Social Security, Supplemental Security Income, Supplemental Disability Insurance;
  - (ii) Federal, state, local, or private pension plans;
  - (iii) Annuities or other retirement benefit programs, insurance policies, disability or death benefits, or other similar types of periodic receipts; or
  - (iv) Any other source of income subject to adjustment by a verifiable COLA or current rate of interest.
- (2) HACCC shall use a COLA or current rate of interest specific to the fixed source of income in order to adjust the income amount. HACCC shall verify the appropriate COLA or current rate of interest from a public source or through tenant-provided, third party-generated documentation. If no such verification is available, then HACCC shall obtain third-party verification of income amounts in order to calculate the change in income for the source.
- (3) For any family member whose income is determined pursuant to a streamlined income determination, HACCC shall obtain third-party verification of all income amounts every 3 years.

### **7-I.E. THIRD-PARTY WRITTEN AND ORAL VERIFICATION**

HUD's current verification hierarchy defines two types of written third-party verification. The more preferable form, "written third-party verification," consists of an original document generated by a third-party source, which may be received directly from a third-party source or provided to the PHA by the family. If written third-party verification is not available, the PHA must attempt to obtain a "written third-party verification form." This is a standardized form used to collect information from a third party.

## **Written Third-Party Verification [Notice PIH 2017-12]**

Written third-party verification documents must be original and authentic and may be supplied by the family or received from a third-party source.

Examples of acceptable tenant-provided documents include, but are not limited to: pay stubs, payroll summary reports, employer notice or letters of hire and termination, SSA benefit verification letters, bank statements, child support payment stubs, welfare benefit letters and/or printouts, and unemployment monetary benefit notices.

The PHA is required to obtain, at minimum, two current and consecutive pay stubs for determining annual income from wages.

The PHA may reject documentation provided by the family if the document is not an original, if the document appears to be forged, or if the document is altered, mutilated, or illegible.

### HACCC Policy

Third-party documents provided by the family must be dated within 60 days of the PHA request date. Documents older than 60 days (from the PHA interview/determination or request date) is acceptable for confirming effective dates of income.

If the PHA determines that third-party documents provided by the family are not acceptable, the PHA will explain the reason to the family and request additional documentation.

As verification of earned income, the PHA will require the family to provide a minimum of the two most current, consecutive pay stubs. If additional pay stubs are submitted, HACCC will utilize up to four consecutive paystubs provided to calculate anticipated income for the next annual recertification. Where a participant or applicant has recently commenced employment, HACCC will utilize however many pay stubs have been received to date and attempt to supplement them with written verification from the employer.

Where an employer fails to respond to a request for verification of wages, HACCC shall utilize The Work Number to verify wages. The Work Number shall only be utilized when there is a lack of pay stubs and/or employment verification available to HACCC.

HACCC will make two attempts to obtain third-party documents provided by the family before attempting other methods of verification.

## **Written Third-Party Verification Form**

When upfront verification is not available and the family is unable to provide written third-party documents, the PHA must request a written third-party verification form. HUD's position is that this traditional third-party verification method presents administrative burdens and risks which may be reduced through the use of family-provided third-party documents.

PHAs may mail, fax, or e-mail third-party written verification form requests to third-party sources.

### HACCC Policy

The PHA will send third-party verification forms directly to the third party.

Third-party verification forms will be sent when third-party verification documents are unavailable or are rejected by the PHA.

HACCC will make one attempt to obtain verification forms from a third-party before utilizing oral third-party verification method.

### **Oral Third-Party Verification [Notice PIH 2017-12]**

For third-party oral verification, PHAs contact sources, identified by UIV techniques or by the family, by telephone or in person.

Oral third-party verification is mandatory if neither form of written third-party verification is available.

Third-party oral verification may be used when requests for written third-party verification forms have not been returned within a reasonable time—e.g., 10 business days.

PHAs should document in the file the date and time of the telephone call or visit, the name of the person contacted, the telephone number, as well as the information confirmed.

### HACCC Policy

In collecting third-party oral verification, PHA staff will record in the family's file the name and title of the person contacted, the date and time of the conversation (or attempt), the telephone number used, and the facts provided.

When any source responds verbally to the initial written request for verification the PHA will accept the verbal response as oral verification but will also request that the source complete and return any verification forms that were provided.

HACCC will make one attempt at oral third-party before utilizing self-certification verification method.

### **When Third-Party Verification is Not Required [Notice PIH 2017-12]**

Third-party verification may not be available in all situations. HUD has acknowledged that it may not be cost-effective or reasonable to obtain third-party verification of income, assets, or expenses when these items would have a minimal impact on the family's total tenant payment.

### HACCC Policy

If the family cannot provide original documents, the PHA will pay the service charge required to obtain third-party verification, unless it is not cost effective in which case a self-certification will be acceptable as the only means of verification. The cost of verification will not be passed on to the family.

The cost of postage and envelopes to obtain third-party verification of income, assets, and expenses is not an unreasonable cost [VG, p. 18].

### ***Primary Documents***

Third-party verification is not required when legal documents are the primary source, such as a birth certificate or other legal documentation of birth.

### ***Imputed Assets***

HUD permits PHAs to accept a self-certification from a family as verification of assets disposed of for less than fair market value [HCV GB, p. 5-28].

#### **HACCC Policy**

The PHA will accept a self-certification from a family as verification of assets disposed of for less than fair market value.

### **7-I.F. SELF-CERTIFICATION**

Self-certification, or “tenant declaration,” is used as a last resort when the PHA is unable to obtain third-party verification.

When the PHA relies on a tenant declaration for verification of income, assets, or expenses, the family’s file must be documented to explain why third-party verification was not available.

#### **HACCC Policy**

When information cannot be verified by a third party or by review of documents, family members will be required to submit self-certifications attesting to the accuracy of the information they have provided to the PHA.

The PHA may require a family to certify that a family member does not receive a particular type of income or benefit.

The self-certification must be made in a format acceptable to the PHA and must be signed by the family member whose information or status is being verified. All self-certifications must be signed in the presence of a PHA representative or PHA notary public.

**PART II: VERIFYING FAMILY INFORMATION**

**7-II.A. VERIFICATION OF LEGAL IDENTITY**

HACCC Policy

The PHA will require families to furnish verification of legal identity for each household member.

<b>Verification of Legal Identity for Adults</b>	<b>Verification of Legal Identity for Children</b>
<p>Certificate of birth, naturalization papers</p> <p>Church issued baptismal certificate</p> <p>Current, valid driver's license or Department of Motor Vehicles identification card</p> <p>US Armed Services identification card or draft record or U.S. military discharge (DD 214)</p> <p>Current U.S. passport or passport card</p> <p>Current employer identification card</p> <p>An unexpired foreign passport with an I-551 stamp, or with Form I-94 attached which indicates an unexpired employment authorization</p> <p>A Permanent Resident Card (often called a "green card") or Alien Registration Receipt Card with photograph</p> <p>An unexpired Temporary Resident Card</p> <p>And unexpired Employment Authorization Card</p> <p>An unexpired Employment Authorization Document issued by the Dept. of Homeland Security that includes a photograph (Form I-766)</p> <p>Federal or state ID card provided it contains a photograph and identifying information such as name, date of birth, gender, height, eye color and address.</p>	<p>Certificate of birth</p> <p>Adoption papers</p> <p>Custody agreement</p> <p>Health and Human Services ID</p> <p>Certified school records or report card</p> <p>Student Identification card</p> <p>Clinic, doctor or hospital record</p> <p>Day care or nursery school record</p>

School ID with photograph	
Voter Registration Card	
US Coast Guard Merchant Mariner Card	
Native American tribal document	
Driver's license issued by a Canadian government authority	

If a document submitted by a family is illegible for any reason or otherwise questionable, more than one of these documents may be required.

If none of these documents can be provided and at the PHA's discretion, a third party who knows the person may attest to the person's identity. The certification must be provided in a format acceptable to the PHA and be signed in the presence of a PHA representative or PHA notary public.

Legal identity will be verified for all applicants at the time of eligibility determination and in cases where the PHA has reason to doubt the identity of a person representing him or herself to be a participant.

**7-II.B. SOCIAL SECURITY NUMBERS [24 CFR 5.216, Notice PIH 2012-10]**

The family must provide documentation of a valid social security number (SSN) for each member of the household, with the exception of individuals who do not contend eligible immigration status. Exemptions also include, existing program participants who were at least 62 years of age as of January 31, 2010, and had not previously disclosed an SSN.

Note that an individual who previously declared to have eligible immigration status may not change his or her declaration for the purpose of avoiding compliance with the SSN disclosure and documentation requirements or penalties associated with noncompliance with these requirements. Nor may the head of household opt to remove a household member from the family composition for this purpose.

The PHA must accept the following documentation as acceptable evidence of the social security number:

- An original SSN card issued by the Social Security Administration (SSA)

- An original SSA-issued document, which contains the name and SSN of the individual

- An original document issued by a federal, state, or local government agency, which contains the name and SSN of the individual

The PHA may only reject documentation of an SSN provided by an applicant or participant if the document is not an original document or if the original document has been altered, mutilated, is illegible, or appears to be forged.

### HACCC Policy

The PHA will explain to the applicant or participant the reasons the document is not acceptable and request that the individual obtain and submit acceptable documentation of the SSN to the PHA within 90 days.

In the case of Moderate Rehabilitation Single Room Occupancy (SRO) individuals, the required documentation must be provided within 90 calendar days from the date of admission into the program. The PHA must grant one additional 90-day extension if it determines that the applicant's failure to comply was due to circumstances that were beyond the applicant's control and could not have been reasonably foreseen.

### HACCC Policy

The PHA will grant one additional 90-day extension if needed for reasons beyond the participant's control such as delayed processing of the SSN application by the SSA, natural disaster, fire, death in the family, or other emergency. If the individual fails to comply with SSN disclosure and documentation requirements upon expiration of the provided time period, the PHA will terminate the individual's assistance.

When a participant requests to add a new household member who is at least 6 years of age, or who is under the age of 6 and has an SSN, the participant must provide the complete and accurate SSN assigned to each new member at the time of reexamination or recertification, in addition to the documentation required to verify it. The PHA may not add the new household member until such documentation is provided.

When a participant has a child under 6 or requests to add a new household member who is under the age of 6 and has not been assigned an SSN, the participant must provide the SSN assigned to each new child and the required documentation within 90 calendar days of the child being added to the household or date of lease up, whichever is later. A 90-day extension will be granted if the PHA determines that the participant's failure to comply was due to unforeseen circumstances and was outside of the participant's control. During the period the PHA is awaiting documentation of the SSN, the child will be counted as part of the assisted household.

### HACCC Policy

The PHA will grant one additional 90-day extension if needed for reasons beyond the participant's control such as delayed processing of the SSN application by the SSA, natural disaster, fire, death in the family, or other emergency.

Social security numbers must be verified only once during continuously-assisted occupancy.

### HACCC Policy

The PHA will verify each disclosed SSN by:

Obtaining documentation from applicants and participants that is acceptable as evidence of social security numbers

Making a copy of the original documentation submitted, returning it to the individual, and retaining a copy in the file folder

Once the individual's verification status is classified as "verified," the PHA may, at its discretion, remove and destroy copies of documentation accepted as evidence of social security numbers. The retention of the EIV Summary Report or Income Report is adequate documentation of an individual's SSN.

#### HACCC Policy

Once an individual's status is classified as "verified" in HUD's EIV system, the PHA will remove and destroy copies of documentation accepted as evidence of social security numbers.

### **7-II.C. DOCUMENTATION OF AGE**

A birth certificate or other official record of birth is the preferred form of age verification for all family members. For elderly family members an original document that provides evidence of the receipt of social security retirement benefits is acceptable.

#### HACCC Policy

If an official record of birth or evidence of social security retirement benefits cannot be provided, the PHA will require the family to submit other documents that support the reported age of the family member (e.g., school records, driver's license if birth year is recorded) and to provide a self-certification.

Age must be verified only once during continuously-assisted occupancy.

### **7-II.D. FAMILY RELATIONSHIPS**

Applicants and program participants are required to identify the relationship of each household member to the head of household. Definitions of the primary household relationships are provided in the Eligibility chapter.

#### HACCC Policy

Family relationships are verified only to the extent necessary to determine a family's eligibility and level of assistance. Certification by the head of household normally is sufficient verification of family relationships.

#### **Marriage**

#### HACCC Policy

Certification by the head of household is normally sufficient verification. If the PHA has reasonable doubts about a marital relationship, the PHA will require the family to document the marriage.

A marriage certificate generally is required to verify that a couple is married.

#### **Separation or Divorce**

#### HACCC Policy

Certification by the head of household is normally sufficient verification. If the PHA has reasonable doubts about a separation or divorce, the PHA will require the family to provide documentation of the divorce or separation.

A certified copy of a divorce decree, signed by a court officer, is required to document that a couple is divorced.

A copy of a court-ordered maintenance or other court record is required to document a separation.

If no court document is available, documentation from a community-based agency will be accepted.

### **Absence of Adult Member**

#### HACCC Policy

If an adult member who was formerly a member of the household is reported to be permanently absent, the family must provide evidence to support that the person is no longer a member of the family (e.g., documentation of another address at which the person resides such as a lease or utility bill).

### **Foster Children and Foster Adults**

#### HACCC Policy

Third-party verification from the state or local government agency responsible for the placement of the individual with the family is required.

## **7-II.E. VERIFICATION OF STUDENT STATUS**

### **General Requirements**

#### HACCC Policy

The PHA requires families to provide information about the student status of all students who are 18 years of age or older. This information will be verified only if:

The family reports full-time student status for an adult other than the head, spouse, or cohead.

The family reports child care expenses to enable a family member to further his or her education.

The family includes a student enrolled in an *institution of higher education*.

### **Restrictions on Assistance to Students Enrolled in Institutions of Higher Education**

This section applies only to students who are seeking assistance on their own, separately from their parents. It does not apply to students residing with parents who are seeking or receiving HCV assistance.

#### HACCC Policy

In accordance with the verification hierarchy described in section 7-1.B, the PHA will determine whether the student is exempt from the restrictions in 24 CFR 5.612 by verifying any one of the following exemption criteria:

The student is enrolled at an educational institution that does not meet the definition of *institution of higher education* in the Higher Education Act of 1965 (see section Exhibit 3-2).

The student is at least 24 years old.

The student is a veteran, as defined in section 3-II.E.

The student is married.

The student has at least one dependent child, as defined in section 3-II.E.

The student is a person with disabilities, as defined in section 3-II.E, and was receiving assistance prior to November 30, 2005.

If the PHA cannot verify at least one of these exemption criteria, the PHA will conclude that the student is subject to the restrictions on assistance at 24 CFR 5.612. In addition to verifying the student's income eligibility, the PHA will then proceed to verify either the student's parents' income eligibility (see section 7-III.J) or the student's independence from his/her parents (see below).

## **Independent Student**

### HACCC Policy

The PHA will verify a student's independence from his/her parents to determine that the student's parents' income is not relevant for determining the student's eligibility by doing all of the following:

Either reviewing and verifying previous address information to determine whether the student has established a household separate from his/her parents for at least one year or reviewing and verifying documentation relevant to determining whether the student meets the U.S. Department of Education's definition of *independent student* (see section 3-II.E).

Reviewing the student's prior year income tax returns to verify the student is independent or verifying the student meets the U.S. Department of Education's definition of *independent student* (see section 3-II.E). Requesting and obtaining written certification directly from the student's parents identifying the amount of support they will be providing to the student, even if the amount of support is \$0, except in cases in which the PHA determines that the student is a *vulnerable youth* (see section 3-II.E)

## **7-II.F. DOCUMENTATION OF DISABILITY**

The PHA must verify the existence of a disability in order to allow certain income disallowances and deductions from income. The PHA is not permitted to inquire about the nature or extent of a person's disability [24 CFR 100.202(c)]. The PHA may not inquire about a person's diagnosis or details of treatment for a disability or medical condition. If the PHA receives a verification

document that provides such information, the PHA will not place this information in the tenant file. Under no circumstances will the PHA request a participant's medical record(s). For more information on health care privacy laws, see the Department of Health and Human Services' website at <http://www.hhs.gov/ocr/privacy/>.

The above cited regulation does not prohibit the following inquiries, provided these inquiries are made of all applicants, whether or not they are persons with disabilities [VG, p. 24]:

Inquiry into an applicant's ability to meet the requirements of ownership or tenancy

Inquiry to determine whether an applicant is qualified for a dwelling available only to persons with disabilities or to persons with a particular type of disability

Inquiry to determine whether an applicant for a dwelling is qualified for a priority available to persons with disabilities or to persons with a particular type of disability

Inquiring whether an applicant for a dwelling is a current illegal abuser or addict of a controlled substance

Inquiring whether an applicant has been convicted of the illegal manufacture or distribution of a controlled substance

### **Family Members Receiving SSA Disability Benefits**

Verification of the receipt of disability benefits from the Social Security Administration (SSA) is sufficient verification of disability for the purpose of qualifying for waiting list preferences (if applicable) or certain income disallowances and deductions [VG, p. 23].

#### HACCC Policy

For family members claiming disability who receive disability benefits from the SSA, the PHA will attempt to obtain information about disability benefits through the HUD Enterprise Income Verification (EIV) system. If documentation from HUD's EIV System is not available, the PHA will request a current (dated within the last 60 days) SSA benefit verification letter from each family member claiming disability status. If the family is unable to provide the document(s), the PHA will ask the family to request a benefit verification letter by either calling SSA at 1-800-772-1213, or by requesting it from [www.ssa.gov](http://www.ssa.gov). Once the applicant or participant receives the benefit verification letter they will be required to provide it to the PHA.

### **Family Members Not Receiving SSA Disability Benefits**

Receipt of veteran's disability benefits, worker's compensation, or other non-SSA benefits based on the individual's claimed disability are not sufficient verification that the individual meets HUD's definition of disability in 24 CFR 5.403.

#### HACCC Policy

For family members claiming disability who do not receive disability benefits from the SSA, a knowledgeable professional must provide third-party verification that the family member meets the HUD definition of disability. See the Eligibility chapter for the HUD definition of disability. The knowledgeable professional will verify whether the family member does or does not meet the HUD definition.

## **7-II.G. CITIZENSHIP OR ELIGIBLE IMMIGRATION STATUS [24 CFR 5.508]**

### **Overview**

Housing assistance is not available to persons who are not citizens, nationals, or eligible immigrants. Prorated assistance is provided for "mixed families" containing both eligible and ineligible persons. A detailed discussion of eligibility requirements is in the Eligibility chapter. This verifications chapter discusses HUD and PHA verification requirements related to citizenship status.

The family must provide a certification that identifies each family member as a U.S. citizen, a U.S. national, an eligible noncitizen or an ineligible noncitizen and submit the documents discussed below for each family member. Once eligibility to receive assistance has been verified for an individual it need not be collected or verified again during continuously-assisted occupancy. [24 CFR 5.508(g)(5)]

### **U.S. Citizens and Nationals**

HUD requires a declaration for each family member who claims to be a U.S. citizen or national. The declaration must be signed personally by any family member 18 or older and by a guardian for minors.

The PHA may request verification of the declaration by requiring presentation of a birth certificate, United States passport or other appropriate documentation.

#### HACCC Policy

Family members who claim U.S. citizenship or national status will not be required to provide additional documentation unless the PHA receives information indicating that an individual's declaration may not be accurate.

### **Eligible Immigrants**

#### ***Documents Required***

All family members claiming eligible immigration status must declare their status in the same manner as U.S. citizens and nationals.

The documentation required for eligible noncitizens varies depending upon factors such as the date the person entered the U.S., the conditions under which eligible immigration status has been granted, age, and the date on which the family began receiving HUD-funded assistance. Exhibit 7-1 at the end of this chapter summarizes documents family members must provide.

#### ***PHA Verification*** [HCV GB, pp. 5-3 and 5-7]

For family members age 62 or older who claim to be eligible immigrants, proof of age is required in the manner described in 7-II.C. of this plan. No further verification of eligible immigration status is required.

For family members under the age of 62 who claim to be eligible immigrants, the PHA must verify immigration status with the United States Citizenship and Immigration Services (USCIS).

The PHA will follow all USCIS protocols for verification of eligible immigration status.

## **7-II.H. VERIFICATION OF PREFERENCE STATUS**

The PHA must verify any preferences claimed by an applicant that determined placement on the waiting list.

### HACCC Policy

The PHA must verify any preferences claimed by an applicant.

## **PART III: VERIFYING INCOME AND ASSETS**

Chapter 6, Part I of this plan describes in detail the types of income that are included and excluded and how assets and income from assets are handled. Any assets and income reported by the family must be verified. This part provides PHA policies that supplement the general verification procedures specified in Part I of this chapter.

### **7-III.A. EARNED INCOME**

#### **Tips**

##### HACCC Policy

Unless tip income is included in a family member's W-2 by the employer, persons who work in industries where tips are standard will be required to sign a certified estimate of tips received for the prior year and tips anticipated to be received in the coming year.

#### **Wages**

##### HACCC Policy

For wages other than tips, the family must provide originals of the two most current, consecutive pay stubs. If additional pay stubs are submitted, the PHA will only utilize consecutive paystubs provided to calculate anticipated income for the next annual recertification.

### **7-III.B. BUSINESS AND SELF EMPLOYMENT INCOME**

##### HACCC Policy

Business owners and self-employed persons will be required to provide:

An audited financial statement for the previous fiscal year if an audit was conducted. If an audit was not conducted, a statement of income and expenses must be submitted and the business owner or self-employed person must certify to its accuracy.

All schedules completed for filing federal and local taxes in the preceding year.

If accelerated depreciation was used on the tax return or financial statement, an accountant's calculation of depreciation expense, computed using straight-line depreciation rules.

The PHA will provide a format for any person who is unable to provide such a statement to record income and expenses for the coming year. The business owner/self-employed person will be required to submit the information requested and to certify to its accuracy at all future reexaminations.

At any reexamination the PHA may request documents that support submitted financial statements such as manifests, appointment books, cash books, or bank statements.

If a family member has been self-employed less than three (3) months, the PHA will accept the family member's certified estimate of income and schedule an interim reexamination in three (3) months. If the family member has been self-employed for three

(3) to twelve (12) months the PHA will require the family to provide documentation of income and expenses for this period and use that information to project income.

### **7-III.C. PERIODIC PAYMENTS AND PAYMENTS IN LIEU OF EARNINGS**

For policies governing streamlined income determinations for fixed sources of income, please see Chapter 11.

#### **Social Security/SSI Benefits**

##### HACCC Policy

To verify the SS/SSI benefits of applicants, the PHA will request a current (dated within the last 60 days) SSA benefit verification letter from each family member that receives social security benefits. If the family is unable to provide the document(s), the PHA will help the applicant request a benefit verification letter from SSA's Web site at [www.ssa.gov](http://www.ssa.gov) or ask the family to request one by calling SSA at 1-800-772-1213. Once the applicant has received the benefit verification letter they will be required to provide it to the PHA.

To verify the SS/SSI benefits of participants, the PHA will obtain information about social security/SSI benefits through the HUD EIV System, and confirm with the participant(s) that the current listed benefit amount is correct. If the participant disputes the EIV-reported benefit amount, or if benefit information is not available in HUD systems, the PHA will request a current SSA benefit verification letter from each family member that receives social security benefits. If the family is unable to provide the document(s) the PHA will help the participant request a benefit verification letter from SSA's Web site at [www.ssa.gov](http://www.ssa.gov) or ask the family to request one by calling SSA at 1-800-772-1213. Once the participant has received the benefit verification letter they will be required to provide it to the PHA.

### **7-III.D. ALIMONY OR CHILD SUPPORT**

##### HACCC Policy

The methods the PHA will use to verify alimony and child support payments differ depending on whether the family declares that it receives regular payments.

If the family declares that it *receives regular payments*, verification will be obtained in the following order of priority:

1. Third-party verification form from the state or local child support enforcement agency for the most recent prior four months.
2. Copies of the receipts and/or payment stubs for the most recent prior four months.
3. Third-party verification form from the person paying the support (such as a copy of a separation or settlement agreement or a divorce decree stating amount and type of support and payment schedules)
4. Family's self-certification of amount received

If the family declares that it *receives irregular or no payments*, in addition to the verification process listed above, the family must provide evidence that it has taken all reasonable efforts to collect amounts due. This may include:

A statement from any agency responsible for enforcing payment that shows the family has requested enforcement and is cooperating with all enforcement efforts

If the family has made independent efforts at collection, a written statement from the attorney or other collection entity that has assisted the family in these efforts

*Note:* Families are not required to undertake independent enforcement action.

### **7-III.E. ASSETS AND INCOME FROM ASSETS**

#### **Assets Declared to be less than \$5000**

In accordance with PIH Notice 2013-3 HACCC has elected to allow households to self-certify assets with a total household value of less than \$5000 and will not require third party verification of these assets. Households will be required to declare the value of all assets on the Personal Declaration and this declaration will serve as self-certification for assets with a cumulative total of less than \$5000. All assets with a cumulative declared value greater than \$5000 must be verified through the verification hierarchy described in this Chapter.

HACCC must obtain third party verification of family assets every 3 years. Assets shall be reported by submission of the most current checking and/or savings statement. Verification can also be a printout of the electronic on-line banking statement or original receipt from an automatic teller machine.

#### **Assets Disposed of for Less than Fair Market Value**

The family must certify whether any assets have been disposed of for less than fair market value in the preceding two years. The PHA needs to verify only those certifications that warrant documentation [HCV GB, p. 5-28].

##### HACCC Policy

The PHA will verify the value of assets disposed of only if:

The PHA does not already have a reasonable estimation of its value from previously collected information, or

The amount reported by the family in the certification appears obviously in error.

Example 1: An elderly participant reported a \$10,000 certificate of deposit at the last annual reexamination and the PHA verified this amount. Now the person reports that she has given this \$10,000 to her son. The PHA has a reasonable estimate of the value of the asset; therefore, re-verification of the value of the asset is not necessary.

Example 2: A family member has disposed of its 1/4 share of real property located in a desirable area and has valued her share at approximately 5,000. Based upon market

conditions, this declaration does not seem realistic. Therefore, the PHA will verify the value of this asset.

### **7-III.F. NET INCOME FROM RENTAL PROPERTY**

#### HACCC Policy

The family must provide:

A current executed lease for the property that shows the rental amount or certification from the current tenant

A self-certification from the family members engaged in the rental of property providing an estimate of expenses for the coming year and the most recent IRS Form 1040 with Schedule E (Rental Income). If schedule E was not prepared, the PHA will require the family members involved in the rental of property to provide a self-certification of income and expenses for the previous year and may request documentation to support the statement including: tax statements, insurance invoices, bills for reasonable maintenance and utilities, and bank statements or amortization schedules showing monthly interest expense.

### **7-III.G. RETIREMENT ACCOUNTS**

#### HACCC Policy

The PHA will accept written third-party documents supplied by the family as evidence of the status of retirement accounts.

The type of original document that will be accepted depends upon the family member's retirement status.

- *Before* retirement, the PHA will accept an original document from the entity holding the account with a date that shows it is the most recently scheduled statement for the account but in no case earlier than 6 months from the effective date of the examination.
- *Upon* retirement, the PHA will accept an original document from the entity holding the account that reflects any distributions of the account balance, any lump sums taken and any regular payments.
- *After* retirement, the PHA will accept an original document from the entity holding the account dated no earlier than 12 months before that reflects any distributions of the account balance, any lump sums taken and any regular payments.

### **7-III.H. INCOME FROM EXCLUDED SOURCES**

A detailed discussion of excluded income is provided in Chapter 6, Part I.

HUD guidance on verification of excluded income draws a distinction between income which is fully excluded and income which is only partially excluded.

For **fully excluded income**, the PHA is **not** required to follow the verification hierarchy, document why third-party verification is not available, or report the income on the 50058. Fully

excluded income is defined as income that is entirely excluded from the annual income determination (for example, food stamps, earned income of a minor, or foster care funds) [Notice PIH 2013-04].

PHAs may accept a family's signed application or reexamination form as self-certification of fully excluded income. They

do not have to require additional documentation. However, if there is any doubt that a source of income qualifies for full exclusion, PHAs have the option of requiring additional verification.

For **partially excluded income**, the PHA is required to follow the verification hierarchy and all applicable regulations, and to report the income on the 50058. Partially excluded income is defined as income where only a certain portion of what is reported by the family qualifies to be excluded and the remainder is included in annual income (for example, the income of an adult full-time student, or income excluded under the earned income disallowance).

#### HACCC Policy

The PHA will accept the family's self-certification as verification of fully excluded income. The PHA may request additional documentation if necessary to document the income source.

The PHA will verify the source and amount of partially excluded income as described in Part 1 of this chapter.

### **7-III.I. ZERO ANNUAL INCOME STATUS**

#### HACCC Policy

The PHA will check UIV sources and/or request information from third-party sources to verify that certain forms of income such as unemployment benefits, TANF, SS, SSI, and earnings are not being received by families claiming to have zero annual income.

### **7-III.J. STUDENT FINANCIAL ASSISTANCE**

Any financial assistance, in excess of amounts received for tuition, as defined by the Higher Education Act of 1965, that a person attending an institution of higher education receives under the Higher Education Act of 1965, from private sources, or from an institution of higher education must be considered income unless the student is over the age of 23 with dependent children or is residing with parents who are seeking or receiving HCV assistance [24 CFR 5.609(b)(9) and FR 4/10/06].

For students over the age of 23 with dependent children or students residing with parents who are seeking or receiving HCV assistance, the full amount of student financial assistance is excluded from annual income [24 CFR 5.609(c)(6)]. The full amount of student financial assistance is also excluded for students attending schools that do not qualify as institutions of higher education (as defined in Exhibit 3-2). Excluded amounts are verified only if, without verification, the PHA would not be able to determine whether or to what extent the income is to be excluded (see section 7-III.H).

### HACCC Policy

For a student subject to having a portion of his/her student financial assistance included in annual income in accordance with 24 CFR 5.609(b)(9), the PHA will request written third-party verification of both the source and the amount. Family-provided documents from the educational institution attended by the student will be requested, as well as documents generated by any other person or entity providing such assistance, as reported by the student.

In addition, the PHA will request written verification of the student's tuition amount.

If the PHA is unable to obtain third-party written verification of the requested information, the PHA will pursue other forms of verification following the verification hierarchy in section 7-I.B.

### **7-III.K. PARENTAL INCOME OF STUDENTS SUBJECT TO ELIGIBILITY RESTRICTIONS**

If a student enrolled at an institution of higher education is under the age of 24, is not a veteran, is not married, does not have a dependent child, and is not a person with disabilities receiving HCV assistance as of November 30, 2005, the income of the student's parents must be considered when determining income eligibility, unless the student is determined independent from his or her parents or a *vulnerable youth* in accordance with PHA policy [24 CFR 5.612 FR Notice 4/10/06, and FR Notice 9/21/16].

This provision does not apply to students residing with parents who are seeking or receiving HCV assistance. It is limited to students who are seeking or receiving assistance on their own, separately from their parents.

### HACCC Policy

If the PHA is required to determine the income eligibility of a student's parents, the PHA will request an income declaration and certification of income from the appropriate parent(s) (as determined in section 3-II.E). The PHA will send the request directly to the parents, who will be required to certify to their income under penalty of perjury. The parents will be required to submit the information directly to the PHA. The required information must be submitted (postmarked) within 14 calendar days of the date of the PHA's request or within any extended timeframe approved by the PHA.

The PHA reserves the right to request and review supporting documentation at any time if it questions the declaration or certification. Supporting documentation may include, but is not limited to, Internal Revenue Service (IRS) tax returns, consecutive and original pay stubs, bank statements, pension benefit statements, benefit award letters, and other official and authentic documents from a federal, state, or local agency.

## **PART IV: VERIFYING MANDATORY DEDUCTIONS**

### **7-IV.A. DEPENDENT AND ELDERLY/DISABLED HOUSEHOLD DEDUCTIONS**

The dependent and elderly/disabled family deductions require only that the PHA verify that the family members identified as dependents or elderly/disabled persons meet the statutory definitions. No further verifications are required.

#### **Dependent Deduction**

See Chapter 6 (6-II.B.) for a full discussion of this deduction. The PHA must verify that:

- Any person under the age of 18 for whom the dependent deduction is claimed is not the head, spouse, or cohead of the family and is not a foster child
- Any person age 18 or older for whom the dependent deduction is claimed is not a foster adult or live-in aide, and is a person with a disability or a full time student

#### **Elderly/Disabled Family Deduction**

See Eligibility chapter for a definition of elderly and disabled families and Chapter 6 (6-II.C.) for a discussion of the deduction. The PHA must verify that the head, spouse, or cohead is 62 years of age or older or a person with disabilities.

### **7-IV.B. MEDICAL EXPENSE DEDUCTION**

Policies related to medical expenses are found in 6-II.D. The amount of the deduction will be verified following the standard verification procedures described in Part I.

#### **Amount of Expense**

##### HACCC Policy

Medical expenses will be verified through:

Written third-party documents provided by the family, such as pharmacy printouts or receipts.

The PHA will make a best effort to determine what expenses from the past are likely to continue to occur in the future. The PHA will also accept evidence of monthly payments or total payments that will be due for medical expenses during the upcoming 12 months.

Written third-party verification forms, if the family is unable to provide acceptable documentation.

If third-party or document review is not possible, written family certification as to costs anticipated to be incurred during the upcoming 12 months.

In addition, the PHA must verify that:

- The household is eligible for the deduction.
- The costs to be deducted are qualified medical expenses.
- The expenses are not paid for or reimbursed by any other source.

- Costs incurred in past years are counted only once.

### **Eligible Household**

The medical expense deduction is permitted only for households in which the head, spouse, or cohead is at least 62, or a person with disabilities. The PHA must verify that the family meets the definition of an elderly or disabled family provided in the Eligibility chapter and as described in Chapter 7 (7-IV.A.) of this plan.

### **Qualified Expenses**

To be eligible for the medical expenses deduction, the costs must qualify as medical expenses. See Chapter 6 (6-II.D.) for the PHA's policy on what counts as a medical expense.

### **Unreimbursed Expenses**

To be eligible for the medical expenses deduction, the costs must not be reimbursed by another source.

#### HACCC Policy

The family will be required to certify that the medical expenses are not paid or reimbursed to the family from any source. If expenses are verified through a third party, the third party must certify that the expenses are not paid or reimbursed from any other source.

### **Expenses Incurred in Past Years**

#### HACCC Policy

When anticipated costs are related to on-going payment of medical bills incurred in past years, the PHA will verify:

The anticipated repayment schedule

The amounts paid in the past, and

Whether the amounts to be repaid have been deducted from the family's annual income in past years

### **7-IV.C. DISABILITY ASSISTANCE EXPENSES**

Policies related to disability assistance expenses are found in 6-II.E. The amount of the deduction will be verified following the standard verification procedures described in Part I.

### **Amount of Expense**

#### *Attendant Care*

#### HACCC Policy

The PHA will accept written third-party documents provided by the family.

If family-provided documents are not available, the PHA will provide a third-party verification form directly to the care provider requesting the needed information.

Expenses for attendant care will be verified through:

Written third-party documents provided by the family, such as receipts or cancelled checks.

Third-party verification form signed by the provider, if family-provided documents are not available.

If third-party verification is not possible, written family certification as to costs anticipated to be incurred for the upcoming 12 months.

### ***Auxiliary Apparatus***

#### HACCC Policy

Expenses for auxiliary apparatus will be verified through:

Written third-party documents provided by the family, such as billing statements for purchase of auxiliary apparatus, or other evidence of monthly payments or total payments that will be due for the apparatus during the upcoming 12 months.

Third-party verification form signed by the provider, if family-provided documents are not available.

If third-party verification is not possible, written family certification of estimated apparatus costs for the upcoming 12 months.

In addition, the PHA must verify that:

- The family member for whom the expense is incurred is a person with disabilities (as described in 7-II.F above).
- The expense permits a family member, or members, to work (as described in 6-II.E.).
- The expense is not reimbursed from another source (as described in 6-II.E.).

### **Family Member is a Person with Disabilities**

To be eligible for the disability assistance expense deduction, the costs must be incurred for attendant care or auxiliary apparatus expense associated with a person with disabilities. The PHA will verify that the expense is incurred for a person with disabilities (See 7-II.F.).

### **Family Member(s) Permitted to Work**

The PHA must verify that the expenses claimed actually enable a family member, or members, (including the person with disabilities) to work.

#### HACCC Policy

The PHA will request third-party verification from a rehabilitation agency or knowledgeable medical professional indicating that the person with disabilities requires attendant care or an auxiliary apparatus to be employed, or that the attendant care or auxiliary apparatus enables another family member, or members, to work (See 6-II.E.). This documentation may be provided by the family.

If third-party verification has been attempted and is either unavailable or proves unsuccessful, the family must certify that the disability assistance expense frees a family

member, or members (possibly including the family member receiving the assistance), to work.

### **Unreimbursed Expenses**

To be eligible for the disability expenses deduction, the costs must not be reimbursed by another source.

#### HACCC Policy

The family will be required to certify that attendant care or auxiliary apparatus expenses are not paid by or reimbursed to the family from any source.

### **7-IV.D. CHILD CARE EXPENSES**

Policies related to child care expenses are found in Chapter 6 (6-II.F). The amount of the deduction will be verified following the standard verification procedures described in Part I of this chapter. In addition, the PHA must verify that:

- The child is eligible for care (12 or younger).
- The costs claimed are not reimbursed.
- The costs enable a family member to work, actively seek work, or further their education.
- The costs are for an allowable type of child care.
- The costs are reasonable.

### **Eligible Child**

To be eligible for the child care deduction, the costs must be incurred for the care of a child under the age of 13. The PHA will verify that the child being cared for (including foster children) is under the age of 13 (See 7-II.C.).

### **Unreimbursed Expense**

To be eligible for the child care deduction, the costs must not be reimbursed by another source.

#### HACCC Policy

The family (and the care provider) will be required to certify that the child care expenses are not paid or reimbursed to the family from any source.

### **Pursuing an Eligible Activity**

The PHA must verify that the family member(s) that the family has identified as being enabled to seek work, pursue education, or be gainfully employed, are actually pursuing those activities.

#### HACCC Policy

##### *Information to be Gathered*

The PHA will verify information about how the schedule for the claimed activity relates to the hours of care provided, the time required for transportation, the time required for study (for students), the relationship of the family member(s) to the child, and any special

needs of the child that might help determine which family member is enabled to pursue an eligible activity.

#### *Seeking Work*

Whenever possible the PHA will use documentation from a state or local agency that monitors work-related requirements (e.g., welfare or unemployment). In such cases the PHA will request family-provided verification from the agency of the member's job seeking efforts to date, and require the family to submit to the PHA any reports provided to the other agency.

In the event third-party verification is not available, the PHA will provide the family with a form on which the family member must record job search efforts. The PHA will review this information at each subsequent reexamination for which this deduction is claimed.

#### *Furthering Education*

The PHA will request third-party documentation to verify that the person permitted to further his or her education by the child care is enrolled and provide information about the timing of classes for which the person is registered. The documentation may be provided by the family.

#### *Gainful Employment*

The PHA will seek third-party verification of the work schedule of the person who is permitted to work by the child care. In cases in which two or more family members could be permitted to work, the work schedules for all relevant family members may be verified. The documentation may be provided by the family.

### **Allowable Type of Child Care**

The type of care to be provided is determined by the family, but must fall within certain guidelines, as discussed in Chapter 6.

#### HACCC Policy

The PHA will verify that the type of child care selected by the family is allowable, as described in Chapter 6 (6-II.F).

The PHA will verify that the fees paid to the child care provider cover only child care costs (e.g., no housekeeping services or personal services) and are paid only for the care of an eligible child (e.g., prorate costs if some of the care is provided for ineligible family members).

The PHA will verify that the child care provider is not an assisted family member. Verification will be made through the head of household's declaration of family members who are expected to reside in the unit.

### **Reasonableness of Expenses**

Only reasonable child care costs can be deducted.

### HACCC Policy

The actual costs the family incurs will be compared with the PHA's established standards of reasonableness for the type of care in the locality to ensure that the costs are reasonable.

If the family presents a justification for costs that exceed typical costs in the area, the PHA will request additional documentation, as required, to support a determination that the higher cost is appropriate.

**EXHIBIT 7-1: SUMMARY OF DOCUMENTATION REQUIREMENTS FOR NONCITIZENS [HCV GB, pp. 5-9 and 5-10]**

- All noncitizens claiming eligible status must sign a declaration of eligible immigrant status on a form acceptable to the PHA.
- Except for persons 62 or older, all noncitizens must sign a verification consent form
- Additional documents are required based upon the person's status.

**Elderly Noncitizens**

- A person 62 years of age or older who claims eligible immigration status also must provide proof of age such as birth certificate, passport, or documents showing receipt of SS old-age benefits.

**All other Noncitizens**

- Noncitizens that claim eligible immigration status also must present the applicable USCIS document. Acceptable USCIS documents are listed below.

<ul style="list-style-type: none"> <li>• Form I-551 Alien Registration Receipt Card (for permanent resident aliens)</li> <li>• Form I-94 Arrival-Departure Record annotated with one of the following:             <ul style="list-style-type: none"> <li>• “Admitted as a Refugee Pursuant to Section 207”</li> <li>• “Section 208” or “Asylum”</li> <li>• “Section 243(h)” or “Deportation stayed by Attorney General”</li> <li>• “Paroled Pursuant to Section 221 (d)(5) of the USCIS”</li> </ul> </li> </ul>	<ul style="list-style-type: none"> <li>• Form I-94 Arrival-Departure Record with no annotation accompanied by:             <ul style="list-style-type: none"> <li>• A final court decision granting asylum (but only if no appeal is taken);</li> <li>• A letter from a USCIS asylum officer granting asylum (if application is filed on or after 10/1/90) or from a USCIS district director granting asylum (application filed before 10/1/90);</li> <li>• A court decision granting withholding of deportation; or</li> <li>• A letter from an asylum officer granting withholding or deportation (if application filed on or after 10/1/90).</li> </ul> </li> </ul>
--	--

<ul style="list-style-type: none"> <li>• Form I-688 Temporary Resident Card annotated “Section 245A” or Section 210”.</li> </ul>	<ul style="list-style-type: none"> <li>• Form I-688B Employment Authorization Card annotated “Provision of Law 274a. 12(11)” or “Provision of Law 274a.12”.</li> </ul>
--	--

- A receipt issued by the USCIS indicating that an application for issuance of a replacement document in one of the above listed categories has been made and the applicant’s entitlement to the document has been verified; or
- Other acceptable evidence. If other documents are determined by the USCIS to constitute acceptable evidence of eligible immigration status, they will be announced by notice published in the *Federal Register*

## CHAPTER 8

### HOUSING QUALITY STANDARDS AND RENT REASONABLENESS DETERMINATIONS

[24 CFR 982 Subpart I and 24 CFR 982.507]

#### INTRODUCTION

HUD requires that all units occupied by families receiving Housing Choice Voucher (HCV) assistance meet HUD's Housing Quality Standards (HQS) and permits HACCC to establish additional requirements. The use of the term "HQS" in this plan refers to the combination of both HUD and PHA-established requirements. All units must pass an HQS inspection prior to the approval of a lease and at least once every 24 months during the term of the contract, and at other times as needed, to determine that the unit meets HQS.

HUD also requires PHAs to determine that rents for units under the program are reasonable when compared to comparable unassisted units in the market area.

This chapter explains HUD and PHA requirements related to housing quality and rent reasonableness as follows:

Part I. Physical Standards. This part discusses the physical standards required of units occupied by HCV-assisted families and identifies decisions about the acceptability of the unit that may be made by the family based upon the family's preference. It also identifies life-threatening conditions that must be addressed on an expedited basis.

Part II. The Inspection Process. This part describes the types of inspections HACCC will make and the steps that will be taken when units do not meet HQS.

Part III. Rent Reasonableness Determinations. This part discusses the policies HACCC will use to make rent reasonableness determinations.

Special HQS requirements for homeownership, manufactured homes, and other special housing types are discussed in Chapter 15 to the extent that they apply in this jurisdiction.

## **PART I: PHYSICAL STANDARDS**

### **8-I.A. GENERAL HUD REQUIREMENTS**

#### **HUD Performance and Acceptability Standards**

HUD's performance and acceptability standards for HCV-assisted housing are provided in 24 CFR 982.401. These standards cover the following areas:

- Sanitary facilities
- Food preparation and refuse disposal
- Space and Security
- Thermal Environment
- Illumination and electricity
- Structure and materials
- Interior Air Quality
- Water Supply
- Lead-based paint
- Access
- Site and neighborhood
- Sanitary condition
- Smoke Detectors

A summary of HUD performance criteria is provided in Exhibit 8-1. Additional guidance on these requirements is found in the following HUD resources:

- Housing Choice Voucher Guidebook, Chapter 10.
- HUD Housing Inspection Manual for Section 8 Housing
- HUD Inspection Form, form HUD-52580 (3/01) and Inspection Checklist, form HUD-52580-A (9/00)
- HUD Notice 2003-31, Accessibility Notice: Section 504 of the Rehabilitation Act of 1973; the Americans with Disabilities Act of 1990; the Architectural Barriers Act of 1968 and the Fair Housing Act of 1988.

#### **Tenant Preference Items**

HUD requires HACCC to enforce minimum HQS but also recognizes that certain judgments about the acceptability of the unit are left to the family. For example, HACCC must ensure that the unit contains the required sanitary facilities, but the family decides whether the cosmetic appearance of the facilities is acceptable. Exhibit 8-2 summarizes those items that are considered tenant preferences.

## **Modifications to Provide Accessibility**

Under the Fair Housing Act of 1988 an owner must not refuse the request of a family that contains a person with a disability to make necessary and reasonable modifications to the unit. Such modifications are at the family's expense. The owner may require restoration of the unit to its original condition if the modification would interfere with the owner or next occupant's full enjoyment of the premises. The owner may not increase a customarily required security deposit. However, the landlord may negotiate a restoration agreement that requires the family to restore the unit and, if necessary to ensure the likelihood of restoration, may require the tenant to pay a reasonable amount into an interest bearing escrow account over a reasonable period of time. The interest in any such account accrues to the benefit of the tenant. The owner may also require reasonable assurances that the quality of the work will be acceptable and that any required building permits will be obtained.[24 CFR 100.203; Notice 2003-31].

Modifications to units to provide access for a person with a disability must meet all applicable HQS requirements and conform to the design, construction, or alteration of facilities contained in the UFAS and the ADA Accessibility Guidelines (ADAAG) [28 CFR 35.151(c) and Notice 2003-31] See Chapter 2 of this plan for additional information on reasonable accommodations for persons with disabilities.

### HACCC Policy

Any owner that intends to negotiate a restoration agreement or require an escrow account must submit the agreement(s) to HACCC for review.

## **8-I.B. ADDITIONAL LOCAL REQUIREMENTS**

HACCC may impose variations to the HQS as long as the additional criteria are not likely to adversely affect the health or safety of participant families or severely restrict housing choices for families. HUD approval is required for variations to the HQS. HUD approval is not required if HACCC variations are clarifications of HUD's acceptability criteria or performance standards [24 CFR 982.401(a)(4)].

### **Thermal Environment [HCV GB p.10-7]**

HACCC must define a "healthy living environment" for the local climate. This may be done by establishing a temperature that the heating system must be capable of maintaining, that is appropriate for the local climate.

### HACCC Policy

The heating system must be in working condition and be capable of maintaining an interior temperature of 68 degrees Fahrenheit between October 1 and May 31.

When present, air conditioners must function properly and control knobs must be functioning and readable. Grates or covers must also be present.

## Other Local Requirements

### HACCC Policy

#### *Detectors*

Carbon Monoxide (CO<sub>2</sub>) detectors must be installed in accordance with California law (SB-183 - Carbon Monoxide Poisoning Prevention Act).

A. Carbon Monoxide devices must be installed in the following locations:

1. Outside each separate sleeping area in the immediate vicinity of the bedroom(s) in the dwelling unit;
2. On every level including the basement within which fuel-fired appliances are installed;
3. In dwelling units (single-family dwelling, duplex, condominium, or dwelling unit in a multiple-unit dwelling unit building) that have attached garages.

B. The Carbon Monoxide Detector must be operational at the time the tenant takes possession of the unit.

Smoke Detectors must be installed in accordance with the requirements of California Residential Building Code (R314).

A. Smoke alarms are to be installed in the following locations:

1. In each sleeping room.
2. Outside each separate sleeping area in the immediate vicinity of the bedrooms. One alarm in the hallway outside each cluster of bedrooms is acceptable.
3. On each additional story of the dwelling, including basements and habitable attics but not including crawl spaces and uninhabitable attics. In dwellings or dwelling units with split levels and without an intervening door between the adjacent levels, a smoke alarm installed on the upper level shall suffice for the adjacent lower level provided that the lower level is less than one full story below the upper level.

B. Effective July 1, 2015, all battery operated smoke alarms **MUST** contain a non-removable battery that is rated to last 10 years. Owners should indicate the install date on the smoke alarm unit. If no date has been entered on the smoke alarm unit, then the date of manufacture indicated on the smoke alarm unit shall be used to determine if the unit is compliant.

Landlords cannot make the tenant responsible for testing or maintaining the smoke alarm. It is the tenant's responsibility to notify the owner if a smoke alarm or Carbon Monoxide Detector is deficient or inoperable.

#### *Garages and Storage Areas*

Either attached or detached, the garage must be a part of the rental agreement.

Owners are not permitted to store their belongings or rent the space **unless the garage has been properly converted into a separate dwelling unit as defined in the lease or**

**rental agreement.** Existing HAP contracts wherein owners were allowed to store their items in detached garages or other storage structures will be grandfathered into compliance. New contracts effective after January 1, 2014 will be governed by this policy.

### ***Additional Plumbing Requirements***

Water Heaters must meet the following State requirements:

California Health and Safety Code, Section 19211(a): Water heaters shall be braced, anchored, or strapped to resist falling or horizontal displacement due to earthquake motion. At a minimum, any water heater shall be secured in accordance with California Plumbing Code pursuant to 17958.5.

Uniform Plumbing Code (UPC) 510.5: Water heater must be strapped with two seismic straps: one located within the top third of the water heater and one at the bottom third. The strap must be located at least 4" away from the water heater controls.

### ***Utilities***

In units where the tenant must pay for utilities, each unit must have separate metering device(s) for measuring utility consumption and direct billing by the utility service provider. The owner must be responsible for paying the utilities for units with centralized shared utility meters for their units. The owner is not permitted to request or require the tenant to reimburse them for utility use in units with centralized utility meters.

Apartment communities that have centralized utility meters and have a Consumption Calculation Plan or Third Party Billing Contract must provide the HACCC a copy of the plan at the time of the initial process or when a request for change is submitted following the initial term or the lease.

## **Clarifications of HUD Requirements**

### **HACCC Policy**

As permitted by HUD, HACCC has adopted the following specific requirements that elaborate on HUD standards.

### ***Walls***

In areas where plaster or drywall is sagging, severely cracked, or otherwise damaged, it must be repaired or replaced.

### ***Appliances***

The oven heating elements and controls must work and all burners on the stove range must also work. All stove or range knobs must be present with readable temperature markings.

The family may choose to accept a microwave oven in place of a conventional oven, stove or range if the oven/stove/range are tenant supplied or if microwaves are furnished in both subsidized and unsubsidized units in the building or premises.

The family may choose to supply their own refrigerator but it must be in proper working order per HQS Standards.

Any owner-supplied appliances in the unit at initial inspection shall be maintained in proper working order by the owner throughout the tenancy. Should an owner-supplied appliance malfunction, the owner has the right to either repair the appliance or remove the defective item. If the owner refuses to repair an appliance but rather chooses to remove the appliance, this shall constitute a reduction in services and result in a reduction in the unit rent comparable to the annual utility allowance for a comparable tenant-provided appliance.

### ***Bedrooms***

Defined as a room used for sleeping (regardless of the type of room). At least one window is required. If the window in the sleeping rooms are designed to be opened, at least one window must be openable and must be in proper working order.

Also required in a bedroom:

- Two working outlets or one working outlet and one permanently installed light fixture.
- A permanent or removable closet is required in all rooms considered bedrooms.

Bedrooms in basements or attics are not permitted unless they meet local code requirements (unit meets bedroom/bathroom definition from Contra Costa County Tax Assessors Office) as well as HQS Standards. They must have adequate ventilation with emergency exit capability.

### ***Windows***

Window sashes must be in good condition, solid and intact, and properly fitted to the window frame. Damaged or deteriorated sashes must be replaced.

Windows must be weather-stripped as needed to ensure a weather-tight seal.

Window screens must be in good condition (applies only if screens are present).

### ***Doors***

All exterior doors must be weather-tight to avoid any air or water infiltration, be lockable, have no holes, have all trim intact, and have a threshold. All door jambs must be intact. Door jambs must have metal striker plates installed to maintain the integrity of the jam and function of the local mechanism. Each main swinging entry door of dwelling unit must have an operable single cylinder dead bolt lock. These doors include any exterior that will allow access to the unit (front door, door off a kitchen to rear yard, the door from the unit to a garage and any doors that allow direct access to the unit). Double key deadbolt locks are prohibited on any door in the unit. A door from the garage to the exterior of the unit does not require a dead bolt lock. Egress doors shall be readily openable without the use of a key or special knowledge or effort.

All interior doors must have no holes, have all trim intact, and be openable without the use of a key.

### ***Floors***

All wood floors must be sanded to a smooth surface and sealed. Any loose or warped boards must be refastened and made level. If they cannot be leveled, they must be replaced.

All floors must be in a finished state. Raw wood or unsealed concrete is not permitted.

All floors should have some type of base shoe, trim, or sealing for a "finished look." Vinyl base shoe is permitted.

### ***Sinks***

All sinks and commode water lines must have shut off valves, unless faucets are wall mounted.

All worn or cracked toilet seats and tank lids must be replaced and toilet tank lid must fit properly.

### ***Unit Exterior***

All rental units must have a street number and unit number or letter clearly labeled and visible from the street.

Each rental unit must have its own properly labeled official mailbox where the U.S. Postal Service officially delivers mail. **The exclusive use of the mailing address of the unit is for the family and approved family members as described in Chapter 3.I.J - Guests.**

Exterior fences: Owners may be requested to install, repair or remove a fence if a safety or security hazard is present and/or an area of the property must be separated for security reasons.

### ***Security***

If window security bars or security screens are present on emergency exit windows, they must be equipped with a quick release system. The owner is responsible for ensuring that the family is instructed on the use of the quick release system.

## **8-I.C. LIFE-THREATENING CONDITIONS [24 CFR 982.404(a); FR Notice 1/18/17]**

HUD requires HACCC to define life-threatening conditions and to notify the owner or the family (whichever is responsible) of the corrections required. The responsible party must correct life-threatening conditions within 24hours of PHA notification.

### **HACCC Policy**

The following are considered life-threatening conditions:

- Any condition that jeopardizes the security of the unit
- Major plumbing leaks or flooding, waterlogged ceiling or floor in imminent danger of falling
- Natural or LP gas or leaks
  - A fuel storage vessel, fluid line, valve, or connection that supplies fuel to a HVAC unit is leaking or a strong odor is detected with potential for explosion or fire or that results in a health risk if inhaled

- Any electrical problem or condition that could result in shock or fire
  - A light fixture is readily accessible, is not securely mounted to the ceiling or wall, and electrical connections or wires are exposed
  - A light fixture is hanging by its wires
  - A light fixture has a missing or broken bulb, and the open socket is readily accessible to the tenant during the day-to-day use of the unit
  - A receptacle (outlet) or switch is missing or broken and electrical connections or wires are exposed
  - An open circuit breaker position is not appropriately blanked off in a panel board, main panel board, or other electrical box that contains circuit breakers or fuses
  - A cover is missing from any electrical device box, panel box, switch gear box, control panel, etc., and there are exposed electrical connections
  - Any nicks, abrasions, or fraying of the insulation that exposes conducting wire
  - Exposed bare wires or electrical connections
  - Any condition that results in openings in electrical panels or electrical control device enclosures
  - Water leaking or ponding near any electrical device
  - Any condition that poses a serious risk of electrocution or fire and poses an immediate life-threatening condition
- Absence of a working heating system when outside temperature is below 68 degrees Fahrenheit between October 1 and May 31.
- Utilities not in service, including no running hot water
- Conditions that present the imminent possibility of injury
- Obstacles that prevent safe entrance or exit from the unit
  - Any components that affect the function of the fire escape are missing or damaged
  - Stored items or other barriers restrict or prevent the use of the fire escape in the event of an emergency
  - The building's emergency exit is blocked or impeded, thus limiting the ability of occupants to exit in a fire or other emergency
- Absence of a functioning toilet in the unit
- Absence of at least one working smoke detector per floor\* If there is one working smoke detector per floor any additional smoke detectors that are not working will be designated as a non-life threatening correction as prescribed in the HQS Manual and local fire codes.
- Missing or inoperable carbon monoxide detector on each floor.
- Missing, damaged, discharged, overcharged, or expired fire extinguisher (where required)

- Gas/oil-fired water heater or heating, ventilation, or cooling system with missing, damaged, improper, or misaligned chimney venting

The chimney or venting system on a fuel-fired water heater is misaligned, negatively pitched, or damaged, which may cause improper or dangerous venting or gases

A gas dryer vent is missing, damaged, or is visually determined to be inoperable, or the dryer exhaust is not vented to the outside

A fuel-fired space heater is not properly vented or lacks available combustion air

A non-vented space heater is present

Safety devices on a fuel-fired space heater are missing or damaged

The chimney or venting system on a fuel-fired heating, ventilation, or cooling system is misaligned, negatively pitched, or damaged, which may cause improper or dangerous venting of gas.

- Deteriorating paint as defined at 24 CFR 35.110 in a unit built before 1978 that is to be occupied by a family with a child under six years of age if it would prevent the family from moving into the unit

If an owner fails to correct life-threatening conditions as required by HACCC, the PHA will enforce the HQS in accordance with HUD requirements. See 8-II-G.

If a family fails to correct a family-caused life-threatening condition as required by HACCC, HACCC will enforce the family obligations. See 8-II.H.

The owner will be required to repair or replace an inoperable smoke detector or Carbon Monoxide Detector pursuant to California law.

## **8-I.D. OWNER AND FAMILY RESPONSIBILITIES [24 CFR 982.404]**

### **Family Responsibilities**

The family is responsible for correcting the following HQS deficiencies:

- Tenant-paid utilities not in service
- Failure to provide or maintain appliances owned by the family
- Damage to the unit or premises caused by a household member or guest beyond normal wear and tear that results in a breach of the HQS. "Normal wear and tear" is defined as items which could not be charged against the tenant's security deposit under state law or court practice.

### **Owner Responsibilities**

The owner is responsible for all HQS violations not listed as a family responsibility above, even if the violation is caused by the family's living habits (e.g., vermin infestation). However, if the family's actions constitute a serious or repeated lease violation the owner may take legal action to evict the family.

### **8-I.E. SPECIAL REQUIREMENTS FOR CHILDREN WITH ENVIRONMENTAL INTERVENTION BLOOD LEAD LEVEL [24 CFR 35.1225; FR Notice 1/13/17, Notice PIH 2017-13]**

If a PHA is notified by a public health department or other medical health care provider, or verifies information from a source other than a public health department or medical health care provider, that a child of less than six years of age, living in an HCV-assisted unit has been identified as having an environmental intervention blood lead level, HACCC must complete a risk assessment of the dwelling unit within 15 calendar days after being notified by a public health department or other medical health care provider.

The Lead Safe Housing Rule & Lead Disclosure Rule (LSHR) threshold for action pursuant to 24 CFR 35 is as follows:

- Confirmed EBLL  $\geq 5$   $\mu\text{g/dL}$  (micrograms/deciliter)
  - Notification by public health department or other medical health care provider
  - If reported by family or other source, PHA should attempt to confirm
- Aligned with Centers for Disease Control and Prevention (CDC) reference range of 5  $\mu\text{g/dL}$

The risk assessment must be completed in accordance with program requirements, and the result of the risk assessment must be immediately provided to the owner of the dwelling unit. In cases where the public health department has already completed an evaluation of the unit, this information must be provided to the owner.

Within 30 days after receiving the risk assessment report from HACCC, or the evaluation from the public health department, the owner is required to complete the reduction of identified lead-based paint hazards in accordance with the lead-based paint regulations [24 CFR 35.1325 and 35.1330]. If the owner does not complete the “hazard reduction” as required, the dwelling unit is in violation of HQS and HACCC will take action in accordance with Section 8-II.G.

PHA reporting requirements, and data collection and record keeping responsibilities related to children with an environmental intervention blood lead level are discussed in Chapter 16.

### **8-I.F. VIOLATION OF HQS SPACE STANDARDS [24 CFR 982.403]**

If HACCC determines that a unit does not meet the HQS space standards because of an increase in family size or a change in family composition, HACCC must issue the family a new voucher, and the family and PHA must try to find an acceptable unit as soon as possible. If an acceptable unit is available for rental by the family, HACCC must terminate the HAP contract in accordance with its terms.

## **PART II: THE INSPECTION PROCESS**

### **8-II.A. OVERVIEW [24 CFR 982.405]**

#### **Types of Inspections**

HACCC conducts the following types of inspections as needed. Each type of inspection is discussed in the paragraphs that follow.

- *Initial Inspections.* HACCC conducts initial inspections in response to a request from the family to approve a unit for participation in the HCV program. The unit must pass the HQS inspection on or before the effective date of the HAP Contract.
- *Biennial Inspections.* HUD requires HACCC to inspect each unit under lease at least every 24 months to confirm that the unit still meets HQS. The inspection may be conducted in conjunction with the family's annual reexamination but also may be conducted separately.
- *Special Inspections.* A special inspection may be requested by the owner, the family, or a third party as a result of problems identified with a unit between biennial inspections.
- *Quality Control Inspections.* HUD requires that a sample of units be inspected by a supervisor or other qualified individual to evaluate the work of the inspector(s) and to ensure that inspections are performed in compliance with the HQS.

#### **Inspection of PHA-Owned Units [24 CFR 982.352(b)]**

HACCC must obtain the services of an independent entity to perform all HQS inspections in cases where an HCV family is receiving assistance in a PHA-owned unit. A PHA-owned unit is defined as a unit in a project that is one of the following categories:

- (1) Owned by a PHA.
- (2) Owned by an entity wholly controlled by the PHA.
- (3) Owned by a limited liability company or limited partnership in which the PHA (or an entity wholly controlled by the PHA) holds a controlling interest in the managing member or general partner.

A “controlling interest” is—

- (A) Holding 50 percent or more of the stock of any corporation;
- (B) Having the power to appoint 50 percent or more of the members of the board of directors of a non-stock corporation (such as a non-profit corporation);
- (C) Where 50 percent or more of the members of the board of directors of any corporation also serve as directors, officers or employees of the PHA;
- (D) Holding 50 percent or more of all managing member interests in an LLC;
- (E) Holding 50 percent or more of all general partner interests in a partnership; or
- (F) Equivalent levels of control in other organizational structures.

Units in which PHAs have a different ownership interest are no longer considered to be owned by the PHA.

In order to be considered a “PHA-Owned” unit as described above, the PHA must have ownership interest in the building itself, not simply the land beneath the building.

The independent agency must communicate the results of each inspection to the family and HACCC. The independent agency must be approved by HUD, and may be the unit of general local government for HACCC jurisdiction (unless HACCC is itself the unit of general local government or an agency of such government).

### **Inspection Costs [Notice PIH 2016-05]**

HACCC may not charge the family or owner for unit inspections or reinspections [24 CFR 982.405(e)]. In the case of inspections of PHA-owned units, HACCC may compensate the independent agency from ongoing administrative fee for inspections performed. HACCC and the independent agency may not charge the family any fee or charge for the inspection [24 CFR.982.352(b)].

The PHA may not charge the owner for the inspection of the unit prior to the initial term of the lease or for a first inspection during assisted occupancy of the unit. However, the PHA may charge a reasonable fee to owners for reinspections in two situations: when the owner notifies the PHA that a repair has been made but the deficiency has not been corrected, and when the time for repairs has elapsed and the deficiency has not been corrected. Fees may not be imposed for tenant-caused damages, for cases in which the inspector could not gain access to the unit, or for new deficiencies discovered during a reinspection.

The owner may not pass the cost of a reinspection fee to the family. Reinspection fees must be added to the PHA's administrative fee reserves and may only be used for activities related to the provision of tenant-based assistance.

#### HACCC Policy

HACCC will not charge a fee for failed reinspections.

### **Notice and Scheduling**

The family must allow HACCC to inspect the unit at reasonable times with reasonable notice [24 CFR 982.551(d)].

#### HACCC Policy

Both the family and the owner will be given reasonable notice of all inspections. Except in the case of a life-threatening emergency, reasonable notice is considered to be not less than 48 hours. Inspections may be scheduled between 8:00 a.m. and 7:00 p.m. Generally inspections will be conducted on business days only. In the case of a life-threatening emergency, HACCC will give as much notice as possible, given the nature of the emergency.

### **Owner and Family Inspection Attendance**

HUD permits HACCC to set policy regarding family and owner presence at the time of inspection [HCV GB p. 10-27].

#### HACCC Policy

When a family occupies the unit at the time of inspection an authorized adult must be present for the inspection. The presence of the owner or the owner's representative is encouraged but is not required.

At initial inspection of a vacant unit, HACCC will inspect the unit in the presence of the owner or owner's representative. The presence of a family representative is permitted, but is not required.

## **8-II.B. INITIAL HQS INSPECTION [24 CFR 982.401(a)]**

### **Initial Inspections [FR Notice 1/18/17]**

The PHA may, but is not required to, approve assisted tenancy and start HAP if the unit fails HQS inspection, but only if the deficiencies identified are non-life-threatening. Further, the PHA may, but is not required to, authorize occupancy if a unit passed an alternative inspection in the last 24 months.

#### HACCC Policy

The unit must pass the HQS inspection on or before the effective date of the HAP contract.

HACCC will not rely on alternative inspections and will conduct an HQS inspection for each unit prior to executing a HAP contract with the owner.

### **Timing of Initial Inspections**

HUD requires PHAs with fewer than 1,250 budgeted units to complete the initial inspection, determine whether the unit satisfies HQS, and notify the owner and the family of the determination within 15 days of submission of the Request for Tenancy Approval (RTA). For PHAs with 1,250 or more budgeted units, to the extent practicable such inspection and determination must be completed within 15 days. The 15-day period is suspended for any period during which the unit is not available for inspection [982.305(b)(2)].

#### HACCC Policy

HACCC will complete the initial inspection, determine whether the unit satisfies HQS, and notify the owner and the family of the determination within 15 calendar days of submission of the Request for Tenancy Approval (RTA).

### **Inspection Results and Reinspections**

#### HACCC Policy

If any HQS violations are identified, the owner will be notified of the deficiencies and be given a time frame to correct them. If requested by the owner, the time frame for correcting the deficiencies may be extended by HACCC for good cause. HACCC will reinspect the unit within 7 calendar days of the date the owner notifies HACCC that the required corrections have been made.

If the time period for correcting the deficiencies (or any PHA-approved extension) has elapsed, or the unit fails HQS at the time of the reinspection, HACCC will notify the owner and the family that the unit has been rejected and that the family must search for another unit. HACCC may agree to conduct a second reinspection, for good cause, at the request of the family and owner.

Following a failed reinspection, the family may submit a new Request for Tenancy Approval after the owner has made repairs, if they are unable to locate another suitable unit.

### **Utilities**

Generally, at initial lease-up the owner is responsible for demonstrating that all utilities are in working order including those utilities that the family will be responsible for paying.

#### HACCC Policy

If utility service is not available for testing at the time of the initial inspection, HACCC will allow the utilities to be placed in service after the unit has met all other HQS requirements. HACCC will reinspect the unit to confirm that utilities are operational before the HAP contract is executed by HACCC.

### **Appliances [Form HUD-52580]**

#### HACCC Policy

If the family is responsible for supplying the stove and/or refrigerator, HACCC will allow the stove and refrigerator to be placed in the unit after the unit has met all other HQS requirements. The required appliances must be in place before the HAP contract is executed by HACCC. HACCC will execute the HAP contract based upon a written certification from the family and the owner that the appliances have been installed and are working.

### **8-II.C. BIENNIAL HQS INSPECTIONS [ 24 CFR 982.405 and 982.406; Notice PIH 2016-05]**

#### HACCC Policy

HACCC will not rely on alternative inspection standards.

### **Scheduling the Inspection**

Each unit under HAP contract must be inspected within 24 months of the last full HQS inspection after July 1, 2013. If no inspection is conducted by July 1, 2013, an inspection must be completed within 12 months from the last full HQS inspection. Thereafter, the unit must be inspected no later than 24 months from the last inspection date.

#### HACCC Policy

If an adult family member cannot be present on the scheduled date, the family should request that HACCC reschedule the inspection. HACCC and family will agree on a new inspection date that generally should take place within 14 calendar days of the originally-scheduled date. HACCC may schedule an inspection more than 14 calendar days after the original date for good cause at the discretion of HACCC.

If the family misses the first scheduled appointment without requesting a new inspection date, HACCC will automatically schedule a second inspection. If the family misses two scheduled inspections without PHA approval, HACCC will consider the family to have violated its obligation to make the unit available for inspection. This may result in termination of the family's assistance in accordance with Chapter 12.

#### **8-II.D. SPECIAL INSPECTIONS [24 CFR 982.405(g)]**

If a participant or government official reports a life-threatening condition which the owner would be required to repair within 24 hours, the PHA must inspect the unit within 24 hours of notification. If the reported condition is not life-threatening, the PHA must inspect the unit within 15 days of notification.

##### HACCC Policy

During a special inspection, HACCC generally will inspect only those deficiencies that were reported in writing to the owner and given the owner a reasonable period of time to respond. HACCC may request a copy of the written notice to ensure the landlord has been notified and been given the opportunity to make repairs. HACCC reserves the right to waive this requirement when necessary. HACCC will complete a special inspection for any reported life-threatening conditions. During the inspection, the inspector will inspect the reported items, however, the inspector will record any additional HQS deficiencies that are observed and will require the responsible party to make the necessary repairs. Pictures may be taken during the inspection.

If the biennial inspection has been scheduled or is due within 90 days of the date the special inspection is scheduled HACCC may elect to conduct a full biennial inspection.

#### **8-II.E. QUALITY CONTROL INSPECTIONS [24 CFR 982.405(b); HCV GB, p. 10-32]**

HUD requires a PHA supervisor or other qualified person to conduct quality control inspections of a sample of units to ensure that each inspector is conducting accurate and complete inspections and that there is consistency in the application of the HQS.

The unit sample must include only units that have been inspected within the preceding 3 months. The selected sample will include (1) each type of inspection (initial, biennial, and special), (2) inspections completed by each inspector, and (3) units from a cross-section of neighborhoods.

#### **8-II.F. INSPECTION RESULTS AND REINSPECTIONS FOR UNITS UNDER HAP CONTRACT**

##### **Notification of Corrective Actions**

The owner and the family will be notified in writing of the results of all inspections. When an inspection identifies HQS failures, HACCC will determine (1) whether or not the failure is a life-threatening condition and (2) whether the family or owner is responsible.

##### HACCC Policy

When life-threatening conditions are identified, HACCC will immediately notify both parties by telephone, facsimile, or email. The notice will specify who is responsible for correcting the violation. The corrective actions must be taken within 24 hours of HACCC's notice. The owner must notify HACCC staff within 24 hours and provide documentation (picture, receipt, invoice, etc) that the repair has been corrected within the specified 24-hour period. A reinspection will be conducted within 24 hours unless it occurs on a weekend or holiday in which case the reinspection will occur on the next business day.

When failures that are not life-threatening are identified, HACCC will send the owner and the family a written notification of the inspection results within 7 calendar days of the inspection. The written notice will specify who is responsible for correcting the violation, and the time frame within which the failure must be corrected. Generally not more than 30 days will be allowed for the correction.

The notice of inspection results will inform the owner that if life-threatening conditions are not corrected within 24 hours, and non-life threatening conditions are not corrected within the specified time frame (or any PHA-approved extension), the owner's HAP will be abated in accordance with HACCC Policy (see 8-II.G.). Likewise, in the case of family caused deficiencies, the notice will inform the family that if corrections are not made within the specified time frame (or any PHA-approved extension, if applicable) the family's assistance will be terminated in accordance with HACCC Policy (see Chapter 12).

### **Extensions**

For conditions that are life-threatening, HACCC cannot grant an extension to the 24 hour corrective action period. For conditions that are not life-threatening, HACCC may grant an exception to the required time frames for correcting the violation, if HACCC determines that an extension is appropriate [24 CFR 982.404].

#### HACCC Policy

Extensions will be granted in cases where HACCC has determined that the owner has made a good faith effort to correct the deficiencies and is unable to for reasons beyond the owner's control. Reasons may include, but are not limited to:

A repair cannot be completed because required parts or services are not available.

A repair cannot be completed because of weather conditions.

A reasonable accommodation is needed because the family includes a person with disabilities.

HACCC will not grant oral extensions. Requests for extensions must be made in writing, preferably using HACCC form, however emails, faxes and letters will be accepted. Must be received no less than 7 calendar days before the scheduled inspection

The length of the extension will be determined on a case by case basis.

### **Reinspections**

#### HACCC Policy

HACCC will conduct a reinspection to verify that failed items have been corrected.

The family and owner will be given reasonable notice of the reinspection appointment. In the case of life-threatening conditions, the owner must notify HACCC staff within 24 hours and provide documentation (picture, receipt, invoice, etc) that the repair has been corrected within the specified 24-hour period. A reinspection will be conducted within 24 hours unless it occurs on a weekend or holiday in which case the reinspection will occur on the next business day. If the deficiencies have not been corrected by the time of the reinspection, HACCC will send a notice of abatement to the owner, or in the case of family caused violations, a notice of

termination to the family, in accordance with PHA policies. If HACCC is unable to gain entry to the unit in order to conduct the scheduled reinspection, HACCC will consider the family to have violated its obligation to make the unit available for inspection. This may result in termination of the family's assistance in accordance with Chapter 12.

### **8-II.G. ENFORCING OWNER COMPLIANCE**

If the owner fails to maintain the dwelling unit in accordance with HQS, HACCC must take prompt and vigorous action to enforce the owner obligations.

#### **HAP Abatement**

If an owner fails to correct HQS deficiencies by the time specified by HACCC, HUD requires HACCC to abate housing assistance payments no later than the first of the month following the specified correction period (including any approved extension) [24 CFR 985.3(f)]. No retroactive payments will be made to the owner for the period of time the rent was abated. Owner rents are not abated as a result of HQS failures that are the family's responsibility.

##### HACCC Policy

HACCC will make all HAP abatements effective the first of the month following the expiration of HACCC specified correction period (including any extension).

HACCC will inspect abated units within 7 calendar days of the owner's notification that the work has been completed. Payment will resume effective on the earlier of the day the unit passes inspection or the date the correction was reported completed.

During any abatement period the family continues to be responsible for its share of the rent. The owner must not seek payment from the family for abated amounts and may not use the abatement as cause for eviction.

#### **HAP Contract Termination**

HACCC must decide how long any abatement period will continue before the HAP contract will be terminated. HACCC should not terminate the contract until the family finds another unit, provided the family does so in a reasonable time [HCV GB p. 10-29] and must give the owner reasonable notice of the termination. HACCC will issue a voucher to permit the family to move to another unit as described in Chapter 10.

##### HACCC Policy

The maximum length of time that HAP may be abated is 90 days. However, if the owner completes corrections and notifies HACCC before the termination date of the HAP contract, HACCC may rescind the termination notice if (1) the family still resides in the unit and wishes to remain in the unit and (2) the unit passes inspection.

Reasonable notice of HAP contract termination by HACCC is 30 days.

### **8-II.H. ENFORCING FAMILY COMPLIANCE WITH HQS [24 CFR 982.404(b)]**

Families are responsible for correcting any HQS violations listed in paragraph 8.I.D. If the family fails to correct a violation within the period allowed by HACCC (and any extensions), HACCC will terminate the family's assistance, according to the policies described in Chapter 12.

If the owner carries out a repair for which the family is responsible under the lease, the owner may bill the family for the cost of the repair.

## **PART III: RENT REASONABLENESS [24 CFR 982.507]**

### **8-III.A. OVERVIEW**

Except in the case of certain LIHTC- and HOME-assisted units, no HAP contract can be approved until HACCC has determined that the rent for the unit is reasonable. The purpose of the rent reasonableness test is to ensure that a fair rent is paid for each unit rented under the HCV program.

HUD regulations define a reasonable rent as one that does not exceed the rent charged for comparable, unassisted units in the same market area. HUD also requires that owners not charge more for assisted units than for comparable units on the premises. This part explains the method used to determine whether a unit's rent is reasonable.

#### **PHA-Owned Units [24 CFR 982.352(b)]**

In cases where an HCV family is receiving assistance in a PHA-owned unit, HACCC must obtain the services of an independent entity to determine rent reasonableness in accordance with program requirements, and to assist the family in negotiating the contract rent when the family requests assistance. A PHA-owned unit is defined as a unit in a project that is one of the following categories:

- (1) Owned by a PHA.
- (2) Owned by an entity wholly controlled by the PHA.
- (3) Owned by a limited liability company or limited partnership in which the PHA (or an entity wholly controlled by the PHA) holds a controlling interest in the managing member or general partner.

A “controlling interest” is—

- (A) Holding 50 percent or more of the stock of any corporation;
- (B) Having the power to appoint 50 percent or more of the members of the board of directors of a non-stock corporation (such as a non-profit corporation);
- (C) Where 50 percent or more of the members of the board of directors of any corporation also serve as directors, officers or employees of the PHA;
- (D) Holding 50 percent or more of all managing member interests in an LLC;
- (E) Holding 50 percent or more of all general partner interests in a partnership; or
- (F) Equivalent levels of control in other organizational structures.

Units in which PHAs have a different ownership interest are no longer considered to be owned by the PHA.

In order to be considered a “PHA-Owned” unit as described above, the PHA must have ownership interest in the building itself, not simply the land beneath the building.

The independent agency must communicate the results of the rent reasonableness determination to the family and HACCC. The independent agency must be approved by HUD, and may be the unit of general local government for HACCC jurisdiction (unless HACCC is itself the unit of general local government or an agency of such government).

## **8-III.B. WHEN RENT REASONABLENESS DETERMINATIONS ARE REQUIRED**

### **Owner-Initiated Rent Determinations**

HACCC must make a rent reasonableness determination at initial occupancy and whenever the owner requests a rent adjustment.

The owner and family first negotiate the rent for a unit. HACCC (or independent agency in the case of PHA-owned units) will assist the family with the negotiations upon request. At initial occupancy HACCC must determine whether the proposed rent is reasonable before a HAP Contract is signed. The owner must not change the rent during the initial lease term. Subsequent requests for rent adjustments must be consistent with the lease between the owner and the family. Rent increases will not be approved unless any failed items identified by the most recent HQS inspection have been corrected.

#### HACCC Policy

##### Initial Rents

Once the initial rent has been negotiated by the tenant and owner, HACCC will determine if the requested rent is reasonable using the rent reasonableness methodology described in this Chapter and verification of the unit data and condition collected at the initial inspection. A determination about rent reasonableness will be made within 8 calendar days following the inspection and receipt of all required documentation.

If the tenant is unable to afford the initial rent under HUD's affordability rule and/or if the requested rent is not reasonable, HACCC will offer the owner a rent that is reasonable for the unit and affordable to the tenant. If the owner accepts this rent, HACCC will proceed with processing the new contract. If the owner rejects the rent offered, the tenant will be given the opportunity to search for another unit within the remaining time of the voucher plus the "tolled time" (see Chapter 5.II.E for more information).

##### Rent Increases

After the initial occupancy period, the owner may request a rent adjustment in accordance with the owner's lease. HACCC may request owners provide information about the rents charged for other units on the premises, if the premises include more than 4 units. In evaluating the proposed rents in comparison to other units on the premises HACCC will consider unit size and length of tenancy in the other units.

HACCC will determine whether the requested increase is reasonable within 30 calendar days of receiving the request from the owner. The owner will be notified of the determination in writing. All approved rent adjustments will be effective the first of the month following a) 60 calendar days after the postmark date or fax time-date confirmation of the owner's request or b) the date the unit passed its latest annual inspection or c) on the date specified by the owner, whichever is later.

If the request is incomplete or incorrect the owner will be notified within 15 calendar days and given an opportunity to resubmit the request. The effective date will be the first of the month following a) 60 calendar days after the postmark date or fax time-date confirmation of the owners **corrected request**, or b) the date the unit passed its latest annual inspection or c) on the date specified by the owner, whichever is later.

## **PHA- and HUD-Initiated Rent Reasonableness Determinations**

HUD requires HACCC to make a determination of rent reasonableness (even if the owner has not requested a change) if there is a 10 percent decrease in the Fair Market Rent that goes into effect at least 60 days before the contract anniversary date. HUD also may direct HACCC to make a determination at any other time. HACCC may decide that a new determination of rent reasonableness is needed at any time.

### HACCC Policy

In addition to the instances described above, HACCC will make a determination of rent reasonableness at any time after the initial occupancy period if: (1) HACCC determines that the initial rent reasonableness determination was in error or (2) HACCC determines that the information provided by the owner about the unit or other units on the same premises was incorrect. For purposes of determining rent reasonableness, information from the Contra Costa County Tax Assessors office must be used to verify the unit information. The description of the unit listed with the tax assessors' office will be the information used. If there is a discrepancy, the Owner/Property Manager must contact the Contra Costa County Tax Assessors Office at 925-313-7400 to report inconsistencies or errors in description. Often when properties have had repairs or additions, the normal process involves issuance of permits for completion of work. Upon completion, the permit is forwarded to the County Assessor's office for review, reassessment and correction.

## **LIHTC- and HOME-Assisted Units [24 CFR 982.507(c)]**

For units receiving low-income housing tax credits (LIHTCs) or units assisted under HUD's HOME Investment Partnerships (HOME) Program, a rent comparison with unassisted units is not required if the voucher rent does not exceed the rent for other LIHTC- or HOME-assisted units in the project that are not occupied by families with tenant-based assistance.

For LIHTCs, if the rent requested by the owner does exceed the LIHTC rents for non-voucher families, the PHA must perform a rent comparability study in accordance with program regulations. In such cases, the rent shall not exceed the lesser of: (1) the reasonable rent as determined from the rent comparability study; or (2) the payment standard established by the PHA for the unit size involved.

## **8-III.C. HOW COMPARABILITY IS ESTABLISHED**

### **Factors to Consider**

HUD requires PHAs to take into consideration the factors listed below when determining rent comparability. HACCC may use these factors to make upward or downward adjustments to the rents of comparison units when the units are not identical to the HCV-assisted unit.

- Location and age
- Unit size including the number of rooms and square footage of rooms
- The type of unit including construction type (e.g., single family, duplex, garden, low-rise, high-rise)

- The quality of the units including the quality of the original construction, maintenance and improvements made
- Amenities, services, and utilities included in the rent

### **Units that Must Not Be Used as Comparables**

Comparable units must represent unrestricted market rents. Therefore, units that receive some form of federal, state, or local assistance that imposes rent restrictions cannot be considered comparable units. These include units assisted by HUD through any of the following programs: Section 8 project-based assistance, Section 236 and Section 221(d)(3) Below Market Interest Rate (BMIR) projects, HOME or Community Development Block Grant (CDBG) program-assisted units in which the rents are subsidized; units subsidized through federal, state, or local tax credits; units subsidized by the Department of Agriculture rural housing programs, and units that are rent-controlled by local ordinance.

*Note:* Notice PIH 2011-46, issued August 17, 2011, provides further guidance on the issue of what constitutes an assisted unit.

### **Rents Charged for Other Units on the Premises**

The Request for Tenancy Approval (HUD-52517) requires owners to provide information, on the form itself, about the rent charged for other unassisted comparable units on the premises if the premises include more than 4 units.

By accepting HACCC payment each month the owner certifies that the rent is not more than the rent charged for comparable unassisted units on the premises. If asked to do so, the owner must give HACCC information regarding rents charged for other units on the premises.

## **8-III.D. PHA RENT REASONABLENESS METHODOLOGY**

### **How Market Data Is Collected**

#### HACCC Policy

HACCC contracts with GoSection8 to collect and maintain data on market rents in HACCC's jurisdiction. Information sources used by GoSection8 include, but are not limited to, newspapers, internet listing services, realtors, market surveys and inquiries of owners and property managers. All HUD required comparison factors are maintained in the GoSection8 rent comparable database. GoSection8 is updated on an ongoing basis and rent information that is more than 12 months old is no longer accessible in the database.

### **How Rents Are Determined**

#### HACCC Policy

In order to determine whether or not a requested rent is comparable HUD requires housing authorities to consider: location, quality, size, unit type and age of the contract unit as well as amenities, housing services, maintenance, and owner-provided utilities.

HACCC will compare the unit to other similar units in the go GoSection8 Rent Comparable Database to determine if the rent is reasonable.

The GoSection8 Rent Reasonableness Software utilizes a unit-to-unit comparison, similar to real estate appraisal, where a direct comparison is made between the rent for the subject HCV assisted unit and the rent for unassisted comparable units. Comparable units are drawn from a database of current, real-time market data maintained by the vendor. After identifying specific units to use as comparables based on location, unit type and characteristics, GoSection8 provides similarity and credibility scores and market rent data to determine if the rent is supported by the market data.

GoSection8 also employs unit-to-market principles to assist staff in making market-based adjustments to rental values. The blended approach - identifying comparable units that are the closest possible match to the proposed HCV assisted unit and then adjusting rental values to address any remaining critical differences that impact market rent - ensures the results are grounded in accurate market-based rental values.

The GoSection8 Database will return the three units whose similarity and credibility score most closely matches the subject unit. All comparables used to evaluate the rent must have a similarity rating of 90 % or more and a credibility rating of 70 % or more, when available. If three comparables that have similarity ratings of 90% or more and credibility ratings of 70 % or more cannot be found, then a manager must approve the rent reasonableness certification.

The subject unit rent must be supported by the three comparables to be approved. If the rent is not supported by the three comparables the Estimated Monthly Market Rent (EMMR), will be used. The Estimated Monthly Market Rent, which is the average value of the three adjusted market rents, will be the maximum rent that will be approved. In extenuating circumstances where the Estimated Monthly Market Rent is inappropriate, staff must document the reason for deviating from the EMMR on the Rent Reasonableness Certification.

Copies of the three comparables and documentation, including the Assisted Unit Survey form, Rent Reasonable Valuation from GoSection8 and the Rent Survey from Yardi for the subject unit will be placed in the client file to support the rent reasonableness determination.

When a comparable project offers rent concessions (e.g., first month rent-free, or reduced rent) reported monthly rents will be adjusted accordingly. For example, if a comparable project reports rents of \$500/month but new tenants receive the first month's rent free, the actual rent for the unit would be calculated as follows:  $\$500 \times 11 \text{ months} = 5500/12 \text{ months} = \text{actual monthly rent of } \$488$ .

HACCC will notify the owner of the rent HACCC can approve based upon its analysis of rents for comparable units. If the comparable rent is lower than that requested by the owner, the owner will be requested to submit information about other comparable units in the market area. HACCC will confirm the accuracy of the information provided and consider this additional information when making rent determinations. The owner must submit any additional information within 7 calendar days of HACCC's request for information or the owner's request to submit information. If the comparable rent is still lower, HACCC staff will ask the owner if he or she is willing to accept the comparable rent.

## **EXHIBIT 8-1: OVERVIEW OF HUD HOUSING QUALITY STANDARDS**

Note: This document provides an overview of HQS. For more detailed information see the following documents:

- 24 CFR 982.401, Housing Quality Standards (HQS)
- Housing Choice Voucher Guidebook, Chapter 10.
- HUD Housing Inspection Manual for Section 8 Housing
- HUD Inspection Form, form HUD-52580 (3/01) and Inspection Checklist, form HUD-52580-A (9/00)

### **Sanitary Facilities**

The dwelling unit must include sanitary facilities within the unit. □The sanitary facilities must be usable in privacy and must be in proper operating condition and adequate for personal cleanliness and disposal of human waste.

### **Food Preparation and Refuse Disposal**

The dwelling unit must have space and equipment suitable for the family to store, prepare, and serve food in a sanitary manner.

### **Space and Security**

The dwelling unit must provide adequate space and security for the family. This includes having at least one bedroom or living/sleeping room for each two persons.

### **Thermal Environment**

The unit must have a safe system for heating the dwelling unit. Air conditioning is not required but if provided must be in proper operating condition. The dwelling unit must not contain unvented room heaters that burn gas, oil, or kerosene. Portable electric room heaters or kitchen stoves with built-in heating units are not acceptable as a primary source of heat for units located in climatic areas where permanent heat systems are required.

### **Illumination and Electricity**

Each room must have adequate natural or artificial illumination to permit normal indoor activities and to support the health and safety of occupants. The dwelling unit must have sufficient electrical sources so occupants can use essential electrical appliances. Minimum standards are set for different types of rooms. Once the minimum standards are met, the number, type and location of electrical sources are a matter of tenant preference.

### **Structure and Materials**

The dwelling unit must be structurally sound. Handrails are required when four or more steps (risers) are present, and protective railings are required when porches, balconies, and stoops are thirty inches or more off the ground. The elevator servicing the unit must be working [if there is one]. Manufactured homes must have proper tie-down devices capable of surviving wind loads common to the area.

## **Interior Air Quality**

The dwelling unit must be free of air pollutant levels that threaten the occupants' health. There must be adequate air circulation in the dwelling unit. Bathroom areas must have one openable window or other adequate ventilation. Any sleeping room must have at least one window. If a window was designed to be opened, it must be in proper working order.

## **Water Supply**

The dwelling unit must be served by an approved public or private water supply that is sanitary and free from contamination. Plumbing fixtures and pipes must be free of leaks and threats to health and safety.

## **Lead-Based Paint**

Lead-based paint requirements apply to dwelling units built prior to 1978 that are occupied or can be occupied by families with children under six years of age, excluding zero bedroom dwellings. Owners must:

- Disclose known lead-based paint hazards to prospective tenants before the lease is signed,
- provide all prospective families with "Protect Your Family from Lead in Your Home",
- Stabilize deteriorated painted surfaces and conduct hazard reduction activities within 30 days when identified by HACCC
- Notify tenants each time such an activity is performed
- Conduct all work in accordance with HUD safe practices
- As part of ongoing maintenance ask each family to report deteriorated paint.
- Maintain covered housing without deteriorated paint if there is child under six in the family

For units occupied by environmental intervention blood lead level (lead poisoned) children under six years of age, a risk assessment must be conducted (paid for by HACCC). If lead hazards are identified during the risk assessment, the owner must complete hazard reduction activities within 30 days.

See HCV GB p. 10-15 for a detailed description of these requirements. For additional information on lead-based paint requirements see 24 CFR 35, Subparts A, B, M, and R.

## **Access**

Use and maintenance of the unit must be possible without unauthorized use of other private properties. The building must provide an alternate means of exit in case of fire.

## **Site and Neighborhood**

The site and neighborhood must be reasonably free from disturbing noises and reverberations, excessive trash or vermin, or other dangers to the health, safety, and general welfare of the occupants.

## **Sanitary Condition**

The dwelling unit and its equipment must be in sanitary condition and free of vermin and rodent infestation. The unit must have adequate barriers to prevent infestation.

**Smoke Detectors**

Smoke detectors must be installed in accordance with and meet the requirements of the National Fire Protection Association Standard (NFPA) 72 (or its successor standards). If the dwelling unit is occupied by any person with a hearing impairment, smoke detectors must have an appropriate alarm system as specified in NFPA 72 (or successor standards).

**Hazards and Health/Safety**

The unit, interior and exterior common areas accessible to the family, the site, and the surrounding neighborhood must be free of hazards to the family's health and safety.

<b>EXHIBIT 8-2: SUMMARY OF TENANT PREFERENCE AREAS RELATED TO HOUSING QUALITY</b>
---

Note: This document provides an overview of unit and site characteristics and conditions for which the family determines acceptability. For more detailed information see the following documents:

- Housing Choice Voucher Guidebook, Chapter 10.
- HUD Housing Inspection Manual for Section 8 Housing
- HUD Inspection Form, form HUD-52580 (3/01) and Inspection Checklist, form HUD-52580-A (9/00)

Provided the minimum housing quality standards have been met, HUD permits the family to determine whether the unit is acceptable with regard to the following characteristics.

1. *Sanitary Facilities.* The family may determine the adequacy of the cosmetic condition and quality of the sanitary facilities, including the size of the lavatory, tub, or shower; the location of the sanitary facilities within the unit; and the adequacy of the water heater.
2. *Food Preparation and Refuse Disposal.* The family selects size and type of equipment it finds acceptable. When the family is responsible for supplying cooking appliances, the family may choose to use a microwave oven in place of a conventional oven, stove, or range. When the owner is responsible for providing cooking appliances, the owner may offer a microwave oven in place of an oven, stove, or range only if other subsidized and unsubsidized units on the premises are furnished with microwave ovens only. The adequacy of the amount and type of storage space, the cosmetic conditions of all equipment, and the size and location of the kitchen are all determined by the family.
3. *Space and Security.* The family may determine the adequacy of room sizes and room locations. The family is also responsible for deciding the acceptability of the type of door and window locks.
4. *Energy conservation items.* The family may determine whether the amount of insulation, presence of absence of storm doors and windows and other energy conservation items are acceptable.
5. *Illumination and Electricity.* The family may determine whether the location and the number of outlets and fixtures (over and above those required to meet HQS standards) are acceptable or if the amount of electrical service is adequate for the use of appliances, computers, or stereo equipment.
6. *Structure and Materials.* Families may determine whether minor defects, such as lack of paint, or worn flooring or carpeting will affect the livability of the unit.
7. *Indoor Air.* Families may determine whether window and door screens, filters, fans, or other devices for proper ventilation are adequate to meet the family's needs. However, if screens are present they must be in good condition.
8. *Sanitary Conditions.* The family determines whether the sanitary conditions in the unit, including minor infestations, are acceptable.

9. *Neighborhood conditions.* Families may determine whether neighborhood conditions such as the presence of drug activity, commercial enterprises, and convenience to shopping will affect the livability of the unit.

Families have no discretion with respect to lead-based paint standards and smoke detectors.

# **CHAPTER 9**

## **GENERAL LEASING POLICIES**

### **INTRODUCTION**

Chapter 9 covers the lease-up process from the family's submission of a Request for Tenancy Approval to execution of the HAP contract.

In order for the PHA to assist a family in a particular dwelling unit, or execute a Housing Assistance Payments (HAP) contract with the owner of a dwelling unit, the PHA must determine that all the following program requirements are met:

- The unit itself must qualify as an eligible unit [24 CFR 982.305(a)]
- The unit must be inspected by the PHA and meet the Housing Quality Standards (HQS) [24 CFR 982.305(a)]
- The lease offered by the owner must be approvable and must include the required Tenancy Addendum [24 CFR 982.305(a)]
- The rent to be charged by the owner for the unit must be reasonable [24 CFR 982.305(a)]
- The owner must be an eligible owner, approvable by the PHA, with no conflicts of interest [24 CFR 982.306]
- For families initially leasing a unit only: Where the gross rent of the unit exceeds the applicable payment standard for the family, the share of rent to be paid by the family cannot exceed 40 percent of the family's monthly adjusted income [24 CFR 982.305(a)]

### **9-I.A. TENANT SCREENING**

The PHA has no liability or responsibility to the owner or other persons for the family's behavior or suitability for tenancy [24 CFR 982.307(a)(1)].

The PHA may elect to screen applicants for family behavior or suitability for tenancy. See Chapter 3 for a discussion of the PHA's policies with regard to screening applicant families for program eligibility [24 CFR 982.307(a)(1)].

The owner is responsible for screening and selection of the family to occupy the owner's unit. At or before PHA approval of the tenancy, the PHA must inform the owner that screening and selection for tenancy is the responsibility of the owner [24 CFR 982.307(a)(2)]. The PHA must also inform the owner or manager of his/her rights and obligations under the Violence against Women Act of 2005 (VAWA) [24 CFR 5.2005(a)(2)].

The PHA must provide the owner with the family's current and prior address (as shown in the PHA records) and the name and address (if known to the PHA) of the landlord at the family's current and prior address [24 CFR 982.307(b)(1)].

The PHA is permitted, but not required, to offer the owner other information in the PHA's possession about the tenancy history or drug trafficking of family members [24 CFR 982.307(b)(2)].

The PHA's policy on providing information to the owner must be included in the family's briefing packet [24 CFR 982.307(b)(3)].

The PHA may not disclose to the owner any confidential information provided by the family in response to a PHA request for documentation of domestic violence, dating violence, sexual assault or stalking except at the written request or with the written consent of the individual providing the documentation [24 CFR 5.2007(b)(4)].

#### HACCC Policy

The PHA will not screen applicants for family behavior or suitability for tenancy.

The PHA will not provide additional screening information to the owner.

### **9-I.B. REQUESTING TENANCY APPROVAL [Form HUD-52517]**

After the family is issued a voucher, the family must locate an eligible unit, with an owner or landlord willing to participate in the voucher program. Once a family finds a suitable unit and the owner is willing to lease the unit under the program, the owner and the family must request the PHA to approve the assisted tenancy in the selected unit.

The owner and the family must submit two documents to the PHA:

- Completed Request for Tenancy Approval (RTA) – Form HUD-52517
- Copy of the proposed lease, including the HUD-prescribed Tenancy Addendum – Form HUD-52641-A

The RTA contains important information about the rental unit selected by the family, including the unit address, number of bedrooms, structure type, year constructed, utilities included in the rent, and the requested beginning date of the lease, necessary for the PHA to determine whether to approve the assisted tenancy in this unit.

Owners must certify to the most recent amount of rent charged for the unit and provide an explanation for any difference between the prior rent and the proposed rent.

Owners must certify that they are not the parent, child, grandparent, grandchild, sister or brother of any member of the family, unless the PHA has granted a request for reasonable accommodation for a person with disabilities who is a member of the tenant household.

For units constructed prior to 1978, owners must either 1) certify that the unit, common areas, and exterior have been found to be free of lead-based paint by a certified inspector; or 2) attach a lead-based paint disclosure statement.

Both the RTA and the proposed lease must be submitted no later than the expiration date stated on the voucher. [HCV GB p.8-15].

#### HACCC Policy

The RTA must be signed by both the family and the owner.

The owner may submit the RTA on behalf of the family.

Completed RTA (including the proposed dwelling lease) must be submitted as hard copies, in-person, by mail, or by fax.

The family may not submit, and the PHA will not process, more than one (1) RTA at a time.

When the family submits the RTA the PHA will review the RTA for completeness.

If the RTA is incomplete (including lack of signature by family, owner, or both), or if the dwelling lease is not submitted with the RTA, the PHA will notify the family and the owner of the deficiencies.

Missing information and/or missing documents will only be accepted as hard copies, in-person, by mail, or by fax. The PHA will not accept missing information over the phone.

When the family submits the RTA and proposed lease, the PHA will also review the terms of the RTA for consistency with the terms of the proposed lease.

If the terms of the RTA are not consistent with the terms of the proposed lease, the PHA will notify the family and the owner of the discrepancies.

Corrections to the terms of the RTA and/or the proposed lease will only be accepted as hard copies, in-person, by mail or by fax. The PHA will not accept corrections by phone.

Because of the time sensitive nature of the tenancy approval process, the PHA will attempt to communicate with the owner and family by phone, fax, or email. The PHA will use mail when the parties cannot be reached by phone, fax, or email.

### **9-I.C. OWNER PARTICIPATION**

The PHA does not formally approve an owner to participate in the HCV program. However, there are a number of criteria where the PHA may deny approval of an assisted tenancy based on past owner behavior, conflict of interest, or other owner-related issues. There are also criteria for which the PHA must disapprove an owner (see Chapter 13). No owner has a right to participate in the HCV program [24 CFR 982.306(e)]

See Chapter 13 for a full discussion of owner qualification to participate in the HCV program.

### **9-I.D. ELIGIBLE UNITS**

There are a number of criteria that a dwelling unit must meet in order to be eligible for assistance under the voucher program. Generally, a voucher-holder family may choose any available rental dwelling unit on the market in the PHA's jurisdiction. This includes the dwelling unit they are currently occupying.

#### **Ineligible Units [24 CFR 982.352(a)]**

The PHA may not assist a unit under the voucher program if the unit is a public housing or Indian housing unit; a unit receiving project-based assistance under section 8 of the 1937 Act (42 U.S.C. 1437f); nursing homes, board and care homes, or facilities providing continual psychiatric, medical, or nursing services; college or other school dormitories; units on the grounds of penal, reformatory, medical, mental, and similar public or private institutions; a unit occupied by its owner or by a person with any interest in the unit.

### **PHA-Owned Units [24 CFR 982.352(b)]**

Otherwise eligible units that are owned or substantially controlled by the PHA issuing the voucher may also be leased in the voucher program. In order for a PHA-owned unit to be leased under the voucher program, the unit must not be ineligible housing and the PHA must inform the family, both orally and in writing, that the family has the right to select any eligible unit available for lease and that the family is free to select a PHA-owned unit without any pressure or steering by the PHA.

#### HACCC Policy

The PHA does not have any eligible PHA-owned units available for leasing under the voucher program. However, in the event such units become available, HACCC will disclose unit information to assisted families in the same way as privately owned units is disclosed. In addition, HACCC will contract with another Housing Authority or other third party approved by HUD to perform HQS inspections or family re-certifications for families occupying HACCC-owned units.

### **Special Housing Types [24 CFR 982 Subpart M]**

HUD regulations permit, but do not generally require, the PHA to permit families to use voucher assistance in a number of special housing types in accordance with the specific requirements applicable to those programs. These special housing types include single room occupancy (SRO) housing, congregate housing, group home, shared housing, manufactured home space (where the family owns the manufactured home and leases only the space), cooperative housing and homeownership option. See Chapter 15 for specific information and policies on any of these housing types that the PHA has chosen to allow.

The regulations do require the PHA to permit use of any special housing type if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities.

### **Duplicative Assistance [24 CFR 982.352(c)]**

A family may not receive the benefit of HCV tenant-based assistance while receiving the benefit of any of the following forms of other housing subsidy, for the same unit or for a different unit:

- Public or Indian housing assistance;
- Other Section 8 assistance (including other tenant-based assistance);
- Assistance under former Section 23 of the United States Housing Act of 1937 (before amendment by the Housing and Community Development Act of 1974);
- Section 101 rent supplements;
- Section 236 rental assistance payments;
- Tenant-based assistance under the HOME Program;
- Rental assistance payments under Section 521 of the Housing Act of 1949 (a program of the Rural Development Administration);
- Any local or State rent subsidy;

- Section 202 supportive housing for the elderly;
- Section 811 supportive housing for persons with disabilities; (11) Section 202 projects for non-elderly persons with disabilities (Section 162 assistance); or
- Any other duplicative federal, State, or local housing subsidy, as determined by HUD. For this purpose, 'housing subsidy' does not include the housing component of a welfare payment, a social security payment received by the family, or a rent reduction because of a tax credit.

### **Housing Quality Standards (HQS) [24 CFR 982.305 and 24 CFR 982.401]**

In order to be eligible, the dwelling unit must be in decent, safe and sanitary condition. This determination is made using HUD's Housing Quality Standards (HQS) and/or equivalent state or local standards approved by HUD. See Chapter 8 for a full discussion of the HQS standards, as well as the process for HQS inspection at initial lease-up.

### **Unit Size**

In order to be eligible, the dwelling unit must be appropriate for the number of persons in the household. A family must be allowed to lease an otherwise acceptable dwelling unit with fewer bedrooms than the number of bedrooms stated on the voucher issued to the family, provided the unit meets the applicable HQS space requirements [24 CFR 982.402(d)]. The family must be allowed to lease an otherwise acceptable dwelling unit with more bedrooms than the number of bedrooms stated on the voucher issued to the family. See Chapter 5 for a full discussion of subsidy standards.

### **Rent Reasonableness [24 CFR 982.305 and 24 CFR 982.507]**

In order to be eligible, the dwelling unit must have a reasonable rent. The rent must be reasonable in relation to comparable unassisted units in the area and must not be in excess of rents charged by the owner for comparable, unassisted units on the premises. See Chapter 8 for a full discussion of rent reasonableness and the rent reasonableness determination process.

### **Rent Burden [24 CFR 982.508]**

Where a family is initially leasing a unit and the gross rent of the unit exceeds the applicable payment standard for the family, the family share cannot exceed 40 percent of the family's adjusted monthly income. The term "family share" refers to the amount the family pays toward rent and utilities. The gross rent for the unit minus the total housing assistance payment (HAP) for the unit equals the family share. See Chapter 6 for a discussion of calculation of gross rent, the use of payment standards, and calculation of family income, family share of rent and HAP.

## **9-I.E. LEASE AND TENANCY ADDENDUM**

The family and the owner must execute a written dwelling lease agreement for the assisted unit. This written lease is a contract between the tenant family and the owner; the PHA is not a party to this contract.

The tenant must have legal capacity to enter a lease under State and local law. 'Legal capacity' means that the tenant is bound by the terms of the lease and may enforce the terms of the lease against the owner [24 CFR 982.308(a)]

### **Lease Form and Tenancy Addendum [24 CFR 982.308]**

If the owner uses a standard lease form for rental to unassisted tenants in the locality or the premises, the lease must be in such standard form. If the owner does not use a standard lease form for rental to unassisted tenants, the owner may use another form of lease. The HAP contract prescribed by HUD contains the owner's certification that if the owner uses a standard lease form for rental to unassisted tenants, the lease for the assisted tenants is in such standard form.

All provisions in the HUD-required Tenancy Addendum must be added word-for-word to the owner's standard lease form. The Tenancy Addendum includes the HUD requirements for the tenancy. Because it is a part of the lease, the tenant shall have the right to enforce the Tenancy Addendum against the owner. If there is a conflict between the owner's lease and the Tenancy Addendum, the terms of the Tenancy Addendum shall prevail over any other provisions of the lease.

#### HACCC Policy

The PHA does not provide a model or standard dwelling lease for owners to use in the HCV program.

### **Lease Information [24 CFR 982.308(d)]**

The assisted dwelling lease must contain all of the required information as listed below:

- The names of the owner and the tenant:
- The unit rented (address, apartment number, and any other information needed to identify the contract unit)
- The term of the lease (initial term and any provisions for renewal)
- The amount of the monthly rent to owner
- A specification of what utilities and appliances are to be supplied by the owner, and what utilities and appliances are to be supplied by the family

### **Term of Assisted Tenancy**

The initial term of the assisted dwelling lease must be for at least one year [24 CFR 982.309]. The initial lease term is also stated in the HAP contract. For uniformity purposes, the initial lease term shall end twelve months after the lease effective date on the last day of the month prior to the lease start-month.

The HUD program regulations permit the PHA to approve a shorter initial lease term if certain conditions are met.

#### HACCC Policy

In an effort to improve housing opportunities for tenants, the PHA will approve initial lease terms for periods of less than and more than one (1) year if it is the prevailing local market practice and agreed upon by the landlord and tenant. Due to the administrative burden involved, initial lease terms may not be month-to-month.

During the initial term of the lease, the owner may not raise the rent to owner [24 CFR 982.309].

Any provisions for renewal of the dwelling lease will be stated in the dwelling lease [HCV Guidebook, pg. 8-22]. There are no HUD requirements regarding any renewal extension terms, except that they must be stated in the dwelling lease if they exist.

The PHA may execute the HAP contract even if there is less than one year remaining from the beginning of the initial lease term to the end of the last expiring funding increment under the consolidated ACC. [24 CFR 982.309(b)].

### **Security Deposit [24 CFR 982.313 (a) and (b)]**

The owner may collect a security deposit from the tenant. The PHA may prohibit security deposits in excess of private market practice, or in excess of amounts charged by the owner to unassisted tenants. However, if the PHA chooses to do so, language to this effect must be added to Part A of the HAP contract [Form HUD-52641].

#### HACCC Policy

The PHA will allow the owner to collect any security deposit amount the owner determines is appropriate and is in accord with local and state law.

### **Separate Non-Lease Agreements between Owner and Tenant**

Owners may not demand or accept any rent payment from the family in excess of the rent to the owner as approved by the PHA minus the PHA's housing assistance payments to the owner [24 CFR 982.451(b)(4)].

The owner may not charge the tenant extra amounts for items customarily included in rent in the locality, or provided at no additional cost to unsubsidized tenants in the premises [24 CFR 982.510(c)].

#### HACCC Policy

The PHA does not permit owners and families to execute separate, non-lease agreements for services, appliances (other than range and refrigerator) and other items that are not included in the lease. Any items, appliances, or other services that are customarily provided to unassisted families as part of the dwelling lease with those families, or are permanently installed in the dwelling unit must be included in the dwelling lease for the assisted family. These items, appliances or services cannot be placed under a separate non-lease agreement between the owner and family. Side payments for additional rent, or for items, appliances or services customarily provided to unassisted families as part of the dwelling lease for those families, are prohibited. All amenities and services should be considered when calculating rent comparability.

### **PHA Review of Lease**

The PHA will review the dwelling lease for compliance with all applicable requirements.

#### HACCC Policy

If the dwelling lease is incomplete or incorrect, the PHA will notify the family and the owner of the deficiencies. Missing and corrected lease information will only be accepted

as hard copies, in-person, by mail, or by fax. The PHA will not accept missing and corrected information over the phone

Because the initial leasing process is time-sensitive, the PHA will attempt to communicate with the owner and family by phone, fax, or email. The PHA will use mail when the parties can't be reached by phone, fax, or email.

The PHA is permitted, but is not required, to review the lease to determine if the lease complies with State and local law and is permitted to decline to approve the tenancy if the PHA determines that the lease does not comply with State or local law [24 CFR 982.308(c)]

#### HACCC Policy

The PHA will not review the owner's lease for compliance with state/local law. However, if HACCC becomes aware that an owner's lease does not comply with state and local law, then HACCC will require the owner to modify the lease in order to comply with state and local law. If the owner does not do this within 7 calendar days, then HACCC will take any and all actions appropriate under its contract with the owner, including cancellation.

### **9-I.F. TENANCY APPROVAL [24 CFR 982.305]**

After receiving the family's Request for Tenancy Approval, with proposed dwelling lease, the PHA must promptly notify the family and owner whether the assisted tenancy is approved.

Prior to approving the assisted tenancy and execution of a HAP contract, the PHA must ensure that all required actions and determinations, discussed in Part I of this chapter have been completed.

These actions include ensuring that the unit is eligible; the unit has been inspected by the PHA and meets the Housing Quality Standards (HQS); the lease offered by the owner is approvable and includes the required Tenancy Addendum; the rent to be charged by the owner for the unit must be reasonable; where the family is initially leasing a unit and the gross rent of the unit exceeds the applicable payment standard for the family, the share of rent to be paid by the family does not exceed 40 percent of the family's monthly adjusted income [24 CFR 982.305(a)]; the owner is an eligible owner, not disapproved by the PHA, with no conflicts of interest [24 CFR 982.306]; the family and the owner have executed the lease, including the Tenancy Addendum, and the lead-based paint disclosure information [24 CFR 982.305(b)].

#### HACCC Policy

The PHA will complete its determination within 15 calendar days of receiving all required information.

If the terms of the RTA/proposed lease are changed for any reason, including but not limited to negotiation with the PHA, the PHA will obtain corrected copies of the RTA and proposed lease, signed by the family and the owner.

Corrections to the RTA/proposed lease will only be accepted as hard copies, in-person, by mail, or by fax. The PHA will not accept corrections over the phone.

If the PHA determines that the tenancy cannot be approved for any reason, the owner and the family will be notified in writing and given the opportunity to address any reasons for disapproval. The PHA will instruct the owner and family of the steps that are necessary to obtain approval of the tenancy.

Where the tenancy is not approvable because the unit is not approvable, the family must continue to search for eligible housing within the timeframe of the issued voucher.

If the tenancy is not approvable due to rent affordability or rent reasonableness, the PHA will attempt to negotiate the rent with the owner. If a new, approvable rent is negotiated, the tenancy will be approved. If the owner is not willing to negotiate an approvable rent, the family must continue to search for eligible housing within the timeframe of the issued voucher.

### **9-I.G. HAP CONTRACT EXECUTION [24 CFR 982.305]**

The HAP contract is a written agreement between the PHA and the owner of the dwelling unit. Under the HAP contract, the PHA agrees to make housing assistance payments to the owner on behalf of the family, and the owner agrees to comply with all program requirements as stated in the HAP contract.

The HAP contract form is prescribed by HUD.

If the PHA has given approval for the family of the assisted tenancy, the owner and the PHA must execute the HAP contract.

The term of the HAP contract must be the same as the term of the lease [24 CFR 982.451(a)(2)].

The PHA is permitted to execute a HAP contract even if the funding currently available does not extend for the full term of the HAP contract.

The PHA must make a best effort to ensure that the HAP contract is executed before the beginning of the lease term. Regardless, the HAP contract must be executed no later than 60 calendar days from the beginning of the lease term.

The PHA may not pay any housing assistance payment to the owner until the HAP contract has been executed. If the HAP contract is executed during the period of 60 calendar days from the beginning of the lease term, the PHA will pay housing assistance payments after execution of the HAP contract (in accordance with the terms of the HAP contract), to cover the portion of the lease term before execution of the HAP contract (a maximum of 60 days).

Any HAP contract executed after the 60 day period is void, and the PHA may not pay any housing assistance payment to the owner.

#### HACCC Policy

The owner and the assisted family will execute the dwelling lease and the owner must provide a copy to the PHA. The PHA will ensure that both the owner and the assisted family receive copies of the dwelling lease.

The PHA will not execute the HAP contract until the owner has submitted IRS form W-9 and the family has submitted a Key Return Form for their prior assisted unit.

The PHA will ensure that the owner receives a copy of the executed HAP contract. See Chapter 13 for a discussion of the HAP contract and contract provisions.

### **9-I.H. CHANGES IN LEASE OR RENT [24 CFR 982.308]**

If the tenant and the owner agree to any changes in the lease, such changes must be in writing, and the owner must immediately give the PHA a copy of such changes. The lease, including any changes, must remain in accordance with the requirements of this chapter.

Generally, PHA approval of tenancy and execution of a new HAP contract are not required for changes in the lease. However, under certain circumstances, the execution of a new lease and HAP contract are required. These circumstances include:

- Changes in lease requirements governing tenant or owner responsibilities for utilities or appliances
- Changes in lease provisions governing the term of the lease
- The family moves to a new unit, even if the unit is in the same building or complex

In these cases, if the HCV assistance is to continue, the family must submit a new Request for Tenancy Approval (RTA) along with a new dwelling lease containing the proposed changes. A new tenancy must then be approved in accordance with this chapter.

Where the owner is changing the amount of the rent to owner, the owner must notify the PHA at least 60 days before any such changes go into effect [24 CFR 982.308(g)(4)]. The PHA will agree to such an increase only if the amount of the rent to owner is considered reasonable according to the rent reasonableness standards discussed in Chapter 8. If the requested rent is not found to be reasonable, the owner must either reduce the requested rent increase, or terminate the tenancy in accordance with the terms of the lease.

No rent increase is permitted during the initial term of the lease [24 CFR 982.309(a)(3)].

The rent to owner for a unit must not be increased at the annual anniversary date unless:

- (i) The owner requests the adjustment by giving notice to HACCC; and
- (ii) During the year before the annual anniversary date, the owner has complied with all requirements of the HAP contract, including compliance with the HQS.

#### HACCC Policy

The PHA will determine whether the requested increase is reasonable within 30 calendar days of receiving the request from the owner. The owner will be notified of the determination in writing.

All approved rent adjustments will be effective the first of the month following a) 60 calendar days after the postmark date or fax time-date confirmation of the owner's request or b) the date the unit passed its latest annual inspection, or c) on the date specified by the owner, whichever is later.

If the request is incomplete or incorrect the owner will be notified within 15 calendar days and given an opportunity to resubmit the request. The effective date will be the first of the month following a) 60 calendar days after the postmark date or fax time-date confirmation of the owners **corrected request**, or b) the date the unit passed its latest annual inspection, or c) on the date specified by the owner, whichever is later.

## CHAPTER 10

### MOVING WITH CONTINUED ASSISTANCE AND PORTABILITY

#### INTRODUCTION

Freedom of housing choice is a hallmark of the housing choice voucher (HCV) program. In general, HUD regulations impose few restrictions on where families may live or move with HCV assistance. This chapter sets forth HUD regulations and PHA policies governing moves within or outside HACCC's jurisdiction in two parts:

Part I: Moving with Continued Assistance. This part covers the general rules that apply to all moves by a family assisted under 's HCV program, whether the family moves to another unit within HACCC's jurisdiction or to a unit outside HACCC's jurisdiction under portability.

Part II: Portability. This part covers the special rules that apply to moves by a family under portability, whether the family moves out of or into HACCC's jurisdiction. This part also covers the special responsibilities that HACCC has under portability regulations and procedures.

## **PART I: MOVING WITH CONTINUED ASSISTANCE**

### **10-I.A. ALLOWABLE MOVES**

HUD lists six regulatory conditions under which an assisted family is allowed to move to a new unit with continued assistance. Permission to move is subject to the restrictions set forth in section 10-I.B.

- The family has a right to terminate the lease on notice to the owner (for the owner's breach or otherwise) and has given a notice of termination to the owner in accordance with the lease [24 CFR 982.354(b)(3)]. If the family terminates the lease on notice to the owner, the family must give HACCC a copy of the notice at the same time [24 CFR 982.354(d)(1)].
- The lease for the family's unit has been terminated by mutual agreement of the owner and the family [24 CFR 982.354(b)(1)(ii)].

#### HACCC Policy

If the family and the owner mutually agree to terminate the lease for the family's unit, the family must give HACCC a copy of the termination agreement. HACCC's Mutual Agreement to Terminate the Lease form must be submitted to HACCC staff before the move can be approved. If the owner has given the family a notice to vacate, has commenced an action to evict the family, or has obtained a court judgment or other process allowing the owner to evict the family [24 CFR 982.354(b)(2)], the family must give HACCC a copy of any owner eviction/termination notice received [24 CFR 982.551(g)].

- The family or a member of the family is or has been the victim of domestic violence, dating violence, sexual assault or stalking and the move is needed to protect the health or safety of the family or family member [24 CFR 982.354(b)(4)]. This condition applies even when the family has moved out of its unit in violation of the lease, with or without prior notification to HACCC, if the family or family member who is the victim reasonably believed that he or she was imminently threatened by harm from further violence if he or she remained in the unit [24 CFR 982.354(b)(4), 24 CFR 982.353(b)].

#### HACCC Policy

If a family requests permission to move with continued assistance based on a claim that the move is necessary to protect the health or safety of a family member who is or has been the victim of domestic violence, dating violence, sexual assault or stalking, HACCC will request documentation in accordance with section 16-IX.D of this plan.

HACCC reserves the right to waive the documentation requirement if it determines that a statement or other corroborating evidence from the family or family member will suffice. In such cases HACCC will document the waiver in the family's file.

- HACCC has terminated the HAP Contract for the family's unit for the owner's breach [24 CFR 982.354(b)(1)(i)].
- HACCC determines that the family's current unit does not meet the HQS space standards because of an increase in family size or a change in family composition. In such cases, HACCC must issue the family a new voucher, and the family and PHA must try to find an

acceptable unit as soon as possible. If an acceptable unit is available for the family, HACCC must terminate the HAP contract for the family's old unit in accordance with the HAP contract terms and must notify both the family and the owner of the termination. The HAP contract terminates at the end of the calendar month that follows the calendar month in which HACCC gives notice to the owner. [24 CFR 982.403(a) and (c)]

## **10-I.B. RESTRICTIONS ON MOVES**

A family's right to move is generally contingent upon the family's compliance with program requirements [24 CFR 982.1(b)(2)]. HUD specifies two conditions under which a PHA may deny a family permission to move and two ways in which a PHA may restrict moves by a family.

### **Denial of Moves**

HUD regulations permit HACCC to deny a family permission to move under the following conditions:

#### ***Insufficient Funding***

HACCC may deny a family permission to move either within or outside HACCC's jurisdiction if HACCC does not have sufficient funding for continued assistance [24 CFR 982.354(e)(1)]. However, Notice PIH 2016-09 significantly restricts the ability of PHAs to deny permission to move due to insufficient funding and places further requirements on PHAs regarding moves denied due to lack of funding. The requirements found in this notice are mandatory.

#### **HACCC Policy**

HACCC will deny a family permission to move on grounds that HACCC does not have sufficient funding for continued assistance if (a) the move is initiated by the family, not the owner or HACCC; (b) HACCC can demonstrate that the move will, in fact, result in higher subsidy costs; (c) HACCC can demonstrate, in accordance with the policies in Part VIII of Chapter 16, that it does not have sufficient funding in its annual budget to accommodate the higher subsidy costs; and (d) for portability moves, the receiving PHA is not absorbing the voucher. This policy applies to moves within HACCC's jurisdiction as well as to moves outside it under portability.

If HACCC does not have sufficient funding for continued assistance, but the family must move from their unit (e.g., the unit failed HQS), the family may move to a higher cost unit if the move is within HACCC's jurisdiction. HACCC, however, will not allow the family to move under portability in this situation if the family wishes to move to a higher cost area.

For both moves within HACCC's jurisdiction and outside under portability, HACCC will not deny a move due to insufficient funding if HACCC previously approved the move and subsequently experienced a funding shortfall if the family cannot remain in their current unit. HACCC will rescind the voucher in this situation if the family will be allowed to remain in their current unit.

HACCC will create a list of families whose moves have been denied due to insufficient funding. HACCC will keep the family's request open indefinitely, and, when funds become available, the families on this list will take precedence over families on the

waiting list. HACCC will use the same procedures for notifying families with open requests to move when funds become available as it uses for notifying families on the waiting list (see section 4-III.D).

HACCC will inform the family of its policy regarding moves denied due to insufficient funding in a letter to the family at the time the move is denied.

Pursuant to HUD revisions to the Portability guidance published in the Federal Register on August 20, 2015, HACCC shall notify the local HUD office within 10 business days of a determination to deny a portability move based on insufficient funding.

### ***Grounds for Denial or Termination of Assistance***

HACCC may deny a family permission to move if it has grounds for denying or terminating the family's assistance [24 CFR 982.354(e)(2)].

#### **HACCC Policy**

If HACCC has grounds for denying or terminating a family's assistance, HACCC will act on those grounds in accordance with the regulations and policies set forth in Chapters 3 and 12, respectively. In general, it will not deny a family permission to move for this reason; however, it retains the discretion to do so under special circumstances.

### **Restrictions on Elective Moves [24 CFR 982.354(c)]**

HUD regulations permit HACCC to prohibit any elective move by a participant family during the family's initial lease term. They also permit HACCC to prohibit more than one elective move by a participant family during any 12-month period. However, such prohibitions, if adopted, do not apply when the family or a member of the family is or has been the victim of domestic violence, dating violence, sexual assault or stalking and the move is needed to protect the health or safety of the family or family member. (For the policy on documentation of abuse, see section 10-I.A.) In addition, HACCC may not establish a policy permitting moves only at reexamination [Notice PIH 2016-09].

#### **HACCC Policy**

If a family has developed a pattern of frequent moves shorter than originally agreed, HACCC may deny a family permission to make an elective move during the family's initial lease term. If a mutual agreement to terminate the lease has been signed by the owner and tenant, HACCC will consider all factors and notify both parties of their decision to allow the move. This policy applies to moves within HACCC's jurisdiction or outside it under portability.

In addition, HACCC will allow exceptions to these policies for purposes of reasonable accommodation of a family member who is a person with disabilities (see Chapter 2).

## **10-I.C. MOVING PROCESS**

### **Notification**

If a family wishes to move to a new unit, the family must notify HACCC and the owner before moving out of the old unit or terminating the lease on notice to the owner [24 CFR 982.354(d)(2)]. If the family wishes to move to a unit outside HACCC's jurisdiction under

portability, the notice to HACCC must specify the area where the family wishes to move [24 CFR 982.354(d)(2)]. The notices must be in writing [24 CFR 982.5].

## **Approval**

### HACCC Policy

Upon receipt of a family's notification that it wishes to move, HACCC will determine whether the move is approvable in accordance with the regulations and policies set forth in sections 10-I.A and 10-I.B. HACCC will notify the family in writing of its determination within 14 calendar days following receipt of the family's notification. If the family has given a minimum of a 30-day notice and it has expired, the family is required to serve the owner with another 30-day notice, if agreeable to the present landlord, or sign a Mutual Agreement to Rescind the Lease form. Otherwise, the family is not authorized to vacate the unit and HACCC shall not process a new HAP Contract for the family.

## **Reexamination of Family Income and Composition**

### HACCC Policy

For families approved to move to a new unit within HACCC's jurisdiction, HACCC may perform a new annual reexamination in accordance with the policies set forth in Chapter 11 of this plan.

For families moving into or families approved to move out of HACCC's jurisdiction under portability, HACCC will follow the policies set forth in Part II of this chapter.

## **Voucher Issuance and Briefing**

### HACCC Policy

For families approved to move to a new unit within HACCC's jurisdiction, HACCC will issue a new voucher within 15 calendar days of HACCC's written approval to move. A briefing is not required for these families. However, families approved to transfer to another unit will be given an abridged version of the applicant briefing packet and directed to the HACCC website for further Briefing Packet information. HACCC will follow the policies set forth in Chapter 5 on voucher term, extension, and expiration. If a family does not locate a new unit within the term of the voucher and any extensions, the family may remain in its current unit with continued voucher assistance if the owner agrees and HACCC approves. Otherwise, the family will lose its assistance.

For families moving into or families approved to move out of HACCC's jurisdiction under portability, HACCC will follow the policies set forth in Part II of this chapter.

## **Housing Assistance Payments [24 CFR 982.311(d)]**

When a family moves out of an assisted unit, HACCC may not make any housing assistance payment to the owner for any month **after** the month the family moves out. The owner may keep the housing assistance payment for the month when the family moves out of the unit.

If a participant family moves from an assisted unit with continued tenant-based assistance, the term of the assisted lease for the new assisted unit may begin during the month the family moves

out of the first assisted unit. Overlap of the last housing assistance payment (for the month when the family moves out of the old unit) and the first assistance payment for the new unit, is not considered to constitute a duplicative housing subsidy.

The family must submit evidence that possession of the unit has been returned to the landlord. A Key Return Form must be signed by both the family and the landlord and returned to HACCC within 5 days of the tenant vacating the unit AND returning the keys to the owner. If the tenant fails to return the keys to the prior landlord, transfer of unit possession will not have been documented and the new HAP contract shall be voided.

Under no circumstances will a HAP contract for a new unit be processed without the family submitting HACCC's Key Return Form signed by the previous landlord.

### **10.I.D . ENHANCED VOUCHERS**

HUD provides tenant-based rental assistance in order to assist eligible residents that are affected by several different types of owner or HUD actions in HUD's Office of Multifamily Housing programs (collectively referred to as "Housing conversion actions").

Depending on the Housing conversion action and subject to the availability of appropriations, eligible families receive either regular voucher assistance or enhanced voucher assistance to mitigate the impact of the conversion action on the family's rent.

Enhanced vouchers are primarily provided in the case of preservation prepayments and Section 8 project-based contract opt-outs. Enhanced voucher assistance under Section 8(t) of the United States Housing Act of 1937 is calculated differently from regular housing choice voucher assistance if the family remains in the project. A higher "enhanced" payment standard is used to determine the amount of the monthly subsidy in cases where the gross rent of the unit exceeds the normally applicable HACCC payment standard. In such instances, the gross rent for the unit is used in the monthly subsidy calculation instead of the normally applicable payment standard.

#### **Voucher Issuance and HACCC Determination of the Family's Over-housed Status.**

Under a Housing conversion action, HACCC issues an eligible family an enhanced voucher based on HACCC's subsidy standards (see 24 CFR §982.402), not the actual size of the unit the family is currently occupying. HACCC must approve requests for a larger bedroom size to permit additional bedrooms if it may be necessary as a reasonable accommodation for a household with a family member with a disability, such as for example, to accommodate the need for a live-in aide or for medical equipment (see 24 CFR part 8).

If the bedroom size of the family's unit exceeds the number of bedrooms for which the family qualifies under HACCC's subsidy standards, the family is an over-housed family unless the family qualifies for a reasonable accommodation because one or more family member(s) need an additional bedroom.

If an over-housed family chooses to move from the project at any time, the normal tenant-based voucher program rules apply to the subsidy calculation for the new unit. In such a case, the payment standard is the lower of the payment standard for the family unit size under HACCC's

subsidy standards or the payment standard for the actual size of the unit rented by the family (see 24 CFR §982.402(c)).

### **Availability of Appropriate Size Units in the Project**

If an over-housed family wishes to remain at the project, the regular voucher program requirements regarding the payment standard are not applicable and the provisions of PIH Notice 2016-02 apply.

The over-housed family must move to an appropriate size unit in the project if one is available in order to receive enhanced voucher assistance. The family and owner will enter into a lease and HACCC will execute a voucher housing assistance payments (HAP) contract on behalf of the family for the appropriate size unit to which the family moves.

The enhanced voucher housing assistance payment calculation is based on the gross rent of the appropriate size unit. If an over-housed enhanced voucher family refuses to move to the appropriate size unit, and one exists and is available for occupancy, HACCC will calculate the family's housing assistance payment for the over-sized unit based on the normally applicable voucher subsidy formula using the applicable payment standard established by HACCC for its voucher program (see 24 CFR §982.402(c) and (d)). The family will be responsible for any amount of the gross rent not covered by the housing assistance payment.

### **Appropriate Size Unit does not Physically Exist in the Project.**

If the family wishes to remain at the project with enhanced voucher assistance, and an appropriate size unit does not physically exist at the project, but a bedroom size unit is available that is smaller than the family's current unit but not smaller than the unit size for which the family qualifies under HACCC's subsidy standards, the family must move to the smaller bedroom size unit within 30 calendar days unless there are mitigating circumstances that are beyond the family's control and approved by HACCC.

The family and owner will enter into a new lease and HACCC will execute a new voucher HAP contract with the owner for the smaller bedroom size unit. The enhanced voucher subsidy calculation is based on the gross rent for the smaller bedroom size unit. If an over-housed enhanced voucher family refuses to move to the smaller bedroom size unit, and one exists and is available for occupancy, HACCC will calculate the family's housing assistance payment for the over-sized unit based on the normally applicable voucher subsidy formula using the applicable payment standard established by HACCC for its voucher program (see 24 CFR §982.402(c) and (d)). The family will be responsible for any amount of the gross rent not covered by the housing assistance payment.

### **HACCC and Family Actions when Appropriate Size Units Subsequently Become Available in the Project.**

When HACCC is informed that an appropriate size unit is available, HACCC must immediately notify the over-housed family of the availability of the unit and the family must move to the

appropriate size unit within 30 calendar days, unless there are mitigating circumstances that are beyond the family's control and approved by HACCC, to continue to receive enhanced voucher assistance.

The family and owner will enter into a new lease and HACCC will execute a new voucher HAP contract with the owner for the appropriate size unit. The enhanced voucher subsidy calculation is based on the gross rent for the appropriate size unit.

## **PART II: PORTABILITY**

### **10-II.A. OVERVIEW**

Within the limitations of the regulations and this plan, a participant family or an applicant family that has been issued a voucher has the right to use tenant-based voucher assistance to lease a unit anywhere in the United States providing that the unit is located within the jurisdiction of a PHA administering a tenant-based voucher program [24 CFR 982.353(b)]. The process by which a family obtains a voucher from one PHA and uses it to lease a unit in the jurisdiction of another PHA is known as portability. The PHA that issues the voucher is called the **initial PHA**. The PHA that has jurisdiction in the area to which the family wants to move is called the **receiving PHA**.

The receiving PHA has the option of administering the family's voucher for the initial PHA or absorbing the family into its own program. Under the first option, the receiving PHA provides all housing services for the family and bills the initial PHA for the family's housing assistance payments and the fees for administering the family's voucher. Under the second option, the receiving PHA pays for the family's assistance with its own program funds, and the initial PHA has no further relationship with the family. The initial PHA must contact the receiving PHA via email or other confirmed delivery method to determine whether the receiving PHA will administer or absorb the initial PHA's voucher. Based on the receiving PHA's response, the initial PHA must determine whether they will approve or deny the portability request [Notice PIH 2016-09].

PHAs commonly act as both the initial and receiving PHA because families may move into or out of their jurisdiction under portability. Each role involves different responsibilities. HACCC will follow the rules and policies in section 10-II.B when it is acting as the initial PHA for a family. It will follow the rules and policies in section 10-II.C when it is acting as the receiving PHA for a family.

In administering portability, the initial PHA and the receiving PHA must comply with financial procedures required by HUD, including the use of HUD-required forms [24 CFR 982.355(e)(5)].

PHAs must also comply with billing and payment deadlines. HUD may reduce an administrative fee to an initial or receiving PHA if the PHA does not comply with HUD portability requirements [24 CFR 982.355(e)(7)].

### **10-II.B. INITIAL PHA ROLE**

#### **Allowable Moves under Portability**

A family may move with voucher assistance only to an area where there is at least one PHA administering a voucher program [24 CFR 982.353(b)]. If there is more than one PHA in the area, the initial PHA provides the family with the contact information for the receiving PHAs that serve the area, and the family selects the receiving PHA. The family must inform the initial PHA which PHA it has selected. If the family prefers not to select the receiving PHA, the initial PHA will select the receiving PHA on behalf of the family [24 CFR 982.255(b)].

Applicant families that have been issued vouchers as well as participant families may qualify to lease a unit outside HACCC's jurisdiction under portability. HUD regulations and PHA policy determine whether a family qualifies.

### ***Applicant Families***

Under HUD regulations, most applicant families qualify to lease a unit outside HACCC's jurisdiction under portability. However, HUD gives HACCC discretion to deny a portability move by an applicant family for the same two reasons that it may deny any move by a participant family: insufficient funding and grounds for denial or termination of assistance. If a PHA intends to deny a family permission to move under portability due to insufficient funding, the PHA must notify HUD within 10 business days of the determination to deny the move [24 CFR 982.355(e)].

#### HACCC Policy

In determining whether or not to deny an applicant family permission to move under portability because HACCC lacks sufficient funding or has grounds for denying assistance to the family, the initial PHA will follow the policies established in section 10-I.B of this chapter. If the PHA does deny the move due to insufficient funding, the PHA will notify HUD in writing within 14 calendar days of the PHA's determination to deny the move.

In addition, HACCC may establish a policy denying the right to portability to nonresident applicants during the first 12 months after they are admitted to the program [24 CFR 982.353(c)].

#### HACCC Policy

If neither the head of household nor the spouse/cohead of an applicant family had a domicile (legal residence) in HACCC's jurisdiction at the time that the family's initial application for assistance was submitted, the family must lease a unit within the initial PHA's jurisdiction for at least 12 months before requesting portability.

HACCC will consider exceptions to this policy for purposes of reasonable accommodation (see Chapter 2) or reasons related to domestic violence, dating violence, sexual assault or stalking.

### ***Participant Families***

The initial PHA must not provide portable assistance for a participant if a family has moved out of its assisted unit in violation of the lease [24 CFR 982.353(b)]. The Violence against Women Act of 2005 (VAWA) creates an exception to this prohibition for families who are otherwise in compliance with program obligations but have moved to protect the health or safety of a family member who is or has been a victim of domestic violence, dating violence, sexual assault or stalking and who reasonably believed he or she was imminently threatened by harm from further violence if he or she remained in the unit [24 CFR 982.353(b)].

#### HACCC Policy

HACCC will determine whether a participant family may move out of HACCC's jurisdiction with continued assistance in accordance with the regulations and policies set forth here and in sections 10-I.A and 10-I.B of this chapter. HACCC will notify the family of its determination in accordance with the approval policy set forth in section 10-I.C of this chapter.

## **Determining Income Eligibility**

### ***Applicant Families***

An applicant family may lease a unit in a particular area under portability only if the family is income eligible for admission to the voucher program in that area [24 CFR 982.353(d)(1)]. The family must specify the area to which the family wishes to move [24 CFR 982.355(c)(1)].

The initial PHA is responsible for determining whether the family is income eligible in the area to which the family wishes to move [24 CFR 982.353(d)(1), 24 CFR 982.355(9)]. If the applicant family is not income eligible in that area, HACCC must inform the family that it may not move there and receive voucher assistance [Notice PIH 2016-09].

### ***Participant Families***

The income eligibility of a participant family is not redetermined if the family moves to a new jurisdiction under portability [24 CFR 982.353(d)(2)].

## **Reexamination of Family Income and Composition**

No new reexamination of family income and composition is required for an applicant family.

### **HACCC Policy**

For a participant family approved to move out of its jurisdiction under portability, HACCC generally will conduct a reexamination of family income and composition only if the family's annual reexamination must be completed on or before the initial billing deadline specified on form HUD-52665, Family Portability Information.

HACCC will make any exceptions to this policy necessary to remain in compliance with HUD regulations.

## **Briefing**

The regulations and policies on briefings set forth in Chapter 5 of this plan require HACCC to provide information on portability to all applicant families that qualify to lease a unit outside HACCC's jurisdiction under the portability procedures.

### **HACCC Policy**

HACCC will provide the family with an abridged version of the briefing material it provides to applicant families selected for admission to the program regarding Portability and direct families to HACCC's website for further Briefing Packet information. The abridged briefing packet will include information of low poverty and low minority-concentrated areas within HACCC's jurisdiction.

HACCC will provide the name, address, and phone of the contact for the PHA in the jurisdiction to which they wish to move. If there is more than one PHA with jurisdiction over the area to which the family wishes to move, HACCC will advise the family that the family selects the receiving PHA and notifies the initial PHA of which receiving PHA was selected. HACCC will provide the family with contact information for all of the receiving PHAs that serve the area. HACCC will not provide any additional information about receiving PHAs in the area. HACCC will further inform the family that if the family prefers not to select the receiving PHA, HACCC will select the receiving PHA on

behalf of the family. In this case, HACCC will not provide the family with information for all receiving PHAs in the area.

HACCC will advise the family that they will be under the RHA's policies and procedures, including screening, subsidy standards, voucher extension policies and payment standards.

### **Voucher Issuance and Term**

An applicant family has no right to portability until after the family has been issued a voucher [24 CFR 982.353(b)]. In issuing vouchers to applicant families, HACCC will follow the regulations and procedures set forth in Chapter 5.

#### HACCC Policy

For participating families approved to move under portability, HACCC will issue a new voucher within 15 calendar days of HACCC's written approval to move.

The initial term of the voucher will be 120 days.

## **Voucher Extensions and Expiration**

### HACCC Policy

HACCC will approve **no** extensions to a voucher issued to an applicant or participant family porting out of HACCC's jurisdiction except under the following circumstances: (a) the initial term of the voucher will expire before the portable family will be issued a voucher by the receiving PHA, (b) the family decides to return to the initial PHA's jurisdiction and search for a unit there, or (c) the family decides to search for a unit in a third PHA's jurisdiction. In such cases, the policies on voucher extensions set forth in Chapter 5, section 5-II.E, of this plan will apply, including the requirement that the family apply for an extension in writing prior to the expiration of the initial voucher term.

To receive or continue receiving assistance under the initial PHA's voucher program, a family that moves to another PHA's jurisdiction under portability must be under HAP contract in the receiving PHA's jurisdiction within 60 days following the expiration date of the initial PHA's voucher term (including any extensions). (See below under "Initial Billing Deadline" for one exception to this policy.)

## **Preapproval Contact with the Receiving PHA**

Prior to approving a family's request to move under portability, the initial PHA must contact the receiving PHA via e-mail or other confirmed delivery method to determine whether the receiving PHA will administer or absorb the family's voucher. Based on the receiving PHA's response, the initial PHA must determine whether it will approve or deny the move [24 CFR 982.355(c)(3)].

### HACCC Policy

HACCC will use e-mail, when possible, to contact the receiving PHA regarding whether the receiving PHA will administer or absorb the family's voucher.

## **Initial Notification to the Receiving PHA**

After approving a family's request to move under portability, the initial PHA must promptly notify the receiving PHA via email or other confirmed delivery method to expect the family [24 CFR 982.355(c)(3); 24 CFR 982.355(c)(7)]. The initial PHA must also advise the family how to contact and request assistance from the receiving PHA [24 CFR 982.355(c)(6)].

### HACCC Policy

Because the portability process is time-sensitive, HACCC will notify the receiving PHA by phone, fax, or e-mail to expect the family. The initial PHA will also ask the receiving PHA to provide any information the family may need upon arrival, including the name, fax, e-mail address, and telephone number of the staff person responsible for business with incoming portable families and procedures related to appointments for voucher issuance. HACCC will pass this information along to the family. HACCC will also ask for the name, address, telephone number, fax and e-mail of the person responsible for processing the billing information.

## **Sending Documentation to the Receiving PHA**

The initial PHA is required to send the receiving PHA the following documents:

- Form HUD-52665, Family Portability Information, with Part I filled out [Notice PIH 2016-09]
- A copy of the family's voucher [Notice PIH 2016-09]
- A copy of the family's most recent form HUD-50058, Family Report, or, if necessary in the case of an applicant family, family and income information in a format similar to that of form HUD-50058 [24 CFR 982.355(c)(7), Notice PIH 2016-09]
- Copies of the income verifications backing up the form HUD-50058, including a copy of the family's current EIV data [24 CFR 982.355(c)(7), Notice PIH 2016-09]

#### HACCC Policy

In addition to these documents, HACCC will provide the following information, if available, to the receiving PHA:

Social security numbers (SSNs)

Documentation of SSNs for all nonexempt household members whose SSNs have not been verified through the EIV system

Documentation of legal identity

Documentation of citizenship or eligible immigration status

Documentation of participation in the earned income disallowance (EID) benefit

Documentation of participation in a family self-sufficiency (FSS) program

HACCC will notify the family in writing regarding any information provided to the receiving PHA [HCV GB, p. 13-3].

#### **Initial Billing Deadline [Notice PIH 2016-09]**

The deadline for submission of initial billing is 90 days following the expiration date of the voucher issued to the family by the initial PHA. In cases where suspension of the voucher delays the initial billing submission, the receiving PHA must notify the initial PHA of delayed billing before the billing deadline and document the delay is due to the suspension. In this case, the initial PHA must extend the billing deadline by 30 days.

If the initial PHA does not receive a billing notice by the deadline and does not intend to honor a late billing submission, it must notify the receiving PHA in writing. The initial PHA may report to HUD the receiving PHA's failure to comply with the deadline.

If the initial PHA will honor the late billing, no action is required.

#### HACCC Policy

If HACCC has not received an initial billing notice from the receiving PHA within the billing deadline, it will contact the receiving PHA to inform them that it will not honor a late billing submission and will return any subsequent billings that it receives on behalf of the family. HACCC will send the receiving PHA a written confirmation of its decision by mail.

HACCC will allow an exception to this policy if the family includes a person with disabilities and the late billing is a result of a reasonable accommodation granted to the family by the receiving PHA.

### **Monthly Billing Payments [24 CFR 982.355(e), Notice PIH 2016-09]**

If the receiving PHA is administering the family's voucher, the receiving PHA bills the initial PHA for housing assistance payments and administrative fees. When reimbursing for administrative fees, the initial PHA must promptly reimburse the receiving PHA for the lesser of 80 percent of the initial PHA ongoing administrative fee or 100 percent of the receiving PHA's ongoing administrative fee for each program unit under contract on the first day of the month for which the receiving PHA is billing the initial PHA under portability. If the administrative fees are prorated for the HCV program, the proration will apply to the amount of the administrative fee for which the receiving PHA may bill [24 CFR 982.355(e)(2)].

The initial PHA is responsible for making billing payments in a timely manner. The first billing amount is due within 30 calendar days after the initial PHA receives Part II of form HUD-52665 from the receiving PHA. Subsequent payments must be **received** by the receiving PHA no later than the fifth business day of each month. The payments must be provided in a form and manner that the receiving PHA is able and willing to accept.

The initial PHA may not terminate or delay making payments under existing portability billing arrangements as a result of over-leasing or funding shortfalls. HACCC must manage its tenant-based program in a manner that ensures that it has the financial ability to provide assistance for families that move out of its jurisdiction under portability and are not absorbed by receiving PHAs as well as for families that remain within its jurisdiction.

### **Annual Updates of Form HUD-50058**

If the initial PHA is being billed on behalf of a portable family, it should receive an updated form HUD-50058 each year from the receiving PHA. If the initial PHA fails to receive an updated 50058 by the family's annual reexamination date, the initial PHA should contact the receiving PHA to verify the status of the family. The initial PHA must continue paying the receiving PHA based on the last form HUD-50058 received, unless instructed otherwise by HUD. The initial PHA may seek absorption of the vouchers by following steps outlined in Notice PIH 2016-09

### **Denial or Termination of Assistance [24 CFR 982.355(c)(9)]**

At any time, either the initial PHA or the receiving PHA may make a determination to deny or terminate assistance with the family in accordance with 24 CFR 982.552 and 24 CFR 982.553. (For PHA policies on denial and termination, see Chapters 3 and 12, respectively.)

### **10-II.C. RECEIVING PHA ROLE**

If a family has a right to lease a unit in the receiving PHA's jurisdiction under portability, the receiving PHA must provide assistance for the family [24 CFR 982.355(10)]. HUD may determine in certain instances that a PHA is not required to accept incoming portable families, such as a PHA in a declared disaster area. However, the PHA must have approval in writing from HUD before refusing any incoming portable families [24 CFR 982.355(b)].

Administration of the voucher must be in accordance with the receiving PHA's policies. This requirement also applies to policies of Moving to Work agencies. The receiving PHA procedures and preferences for selection among eligible applicants do not apply to the family, and the receiving PHA waiting list is not used [24 CFR 982.355(c)(10)]. The family's unit, or voucher, size is determined in accordance with the subsidy standards of the receiving PHA [24 CFR 982.355 (c) (12)], and the receiving PHA's policies on extensions of the voucher term apply [24 CFR 982.355(c)(14)].

### **Responding to Initial PHA's Request [24 CFR 982.355(c)]**

The receiving PHA must respond via e-mail or other confirmed delivery method to the initial PHA's inquiry to determine whether the family's voucher will be billed or absorbed [24 CFR 982.355(c)(3)]. . If the receiving PHA informs the initial PHA that it will be absorbing the voucher, the receiving PHA cannot reverse its decision at a later date without consent of the initial PHA [24 CFR 982.355(c)(4)].

#### HACCC Policy

HACCC will use e-mail, when possible, to notify the initial PHA whether it will administer or absorb the family's voucher.

### **Initial Contact with Family**

When a family moves into HACCC's jurisdiction under portability, the family is responsible for promptly contacting HACCC and complying with HACCC's procedures for incoming portable families. The family's failure to comply may result in denial or termination of the receiving PHA's voucher [24 CFR 982.355(c)(8)].

If the voucher issued to the family by the initial PHA has expired, the receiving PHA must contact the initial PHA to determine if it will extend the voucher [24 CFR 982.355(c)(13)]. An informal hearing is not required when a voucher has expired without the family leasing a unit.

If for any reason the receiving PHA refuses to process or provide assistance to a family under the portability procedures, the family must be given the opportunity for an informal review or hearing [Notice PIH 2016-09]. (For more on this topic, see later under "Denial or Termination of Assistance.")

### **Briefing**

HUD allows the receiving PHA to require a briefing for an incoming portable family as long as the requirement does not unduly delay the family's search [Notice PIH 2016-09].

#### HACCC Policy

HACCC will require the family to attend a group briefing only in the event the family is a first-time participant to the HCV Program. For port-in program participants, HACCC will provide the family with an abridged briefing packet (as described in Chapter 5) and, directed to HACCC's website for additional briefing packet information.

### **Income Eligibility and Reexamination**

The receiving PHA does not redetermine eligibility for a portable family that was already receiving assistance in the initial PHA's voucher program [24 CFR 982.355(c)(9)]. If the

receiving PHA opts to conduct a new reexamination for a current participant family, the receiving PHA may not delay issuing the family a voucher or otherwise delay approval of a unit [24 CFR 982.355(c)(11)].

### HACCC Policy

For any family moving into its jurisdiction under portability, HACCC will not conduct a reexamination except in the following instances:

- The reexamination anniversary is within the next 120 days or
- A reexamination has not been completed in the last 12 months
- New income information has been submitted
- If the information provided is incomplete.

However, HACCC will not delay issuing the family a voucher while the reexamination is being performed. HACCC may delay approving a unit for the family if the family is an applicant and HACCC cannot otherwise confirm that the family is income eligible for admission to the program in the area where the unit is located.

HACCC will rely upon any verifications provided by the initial PHA to the extent that they (a) accurately reflect the family's current circumstances and (b) were obtained within the last 120 days. Any new information may be verified by documents provided by the family and adjusted, if necessary, when third party verification is received.

### **Voucher Issuance**

When a family moves into its jurisdiction under portability, the receiving PHA is required to issue the family a voucher [24 CFR 982.355(c)(13)]. The family must submit a request for tenancy approval to the receiving PHA during the term of the receiving PHA's voucher [24 CFR 982.355(c)(15)].

### ***Timing of Voucher Issuance***

HUD expects the receiving PHA to issue the voucher within two weeks after receiving the family's paperwork from the initial PHA if the information is in order, the family has contacted the receiving PHA, and the family complies with the receiving PHA's procedures [Notice PIH 2016-09].

### HACCC Policy

When a family ports into its jurisdiction, HACCC will issue the family a voucher based on the paperwork provided by the initial PHA unless the family's paperwork from the initial PHA is incomplete, the family's voucher from the initial PHA has expired or the family does not comply with HACCC's procedures. HACCC will update the family's information when verification has been completed.

### ***Voucher Term***

The term of the receiving PHA's voucher may not expire before 30 calendar days from the expiration of the initial PHA's voucher [24 CFR 982.355(c)(13)]. If the initial PHA extends the

term of the voucher, the receiving PHA's voucher may not expire before 30 days from the new expiration date of the initial PHA's voucher [Notice PIH 2016-09].

#### HACCC Policy

The receiving PHA's voucher will expire 30 calendar days from the expiration date of the initial PHA's voucher. If the initial PHA extends the term of the voucher, the receiving PHA's voucher will expire 30 calendar days from the new expiration date of the initial PHA's voucher.

#### ***Voucher Extensions [24 CFR 982.355(c)(14), Notice 2016-09]***

Once the receiving PHA issues the portable family a voucher, the receiving PHA's policies on extensions of the voucher term apply. The receiving PHA must inform the initial PHA of any extension granted to the term of the voucher. It must also bear in mind the billing deadline provided by the initial PHA. Unless willing and able to absorb the family, the receiving PHA should ensure that any voucher expiration date would leave sufficient time to process a request for tenancy approval, execute a HAP contract, and deliver the initial billing to the initial PHA.

#### HACCC Policy

The policies on voucher extensions set forth in Chapter 5, section 5-II.E, of this plan will apply to any requests for extensions.

#### ***Voucher Suspensions [24 CFR 982.303, 24 CFR 982.355(c)(15)]***

If the family submits a request for tenancy approval during the term of the receiving PHA's voucher, the PHA must suspend the term of that voucher. The term of the voucher stops from the date that the family submits a request for PHA approval of the tenancy until the date the PHA notifies the family in writing whether the request has been approved or denied [24 CFR 982.4(b)] (see Section 5-II.E).

#### **Notifying the Initial PHA**

The receiving PHA must promptly notify the initial PHA if the family has leased an eligible unit under the program or if the family fails to submit a request for tenancy approval for an eligible unit within the term of the receiving PHA's voucher [24 CFR 982.355(c)(16)]. The receiving PHA is required to use Part II of form HUD-52665, Family Portability Information, for this purpose [Notice PIH 2016-09]. (For more on this topic and the deadline for notification, see below under "Administering a Portable Family's Voucher.")

If an incoming portable family ultimately decides not to lease in the jurisdiction of the receiving PHA but instead wishes to return to the initial PHA's jurisdiction or to search in another jurisdiction, the receiving PHA must refer the family back to the initial PHA. In such a case the voucher of record for the family is once again the voucher originally issued by the initial PHA. Any extension of search time provided by the receiving PHA's voucher is only valid for the family's search in the receiving PHA's jurisdiction [Notice PIH 2016-09].

## **Administering a Portable Family's Voucher**

### ***Portability Billing [24 CFR 982.355(e)]***

To cover assistance for a portable family that was not absorbed, the receiving PHA bills the initial PHA for housing assistance payments and administrative fees. The amount of the housing assistance payment for a portable family in the receiving PHA's program is determined in the same manner as for other families in the receiving PHA's program.

The receiving PHA may bill the initial PHA for the lesser of 80 percent of the initial PHA's ongoing administrative fee or 100 percent of the receiving PHA's ongoing administrative fee for each program unit under contract on the first day of the month for which the receiving PHA is billing the initial PHA under portability. If the administrative fees are prorated for the HCV program, the proration will apply to the amount of the administrative fee for which the receiving PHA may bill (i.e., the receiving PHA may bill for the lesser of 80 percent of the initial PHA's prorated ongoing administrative fee or 100 percent of the receiving PHA's ongoing administrative fee).

If both PHAs agree, the PHAs may negotiate a different amount of reimbursement.

#### HACCC Policy

Unless HACCC negotiates a different amount of reimbursement with the initial PHA, HACCC will bill the initial PHA the maximum amount of administrative fees allowed, ensuring any administrative fee proration has been properly applied.

### ***Initial Billing Deadline***

If a portable family's search for a unit is successful and the receiving PHA intends to administer the family's voucher, the receiving PHA must submit its initial billing notice (Part II of form HUD-52665) in time that the notice will be **received** no later than 90 days following the expiration date of the family's voucher issued by the initial PHA [Notice PIH 2016-09]. This deadline may be extended for 30 additional days if the delay is due to suspension of the voucher's term (see Initial Billing Section). A copy of the family's form HUD-50058, Family Report, completed by the receiving PHA must be attached to the initial billing notice. The receiving PHA may send these documents by mail, fax, or e-mail.

#### HACCC Policy

HACCC will send its initial billing notice by fax or e-mail, if necessary, to meet the billing deadline but will also send the notice by regular mail.

If the receiving PHA fails to send the initial billing by the deadline, it is required to absorb the family into its own program unless (a) the initial PHA is willing to accept the late submission or (b) HUD requires the initial PHA to honor the late submission (e.g., because the receiving PHA is over-leased) [Notice PIH 2016-09].

### ***Ongoing Notification Responsibilities [Notice PIH 2012-42, HUD-52665]***

**Annual Reexamination.** The receiving PHA must send the initial PHA a copy of a portable family's updated form HUD-50058 after each annual reexamination for the duration of time the receiving PHA is billing the initial PHA on behalf of the family, regardless of whether there is a change in the billing amount.

## HACCC Policy

HACCC will send a copy of the updated HUD-50058 by regular mail no later than 10 business days after the effective date of the reexamination.

**Change in Billing Amount.** The receiving PHA is required to notify the initial PHA, using form HUD-52665, of any change in the billing amount for the family as a result of:

- A change in the HAP amount (because of a reexamination, a change in the applicable payment standard, a move to another unit, etc.)
- An abatement or subsequent resumption of the HAP payments
- Termination of the HAP contract
- Payment of a damage/vacancy loss claim for the family
- Termination of the family from the program

The timing of the notice of the change in the billing amount should correspond with the notification to the owner and the family in order to provide the initial PHA with advance notice of the change. Under no circumstances should the notification be later than 10 working calendar days following the effective date of the change in the billing amount. If the receiving PHA fails to send Form HUD-52665 within 10 days of effective date of billing changes, the initial PHA is not responsible for any increase prior to notification. If the change resulted in a decrease in the monthly billing amount, the initial PHA will offset future monthly payments until the difference is reconciled.

### ***Late Payments [Notice PIH 2016-09]***

If the initial PHA fails to make a monthly payment for a portable family by the fifth business day of the month, the receiving PHA must promptly notify the initial PHA in writing of the deficiency. The notice must identify the family, the amount of the billing payment, the date the billing payment was due, and the date the billing payment was received (if it arrived late). The receiving PHA must send a copy of the notification to the Office of Public Housing (OPH) in the HUD area office with jurisdiction over the receiving PHA. If the initial PHA fails to correct the problem by the second month following the notification, the receiving PHA may request by memorandum to the director of the OPH with jurisdiction over the receiving PHA that HUD transfer the unit in question. A copy of the initial notification and any subsequent correspondence between HACCCs on the matter must be attached. The receiving PHA must send a copy of the memorandum to the initial PHA. If the OPH decides to grant the transfer, the billing arrangement on behalf of the family ceases with the transfer, but the initial PHA is still responsible for any outstanding payments due to the receiving PHA.

### ***Overpayments [Notice PIH 2016-09]***

In all cases where the receiving PHA has received billing payments for billing arrangements no longer in effect, the receiving PHA is responsible for returning the full amount of the overpayment (including the portion provided for administrative fees) to the initial PHA.

In the event that HUD determines billing payments have continued for at least three months because the receiving PHA failed to notify the initial PHA that the billing arrangement was terminated, the receiving PHA must take the following steps:

- Return the full amount of the overpayment, including the portion provided for administrative fees, to the initial PHA.
- Once full payment has been returned, notify the Office of Public Housing in the HUD area office with jurisdiction over the receiving PHA of the date and the amount of reimbursement to the initial PHA.

At HUD's discretion, the receiving PHA will be subject to the sanctions spelled out in Notice PIH 2016-09.

### ***Denial or Termination of Assistance***

At any time, the receiving PHA may make a determination to deny or terminate assistance to a portable family for family action or inaction [24 CFR 982.355(c)(17)].

In the case of a termination, HACCC should provide adequate notice of the effective date to the initial PHA to avoid having to return a payment. In no event should the receiving PHA fail to notify the initial PHA later than 10 working days following the effective date of the termination of the billing arrangement [HUD 52665, Notice PIH 2016-09].

#### HACCC Policy

If HACCC elects to deny or terminate assistance for a portable family, HACCC will notify the initial PHA within 10 working days after the informal review or hearing if the denial or termination is upheld. HACCC will base its denial or termination decision on the policies set forth in Chapter 3 or Chapter 12, respectively. The informal review or hearing will be held in accordance with the policies in Chapter 16. The receiving PHA will furnish the initial PHA with a copy of the review or hearing decision.

### **Absorbing a Portable Family**

The receiving PHA may absorb an incoming portable family into its own program when the PHA executes a HAP contract on behalf of the family or at any time thereafter providing that the PHA has funding available under its annual contributions contract(ACC) [24 CFR 982.355(d)(1), Notice PIH 2016-09].

If the receiving PHA absorbs a family from the point of admission, the admission will be counted against the income targeting obligation of the receiving PHA [24 CFR 982.201(b)(2)(vii)].

If the receiving PHA absorbs a family after providing assistance for the family under a billing arrangement with the initial PHA, the receiving PHA must send an updated form HUD-52665 to the initial PHA no later than 10 business days following the effective date of the termination of the billing arrangement. [Notice PIH 2016-09].

#### HACCC Policy

If HACCC decides to absorb a portable family upon the execution of a HAP contract on behalf of the family, HACCC will notify the initial PHA by the initial billing deadline specified on form HUD-52665. The effective date of the HAP contract will be the effective date of the absorption.

If HACCC decides to absorb a family after that, it will provide the initial PHA with 30 days' advance notice, or notify them no later than 10 business days following the effective date of the termination of the billing arrangement.

Following the absorption of an incoming portable family, the family is assisted with funds available under the consolidated ACC for the receiving PHA's voucher program [24 CFR 982.355(d)], and the receiving PHA becomes the initial PHA in any subsequent moves by the family under portability [24 CFR 982.355(e)(4)].

# CHAPTER 11

## REEXAMINATIONS

### INTRODUCTION

HACCC is required to reexamine each family's income and composition at least annually, and to adjust the family's level of assistance accordingly. Interim reexaminations are also needed in certain situations. This chapter discusses both annual and interim reexaminations, and the recalculation of family share and subsidy that occurs as a result. HUD regulations and PHA policies concerning reexaminations are presented in three parts:

Part I: Annual Reexaminations. This part discusses the process for conducting annual reexaminations.

Part II: Interim Reexaminations. This part details the requirements for families to report changes in family income and composition between annual reexaminations.

Part III: Recalculating Family Share and Subsidy Amount. This part discusses the recalculation of family share and subsidy amounts based on the results of annual and interim reexaminations.

Policies governing reasonable accommodation, family privacy, required family cooperation, and program abuse, as described elsewhere in this plan, apply to both annual and interim reexaminations.

## **PART I: ANNUAL REEXAMINATIONS [24 CFR 982.516]**

### **11-I.A. OVERVIEW**

HACCC must conduct a reexamination of family income and composition at least annually. This includes gathering and verifying current information about family composition, income, and expenses. Based on this updated information, the family's income and rent must be recalculated. This part discusses the schedule for annual reexaminations, the information to be collected and verified, and annual reexamination effective dates.

### **11-I.B STREAMLINED ANNUAL REEXAMINATIONS [24 CFR 982.516(b)]**

HUD permits PHAs to streamline the income determination process for family members with fixed sources of income. While third-party verification of all income sources must be obtained during the intake process and every three years thereafter, in the intervening years the PHA may determine income from fixed sources by applying a verified cost of living adjustment (COLA) or rate of interest. The PHA may, however, obtain third-party verification of all income, regardless of the source. Further, upon request of the family, the PHA must perform third-party verification of all income sources.

Fixed sources of income include Social Security and SSI benefits, pensions, annuities, disability or death benefits, and other sources of income subject to a COLA or rate of interest. The determination of fixed income may be streamlined even if the family also receives income from other non-fixed sources.

Two streamlining options are available, depending upon the percentage of the family's income that is received from fixed sources. If at least 90 percent of the family's income is from fixed sources, the PHA may streamline the verification of fixed income and may choose whether to verify non-fixed income amounts in years where no fixed-income review is required. If the family receives less than 90 percent of its income from fixed sources, the PHA may streamline the verification of fixed income and must verify non-fixed income annually.

#### PHA Policy

HACCC will streamline the annual reexamination process by applying the verified COLA or interest rate to fixed-income sources. Fixed income sources are incomes with at least 90 % of the income coming from the fixed income source. HACCC will document in the file how the determination that a source of income was fixed was made.

For families with at least one source of fixed income, but for which less than 90% of the family's income is from fixed sources, HACCC shall verify and adjust non-fixed income sources annually

If a family member with a fixed source of income is added, HACCC will use third-party verification of all income amounts for that family member.

If verification of the COLA or rate of interest is not available, HACCC will obtain third-party verification of income amounts.

Third-party verification of fixed sources of income will be obtained during the intake process and at least once every three years thereafter.

Third-party verification of non-fixed income will be obtained annually when the percentage of family income received from fixed sources is less than 90%.

### **11-I.C. SCHEDULING ANNUAL REEXAMINATIONS**

HACCC must establish a policy to ensure that the annual reexamination for each family is completed *within* a 12-month period, and may require reexaminations more frequently [HCV GB p. 12-1].

#### HACCC Policy

Generally, HACCC will begin the annual reexamination process 120 days in advance of its scheduled effective date. Generally, HACCC will schedule annual reexamination effective dates to coincide with the family's anniversary date.

*Anniversary date* is defined as 12 months from the effective date of the family's last annual reexamination or, during a family's first year in the program, from the effective date of the family's initial examination (admission).

HACCC also may schedule an annual reexamination for completion prior to the anniversary date for administrative purposes.

#### **Notification of and Participation in the Annual Reexamination Process**

HACCC is required to obtain the information needed to conduct annual reexaminations. How that information will be collected is left to the discretion of HACCC. However, PHAs should give tenants who were not provided the opportunity the option to complete Form HUD-92006 at this time [Notice PIH 2009-36].

#### HACCC Policy

Families generally are required to participate in an annual reexamination interview and Housing Quality Standards inspection. All adult family members must attend the annual reexamination. If participation in an in-person interview poses a hardship because of a family member's disability, the family should contact HACCC to request a reasonable accommodation (see Chapter 2).

Notification of annual reexamination interviews and HQS inspections will be sent by first-class mail and will contain the date, time, and location of the interview or inspection. In addition, it will inform the family of the information and documentation that must be brought to the interview.

If the family is unable to attend a scheduled appointment, the family should contact HACCC in advance of the appointment to schedule a new appointment. If a family does not attend the scheduled appointment, HACCC will send a second notification and give the family a choice of 1) attending a new appointment, or 2) proposed termination of assistance. If a family fails to attend two scheduled appointments without PHA approval, or if the notice is returned by the post office with no forwarding address, a notice of termination (see Chapter 12) will be sent to the family's address of record, and to any alternate address provided in the family's file.

An advocate, interpreter, or other assistant may assist the family in the interview process. The family and HACCC must execute a certification attesting to the role and the assistance provided by any such third party.

### **11-I.D. CONDUCTING ANNUAL REEXAMINATIONS**

As part of the annual reexamination process, families are required to provide updated information to HACCC regarding the family's income, expenses, and composition [24 CFR 982.551(b)].

#### HACCC Policy

Families will be asked to bring all required information (as described in the reexamination notice) to the reexamination appointment. The required information will include a PHA-designated reexamination form, an Authorization for the Release of Information/Privacy Act Notice, as well as supporting documents or forms related to the family's income, expenses, and family composition. All adult family members must sign required documents.

Any required documents or information that the family is unable to provide at the time of the interview must be provided within 14 calendar days of the interview. If the family is unable to obtain the information or materials within the required time frame, the family may request an extension.

If the family or any adult member of the family does not provide the required documents or information within the required time period (plus any extensions), the family will be sent a notice of termination (See Chapter 12).

The information provided by the family generally must be verified in accordance with the policies in Chapter 7. Unless the family reports a change, or the PHA has reason to believe a change has occurred in information previously reported by the family, certain types of information that are verified at admission typically do not need to be re-verified on an annual basis. These include:

- Legal identity
- Age
- Social security numbers
- A person's disability status
- Citizenship or immigration status

If adding a new family member to the unit causes overcrowding according to the Housing Quality Standards (HQS) (see Chapter 8), HACCC must issue the family a new voucher, and the family and PHA must try to find an acceptable unit as soon as possible. If an acceptable unit is available for rental by the family, HACCC must terminate the HAP contract in accordance with its terms [24 CFR 982.403].

### **11-I.E. DETERMINING ONGOING ELIGIBILITY OF CERTAIN STUDENTS [24 CFR 982.552(b)(5)]**

Section 327 of Public Law 109-115 established new restrictions on the ongoing eligibility of certain students (both part- and full-time) who are enrolled in institutions of higher education.

If a student enrolled in an institution of higher education is under the age of 24, is not a veteran, is not married, does not have a dependent child, and is not a person with disabilities receiving HCV assistance as of November 30, 2005, the student's eligibility must be reexamined along with the income eligibility of the student's parents on an annual basis. In these cases, both the student and the student's parents must be income eligible for the student to continue to receive HCV assistance. If, however, a student in these circumstances is determined independent from his or her parents or is considered a *vulnerable youth* in accordance with HACCC Policy, the income of the student's parents will not be considered in determining the student's ongoing eligibility.

Students who reside with parents in an HCV assisted unit are not subject to this provision. It is limited to students who are receiving assistance on their own, separately from their parents.

#### HACCC Policy

During the annual reexamination process, HACCC will determine the ongoing eligibility of each student who is subject to the eligibility restrictions in 24 CFR 5.612 by reviewing the student's individual income as well as the income of the student's parents. If the student has been determined "independent" from his/her parents or is considered a *vulnerable youth* based on the policies in Sections 3-II.E and 7-II.E, the parents' income will not be reviewed.

If the student is no longer income eligible based on his/her own income or the income of his/her parents, the student's assistance will be terminated in accordance with the policies in Section 12-I.D.

If the student continues to be income eligible based on his/her own income and the income of his/her parents (if applicable), HACCC will process a reexamination in accordance with the policies in this chapter.

### **11-I.F. EFFECTIVE DATES**

HACCC must establish policies concerning the effective date of changes that result from an annual reexamination [24 CFR 982.516].

#### HACCC Policy

In general, an *increase* in the family share of the rent that results from an annual reexamination will take effect on the family's anniversary date, and the family will be notified at least 30 calendar days in advance.

If less than 30 calendar days remain before the scheduled effective date, the increase will take effect on the first of the month following the end of the 30-day notice period.

If a family moves to a new unit, the increase will take effect on the effective date of the new lease and HAP contract, and no 30-day notice is required.

Families on the FSS program will receive a 30-day notice. The increase in rent will take effect immediately after the 30-day notice period.

If HACCC chooses to schedule an annual reexamination for completion prior to the family's anniversary date for administrative purposes, the effective date will be determined by HACCC, but will always allow for the 30-day notice period.

For all families, including those participating in the FSS program, if the family causes a delay in processing the annual reexamination, *increases* in the family share of the rent will be applied retroactively, to the scheduled effective date of the annual reexamination. The family will be responsible for any overpaid subsidy and may be offered a repayment agreement in accordance with the policies in Chapter 16.

In general, a *decrease* in the family share of the rent that results from an annual reexamination will take effect on the family's anniversary date.

If a family moves to a new unit, the decrease will take effect on the effective date of the new lease and HAP contract.

If HACCC chooses to schedule an annual reexamination for completion prior to the family's anniversary date for administrative purposes, the effective date will be determined by HACCC.

If the family causes a delay in processing the annual reexamination, *decreases* in the family share of the rent will be applied prospectively, from the first day of the month following completion of the reexamination processing.

Delays in reexamination processing are considered to be caused by the family if the family fails to provide information requested by HACCC by the date specified, and this delay prevents HACCC from completing the reexamination as scheduled.

## **PART II: INTERIM REEXAMINATIONS [24 CFR 982.516]**

### **11-II.A. OVERVIEW**

Family circumstances may change between annual reexaminations. HUD and PHA policies dictate what kinds of information about changes in family circumstances must be reported, and under what circumstances HACCC must process interim reexaminations to reflect those changes. HUD regulations also permit HACCC to conduct interim reexaminations of income or family composition at any time. When an interim reexamination is conducted, only those factors that have changed are verified and adjusted [HCV GB, p. 12-10].

In addition to specifying what information the family must report, HUD regulations permit the family to request an interim determination if other aspects of the family's income or composition changes. HACCC must complete the interim reexamination within a reasonable time after the family's request.

This part includes HUD and PHA policies describing what changes families are required to report, what changes families may choose to report, and how HACCC will process both PHA- and family-initiated interim reexaminations.

### **11-II.B. CHANGES IN FAMILY AND HOUSEHOLD COMPOSITION**

The family is required to report all changes in family composition. HACCC must adopt policies prescribing when and under what conditions the family must report changes in income and family composition. However, due to family obligations under the program, HACCC has limited discretion in this area.

#### HACCC Policy

HACCC will conduct interim reexaminations to account for any changes in household composition that occur between annual reexaminations.

#### **New Family Members Not Requiring PHA Approval**

The addition of a family member as a result of birth, adoption, or court-awarded custody does not require PHA approval. However, the family is required to promptly notify HACCC of the addition [24 CFR 982.551(h)(2)].

#### HACCC Policy

The family must inform HACCC of the birth, adoption, or court-awarded custody of a child within 14 calendar days.

#### **New Family and Household Members Requiring Approval**

With the exception of children who join the family as a result of birth, adoption, or court-awarded custody, a family must request PHA approval to add a new family member [24 CFR 982.551(h)(2)] or other household member (live-in aide or foster child) [24 CFR 982.551(h)(4)].

When any new family member is added, HACCC must conduct a reexamination to determine any new income or deductions associated with the additional family member and to make appropriate adjustments in the family share of the rent and the HAP payment [24 CFR 982.516(e)].

If a change in family size causes a violation of Housing Quality Standards (HQS) space standards (see Chapter 8), HACCC must issue the family a new voucher, and the family and PHA must try to find an acceptable unit as soon as possible. If an acceptable unit is available for rental by the family, HACCC must terminate the family's HAP contract in accordance with its terms [24 CFR 982.403].

### HACCC Policy

Families must request PHA approval to add a new family member, live-in aide, foster child, or foster adult. This includes any person not on the lease who is expected to stay in the unit for more than 15 consecutive days or 45 cumulative days within a 12-month period and therefore no longer qualifies as a "guest." Requests must be made in writing and approved by HACCC prior to the individual moving into the unit.

HACCC will not increase the subsidy size (number of bedrooms) when adding additional family member(s) to an existing tenancy. This does not include adults by marriage, children by birth, adoption or legal guardianship. The family is required to sign a Waiver of Voucher Size Standards declaring that they understand that if they move from the assisted unit, the voucher size will remain the same size as it was prior to the addition of the new family member(s).

HACCC will not approve the addition of a new family or household member unless the individual meets HACCC's eligibility criteria (see Chapter 3) and documentation requirements (see Chapter 7, Part II).

If HACCC determines an individual meets HACCC's eligibility criteria as defined in Chapter 3 and documentation requirements of Chapter 7, Part II, HACCC will provide written approval to the family. If the approval of a live-in aide will cause overcrowding according to HQS standards, the approval letter will explain that the family will be issued a voucher and will be required to move.

HACCC will not approve the addition of a foster child or foster adult if it will cause a violation of HQS space standards. If the addition of a foster child results in a violation of HQS space standards, the family will be required to move in order to add the foster child(ren). Note this provision is only for foster children, not foster adults. The addition of a foster adult shall not result in a change in the subsidy size.

If HACCC determines that an individual does not meet HACCC's eligibility criteria or documentation requirements defined in Chapter 3, HACCC will notify the family in writing of its decision to deny approval of the new family or household member and the reasons for the denial.

HACCC will make its determination within 14 calendar days of receiving all information required to verify the individual's eligibility.

### **Departure of a Family or Household Member**

Families must promptly notify HACCC if any family member no longer lives in the unit

[24 CFR 982.551(h)(3)]. Because household members are considered when determining the family unit (voucher) size [24 CFR 982.402], HACCC also needs to know when any live-in aide, foster child, or foster adult ceases to reside in the unit.

### HACCC Policy

If a household member ceases to reside in the unit, the family must inform HACCC within 14 calendar days. This requirement also applies to a family member who has been considered temporarily absent at the point that the family concludes the individual is permanently absent.

If a live-in aide, foster child, or foster adult ceases to reside in the unit, the family must inform HACCC within 14 calendar days.

## **11-II.C. CHANGES AFFECTING INCOME OR EXPENSES**

Interim reexaminations can be scheduled either because HACCC has reason to believe that changes in income or expenses may have occurred, or because the family reports a change. When a family reports a change, HACCC may take different actions depending on whether the family reported the change voluntarily, or because it was required to do so.

### **PHA-Initiated Interim Reexaminations**

PHA-initiated interim reexaminations are those that are scheduled based on circumstances or criteria defined by HACCC. They are not scheduled because of changes reported by the family.

### HACCC Policy

HACCC will conduct interim reexaminations in each of the following instances:

**EID:** For families receiving the Earned Income Disallowance (EID), HACCC will conduct an interim reexamination at the start and conclusion of the 24-month eligibility period.

**Zero-Income Families:** If the family has reported zero income, HACCC will conduct an interim reexamination every 3 months as long as the family continues to report that they have no income.

**Difficulty Anticipating Annual Income:** If at the time of the annual reexamination, it is not feasible to anticipate a level of income for the next 12 months (e.g. seasonal or cyclic income), HACCC will schedule an interim reexamination to coincide with the end of the period for which it is feasible to project income.

**Updating Provisional Documents:** If at the time of the annual reexamination, tenant declarations were used on a provisional basis due to the lack of third-party verification, and third-party verification becomes available, HACCC will conduct an interim reexamination.

**Error Correction:** HACCC may conduct an interim reexamination at any time in order to correct an error in a previous reexamination, or to investigate a tenant fraud complaint.

### **Family-Initiated Interim Reexaminations**

HACCC must adopt policies prescribing when and under what conditions the family must report changes in family income or expenses [24 CFR 982.516(c)]. In addition, HUD regulations

require that the family be permitted to obtain an interim reexamination any time the family has experienced a change in circumstances since the last determination [24 CFR 982.516(b)(2)].

### ***Required Reporting***

HUD regulations give HACCC the freedom to determine the circumstances under which families will be required to report changes affecting income.

#### HACCC Policy

Families are not required to report increases in income between annual recertifications with the exception of families participating in the FSS program, *families declaring zero income* or families qualifying for the earned income disallowance (EID). These families that are required to report increases must report any increase within 14 calendar days..

HACCC will conduct interim reexaminations for families on the FSS program, *families declaring zero income* and families that qualify for the earned income disallowance (EID), only when the family's share of rent will change as a result of the increase.

### ***Optional Reporting***

The family may request an interim reexamination any time the family has experienced a change in circumstances since the last determination [24 CFR 982.516(b)(2)]. HACCC must process the request if the family reports a change that will result in a reduced family income [HCV GB, p. 12-9].

If a family reports a decrease in income from the loss of welfare benefits due to fraud or non-compliance with a welfare agency requirement to participate in an economic self-sufficiency program, the family's share of the rent will not be reduced [24 CFR 5.615]. For more information regarding the requirement to impute welfare income see Chapter 6.

#### HACCC Policy

If a family reports a change that it was not required to report and that would result in an increase in the family share of the rent, HACCC will note the information in the tenant software database, but will not conduct an interim reexamination.

If a family reports a change that will last for at least 30 calendar days that it was not required to report and that would result in a decrease in the family share of rent, HACCC will conduct an interim reexamination. See Section 11-II.D. for effective dates.

Families may report changes in income or expenses at any time.

## **11-II.D. PROCESSING THE INTERIM REEXAMINATION**

### **Method of Reporting**

#### HACCC Policy

The family must notify HACCC of changes in writing.

Generally, the family will not be required to attend an interview for an interim reexamination. However, if HACCC determines that an interview is warranted, the family may be required to attend.

Based on the type of change reported, HACCC will determine the documentation the family will be required to submit. The family must submit any required information or documents within 14 calendar days of receiving a request from HACCC. This time frame may be extended for good cause with PHA approval. HACCC will accept required documentation by mail, by fax, or in person.

### **Effective Dates**

HACCC must establish the time frames in which any changes that result from an interim reexamination will take effect [24 CFR 982.516(d)]. The changes may be applied either retroactively or prospectively, depending on whether there is to be an increase or a decrease in the family share of the rent, and whether the family reported any required information within the required time frames [HCV GB, p. 12-10].

#### HACCC Policy

If the family share of the rent is to *increase*:

The increase generally will be effective on the first of the month following 30 days' notice to the family.

If a family fails to report a change within the required time frames, or fails to provide all required information within the required time frames, the increase will be applied retroactively, to the date it would have been effective had the information been provided on a timely basis. The family will be responsible for any overpaid subsidy and may be offered a repayment agreement in accordance with the policies in Chapter 16.

If the family share of the rent is to *decrease*:

The decrease will be effective on the first day of the month following the month in which the change was reported and all required documentation was submitted however, all required documentation must be received by the 20th calendar day of the month to allow adequate time for processing.

In cases where the change cannot be verified until after the date the change would have become effective, the change will be made retroactively.

## **PART III: RECALCULATING FAMILY SHARE AND SUBSIDY AMOUNT**

### **11-III.A. OVERVIEW**

After gathering and verifying required information for an annual or interim reexamination, HACCC must recalculate the family share of the rent and the subsidy amount, and notify the family and owner of the changes [24 CFR 982.516(d)(2), HCV 12-6 and 12-10]. While the basic policies that govern these calculations are provided in Chapter 6, this part lays out policies that affect these calculations during a reexamination.

### **11-III.B. CHANGES IN PAYMENT STANDARDS AND UTILITY ALLOWANCES**

In order to calculate the family share of the rent and HAP amount correctly, changes in payment standards, subsidy standards, or utility allowances may need to be updated and included in HACCC's calculations.

Specific policies governing how subsidy standards, payment standards, and utility allowances are applied are discussed below.

#### **Payment Standards [24 CFR 982.505]**

The family share of the rent and HAP calculations must use the correct payment standard for the family, taking into consideration the family unit size, the size of unit, and the area in which the unit is located [HCV GB, p. 12-5]. See Chapter 6 for information on how to select the appropriate payment standard.

When HACCC changes its payment standards or the family's situation changes, new payment standards are applied at the following times:

- If HACCC's payment standard amount changes during the term of the HAP contract, the date on which the new standard is applied depends on whether the standard has increased or decreased:
  - If the payment standard amount has *increased*, the increased payment standard will be applied at the *first annual* reexamination following the effective date of the increase in the payment standard.
  - If the payment standard amount has *decreased*, during the term of a HAP contract, HACCC shall not reduce the payment standard as long as the HAP contract remains in effect. At the family's *second annual* reexamination, HACCC may, but is not required to, apply the decreased payment standard or may gradually implement the reduced payment standard (See Chapter 6 for the PHA's policy on decreases in the payment standard).
- If the family moves to a new unit, or a new HAP contract is executed due to changes in the lease (even if the family remains in place) the current payment standard applicable to the family will be used when the new HAP contract is processed.

#### **Subsidy Standards [24 CFR 982.505(c)(4)]**

If there is a change in the family unit size that would apply to a family during the HAP contract term, either due to a change in family composition, or a change in HACCC's subsidy standards (see Chapter 5), the new family unit size must be used to determine the payment standard

amount for the family at the family's *first annual* reexamination following the change in family unit size.

#### **Utility Allowances [24 CFR 982.517(d)]**

The family share of the rent and HAP calculations must reflect any changes in the family's utility arrangement with the owner, or in HACCC's utility allowance schedule [HCV GB, p. 12-5]. Chapter 16 discusses how utility allowance schedules are established.

When there are changes in the utility arrangement with the owner, HACCC must use the utility allowances in effect at the time the new lease and HAP contract are executed.

At reexamination, HACCC must use HACCC current utility allowance schedule [HCV GB, p. 18-8].

#### HACCC Policy

Revised utility allowances will be applied to a family's rent and subsidy calculations at the first annual reexamination after the allowance is adopted.

If a revised Utility Allowance Schedule is implemented retroactively, annual certifications affected by the revised schedule shall be updated with a correction to the Annual reexamination if the utility allowance is increasing or, when the utility allowance is decreasing, an Interim Reexamination will be completed to ensure the tenant is given 30 -Day Notice of the increase in the tenant rent portion.

### **11-III.C. NOTIFICATION OF NEW FAMILY SHARE AND HAP AMOUNT**

HACCC must notify the owner and family of any changes in the amount of the HAP payment [HUD-52641, HAP Contract]. The notice must include the following information [HCV GB, p. 12-6]:

- The amount and effective date of the new HAP payment
- The amount and effective date of the new family share of the rent
- The amount and effective date of the new tenant rent to owner

The family must be given an opportunity for an informal hearing regarding HACCC's determination of their annual or adjusted income, and the use of such income to compute the housing assistance payment [24 CFR 982.555(a)(1)(i)] (see Chapter 16).

#### HACCC Policy

The notice to the family will state the effective dates and amounts of the new family rent payment, new Housing Assistance Payment, the new total Contract Rent and the previous family rent payment.. The notice also will state the procedures for requesting a meeting with knowledgeable staff members. If questions and issues are not resolved to the family's satisfaction, they will be provided the opportunity to request an informal hearing with an impartial hearing officer.

### **11-III.D. DISCREPANCIES**

During an annual or interim reexamination, HACCC may discover that information previously reported by the family was in error, or that the family intentionally misrepresented information. In addition, HACCC may discover errors made by HACCC. When errors resulting in the overpayment or underpayment of subsidy are discovered, corrections will be made in accordance with the policies in Chapter 14.

## CHAPTER 12

### TERMINATION OF ASSISTANCE AND TENANCY

HUD regulations specify mandatory and optional grounds for which a PHA can terminate a family's assistance. They also specify the circumstances under which an owner may terminate the tenancy of an assisted family. This chapter describes the policies that govern mandatory and optional terminations of assistance, and termination of tenancy by the owner. It is presented in three parts:

Part I: Grounds for Termination of Assistance. This part describes the various circumstances under which assistance under the program can be terminated by the family or by the PHA.

Part II: Approach to Termination of Assistance. This part describes the policies and the process that HACCC will use in evaluating decisions on whether to terminate assistance due to actions or inactions of the family where termination is an option. It specifies the alternatives that HACCC may consider in lieu of termination, the criteria HACCC will use when deciding what action to take, and the steps HACCC must take when terminating a family's assistance.

Part III: Termination of Tenancy by the Owner. This part describes the HUD policies that govern the owner's right to terminate an assisted tenancy.

## **PART I: GROUNDS FOR TERMINATION OF ASSISTANCE**

### **12-I.A. OVERVIEW**

HUD requires HACCC to terminate assistance for certain actions and inactions of the family and when the family no longer requires assistance due to increases in family income. HUD permits HACCC to terminate assistance for certain other actions or inactions of the family. In addition, a family may decide to withdraw from the program and terminate their HCV assistance at any time by notifying the PHA.

### **12-I.B. FAMILY NO LONGER REQUIRES ASSISTANCE [24 CFR 982.455]**

As a family's income increases, the amount of the housing assistance payment decreases. If the amount of assistance provided by HACCC is reduced to zero, the family's assistance terminates automatically 180 days after the last HAP payment.

#### HACCC Policy

If a participating family receiving zero assistance experiences a change in circumstances that would result in a HAP payment to the owner, the family must notify HACCC of the change and request an interim reexamination before the expiration of the 180-day period.

### **12-I.C. FAMILY CHOOSES TO TERMINATE ASSISTANCE**

The family may request that HACCC terminate housing assistance payments on behalf of the family at any time.

#### HACCC Policy

The request to terminate assistance should be made in writing and signed by the head of household, and spouse or cohead if applicable. Before terminating the family's assistance, HACCC will follow the notice requirements in Section 12-II.F.

### **12-I.D. MANDATORY TERMINATION OF ASSISTANCE**

HUD requires HACCC to terminate assistance in the following circumstances.

#### **Eviction [24 CFR 982.552(b)(2), 24 CFR 5.2005(c)(1)]**

HACCC must terminate assistance whenever a family is evicted from a unit assisted under the HCV program for a serious or repeated violation of the lease. As discussed further in section 12-II.E, incidents of actual or threatened domestic violence, dating violence, sexual assault or stalking may not be construed as serious or repeated violations of the lease by the victim or threatened victim of such violence or stalking.

#### HACCC Policy

A family will be considered *evicted* if the family moves after a legal eviction order has been issued, whether or not physical enforcement of the order was necessary.

If a family moves after the owner has given the family an eviction notice for serious or repeated lease violations but before a legal eviction order has been issued, termination of assistance is not mandatory. In such cases HACCC will determine whether the family has

committed serious or repeated violations of the lease based on available evidence and may terminate assistance or take any of the alternative measures described in section 12-II.C. In making its decision, HACCC will consider the factors described in sections 12-II.D and 12-II.E. Upon consideration of such factors, HACCC may, on a case-by-case basis, choose not to terminate assistance.

*Serious and repeated lease violations* will include, but not be limited to, nonpayment of rent, disturbance of neighbors, destruction of property, or living or housekeeping habits that cause damage to the unit or premises and criminal activity. Generally, the criterion to be used will be whether or not the reason for the eviction was the fault of the tenant or guests.

#### **Failure to Provide Consent [24 CFR 982.552(b)(3)]**

HACCC must terminate assistance if any family member fails to sign and submit any consent form they are required to sign for a regular or interim reexamination. See Chapter 7 for a complete discussion of consent requirements.

#### **Failure to Document Citizenship [24 CFR 982.552(b)(4) and [24 CFR 5.514(c)]**

HACCC must terminate assistance if (1) a family fails to submit required documentation within the required timeframe concerning any family member's citizenship or immigration status; (2) a family submits evidence of citizenship and eligible immigration status in a timely manner, but United States Citizenship and Immigration Services (USCIS) primary and secondary verification does not verify eligible immigration status of the family; or (3) a family member, as determined by the PHA, has knowingly permitted another individual who is not eligible for assistance to reside (on a permanent basis) in the unit.

For (3) above, such termination must be for a period of at least 24 months. This does not apply to ineligible noncitizens already in the household where the family's assistance has been prorated. See Chapter 7 for a complete discussion of documentation requirements.

#### **Failure to Disclose and Document Social Security Numbers [24 CFR 5.218(c), Notice PIH 2012-10]**

HACCC must terminate assistance if a participant family fails to disclose the complete and accurate social security numbers of each household member and the documentation necessary to verify each social security number.

However, if the family is otherwise eligible for continued program assistance, and HACCC determines that the family's failure to meet the SSN disclosure and documentation requirements was due to circumstances that could not have been foreseen and were outside of the family's control, HACCC may defer the family's termination and provide the opportunity to comply with the requirement within a period not to exceed 90 calendar days from the date HACCC determined the family to be noncompliant.

#### HACCC Policy

HACCC will defer the family's termination and provide the family with the opportunity to comply with the requirement for a period of 90 calendar days for circumstances beyond the participant's control such as delayed processing of the SSN application by the

SSA, natural disaster, fire, death in the family, or other emergency, if there is a reasonable likelihood that the participant will be able to disclose an SSN by the deadline.

#### **Methamphetamine Manufacture or Production [24 CFR 982.553(b)(1)(ii)]**

HACCC must terminate assistance if any household member has ever been convicted of the manufacture or production of methamphetamine on the premises of federally-assisted housing.

#### **Lifetime Registered Sex Offenders [Notice PIH 2012-28]**

Should a PHA discover that a member of an assisted household was subject to a lifetime registration requirement at admission and was erroneously admitted after June 25, 2001, HACCC must immediately terminate assistance for the household member.

In this situation, HACCC must offer the family the opportunity to remove the ineligible family member from the household. If the family is unwilling to remove that individual from the household, HACCC must terminate assistance for the household.

#### **Failure of Students to Meet Ongoing Eligibility Requirements [24 CFR 982.552(b)(5) and FR 4/10/06]**

If a student enrolled at an institution of higher education is under the age of 24, is not a veteran, is not married, does not have dependent children, is not residing with his/her parents in an HCV assisted household, and is not a person with disabilities receiving HCV assistance as of November 30, 2005, HACCC must terminate the student's assistance if, at the time of reexamination, either the student's income or the income of the student's parents (if applicable) exceeds the applicable income limit.

If a participant household consists of both eligible and ineligible students, the eligible students shall not be terminated, but must be issued a voucher to move with continued assistance in accordance with program regulations and PHA policies, or must be given the opportunity to lease in place if the terminated ineligible student members elect to move out of the assisted unit.

#### **Death of the Sole Family Member [24 CFR 982.311(d) and Notice PIH 2010-9]**

HACCC must immediately terminate program assistance for deceased single member households.

### **12-I.E. MANDATORY POLICIES AND OTHER AUTHORIZED TERMINATIONS**

#### **Mandatory Policies [24 CFR 982.553(b) and 982.551(I)]**

HUD requires HACCC to establish policies that permit HACCC to terminate assistance if HACCC determines that:

Any household member is currently engaged in any illegal use of a drug, or has a pattern of illegal drug use that interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents

Any household member's abuse or pattern of abuse of alcohol may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents

Any household member has violated the family's obligation not to engage in any drug-related criminal activity

Any household member has violated the family's obligation not to engage in violent criminal activity

***Use of Illegal Drugs and Alcohol Abuse***

**HACCC Policy**

HACCC will terminate a family's assistance if any household member is currently engaged in any illegal use of a drug, or has a pattern of illegal drug use that interferes with the health, safety, or right to peaceful enjoyment of persons residing in the immediate vicinity of the premises.

HACCC will terminate assistance if any household member's abuse or pattern of abuse of alcohol threatens the health, safety, or right to peaceful enjoyment of persons residing in the immediate vicinity of the premises.

*Currently engaged in* is defined as any use of illegal drugs during the previous six months.

HACCC will consider all credible evidence including, but not limited to, convictions, or eviction of household members related to the use of illegal drugs or abuse of alcohol.

A record of arrest(s) will not be used as the basis for the termination or proof that the participant engaged in disqualifying criminal activity.

In making its decision to terminate assistance, HACCC will consider alternatives as described in Section 12-II.C and other factors described in Sections 12-II.D and 12-II.E. Upon consideration of such alternatives and factors, HACCC may, on a case-by-case basis, choose not to terminate assistance.

***Drug-Related and Violent Criminal Activity [24 CFR 5.100]***

*Drug* means a controlled substance as defined in section 102 of the Controlled Substances Act (21 U.S.C. 802).

*Drug-related criminal activity* is defined by HUD as the illegal manufacture, sale, distribution, or use of a drug, or the possession of a drug with intent to manufacture, sell, distribute or use the drug.

*Violent criminal activity* means any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force substantial enough to cause, or be reasonably likely to cause, serious bodily injury or property damage.

**HACCC Policy**

HACCC will terminate a family's assistance if any household member has violated the family's obligation not to engage in any drug-related or violent criminal activity during participation in the HCV program.

HACCC will consider all credible evidence, including but not limited to, convictions of household members related to drug-related or violent criminal activity, and any eviction or notice to evict based on drug-related or violent criminal activity.

A record of arrest(s) will not be used as the basis for the termination or proof that the participant engaged in disqualifying criminal activity.

In making its decision to terminate assistance, HACCC will consider alternatives as described in Section 12-II.C and other factors described in Sections 12-II.D and 12-II.E. Upon consideration of such alternatives and factors, HACCC may, on a case-by-case basis, choose not to terminate assistance.

#### **Other Authorized Reasons for Termination of Assistance**

[24 CFR 982.552(c), 24 CFR 5.2005(c)]

HUD permits HACCC to terminate assistance under a number of other circumstances. It is left to the discretion of HACCC whether such circumstances in general warrant consideration for the termination of assistance. As discussed further in section 12-II.E, the Violence against Women Act of 2005 explicitly prohibits PHAs from considering incidents of, or criminal activity directly related to, domestic violence, dating violence, sexual assault or stalking as reasons for terminating the assistance of a victim of such abuse.

#### HACCC Policy

HACCC **will not** terminate a family's assistance because of the family's failure to meet its obligations under the Family Self-Sufficiency program.

HACCC **will** terminate a family's assistance if:

The family has failed to comply with any family obligations under the program. See Exhibit 12-1 for a listing of family obligations and related PHA policies.

Any family member has been evicted from federally-assisted housing in the last five years.

Any PHA has ever terminated assistance under the program for any member of the family.

Any family member has committed fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program.

The family currently owes rent or other amounts to any PHA in connection with Section 8 or public housing assistance under the 1937 Act.

The family has not reimbursed any PHA for amounts HACCC paid to an owner under a HAP contract for rent, damages to the unit, or other amounts owed by the family under the lease.

The family has breached the terms of a repayment agreement entered into with the PHA.

A family member has engaged in or threatened violent or abusive behavior toward PHA personnel.

*Abusive or violent behavior towards PHA personnel* includes verbal as well as physical abuse or violence. Use of racial epithets, or other language, written or oral, that is customarily used to intimidate may be considered abusive or violent behavior.

*Threatening* refers to oral or written threats or physical gestures that communicate intent to abuse or commit violence.

In making its decision to terminate assistance, HACCC will consider alternatives as described in Section 12-II.C and other factors described in Sections 12-II.D and 12-II.E. Upon consideration of such alternatives and factors, HACCC may, on a case-by-case basis, choose not to terminate assistance.

***Family Absence from the Unit [24 CFR 982.312]***

The family may be absent from the unit for brief periods. HACCC must establish a policy on how long the family may be absent from the assisted unit. However, the family may not be absent from the unit for a period of more than 180 consecutive calendar days for any reason. Absence in this context means that no member of the family is residing in the unit.

HACCC Policy

If the family is absent from the unit for more than 60 consecutive calendar days, the family's assistance will be terminated. Notice of termination will be sent in accordance with Section 12-II.F. Exceptions up to the HUD limit of 180 days will be made in cases of hospitalization or other such emergency. All exceptions will be verified before approval.

***Insufficient Funding [24 CFR 982.454]***

HACCC may terminate HAP contracts if HACCC determines, in accordance with HUD requirements, that funding under the consolidated ACC is insufficient to support continued assistance for families in the program.

HACCC Policy

HACCC will determine whether there is sufficient funding to pay for currently assisted families according to the policies in Part VIII of Chapter 16. If HACCC determines there is a shortage of funding, prior to terminating any HAP contracts, HACCC will determine if any other actions can be taken to reduce program costs.

If after implementing all reasonable cost cutting measures there is not enough funding available to provide continued assistance for current participants, HACCC will terminate HAP contracts as a last resort.

Prior to terminating any HAP contracts, HACCC will inform the local HUD field office. HACCC will terminate the minimum number needed in order to reduce HAP costs to a level within the PHA's annual budget authority.

If HACCC must terminate HAP contracts due to insufficient funding, HACCC will do so in accordance with the following criteria and instructions:

HACCC will terminate assistance beginning with families that have been on the Section 8 program the longest, with the exception that contracts for elderly and disabled families will not be cancelled unless there are no non-elderly disabled families on HACCC's HCV program. Families who lose their assistance due to funding cuts will be placed back on the wait list with a preference.

## **PART II: APPROACH TO TERMINATION OF ASSISTANCE**

### **12-II.A. OVERVIEW**

HACCC is required by regulation to terminate a family's assistance for certain actions or inactions of the family. For other types of actions or inactions of the family, the regulations give HACCC the authority to either terminate the family's assistance or to take another action. This part discusses the various actions HACCC may choose to take when it has discretion, and outlines the criteria HACCC will use to make its decision about whether or not to terminate assistance. It also specifies the requirements for the notification to the family of the PHA's intent to terminate assistance.

### **12-II.B. METHOD OF TERMINATION [24 CFR 982.552(a)(3)]**

Termination of assistance for a participant may include any or all of the following:

- Terminating housing assistance payments under a current HAP contract,
- Refusing to enter into a new HAP contract or approve a lease, or
- Refusing to process a request for or to provide assistance under portability procedures.

### **12-II.C. ALTERNATIVES TO TERMINATION OF ASSISTANCE**

#### **Change in Household Composition**

As a condition of continued assistance, HACCC may require that any household member who participated in or was responsible for an offense no longer resides in the unit [24 CFR 982.552(c)(2)(ii)].

#### HACCC Policy

As a condition of continued assistance, the head of household must certify that the culpable family member has vacated the unit and will not be permitted to visit or to stay as a guest in the assisted unit. The family must present evidence of the former family member's current address upon PHA request.

#### **Repayment of Family Debts**

#### HACCC Policy

If a family owes amounts to the PHA, as a condition of continued assistance, HACCC will require the family to repay the full amount or to enter into a repayment agreement, within 30 calendar days of receiving notice from HACCC of the amount owed. See Chapter 16 for policies on repayment agreements.

### **12-II.D. CRITERIA FOR DECIDING TO TERMINATE ASSISTANCE**

#### **Evidence**

For criminal activity, HUD permits HACCC to terminate assistance if a *preponderance of the evidence* indicates that a household member has engaged in the activity.

### HACCC Policy

HACCC will use the concept of the preponderance of the evidence as the standard for making all termination decisions.

*Preponderance of the evidence* is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not. Preponderance of the evidence may not be determined by the number of witnesses, but by the greater weight of all evidence

### **Consideration of Circumstances [24 CFR 982.552(c)(2)(i)]**

**HACCC is permitted, but not required, to consider all relevant circumstances when determining whether a family's assistance should be terminated.**

### HACCC Policy

HACCC will consider the following facts and circumstances when making its decision to terminate assistance:

The seriousness of the case, especially with respect to how it would affect other residents' safety or property

The effects that termination of assistance may have on other members of the family who were not involved in the action or failure to act

The extent of participation or culpability of individual family members, including whether the culpable family member is a minor or a person with disabilities or (as discussed further in section 12-II.E) a victim of domestic violence, dating violence, sexual assault or stalking

The length of time since the violation occurred, including the age of the individual at the time of the conduct, as well as the family's recent history and the likelihood of favorable conduct in the future

In the case of drug or alcohol abuse, whether the culpable household member is participating in or has successfully completed a supervised drug or alcohol rehabilitation program or has otherwise been rehabilitated successfully

HACCC will require the participant to submit evidence of the household member's current participation in or successful completion of a supervised drug or alcohol rehabilitation program, or evidence of otherwise having been rehabilitated successfully.

While a record of arrest(s) will not be used as the basis for termination, an arrest may, however, trigger an investigation to determine whether the participant actually engaged in disqualifying criminal activity. As part of its investigation, the PHA may obtain the police report associated with the arrest and consider the reported circumstances of the arrest. The PHA may also consider:

Any statements made by witnesses or the participant not included in the police report

Whether criminal charges were filed

Whether, if filed, criminal charges were abandoned, dismissed, not prosecuted, or ultimately resulted in an acquittal

Any other evidence relevant to determining whether or not the participant engaged in disqualifying activity

Evidence of criminal conduct will be considered if it indicates a demonstrable risk to safety and/or property

In the case of program abuse, the dollar amount of the overpaid assistance and whether or not a false certification was signed by the family

### **Reasonable Accommodation [24 CFR 982.552(c)(2)(iv)]**

If the family includes a person with disabilities, the PHA's decision to terminate the family's assistance is subject to consideration of reasonable accommodation in accordance with 24 CFR Part 8.

#### HACCC Policy

If a family indicates that the behavior of a family member with a disability is the reason for a proposed termination of assistance, HACCC will determine whether the behavior is related to the disability. If so, upon the family's request, HACCC will determine whether alternative measures are appropriate as a reasonable accommodation. HACCC will only consider accommodations that can reasonably be expected to address the behavior that is the basis of the proposed termination of assistance. See Chapter 2 for a discussion of reasonable accommodation.

### **12-II.E. TERMINATIONS RELATED TO DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT OR STALKING**

This section describes the protections against termination of assistance that the Violence against Women Act of 2005 (VAWA) provides for victims of domestic violence, dating violence, sexual assault and stalking. For general VAWA requirements, key VAWA definitions, and PHA policies pertaining to notification, documentation, and confidentiality, see section 16-IX of this plan.

#### **VAWA Protections against Termination**

VAWA provides four specific protections against termination of HCV assistance for victims of domestic violence, dating violence, sexual assault or stalking. (*Note:* The second, third, and fourth protections also apply to terminations of tenancy or occupancy by owners participating in the HCV program, as do the limitations discussed under the next heading.)

First, VAWA provides that a PHA may not terminate assistance to a family that moves out of an assisted unit in violation of the lease, with or without prior notification to the PHA, if the move occurred to protect the health or safety of a family member who is or has been the victim of domestic violence, dating violence, sexual assault or stalking and who reasonably believed he or

she was imminently threatened by harm from further violence if he or she remained in the unit [24 CFR 982.354(b)(4)].

Second, it provides that an incident or incidents of actual or threatened domestic violence, dating violence, sexual assault or stalking may not be construed either as a serious or repeated lease violation by the victim or as good cause to terminate the assistance of the victim [24 CFR 5.2005(c)(1)].

Third, it provides that criminal activity directly related to domestic violence, dating violence, sexual assault or stalking may not be construed as cause for terminating the assistance of a tenant if a member of the tenant's household, a guest, or another person under the tenant's control is the one engaging in the criminal activity and the tenant or an immediate family member of the tenant is the actual or threatened victim of the domestic violence, dating violence, sexual assault or stalking [24 CFR 5.2005(c)(2)].

Fourth, it gives PHAs the authority to terminate assistance to any tenant or lawful occupant who engages in criminal acts of physical violence against family members or others without terminating assistance to, or otherwise penalizing, the victim of the violence [24 CFR 5.2009(a)].

#### **Limitations on VAWA Protections [24 CFR 5.2005(d) and (e)]**

VAWA does not limit the authority of a PHA to terminate the assistance of a victim of abuse for reasons unrelated to domestic violence, dating violence, sexual assault or stalking so long as HACCC does not subject the victim to a more demanding standard than it applies to other program participants [24 CFR 5.2005(d)(1)].

Likewise, VAWA does not limit the authority of a PHA to terminate the assistance of a victim of domestic violence, dating violence, sexual assault or stalking if HACCC can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the assisted property if the victim is not terminated from assistance [24 CFR 5.2005(d)(2)].

HUD regulations define *actual and imminent threat* to mean words, gestures, actions, or other indicators of a physical threat that (a) is real, (b) would occur within an immediate time frame, and (c) could result in death or serious bodily harm [24 CFR 5.2005(d)(2) and (e)]. In determining whether an individual would pose an actual and imminent threat, the factors to be considered include:

The duration of the risk

The nature and severity of the potential harm

The likelihood that the potential harm will occur

The length of time before the potential harm would occur [24 CFR 5.2005(e)]

Even when a victim poses an actual and imminent threat, however, HUD regulations authorize a PHA to terminate the victim's assistance "only when there are no other actions that could be taken to reduce or eliminate the threat" [24 CFR 5.2005(d)(3)].

#### HACCC Policy

In determining whether a program participant who is a victim of domestic violence, dating violence, sexual assault or stalking is an actual and imminent threat to other

tenants or those employed at or providing service to a property, HACCC will consider the following, and any other relevant, factors:

Whether the threat is toward an employee or tenant other than the victim of domestic violence, dating violence, sexual assault or stalking

Whether the threat is a physical danger beyond a speculative threat

Whether the threat is likely to happen within a short period of time

Whether the threat to other tenants or employees can be eliminated in some other way, such as by helping the victim relocate to a confidential location or seeking a legal remedy to prevent the perpetrator from acting on the threat

If the participant wishes to contest the PHA's determination that he or she is an actual and imminent threat to other tenants or employees, the participant may do so as part of the informal hearing.

### **Documentation of Abuse [24 CFR 5.2007]**

#### HACCC Policy

When an individual facing termination of assistance for reasons related to domestic violence, dating violence, sexual assault or stalking claims protection under VAWA, HACCC will request that the individual complete the HUD VAWA Form 91067 and provide documentation supporting the claim in accordance with the policies in section 16-IX.D of this plan.

HACCC reserves the right to waive the documentation requirement if it determines that a statement or other corroborating evidence from the individual will suffice. In such cases HACCC will document the waiver in the individual's file.

### **Terminating the Assistance of a Domestic Violence Perpetrator**

Although VAWA provides protection against termination of assistance for victims of domestic violence, it does not provide such protection for perpetrators. VAWA gives HACCC the explicit authority to "terminate assistance to any individual who is a tenant or lawful occupant and who engages in criminal acts of physical violence against family members or others" without terminating assistance to "or otherwise penalizing the victim of such violence who is also a tenant or lawful occupant" [24 CFR 5.2009(a)]. This authority is not dependent on a bifurcated lease or other eviction action by an owner against an individual family member. Further, this authority supersedes any local, state, or other federal law to the contrary. However, if HACCC chooses to exercise this authority, it must follow any procedures prescribed by HUD or by applicable local, state, or federal law regarding termination of assistance. This means that HACCC must follow the same rules when terminating assistance to an individual as it would when terminating the assistance of an entire family [3/16/07 *Federal Register* notice on the applicability of VAWA to HUD programs].

#### HACCC Policy

HACCC will terminate assistance to a family member if HACCC determines that the family member has committed criminal acts of physical violence against other family

members or others. This action will not affect the assistance of the remaining, nonculpable family members.

In making its decision, HACCC will consider all credible evidence, including, but not limited to, a signed certification (form HUD-5382) or other documentation of abuse submitted to HACCC by the victim in accordance with this section and section 16-IX.D. HACCC will also consider the factors in section 12-II.D. Upon such consideration, HACCC may, on a case-by-case basis, choose not to terminate the assistance of the culpable family member.

If HACCC does terminate the assistance of the culpable family member, it will do so in accordance with applicable law, HUD regulations, and the policies in this plan.

## **12-II.F. TERMINATION NOTICE**

HUD regulations require PHAs to provide written notice of termination of assistance to a family only when the family is entitled to an informal hearing. However, since the family's HAP contract and lease will also terminate when the family's assistance terminates [form HUD-52641], it is a good business practice to provide written notification to both owner and family anytime assistance will be terminated, whether voluntarily or involuntarily.

### HACCC Policy

Whenever a family's assistance will be terminated, HACCC will send a written notice of proposed termination to the family and to the owner. The PHA will also send a form HUD-5382 to the family with the termination notice. The notice will state the date on which the termination will become effective. This date generally will be at least 30 calendar days following the date of the termination notice, but exceptions will be made whenever HUD rules, other PHA policies, or the circumstances surrounding the termination require.

When HACCC notifies an owner that a family's assistance will be terminated, HACCC will, if appropriate, advise the owner of his/her right to offer the family a separate, unassisted lease.

If a family whose assistance is being terminated is entitled to an informal hearing, the notice of termination that the PHA sends to the family must meet the additional HUD and PHA notice requirements discussed in section 16-III.C of this plan. VAWA 2013 expands notification requirements to require PHAs to provide notice of VAWA rights and the HUD 5382 form when a PHA terminates a household's housing benefits.

### HACCC Policy

Whenever the PHA decides to terminate a family's assistance because of the family's action or failure to act, the PHA will include in its termination notice the VAWA information described in section 16-IX.C of this plan and a form HUD-5382. The PHA will request in writing that a family member wishing to claim protection under VAWA notify the PHA within 14 business days.

Still other notice requirements apply in two situations:

If a criminal record is the basis of a family's termination, HACCC must provide a copy of the record to the subject of the record and the tenant so that they have an opportunity to dispute the accuracy and relevance of the record [24 CFR 982.553(d)(2)].

If immigration status is the basis of a family's termination, as discussed in section 12-I.D, the special notice requirements in section 16-III.D must be followed.

## **PART III: TERMINATION OF TENANCY BY THE OWNER**

### **12-III.A. OVERVIEW**

Termination of an assisted tenancy is a matter between the owner and the family; HACCC is not directly involved. However, the owner is under some constraints when terminating an assisted tenancy. Termination of tenancy for certain reasons will also result in termination of assistance as discussed in this section.

### **12-III.B. GROUNDS FOR OWNER TERMINATION OF TENANCY [24 CFR 982.310, 24 CFR 5.2005(c), and Form HUD-52641-A, Tenancy Addendum]**

During the term of the lease, the owner is not permitted to terminate the tenancy except for serious or repeated violations of the lease, certain violations of state or local law, or other good cause.

#### **Serious or Repeated Lease Violations**

The owner is permitted to terminate the family's tenancy for serious or repeated violations of the terms and conditions of the lease, except when the violations are related to incidents of actual or threatened domestic violence, dating violence, sexual assault or stalking and the victim is protected from eviction by the Violence against Women Act of 2005 (see section 12-II.E). A serious lease violation includes failure to pay rent or other amounts due under the lease. However, the PHA's failure to make a HAP payment to the owner is not a violation of the lease between the family and the owner.

#### **Violation of Federal, State, or Local Law**

The owner is permitted to terminate the tenancy if a family member violates federal, state, or local law that imposes obligations in connection with the occupancy or use of the premises.

#### **Criminal Activity or Alcohol Abuse**

The owner may terminate tenancy during the term of the lease if any *covered person*—meaning any member of the household, a guest, or another person under the tenant's control—commits any of the following types of criminal activity (for applicable definitions see 24 CFR 5.100):

Any criminal activity that threatens the health or safety of, or the right to peaceful enjoyment of the premises by, other residents (including property management staff residing on the premises)

Any criminal activity that threatens the health or safety of, or the right to peaceful enjoyment of their residences by, persons residing in the immediate vicinity of the premises

Any violent criminal activity on or near the premises

Any drug-related criminal activity on or near the premises

However, in the case of criminal activity directly related to domestic violence, dating violence, sexual assault or stalking, if the tenant or an immediate member of the tenant's family is the victim, the criminal activity may not be construed as cause for terminating the victim's tenancy (see section 12-II.E).

The owner may terminate tenancy during the term of the lease if any member of the household is:

Fleeing to avoid prosecution, custody, or confinement after conviction for a crime or an attempt to commit a crime that is a felony under the laws of the place from which the individual flees, or that, in the case of the State of New Jersey, is a high misdemeanor; or

Violating a condition of probation or parole imposed under federal or state law.

The owner may terminate tenancy during the term of the lease if any member of the household has engaged in abuse of alcohol that threatens the health, safety, or right to peaceful enjoyment of the premises by other residents.

### ***Evidence of Criminal Activity***

The owner may terminate tenancy and evict by judicial action a family for criminal activity by a covered person if the owner determines the covered person has engaged in the criminal activity. This is the case except in certain incidents where the criminal activity directly relates to domestic violence, dating violence, sexual assault, or stalking, and the tenant or an affiliated individual is the victim or threatened victim of the domestic violence, dating violence, sexual assault, or stalking.

### **Other Good Cause**

During the initial lease term, the owner may not terminate the tenancy for “other good cause” unless the owner is terminating the tenancy because of something the family did or failed to do. During the initial lease term or during any extension term, other good cause includes the disturbance of neighbors, destruction of property, or living or housekeeping habits that cause damage to the unit or premises.

After the initial lease term, “other good cause” for termination of tenancy by the owner includes:

Failure by the family to accept the offer of a new lease or revision

The owner’s desire to use the unit for personal or family use, or for a purpose other than as a residential rental unit

A business or economic reason for termination of the tenancy (such as sale of the property, renovation of the unit, or desire to lease the unit at a higher rent)

After the initial lease term, the owner may give the family notice at any time, in accordance with the terms of the lease.

### **12-III.C. EVICTION [24 CFR 982.310(e) and (f) and Form HUD-52641-A, Tenancy Addendum]**

The owner must give the tenant a written notice that specifies the grounds for termination of tenancy during the term of the lease. The tenancy does not terminate before the owner has given this notice, and the notice must be given at or before commencement of the eviction action.

The notice of grounds may be included in, or may be combined with, any owner eviction notice to the tenant.

Owner eviction notice means a notice to vacate, or a complaint or other initial pleading used under state or local law to commence an eviction action. The owner may only evict the tenant from the unit by instituting a court action. The owner must give HACCC a copy of any eviction notice at the same time the owner notifies the family. The family is also required to give HACCC a copy of any eviction notice (see Chapter 5).

#### HACCC Policy

If the eviction action is finalized in court, the owner must provide HACCC with documentation related to the eviction, including notice of the eviction date, as soon as possible, but no later than 14 calendar days following the court-ordered eviction.

### **12-III.D. DECIDING WHETHER TO TERMINATE TENANCY [24 CFR 982.310(h), 24 CFR 982.310(h)(4)]**

An owner who has grounds to terminate a tenancy is not required to do so, and may consider all of the circumstances relevant to a particular case before making a decision. These might include:

The nature of the offending action

The seriousness of the offending action;

The effect on the community of the termination, or of the owner's failure to terminate the tenancy;

The extent of participation by the leaseholder in the offending action;

The effect of termination of tenancy on household members not involved in the offending activity;

The demand for assisted housing by families who will adhere to lease responsibilities;

The extent to which the leaseholder has shown personal responsibility and taken all reasonable steps to prevent or mitigate the offending action;

The effect of the owner's action on the integrity of the program.

The owner may require a family to exclude a household member in order to continue to reside in the assisted unit, where that household member has participated in or been culpable for action or failure to act that warrants termination.

In determining whether to terminate tenancy for illegal use of drugs or alcohol abuse by a household member who is no longer engaged in such behavior, the owner may consider whether such household member is participating in or has successfully completed a supervised drug or alcohol rehabilitation program, or has otherwise been rehabilitated successfully (42 U.S.C. 13661). For this purpose, the owner may require the tenant to submit evidence of the household member's current participation in, or successful completion of, a supervised drug or alcohol rehabilitation program or evidence of otherwise having been rehabilitated successfully.

The owner's termination of tenancy actions must be consistent with the fair housing and equal opportunity provisions in 24 CFR 5.105.

An owner's decision to terminate tenancy for incidents related to domestic violence, dating violence, sexual assault or stalking is limited by the Violence against Women Act of 2005 (VAWA) and the conforming regulations in 24 CFR Part 5, Subpart L. (See section 12-II.E.)

### **12-III.E. EFFECT OF TENANCY TERMINATION ON THE FAMILY'S ASSISTANCE**

If a termination is not due to a serious or repeated violation of the lease, and if HACCC has no other grounds for termination of assistance, HACCC may issue a new voucher so that the family can move with continued assistance (see Chapter 10).

## EXHIBIT 12-1: STATEMENT OF FAMILY OBLIGATIONS

Following is a listing of a participant family's obligations under the HCV program:

- The family must supply any information that HACCC or HUD determines to be necessary, including submission of required evidence of citizenship or eligible immigration status.
- The family must supply any information requested by HACCC or HUD for use in a regularly scheduled reexamination or interim reexamination of family income and composition in accordance with HUD requirements.
  - a. HACCC Policy
  - b. All adult members of the family must attend recertification appointments, provide documents and sign documents as required to complete annual and interim recertifications.
- The family must disclose to the Housing Authority any information they receive from HUD.
- The family must disclose and verify social security numbers and sign and submit consent forms for obtaining information.
- Any information supplied by the family must be true and complete. The family is responsible for any Housing Quality Standards (HQS) breach by the family caused by failure to pay tenant-provided utilities or appliances, or damages to the dwelling unit or premises beyond normal wear and tear caused by any member of the household or guest.

### HACCC Policy

Damages beyond normal wear and tear will be considered to be damages which could be assessed against the security deposit.

- The family must allow HACCC to inspect the unit at reasonable times and after reasonable notice, as described in Chapter 8 of this plan.
- The family must not commit any serious or repeated violation of the lease.

### HACCC Policy

HACCC will determine if a family has committed serious or repeated violations of the lease based on available evidence, including but not limited to, a court-ordered eviction or an owner's notice to evict.

*Serious and repeated lease violations* will include, but not be limited to, nonpayment of rent, disturbance of neighbors, destruction of property, living or housekeeping habits that cause damage to the unit or premises, and criminal activity. Generally, the criterion to be used will be whether or not the reason for the eviction was the fault of the tenant or guests. Any incidents of, or criminal activity related to, domestic violence, dating violence, sexual assault or stalking will not be construed as serious or repeated lease violations by the victim [24 CFR 5.2005(c)(1)].

- The family must notify HACCC and the owner before moving out of the unit or terminating the lease.

### HACCC Policy

The family must comply with lease requirements regarding written notice to the owner. The family must provide written notice to HACCC at the same time the owner is notified.

- The family must promptly give HACCC a copy of any owner eviction notice.
- The family must use the assisted unit for residence by the family. The unit must be the family's only residence. The composition of the assisted family residing in the unit must be approved by the PHA. The family must promptly notify HACCC in writing of the birth, adoption, or court-awarded custody of a child. The family must request PHA approval to add any other family member as an occupant of the unit.

### HACCC Policy

The request to add a family member must be submitted in writing and approved prior to the person moving into the unit. HACCC will determine eligibility of the new member in accordance with the policies in Chapter 3.

- The family must promptly notify HACCC in writing if any family member no longer lives in the unit.
- If HACCC has given approval, a foster child or a live-in aide may reside in the unit. HACCC has the discretion to adopt reasonable policies concerning residency by a foster child or a live-in aide, and to define when PHA consent may be given or denied. For policies related to the request and approval/disapproval of foster children, foster adults, and live-in aides, see Chapter 3 (Sections I.K and I.M), and Chapter 11 (Section II.B).
- The family must not sublease the unit, assign the lease, or transfer the unit.

### HACCC Policy

Subleasing includes receiving payment to cover rent and utility costs by a person living in the unit who is not listed as a family member.

- The family must supply any information requested by HACCC to verify that the family is living in the unit or information related to family absence from the unit.
- The family must promptly notify HACCC when the family is absent from the unit.

### HACCC Policy

Notice is required under this provision only when all family members will be absent from the unit for an extended period. An extended period is defined as any period greater than 30 calendar days. Written notice must be provided to HACCC at the start of the extended absence.

- The family must pay utility bills and provide and maintain any appliances that the owner is not required to provide under the lease [Form HUD-52646, Voucher].
- The family must not own or have any interest in the unit, (other than in a cooperative and owners of a manufactured home leasing a manufactured home space).
- Family members must not commit fraud, bribery, or any other corrupt or criminal act in connection with the program. (See Chapter 14, Program Integrity for additional information).

- Family members must not engage in drug-related criminal activity or violent criminal activity or other criminal activity that threatens the health, safety or right to peaceful enjoyment of other residents and persons residing in the immediate vicinity of the premises. See Chapter 12 for HUD and PHA policies related to drug-related and violent criminal activity.
- Members of the household must not engage in abuse of alcohol in a way that threatens the health, safety or right to peaceful enjoyment of the other residents and persons residing in the immediate vicinity of the premises. See Chapter 12 for a discussion of HUD and PHA policies related to alcohol abuse.
- An assisted family or member of the family must not receive HCV program assistance while receiving another housing subsidy, for the same unit or a different unit under any other federal, state or local housing assistance program.
- A family must not receive HCV program assistance while residing in a unit owned by a parent, child, grandparent, grandchild, sister or brother of any member of the family, unless HACCC has determined (and has notified the owner and the family of such determination) that approving rental of the unit, notwithstanding such relationship, would provide reasonable accommodation for a family member who is a person with disabilities. [Form HUD-52646, Voucher]

## CHAPTER 13

### OWNERS

#### INTRODUCTION

Owners play a major role in the HCV program by supplying decent, safe, and sanitary housing for participating families.

The term “owner” refers to any person or entity with the legal right to lease or sublease a unit to a participant in the HCV program [24 CFR 982.4(b)]. The term “owner” includes a principal or other interested party [24 CFR 982.453; 24 CFR 982.306(f)], such as a designated agent of the owner.

Owners have numerous responsibilities under the program, including screening and leasing to families, maintaining the dwelling unit, enforcing the lease, and complying with various contractual obligations.

The chapter is organized in two parts:

Part I: Owners in the HCV Program. This part discusses the role of an owner in HACCC’s HCV program and highlights key owner rights and responsibilities.

Part II: HAP Contracts. This part explains provisions of the HAP contract and the relationship between HACCC and the owner as expressed in the HAP contract.

For detailed information about HCV program responsibilities and processes, including PHA policies in key areas, owners will need to refer to several other chapters in this plan. Where appropriate, Chapter 13 will reference the other chapters.

## **PART I. OWNERS IN THE HCV PROGRAM**

### **13-I.A. OWNER RECRUITMENT AND RETENTION [HCV GB, pp. 2-4 to 2-6]**

#### **Recruitment**

PHAs are responsible for ensuring that very low income families have access to all types and ranges of affordable housing in HACCC's jurisdiction, particularly housing outside areas of poverty or minority concentration. A critical element in fulfilling this responsibility is for HACCC to ensure that a sufficient number of owners, representing all types and ranges of affordable housing in HACCC's jurisdiction, are willing to participate in the HCV program.

To accomplish this objective, PHAs must identify and recruit new owners to participate in the program.

#### HACCC Policy

HACCC will conduct owner outreach to ensure that owners are familiar with the program and its advantages. HACCC will actively recruit property owners with property located outside areas of poverty and minority concentration. These outreach strategies will include:

- Distributing printed material about the program to property owners and managers
- Contacting property owners and managers by phone or in-person
- Holding owner recruitment/information meetings at least once a year
- Participating in community based organizations comprised of private property and apartment owners and managers
- Developing working relationships with owners and real estate brokers associations

Outreach strategies will be monitored for effectiveness, and adapted accordingly.

#### **Retention**

In addition to recruiting owners to participate in the HCV program, HACCC must also provide the kind of customer service that will encourage participating owners to remain active in the program.

#### HACCC Policy

All PHA activities that may affect an owner's ability to lease a unit will be processed as rapidly as possible, in order to minimize vacancy losses for owners.

HACCC will provide owners with a handbook that explains the program, including HUD and PHA policies and procedures, in easy-to-understand language.

HACCC will give special attention to helping new owners succeed through activities such as:

- Coordinating inspection and leasing activities between HACCC, the owner, and the family.

Initiating telephone contact with the owner to explain the inspection process, and providing an inspection booklet and other resource materials about HUD housing quality standards.

Providing other written information about how the program operates, including answers to frequently asked questions.

Additional services may be undertaken on an as-needed basis, and as resources permit.

### **13-I.B. BASIC HCV PROGRAM REQUIREMENTS**

HUD requires HACCC to assist families in their housing search by providing the family with a list of landlords or other parties known to HACCC who may be willing to lease a unit to the family, or to help the family find a unit. Although HACCC cannot maintain a list of owners that are pre-qualified to participate in the program, owners may indicate to HACCC their willingness to lease a unit to an eligible HCV family, or to help the HCV family find a unit [24 CFR 982.301(b)(11)].

#### HACCC Policy

HACCC provides a rental listing service (GoSection8) via the HACCC website ([www.contracostahousing.org](http://www.contracostahousing.org)) for owners who wish to rent their units to HCV clients. HCV families may also access the rental listing via the Internet at [www.contracostahousing.org](http://www.contracostahousing.org).

When a family approaches an owner to apply for tenancy, the owner is responsible for screening the family and deciding whether to lease to the family, just as the owner would with any potential unassisted tenant. HACCC has no liability or responsibility to the owner or other persons for the family's behavior or suitability for tenancy. See chapters 3 and 9 for more detail on tenant family screening policies and process.

If the owner is willing, the family and the owner must jointly complete a Request for Tenancy Approval (RTA, Form HUD 52517), which constitutes the family's request for assistance in the specified unit, and which documents the owner's willingness to lease to the family and to follow the program's requirements. When submitted to HACCC, this document is the first step in the process of obtaining approval for the family to receive the financial assistance it will need in order to occupy the unit. Also submitted with the RTA is a copy of the owner's proposed dwelling lease, including the HUD-required Tenancy Addendum (Form HUD-52641-A). See Chapter 9 for more detail on request for tenancy approval policies and process.

HUD regulations stipulate requirements for the approval of an assisted tenancy.

The owner must be qualified to participate in the program [24 CFR 982.306]. Some owners are precluded from participating in the program, or from renting to a particular family, either because of their past history with this or another federal housing program, or because of certain conflicts of interest. Owner qualifications are discussed later in this chapter.

The selected unit must be of a type that is eligible for the program [24 CFR 982.305(a)]. Certain types of dwelling units cannot be assisted under the HCV program. Other types may be assisted under certain conditions. See chapter 9 for more detail on unit eligibility policies and process.

The selected unit must meet HUD's Housing Quality Standards (HQS) and/or equivalent state or local standards approved by HUD [24 CFR 982.305(a)]. HACCC will inspect the owner's dwelling unit at least annually to ensure that the unit continues to meet HQS requirements. See chapter 8 for a discussion of the HQS standards and policies for HQS inspections at initial lease-up and throughout the family's tenancy.

HACCC must determine that the proposed rent for the unit is reasonable [24 CFR 982.305(a)]. The rent must be reasonable in relation to comparable unassisted units in the area and must not be in excess of rents charged by the owner for comparable, unassisted units on the premises. See chapter 8 for a discussion of requirements and policies on rent reasonableness, rent comparability and the rent reasonableness determination process.

At initial lease-up of a unit, if the gross rent exceeds the applicable payment standard, HACCC must ensure that the family share does not exceed 40 percent of the family's monthly adjusted income [24 CFR 982.305(a)]. See chapter 6 for a discussion of the calculation of family income, family share of rent and HAP.

The dwelling lease must comply with all program requirements [24 CFR 982.308]. Owners are encouraged to use their standard leases when renting to an assisted family. The HUD Tenancy Addendum includes the HUD requirements governing the tenancy and must be added word-for-word to the owner's lease. See chapter 9 for a discussion of the dwelling lease and tenancy addendum, including lease terms and provisions.

HACCC and the owner must execute a Housing Assistance Payment (HAP) Contract (Form HUD-52641). The HAP contract format is prescribed by HUD. See chapter 9 for a discussion of the HUD requirements for execution of the HAP contract.

### **13-I.C. OWNER RESPONSIBILITIES [24 CFR 982.452]**

The basic owner responsibilities in the HCV program are outlined in the regulations as follows:

- Complying with all of the owner's obligations under the housing assistance payments (HAP) contract and the lease
- Performing all management and rental functions for the assisted unit, including selecting a voucher-holder to lease the unit, and deciding if the family is suitable for tenancy of the unit
- Maintaining the unit in accordance with the Housing Quality Standards (HQS), including performance of ordinary and extraordinary maintenance
- Complying with equal opportunity requirements
- Preparing and furnishing to HACCC information required under the HAP contract
- Collecting HACCC the security deposit, the tenant rent, and any charges for unit damage by the family.
- Enforcing tenant obligations under the dwelling lease
- Paying for utilities and services that are not the responsibility of the family as specified in the lease
- Allowing reasonable modifications to a dwelling unit occupied or to be occupied by a disabled person [24 CFR 100.203]

- Complying with the Violence against Women Reauthorization Act of 2005 (VAWA) when screening prospective HCV tenants or terminating the tenancy of an HCV family (see 24 CFR Part 5, Subpart L; 24 CFR 982.310(h)(4); and 24 CFR 982.452(b)(1))

### **13-I.D. OWNER QUALIFICATIONS**

HACCC does not formally approve an owner to participate in the HCV program. However, there are a number of criteria where HACCC may deny approval of an assisted tenancy based on past owner behavior, conflict of interest, or other owner-related issues. No owner has a right to participate in the HCV program [24 CFR 982.306(e)].

#### **Owners Barred from Participation [24 CFR 982.306(a) and (b)]**

HACCC must not approve the assisted tenancy if HACCC has been informed that the owner has been debarred, suspended, or subject to a limited denial of participation under 24 CFR part 24. HUD may direct HACCC not to approve a tenancy request if a court or administrative agency has determined that the owner violated the Fair Housing Act or other federal equal opportunity requirements, or if such an action is pending.

#### **Leasing to Relatives [24 CFR 982.306(d), HCV GB p. 11-2]**

HACCC must not approve a tenancy if the owner is the parent, child, grandparent, grandchild, sister, or brother of any member of the family. This definition also applies to Step-relatives in these categories. HACCC may make an exception as a reasonable accommodation for a family member with a disability. The owner is required to certify that no such relationship exists. This restriction applies at the time that the family receives assistance under the HCV program for occupancy of a particular unit. Current contracts on behalf of owners and families that are related may continue, but any new leases or contracts for these families may not be approved.

#### **Conflict of Interest [24 CFR 982.161; HCV GB p. 8-19]**

HACCC must not approve a tenancy in which any of the following classes of persons has any interest, direct or indirect, during tenure or for one year thereafter:

- Any present or former member or officer of HACCC (except a participant commissioner)
- Any employee of HACCC, or any contractor, subcontractor or agent of HACCC, who formulates policy or who influences decisions with respect to the programs
- Any public official, member of a governing body, or State or local legislator, who exercises functions or responsibilities with respect to the programs
- Any member of the Congress of the United States

HUD may waive the conflict of interest requirements, except for members of Congress, for good cause. HACCC must submit a waiver request to the appropriate HUD Field Office for determination.

Any waiver request submitted by HACCC must include the following [HCV Guidebook pp.11-2 and 11-3]:

- Complete statement of the facts of the case;

- Analysis of the specific conflict of interest provision of the HAP contract and justification as to why the provision should be waived;
- Analysis of and statement of consistency with state and local laws. The local HUD office, HACCC, or both parties may conduct this analysis. Where appropriate, an opinion by the state's attorney general should be obtained;
- Opinion by the local HUD office as to whether there would be an appearance of impropriety if the waiver were granted;
- Statement regarding alternative existing housing available for lease under the HCV program or other assisted housing if the waiver is denied;
- If the case involves a hardship for a particular family, statement of the circumstances and discussion of possible alternatives;
- If the case involves a public official or member of the governing body, explanation of his/her duties under state or local law, including reference to any responsibilities involving the HCV program;
- If the case involves employment of a family member by HACCC or assistance under the HCV program for an eligible PHA employee, explanation of the responsibilities and duties of the position, including any related to the HCV program;
- If the case involves an investment on the part of a member, officer, or employee of HACCC, description of the nature of the investment, including disclosure/divestiture plans.

Where HACCC has requested a conflict of interest waiver, HACCC may not execute the HAP contract until HUD has made a decision on the waiver request.

#### HACCC Policy

In considering whether to request a conflict of interest waiver from HUD, HACCC will consider certain factors such as consistency of the waiver with state and local laws, the existence of alternative housing available to families, the individual circumstances of a particular family, the specific duties of individuals whose positions present a possible conflict of interest, the nature of any financial investment in the property and plans for disclosure/divestiture, and the possible appearance of impropriety.

## **Owner Actions That May Result in Disapproval of a Tenancy Request [24 CFR 982.306(c)]**

HUD regulations permit HACCC to disapprove a request for tenancy for various actions and inactions of the owner.

If HACCC disapproves a request for tenancy because an owner is not qualified, it may not terminate the HAP contract for any assisted families that are already living in the owner's properties unless the owner has violated the HAP contract for those units [HCV GB p. 11-4].

### HACCC Policy

HACCC will refuse to approve a request for tenancy if HACCC becomes aware that any of the following are true:

The owner has violated obligations under a HAP contract under Section 8 of the 1937 Act (42 U.S.C. 1437f);

The owner has committed fraud, bribery or any other corrupt or criminal act in connection with any federal housing program;

The owner has engaged in any drug-related criminal activity or any violent criminal activity;

The owner has a history or practice of non-compliance with the HQS for units leased under the tenant-based programs, or with applicable housing standards for units leased with project-based Section 8 assistance or leased under any other federal housing program;

The owner has a history or practice of failing to terminate tenancy of tenants of units assisted under Section 8 or any other federally assisted housing program for activity engaged in by the tenant, any member of the household, a guest or another person under the control of any member of the household that: (i) Threatens the right to peaceful enjoyment of the premises by other residents; (ii) Threatens the health or safety of other residents, of employees of HACCC, or of owner employees or other persons engaged in management of the housing; (iii) Threatens the health or safety of, or the right to peaceful enjoyment of their residences, by persons residing in the immediate vicinity of the premises; or (iv) Is drug-related criminal activity or violent criminal activity;

The owner has a history or practice of renting units that fail to meet state or local housing codes; or

The owner has not paid state or local real estate taxes, fines, or assessment.

In considering whether to disapprove owners for any of the discretionary reasons listed above, HACCC will consider any mitigating factors. Such factors may include, but are not limited to, the seriousness of the violation in relation to program requirements, the impact on the ability of families to lease units under the program, health and safety of participating families, among others. Upon consideration of such circumstances, HACCC may, on a case-by-case basis, choose to approve an owner.

## **Legal Ownership of Unit**

The following represents HACCC Policy on legal ownership of a dwelling unit to be assisted under the HCV program.

### HACCC Policy

HACCC will only enter into a contractual relationship with the legal owner of a qualified unit. The description of the subject unit provided in the RTA and unit advertisements must accurately match the Assessor's record for the unit. No tenancy will be approved without acceptable documentation of legal ownership (e.g., deed of trust, proof of taxes for most recent year) and property description.

### **13-I.E. NON-DISCRIMINATION [HAP Contract – Form HUD-52641]**

The owner must not discriminate against any person because of race, color, religion, sex, national origin, age, familial status, or disability, in connection with any actions or responsibilities under the HCV program and the HAP contract with HACCC.

The owner must cooperate with HACCC and with HUD in conducting any equal opportunity compliance reviews and complaint investigations in connection with the HCV program and the HAP contract with HACCC.

See Chapter 2 for a more thorough discussion of Fair Housing and Equal Opportunity requirements in the HCV program.

## **PART II. HAP CONTRACTS**

### **13-II.A. OVERVIEW**

The HAP contract represents a written agreement between HACCC and the owner of the dwelling unit occupied by a HCV assisted family. The contract spells out the owner's responsibilities under the program, as well as HACCC's obligations. Under the HAP contract, HACCC agrees to make housing assistance payments to the owner on behalf of the family approved by HACCC to occupy the unit.

The HAP contract is used for all HCV program tenancies except for assistance under the Section 8 homeownership program, and assistance to families that own a manufactured home and use their assistance to lease the space for the manufactured home. See chapter 15 for a discussion of any special housing types included in HACCC's HCV program.

When HACCC has determined that the unit meets program requirements and the tenancy is approvable, HACCC and owner must execute the HAP contract. See chapter 9 for a discussion of the leasing process, including provisions for execution of the HAP contract.

### **13-II.B. HAP CONTRACT CONTENTS**

The HAP contract format is required by HUD, specifically Housing Assistance Payment (HAP) Contract, Form HUD-52641.

The HAP contract contains three parts.

Part A of the contract includes basic contract information: the names of the tenant and all household members, the address of the contract unit, start and end dates of initial lease term, the amount of initial monthly rent to owner, the amount of initial housing assistance payment, the utilities and appliances to be supplied by owner and tenant, and the signatures of HACCC representative and owner [HCV Guidebook, pp. 11-10 and 11-11].

In general, the HAP contract cannot be modified. However, PHAs do have the discretion to add language to Part A of the HAP contract which prohibits the owner from collecting a security deposit in excess of private market practices or in excess of amounts charged to unassisted tenants. HACCC Policy on the amount of security deposit an owner may collect is found in Chapter 9.

PHAs also have the discretion to add language to Part A of the HAP contract that defines when the housing assistance payment by HACCC is deemed received by the owner (e.g., upon mailing by HACCC or actual receipt by the owner).

Part B is the body of the contract. It describes in detail program requirements affecting the owner and owner roles and responsibilities under the HCV program. Most of the requirements contained in Part B of the HAP contract are outlined elsewhere in this plan. Topics addressed in Part B include:

- Lease of Contract Unit
- Maintenance, Utilities, and Other Services
- Term of HAP Contract

- Provision and Payment of Utilities and Appliances
- Rent to Owner: Reasonable Rent
- PHA Payment to Owner
- Prohibition of Discrimination
- Owner's Breach of HAP Contract
- PHA and HUD Access to Premises and Owner's Records
- Exclusion of Third Party Rights
- Conflict of Interest
- Assignment of the HAP Contract
- Written Notices
- Entire Agreement Interpretation

Part C of the contract includes the Tenancy Addendum (Form HUD-52641-A). The addendum sets forth the tenancy requirements for the program and the composition of the household, as approved by HACCC. The tenant has the right to enforce the Tenancy Addendum against the owner. The terms of the Tenancy Addendum prevail over any other provisions of the lease.

### **13-II.C. HAP CONTRACT PAYMENTS**

#### **General**

During the term of the HAP contract, and subject to the provisions of the HAP contract, HACCC must make monthly HAP payments to the owner on behalf of the family, at the beginning of each month. If a lease term begins after the first of the month, the HAP payment for the first month is prorated for a partial month.

The amount of the HAP payment is determined according to the policies described in Chapter 6, and is subject to change during the term of the HAP contract. HACCC must notify the owner and the family in writing of any changes in the HAP payment.

HAP payments can be made only during the lease term, and only while the family is residing in the unit.

The monthly HAP payment by HACCC is credited toward the monthly rent to owner under the family's lease. The total of the rent paid by the tenant and the HAP payment is equal to the rent to owner as specified in the lease.

The family is not responsible for payment of the HAP payment, and HACCC is not responsible for payment of the family share of rent.

The family's share of the rent cannot be more than the difference between the rent to owner and the HAP payment. The owner may not demand or accept any rent payment from the tenant in excess of this maximum [24 CFR 982.451(b)(4)]. The owner may not charge the tenant extra amounts for items customarily included in rent in the locality, or provided at no additional cost to unsubsidized tenants in the premises [24 CFR 982.510(c)]. See chapter 9 for a discussion of separate, non-lease agreements for services, appliances and other items that are not included in the lease.

If the owner receives any excess HAP from HACCC, the excess amount must be returned immediately. If HACCC determines that the owner is not entitled to all or a portion of the HAP, HACCC may deduct the amount of overpayment from any amounts due to the owner, including amounts due under any other Section 8 HCV contract. See Chapter 16 for additional detail on owner reimbursement of HAP overpayments.

### **Owner Certification of Compliance**

Unless the owner complies with all provisions of the HAP contract, the owner is not entitled to receive housing assistance payments under the HAP contract [HAP Contract – Form HUD-52641].

By endorsing the monthly check from HACCC, the owner certifies to compliance with the terms of the HAP contract. This includes certification that the owner is maintaining the unit and premises in accordance with HQS; that the contract unit is leased to the tenant family and, to the best of the owner's knowledge, the family resides in the unit as the family's only residence; the rent to owner does not exceed rents charged by the owner for comparable unassisted units on the premises; and that the owner does not receive (other than rent to owner) any additional payments or other consideration for rent of the contract unit during the HAP term.

### **Late HAP Payments [24 CFR 982.451(a)(5)]**

HACCC is responsible for making HAP payments promptly when due to the owner, in accordance with the terms of the HAP contract. After the first two calendar months of the HAP contract term, the HAP contract provides for late penalties if HACCC fails to make the HAP payment on time.

Penalties for late HAP payments can only be imposed if 1) the penalties are in accordance with generally accepted local rental market practices and law governing penalties for late payment by tenants; 2) it is the owner's normal business practice to charge late payment penalties for both assisted and unassisted families; and 3) the owner charges the assisted family for late payment of the family's share of the rent.

HACCC is not required to pay a late payment penalty if HUD determines that the payment is late for reasons beyond HACCC's control. In addition, late payment penalties are not required if HACCC intentionally delays or denies payment as a remedy to an owner breach of the HAP contract [HCV Guidebook p. 11-7].

### **Termination of HAP Payments [24 CFR 982.311(b)]**

HACCC must continue making housing assistance payments to the owner in accordance with the HAP contract as long as the tenant continues to occupy the unit and the HAP contract is not violated.

HAP payments terminate when the HAP contract terminates or when the tenancy is terminated in accordance with the terms of the lease.

If the owner has initiated eviction proceedings against the family and the family continues to reside in the unit, HACCC must continue to make housing assistance payments to the owner until the owner has obtained a court judgment or other process allowing the owner to evict the tenant.

### HACCC Policy

The owner must inform HACCC when the owner has initiated eviction proceedings against the family and the family continues to reside in the unit.

The owner must inform HACCC when the owner has obtained a court judgment or other process allowing the owner to evict the tenant, and provide HACCC with a copy of such judgment or determination within 7 calendar days of the decision.

After the owner has obtained a court judgment or other process allowing the owner to evict the tenant, HACCC will continue to make HAP payments to the owner until the family actually moves from the unit or until the family is physically evicted from the unit, whichever is earlier. The owner must inform HACCC of the date when the family actually moves from the unit or the family is physically evicted from the unit.

### **13-II.D. BREACH OF HAP CONTRACT [24 CFR 982.453]**

Any of the following actions by the owner constitutes a breach of the HAP contract:

- If the owner violates any obligations under the HAP contract including failure to maintain the unit in accordance with HQS
- If the owner has violated any obligation under any other HAP contract under Section 8
- If the owner has committed fraud, bribery or any other corrupt or criminal act in connection with any federal housing program
- For projects with mortgages insured by HUD or loans made by HUD, if the owner has failed to comply with the regulation for the applicable program; or if the owner has committed fraud, bribery or any other corrupt or criminal act in connection with the mortgage or loan
- If the owner has engaged in drug-related criminal activity
- If the owner has committed any violent criminal activity

If HACCC determines that a breach of the HAP contract has occurred, it may exercise any of its rights and remedies under the HAP contract.

HACCC rights and remedies against the owner under the HAP contract include recovery of any HAP overpayment, suspension of housing assistance payments, abatement or reduction of the housing assistance payment, termination of the payment or termination of the HAP contract. HACCC may also obtain additional relief by judicial order or action.

HACCC must notify the owner of its determination and provide in writing the reasons for the determination. The notice may require the owner to take corrective action by an established deadline. HACCC must provide the owner with written notice of any reduction in housing assistance payments or the termination of the HAP contract.

### HACCC Policy

Before HACCC invokes a remedy against an owner, HACCC will evaluate all information and documents available to determine if the contract has been breached.

If relevant, HACCC will conduct an audit of the owner's records pertaining to the tenancy or unit.

If it is determined that the owner has breached the contract, HACCC will consider all of the relevant factors including the seriousness of the breach, the effect on the family, the owner's record of compliance and the number and seriousness of any prior HAP contract violations.

### **13-II.E. HAP CONTRACT TERM AND TERMINATIONS**

The term of the HAP contract runs concurrently with the term of the dwelling lease [24 CFR 982.451(a)(2)], beginning on the first day of the initial term of the lease and terminating on the last day of the term of the lease, including any lease term extensions.

The HAP contract and the housing assistance payments made under the HAP contract terminate if [HCV Guidebook pp.11-4 and 11-5, pg. 15-3]:

- The owner or the family terminates the lease;
- The lease expires;
- HACCC terminates the HAP contract;
- HACCC terminates assistance for the family;
- The family moves from the assisted unit. In this situation, the owner is entitled to keep the housing assistance payment for the month when the family moves out of the unit.
- 180 calendar days have elapsed since HACCC made the last housing assistance payment to the owner;
- The family is absent from the unit for longer than the maximum period permitted by HACCC;
- The Annual Contributions Contract (ACC) between HACCC and HUD expires
- HACCC elects to terminate the HAP contract.

#### HACCC Policy

HACCC may elect to terminate the HAP contract in each of the following situations:

Available program funding is not sufficient to support continued assistance for families in the program [24 CFR 982.454];

The unit does not meet HQS size requirements due to change in family composition [24 CFR 982.403] – see chapter 8;

The unit does not meet HQS [24 CFR 982.404] – see chapter 8;

The family breaks up [HUD Form 52641] – see chapter 3;

The owner breaches the HAP contract [24 CFR 982.453(b)] – see Section 13-II.D.

If HACCC terminates the HAP contract, HACCC must give the owner and the family written notice. The notice must specify the reasons for the termination and the effective date of the termination. Once a HAP contract is terminated, no further HAP payments may be made under that contract [HCV Guidebook pg.15-4].

### HACCC Policy

In all cases, the HAP contract terminates at the end of the calendar month that follows the calendar month in which HACCC gives written notice to the owner, provided that at least 30 calendar days have passed since the written notice. If a 30-day notice was not provided (e.g., notice was given on January 30th), then the contract will terminate at the end of the second calendar month following the calendar month in which HACCC gave written notice to the owner. The owner is not entitled to any housing assistance payment after this period, and must return to HACCC any housing assistance payment received after this period.

If the family moves from the assisted unit into a new unit, even if the new unit is in the same building or complex as the assisted unit, the HAP contract for the assisted unit terminates. A new HAP contract would be required [HCV GB, p. 11-17]. However if the tenant fails to give the prior owner proper notice because they remain in the assisted unit past the expiration of the 30-day notice or fails to execute a Mutual Rescission of the Lease, the new HAP Contract shall not be approved until a Key Return Form is submitted and the prior assisted tenancy properly terminated.

When the family moves from an assisted unit into a new unit, the term of the HAP contract for the new unit may begin in the same month in which the family moves out of its old unit. This is not considered a duplicative subsidy [HCV GB, p. 8-22].

### **13-II.F. CHANGE IN OWNERSHIP / ASSIGNMENT OF THE HAP CONTRACT [HUD-52641]**

The HAP contract cannot be assigned to a new owner without the prior written consent of HACCC.

An owner under a HAP contract must notify HACCC in writing prior to a change in the legal ownership of the unit. The owner must supply all information as requested by HACCC.

Prior to approval of assignment to a new owner, the new owner must agree to be bound by and comply with the HAP contract. The agreement between the new owner and the former owner must be in writing and in a form that HACCC finds acceptable. The new owner must provide HACCC with a copy of the executed agreement.

### HACCC Policy

HACCC will comply with the terms of the HAP Contract regarding the assignment of the Contract to a new owner (HAP Contract Part B, Section 14).

Assignment of the HAP contract will be approved only if the new owner is qualified to become an owner under the HCV program according to the policies in Section 13-I.D. of this chapter.

Prior to the change HACCC must receive a signed, written request from the existing owner stating the name and address of the new HAP payee and the effective date of the assignment in order to change the HAP payee under an outstanding HAP contract.

Within 14 calendar days of receiving the owner's request, HACCC will inform the current owner in writing whether the assignment may take place.

The new owner must provide a written certification to HACCC that includes:

A copy of the escrow statement or other document showing the transfer of title and recorded deed;

A copy of the owner's IRS Form W-9, Request for Taxpayer Identification Number and Certification, or the social security number of the new owner;

The effective date of the HAP contract assignment;

A written agreement to comply with the terms of the HAP contract; and

A certification that the new owner is not a relative as defined in 13.I.D.

If the new owner does not agree to an assignment of the HAP contract, or fails to provide the necessary documents, HACCC will terminate the HAP contract with the old owner. If the new owner wants to offer the family a new lease, and the family elects to stay with continued assistance, HACCC will process the leasing in accordance with the policies in Chapter 9.

# **CHAPTER 14**

## **PROGRAM INTEGRITY**

### **INTRODUCTION**

The PHA is committed to ensuring that subsidy funds made available to the PHA are spent in accordance with HUD requirements.

This chapter covers HUD and PHA policies designed to prevent, detect, investigate, and resolve instances of program abuse or fraud. It also describes the actions that will be taken in the case of unintentional errors and omissions.

Part I: Preventing, Detecting, and Investigating Errors and Program Abuse. This part presents PHA policies related to preventing, detecting, and investigating errors and program abuse.

Part II: Corrective Measures and Penalties. This part describes the corrective measures the PHA must and may take when errors or program abuses are found.

## **PART I: PREVENTING, DETECTING, AND INVESTIGATING ERRORS AND PROGRAM ABUSE**

### **14-I.A. PREVENTING ERRORS AND PROGRAM ABUSE**

HUD created the Enterprise Income Verification (EIV) system to provide PHAs with a powerful tool for preventing errors and detecting program abuse. PHAs are required to use the EIV system in its entirety in accordance with HUD administrative guidance [24 CFR 5.233]. PHAs are further required to:

- Provide applicants and participants with form HUD-52675, “Debts Owed to PHAs and Terminations”
- Require all adult members of an applicant or participant family to acknowledge receipt of form HUD-52675 by signing a copy of the form for retention in the family file

#### HACCC Policy

To ensure that the PHA’s HCV program is administered according to the highest ethical and legal standards, the PHA will employ a variety of techniques to ensure that both errors and intentional program abuse are rare.

The PHA will discuss program compliance and integrity issues during the voucher briefing sessions described in Chapter 5.

The PHA will provide each applicant and participant with a copy of “Is Fraud Worth It?” (form HUD-1141-OIG), which explains the types of actions a family must avoid and the penalties for program abuse.

The PHA will provide each applicant and participant with a copy of “What You Should Know about EIV,” a guide to the Enterprise Income Verification (EIV) system published by HUD as an attachment to Notice PIH 2017-12. In addition, the PHA will require the head of each household to acknowledge receipt of the guide by signing a copy for retention in the family file.

The PHA will place a warning statement about the penalties for fraud (as described in 18 U.S.C. 1001 and 1010) on key PHA forms and form letters that request information from a family or owner.

PHA staff will be required to review and explain the contents of all HUD- and PHA-required forms prior to requesting family member signatures.

At every regular reexamination, PHA staff will explain any changes in HUD regulations or PHA policy that affect program participants.

The PHA will require first-time owners (or their agents) to participate in a briefing session on HAP contract requirements.

The PHA will provide owners with ongoing information about the program, with an emphasis on actions and situations to avoid.

The PHA will provide each PHA employee with the necessary training on program rules and the organization’s standards of conduct and ethics.

For purposes of this chapter the term *error* refers to an unintentional error or omission. *Program abuse or fraud* refers to a single act or pattern of actions that constitute a false statement, omission, or concealment of a substantial fact, made with the intent to deceive or mislead.

#### **14-I.B. DETECTING ERRORS AND PROGRAM ABUSE**

In addition to taking steps to prevent errors and program abuse, the PHA will use a variety of activities to detect errors and program abuse.

##### **Quality Control and Analysis of Data**

Under the Section 8 Management Assessment Program (SEMAP), HUD requires the PHA to review a random sample of tenant records annually to determine if the records conform to program requirements and to conduct quality control inspections of a sample of units to ensure HQS compliance [24 CFR, Part 985]. (See Chapter 16 for additional information about SEMAP requirements).

##### HACCC Policy

In addition to the SEMAP quality control requirements, the PHA will employ a variety of methods to detect errors and program abuse.

The PHA routinely will use HUD and other non-HUD sources of up-front income verification. This includes a third party verification vendor and any other private or public databases available to the PHA.

At each annual reexamination, current information provided by the family will be compared to information provided at the last annual reexamination to identify inconsistencies and incomplete information.

The PHA will compare family-reported income and expenditures to detect possible unreported income.

##### **Independent Audits and HUD Monitoring**

OMB Circular A-133 requires all PHAs that expend \$500,000 or more in federal awards annually to have an independent audit (IPA). In addition, HUD conducts periodic on-site and automated monitoring of PHA activities and notifies the PHA of errors and potential cases of program abuse.

##### HACCC Policy

The PHA will use the results reported in any IPA or HUD monitoring reports to identify potential program abuses as well as to assess the effectiveness of the PHA's error detection and abuse prevention efforts.

##### **Individual Reporting of Possible Errors and Program Abuse**

##### HACCC Policy

The PHA will encourage staff, program participants, and the public to report possible program abuse.

## **14-I.C. INVESTIGATING ERRORS AND PROGRAM ABUSE**

### **When the PHA Will Investigate**

#### **HACCC Policy**

HACCC will review all referrals, specific allegations, complaints, and tips from any source including other agencies, companies, and individuals, to determine if they warrant investigation. In order for HACCC to investigate, the allegation must contain at least one independently verifiable item of information, such as the name of an employer or the name of an unauthorized household member.

HACCC will investigate when inconsistent or contradictory information is detected through file reviews and the verification process.

### **How the HACCC Will Investigate Allegations Of Abuse And Fraud**

If HACCC determines that an allegation or referral warrants follow-up a staff person will conduct an investigation. The steps taken will depend upon the nature of the allegation and may include, but are not limited to, the items listed below. In all cases HACCC will ensure that written authorization from the program participant for the release of information is in the file.

#### **Credit Bureau Inquiries**

In cases involving unreported income sources or unreported assets, a Credit Bureau inquiry may be made to determine if there is financial activity that conflicts with the reported income of the family.

#### **Employers and Ex-Employers**

Employers and ex-employers may be contacted to verify wages that may have been previously undisclosed or misrepresented

#### **Neighbors / Witnesses**

Neighbors and/or witnesses may be interviewed who are believed to have direct or indirect knowledge of facts pertaining to HACCC's review.

#### **Other Agencies**

Investigators, caseworkers or representative of other benefit agencies may be contacted. Local, state, or federal law enforcement officials may also be contacted.

#### **Public Records**

If relevant, HACCC will review public records kept in any jurisdictional courthouse. Examples of public records include but are not limited to records relating to the following;: real estate, marriage, divorce, uniform commercial code financing statements, voter registration, judgments, court or police records, state wage records, utility records and postal records.

#### **Interviews with The Head Of Household**

HACCC will discuss the allegations (or details thereof) with the Head of Household or family member by scheduling an appointment at the appropriate HACCC office. A high standard of professionalism and courtesy will be maintained by HACCC staff person who conducts such

interviews. Under no circumstances will inflammatory language, accusations, or any unprofessional conduct or language be tolerated. If possible, an additional staff person will attend such interviews.

### **Consent to Release Of Information [24 CFR 982.516]**

HACCC may investigate possible instances of error or abuse using all available HACCC and public records. If necessary, HACCC will require HCV families to give consent to the release of additional information.

### **Analysis and Findings**

#### **HACCC Policy**

HACCC will base its evaluation on a preponderance of the evidence collected during its investigation.

Preponderance of the evidence is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence that as a whole shows that the fact sought to be proved is more probable than not. Preponderance of evidence may not be determined by the number of witnesses, but by the greater weight of all evidence

For each investigation HACCC will determine (1) whether an error or program abuse has occurred, (2) whether any amount of money is owed HACCC, and (3) what corrective measures or penalties will be assessed.

### **Consideration of Remedies**

All errors and instances of program abuse must be corrected prospectively. Whether HACCC will enforce other corrective actions and penalties depends upon the nature of the error or program abuse.

#### **HACCC Policy**

In the case of family-caused errors or program abuse, HACCC will take into consideration (1) the seriousness of the offense and the extent of participation or culpability of individual family members, (2) any special circumstances surrounding the case, (3) any mitigating circumstances related to the disability of a family member, (4) the effects of a particular remedy on family members who were not involved in the offense.

In the case of owner-caused errors or program abuse, HACCC will take into consideration (1) the seriousness of the offense, (2) the length of time since the violation has occurred, and (3) the effects of a particular remedy on family members who were not involved in the offense.

### **Notice and Appeals**

#### **HACCC Policy**

HACCC will inform the relevant party in writing of its findings and remedies within 15 business days of the conclusion of the investigation. The notice will include (1) a description of the error or program abuse, (2) the basis on which HACCC determined the

error or program abuses, (3) the remedies to be employed, and (4) the family's right to appeal the results through the informal review or hearing process, if applicable (see Chapter 16).

## **PART II: CORRECTIVE MEASURES AND PENALTIES**

### **14-II.A. SUBSIDY UNDER- OR OVERPAYMENTS**

A subsidy under- or overpayment includes (1) an incorrect housing assistance payment to the owner, (2) an incorrect family share established for the family, and (3) an incorrect utility reimbursement to a family.

#### **Corrections**

Whether the incorrect subsidy determination is an overpayment or underpayment of subsidy, the PHA must promptly correct the HAP, family share, and any utility reimbursement prospectively.

##### HACCC Policy

Increases in the family share will be implemented on the first of the month following a written 30-day notice.

Any decreases in family share will become effective the first of the month following the discovery of the error.

#### **Reimbursement**

Whether the family or owner is required to reimburse the PHA or the PHA is required to make retroactive subsidy payments to the owner or family depends upon which party is responsible for the incorrect subsidy payment and whether the action taken was an error or program abuse. Policies regarding reimbursement are discussed in the three sections that follow.

### **14-II.B. FAMILY-CAUSED ERRORS AND PROGRAM ABUSE**

Family obligations and general administrative requirements for participating in the program are discussed throughout this plan. This section deals specifically with errors and program abuse by family members.

An incorrect subsidy determination caused by a family generally would be the result of incorrect reporting of family composition, income, assets, or expenses, but also would include instances in which the family knowingly allows the PHA to use incorrect information provided by a third party.

#### **Family Reimbursement to PHA [HCV GB pp. 22-12 to 22-13]**

##### HACCC Policy

In the case of family-caused errors or program abuse, the family will be required to repay any excess subsidy received. The PHA may, but is not required to, offer the family a repayment agreement in accordance with Chapter 16. If the family fails to repay the excess subsidy, the PHA will terminate the family's assistance in accordance with the policies in Chapter 12.

## **PHA Reimbursement to Family [HCV GB p. 22-12]**

### HACCC Policy

The PHA will not reimburse the family for any underpayment of assistance when the underpayment clearly is caused by the family.

### **Prohibited Actions**

An applicant or participant in the HCV program must not knowingly:

- Make a false statement to the PHA [Title 18 U.S.C. Section 1001].
- Commit fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program [24 CFR 982.552(c)(iv)].

### HACCC Policy

Any of the following will be considered evidence of family program abuse:

Payment to the owner in excess of amounts authorized by the PHA for rent, security deposit, and additional services

Offering bribes or illegal gratuities to the PHA Board of Commissioners, employees, contractors, or other PHA representatives

Offering payments or other incentives to the owner or a third party as an inducement for the third party to make false or misleading statements to the PHA on the family's behalf

Use of a false name or the use of falsified, forged, or altered documents

Intentional misreporting of family information or circumstances (e.g. income, family composition)

Omitted facts that were obviously known by a family member (e.g., not reporting employment income)

Admission of program abuse by an adult family member

The PHA may determine other actions to be program abuse based upon a preponderance of the evidence, as defined earlier in this chapter.

### **Penalties for Program Abuse**

In the case of program abuse caused by a family the PHA may, at its discretion, impose any of the following remedies.

- The PHA may require the family to repay excess subsidy amounts paid by the PHA, as described earlier in this section.
- The PHA may require, as a condition of receiving or continuing assistance, that a culpable family member not reside in the unit. See policies in Chapter 3 (for applicants) and Chapter 12 (for participants).
- The PHA may deny or terminate the family's assistance following the policies set forth in Chapter 3 and Chapter 12 respectively.

- The PHA may refer the family for state or federal criminal prosecution as described in section 14-II.E.

### **14-II.C. OWNER-CAUSED ERROR OR PROGRAM ABUSE**

Owner requirements that are part of the regular process of offering, leasing, and maintaining a unit (e.g., HQS compliance, fair housing) are addressed in the appropriate chapters of this plan. This section focuses on errors and program abuse by owners.

An incorrect subsidy determination caused by an owner generally would be the result of an incorrect owner statement about the characteristics of the assisted unit (e.g., the number of bedrooms, which utilities are paid by the family). It also includes accepting duplicate housing assistance payments for the same unit in the same month, or after a family no longer resides in the unit.

#### **Owner Reimbursement to the PHA**

In all cases of overpayment of subsidy caused by the owner, the owner must repay to the PHA any excess subsidy received. The PHA may recover overpaid amounts by withholding housing assistance payments due for subsequent months, or if the debt is large, the PHA may allow the owner to pay in installments over a period of time [HCV GB p. 22-13].

##### HACCC Policy

In cases where the owner has received excess subsidy, the PHA will require the owner to repay the amount owed in accordance with the policies in Section 16-IV.B.

#### **Prohibited Owner Actions**

An owner participating in the HCV program must not:

- Make any false statement to the PHA [Title 18 U.S.C. Section 1001].
- Commit fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program [24 CFR 982.453(a)(3)] including:

##### HACCC Policy

Any of the following will be considered evidence of owner program abuse:

- Charging the family rent above the amount specified by the PHA
- Charging a security deposit other than that specified in the family's lease
- Charging the family for services that are provided to unassisted tenants at no extra charge
- Knowingly accepting housing assistance payments for any month(s) after the family has vacated the unit
- Knowingly accepting incorrect or excess housing assistance payments
- Offering bribes or illegal gratuities to the PHA Board of Commissioners, employees, contractors, or other PHA representatives
- Offering payments or other incentives to an HCV family as an inducement for the family to make false or misleading statements to the PHA
- Residing in the unit with an assisted family

- Having more than one lease or rental agreement with the assisted family.

### **Remedies and Penalties**

When the PHA determines that the owner has committed program abuse, the PHA may take any of the following actions:

- Require the owner to repay excess housing assistance payments, as discussed earlier in this section and in accordance with the policies in Chapter 16.
- Terminate the HAP contract (See Chapter 13).
- Bar the owner from future participation in any PHA programs.
- Refer the case to state or federal officials for criminal prosecution as described in section 14-II.E.

### **14-II.D. PHA-CAUSED ERRORS OR PROGRAM ABUSE**

The responsibilities and expectations of PHA staff with respect to normal program administration are discussed throughout this plan. This section specifically addresses actions of a PHA staff member that are considered errors or program abuse related to the HCV program. Additional standards of conduct may be provided in the PHA personnel policy.

PHA-caused incorrect subsidy determinations include (1) failing to correctly apply HCV rules regarding family composition, income, assets, and expenses, (2) assigning the incorrect voucher size to a family, and (3) errors in calculation.

### **Repayment to the PHA**

Neither a family nor an owner is required to repay an overpayment of subsidy if the error or program abuse is caused by PHA staff [HCV GB. 22-12].

### **PHA Reimbursement to Family or Owner**

The PHA must reimburse a family for any underpayment of subsidy, regardless of whether the underpayment was the result of staff-caused error or staff or owner program abuse. Funds for this reimbursement must come from the PHA's administrative fee reserves [HCV GB p. 22-12].

### **Prohibited Activities**

#### HACCC Policy

Any of the following will be considered evidence of program abuse by PHA staff:

- Failing to comply with any HCV program requirements for personal gain
- Failing to comply with any HCV program requirements as a result of a conflict of interest relationship with any applicant, participant, or owner
- Seeking or accepting anything of material value from applicants, participating families, vendors, owners, contractors, or other persons who provide services or materials to the PHA
- Disclosing confidential or proprietary information to outside parties

- Gaining profit as a result of insider knowledge of PHA activities, policies, or practices
- Misappropriating or misusing HCV funds
- Destroying, concealing, removing, or inappropriately using any records related to the HCV program
- Committing any other corrupt or criminal act in connection with any federal housing program

#### **14-II.E. CRIMINAL PROSECUTION**

##### HACCC Policy

When the PHA determines that program abuse by an owner, family, or PHA staff member has occurred and the amount of overpaid subsidy meets or exceeds the threshold for prosecution under local or state law, the PHA will refer the matter to the appropriate entity for prosecution. When the amount of overpaid assistance meets or exceeds the federal threshold, the case will also be referred to the HUD Office of Inspector General (OIG).

Other criminal violations related to the HCV program will be referred to the appropriate local, state, or federal entity.

#### **14-II.F. FRAUD AND PROGRAM ABUSE RECOVERIES**

The PHA may retain a portion of program fraud losses that the PHA recovers from a family or owner through litigation, court order, or a repayment agreement [24 CFR 982.163].

The PHA must be the principal party initiating or sustaining the action to recover amounts due from tenants that are due as a result of fraud and abuse. 24 CFR 792.202 permits the PHA to retain the greater of:

- 50 percent of the amount it actually collects from a judgment, litigation (including settlement of a lawsuit) or an administrative repayment agreement, or
- Reasonable and necessary costs that the PHA incurs related to the collection including costs of investigation, legal fees, and agency collection fees.

The family must be afforded the opportunity for an informal hearing in accordance with requirements in 24 CFR 982.555.

If HUD incurs costs on behalf of the PHA related to the collection, these costs must be deducted from the amount retained by the PHA.

# CHAPTER 15

## SPECIAL HOUSING TYPES

[24 CFR 982 Subpart M]

### INTRODUCTION

HACCC may permit a family to use any of the special housing types discussed in this chapter. However, HACCC is not required to permit families receiving assistance in its jurisdiction to use these housing types, except that PHAs must permit use of any special housing type if needed as a reasonable accommodation for a person with a disability. HACCC also may limit the number of families who receive HCV assistance in these housing types and cannot require families to use a particular housing type. No special funding is provided for special housing types.

#### HACCC Policy

Families will not be permitted to use any special housing types, unless use is needed as a reasonable accommodation so that the program is readily accessible to a person with disabilities.

Special housing types include single room occupancy (SRO), congregate housing, group homes, shared housing, cooperative housing, manufactured homes where the family owns the home and leases the space, and homeownership [24 CFR 982.601].

This chapter consists of the following seven parts. Each part contains a description of the housing type and any special requirements associated with it. Except as modified by this chapter, the general requirements of the HCV program apply to special housing types.

Part I: Single Room Occupancy

Part II: Congregate Housing

Part III: Group Homes

Part IV: Shared Housing

Part V: Cooperative Housing

Part VI: Manufactured Homes (including manufactured home space rental)

Part VII: Homeownership

## **PART I: SINGLE ROOM OCCUPANCY**

[24 CFR 982.602 through 982.605]

### **15-I.A. OVERVIEW**

A single room occupancy (SRO) unit provides living and sleeping space for the exclusive use of the occupant but requires the occupant to share sanitary and/or food preparation facilities with others. More than one person may not occupy an SRO unit. HCV regulations do not limit the number of units in an SRO facility, but the size of a facility may be limited by local ordinances.

When providing HCV assistance in an SRO unit, a separate lease and HAP contract are executed for each assisted person, and the standard form of the HAP contract is used.

### **15-I.B. PAYMENT STANDARD, UTILITY ALLOWANCE, AND HAP CALCULATION**

The payment standard for SRO housing is 75 percent of the zero-bedroom payment standard amount on HACCC's payment standard schedule.

The utility allowance for an assisted person residing in SRO housing is 75 percent of the zero-bedroom utility allowance.

The HAP for an assisted occupant in an SRO facility is the lower of the SRO payment standard amount minus the TTP or the gross rent for the unit minus the TTP.

### **15-I.C. HOUSING QUALITY STANDARDS (HQS)**

HQS requirements described in Chapter 8 apply to SRO housing except as modified below.

- *Access:* Access doors to the SRO unit must have working locks for privacy. The occupant must be able to access the unit without going through any other unit. Each unit must have immediate access to two or more approved means of exit from the building, appropriately marked and leading to safe and open space at ground level. The SRO unit must also have any other means of exit required by State or local law.
- *Fire Safety:* All SRO facilities must have a sprinkler system that protects major spaces. "Major spaces" are defined as hallways, common areas, and any other areas specified in local fire, building, or safety codes. SROs must also have hard-wired smoke detectors, and any other fire and safety equipment required by state or local law.

Sanitary facilities and space and security standards must meet local code requirements for SRO housing. In the absence of local code standards the requirements discussed below apply [24 CFR 982.605].

- *Sanitary Facilities:* At least one flush toilet that can be used in privacy, a lavatory basin, and a bathtub or shower in proper operating condition must be provided for each six persons (or fewer) residing in the SRO facility. If the SRO units are leased only to men, flush urinals may be substituted for up to one half of the required number of toilets. Sanitary facilities must be reasonably accessible from a common hall or passageway, and may not be located more than one floor above or below the SRO unit. They may not be located below grade unless the SRO units are located on that level.

- *Space and Security:* An SRO unit must contain at least 110 square feet of floor space, and at least four square feet of closet space with an unobstructed height of at least five feet, for use by the occupant. If the closet space is less than four square feet, the habitable floor space in the SRO unit must be increased by the amount of the deficiency. Exterior doors and windows accessible from outside the SRO unit must be lockable.

Because no children live in SRO housing, the housing quality standards applicable to lead-based paint do not apply.

## **PART II: CONGREGATE HOUSING**

[24 CFR 982.606 through 982.609]

### **15-II.A. OVERVIEW**

Congregate housing is intended for use by elderly persons or persons with disabilities. A congregate housing facility contains a shared central kitchen and dining area and a private living area for the individual household that includes at least a living room, bedroom and bathroom. Food service for residents must be provided.

If approved by HACCC, a family member or live-in aide may reside with the elderly person or person with disabilities. HACCC must approve a live-in aide if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities.

When providing HCV assistance in congregate housing, a separate lease and HAP contract are executed for each assisted family, and the standard form of the HAP contract is used.

### **15-II.B. PAYMENT STANDARD, UTILITY ALLOWANCE, AND HAP CALCULATION**

The payment standard for an individual unit in a congregate housing facility is based on the number of rooms in the private living area. If there is only one room in the unit (not including the bathroom or the kitchen, if a kitchen is provided), HACCC must use the payment standard for a zero-bedroom unit. If the unit has two or more rooms (other than the bathroom and the kitchen), HACCC must use the one-bedroom payment standard.

The HAP for an assisted occupant in a congregate housing facility is the lower of the applicable payment standard minus the TTP or the gross rent for the unit minus the TTP.

The gross rent for the unit for the purpose of calculating HCV assistance is the shelter portion (including utilities) of the resident's monthly housing expense only. The residents' costs for food service should not be included in the rent for a congregate housing unit.

### **15-II.C. HOUSING QUALITY STANDARDS**

HQS requirements as described in Chapter 8 apply to congregate housing except for the requirements stated below.

Congregate housing must have (1) a refrigerator of appropriate size in the private living area of each resident; (2) a central kitchen and dining facilities located within the premises and accessible to the residents, and (3) food service for the residents, that is not provided by the residents themselves.

The housing quality standards applicable to lead-based paint do not apply.

## **PART III: GROUP HOME**

[24 CFR 982.610 through 982.614 and HCV GB p. 7-4]

### **15-III.A. OVERVIEW**

A group home is a state-licensed facility intended for occupancy by elderly persons and/or persons with disabilities. Except for live-in aides, all persons living in a group home, whether assisted or not, must be elderly persons or persons with disabilities. Persons living in a group home must not require continuous medical or nursing care.

A group home consists of bedrooms for residents, which can be shared by no more than two people, and a living room, kitchen, dining area, bathroom, and other appropriate social, recreational, or community space that may be shared with other residents.

No more than 12 persons may reside in a group home including assisted and unassisted residents and any live-in aides.

If approved by HACCC, a live-in aide may live in the group home with a person with disabilities. HACCC must approve a live-in aide if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities.

When providing HCV assistance in a group home, a separate lease and HAP contract is executed for each assisted family, and the standard form of the HAP contract is used.

### **15-III.B. PAYMENT STANDARD, UTILITY ALLOWANCE, AND HAP CALCULATION**

Unless there is a live-in aide, the family unit size for an assisted occupant of a group home must be zero- or one-bedroom, depending on HACCC's subsidy standard. If there is a live-in aide, the aide must be counted in determining the household's unit size.

The payment standard used to calculate the HAP is the lower of the payment standard for the family unit size or the prorata share of the payment standard for the group home size. The prorata share is calculated by dividing the number of persons in the assisted household by the number of persons (assisted and unassisted) living in the group home.

The HAP for an assisted occupant in a group home is the lower of the payment standard minus the TTP or the gross rent minus the TTP.

The utility allowance for an assisted occupant in a group home is the prorata share of the utility allowance for the group home.

The rents paid for participants residing in group homes are subject to generally applicable standards for rent reasonableness. The rent for an assisted person must not exceed the prorata portion of the reasonable rent for the group home. In determining reasonable rent, HACCC should consider whether sanitary facilities and facilities for food preparation and service are common facilities or private facilities.

### **15-III.C. HOUSING QUALITY STANDARDS**

HQS requirements described in Chapter 8 apply to group homes except for the requirements stated below.

- *Sanitary Facilities:* A group home must have at least one bathroom in the facility, with a flush toilet that can be used in privacy, a fixed basin with hot and cold running water, and a shower or bathtub with hot and cold running water. A group home may contain private or common bathrooms. However, no more than four residents can be required to share a bathroom.
- *Food Preparation and Service:* Group home units must contain a kitchen and dining area with adequate space to store, prepare, and serve food. The facilities for food preparation and service may be private or may be shared by the residents. The kitchen must contain a range, an oven, a refrigerator, and a sink with hot and cold running water. The sink must drain into an approvable public or private disposal system.
- *Space and Security:* Group homes must contain at least one bedroom of appropriate size for every two people, and a living room, kitchen, dining area, bathroom, and other appropriate social, recreational, or community space that may be shared with other residents.
- *Structure and Material:* To avoid any threat to the health and safety of the residents, group homes must be structurally sound. Elevators must be in good condition. Group homes must be accessible to and usable by residents with disabilities.
- *Site and Neighborhood:* Group homes must be located in a residential setting. The site and neighborhood should be reasonably free from hazards to the health, safety, and general welfare of the residents, and should not be subject to serious adverse conditions, such as:
  - Dangerous walks or steps
  - Instability
  - Flooding, poor drainage
  - Septic tank back-ups
  - Sewage hazards
  - Mud slides
  - Abnormal air pollution
  - Smoke or dust
  - Excessive noise
  - Vibrations or vehicular traffic
  - Excessive accumulations of trash
  - Vermin or rodent infestation, and
  - Fire hazards.

The housing quality standards applicable to lead-based paint do not apply.

## **PART IV: SHARED HOUSING**

[24 CFR 982.615 through 982.618]

### **15-IV.A. OVERVIEW**

Shared housing is a single housing unit occupied by an assisted family and another resident or residents. The shared unit consists of both common space for use by the occupants of the unit and separate private space for each assisted family.

An assisted family may share a unit with other persons assisted under the HCV program or with other unassisted persons. The owner of a shared housing unit may reside in the unit, but housing assistance may not be paid on behalf of the owner. The resident owner may not be related by blood or marriage to the assisted family.

If approved by HACCC, a live-in aide may reside with the family to care for a person with disabilities. HACCC must approve a live-in aide if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities.

When providing HCV assistance in shared housing, a separate lease and HAP contract are executed for each assisted family, and the standard form of the HAP contract is used.

### **15-IV.B. PAYMENT STANDARD, UTILITY ALLOWANCE AND HAP CALCULATION**

The payment standard for a family in shared housing is the lower of the payment standard for the family unit size or the prorata share of the payment standard for the shared housing unit size.

The prorata share is calculated by dividing the number of bedrooms available for occupancy by the assisted family in the private space by the total number of bedrooms in the unit.

The HAP for a family in shared housing is the lower of the payment standard minus the TTP or the gross rent minus the TTP. The utility allowance for an assisted family living in shared housing is the lower of the utility allowance for the family unit size (voucher size) or the prorata share of the utility allowance for the shared housing unit.

**Example:** A family holds a 2-bedroom voucher. The family decides to occupy 3 out of 4 bedrooms available in the unit.

- The utility allowance for a 4-bedroom unit equals \$200
- The utility allowance for a 2-bedroom unit equals \$100
- The prorata share of the utility allowance is \$150 (3/4 of \$200)

Family utility allowance is \$100 (lesser of voucher size and prorata of utility)

The rents paid for families living in shared housing are subject to generally applicable standards for rent reasonableness. The rent paid to the owner for the assisted family must not exceed the pro-rata portion of the reasonable rent for the shared unit. In determining reasonable rent, HACCC should consider whether sanitary and food preparation areas are private or shared.

### **15-IV.C. HOUSING QUALITY STANDARDS**

HACCC may not give approval to reside in shared housing unless the entire unit, including the portion of the unit available for use by the assisted family under its lease, meets the housing quality standards.

HQS requirements described in Chapter 8 apply to shared housing except for the requirements stated below.

- *Facilities Available for the Family*: Facilities available to the assisted family, whether shared or private, must include a living room, a bathroom, and food preparation and refuse disposal facilities.
- *Space and Security*: The entire unit must provide adequate space and security for all assisted and unassisted residents. The private space for each assisted family must contain at least one bedroom for each two persons in the family. The number of bedrooms in the private space of an assisted family must not be less than the family unit size. A zero-bedroom or one-bedroom unit may not be used for shared housing.

## **PART V: COOPERATIVE HOUSING**

[24 CFR 982.619]

### **15-V.A. OVERVIEW**

This part applies to rental assistance for a cooperative member residing in cooperative housing. It does not apply to assistance for a cooperative member who has purchased membership under the HCV homeownership option, or to rental assistance for a family that leases a cooperative housing unit from a cooperative member.

A cooperative is a form of ownership (nonprofit corporation or association) in which the residents purchase memberships in the ownership entity. Rather than being charged “rent” a cooperative member is charged a “carrying charge.”

When providing HCV assistance in cooperative housing, the standard form of the HAP contract is used.

### **15-V.B. PAYMENT STANDARD, UTILITY ALLOWANCE AND HAP CALCULATION**

The payment standard and utility allowance are determined according to regular HCV program requirements.

The HAP for a cooperative housing unit is the lower of the payment standard minus the TTP or the monthly carrying charge for the unit, plus any utility allowance, minus the TTP. The monthly carrying charge includes the member’s share of the cooperative debt service, operating expenses, and necessary payments to cooperative reserve funds. The carrying charge does not include down payments or other payments to purchase the cooperative unit or to amortize a loan made to the family for this purpose.

### **15-V.C. HOUSING QUALITY STANDARDS**

All standard HQS requirements apply to cooperative housing units. There are no additional HQS requirements.

## **PART VI: MANUFACTURED HOMES**

[24 CFR 982.620 through 982.624; FR Notice 1/18/17]

### **15-VI.A. OVERVIEW**

A manufactured home is a manufactured structure, transportable in one or more parts, that is built on a permanent chassis, and designed for use as a principal place of residence. HCV-assisted families may occupy manufactured homes in two different ways.

(1) A family can choose to rent a manufactured home already installed on a space and HACCC must permit it. In this instance program rules are the same as when a family rents any other residential housing, except that there are special HQS requirements as provided in 15-VI.D below.

(2) HUD also permits an otherwise eligible family that owns a manufactured home to rent a space for the manufactured home and receive HCV assistance with the rent for the space as well as certain other housing expenses. PHAs may, but are not required to, provide assistance for such families.

### **15-VI.B. SPECIAL POLICIES FOR MANUFACTURED HOME OWNERS WHO LEASE A SPACE**

#### **Family Income**

In determining the annual income of families leasing manufactured home spaces, the value of the family's equity in the manufactured home in which the family resides is not counted as a family asset.

#### **Lease and HAP Contract**

There is a separate Tenancy Addendum (Form 52642-a) and separate HAP Contract (Form 52642) for this special housing type.

### **15-VI.C. PAYMENT STANDARD, UTILITY ALLOWANCE AND HAP CALCULATION**

#### **Payment Standards [FR Notice 1/18/17]**

The PHA payment standard for manufactured homes is determined in accordance with 24 CFR 982.505 and is the payment standard used for the PHA's HCV program. It is based on the applicable FMR for the area in which the manufactured home space is located.

The payment standard for the family is the lower of the family unit size (voucher size) or the payment standard for the number of bedrooms in the manufactured home.

#### **Utility Allowance**

HACCC must establish utility allowances for manufactured home space rental. For the first 12 months of the initial lease term only, the allowance must include an amount for a utility hook-up charge if the family actually incurred a hook-up charge because of a move. This allowance will not be given to a family that leases in place. Utility allowances for manufactured home space must not include the costs of digging a well or installing a septic system.

If the amount of the monthly assistance payment for a family exceeds the monthly rent for the manufactured home space (including the owner's monthly management and maintenance charges), the PHA may pay the remainder to the family, lender, or utility company.

### **Space Rent**

The rent for the manufactured home space (including other eligible housing expenses) is the total of:

- The rent charged for the manufactured home space;
- Owner maintenance and management charges for the space;
- The monthly payments made by the family to amortize the cost of purchasing the manufactured home, including any required insurance and property taxes; and
- The applicable allowance for tenant-paid unities.

### **Amortization Costs**

The monthly payment made by the family to amortize the cost of purchasing the manufactured home is the debt service established at the time of application to a lender for financing the purchase of the manufactured home if monthly payments are still being made. Any increase in debt service due to refinancing after purchase of the home may not be included in the amortization cost. Debt service for set-up charges incurred by a family may be included in the monthly amortization payments made by the family. In addition, set-up charges incurred before the family became an assisted family may be included in the amortization cost if monthly payments are still being made to amortize the charges.

### **Housing Assistance Payment**

The HAP for a manufactured home space under the housing choice voucher program is the lower of the payment standard minus the TTP or the manufactured home space rent (including other eligible housing expenses) minus the TTP.

### **Rent Reasonableness**

Initially, and annually thereafter HACCC must determine that the rent for the manufactured home space is reasonable based on rents for comparable manufactured home spaces. HACCC must consider the location and size of the space, and any services and maintenance to be provided by the owner. By accepting the monthly HAP check, the owner certifies that the rent does not exceed rents charged by the owner for comparable unassisted spaces in the manufactured home park or elsewhere.

## **15-VI.D. HOUSING QUALITY STANDARDS**

Under either type of occupancy described in 15-VI.A above, the manufactured home must meet all HQS performance requirements and acceptability criteria discussed in Chapter 8 of this plan. In addition, the following requirement applies:

### ***Manufactured Home Tie-Down***

A manufactured home must be placed on the site in a stable manner, and must be free from hazards such as sliding or wind damage. The home must be securely anchored by a tie-down

device that distributes and transfers the loads imposed by the unit to appropriate ground anchors to resist overturning and sliding.

## **PART VII: HOMEOWNERSHIP**

[24 CFR 982.625 through 982.643]

### **15-VII.A. OVERVIEW [24 CFR 982.625]**

The homeownership option is used to assist a family residing in a home purchased and owned by one or more members of the family. A family assisted under this option may be newly admitted or an existing participant in the HCV program. HACCC must have the capacity to operate a successful HCV homeownership program as defined by the regulations.

There are two forms of homeownership assistance described in the regulations: monthly homeownership assistance payments and single down payment assistance grants. However, PHAs may not offer down payment assistance until and unless funding is allocated by Congress. Since this has not yet happened, only monthly homeownership assistance may be offered.

HACCC must offer homeownership assistance if needed as a reasonable accommodation, so that the program is readily accessible to and usable by persons with disabilities. It is the sole responsibility of HACCC to determine whether it is reasonable to implement a homeownership program as a reasonable accommodation. HACCC must determine what is reasonable based on the specific circumstances and individual needs of the person with a disability. HACCC may determine that it is not reasonable to offer homeownership assistance as a reasonable accommodation in cases where HACCC has otherwise opted not to implement a homeownership program.

HACCC must approve a live-in aide if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities.

### **15-VII.B. FAMILY ELIGIBILITY [24 CFR 982.627]**

The family must meet all of the requirements listed below before the commencement of homeownership assistance. HACCC may also establish additional initial requirements as long as they are described in HACCC administrative plan.

- Only current participants in the HCV rental program who have received assistance for at least one full year and who are in good standing with their landlord and the HACCC with regard to their family obligations and contracts may apply for the homeownership program. Good standing is defined as not owing back rent, not the subject of documented program and lease violations, not under eviction for violation of lease terms or subject to a proposal for termination due to a violation of program obligations.
- The family must qualify as a first-time homeowner, or may be a cooperative member.

- The head of household must be a member of the Section 8 Family Self Sufficiency (FSS) program and participating in the development of an Individual Training and Service Plan, and is meeting the obligations of their FSS contract. Or the family may be a former member of the FSS program who has successfully completed the program. The family will be required to meet all other obligations and pre-requirements of the HOA program. Elderly and disabled persons are exempt from the requirement to participate in the FSS program, but are not prohibited from participation.
- The family must meet the Federal minimum income requirement. The family must have a gross annual income equal to the Federal minimum wage multiplied by 2000, based on the income of adult family members who will own the home. HACCC may establish a higher income standard for families. However, a family that meets the federal minimum income requirement (but not HACCC's requirement) will be considered to meet the minimum income requirement, if it can demonstrate that it has been pre-qualified or pre-approved for financing that is sufficient to purchase an eligible unit.
- For disabled families, the minimum income requirement is equal to the current SSI monthly payment for an individual living alone, multiplied by 12.
- For elderly or disabled families, welfare assistance payments for adult family members who will own the home will be included in determining whether the family meets the minimum income requirement. It will not be included for other families.
- The family must satisfy the employment requirement by demonstrating that the head of household of the family who will own the home at commencement of homeownership assistance is currently employed on a full-time basis (the term 'full-time employment' means not less than an average of 30 hours per week); and has been continuously so employed during the year before commencement of homeownership assistance for the family.
- The employment requirement does not apply to elderly and disabled families. In addition, if a family, other than an elderly or disabled family includes a person with disabilities, HACCC must grant an exemption from the employment requirement if HACCC determines that it is needed as a reasonable accommodation.
- The family has not defaulted on a mortgage securing debt to purchase a home under the homeownership option
- Except for cooperative members who have acquired cooperative membership shares prior to commencement of homeownership assistance, no family member has a present ownership interest in a residence at the commencement of homeownership assistance for the purchase of any home.
- Except for cooperative members who have acquired cooperative membership shares prior to the commencement of homeownership assistance, the family has entered a contract of sale in accordance with 24 CFR 982.63(C).

#### **15-VII.C. SELECTION OF FAMILIES [24 CFR 982.626]**

Unless otherwise provided (under the homeownership option), HACCC may limit homeownership assistance to families or purposes defined by HACCC, and may prescribe additional requirements for commencement of homeownership assistance for a family. Any such limits or additional requirements must be described in HACCC administrative plan.

HACCC shall initially limit the number of families that may participate in the homeownership option to twenty (20) households and shall increase the program size at its sole discretion.

#### **15-VII.D. ELIGIBLE UNITS [24 CFR 982.628]**

In order for a unit to be eligible, HACCC must determine that the unit satisfies all of the following requirements:

- The unit must meet HUD’s “eligible housing” requirements. The unit may not be any of the following:
  1. A public housing or Indian housing unit;
  2. A unit receiving Section 8 project-based assistance;
  3. A nursing home, board and care home, or facility providing continual psychiatric, medical or nursing services;
  4. A college or other school dormitory;
  5. On the grounds of penal, reformatory, medical, mental, or similar public or private institutions.
  6. The unit may be not yet under construction, under construction, or already exist at the time the family enters into the contract of sale. If the unit is not yet under construction, HACCC shall not commence homeownership assistance until either the responsible entity completes the environmental review required by 24 CFR part 58, and HUD approves the environmental certification and request for release of funds prior to commencement of construction or HUD performs an environmental review under 24 CFR part 50 and notifies HACCC in writing of environmental approval of the site prior to commencement of construction. Additionally, prior to commencement of homeownership assistance the construction of the unit has been completed and the unit passes the required Housing Quality Standards (HQS) inspection and independent inspection.
- The unit must be a one-unit property or a single dwelling unit in a cooperative or condominium.
- The unit must have been inspected by HACCC and by an independent inspector designated by the family.
- The unit must meet Housing Quality Standards (see Chapter 8).
- For a unit where the family will not own fee title to the real property (such as a manufactured home), the home must have a permanent foundation and the family must have the right to occupy the site for at least 40 years.
- For HACCC-owned units all of the following conditions must be satisfied:

1. HACCC informs the family, both orally and in writing, that the family has the right to purchase any eligible unit, and a HACCC-owned unit is freely selected by the family without HACCC pressure or steering;
  2. The unit is not ineligible housing;
  3. HACCC obtains the services of an independent agency to inspect the unit for compliance with HQS, review the independent inspection report, review the contract of sale, determine the reasonableness of the sales price and any HACCC provided financing. All of these actions must be completed in accordance with program requirements.
- HACCC must not approve the unit if HACCC has been informed that the seller is debarred, suspended, or subject to a limited denial of participation.
  - Homeownership assistance shall not be provided for lease-purchase agreements.

**15-VII.E. ADDITIONAL HACCC REQUIREMENTS FOR SEARCH AND PURCHASE**  
**[24 CFR 982.629]**

It is the family's responsibility to find a home that meets the criteria for voucher homeownership assistance. HACCC may establish the maximum time that will be allowed for a family to locate and purchase a home, and may require the family to report on their progress in finding and purchasing a home. If the family is unable to purchase a home within the maximum time established by HACCC, HACCC may issue the family a voucher to lease a unit or place the family's name on the waiting list for a voucher.

**Search Time:**

The family's deadline date for locating a home to purchase will be 180-days from the date the family is issued a homeownership voucher. The family will be issued a homeownership voucher once they have completed all required pre-purchase counseling and have received a mortgage pre-approval. Extensions may be granted on a case-by-case basis.

**Reporting:**

HACCC will require periodic reports on the family's progress in finding and purchasing a home. The family will provide such reports on a monthly basis to the Homeownership Coordinator or Authority designated representative.

**If Family is Unable to Purchase:**

If the family is unable to purchase a home within the maximum time limit, the HACCC will issue the family a voucher to lease a unit provided the family is in compliance with Section 8 Housing Choice Voucher program rules.

**15-VII.F. HOMEOWNERSHIP COUNSELING [24 CFR 982.630]**

Before commencement of homeownership assistance for a family, the family must attend and satisfactorily complete the pre-assistance homeownership and housing counseling program

required by HACCC. HUD suggests the following topics for HACCC-required pre-assistance counseling:

- Home maintenance (including care of the grounds);
- Budgeting and money management;
- Credit counseling;
- How to negotiate the purchase price of a home;
- How to obtain homeownership financing and loan pre-approvals, including a description of types of financing that may be available, and the pros and cons of different types of financing;
- How to find a home, including information about homeownership opportunities, schools, and transportation in HACCC jurisdiction;
- Advantages of purchasing a home in an area that does not have a high concentration of low-income families and how to locate homes in such areas;
- Information on fair housing, including fair housing lending and local fair housing enforcement agencies; and
- Information about the Real Estate Settlement Procedures Act (12 U.S.C. 2601 et seq.) (RESPA), state and Federal truth-in-lending laws, and how to identify and avoid loans with oppressive terms and conditions.

HACCC may adapt the subjects covered in pre-assistance counseling (as listed) to local circumstances and the needs of individual families.

HACCC may also require additional counseling after the commencement of homeownership assistance. If HACCC offers a post-purchase counseling program, it will have the discretion to determine whether the family is required to participate in this type of counseling. Post-purchase counseling will generally be triggered by a participant's violation of their homeownership obligations or evidence of the participants failure to perform program expectations.

If HACCC does not use a HUD-approved housing counseling agency to provide the counseling, HACCC shall ensure that its counseling program is consistent with the counseling provided under HUD's Housing Counseling program.

## **15-VII.G. HOME INSPECTIONS, CONTRACT OF SALE, AND HACCC DISAPPROVAL OF SELLER [24 CFR 982.631]**

### Home Inspections

HACCC may not commence monthly homeownership assistance payments for a family until HACCC has inspected the unit and has determined that the unit passes HQS.

An independent professional inspector selected by and paid for by the family must also inspect the unit. The independent inspection must cover major building systems and components,

including foundation and structure, housing interior and exterior, and the roofing, plumbing, electrical, and heating systems. The independent inspector must be qualified to report on property conditions, including major building systems and components.

HACCC may not require the family to use an independent inspector selected by HACCC. The independent inspector may not be a HACCC employee or contractor, or other person under control of HACCC. However, HACCC may establish standards for qualification of inspectors selected by families under the homeownership option.

HACCC may disapprove a unit for assistance based on information in the independent inspector's report, even if the unit was found to comply with HQS.

#### Contract of Sale

Before commencement of monthly homeownership assistance payments, a member or members of the family must enter into a contract of sale with the seller of the unit to be acquired by the family. The family must give HACCC a copy of the contract of sale. The contract of sale must:

- Specify the price and other terms of sale by the seller to the purchaser;
- Provide that the purchaser will arrange for a pre-purchase inspection of the dwelling unit by an independent inspector selected by the purchaser;
- Specify that an HQS inspector be granted access to the property to perform an HQS inspection prior to closing. Homeownership assistance is contingent on satisfactory inspections by both inspectors and subject to approval by HACCC.
- Provide that the purchaser is not obligated to purchase the unit unless the inspection is satisfactory to the purchaser;
- Provide that the purchaser is not obligated to pay for any necessary repairs; and
- Contain a certification from the seller that the seller has not been debarred, suspended, or subject to a limited denial of participation under CFR part 24.

#### Contract of Sale for Units Not Under Construction

If the unit is not yet under construction at the time the family is to enter into a contract for sale, the contract for sale must also provide that:

- The purchaser is not obligated to purchase the unit unless an environmental review has been performed and the site has received environmental approval prior to commencement of construction in accordance with 24 CFR 982.628.
- The construction will not commence until the environmental review has been completed and the seller has received written notice from HACCC that environmental approval has been obtained. Conduct of the environmental review may not necessarily result in environmental approval, and environmental approval may be conditioned on the contracting parties' agreement to modifications to the unit design or to mitigation actions.

- Commencement of construction in violation of environment review and approval from HACCC voids the purchase contract and renders homeownership assistance unavailable for purchase of the unit

#### Disapproval of a Seller

In its administrative discretion, HACCC may deny approval of a seller for the same reasons HACCC may disapprove an owner under the regular HCV program [see 24 CFR 982.306©].

### **15-VII.H. FINANCING [24 CFR 982.632]**

HACCC may establish requirements for financing purchase of a home under the homeownership option. This may include requirements concerning qualification of lenders, terms of financing, restrictions concerning debt secured by the home, lender qualifications, loan terms, and affordability of the debt. HACCC must establish policies describing these requirements in the administrative plan.

HACCC may not require that families acquire financing from one or more specified lenders, thereby restricting the family's ability to secure favorable financing terms.

#### **Financing Requirements:**

The family is responsible for securing financing. HACCC has established financing requirements, listed below, and may disapprove proposed financing if the Authority determines that the debt is unaffordable. HACCC *may prohibit* the following forms of financing:

- a. Balloon payment mortgages
- b. Variable interest rate loans
- c. Seller financing on a case-by-case basis
- d. All mortgage payment costs cannot exceed 50% monthly gross income.
- e. Loans including persons other than those listed in the assisted family household for Homeownership program participation.
- f. Other types of loans that come to the attention of HACCC that demonstrate a high-risk factor - to be decided on a case by case basis.

#### **Underwriting Guidelines:**

If the mortgage is not FHA-insured, the Authority will require the lender to comply with generally accepted mortgage underwriting standards consistent with those of HUD/FHA, Ginnie Mae, Fannie Mae, Freddie Mac, California Housing Finance Agency (CalHFA), USDA Rural Housing Services, The Federal Home Loan Bank or other private lending institutions.

### **Down payment:**

The family is expected to comply with secondary mortgage market underwriting down payment requirements.

HACCC requires the family to contribute at least one percent (1%) of the purchase price towards the down payment. This amount must come from the family's personal resources and not from gifts, grants, retirement accounts or down payment assistance. HACCC may grant relief from this requirement in those cases where a contribution of personal resources would result in extreme hardship for the family.

### **15-VII.I. CONTINUED ASSISTANCE REQUIREMENTS; FAMILY OBLIGATIONS [24 CFR 982.633]**

Homeownership assistance may only be paid while the family is residing in the home. If the family moves out of the home, the HACCC may not continue homeownership assistance after the month when the family moves out. The family or lender is not required to refund to the HACCC the homeownership assistance for the month when the family moves out. Before commencement of homeownership assistance, the family must execute a statement of family obligations in the form prescribed by HUD. In the statement, the family agrees to comply with all family obligations under the homeownership option.

The family must comply with the following obligations.

1. Ongoing counseling: To the extent required by the HACCC, the family must attend and complete ongoing homeownership and housing counseling.
2. Compliance with mortgage: The family must comply with the terms of any mortgage securing debt incurred to purchase the home (or any refinancing of such debt).
3. Prohibition against conveyance or transfer of home:
  - a. So long as the family is receiving homeownership assistance, use and occupancy of the home is subject to 982.551(h) and (i).
  - b. The family may grant a mortgage on the home for debt incurred to finance purchase of the home or any refinancing of such debt.
  - c. Upon death of a family member who holds, in whole or in part, title to the home or ownership of cooperative membership shares for the home, homeownership assistance may continue pending settlement of the decedent's estate, notwithstanding transfer of title by operation of law to the decedent's executor or legal representative, so long as the home is solely occupied by remaining family members in accordance with 982.551(h).
2. Supplying required information: The family must supply required information to the HACCC in accordance with 982.551(b). In addition to other required information, the family must supply any information as required by the HACCC

- or HUD concerning any mortgage or other debt incurred to purchase the home, and any refinancing of such debt (including information needed to determine whether the family has defaulted on the debt, and the nature of any such default), information on any satisfaction or payment of the mortgage debt; information on any sale or other transfer of any interest in the home and information on the family's homeownership expenses.
3. Notice of move-out: The family must notify the HACCC before the family moves out of the home.
  4. Notice of mortgage default: The family must notify the HACCC if the family defaults on a mortgage securing any debt incurred to purchase the home.
  5. Prohibition on ownership interest on second residence: During the time the family receives homeownership assistance, no family member may have any ownership interest in any other residential property.
  6. Other family obligations: The family must comply with the obligations of a participant family described in 982.551. However, the following provisions do not apply to assistance under the homeownership option; 982.551(c), (d), (e), (f), (g) and (j).
  7. The HACCC may establish additional requirements for continuation of homeownership assistance for the family. The family must comply with any such requirements.

### **Additional HACCC requirements**

Before commencement of homeownership assistance, the family must execute the HACCC Statement of Family Obligations which details the additional HACCC HCV Homeownership Program obligations. In the statement, the family agrees to comply with the additional HACCC requirements under the homeownership option.

The family must comply with the following additional obligations;

### **Continuous Employment Obligations**

- The applicant head of household, co-head or spouse must remain continuously employed (no less than 30 hours per week) while participating in the program.
- Part-time employment by both parties, totaling over 30 hours per week, does not constitute full-time employment by either party.

For continued eligibility purposes, continuous employment is defined as full time employment (average of 30 hours per week) with no gap in employment lasting more than four weeks total (30 hours x 48 weeks = 1,440 hours).

The employment requirement is not applicable to elderly families or those whose head or co-head of household, spouse or sole member experience permanent disability.

## **Mitigating Circumstances**

If a working family is subsequently determined by HACCC to now qualify as a “disabled family,” as defined by HUD, the full-time employment requirement is no longer applicable to that family.

HACCC will consider mitigating circumstances where certain lapses in employment prohibit the family from meeting its continuous employment obligation. These include receipt of Unemployment Insurance Benefits due to layoff; absences defined under the Family Medical Leave Act; receipt of Workman’s Compensation benefits.

HACCC will allow week-for-week substitutions whenever any of these benefits are received.

The participant must return to full-time employment within 30 days after exhaustion of unemployment benefits. Failure to return to full-time employment (30 hours per week) within 30 days will generate a 30-day *Notice to Correct*. Failure to correct will result in a correctable 30-day *Notice of Termination*.

A participant who is employed but is on leave from work due to maternity leave, FMLA or is receiving Workman’s Compensation, is exempt from the full-time employment requirement during the period of approved leave from work. A participant must return to full-time employment within 30 days after exhaustion of applicable benefits. Willful failure to return to full-time employment (30 hours per week), after 30 days, will generate a 30-day *Notice to Correct*. Failure to correct will result in a correctable 30-day *Notice of Termination*.

Consideration of other mitigating circumstances is at the discretion of a local Area Coordinator recommendation to the HCV Program Administrator. The Program Administrator will review any additional mitigating circumstances that prevent a participant’s return to full-time employment within the time frames allotted. Determinations of the review are made on a case-by-case basis. The decisions are subject to final approval by the Director.

## **Prohibition Against Conveyance or Transfer of The Home**

So long as the family is receiving homeownership assistance, they may not sell, convey or transfer any interest in the home to any entity or person other than a member of the assisted family residing in the home. If the family chooses to sell the home to another family member, they must inform HACCC of their intent prior to the sale, and receive written consent from HACCC before commencing with any sale, refinance or transfer of interest. The family is required to provide HACCC with applicable documentation related to any sale, refinance, or transfer.

Upon the death of a family member who holds, in whole or in part, title to the home or ownership of cooperative membership shares for the home, homeownership assistance may continue pending settlement of the decedent’s estate, notwithstanding transfer of the title by operation of the law to the decedent’s executor or legal representative, so long as the home is solely occupied by remaining family members. The family is required to inform the HACCC of the decedent’s death within fourteen (14) days if its occurrence.

### **Annual Recertification**

The family must complete Annual Reexaminations in accordance with Chapter 11 Part 1, of this Administrative Policy (Chapter 11 Part 1, Annual Reexaminations [24 CFR 982.516]) During each annual re-certification, the family is required to document that it is current on mortgage, insurance and utility payments.

### **Notice of Move-Out and Mortgage Default**

The family must notify HACCC of its intent to move out of the home by supplying HACCC with an advanced written thirty-day notice.

The family will notify HACCC in advance if any family member who owns, in whole or in part, any ownership interest in the home moves out.

### **Changes in Family Income or Household Composition**

The Family must inform HACCC of any changes in the sources and amounts of family income and notify HACCC of any changes in the family composition in accordance with Chapter 11, Part II of this Administrative Policy (Chapter 11 Part 2, Interim Reexaminations [24 CFR 982.516])

### **Refinancing**

The family must obtain written approval from the HACCC before securing any refinance or equity loan.

During the time the family receives homeownership assistance, no family member may have any ownership interest in any other residential property.

### **Other Continued Family Obligations**

The family must;

1. Sign a release allowing HACCC, counselors, realtors, and participating lenders to exchange information on the borrower.
2. Agree to maintain the condition of the home to comply with minimum HUD Housing Quality Standards (HQS).
3. Acknowledge that the termination of assistance shall be in accordance with program requirements and the Administrative Plan.
4. Acknowledge that the family is obligated for the whole mortgage payment in the event of termination of assistance.
5. Not sublease or assign the property.

### **15-VII.J. MAXIMUM TERM OF HOMEOWNER ASSISTANCE [24 CFR 982.634]**

Except in the case of a family that qualifies as an elderly or disabled family, other family members (described below) shall not receive homeownership assistance for more than:

- Fifteen years, if the initial mortgage incurred to finance purchase of the home has a term of 20 years or longer; or
- Ten years, in all other cases.

The maximum term described above applies to any member of the family who:

- Has an ownership interest in the unit during the time that homeownership payments are made; or
- Is the spouse of any member of the household who has an ownership interest in the unit during the time homeownership payments are made.

**The maximum term of assistance does not apply to elderly or disabled families.**

In the case of an elderly family, the exception only applies if the family qualifies as an elderly family at the start of homeownership assistance. In the case of a disabled family, the exception applies if at any time during receipt of homeownership assistance the family qualifies as a disabled family.

If, during the course of homeownership assistance, the family ceases to qualify as a disabled or elderly family, the maximum term becomes applicable from the date homeownership assistance commenced. However, such a family must be provided at least 6 months of homeownership assistance after the maximum term becomes applicable (provided the family is otherwise eligible to receive homeownership assistance).

If the family has received such assistance for different homes, or from different HACCCs, the total of such assistance terms is subject to the maximum term described in this part.

**15-VII.K. HOMEOWNERSHIP ASSISTANCE PAYMENTS AND HOMEOWNERSHIP EXPENSES [24 CFR 982.635]**

The monthly homeownership assistance payment is the lower of: the voucher payment standard minus the total tenant payment, or the monthly homeownership expenses minus the total tenant payment.

At the commencement of homeownership assistance the payment standard for a family is the lower of either the payment standard for the family unit size or the payment standard for the size of the home. If the home is located in an exception payment standard area, HACCC must use the appropriate payment standard for the exception payment standard area.

At reexamination of income the payment standard for a family is the greater of either the payment standard at the commencement of homeownership assistance for occupancy of the home or the payment standard at the most recent regular reexamination of family income and composition since the commencement of homeownership assistance for occupancy of the home.

In determining the amount of the homeownership assistance payment, HACCC will use the same payment standard schedule, payment standard amounts, and subsidy standards as those described in elsewhere in this plan for the Housing Choice Voucher program.

HACCC may pay the homeownership assistance payments directly to the family, or at HACCC's discretion, to a lender on behalf of the family. If the assistance payment exceeds the amount due to the lender, HACCC must pay the excess directly to the family.

Homeownership assistance for a family terminates automatically 180 calendar days after the last homeownership assistance payment on behalf of the family. However, a HACCC may grant relief from this requirement in those cases where automatic termination would result in extreme hardship for the family.

HACCC must adopt policies for determining the amount of homeownership expenses to be allowed by HACCC in accordance with HUD requirements.

Homeownership expenses (not including cooperatives) only include amounts allowed by HACCC to cover:

- Principal and interest on initial mortgage debt, any refinancing of such debt, and any mortgage insurance premium incurred to finance purchase of the home;
- Real estate taxes and public assessments on the home;
- Home insurance;
- HACCC allowance for maintenance expenses;
- HACCC allowance for costs of major repairs and replacements;
- HACCC utility allowance for the home;
- Principal and interest on mortgage debt incurred to finance costs for major repairs, replacements or improvements for the home. If a member of the family is a person with disabilities, such debt may include debt incurred by the family to finance costs needed to make the home accessible for such person, if HACCC determines that allowance of such costs as homeownership expenses is needed as a reasonable accommodation so that the homeownership option is readily accessible to and usable by such person;
- Land lease payments where a family does not own fee title to the real property on which the home is located; [see 24 CFR 982.628(b)].
- For a condominium unit, condominium operating charges or maintenance fees assessed by the condominium homeowner association.

Homeownership expenses for a cooperative member may only include amounts allowed by HACCC to cover:

- The cooperative charge under the cooperative occupancy agreement including payment for real estate taxes and public assessments on the home;

- Principal and interest on initial debt incurred to finance purchase of cooperative membership shares and any refinancing of such debt;
- Home insurance;
- HACCC allowance for maintenance expenses;
- HACCC allowance for costs of major repairs and replacements;
- HACCC utility allowance for the home; and
- Principal and interest on debt incurred to finance major repairs, replacements or improvements for the home. If a member of the family is a person with disabilities, such debt may include debt incurred by the family to finance costs needed to make the home accessible for such person, if HACCC determines that allowance of such costs as homeownership expenses is needed as a reasonable accommodation so that the homeownership option is readily accessible to and usable by such person.
- Cooperative operating charges or maintenance fees assessed by the cooperative homeowner association.

#### **15-VII.L. PORTABILITY [24 CFR 982.636, 982.637, 982.353(b) and (c), 982.552, 982.553]**

Subject to the restrictions on portability included in HUD regulations and HACCC policies, a family may exercise portability if the receiving PHA is administering a voucher homeownership program and accepting new homeownership families. The receiving PHA may absorb the family into its voucher program, or bill the initial PHA.

The family must attend the briefing and counseling sessions required by the receiving PHA. The receiving PHA will determine whether the financing for, and the physical condition of the unit, are acceptable. The receiving PHA must promptly notify HACCC if the family has purchased an eligible unit under the program, or if the family is unable to purchase a home within the maximum time established by PHA.

#### **15-VII.M. MOVING WITH CONTINUED ASSISTANCE [24 CFR 982.637]**

A family receiving homeownership assistance may move with continued tenant-based assistance. The family may move with voucher rental assistance or with voucher homeownership assistance. Continued tenant-based assistance for a new unit cannot begin so long as any family member holds title to the prior home.

HACCC may deny permission to move to a new unit with continued voucher assistance as follows:

- Lack of funding to provide continued assistance.
- At any time, HACCC may deny permission to move with continued rental or homeownership assistance in accordance with 24 CFR 982.638, regarding denial or termination of assistance.

- In accordance with HACCC’s policy regarding number of moves within a 12-month period.

HACCC must deny the family permission to move to a new unit with continued voucher rental assistance if:

- The family defaulted on an FHA-insured mortgage; and

The family fails to demonstrate that the family has conveyed, or will convey, title to the home, as required by HUD, to HUD or HUD’s designee; and the family has moved, or will move, from the home within the period established or approved by HUD.

#### **15-VII.N. DENIAL OR TERMINATION OF ASSISTANCE [24 CFR 982.638]**

At any time, HACCC may deny or terminate homeownership assistance in accordance with HCV program requirements in 24 CFR 982.552 (Grounds for denial or termination of assistance) or 24 CFR 982.553 (Crime by family members).

HACCC may also deny or terminate assistance for violation of family obligations described in 24 CFR Parts 982.551 or 982.633.

HACCC must terminate voucher homeownership assistance for any member of family receiving homeownership assistance that is dispossessed from the home pursuant to a judgment or order of foreclosure on any mortgage (whether FHA insured or non-FHA) securing debt incurred to purchase the home, or any refinancing of such debt.

#### **15-VII.O. INFORMAL HEARING [24 CFR 982.555]**

An informal hearing will be provided for participants who are being terminated from the Program because of the family's action or failure to act as provided in 24 CFR 982.552. The rules and procedures regarding Informal Hearings set forth in the Administrative Plan, will apply.

#### **15-VII.P. SWITCHING FROM HOA TO RENTAL ASSISTANCE:**

The HACCC may allow a family to switch from the homeownership assistance program to the Section 8 Housing Choice Voucher Rental Assistance Program. The family must meet the following criteria for determination of transfer:

- a. The family has not defaulted on a loan with the homeownership assistance program
- b. The family has met all of its obligations while participating in the homeownership assistance program.
- c. The family vacates the home and conveys the title to the appropriate designee or representative. The family must sign a Conveyance Acknowledgement Notice, indicating the requirement to completely transfer and convey the property, and failure to do so will result in termination of their rental assistance if such assistance has commenced.

If the family is approved for transfer from the homeownership assistance program to rental assistance, HACCC will issue the family a rental voucher, and the family will complete the normal voucher home search process. During the period in which the family is searching for a rental unit, and, if no mortgage default has occurred, HACCC will continue to provide the family with homeownership assistance.

If the family fails to transfer or convey the property, HACCC will not provide the family with rental assistance. If a rental assistance lease has commenced, HACCC will terminate the family's Section 8 Voucher and rental assistance payments.

A family member who owns an interest in the home cannot split and receive both homeownership assistance and rental assistance concurrently. Other family members must apply to the Section 8 wait list.

### **15-VII.Q. RECAPTURE**

#### HACCC Policy

By regulation, HACCC cannot recapture any of the HCV Homeownership assistance, unless there is an act of fraud or misrepresentation of a material fact. The HCV Homeownership recapture provision does not apply to any other program funds that may be used in the transaction.

## CHAPTER 16

### PROGRAM ADMINISTRATION

#### INTRODUCTION

This chapter discusses administrative policies and practices that are relevant to the activities covered in this plan. The policies are discussed in seven parts as described below:

Part I: Administrative Fee Reserve. This part describes HACCC's policies with regard to oversight of expenditures from its administrative fee reserve.

Part II: Setting Program Standards and Schedules. This part describes what payment standards are, and how they are updated, as well as how utility allowances are established and revised.

Part III: Informal Reviews and Hearings. This part outlines the requirements and procedures for informal reviews and hearings, and for informal hearings regarding citizenship status.

Part IV: Owner or Family Debts to HACCC. This part describes policies for recovery of monies that HACCC has overpaid on behalf of families, or to owners, and describes the circumstances under which HACCC will offer repayment agreements to owners and families. Also discussed are the consequences for failure to make payments in accordance with a repayment agreement.

Part V: Section 8 Management Assessment Program (SEMAP). This part describes what the SEMAP scores represent, how they are established, and how those scores affect a PHA.

Part VI: Record-Keeping. All aspects of the program involve certain types of record-keeping. This part outlines the privacy rights of applicants and participants and record retention policies HACCC will follow.

Part VII: Reporting and Record Keeping for Children with Environmental Intervention Blood Lead Level. This part describes HACCC's responsibilities for reporting, data collection, and record keeping relative to children with environmental intervention blood lead levels that are less than six years of age, and are receiving HCV assistance.

Part VIII: Determination of Insufficient Funding. This part describes HACCC's policies for determining if there is sufficient funding to issue vouchers, to approve moves to higher cost units or areas, and to continue assistance for all participant families.

Part IX: Violence against Women Act (VAWA): Notification, Documentation, Confidentiality. This part contains key terms used in VAWA and describes requirements related to notifying families and owners about their rights and responsibilities under VAWA; requesting documentation from victims of domestic violence, dating violence, sexual assault and stalking; and maintaining the confidentiality of information obtained from victims.

## **PART I: ADMINISTRATIVE FEE RESERVE [24 CFR 982.155]**

HACCC will maintain administrative fee reserves, or unrestricted net position (UNP) for the program to pay program administrative expenses in excess of administrative fees paid by HUD for a PHA fiscal year. HUD appropriations acts beginning with FFY 2004 have specified that administrative fee funding may be used only for activities related to the provision of HCV assistance, including related development activities. Notice PIH 2012-9 cites two examples of related development activities: unit modification for accessibility purposes and development of project-based voucher units. The notice makes clear that other activities may also qualify as related development activities. Administrative fees that remain in the UNP account from funding provided prior to 2004 may be used for “other housing purposes permitted by state and local law,” in accordance with 24 CFR 982.155(b)(1).

If a PHA has not adequately administered its HCV program, HUD may prohibit use of funds in the UNP Account and may direct HACCC to use funds in that account to improve administration of the program, for HCV HAP expenses, or to reimburse ineligible expenses in accordance with the regulation at 24 CFR 982.155(b)(3).

HUD requires HACCC Board of Commissioners or other authorized officials to establish the maximum amount that may be charged against the UNP account without specific approval.

### HACCC Policy

Expenditures from the UNP account will be made in accordance with all applicable federal requirements. Expenditures will not exceed \$10,000 per occurrence without the prior approval of HACCC’s Board of Commissioners.

## **PART II: SETTING PROGRAM STANDARDS AND SCHEDULES**

### **16-II.A. OVERVIEW**

Although many of the program's requirements are established centrally by HUD, the HCV program's regulations recognize that some flexibility is required to allow HACCC to adapt the program to local conditions. This part discusses how HACCC establishes and updates certain schedules and standards that are used to administer the program locally. Details about how these schedules are applied to individual families are provided in other chapters. The schedules and standards discussed here include:

- *Payment Standards*, which dictate the maximum subsidy a family can receive (application of the payment standards is discussed in Chapter 6); and
- *Utility Allowances*, which specify how a family's payment should be adjusted to account for tenant-paid utilities (application of utility allowances is discussed in Chapter 6).

#### HACCC Policy

Copies of the payment standard and utility allowance schedules are available for review in HACCC's offices during normal business hours.

Families, owners, and members of the public may submit written comments on the schedules discussed in this part, at any time, for consideration during the next revision cycle.

HACCC will maintain documentation to support its annual review of payment standards and utility allowance schedules. This documentation will be retained for at least 3 years.

Establishing and updating the HACCC passbook rate, which is used to calculate imputed income from assets, is covered in Chapter 6 (see Section 6-I.G.).

### **16-II.B. PAYMENT STANDARDS [24 CFR 982.503; HCV GB, Chapter 7]**

The payment standard sets the maximum subsidy payment a family can receive from HACCC each month [24 CFR 982.505(a)]. Payment standards are based on fair market rents (FMRs) published annually by HUD. FMRs are set at a percentile within the rent distribution of standard quality rental housing units in each FMR area. For most jurisdictions FMRs are set at the 40th percentile of rents in the market area.

HACCC must establish a payment standard schedule that establishes payment standard amounts for each FMR area within HACCC's jurisdiction, and for each unit size within each of the FMR areas. For each unit size, HACCC may establish a single payment standard amount for the whole FMR area, or may set different payment standards for different parts of the FMR area. Unless HUD grants an exception, HACCC is required to establish a payment standard within a "basic range" established by HUD – between 90 and 110 percent of the published FMR for each unit size.

#### **Updating Payment Standards**

When HUD updates its FMRs, HACCC must update its payment standards if the standards are no longer within the basic range [24 CFR 982.503(b)]. HUD may require HACCC to make

further adjustments if it determines that rent burdens for assisted families in HACCC's jurisdiction are unacceptably high [24 CFR 982.503(g)].

### HACCC Policy

HACCC will review the appropriateness of the payment standards on an annual basis when the new FMR is published, and at other times as determined necessary. In addition to ensuring the payment standards are always within the "basic range" HACCC will consider the following factors when determining whether an adjustment should be made to the payment standard schedule:

**Funding Availability:** HACCC will review the budget to determine the impact projected subsidy adjustments will have on funding available for the program and the number of families served. HACCC will compare the number of families who could be served under revised payment standard amounts with the number assisted under current payment standard amounts.

**Rent Burden of Participating Families:** Rent burden will be determined by identifying the percentage of families, for each unit size, that are paying more than 30 percent of their monthly adjusted income as the family share. When 40 percent or more of families, for any given unit size, are paying more than 30 percent of adjusted monthly income as the family share, HACCC will consider increasing the payment standard. In evaluating rent burdens, HACCC will not include families renting a larger unit than their family unit size.

**Quality of Units Selected:** HACCC will review the quality of units selected by participant families when making the determination of the percent of income families are paying for housing, to ensure that payment standard increases are only made when needed to reach the mid-range of the market.

**Changes in Rent to Owner:** HACCC may review a sample of the units to determine how often owners are increasing or decreasing rents and the average percent of increases/decreases by bedroom size.

**Unit Availability:** HACCC will review the availability of units for each unit size, particularly in areas with low concentrations of poor and minority families.

**Lease-up Time and Success Rate:** HACCC will consider the percentage of families that are unable to locate suitable housing before the voucher expires and whether families are leaving the jurisdiction to find affordable housing.

Changes to payment standard amounts will be effective on January 1<sup>st</sup> of every year, or within three months of the FMR effective date, whichever is earlier. In no event will Payment Standards be effective less than 90 days/3 months from the HUD published effective date of the FMR. The effective date is applicable both to HUD-required revisions and to discretionary revisions.

For all other transaction, the pre-adjusted higher payment standard will remain in place as long as the family continues to reside in the same unit they were living in when the FMR was reduced.

### **Exception Payment Standards [982.503(c)]**

HACCC must request HUD approval to establish payment standards that are higher than the basic range. At HUD's sole discretion, HUD may approve a payment standard amount that is higher than the basic range for a designated part of the FMR area. HUD may approve an exception payment standard amount (in accordance with program requirements) for all units, or for all units of a given size, leased by program families in the exception area. Any PHA with jurisdiction in the exception area may use the HUD-approved exception payment standard amount. The total population of all HUD-approved exception areas in an FMR area may not include more than 50 percent of the population of the FMR area.

### **Unit-by-Unit Exceptions [24 CFR 982.503(b), 24 CFR 982.505(d), Notice PIH 2010-26]**

Unit-by-unit exceptions to HACCC's payment standards generally are not permitted. However, an exception may be made as a reasonable accommodation for a family that includes a person with disabilities. (See Chapter 2 for a discussion of reasonable accommodations.) This type of exception does not affect HACCC's payment standard schedule.

When needed as a reasonable accommodation, HACCC may make an exception to the payment standard without HUD approval if the exception amount does not exceed 120 percent of the applicable FMR for the unit size [24 CFR 982.503(b)]. HACCC may request HUD approval for an exception to the payment standard for a particular family if the required amount exceeds 120 percent of the FMR.

#### HACCC Policy

A family that requires a reasonable accommodation may request a higher payment standard at the time the Request for Tenancy Approval (RFTA) is submitted. The family must document the need for the exception. In order to approve an exception, or request an exception from HUD, HACCC must determine that:

There is a shortage of affordable units that would be appropriate for the family;

The family's TTP would otherwise exceed 40 percent of adjusted monthly income; and

The rent for the unit is reasonable.

### **"Success Rate" Payment Standard Amounts [24 CFR 982.503(e)]**

If a substantial percentage of families have difficulty finding a suitable unit, HACCC may request a "success rate payment standard" that applies to the entire jurisdiction. If approved by HUD, a success rate payment standard allows HACCC to set its payment standards at 90-110 percent of a higher FMR (the 50<sup>th</sup>, rather than the 40<sup>th</sup> percentile FMR). To support the request, HACCC must demonstrate that during the most recent 6-month period for which information is available:

- Fewer than 75 percent of families who were issued vouchers became participants;
- HACCC had established payment standards for all unit sizes, and for the entire jurisdiction, at 110 percent of the published FMR; and

- HACCC had a policy of allowing voucher holders who made sustained efforts to locate units at least 90 days to search for a unit.

Although HUD approves the success rate payment standard for all unit sizes in the FMR area, HACCC may choose to adjust the payment standard for only some unit sizes in all, or a designated part, of HACCC's jurisdiction within the FMR area.

### **Decreases in the Payment Standard below the Basic Range [24 CFR 982.503(d)]**

HACCC must request HUD approval to establish a payment standard amount that is lower than the basic range. At HUD's sole discretion, HUD may approve establishment of a payment standard lower than the basic range. HUD will not approve a lower payment standard if the family share for more than 40 percent of program participants exceeds 30 percent of adjusted monthly income.

### **16-II.C. UTILITY ALLOWANCES [24 CFR 982.517]**

A PHA-established utility allowance schedule is used in determining family share and PHA subsidy. HACCC must maintain a utility allowance schedule for (1) all tenant-paid utilities, (2) the cost of tenant-supplied refrigerators and ranges, and (3) other tenant-paid housing services such as trash collection.

HACCC shall maintain four separate schedules for determining utility allowances. These allowance schedules are as follows: Single Family Dwellings - no shared walls, Duplex/Townhouse/Row House - one or more shared walls, Apartments - 3 or more units in a building and Manufactured Homes.

The utility allowance schedule must be determined based on the typical cost of utilities and services paid by energy-conservative households that occupy housing of similar size and type in the same locality. In developing the schedule, HACCC must use normal patterns of consumption for the community as a whole, and current utility rates.

The utility allowance must include the utilities and services that are necessary in the locality to provide housing that complies with housing quality standards. Costs for telephone, cable/satellite television, and internet services are not included in the utility allowance schedule.

In the utility allowance schedule, HACCC must classify utilities and other housing services according to the following general categories: space heating; air conditioning; cooking; water heating; water; sewer; trash collection; other electric; cost of tenant-supplied refrigerator; cost of tenant-supplied range; and other specified housing services.

The cost of each utility and housing service must be stated separately by unit size and type. Chapter 18 of the *HCV Guidebook* provides detailed guidance to HACCC about establishing utility allowance schedules.

### **Air Conditioning**

An allowance for air-conditioning must be provided when the majority of housing units in the market have central air-conditioning or are wired for tenant-installed air conditioners.

#### HACCC Policy

HACCC has included an allowance for air-conditioning in its schedule. Central air-conditioning or a portable air conditioner must be present in a unit before HACCC will apply this allowance to a family's rent and subsidy calculations.

### **Reasonable Accommodation**

HCV program regulations require a PHA to approve a utility allowance amount higher than shown on HACCC's schedule if a higher allowance is needed as a reasonable accommodation for a family member with a disability. For example, if a family member with a disability requires such an accommodation, HACCC will approve an allowance for air-conditioning, even if HACCC has determined that an allowance for air-conditioning generally is not needed (See Chapter 2 for policies regarding the request and approval of reasonable accommodations). In the cases where the unit size leased exceeds the family voucher size, as a reasonable accommodation, HACCC may approve a utility allowance for the actual size of the unit leased.

### **Utility Allowance Revisions**

HACCC must review its schedule of utility allowances each year, and must revise the schedule if there has been a change of 10 percent or more in any utility rate since the last time the allowance for that utility was revised.

HACCC must maintain information supporting its annual review of utility allowance and any revisions made in its utility allowance schedule.

### **HACCC Policy**

In an effort to accurately reflect changing rates, new schedules may be adopted each year as needed. Based on the analysis completed or provided, if there are no significant rate changes as defined in the HUD thresholds for compliance, HACCC will leave the existing schedule in effect.

Changes to utility allowance schedules will be effective 90 days in advance of the approved & adopted new schedules. The UA Schedule will apply to initial & recertification actions as of the effective date of the new schedule. If HACCC has already processed reexaminations that will be effective on or after the effective date of the new utility allowance schedules, HACCC will make retroactive adjustments to any such reexaminations if the new utility allowance schedule is higher than the one used by HACCC at the time the reexamination was originally processed. If the utility allowance is lower than the one used by HACCC at the time of the reexamination, an Interim Reexam will be completed to ensure the tenant receives 30-day notice of the increase in tenant rent portion.

New rates may not necessarily be equal to the percent of rate changes, and that the ramifications on lease-up and HAP utilization may be considered when determining the new rates.

## **PART III: INFORMAL REVIEWS AND HEARINGS**

### **16-III.A. OVERVIEW**

Both applicants and participants have the right to disagree with, and appeal, certain decisions of HACCC that may adversely affect them. PHA decisions that may be appealed by applicants and participants are discussed in this section.

The process for applicant appeals of PHA decisions is called the “informal review.” For participants (or applicants denied admission because of citizenship issues), the appeal process is called an “informal hearing.” PHAs are required to include informal review procedures for applicants and informal hearing procedures for participants in their administrative plans [24 CFR 982.54(d)(12) and (13)].

### **16-III.B. INFORMAL REVIEWS**

Informal reviews are provided for program applicants. An applicant is someone who has applied for admission to the program, but is not yet a participant in the program. Informal reviews are intended to provide a “minimum hearing requirement” [24 CFR 982.554], and need not be as elaborate as the informal hearing requirements [*Federal Register* 60, no. 127 (3 July 1995): 34690].

#### **Decisions Subject to Informal Review**

HACCC must give an applicant the opportunity for an informal review of a decision denying assistance [24 CFR 982.554(a)]. Denial of assistance may include any or all of the following [24 CFR 982.552(a)(2)]:

- Denying listing on HACCC waiting list
- Denying or withdrawing a voucher
- Refusing to enter into a HAP contract or approve a lease
- Refusing to process or provide assistance under portability procedures

Informal reviews are *not* required for the following reasons [24 CFR 982.554(c)]:

- Discretionary administrative determinations by HACCC
- General policy issues or class grievances
- A determination of the family unit size under HACCC subsidy standards
- A PHA determination not to approve an extension or suspension of a voucher term
- A PHA determination not to grant approval of the tenancy
- A PHA determination that the unit is not in compliance with the HQS
- A PHA determination that the unit is not in accordance with the HQS due to family size or composition
- Any reasons determined by HUD for RAD conversions

## HACCC Policy

HACCC will only offer an informal review to applicants for whom assistance is being denied. Denial of assistance includes: denying listing on the HACCC waiting list; denying or withdrawing a voucher; refusing to enter into a HAP contract or approve a lease; refusing to process or provide assistance under portability procedures.

Pursuant to requirements in the RAD Statute, HUD is establishing additional procedural rights to comply with section 6 of the Act. For issues related to tenancy and termination of assistance, PBV program rules require the Project Owner to provide an opportunity for an informal hearing, as outlined in 24 CFR § 982.555. RAD will specify alternative requirements for 24 CFR § 982.555(b) in part, which outlines when informal hearings are not required, to require that:

- a. In addition to reasons that require an opportunity for an informal hearing given in 24 CFR § 982.555(a)(1)(i)-(vi), an opportunity for an informal hearing must be given to residents for any dispute that a resident may have with respect to a Project Owner action in accordance with the individual's lease or the contract administrator in accordance with RAD PBV requirements that adversely affect the resident's rights, obligations, welfare, or status.
  - i. For any hearing required under 24 CFR § 982.555(a)(1)(i)-(vi), the contract administrator will perform the hearing, as is the current standard in the program. The hearing officer must be selected in accordance with 24 CFR § 982.555(e)(4)(i).
  - ii. For any additional hearings required under RAD, the Project Owner will perform the hearing.
- b. There is no right to an informal hearing for class grievances or to disputes between residents not involving the Project Owner or contract administrator.
- c. The Project Owner gives residents notice of their ability to request an informal hearing as outlined in 24 CFR § 982.555(c)(1) for informal hearings that will address circumstances that fall outside of the scope of 24 CFR § 982.555(a)(1)(i)-(vi).
- d. The Project Owner provides opportunity for an informal hearing before an

### **Notice to the Applicant [24 CFR 982.554(a)]**

HACCC must give an applicant prompt notice of a decision denying assistance. The notice must contain a brief statement of the reasons for HACCC decision, and must also state that the applicant may request an informal review of the decision. The notice must describe how to obtain the informal review.

### **Scheduling an Informal Review**

#### HACCC Policy

A request for an informal review must be made in writing and delivered to HACCC either in person or by first class mail, by the close of the business day, no later than 14 calendar days from the date of HACCC's denial of assistance.

HACCC must schedule and send written notice of the informal review within 14 calendar14 calendar days of the family's request.

### **Informal Review Procedures [24 CFR 982.554(b)]**

The informal review must be conducted by a person other than the one who made or approved the decision under review, or a subordinate of this person.

The applicant must be provided an opportunity to present written or oral objections to the decision of HACCC.

### **Informal Review Decision [24 CFR 982.554(b)]**

HACCC must notify the applicant of HACCC's final decision, including a brief statement of the reasons for the final decision.

#### HACCC Policy

In rendering a decision, HACCC will evaluate the following matters:

Whether or not the grounds for denial were stated factually in the notice to the family.

The validity of the grounds for denial of assistance. If the grounds for denial are not specified in the regulations, then the decision to deny assistance will be overturned.

The validity of the evidence. HACCC will evaluate whether the facts presented prove the grounds for denial of assistance. If the facts prove that there are grounds for denial, and the denial is required by HUD, HACCC will uphold the decision to deny assistance.

If the facts prove the grounds for denial, and the denial is discretionary, HACCC will consider the recommendation of the person conducting the informal review in making the final decision whether to deny assistance.

HACCC will notify the applicant of the final decision, including a statement explaining the reason(s) for the decision. The notice will be mailed within 14 calendar14 calendar days of the informal review, to the applicant and his or her representative, if any, along with proof of mailing.

If the decision to deny is overturned as a result of the informal review, processing for admission will resume.

If the family fails to appear for their informal review, the denial of admission will stand and the family will be so notified.

### **16-III.C. INFORMAL HEARINGS FOR PARTICIPANTS [24 CFR 982.555]**

PHAs must offer an informal hearing for certain PHA determinations relating to the individual circumstances of a participant family. A participant is defined as a family that has been admitted to HACCC's HCV program and is currently assisted in the program. The purpose of the informal hearing is to consider whether HACCC's decisions related to the family's circumstances are in accordance with the law, HUD regulations and PHA policies.

HACCC is not permitted to terminate a family's assistance until the time allowed for the family to request an informal hearing has elapsed, and any requested hearing has been completed. Termination of assistance for a participant may include any or all of the following:

- Refusing to enter into a HAP contract or approve a lease
- Terminating housing assistance payments under an outstanding HAP contract
- Refusing to process or provide assistance under portability procedures

### **Decisions Subject to Informal Hearing**

Circumstances for which HACCC must give a participant family an opportunity for an informal hearing are as follows:

- A determination of the family's annual or adjusted income, and the use of such income to compute the housing assistance payment
- A determination of the appropriate utility allowance (if any) for tenant-paid utilities from HACCC utility allowance schedule
- A determination of the family unit size under HACCC's subsidy standards
- A determination to terminate assistance for a participant family because of the family's actions or failure to act
- A determination to terminate assistance because the participant has been absent from the assisted unit for longer than the maximum period permitted under HACCC Policy and HUD rules
- A determination to terminate a family's Family Self Sufficiency contract, withhold supportive services, or propose forfeiture of the family's escrow account [24 CFR 984.303(i)]

Circumstances for which an informal hearing is not required are as follows:

- Discretionary administrative determinations by HACCC
- General policy issues or class grievances
- Establishment of HACCC schedule of utility allowances for families in the program
- A PHA determination not to approve an extension or suspension of a voucher term
- A PHA determination not to approve a unit or tenancy
- A PHA determination that a unit selected by the applicant is not in compliance with the HQS
- A PHA determination that the unit is not in accordance with HQS because of family size
- A determination by HACCC to exercise or not to exercise any right or remedy against an owner under a HAP contract

#### HACCC Policy

HACCC will only offer participants the opportunity for an informal hearing when required to by the regulations.

## **Informal Hearing Procedures**

### ***Notice to the Family* [24 CFR 982.555(c)]**

When HACCC makes a decision that is subject to informal hearing procedures, HACCC must inform the family of its right to an informal hearing at the same time that it informs the family of the decision.

For decisions related to the family's annual or adjusted income, the determination of the appropriate utility allowance, and the determination of the family unit size, HACCC must notify the family that they may ask for an explanation of the basis of the determination, and that if they do not agree with the decision, they may request an informal hearing on the decision.

For decisions related to the termination of the family's assistance, or the denial of a family's request for an exception to HACCC's subsidy standards, the notice must contain a brief statement of the reasons for the decision, a statement that if the family does not agree with the decision, the family may request an informal hearing on the decision, and a statement of the deadline for the family to request an informal hearing.

#### HACCC Policy

In cases where HACCC makes a decision for which an informal hearing must be offered, the notice to the family will include all of the following:

The proposed action or decision of HACCC.

A brief statement of the reasons for the decision, including the regulatory reference.

The date the proposed action will take place.

A statement that the family may be represented by legal counsel or assisted by other trusted individuals, i.e., social workers.

A statement that file information is available for review upon 48 hours advance notice before the hearing.

A statement of the family's right to an explanation of the basis for HACCC's decision.

A deadline for the family to request the informal hearing.

To whom the hearing request should be addressed.

A copy of HACCC's hearing procedures.

### ***Scheduling an Informal Hearing* [24 CFR 982.555(d)]**

When an informal hearing is required, HACCC must proceed with the hearing in a reasonably expeditious manner upon the request of the family.

#### HACCC Policy

A request for an informal hearing must be made in writing and delivered to HACCC either in person or by first class mail, by the close of the business day, no later than 14 calendar days from the date of HACCC's decision or notice to terminate assistance.

HACCC must schedule and send written notice of the informal hearing to the family within 14 calendar days of the family's request.

The family may request to reschedule a hearing for good cause, or if it is needed as a reasonable accommodation for a person with disabilities. Good cause is defined as an unavoidable conflict which seriously affects the health, safety or welfare of the family. Requests to reschedule a hearing must be made orally or in writing prior to the hearing date. At its discretion, HACCC may request documentation of the "good cause" prior to rescheduling the hearing.

If the family does not appear within 20 minutes of the scheduled time, and was unable to reschedule the hearing in advance due to the nature of the conflict, the family must contact HACCC within 24 hours of the scheduled hearing date, excluding weekends and holidays. HACCC will reschedule the hearing only if the family can show good cause for the failure to appear, or if it is needed as a reasonable accommodation for a person with disabilities.

***Pre-Hearing Right to Discovery [24 CFR 982.555(e)]***

Participants and HACCC are permitted pre-hearing discovery rights. The family must be given the opportunity to examine before the hearing any PHA documents that are directly relevant to the hearing. The family must be allowed to copy any such documents at their own expense. If HACCC does not make the document available for examination on request of the family, HACCC may not rely on the document at the hearing.

HACCC hearing procedures may provide that HACCC must be given the opportunity to examine at HACCC offices before the hearing, any family documents that are directly relevant to the hearing. HACCC must be allowed to copy any such document at HACCC's expense. If the family does not make the document available for examination on request of HACCC, the family may not rely on the document at the hearing.

For the purpose of informal hearings, *documents* include records and regulations.

HACCC Policy

The family will be allowed to copy any documents related to the hearing at a cost of .15 per page. The family must request discovery of PHA documents no later than two full business days prior to the scheduled hearing date (e.g. if the hearing is on Thursday, then by close of business on Monday of the same week)

***Participant's Right to Bring Counsel [24 CFR 982.555(e)(3)]***

At its own expense, the family may be represented by a lawyer or other representative at the informal hearing.

***Informal Hearing Officer [24 CFR 982.555(e)(4)]***

Informal hearings will be conducted by a person or persons approved by HACCC, other than the person who made or approved the decision or a subordinate of the person who made or approved the decision.

HACCC Policy

HACCC has designated the following to serve as hearing officers:

- Manager or above from other departments in the government of the jurisdiction
- Manager or above from another Housing Authority
- Professional mediators or arbitrators
- Any other person who is otherwise qualified to serve

***Attendance at the Informal Hearing***

HACCC Policy

Hearings may be attended by a hearing officer and the following applicable persons:

A PHA representative(s) and any witnesses for HACCC

The participant and any witnesses for the participant

The participant's counsel or other representative

Any other person approved by HACCC as a reasonable accommodation for a person with a disability

### ***Conduct at Hearings***

The person who conducts the hearing may regulate the conduct of the hearing in accordance with HACCC's hearing procedures [24 CFR 982.555(4)(ii)].

#### HACCC Policy

The hearing officer is responsible to manage the order of business and to ensure that hearings are conducted in a professional and businesslike manner. Attendees are expected to comply with all hearing procedures established by the hearing officer and guidelines for conduct. Any person demonstrating disruptive, abusive or otherwise inappropriate behavior will be excused from the hearing at the discretion of the hearing officer.

### ***Evidence [24 CFR 982.555(e)(5)]***

HACCC and the family must be given the opportunity to present evidence and question any witnesses. In general, all evidence is admissible at an informal hearing. Evidence may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings.

#### HACCC Policy

Any evidence to be considered by the hearing officer must be presented at the time of the hearing. There are four categories of evidence.

**Oral evidence:** the testimony of witnesses

**Documentary evidence:** a writing which is relevant to the case, for example, a letter written to HACCC. Writings include all forms of recorded communication or representation, including letters, words, pictures, sounds, videotapes or symbols or combinations thereof.

**Demonstrative evidence:** Evidence created specifically for the hearing and presented as an illustrative aid to assist the hearing officer, such as a model, a chart or other diagram.

**Real evidence:** A tangible item relating directly to the case.

*Hearsay Evidence* is evidence of a statement that was made other than by a witness while testifying at the hearing and that is offered to prove the truth of the matter. Even though evidence, including hearsay, is generally admissible, hearsay evidence alone cannot be used as the sole basis for the hearing officer's decision.

If either HACCC or the family fail to comply with the discovery requirements described above, the hearing officer will refuse to admit such evidence.

Other than the failure of a party to comply with discovery, the hearing officer has the authority to overrule any objections to evidence.

### ***Hearing Officer's Decision [24 CFR 982.555(e)(6)]***

The person who conducts the hearing must issue a written decision, stating briefly the reasons for the decision. Factual determinations relating to the individual circumstances of the family must be based on a preponderance of evidence presented at the hearing. A copy of the hearing must be furnished promptly to the family.

#### HACCC Policy

In rendering a decision, the hearing officer will consider the following matters:

**PHA Notice to the Family:** The hearing officer will determine if the reasons for HACCC's decision are factually stated in the Notice.

**Discovery:** The hearing officer will determine if HACCC and the family were given the opportunity to examine any relevant documents in accordance with HACCC Policy.

**PHA Evidence to Support HACCC Decision:** The evidence consists of the facts presented. Evidence is not conclusion and it is not argument. The hearing officer will evaluate the facts to determine if they support HACCC's conclusion.

**Validity of Grounds for Termination of Assistance (when applicable):** The hearing officer will determine if the termination of assistance is for one of the grounds specified in the HUD regulations and PHA policies. If the grounds for termination are not specified in the regulations or in compliance with PHA policies, then the decision of HACCC will be overturned.

The hearing officer will issue a written decision to the family and HACCC no later than 14 calendar days after the hearing. The report will contain the following information:

#### **Hearing information:**

Name of the participant;

Date, time and place of the hearing;

Name of the hearing officer;

Name of HACCC representative; and

Name of family representative (if any).

**Background:** A brief, impartial statement of the reason for the hearing.

**Summary of the Evidence:** The hearing officer will summarize the testimony of each witness and identify any documents that a witness produced in support of his/her testimony and that are admitted into evidence.

**Findings of Fact:** The hearing officer will include all findings of fact, based on a preponderance of the evidence. *Preponderance of the evidence* is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not. Preponderance of the evidence

may not be determined by the number of witnesses, but by the greater weight of all evidence.

**Conclusions:** The hearing officer will render a conclusion derived from the facts that were found to be true by a preponderance of the evidence. The conclusion will result in a determination of whether these facts uphold HACCC's decision.

**Order:** The hearing report will include a statement of whether HACCC's decision is upheld or overturned. If it is overturned, the hearing officer will instruct HACCC to change the decision in accordance with the hearing officer's determination. In the case of termination of assistance, the hearing officer will instruct HACCC to restore the participant's program status.

### ***Procedures for Rehearing or Further Hearing***

#### HACCC Policy

The hearing officer may ask the family for additional information and/or might adjourn the hearing in order to reconvene at a later date, before reaching a decision. If the family misses an appointment or deadline ordered by the hearing officer, the action of HACCC will take effect and another hearing will not be granted.

In addition, within 15 business days after the date the hearing officer's report is mailed to HACCC and the participant, HACCC or the participant may request a rehearing or a further hearing. Such request must be made in writing and postmarked or hand-delivered to the Executive Director or their designee within the 15 business day period. The request must demonstrate cause, supported by specific references to the hearing officer's report, why the request should be granted.

A rehearing or a further hearing may be requested for the purpose of rectifying any obvious mistake of law made during the hearing or any obvious injustice not known at the time of the hearing.

It shall be within the sole discretion of HACCC to grant or deny the request for further hearing or rehearing. A further hearing may be limited to written submissions by the parties, in the manner specified by the Executive Director or their designee.

The decision of the Executive Director or their designee shall be final.

### **14 calendar days PHA Notice of Final Decision [24 CFR 982.555(f)]**

HACCC is not bound by the decision of the hearing officer for matters in which HACCC is not required to provide an opportunity for a hearing, decisions that exceed the authority of the hearing officer, decisions that conflict with or contradict HUD regulations, requirements, or are otherwise contrary to federal, state, or local laws.

If HACCC determines it is not bound by the hearing officer's decision in accordance with HUD regulations, HACCC must promptly notify the family of the determination and the reason for the determination.

### HACCC Policy

HACCC will mail a “Notice of Final Decision” including the hearing officer’s report to the participant and their representative. This notice will be sent by first-class mail, postage pre-paid, with an affidavit of mailing enclosed. The participant will be mailed the original “Notice of Final Decision” and a copy of the proof of mailing. A copy of the “Notice of Final Decision” along with the original proof of mailing will be maintained in HACCC’s file.

### **16-III.D. HEARING AND APPEAL PROVISIONS FOR NONCITIZENS [24 CFR 5.514]**

Denial or termination of assistance based on immigration status is subject to special hearing and notice rules. Applicants who are denied assistance due to immigration status are entitled to an informal hearing, not an informal review.

Assistance to a family may not be delayed, denied, or terminated on the basis of immigration status at any time prior to a decision under the United States Citizenship and Immigration Services (USCIS) appeal process. Assistance to a family may not be terminated or denied while HACCC hearing is pending, but assistance to an applicant may be delayed pending the completion of the informal hearing.

A decision against a family member, issued in accordance with the USCIS appeal process or HACCC informal hearing process, does not preclude the family from exercising the right, that may otherwise be available, to seek redress directly through judicial procedures.

#### **Notice of Denial or Termination of Assistance [24 CFR 5.514(d)]**

The notice of denial or termination of assistance for noncitizens must advise the family:

- That financial assistance will be denied or terminated, and provide a brief explanation of the reasons for the proposed denial or termination of assistance.
- The family may be eligible for proration of assistance.
- In the case of a participant, the criteria and procedures for obtaining relief under the provisions for preservation of families [24 CFR 5.514 and 5.518].
- That the family has a right to request an appeal to the USCIS of the results of secondary verification of immigration status and to submit additional documentation or explanation in support of the appeal.
- That the family has a right to request an informal hearing with HACCC either upon completion of the USCIS appeal or in lieu of the USCIS appeal.
- For applicants, assistance may not be delayed until the conclusion of the USCIS appeal process, but assistance may be delayed during the period of the informal hearing process.

#### **USCIS Appeal Process [24 CFR 5.514(e)]**

When HACCC receives notification that the USCIS secondary verification failed to confirm eligible immigration status, HACCC must notify the family of the results of the USCIS verification. The family will have 30 days from the date of the notification to request an appeal of the USCIS results. The request for appeal must be made by the family in writing directly to the USCIS. The family must provide HACCC with a copy of the written request for appeal and the proof of mailing.

##### HACCC Policy

HACCC will notify the family in writing of the results of the USCIS secondary verification within 14 calendar days of receiving the results.

The family must provide HACCC with a copy of the written request for appeal and proof of mailing within 14 calendar days of sending the request to the USCIS.

The family must forward to the designated USCIS office any additional documentation or written explanation in support of the appeal. This material must include a copy of the USCIS document verification request (used to process the secondary request) or such other form specified by the USCIS, and a letter indicating that the family is requesting an appeal of the USCIS immigration status verification results.

The USCIS will notify the family, with a copy to HACCC, of its decision. When the USCIS notifies HACCC of the decision, HACCC must notify the family of its right to request an informal hearing.

#### HACCC Policy

HACCC will send written notice to the family of its right to request an informal hearing within 14 calendar days of receiving notice of the USCIS decision regarding the family's immigration status.

#### **Informal Hearing Procedures for Applicants [24 CFR 5.514(f)]**

After notification of the USCIS decision on appeal, or in lieu of an appeal to the USCIS, the family may request that HACCC provide a hearing. The request for a hearing must be made either within 30 days of receipt of HACCC notice of denial, or within 30 days of receipt of the USCIS appeal decision.

The informal hearing procedures for applicant families are described below.

#### ***Informal Hearing Officer***

HACCC must provide an informal hearing before an impartial individual, other than a person who made or approved the decision under review, and other than a person who is a subordinate of the person who made or approved the decision. See Section 16-III.C. for a listing of positions that serve as informal hearing officers.

#### ***Evidence***

The family must be provided the opportunity to examine and copy at the family's expense, at a reasonable time in advance of the hearing, any documents in the possession of HACCC pertaining to the family's eligibility status, or in the possession of the USCIS (as permitted by USCIS requirements), including any records and regulations that may be relevant to the hearing.

#### HACCC Policy

The family will be allowed to copy any documents related to the hearing at a cost of .15 per page. The family must request discovery of PHA documents no later than two full business days prior to the hearing (e.g. if the hearing is on Thursday, then by close of business on Monday of the same week)

The family must be provided the opportunity to present evidence and arguments in support of eligible status. Evidence may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings.

The family must also be provided the opportunity to refute evidence relied upon by HACCC, and to confront and cross-examine all witnesses on whose testimony or information HACCC relies.

### ***Representation and Interpretive Services***

The family is entitled to be represented by an attorney or other designee, at the family's expense, and to have such person make statements on the family's behalf.

The family is entitled request an interpreter. Upon request, the PHA will provide competent interpretation services, free of charge. ***Recording of the Hearing***

The family is entitled to have the hearing recorded by digital audio recording. HACCC may, but is not required to provide a transcript of the hearing.

#### HACCC Policy

HACCC will provide a transcript of an digital audio recording of the hearing to the family or family's counsel upon payment of the actual cost of the transcript..

### ***Hearing Decision***

HACCC must provide the family with a written final decision, based solely on the facts presented at the hearing, within 14 calendar days of the date of the informal hearing. The decision must state the basis for the decision.

### **Informal Hearing Procedures for Residents [24 CFR 5.514(f)]**

After notification of the USCIS decision on appeal, or in lieu of an appeal to the USCIS, the family may request that HACCC provide a hearing. The request for a hearing must be made either within 30 days of receipt of HACCC notice of termination, or within 30 days of receipt of the USCIS appeal decision.

For the informal hearing procedures that apply to participant families whose assistance is being terminated based on immigration status, see Section 16-III.C.

### **Retention of Documents [24 CFR 5.514(h)]**

HACCC must retain for a minimum of 5 years the following documents that may have been submitted to HACCC by the family, or provided to HACCC as part of the USCIS appeal or HACCC informal hearing process:

- The application for assistance
- The form completed by the family for income reexamination
- Photocopies of any original documents, including original USCIS documents
- The signed verification consent form
- The USCIS verification results
- The request for a USCIS appeal
- The final USCIS determination
- The request for an informal hearing
- The final informal hearing decision

## **PART IV: OWNER OR FAMILY DEBTS TO HACCC**

### **16-IV.A. OVERVIEW**

PHAs are required to include in the administrative plan, policies concerning repayment by a family of amounts owed to HACCC [24 CFR 982.54]. This part describes HACCC's policies for recovery of monies owed to HACCC by families or owners.

#### HACCC Policy

When an action or inaction of an owner or participant results in the overpayment of housing assistance, HACCC holds the owner or participant liable to return any overpayments to HACCC.

HACCC will enter into repayment agreements in accordance with the policies contained in this part as a means to recover overpayments.

When an owner or participant refuses to repay monies owed to HACCC, HACCC will utilize other available collection alternatives including, but not limited to, the following:

- Payment abatements or reductions
- Collection agencies
- Credit bureaus
- Small claims court
- Civil law suit
- County real property tax lien
- State income tax set-off program

### **16-IV.B. REPAYMENT POLICY**

#### **Owner Debts to HACCC**

#### HACCC Policy

Any amount due to HACCC by an owner must be repaid by the owner within 30 days of HACCC determination of the debt.

If the owner fails to repay the debt within the required time frame and is entitled to future HAP payments, HACCC will reduce the future HAP payments by the amount owed until the debt is paid in full.

If the owner is not entitled to future HAP payments HACCC may, in its sole discretion, offer to enter into a repayment agreement on terms prescribed by HACCC.

If the owner refuses to repay the debt, does not enter into a repayment agreement, or breaches a repayment agreement, HACCC will ban the owner from future participation in the program and pursue other modes of collection.

## **Family Debts to HACCC**

### HACCC Policy

Any amount owed to HACCC by an HCV family must be repaid by the family. If the family is unable to repay the debt within 30 days, HACCC will offer to enter into a repayment agreement in accordance with the policies below.

If the family refuses to repay the debt, does not enter into a repayment agreement, or breaches a repayment agreement, HACCC will terminate assistance in accordance with the policies in Chapter 12 and pursue other modes of collection.

### **Repayment Agreement [24 CFR 792.103]**

The term *repayment agreement* refers to a formal written document signed by a tenant or owner and provided to HACCC in which a tenant or owner acknowledges a debt in a specific amount and agrees to repay the amount due at specific time periods.

### **General Repayment Agreement Guidelines for Families**

#### ***Down Payment Requirement***

##### HACCC Policy

Before executing a repayment agreement with a family, HACCC will generally require a down payment of 10 percent of the total amount owed. If the family can provide evidence satisfactory to HACCC that a down payment of 10 percent would impose an undue hardship, HACCC may, in its sole discretion, require a lesser percentage or waive the requirement.

#### ***Payment Thresholds***

Notice PIH 2017-12 recommends that the total amount that a family must pay each month—the family’s monthly share of rent plus the monthly debt repayment amount—should not exceed 40 percent of the family’s monthly adjusted income. However, a family may already be paying 40 per cent or more of its monthly adjusted income in rent. Moreover, Notice PIH 2017-12 acknowledges that PHAs have the discretion to establish “thresholds and policies” for repayment agreements with families [24 CFR 982.552(c)(1)(vii)].

##### HACCC Policy

HACCC has established the following thresholds for repayment of debts:

- Amounts between \$9,000 and \$12,000 must be repaid within 60 months.
- Amounts between \$6,000 and \$8,999 must be repaid within 48 months.
- Amounts between \$3,000 and \$5,999 must be repaid within 36 months.
- Amounts between \$2,000 and \$2,999 must be repaid within 30 months.
- Amounts between \$1,000 and \$1,999 must be repaid within 24 months.
- Amounts under \$1,000 must be repaid within 12 months.

Larger amounts will be considered on a case-by-case basis. However, HACCC will usually not enter into repayment agreements for such large amounts.

If a family can provide evidence satisfactory to HACCC that the threshold applicable to the family's debt would impose an undue hardship, HACCC may, in its sole discretion, determine that a lower monthly payment amount is reasonable. In making its determination, HACCC will consider all relevant information, including the following:

The amount owed by the family to HACCC

The reason for the debt, including whether the debt was the result of family action/inaction or circumstances beyond the family's control

The family's current and potential income and expenses

The family's current family share, as calculated under 24 CFR 982.515

The family's history of meeting its financial responsibilities

### ***Execution of the Agreement***

#### HACCC Policy

Any repayment agreement between HACCC and a family must be signed and dated by HACCC and by the head of household and spouse/cohead (if applicable). All residual household members will be responsible for continuation of payment to the HA in the absence of the head or the spouse.

### ***Due Dates***

#### HACCC Policy

All payments are due by the close of business on the 15<sup>th</sup> day of the month. If the 15<sup>th</sup> does not fall on a business day, the due date is the close of business on the first business day after the 15<sup>th</sup>.

### ***Late or Missed Payments***

#### HACCC Policy

If a payment is not received by the end of the business day on the date due, and prior approval for the missed payment has not been given by HACCC, HACCC will send the family a delinquency notice giving the family 14 calendar days to make the late payment. If the payment is not received by the due date of the delinquency notice, it will be considered a breach of the agreement and HACCC will terminate assistance in accordance with the policies in Chapter 12.

If a family receives three delinquency notices for unexcused late payments in a 12-month period, the repayment agreement will be considered in default, and HACCC will terminate assistance in accordance with the policies in Chapter 12.

### ***No Offer of Repayment Agreement***

#### HACCC Policy

HACCC generally will not enter into a repayment agreement with a family if there is already a repayment agreement in place with the family or if the amount owed by the family exceeds the federal or state threshold for criminal prosecution.

## **Repayment Agreements Involving Improper Payments**

Notice PIH 2017-12 requires certain provisions to be included in any repayment agreement involving amounts owed by a family because it underreported or failed to report income:

- A reference to the items in the family briefing packet that state the family's obligation to provide true and complete information at every reexamination and the grounds on which HACCC may terminate assistance because of a family's action or failure to act
- A statement clarifying that each month the family not only must pay to HACCC the monthly payment amount specified in the agreement but must also pay to the owner the family's monthly share of the rent to owner
- A statement that the terms of the repayment agreement may be renegotiated if the family's income decreases or increases
- A statement that late or missed payments constitute default of the repayment agreement and may result in termination of assistance

## **PART V: SECTION 8 MANAGEMENT ASSESSMENT PROGRAM (SEMAP)**

### **16-V.A. OVERVIEW**

The Section 8 Management Assessment Program (SEMAP) is a tool that allows HUD to measure PHA performance in key areas to ensure program integrity and accountability. SEMAP scores translate into a rating for each PHA as high performing, standard, or troubled. Scores on individual SEMAP indicators, as well as overall SEMAP ratings, can affect HACCC in several ways.

- High-performing PHAs can be given a competitive advantage under notices of funding availability [24 CFR 985.103].
- PHAs with deficiencies on one or more indicators are required to correct the deficiencies and report to HUD [24 CFR 985.106].
- PHAs with an overall rating of “troubled” are subject to additional HUD oversight, including on-site reviews by HUD staff, a requirement to develop a corrective action plan, and monitoring to ensure the successful implementation of the corrective action plan. In addition, PHAs that are designated “troubled” may not use any part of the administrative fee reserve for other housing purposes [24 CFR 985.107].
- HUD may determine that a PHA's failure to correct identified SEMAP deficiencies or to prepare and implement a corrective action plan required by HUD constitutes a default under the ACC [24 CFR 985.109].

### **16-V.B. SEMAP CERTIFICATION [24 CFR 985.101]**

PHAs must submit the HUD-required SEMAP certification form within 60 calendar days after the end of its fiscal year. The certification must be approved by PHA board resolution and signed by HACCC executive director. If HACCC is a unit of local government or a state, a resolution approving the certification is not required, and the certification must be executed by the Section 8 program director.

PHAs with less than 250 voucher units are only required to be assessed every other PHA fiscal year. HUD will assess such PHAs annually if HACCC elects to have its performance assessed on an annual basis; or is designated as “troubled” [24 CFR 985.105].

Failure of a PHA to submit its SEMAP certification within the required time frame will result in an overall performance rating of “troubled.”

A PHA's SEMAP certification is subject to HUD verification by an on-site confirmatory review at any time.

Upon receipt of HACCC's SEMAP certification, HUD will rate HACCC's performance under each SEMAP indicator in accordance with program requirements.

### **HUD Verification Method**

Several of the SEMAP indicators are scored based on a review of a quality control sample selected for this purpose. HACCC or the Independent Auditor must select an unbiased sample

that provides an adequate representation of the types of information to be assessed, in accordance with SEMAP requirements [24 CFR 985.2].

If the HUD verification method for the indicator relies on data in the Form-50058 module (formerly known as MTCS) in the PIH Information Center (PIC), and HUD determines that those data are insufficient to verify HACCC's certification on the indicator due to HACCC's failure to adequately report family data, HUD will assign a zero rating for the indicator [24 CFR 985.3].

**16-V.C. SEMAP INDICATORS [24 CFR 985.3 and form HUD-52648]**

The table below lists each of the SEMAP indicators, contains a description of each indicator, and explains the basis for points awarded under each indicator.

A PHA that expends less than \$300,000 in Federal awards and whose Section 8 programs are not audited by an independent auditor, is not be rated under SEMAP indicators 1-7.

<p><b>SEMAP Indicators</b></p>
<p><b>Indicator 1: Selection from the waiting list</b></p> <p><b>Maximum Score: 15</b></p> <ul style="list-style-type: none"> <li>• This indicator shows whether the PHA has written policies in its administrative plan for selecting applicants from the waiting list and whether the PHA follows these policies when selecting applicants for admission from the waiting list.</li> <li>• Points are based on the percent of families that are selected from the waiting list in accordance with the PHA’s written policies, according to the PHA’s quality control sample.</li> </ul>
<p><b>Indicator 2: Rent reasonableness</b></p> <p><b>Maximum Score: 20</b></p> <ul style="list-style-type: none"> <li>• This indicator shows whether the PHA has and implements a reasonable written method to determine and document for each unit leased that the rent to owner is reasonable based on current rents for comparable unassisted units</li> <li>• Points are based on the percent of units for which the PHA follows its written method to determine reasonable rent and has documented its determination that the rent to owner is reasonable, according to the PHA’s quality control sample.</li> </ul>
<p><b>Indicator 3: Determination of adjusted income</b></p> <p><b>Maximum Score: 20</b></p> <ul style="list-style-type: none"> <li>• This indicator measures whether the PHA verifies and correctly determines adjusted income for each assisted family, and where applicable, uses the appropriate utility allowances for the unit leased in determining the gross rent.</li> <li>• Points are based on the percent of files that are calculated and verified correctly, according to the PHA’s quality control sample.</li> </ul>

**Indicator 4: Utility allowance schedule****Maximum Score: 5**

- This indicator shows whether the PHA maintains an up-to-date utility allowance schedule.
- Points are based on whether the PHA has reviewed the utility allowance schedule and adjusted it when required, according to the PHA's certification.

**Indicator 5: HQS quality control inspections****Maximum Score: 5**

- This indicator shows whether a PHA supervisor reinspects a sample of units under contract during the PHA fiscal year, which meets the minimum sample size requirements for quality control of HQS inspections.
- Points are based on whether the required quality control reinspections were completed, according to the PHA's certification.

**Indicator 6: HQS enforcement****Maximum Score: 10**

- This indicator shows whether, following each HQS inspection of a unit under contract where the unit fails to meet HQS, any cited life-threatening deficiencies are corrected within 24 hours from the inspection and all other deficiencies are corrected within no more than 30 calendar days from the inspection or any PHA-approved extension.
- Points are based on whether the PHA corrects all HQS deficiencies in accordance with required time frames, according to the PHA's certification.

**Indicator 7: Expanding housing opportunities****Maximum Points: 5**

- Only applies to PHAs with jurisdiction in metropolitan FMR areas.

This indicator shows whether the PHA has adopted and implemented a written policy to encourage participation by owners of units located outside areas of poverty or minority concentration; informs voucher holders of the full range of areas where they may lease units both inside and outside the PHA's jurisdiction; and supplies a list of landlords or other parties who are willing to lease units or help families find units, including units outside areas of poverty or minority concentration defined as a neighborhood in which any one of the following statistical conditions exists:

- (1) The percentage of persons of a particular racial or ethnic minority is at least 20 points higher than that minority's percentage in the housing market (County) as a whole;
- (2) The neighborhood's total percentage of minority persons is at least 20 points higher than the total percentage of minorities for the housing market area as a whole; or
- (3) In the case of a metropolitan area, the neighborhood's total percentage of minority persons exceeds 50 percent of its population.

- Points are based on whether the PHA has adopted and implemented written policies in

accordance with SEMAP requirements, according to the PHA's certification.

**Indicator 8: FMR limit and payment standards**

**Maximum Points: 5 points**

- This indicator shows whether the PHA has adopted a payment standard schedule that establishes payment standard amounts by unit size for each FMR area in the PHA's jurisdiction, that are within the basic range of 90 to 110 percent of the published FMR.
- Points are based on whether the PHA has appropriately adopted a payment standard schedule(s), according to the PHA's certification.

**Indicator 9: Annual reexaminations**

**Maximum Points: 10**

- This indicator shows whether the PHA completes a reexamination for each participating family at least every 12 months.
- Points are based on the percent of reexaminations that are more than 2 months overdue, according to data from PIC.

**Indicator 10: Correct tenant rent calculations**

**Maximum Points: 5**

- This indicator shows whether the PHA correctly calculates the family's share of the rent to owner.
- Points are based on the percent of correct calculations of family share of the rent, according to data from PIC.

**Indicator 11: Pre-contract HQS inspections**

**Maximum Points: 5**

- This indicator shows whether newly leased units pass HQS inspection on or before the effective date of the assisted lease and HAP contract.
- Points are based on the percent of newly leased units that passed HQS inspection prior to the effective date of the lease and HAP contract, according to data from PIC.

**Indicator 12: Biennial HQS inspections**

**Maximum Points: 10**

- This indicator shows whether the PHA inspects each unit under contract at least biennially.
- Points are based on the percent of biennial HQS inspections of units under contract that are more than 2 months overdue, according to data from PIC.

**Indicator 13: Lease-up**

**Maximum Points: 20 points**

- This indicator shows whether the PHA enters HAP contracts for at least 98 percent of the number of the PHA's baseline voucher units in the ACC for the calendar year ending on

or before the PHA's fiscal year, or whether the PHA has expended at least 98 percent of its allocated budget authority for the same calendar year. The PHA can receive 15 points if 95 to 97 percent of vouchers are leased or budget authority is utilized. Points are based on utilization of vouchers and HAP expenditures as reported in the voucher management system (VMS) for the most recently completed calendar year.

**Indicator 14: Family self-sufficiency (FSS) enrollment and escrow account balances**

**Maximum Points: 10**

- Only applies to PHAs with mandatory FSS programs.
- This indicator shows whether the PHA has enrolled families in the FSS program as required, and measures the percent of current FSS participants that have had increases in earned income which resulted in escrow account balances.
- Points are based on the percent of mandatory FSS slots that are filled and the percent of families with escrow account balances, according to data from PIC.

**Success Rate of Voucher Holders**

**Maximum Points: 5**

- Only applies to PHAs that have received approval to establish success rate payment standard amounts, and isn't effective until the second full PHA fiscal year following the date of HUD approval of success rate payment standard amounts.
- This indicator shows whether voucher holders were successful in leasing units with voucher assistance.
- Points are based on the percent of families that were issued vouchers, and that became participants in the voucher program.

**Deconcentration Bonus Indicator**

**Maximum Points: 5**

- Submission of data for this indicator is mandatory for a PHA using one or more payment standard amount(s) that exceed(s) 100 percent of the published FMR set at the 50 percentile rent, starting with the second full PHA fiscal year following initial use of payment standard amounts based on the FMRs set at the 50<sup>th</sup> percentile.
- Additional points are available to PHAs that have jurisdiction in metropolitan FMR areas and that choose to submit the required data.
- Points are based on whether the data that is submitted meets the requirements for bonus points.

## **PART VI: RECORD KEEPING**

### **16-VI.A. OVERVIEW**

HACCC must maintain complete and accurate accounts and other records for the program in accordance with HUD requirements, in a manner that permits a speedy and effective audit. All such records must be made available to HUD or the Comptroller General of the United States upon request.

In addition, HACCC must ensure that all applicant and participant files are maintained in a way that protects an individual's privacy rights.

### **16-VI.B. RECORD RETENTION [24 CFR 982.158]**

During the term of each assisted lease, and for at least three years thereafter, HACCC must keep:

- A copy of the executed lease;
- The HAP contract; and
- The application from the family.

In addition, HACCC must keep the following records for at least three years:

- Records that provide income, racial, ethnic, gender, and disability status data on program applicants and participants;
- An application from each ineligible family and notice that the applicant is not eligible;
- HUD-required reports;
- Unit inspection reports;
- Lead-based paint records as required by 24 CFR 35, Subpart B.
- Accounts and other records supporting PHA budget and financial statements for the program;
- Records to document the basis for PHA determination that rent to owner is a reasonable rent (initially and during the term of a HAP contract); and
- Other records specified by HUD.
- Notice PIH 2014-20 requires PHAs to keep records of all complaints, investigations, notices, and corrective actions related to violations of the Fair Housing Act or the equal access final rule.

If an informal hearing to establish a family's citizenship status is held, longer retention requirements apply for some types of documents. For specific requirements, see Section 16-III.D., Retention of Documents.

### **16-VI.C. RECORDS MANAGEMENT**

PHAs must maintain applicant and participant files and information in accordance with the regulatory requirements described below.

### HACCC Policy

All applicant and participant information will be kept in a secure location and access will be limited to authorized PHA staff.

PHA staff will not discuss personal family information unless there is a business reason to do so. Inappropriate discussion of family information or improper disclosure of family information by staff will result in disciplinary action.

### **Privacy Act Requirements [24 CFR 5.212 and Form-9886]**

The collection, maintenance, use, and dissemination of social security numbers (SSN), employer identification numbers (EIN), any information derived from these numbers, and income information of applicants and participants must be conducted, to the extent applicable, in compliance with the Privacy Act of 1974, and all other provisions of Federal, State, and local law.

Applicants and participants, including all adults in the household, are required to sign a consent form, HUD-9886, Authorization for Release of Information. This form incorporates the Federal Privacy Act Statement and describes how the information collected using the form may be used, and under what conditions HUD or HACCC may release the information collected.

### **Upfront Income Verification (UIV) Records**

PHAs that access UIV data through HUD's Enterprise Income Verification (EIV) System are required to adopt and follow specific security procedures to ensure that all EIV data is protected in accordance with Federal laws, regardless of the media on which the data is recorded (e.g. electronic, paper). These requirements are contained in the HUD issued document, *Enterprise Income Verification (EIV) System, Security Procedures for Upfront Income Verification data*.

### HACCC Policy

Prior to utilizing HUD's EIV system, HACCC will adopt and implement EIV security procedures required by HUD.

### **Criminal Records**

HACCC may only disclose the criminal conviction records which HACCC receives from a law enforcement agency to officers or employees of HACCC, or to authorized representatives of HACCC who have a job-related need to have access to the information [24 CFR 5.903(e)].

HACCC must establish and implement a system of records management that ensures that any criminal record received by HACCC from a law enforcement agency is maintained confidentially, not misused or improperly disseminated, and destroyed, once the purpose for which the record was requested has been accomplished, including expiration of the period for filing a challenge to HACCC action without institution of a challenge or final disposition of any such litigation [24 CFR 5.903(g)].

HACCC must establish and implement a system of records management that ensures that any sex offender registration information received by HACCC from a State or local agency is maintained confidentially, not misused or improperly disseminated, and destroyed, once the purpose for which the record was requested has been accomplished, including expiration of the period for filing a challenge to HACCC action without institution of a challenge or final disposition of any

such litigation. However, a record of the screening, including the type of screening and the date performed must be retained [Notice PIH 2012-28]. This requirement does not apply to information that is public information, or is obtained by a PHA other than under 24 CFR 5.905.

### **Medical/Disability Records**

PHAs are not permitted to inquire about the nature or extent of a person's disability. HACCC may not inquire about a person's diagnosis or details of treatment for a disability or medical condition. If HACCC receives a verification document that provides such information, HACCC should not place this information in the tenant file. HACCC should destroy the document.

### **Documentation of Domestic Violence, Dating Violence, Sexual Assault or Stalking**

For requirements and PHA policies related to management of documentation obtained from victims of domestic violence, dating violence, sexual assault or stalking, see section 16-IX.E.

## **PART VII: REPORTING AND RECORD KEEPING FOR CHILDREN WITH ENVIRONMENTAL INTERVENTION BLOOD LEAD LEVEL**

### **16-VII.A. OVERVIEW**

HACCC has certain responsibilities relative to children with environmental intervention blood lead levels that are receiving HCV assistance. The notification, verification, and hazard reduction requirements are discussed in Chapter 8. This part deals with the reporting requirements, and data collection and record keeping responsibilities that HACCC is subject to.

### **16-VII.B. REPORTING REQUIREMENT [24 CFR 35.1225(e); Notice PIH 2017-13]**

The owner must report the name and address of a child identified as having an environmental intervention blood lead level to the public health department within five business days of being so notified by any other medical health care professional. The owner must also notify the HUD field office and the HUD Office of Lead Hazard Control and Healthy Homes (OLHCHH) of the child's address within five business days. The PHA may collaborate with the owner on the notification process, such as by agreeing with the owner to provide the required notifications on the owner's behalf.

The Lead Safe Housing Rule & Lead Disclosure Rule (LSHR) threshold for action pursuant to 24 CFR 35 is as follows:

- Confirmed EBLL  $\geq$  5  $\mu\text{g}/\text{dL}$  (micrograms/deciliter)
  - Notification by public health department or other medical health care provider
  - If reported by family or other source, PHA should attempt to confirm
- Aligned with Centers for Disease Control and Prevention (CDC) reference range of 5  $\mu\text{g}/\text{dL}$

#### HACCC Policy

Upon notification by the owner, HACCC will provide the public health department written notice of the name and address of any child identified as having an environmental intervention blood lead level within five business days.

Upon notification by the owner, the PHA will notify the HUD field office and the HUD Office of Lead Hazard Control and Healthy Homes (OLHCHH) of the child's address within five business days.

### **16-VII.C. DATA COLLECTION AND RECORD KEEPING [24 CFR 35.1225(f)]**

At least quarterly, HACCC must attempt to obtain from the public health department(s) with a similar area of jurisdiction, the names and/or addresses of children less than 6 years old with an identified environmental intervention blood lead level.

If HACCC obtains names and addresses of environmental intervention blood lead level children from the public health department(s), HACCC must match this information with the names and addresses of families receiving HCV assistance, unless the public health department performs such a procedure. If a match occurs, HACCC must carry out the notification, verification, and

hazard reduction requirements discussed in Chapter 8, and the reporting requirement discussed above.

At least quarterly, HACCC must also report an updated list of the addresses of units receiving assistance under the HCV program to the same public health department(s), unless the public health department(s) states that it does not wish to receive such a report.

HACCC Policy

The public health department(s) has stated they **do not** wish to receive a report of an updated list of the addresses of units receiving assistance under the HCV program, on a quarterly basis. Therefore, HACCC is not providing such a report.

## **PART VIII: DETERMINATION OF INSUFFICIENT FUNDING**

### **16-VIII.A. OVERVIEW**

The HCV regulations allow PHAs to deny families permission to move and to terminate Housing Assistance Payments (HAP) contracts if funding under the consolidated ACC is insufficient to support continued assistance [24 CFR 982.314(e)(1) and 982.454]. If a PHA denies a family a portability move based on insufficient funding, the PHA is required to notify the local HUD office within 10 business days [24 CFR 982.354]. Insufficient funding may also impact HACCC's ability to issue vouchers to families on the waiting list. This part discusses the methodology HACCC will use to determine whether or not HACCC has sufficient funding to issue vouchers, approve moves, and to continue subsidizing all families currently under a HAP contract.

### **16-VIII.B. METHODOLOGY**

#### HACCC Policy

HACCC will determine whether there is adequate funding to issue vouchers, approve moves to higher cost units and areas, and continue subsidizing all current participants by comparing HACCC's annual budget authority to the annual total HAP needs on a monthly basis. The total HAP needs for the calendar year will be projected by establishing the actual HAP costs year to date. To that figure, HACCC will add anticipated HAP expenditures for the remainder of the calendar year. Projected HAP expenditures will be calculated by multiplying the projected number of units leased per remaining months by the most current month's average HAP. The projected number of units leased per month will take into account the average monthly turnover of participant families. If the total annual HAP needs equal or exceed the annual budget authority, or if HACCC cannot support the cost of the proposed subsidy commitment (voucher issuance or move) based on the funding analysis, HACCC will be considered to have insufficient funding.

## **PART IX: VIOLENCE AGAINST WOMEN ACT (VAWA): NOTIFICATION, DOCUMENTATION, CONFIDENTIALITY**

### **16-IX.A. OVERVIEW**

The Violence against Women Act of 2005 (VAWA) provides special protections for victims of domestic violence, dating violence, sexual assault and stalking who are applying for or receiving assistance under the housing choice voucher (HCV) program. If your state or local laws provide greater protection for such victims, those laws apply in conjunction with VAWA.

In addition to definitions of key terms used in VAWA, this part contains general VAWA requirements and PHA policies in three areas: notification, documentation, and confidentiality. Specific VAWA requirements and PHA policies are located primarily in the following sections: 3-I.C, “Family Breakup and Remaining Member of Tenant Family”; 3-III.G, “Prohibition against Denial of Assistance to Victims of Domestic Violence, Dating Violence, Sexual Assault and Stalking”; 10-I.A, “Allowable Moves”; 10-I.B, “Restrictions on Moves”; 12-II.E, “Terminations Related to Domestic Violence, Dating Violence, Sexual Assault or Stalking”; and 12-II.F, “Termination Notice.”

### **16-IX.B. DEFINITIONS [24 CFR 5.2003, 42 USC 13925]**

As used in VAWA:

- The term *bifurcate* means, with respect to a public housing or Section 8 lease, to divide a lease as a matter of law such that certain tenants can be evicted or removed while the remaining family members’ lease and occupancy rights are allowed to remain intact.
- The term dating violence means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim.
  - (i) The existence of such a relationship shall be determined based on the reporting party’s statement and with consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship.
  - (ii) For the purposes of this definition
    - (A) Dating violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse.
    - (B) Dating violence does not include acts covered under the definition of domestic violence.
  - (iii) For the purposes of complying with the requirements of this section and § 668.41, any incident meeting this definition is considered a crime for the purposes of Clery Act reporting.
- The term *domestic violence* includes:
  - (i) A felony or misdemeanor crime of violence committed—
    - (A) By a current or former spouse or intimate partner of the victim;
    - (B) By a person with whom the victim shares a child in common;

(C) By a person who is cohabitating with, or has cohabitated with, the victim as a spouse or intimate partner;

(D) By a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred, or

(E) By any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred.

(ii) For the purposes of complying with the requirements of this section and § 668.41, any incident meeting this definition is considered a crime for the purposes of Clery Act reporting.

- The term *sexual assault* includes an offense that meets the definition of rape, fondling, incest, or statutory rape as used in the FBI's Uniform Crime Reporting (UCR) program and repeated below:

*Rape*

The penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim.

*Sex Offenses*

Any sexual act directed against another person, without the consent of the victim, including instances where the victim is incapable of giving consent.

A. *Fondling*—The touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental incapacity.

B. *Incest*—Sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.

C. *Statutory Rape*—Sexual intercourse with a person who is under the statutory age of consent.

- The term *immediate family member* is replaced with *affiliated individual*:

The term *affiliated individual* means, with respect to a person:

- A spouse, parent, brother or sister, or child of that individual, or an individual to whom that individual stands in the position or place of a parent; or
- Any other individual, tenant, or lawful occupant living in the household of the victim of domestic violence, dating violence, sexual assault, or stalking.

- The term *stalking* means:

To engage in a course of conduct directed at a specific person that would cause a reasonable person to fear for his or her safety or the safety of others, or suffer substantial emotional distress.

## **16-IX.C. NOTIFICATION [24 CFR 5.2005(a)]**

### **Notification to Public**

HACCC adopts the following policy to help ensure that all actual and potential beneficiaries of its HCV program are aware of their rights under VAWA.

#### HACCC Policy

HACCC will post the following information regarding VAWA in its offices and on its website. It will also make the information readily available to anyone who requests it.

A notice of occupancy rights under VAWA to housing choice voucher program applicants and participants who are or have been victims of domestic violence, dating violence, sexual assault, or stalking (Form HUD-5380, see Exhibit 16-1)

A copy of form HUD-5382, Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking and Alternate Documentation (see Exhibit 16-2)

A copy of the PHA's emergency transfer plan (Exhibit 16-3)

A copy of HUD's Emergency Transfer Request for Certain Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking, Form HUD-5383 (Exhibit 16-4)

The National Domestic Violence Hot Line: 1-800-799-SAFE (7233) or 1-800-787-3224 (TTY) (included in Exhibits 16-1 and 16-2)

Contact information for local victim advocacy groups or service providers

### **Notification to Program Applicants and Participants [24 CFR 5.2005(a)(1)]**

PHAs are required to inform program participants of their rights under VAWA, including their right to confidentiality and the limits thereof. Since VAWA provides protections for applicants as well as participants, PHAs may elect to provide the same information to applicants.

#### HACCC Policy

HACCC will provide all applicants with information about VAWA at the time they request an application for housing assistance. HACCC will also include information about VAWA in all notices of denial of assistance (see section 3-III.G).

HACCC will provide all participants with information about VAWA at the time of admission (see section 5-I.B) and at annual reexamination. HACCC will also include information about VAWA in notices of termination of assistance, as provided in section 12-II.F.

The VAWA information provided to applicants and participants will consist of the notices in Exhibits 16-1 and 16-2.

## **Notification to Owners and Managers**

While PHAs are no longer required by regulation to notify owners and managers participating in the HCV program of their rights and obligations under VAWA, the PHA may still choose to inform them.

### HACCC Policy

HACCC will provide owners and managers with information about their rights and obligations under VAWA when they begin their participation in the HCV program and at least annually thereafter.

The VAWA information provided to owners will consist of the notice in Exhibit 16-5 and a copy of form HUD-5382, Certification of Domestic Violence, Dating Violence, Sexual Assault and Stalking and Alternate Documentation.

## **16-IX.D. DOCUMENTATION [24 CFR 5.2007]**

A PHA presented with a claim for initial or continued assistance based on status as a victim of domestic violence, dating violence, sexual assault, stalking, or criminal activity related to any of these forms of abuse may—but is not required to—request that the individual making the claim document the abuse. Any request for documentation must be in writing, and the individual must be allowed at least 14 business days after receipt of the request to submit the documentation. HACCC may extend this time period at its discretion. [24 CFR 5.2007(a)]

The individual may satisfy HACCC’s request by providing any one of the following three forms of documentation [24 CFR 5.2007(b)]:

- (1) A completed and signed HUD-approved certification form (HUD-5382, Certification of Domestic Violence, Dating Violence, Sexual Assault or Stalking), which must include the name of the perpetrator
- (2) A federal, state, tribal, territorial, or local police report or court record, or an administrative record
- (3) Documentation signed by a person who has assisted the victim in addressing domestic violence, dating violence, sexual assault or stalking, or the effects of such abuse. This person may be an employee, agent, or volunteer of a victim service provider; an attorney; a mental health professional; or a medical professional. The person signing the documentation must attest under penalty of perjury to the person’s belief that the incidents in question are bona fide incidents of abuse. The victim must also sign the documentation.

HACCC may not require third-party documentation (forms 2 and 3) in addition to certification (form 1), except as specified below under “Conflicting Documentation,” nor may it require certification in addition to third-party documentation [VAWA final rule].

### HACCC Policy

Any request for documentation of domestic violence, dating violence, sexual assault or stalking will be in writing, will specify a deadline of 14 business days following receipt of the request, will describe the three forms of acceptable documentation, will provide explicit instructions on where and to whom the documentation must be submitted, and

will state the consequences for failure to submit the documentation or request an extension in writing by the deadline.

HACCC may, in its discretion, extend the deadline for 14 calendar days. Any extension granted by HACCC will be in writing.

### **Conflicting Documentation [24 CFR 5.2007(e)]**

In cases where HACCC receives conflicting certification documents from two or more members of a household, each claiming to be a victim and naming one or more of the other petitioning household members as the perpetrator, HACCC may determine which is the true victim by requiring each to provide acceptable third-party documentation, as described above (forms 2 and 3) within 30 calendar days of the date of the request for third-party documentation.. HACCC must honor any court orders issued to protect the victim or to address the distribution of property.

#### HACCC Policy

If presented with conflicting certification documents (two or more forms HUD-5382) from members of the same household, HACCC will attempt to determine which is the true victim by requiring each of them to provide third-party documentation in accordance with 24 CFR 5.2007 and by following any HUD guidance on how such determinations should be made. The family will have 30 calendar days from the date of request by the PHA to provide this documentation.

### **Discretion to Require No Formal Documentation [24 CFR 5.2007(d)]**

HACCC has the discretion to provide benefits to an individual based solely on the individual's statement or other corroborating evidence—i.e., without requiring formal documentation of abuse in accordance with 24 CFR 5.2007(b).

#### HACCC Policy

If HACCC accepts an individual's statement or other corroborating evidence of domestic violence, dating violence, sexual assault or stalking, HACCC will document acceptance of the statement or evidence in the individual's file.

### **Failure to Provide Documentation [24 CFR 5.2007(c)]**

In order to deny relief for protection under VAWA, a PHA must provide the individual requesting relief with a written request for documentation of abuse. If the individual fails to provide the documentation within 14 business days from the date of receipt, or such longer time as HACCC may allow, HACCC may deny relief for protection under VAWA.

### **16-IX.E. CONFIDENTIALITY [24 CFR 5.2007(b)(4)]**

All information provided to HACCC regarding domestic violence, dating violence, sexual assault or stalking, including the fact that an individual is a victim of such violence or stalking, must be retained in confidence. This means that HACCC (1) may not enter the information into any shared database, (2) may not allow employees or others to access the information unless they are explicitly authorized to do so and have a need to know the information for purposes of their

work, and (3) may not provide the information to any other entity or individual, except to the extent that the disclosure is (a) requested or consented to by the individual in writing, (b) required for use in an eviction proceeding, or (c) otherwise required by applicable law.

HACCC Policy

If disclosure is required for use in an eviction proceeding or is otherwise required by applicable law, HACCC will inform the victim before disclosure occurs so that safety risks can be identified and addressed.

**EXHIBIT 16-1: NOTICE OF OCCUPANCY RIGHTS UNDER THE VIOLENCE AGAINST WOMEN ACT, FORM HUD-5380**

**[Insert Name of Housing Provider<sup>2</sup>]**

**Notice of Occupancy Rights under the Violence Against Women Act<sup>3</sup>**

**To all Tenants and Applicants**

The Violence Against Women Act (VAWA) provides protections for victims of domestic violence, dating violence, sexual assault, or stalking. VAWA protections are not only available to women, but are available equally to all individuals regardless of sex, gender identity, or sexual orientation.<sup>4</sup> The U.S. Department of Housing and Urban Development (HUD) is the Federal agency that oversees that **[insert name of program or rental assistance]** is in compliance with VAWA. This notice explains your rights under VAWA. A HUD-approved certification form is attached to this notice. You can fill out this form to show that you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking, and that you wish to use your rights under VAWA.”

**Protections for Applicants**

If you otherwise qualify for assistance under **[insert name of program or rental assistance]**, you cannot be denied admission or denied assistance because you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking.

**Protections for Tenants**

If you are receiving assistance under **[insert name of program or rental assistance]**, you may not be denied assistance, terminated from participation, or be evicted from your rental housing

---

<sup>2</sup> The notice uses HP for housing provider but the housing provider should insert its name where HP is used. HUD’s program-specific regulations identify the individual or entity responsible for providing the notice of occupancy rights.

<sup>3</sup> Despite the name of this law, VAWA protection is available regardless of sex, gender identity, or sexual orientation.

<sup>4</sup> Housing providers cannot discriminate on the basis of any protected characteristic, including race, color, national origin, religion, sex, familial status, disability, or age. HUD-assisted and HUD-insured housing must be made available to all otherwise eligible individuals regardless of actual or perceived sexual orientation, gender identity, or marital status.

because you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking.

Also, if you or an affiliated individual of yours is or has been the victim of domestic violence, dating violence, sexual assault, or stalking by a member of your household or any guest, you may not be denied rental assistance or occupancy rights under **[insert name of program or rental assistance]** solely on the basis of criminal activity directly relating to that domestic violence, dating violence, sexual assault, or stalking.

Affiliated individual means your spouse, parent, brother, sister, or child, or a person to whom you stand in the place of a parent or guardian (for example, the affiliated individual is in your care, custody, or control); or any individual, tenant, or lawful occupant living in your household.

### **Removing the Abuser or Perpetrator from the Household**

HP may divide (bifurcate) your lease in order to evict the individual or terminate the assistance of the individual who has engaged in criminal activity (the abuser or perpetrator) directly relating to domestic violence, dating violence, sexual assault, or stalking.

If HP chooses to remove the abuser or perpetrator, HP may not take away the rights of eligible tenants to the unit or otherwise punish the remaining tenants. If the evicted abuser or perpetrator was the sole tenant to have established eligibility for assistance under the program, HP must allow the tenant who is or has been a victim and other household members to remain in the unit for a period of time, in order to establish eligibility under the program or under another HUD housing program covered by VAWA, or, find alternative housing.

In removing the abuser or perpetrator from the household, HP must follow Federal, State, and local eviction procedures. In order to divide a lease, HP may, but is not required to, ask you for documentation or certification of the incidences of domestic violence, dating violence, sexual assault, or stalking.

### **Moving to Another Unit**

Upon your request, HP may permit you to move to another unit, subject to the availability of other units, and still keep your assistance. In order to approve a request, HP may ask you to provide documentation that you are requesting to move because of an incidence of domestic

violence, dating violence, sexual assault, or stalking. If the request is a request for emergency transfer, the housing provider may ask you to submit a written request or fill out a form where you certify that you meet the criteria for an emergency transfer under VAWA. The criteria are:

**1. You are a victim of domestic violence, dating violence, sexual assault, or stalking.**

If your housing provider does not already have documentation that you are a victim of domestic violence, dating violence, sexual assault, or stalking, your housing provider may ask you for such documentation, as described in the documentation section below.

**2. You expressly request the emergency transfer.** Your housing provider may choose to require that you submit a form, or may accept another written or oral request.

**3. You reasonably believe you are threatened with imminent harm from further violence if you remain in your current unit.** This means you have a reason to fear that if you do not receive a transfer you would suffer violence in the very near future.

**OR**

**You are a victim of sexual assault and the assault occurred on the premises during the 90-calendar-day period before you request a transfer.** If you are a victim of sexual assault, then in addition to qualifying for an emergency transfer because you reasonably believe you are threatened with imminent harm from further violence if you remain in your unit, you may qualify for an emergency transfer if the sexual assault occurred on the premises of the property from which you are seeking your transfer, and that assault happened within the 90-calendar-day period before you expressly request the transfer.

HP will keep confidential requests for emergency transfers by victims of domestic violence, dating violence, sexual assault, or stalking, and the location of any move by such victims and their families. HP's emergency transfer plan provides further information on emergency transfers, and HP must make a copy of its emergency transfer plan available to you if you ask to see it.

## **Documenting You Are or Have Been a Victim of Domestic Violence, Dating Violence, Sexual Assault or Stalking**

HP can, but is not required to, ask you to provide documentation to “certify” that you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking. Such request from HP must be in writing, and HP must give you at least 14 business days (Saturdays, Sundays, and Federal holidays do not count) from the day you receive the request to provide the documentation. HP may, but does not have to, extend the deadline for the submission of documentation upon your request.

You can provide one of the following to HP as documentation. It is your choice which of the following to submit if HP asks you to provide documentation that you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking.

- A complete HUD-approved certification form given to you by HP with this notice, that documents an incident of domestic violence, dating violence, sexual assault, or stalking. The form will ask for your name, the date, time, and location of the incident of domestic violence, dating violence, sexual assault, or stalking, and a description of the incident. The certification form provides for including the name of the abuser or perpetrator if the name of the abuser or perpetrator is known and is safe to provide.
- A record of a Federal, State, tribal, territorial, or local law enforcement agency, court, or administrative agency that documents the incident of domestic violence, dating violence, sexual assault, or stalking. Examples of such records include police reports, protective orders, and restraining orders, among others.
- A statement, which you must sign, along with the signature of an employee, agent, or volunteer of a victim service provider, an attorney, a medical professional or a mental health professional (collectively, “professional”) from whom you sought assistance in addressing domestic violence, dating violence, sexual assault, or stalking, or the effects of abuse, and with the professional selected by you attesting under penalty of perjury that he or she believes that the incident or incidents of domestic violence, dating violence, sexual assault, or stalking are grounds for protection.
- Any other statement or evidence that HP has agreed to accept.

If you fail or refuse to provide one of these documents within the 14 business days, HP does not have to provide you with the protections contained in this notice.

If HP receives conflicting evidence that an incident of domestic violence, dating violence, sexual assault, or stalking has been committed (such as certification forms from two or more members of a household each claiming to be a victim and naming one or more of the other petitioning household members as the abuser or perpetrator), HP has the right to request that you provide third-party documentation within thirty 30 calendar days in order to resolve the conflict. If you fail or refuse to provide third-party documentation where there is conflicting evidence, HP does not have to provide you with the protections contained in this notice.

### **Confidentiality**

HP must keep confidential any information you provide related to the exercise of your rights under VAWA, including the fact that you are exercising your rights under VAWA.

HP must not allow any individual administering assistance or other services on behalf of HP (for example, employees and contractors) to have access to confidential information unless for reasons that specifically call for these individuals to have access to this information under applicable Federal, State, or local law.

HP must not enter your information into any shared database or disclose your information to any other entity or individual. HP, however, may disclose the information provided if:

- You give written permission to HP to release the information on a time limited basis.
- HP needs to use the information in an eviction or termination proceeding, such as to evict your abuser or perpetrator or terminate your abuser or perpetrator from assistance under this program.
- A law requires HP or your landlord to release the information.

VAWA does not limit HP's duty to honor court orders about access to or control of the property. This includes orders issued to protect a victim and orders dividing property among household members in cases where a family breaks up.

## **Reasons a Tenant Eligible for Occupancy Rights under VAWA May Be Evicted or Assistance May Be Terminated**

You can be evicted and your assistance can be terminated for serious or repeated lease violations that are not related to domestic violence, dating violence, sexual assault, or stalking committed against you. However, HP cannot hold tenants who have been victims of domestic violence, dating violence, sexual assault, or stalking to a more demanding set of rules than it applies to tenants who have not been victims of domestic violence, dating violence, sexual assault, or stalking.

The protections described in this notice might not apply, and you could be evicted and your assistance terminated, if HP can demonstrate that not evicting you or terminating your assistance would present a real physical danger that:

1. Would occur within an immediate time frame, and
2. Could result in death or serious bodily harm to other tenants or those who work on the property.

If HP can demonstrate the above, HP should only terminate your assistance or evict you if there are no other actions that could be taken to reduce or eliminate the threat.

### **Other Laws**

VAWA does not replace any Federal, State, or local law that provides greater protection for victims of domestic violence, dating violence, sexual assault, or stalking. You may be entitled to additional housing protections for victims of domestic violence, dating violence, sexual assault, or stalking under other Federal laws, as well as under State and local laws.

### **Non-Compliance with The Requirements of This Notice**

You may report a covered housing provider's violations of these rights and seek additional assistance, if needed, by contacting or filing a complaint with **[insert contact information for any intermediary, if applicable]** or **[insert HUD field office]**.

### **For Additional Information**

You may view a copy of HUD's final VAWA rule at **[insert Federal Register link]**.

Additionally, HP must make a copy of HUD's VAWA regulations available to you if you ask to see them.

For questions regarding VAWA, please contact **[insert name of program or rental assistance contact information able to answer questions on VAWA]**.

For help regarding an abusive relationship, you may call the National Domestic Violence Hotline at 1-800-799-7233 or, for persons with hearing impairments, 1-800-787-3224 (TTY). You may also contact **[Insert contact information for relevant local organizations]**.

For tenants who are or have been victims of stalking seeking help may visit the National Center for Victims of Crime's Stalking Resource Center at <https://www.victimsofcrime.org/our-programs/stalking-resource-center>.

**CERTIFICATION OF  
DOMESTIC VIOLENCE,  
DATING VIOLENCE,  
SEXUAL ASSAULT, OR STALKING,  
AND ALTERNATE DOCUMENTATION**

**U.S. Department of Housing  
and Urban Development**

OMB Approval No. 2577-0286  
Exp. 06/30/2017

**Purpose of Form:** The Violence Against Women Act (“VAWA”) protects applicants, tenants, and program participants in certain HUD programs from being evicted, denied housing assistance, or terminated from housing assistance based on acts of domestic violence, dating violence, sexual assault, or stalking against them. Despite the name of this law, VAWA protection is available to victims of domestic violence, dating violence, sexual assault, and stalking, regardless of sex, gender identity, or sexual orientation.

**Use of This Optional Form:** If you are seeking VAWA protections from your housing provider, your housing provider may give you a written request that asks you to submit documentation about the incident or incidents of domestic violence, dating violence, sexual assault, or stalking.

In response to this request, you or someone on your behalf may complete this optional form and submit it to your housing provider, or you may submit one of the following types of third-party documentation:

- (1) A document signed by you and an employee, agent, or volunteer of a victim service provider, an attorney, or medical professional, or a mental health professional (collectively, “professional”) from whom you have sought assistance relating to domestic violence, dating violence, sexual assault, or stalking, or the effects of abuse. The document must specify, under penalty of perjury, that the professional believes the incident or incidents of domestic violence, dating violence, sexual assault, or stalking occurred and meet the definition of “domestic violence,” “dating violence,” “sexual assault,” or “stalking” in HUD’s regulations at 24 CFR 5.2003.
- (2) A record of a Federal, State, tribal, territorial or local law enforcement agency, court, or administrative agency; or
- (3) At the discretion of the housing provider, a statement or other evidence provided by the applicant or tenant.

**Submission of Documentation:** The time period to submit documentation is 14 business days from the date that you receive a written request from your housing provider asking that you provide documentation of the occurrence of domestic violence, dating violence, sexual assault, or stalking. Your housing provider may, but is not required to, extend the time period to submit the documentation, if you request an extension of the time period. If the requested information is not received within 14 business days of when you received the request for the documentation, or any extension of the date provided by your housing provider, your housing provider does not need to grant you any of the VAWA protections. Distribution or issuance of this form does not serve as a written request for certification.

**Confidentiality:** All information provided to your housing provider concerning the incident(s) of domestic violence, dating violence, sexual assault, or stalking shall be kept confidential and such details shall not be entered into any shared database. Employees of your housing provider are not to have access to these details unless to grant or deny VAWA protections to you, and such employees may not disclose this information to any other entity or individual, except to the extent that disclosure is: (i) consented to

by you in writing in a time-limited release; (ii) required for use in an eviction proceeding or hearing regarding termination of assistance; or (iii) otherwise required by applicable law.

**Public Reporting Burden:** The public reporting burden for this collection of information is estimated to average 1 hour per response. This includes the time for collecting, reviewing, and reporting the data. The information provided is to be used by the housing provider to request certification that the applicant or tenant is a victim of domestic violence, dating violence, sexual assault, or stalking. The information is subject to the confidentiality requirements of VAWA. This agency may not collect this information, and you are not required to complete this form, unless it displays a currently valid Office of Management and Budget control number.

**EXHIBIT 16-3: HACCC EMERGENCY TRANSFER PLAN FOR VICTIMS OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, OR STALKING (HCV VERSION)**

Attachment: Certification form HUD-5382

**Housing Authority of the County of Contra Costa**  
**Emergency Transfer Plan for Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking**  
**Housing Choice Voucher Program**

**Emergency Transfers**

HACCC is concerned about the safety of its tenants, and such concern extends to tenants who are victims of domestic violence, dating violence, sexual assault, or stalking. In accordance with the Violence Against Women Act (VAWA),<sup>5</sup> HACCC allows tenants who are victims of domestic violence, dating violence, sexual assault, or stalking to request an emergency transfer from the tenant's current unit to another unit. The ability to request a transfer is available regardless of sex, gender identity, or sexual orientation.<sup>6</sup> The ability of HACCC to honor such request for tenants currently receiving assistance, however, may depend upon a preliminary determination that the tenant is or has been a victim of domestic violence, dating violence, sexual assault, or stalking, and on whether HACCC has another dwelling unit that is available and is safe to offer the tenant for temporary or more permanent occupancy.

This plan identifies tenants who are eligible for an emergency transfer, the documentation needed to request an emergency transfer, confidentiality protections, how an emergency transfer may occur, and guidance to tenants on safety and security. This plan is based on a model emergency transfer plan published by the U.S. Department of Housing and Urban Development (HUD), the federal agency that oversees that the **public housing and housing choice voucher (HCV) programs** are in compliance with VAWA.

---

<sup>5</sup>Despite the name of this law, VAWA protection is available to all victims of domestic violence, dating violence, sexual assault, and stalking, regardless of sex, gender identity, or sexual orientation.

<sup>6</sup>Housing providers cannot discriminate on the basis of any protected characteristic, including race, color, national origin, religion, sex, familial status, disability, or age. HUD-assisted and HUD-insured housing must be made available to all otherwise eligible individuals regardless of actual or perceived sexual orientation, gender identity, or marital status.

## **Eligibility for Emergency Transfers**

A tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking, as provided in HUD's regulations at 24 CFR part 5, subpart L, is eligible for an emergency transfer if the tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant remains within the same unit. If the tenant is a victim of sexual assault, the tenant may also be eligible to transfer if the sexual assault occurred on the premises within the 90-calendar-day period preceding a request for an emergency transfer.

A tenant requesting an emergency transfer must expressly request the transfer in accordance with the procedures described in this plan.

Tenants who are not in good standing may still request an emergency transfer if they meet the eligibility requirements in this section.

## **Emergency Transfer Request Documentation**

To request an emergency transfer, the tenant shall notify HACCC's management office and submit a written request for a transfer to **any HACCC office**. HACCC will provide reasonable accommodations to this policy for individuals with disabilities. The tenant's written request for an emergency transfer should include either:

1. A statement expressing that the tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant were to remain in the same dwelling unit assisted under HACCC's program; OR
2. A statement that the tenant was a sexual assault victim and that the sexual assault occurred on the premises during the 90-calendar-day period preceding the tenant's request for an emergency transfer.

## **Confidentiality**

HACCC will keep confidential any information that the tenant submits in requesting an emergency transfer, and information about the emergency transfer, unless the tenant gives the PHA written permission to release the information on a time-limited basis, or disclosure of the information is required by law or required for use in an eviction proceeding or hearing regarding termination of assistance from the covered program. This includes keeping confidential the new location of the dwelling unit of the tenant, if one is provided, from the person or persons that committed an act of domestic violence, dating violence, sexual assault, or stalking against the tenant. See the Notice of Occupancy Rights under the Violence against Women Act for All Tenants for more information about HACCC's responsibility to maintain the confidentiality of information related to incidents of domestic violence, dating violence, sexual assault, or stalking.

## **Emergency Transfer Timing and Availability**

HACCC cannot guarantee that a transfer request will be approved or how long it will take to process a transfer request. HACCC will, however, act as quickly as possible to move a tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking to another unit, subject to availability and safety of a unit. If a tenant reasonably believes a proposed transfer would not be safe, the tenant may request a transfer to a different unit. If a unit is available, the transferred tenant must agree to abide by the terms and conditions that govern occupancy in the unit to which the tenant has been transferred. HACCC may be unable to transfer a tenant to a particular unit if the tenant has not or cannot establish eligibility for that unit.

If HACCC has no safe and available units for which a tenant who needs an emergency transfer is eligible, HACCC will assist the tenant in identifying other housing providers who may have safe and available units to which the tenant could move. At the tenant's request, HACCC will also assist tenants in contacting the local organizations offering assistance to victims of domestic violence, dating violence, sexual assault, or stalking that are attached to this plan.

## **Emergency Transfers: Housing Choice Voucher (HCV) Program**

Tenant-based assistance: If you are a participant in the tenant-based HCV program and request an emergency transfer as described in this plan, HACCC will assist you to move to a safe unit

quickly using your existing voucher assistance. HACCC will make exceptions to program regulations restricting moves as required.

At your request, HACCC will refer you to organizations that may be able to further assist you.

Project-based assistance: If you are assisted under the project-based voucher (PBV) program, you may request an emergency transfer under the following programs for which you are not required to apply:

- Tenant-based voucher, if available
- Project-based assistance in the same project (if a vacant unit is available and you determine that the vacant unit is safe)
- Project-based assistance in another development owned by HACCC

Emergency transfers under VAWA will take priority over waiting list admissions for these types of assistance.

You may also request an emergency transfer under the following programs for which you are required to apply:

- Public housing program
- PBV assistance in another development not owned by HACCC

Emergency transfers will not take priority over waiting list admissions for these programs. At your request, HACCC will refer you to organizations that may be able to further assist you.

### **Safety and Security of Tenants**

Pending processing of the transfer and the actual transfer, if it is approved and occurs, the tenant is urged to take all reasonable precautions to be safe.

Tenants who are or have been victims of domestic violence are encouraged to contact the National Domestic Violence Hotline at 1-800-799-7233, or a local domestic violence shelter, for assistance in creating a safety plan. For persons with hearing impairments, that hotline can be accessed by calling 1-800-787-3224 (TTY).

Tenants who have been victims of sexual assault may call the Rape, Abuse, and Incest National Network's National Sexual Assault Hotline at 1-800-656-HOPE, or visit the online hotline at <https://ohl.rainn.org/online/>.

Tenants who are or have been victims of stalking seeking help may visit the National Center for Victims of Crime's Stalking Resource Center at <https://www.victimsofcrime.org/our-programs/stalking-resource-center>.

REQUEST FOR CERTAIN  
VICTIMS OF DOMESTIC  
VIOLENCE, DATING VIOLENCE,  
SEXUAL ASSAULT, OR STALKING**

**U.S. Department of Housing  
and Urban Development**

OMB Approval No. 2577-0286  
Exp. 06/30/2017

**Purpose of Form:** If you are a victim of domestic violence, dating violence, sexual assault, or stalking, and you are seeking an emergency transfer, you may use this form to request an emergency transfer and certify that you meet the requirements of eligibility for an emergency transfer under the Violence Against Women Act (VAWA). Although the statutory name references women, VAWA rights and protections apply to all victims of domestic violence, dating violence, sexual assault or stalking. Using this form does not necessarily mean that you will receive an emergency transfer. See your housing provider's emergency transfer plan for more information about the availability of emergency transfers.

**The requirements you must meet are:**

**(1) You are a victim of domestic violence, dating violence, sexual assault, or stalking.**

If your housing provider does not already have documentation that you are a victim of domestic violence, dating violence, sexual assault, or stalking, your housing provider may ask you for such documentation. In response, you may submit Form HUD-5382, or any one of the other types of documentation listed on that Form.

**(2) You expressly request the emergency transfer.** Submission of this form confirms that you have expressly requested a transfer. Your housing provider may choose to require that you submit this form, or may accept another written or oral request. Please see your housing provider's emergency transfer plan for more details.

**(3) You reasonably believe you are threatened with imminent harm from further violence if you remain in your current unit.** This means you have a reason to fear that if you do not receive a transfer you would suffer violence in the very near future.

**OR**

**You are a victim of sexual assault and the assault occurred on the premises during the 90-calendar-day period before you request a transfer.** If you are a victim of sexual assault, then in addition to qualifying for an emergency transfer because you reasonably believe you are threatened with imminent harm from further violence if you remain in your unit, you may qualify for an emergency transfer if the sexual assault occurred on the premises of the property from which you are seeking your transfer, and that assault happened within the 90-calendar-day period before you submit this form or otherwise expressly request the transfer.

**Submission of Documentation:** If you have third-party documentation that demonstrates why you are eligible for an emergency transfer, you should submit that documentation to your housing provider if it is safe for you to do so. Examples of third party documentation include, but are not limited to: a letter or other documentation from a victim service provider, social worker, legal assistance provider, pastoral counselor, mental health provider, or other professional from whom you have sought assistance; a current restraining order; a recent court order or other court records; a law enforcement report or records; communication records from the perpetrator of the violence or family members or friends of the perpetrator of the violence, including emails, voicemails, text messages, and social media posts.

**Confidentiality:** All information provided to your housing provider concerning the incident(s) of domestic violence, dating violence, sexual assault, or stalking, and concerning your request for an emergency transfer shall be kept confidential. Such details shall not be entered into any shared database. Employees of your housing provider are not to have access to these details unless to grant or deny VAWA protections or an emergency transfer to you. Such employees may not disclose this information to any other entity or individual, except to the extent that disclosure is: (i) consented to by you in writing in a time-limited release; (ii) required for use in an eviction proceeding or hearing regarding termination of assistance; or (iii) otherwise required by applicable law.

**TO BE COMPLETED BY OR ON BEHALF OF THE PERSON REQUESTING A TRANSFER**

**EXHIBIT 16-5: SAMPLE NOTICE TO HOUSING CHOICE VOUCHER OWNERS AND MANAGERS REGARDING THE VIOLENCE AGAINST WOMEN ACT (VAWA)**

*This sample notice was adapted from a notice prepared by the National Housing Law Project.*

A federal law that went into effect in 2013 protects individuals who are victims of domestic violence, dating violence, sexual assault, and stalking. The name of the law is the Violence against Women Act, or “VAWA.” This notice explains your obligations under VAWA.

**Protections for Victims**

You cannot refuse to rent to an applicant solely because he or she is or has been a victim of domestic violence, dating violence, sexual assault, or stalking.

You cannot evict a tenant who is or has been the victim of domestic violence, dating violence, sexual assault, or stalking based on acts or threats of violence committed against the victim. Also, criminal acts directly related to the domestic violence, dating violence, sexual assault, or stalking that are caused by a household member or guest cannot be cause for evicting the victim of the abuse.

**Permissible Evictions**

You can evict a victim of domestic violence, dating violence, sexual assault, or stalking if you can demonstrate that there is an *actual and imminent* (immediate) threat to other tenants or employees at the property if the victim is not evicted. Also, you may evict a victim for serious or repeated lease violations that are not related to the domestic violence, dating violence, sexual assault, or stalking. You cannot hold a victim of domestic violence, dating violence, sexual assault, or stalking to a more demanding standard than you hold tenants who are not victims.

**Removing the Abuser from the Household**

You may bifurcate (split) the lease to evict a tenant who has committed criminal acts of violence against family members or others, while allowing the victim and other household members to stay in the unit. If you choose to remove the abuser, you may not take away the remaining tenants’ rights to the unit or otherwise punish the remaining tenants. In removing the abuser from the household, you must follow federal, state, and local eviction procedures.

**Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking**

If a tenant asserts VAWA’s protections, you can ask the tenant to certify that he or she is a victim of domestic violence, dating violence, sexual assault, or stalking. You are not required to demand official documentation and may rely upon the victim’s statement alone. If you choose to request certification, you must do so in writing and give the tenant at least 14 business days to provide documentation. You are free to extend this deadline. A tenant can certify that he or she is a victim by providing any one of the following three documents:

A completed, signed HUD-approved certification form. The most recent form is HUD-5382.

This form is available at the housing authority or online at <https://portal.hud.gov/hudportal/documents/huddoc?id=5382.docx>.

A statement from a victim service provider, attorney, mental health professional, or medical professional who has helped the victim address incidents of domestic violence, dating violence, sexual assault, or stalking. The professional must state that he or she believes that

the incidents of abuse are real. Both the victim and the professional must sign the statement under penalty of perjury.

A police or court record, such as a protective order, or administrative record.

If the tenant fails to provide one of these documents within 14 business days, you may evict the tenant if authorized by otherwise applicable law and lease provisions.

### **Confidentiality**

You must keep confidential any information a tenant provides to certify that he or she is a victim of domestic violence, dating violence, sexual assault, or stalking. You cannot enter the information into a shared database or reveal it to outside entities unless:

The tenant provides written permission releasing the information.

The information is required for use in an eviction proceeding, such as to evict the abuser.

Release of the information is otherwise required by law.

The victim should inform you if the release of the information would put his or her safety at risk.

### **VAWA and Other Laws**

VAWA does not limit your obligation to honor court orders regarding access to or control of the property. This includes orders issued to protect the victim and orders dividing property among household members in cases where a family breaks up.

VAWA does not replace any federal, state, or local law that provides greater protection for victims of domestic violence, dating violence, sexual assault, or stalking.

### **Additional Information**

If you have any questions regarding VAWA, please contact \_\_\_\_\_.

### **Definitions**

For purposes of determining whether a tenant may be covered by VAWA, the following list of definitions applies:

VAWA defines *domestic violence* to include felony or misdemeanor crimes of violence committed by any of the following:

A current or former spouse or intimate partner of the victim

A person with whom the victim shares a child in common

A person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner

A person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies

Any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction

VAWA defines *dating violence* as violence committed by a person (1) who is or has been in a social relationship of a romantic or intimate nature with the victim AND (2) where the existence of such a relationship shall be determined based on a consideration of the following factors:

The length of the relationship

The type of relationship

The frequency of interaction between the persons involved in the relationship

VAWA defines *sexual assault* as “any nonconsensual sexual act proscribed by federal, tribal, or state law, including when the victim lacks capacity to consent” (42 U.S.C. 13925(a)).

VAWA defines *stalking* as engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for his or her safety or the safety of others, or suffer substantial emotional distress.

**CHAPTER 17**  
**PROJECT-BASED VOUCHERS**  
**[24 CFR 983]**

This chapter describes HUD regulations and HACCC policies related to the project-based voucher (PBV) program in nine parts:

**Part I: General Requirements.** This part describes general provisions of the PBV program including maximum budget authority requirements, relocation requirements, and equal opportunity requirements.

**Part II: PBV Owner Proposals.** This part includes policies related to the submission and selection of owner proposals for PBV assistance. It describes the factors HACCC will consider when selecting proposals, the type of housing that is eligible to receive PBV assistance, the cap on assistance at projects receiving PBV assistance, subsidy layering requirements, site selection standards, and environmental review requirements.

**Part III: Dwelling Units.** This part describes requirements related to housing quality standards, the type and frequency of inspections, and housing accessibility for persons with disabilities.

**Part IV: Rehabilitated and Newly Constructed Units.** This part describes requirements and policies related to the development and completion of rehabilitated and newly constructed housing units that will be receiving PBV assistance.

**Part V: Housing Assistance Payments Contract.** This part discusses HAP contract requirements and policies including the execution, term, and termination of the HAP contract. In addition, it describes how the HAP contract may be amended and identifies provisions that may be added to the HAP contract at HACCC's discretion.

**Part VI: Selection of PBV Program Participants.** This part describes the requirements and policies governing how HACCC and the owner will select a family to receive PBV assistance.

**Part VII: Occupancy.** This part discusses occupancy requirements related to the lease, and describes under what conditions families are allowed or required to move. In addition, exceptions to the occupancy cap (which limits PBV assistance to 25 percent of the units in any project) are also discussed.

**Part VIII: Determining Rent to Owner.** This part describes how the initial rent to owner is determined, and how rent will be re-determined throughout the life of the HAP contract. Rent reasonableness requirements are also discussed.

**Part IX: Payments to Owner.** This part describes the types of payments owners may receive under this program.

## Part I: General Requirements

### 17-I.A. OVERVIEW

[24 CFR 983.5; FR Notice 1/18/17; Notice PIH 2017-21]

The project-based voucher (PBV) program allows HACCC that already administer a tenant-based voucher program under an annual contributions contract (ACC) with HUD to take up to 20 percent of its authorized units and attach the funding to specific units rather than using it for tenant-based assistance [24 CFR 983.6]. HACCC may only operate a PBV program if doing so is consistent with HACCC's Annual Plan, and the goal of de-concentrating poverty and expanding housing and economic opportunities [42 U.S.C. 1437f(o)(13)].

#### HACCC Policy

HACCC will operate a project-based voucher program using up to 20 percent of its authorized units for project-based voucher assistance.

An additional 10 percent of the authorized units can be made available for PBV assistance. The units may be distributed among one, all, or a combination of the categories as long as the total number of units does not exceed the 10 percent cap. Units qualify under this exception if the units:

- Are specifically made available to house individuals and families that meet the definition of homeless under section 103 of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11302) and contained in the Continuum of Care Interim Rule at 24 CFR 578.3.
- Are specifically made available to house families that are comprised of or include a veteran.
  - *Veteran* means an individual who has served in the United States Armed Forces.
- Provide supportive housing to persons with disabilities or elderly persons as defined in 24 CFR 5.403.

Support Services may include the following:

- Meal service adequate to meet nutritional need;
  - Housekeeping aid;
  - Personal assistance;
  - Transportation services;
  - Health-related services;
  - Educational and employment services; or
  - Other services designed to help the recipient live in the community as independently as possible.
- Are located in a census tract with a poverty rate of 20 percent or less, as determined in the most recent American Community Survey Five-Year Estimates.

Prior to issuing assistance for an additional 10 percent of the authorized units for PBV assistance, HACCC shall submit to the HUD Field Office the following:

1. The total number of units authorized under the ACC including HUD-VASH and Family Unification Program (FUP) vouchers and how many units are excluded from the total PBV commitment to date, if applicable;
2. Total number of units currently committed for PBV under HAP, AHAP or selected and specify the number of units excluded from the baseline PBV units;
3. The number of units to which HACCC is proposing to attached PBV assistance through the RFP or selection;

The notice must be submitted to HUD no later than 14 days prior to the issuance of an RFP or selection is made to exceed the 20 percent cap on PBV assistance.

### **17-I.A.1 Units Not Subject To PBV Program Unit Limitation**

PBV units under the RAD program and HUD-VASH PBV set-aside vouchers do not count toward the 20 percent limitation when PBV assistance is attached to them.

In addition, units that were previously subject to certain federal rent restrictions or were receiving another type of long-term housing subsidy provided by HUD are not subject to the cap. The unit must be covered under a PBV HAP contract that first became effective on or after 4/18/17.

1. The unit must meet the following conditions in order to qualify for this exception:
  - (a) In the 5 years prior to the date the PHA either (i) issued the RFP under which the project was selected or (ii) selected the project based on a prior competition or without competition, the unit met at least one of the two following conditions:
    - (i) The unit received one of the following forms of HUD assistance:
      - (a) Public Housing Capital or Operating Funds (section 9 of the 1937 Act).
      - (b) Project-Based Rental Assistance (section 8 of the 1937 Act). Project-based rental assistance under section 8 includes the section 8 moderate rehabilitation program, including the single-room occupancy (SRO) program.
      - (c) Housing For the Elderly (section 202 of the Housing Act of 1959).
      - (d) Housing for Persons With Disabilities (section 811 of the Cranston- Gonzalez National Affordable Housing Act).
      - (e) The Rent Supplement (Rent Supp) program (section 101 of the Housing and Urban Development Act of 1965).
      - (f) Rental Assistance Program (RAP) (section 236(f)(2) of the National Housing Act).
    - (ii) The unit was subject to a rent restriction as a result of one of the following HUD loan or insurance programs:
      - (a) Section 236.
      - (b) Section 221(d)(3) or (d)(4) BMIR.
      - (c) Housing For the Elderly (section 202 of the Housing Act of 1959).

- (d) Housing for Persons With Disabilities (section 811 of the Cranston- Gonzalez National Affordable Housing Act).
2. For New Construction units, to qualify for the exception as replacement housing, the project must meet all of the following criteria
    - a. The units must have been assisted with one of the forms of assistance listed above no more than 5 years from the date of the RFP or selection date of the project under non-competitive selection;
    - b. The new construction project is located on the site of the original project;
    - c. One of the primary purposes of the new construction project is or was to replace the affordable rental units that previously existed at the site as evidenced by one of the following:
      - i. Former residents are provided with a preference for the right of first occupancy of the replacement units;
      - ii. Prior to demolition, the project was specifically identified as replacement housing for the original project.
  3. The unit size configuration for the new construction units may differ from the original unit size configurations and the number of PBV assisted units may differ from the original project. However, under no circumstance may the program exception limitation be applied to PBV new construction units that exceed the total number of covered units from the original project.
  4. Standard criteria for selection of projects and the units to which project-based assistance can be attached, including consistency with the PHA Plan, the goals of deconcentrating poverty and expanding housing and economic opportunities, site selection, and all civil rights requirements, are still in effect.

Prior to issuance of an RFP or selection under a non-competitive selection process, HACCC must notify HUD 14 days in advance of the number of units it will attach PBV assistance to and indicate the specific exception that covers the units. An email must be sent to pbvsubmissions@hud.gov with a copy to the local field office PIH director.

### **17-I.A.2 Other Units Not Subject to the PBV Program Unit Exception**

In addition to the units listed above, other units are not subject to the program limitation calculation and would be excluded in the total number of authorize units and the total number of PBV units currently committed to PBV that the PHA submits to the field office. The units are as follows:

- a. PBV Units under the RAD Demonstration Program
- b. HUD -VASH Set Aside - The exception only applies to HUD-VASH that were awarded to HACCC through the HUD-VASH PBV Set-Aside funding process. All other VASH vouchers including and that HACCC chooses to project-base are still subject to the PBV program limitations.

### **17-I.A.3 Income-Mixing Project Cap Exemptions**

Projects listed in 17-I.A.1 above are further exempted from the cap on the number of units receiving PBV assistance in any project. For these projects, 100% of the units can be assisted with PBV assistance. Provisions of 17-I.A.1.(2) (3) (4) shall be applicable to these projects.

This provision does not apply to units that were receiving PBV assistance prior to the effective date of April 18, 2017 of the HOTMA implementation guidance .

PBV HAP Contracts are considered legally binding obligations by HACCC and shall be the last units affected by any HACCC efforts to respond to insufficient funding. PBV assistance may be attached to existing housing or newly constructed or rehabilitated housing [24 CFR 983.52]. If PBV units are already selected for project-based assistance either under an agreement to enter into HAP Contract (Agreement) or a HAP contract, HACCC is not required to reduce the number of these units if the amount of budget authority is subsequently reduced. However, HACCC is responsible for determining the number of units that are available for project-based vouchers and ensuring that the number of units that are assisted with PBV assistance are within the available units under the ACC [24 CFR 983.6]. HACCC shall also ensure that the amount of funding for the assistance attached to the units is available under the ACC.

#### **17-I.B. TENANT-BASED VS. PROJECT-BASED VOUCHER ASSISTANCE**

[24 CFR 983.2]

Much of the tenant-based voucher program regulations also apply to the PBV program. Consequently, many of HACCC's policies related to tenant-based assistance also apply to PBV assistance. The provisions of the tenant-based voucher regulations that do not apply to the PBV program are listed at 24 CFR 983.2.

##### HACCC Policy

Except as otherwise noted in this chapter, or unless specifically prohibited by PBV program regulations, HACCC's policies for the tenant-based voucher program contained in this administrative plan also apply to the PBV program and its participants.

#### **17-I.C. RELOCATION REQUIREMENTS**

[24 CFR 983.7]

Any persons displaced as a result of implementation of the PBV program must be provided relocation assistance in accordance with the requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA)[42 U.S.C. 4201-4655] and implementing regulations at 49 CFR part 24.

The cost of required relocation assistance may be paid with funds provided by the owner, local public funds, or funds available from other sources. HACCC may not use voucher program funds to cover relocation costs, except that HACCC may use their administrative fee reserve to pay for relocation expenses after all other program administrative expenses are satisfied, and provided that payment of the relocation benefits is consistent with state and local law. Use of the administrative fee for these purposes must also be consistent with other legal and regulatory requirements, including the requirement in 24 CFR 982.155 and other official HUD issuances.

The acquisition of real property for a PBV project is subject to the URA and 49 CFR part 24, subpart B. It is the responsibility of HACCC to ensure the owner complies with these requirements.

#### **17-I.D. EQUAL OPPORTUNITY REQUIREMENTS**

[24 CFR 983.8]

HACCC must comply with all equal opportunity requirements under federal law and regulations in its implementation of the PBV program. This includes the requirements and authorities cited at 24 CFR 5.105(a). In addition, HACCC must comply with HACCC's Administrative Plan certification on civil rights and affirmatively furthering fair housing, submitted in accordance with 24 CFR 903.7(o).

## **Part II: PBV Owner Proposals**

### **17-II.A. OVERVIEW**

HACCC must describe the procedures for owner submission of PBV proposals and for HACCC selection of PBV proposals [24 CFR 983.51]. Before selecting a PBV proposal, HACCC must determine that the PBV proposal complies with HUD program regulations and requirements, including a determination that the property is eligible housing [24 CFR 983.53 and 983.54], complies with the cap on the number of PBV units per project [24 CFR 983.56], and meets the site selection standards [24 CFR 983.57].

### **17-II.B. OWNER PROPOSAL SELECTION PROCEDURES**

[24 CFR 983.51]

HACCC must select PBV proposals in accordance with the selection procedures in HACCC's administrative plan. HACCC must select PBV proposals by either of the following two methods.

- HACCC's request for PBV Proposals. HACCC may solicit proposals by using a request for proposals to select proposals on a competitive basis in response to HACCC's request. HACCC may not limit proposals to a single site or impose restrictions that explicitly or practically preclude owner submission of proposals for PBV housing on different sites.
- HACCC may select proposals that were previously selected based on a competition. This may include selection of a proposal for housing assisted under a federal, state, or local government housing assistance program that was subject to a competition in accordance with the requirements of the applicable program, community development program, or supportive services program that requires competitive selection of proposals (e.g., HOME, and units for which competitively awarded LIHTCs have been provided), where the proposal has been selected in accordance with such program's competitive selection requirements within three years of the PBV proposal selection date, and the earlier competitive selection proposal did not involve any consideration that the project would receive PBV assistance.

### **Units Selected Non-Competitively [FR Notice 1/18/17; Notice PIH 2017-21]**

For certain public housing projects where the PHA has an ownership interest or control and will spend a minimum amount per unit on rehabilitation or construction, the PHA may select a project without following one of the two processes above.

#### PHA Policy

The PHA may attach PBVs to projects owned by the PHA as described above.

### **Solicitation And Selection Of PBV Proposals [24 CFR 983.51(c)]**

Prior to issuing a request for proposals (RFP) for a competitive selection process or prior to selection of a project in a non-competitive selection process, HACCC shall submit to the HUD Field Office the following:

4. The total number of units authorized under the ACC including HUD-VASH and Family Unification Program (FUP) vouchers and how many units are excluded from the total PBV commitment to date, if applicable;
5. Total number of units currently committed for PBV under HAP, AHAP or selected and specify the number of units excluded from the baseline PBV units;
6. The number of units to which HACCC is proposing to attached PBV assistance through the RFP or selection;

The notice must be submitted to HUD no later than 14 days prior to the issuance of an RFP or selection is made to pbvsubmissions@hud.gov and copied to the field office PIH director.

HACCC procedures for selecting PBV proposals must be designed and actually operated to provide broad public notice of the opportunity to offer PBV proposals for consideration by HACCC. The public notice procedures may include publication of the public notice in a local newspaper of general circulation and other means designed and actually operated to provide broad public notice. The public notice of HACCC's request for PBV proposals must specify the submission deadline. Detailed application and selection information must be provided at the request of interested parties.

### **HACCC Request For Proposals For Rehabilitated And Newly Constructed Units**

#### HACCC Policy

HACCC will advertise its request for proposals (RFP) for rehabilitated and newly constructed housing in the following newspaper of County-wide general circulation:

- Contra Costa Times

In addition, HACCC will post the RFP and proposal submission and rating and ranking procedures on its electronic web site.

HACCC will publish its advertisement in the newspapers and trade journals mentioned above for at least one day per week for three consecutive weeks. The advertisement will specify the number of units HACCC estimates that will be able to assist under the funding HACCC is making available. Proposals will be due in HACCC's office by close of business 30 calendar days from the date of the last publication.

In order for the proposal to be considered, the owner must submit the proposal to HACCC by the published deadline date, and the proposal must respond to all requirements as outlined in the RFP. Incomplete proposals will not be reviewed.

HACCC will rate and rank proposals for rehabilitated and newly constructed housing using the following criteria:

- Owner experience and capability to build or rehabilitate housing as identified in the RFP;
- Extent to which the project furthers HACCC's goal of de-concentrating poverty and expanding housing and economic opportunities;
- If applicable, the extent to which services for special populations are provided on site or in the immediate area for occupants of the property; and

### HACCC Requests For Proposals For Existing Housing Units

HACCC will advertise its request for proposals (RFP) for existing housing in the following County-wide, general circulation newspaper:

- Contra Costa Times

In addition, HACCC will post the notice inviting such proposal submission and the rating and ranking procedures on its electronic web site.

HACCC will periodically publish its advertisement in the newspapers and trade journals mentioned above for at least two days per week for two consecutive weeks. The advertisement will specify the number of units HACCC estimates that it will be able to assist under the funding HACCC is making available. Owner proposals will be accepted on a first-come, first-served basis and will be evaluated using the following criteria:

Experience as an owner in the tenant-based voucher program and owner compliance with the owner's obligations under the tenant-based program;

Extent to which the project furthers HACCC's goal of de-concentrating poverty and expanding housing and economic opportunities;

If applicable, extent to which services for special populations are provided on site or in the immediate area for occupants of the property; and

Extent to which units are occupied by families that are eligible to participate in the PBV program.

### **HACCC's Selection Of Proposals Subject To A Previous Competition Under A Federal, State, Or Local Housing Assistance Program**

HACCC will accept proposals for PBV assistance from owners that were competitively selected under another federal, state or local housing assistance program, including projects that were competitively awarded Low-Income Housing Tax Credits on an ongoing basis.

HACCC may periodically advertise that it is accepting proposals, in the following County-wide, general circulation newspaper:

- Contra Costa Times

In addition to, or in place of advertising, HACCC may also directly contact specific owners that have already been selected for Federal, state, or local housing assistance based on a previously held competition, to inform them of available PBV assistance.

Proposals will be reviewed on a first-come first-served basis. HACCC will evaluate each proposal on its merits using the following factors:

- Extent to which the project furthers HACCC's goal of de-concentrating poverty and expanding housing and economic opportunities; and
- Extent to which the proposal complements other local activities such as the redevelopment of a public housing site under the HOPE VI program, the HOME program, CDBG activities, other development activities in a HUD-designated Enterprise Zone, Economic Community, or Renewal Community.

## **HACCC-Owned Units [24 CFR 983.51(e), 983.59, and FR Notice 1/18/17, and Notice PIH 2017-21]**

HACCC-owned units may be assisted under the PBV program only if the HUD field office or HUD-approved independent entity reviews the selection process and determines that HACCC-owned units were appropriately selected based on the selection procedures specified in HACCC's administrative plan. If HACCC selects a proposal for housing that is owned or controlled by HACCC, HACCC must identify the entity that will review HACCC's proposal selection process and perform specific functions with respect to rent determinations and inspections.

In the case of PHA-owned units, the term of the HAP contract and any HAP contract renewal must be agreed upon by the PHA and a HUD-approved independent entity. In addition, an independent entity must determine the rent to owner, the redetermined rent to owner, and reasonable rent. Housing quality standards inspections must also be conducted by an independent entity.

The independent entity that performs these program services may be the unit of general local government for HACCC's jurisdiction (unless HACCC is itself the unit of general local government or an agency of such government) or another HUD-approved public or private independent entity.

### **HACCC Policy**

HACCC may submit a proposal for project-based housing that is owned or controlled by HACCC. If the proposal for HACCC-owned housing is selected, HACCC will use a standard or high performer housing authority in or adjacent to Contra Costa County to review HACCC's selection and to administer the PBV program. HACCC will obtain HUD approval of the preferred standard or high performer housing authority in or adjacent to Contra Costa County prior to selecting the proposal for HACCC-owned housing.

HACCC may only compensate the independent entity and appraiser from HACCC's ongoing administrative fee income (including amounts credited to the administrative fee reserve). HACCC may not use other program receipts to compensate the independent entity and appraiser for their services. HACCC, independent entity, and appraiser may not charge the family any fee for the appraisal or the services provided by the independent entity.

### **HACCC Notice Of Owner Selection [24 CFR 983.51(D)]**

HACCC must give prompt written notice to the party that submitted a selected proposal and must also give prompt public notice of such selection. Public notice procedures may include publication of public notice in a local newspaper of general circulation and other means designed and actually operated to provide broad public notice.

### **HACCC Policy**

Within 15 business days of HACCC making the selection, HACCC will notify the selected owner in writing of the owner's selection for the PBV program. HACCC will also notify in writing all owners that submitted proposals that were not selected and advise such owners of the name of the selected owner.

In addition, HACCC will publish its notice for selection of PBV proposals in the same newspapers and trade journals HACCC used to solicit the proposals. The announcement will include the name of the owner that was selected for the PBV program. HACCC will also post the notice of owner selection on its electronic web site.

HACCC will make available to any interested party its rating and ranking sheets and documents that identify HACCC's basis for selecting the proposal. These documents will be available for review by the public and other interested parties for one month after publication of the notice of owner selection. HACCC will not make available sensitive owner information that is privileged, such as financial statements and similar information about the owner.

HACCC will make these documents available for review at HACCC during normal business hours. The cost for reproduction of allowable documents will be in accordance with the established schedule of fees and charges in effect at the time.

### **17-II.C. HOUSING TYPE**

[24 CFR 983.52]

HACCC may attach PBV assistance for units in existing housing or for newly constructed or rehabilitated housing developed under and in accordance with an agreement to enter into a housing assistance payments contract that was executed prior to the start of construction. A housing unit is considered an existing unit for purposes of the PBV program, if, at the time of notice of HACCC's selection, the units substantially comply with HQS. Units for which new construction or rehabilitation began after the owner's proposal submission but prior to the execution of the HAP do not subsequently qualify as existing housing. Units that were newly constructed or rehabilitated in violation of program requirements also do not qualify as existing housing.

HACCC must decide what housing type, new construction, rehabilitation, or existing housing, will be used to develop project-based housing. HACCC's choice of housing type must be reflected in its solicitation for proposals.

Rehabilitated and Newly Constructed units are defined to mean units that require \$3000 or more in improvements including the per unit costs of common area improvements.

Existing Housing units are defined to mean units that require less than \$3000 in improvements including the per unit costs of common area improvements.

### **17-II.D. PROHIBITION OF ASSISTANCE FOR CERTAIN UNITS**

#### **Ineligible Housing Types [24 CFR 983.53]**

HACCC may not attach or pay PBV assistance to shared housing units; units on the grounds of a penal reformatory, medical, mental, or similar public or private institution; nursing homes or facilities providing continuous psychiatric, medical, nursing services, board and care, or intermediate care (except that assistance may be provided in assisted living facilities); units that are owned or controlled by an educational institution or its affiliate and are designated for occupancy by students; manufactured homes; cooperative housing; and transitional housing. In addition, HACCC may not attach or pay PBV assistance for a unit occupied by an owner and HACCC may not select or enter into an agreement to enter into a HAP contract or HAP contract

for a unit occupied by a family ineligible for participation in the PBV program. A member of a cooperative who owns shares in the project assisted under the PBV program is not considered an owner for purposes of participation in the PBV program. Finally, PBV assistance may not be attached to units for which construction or rehabilitation has started after the proposal submission and prior to the execution of an AHAP.

### **Subsidized Housing [24 CFR983.54]**

HACCC may not attach or pay PBV assistance to units in any of the following types of subsidized housing:

- A public housing unit;
- A unit subsidized with any other form of Section 8 assistance;
- A unit subsidized with any governmental rent subsidy;
- A unit subsidized with any governmental subsidy that covers all or any part of the operating costs of the housing;
- A unit subsidized with Section 236 rental assistance payments (except that HACCC may attach assistance to a unit subsidized with Section 236 interest reduction payments);
- A Section 202 project for non-elderly with disabilities;
- Section 811 project-based supportive housing for persons with disabilities;
- Section 202 supportive housing for the elderly;
- A Section 101 rent supplement project;
- A unit subsidized with any form of tenant-based rental assistance;
- A unit with any other duplicative federal, state, or local housing subsidy, as determined by HUD or HACCC in accordance with HUD requirements.

### **17-II.E. SUBSIDY LAYERING REQUIREMENTS [24 CFR 983.55, FR Notice 11/24/08, FR Notice 7/9/10, and FR Notice 6/25/14]**

HACCC may provide PBV assistance only in accordance with HUD subsidy layering regulations [24 CFR 4.13] and other requirements.

The subsidy layering review is intended to prevent excessive public assistance by combining (layering) housing assistance payment subsidy under the PBV program with other governmental housing assistance from federal, state, or local agencies, including assistance such as tax concessions or tax credits.

Subsidy layering requirements do not apply to existing housing. A further subsidy layering review is not required for new construction or rehabilitation if HUD's designee has conducted a review that included a review of PBV assistance in accordance with the PBV subsidy layering guidelines.

HACCC must submit the necessary documentation to HUD for a subsidy layering review. Except in cases noted above, HACCC may not enter into an agreement to enter into a HAP contract or a HAP contract until HUD or a HUD-approved housing credit agency (HCA) has conducted any required subsidy layering review and determined that the PBV assistance is in accordance with HUD subsidy layering requirements.

The HAP contract must contain the owner's certification that the project has not received and will not receive (before or during the term of the HAP contract) any public assistance for

acquisition, development, or operation of the housing other than assistance disclosed in the subsidy layering review in accordance with HUD requirements. However, in order to satisfy applicable requirements, HCAs must conduct subsidy layering reviews in compliance with the guidelines set forth in the *Federal Register* notice published July 9, 2010.

If before or during the HAP Contract, the owner receives additional HUD or other governmental assistance for the project that results in an increase in project financing in an amount that is equal to or greater than 10 percent of the original development budget, the owner must report such changes to HACCC and HACCC must notify the Housing Credit Agency or HUD (if there is no participating HCA in their jurisdiction), that a further subsidy layering review is required.

## **17-II.F. CAP ON NUMBER OF PBV UNITS IN EACH PROJECT**

### **25 Percent Per Project Cap [24 CFR 983.56(a), FR Notice 1/18/17, and Notice PIH 2017-21]**

In general, HACCC may not select a proposal to provide PBV assistance for units in a project or enter into an agreement to enter into a HAP or a HAP contract to provide PBV assistance for units in a project, if the total number of dwelling units in the project that will receive PBV assistance during the term of the PBV HAP contract is more than the greater of 25 units or 25 percent of the number of dwelling units (assisted or unassisted) in the project.

### **Exceptions To 25 Percent Per Project Cap [24 CFR 983.56(b); Notice PIH 2017-21]**

As of April 18, 2017, units are not counted against the 25 percent per project cap if:

- The units are exclusively for elderly families
- The units are for households eligible for supportive services available to all families receiving PBV assistance in the project
- If the project is located in a census tract with a poverty rate of 20 percent or less, as determined in the most recent American Community Survey Five-Year estimates, the project cap is the greater of 25 units or 40 percent (instead of 25 percent) of the units in the project [FR Notice 7/14/17].

The Housing Opportunity Through Modernization Act of 2016 (HOTMA) eliminated the project cap exemption for projects that serve disabled families and modified the exception for supportive services. Projects where these caps were implemented prior to HOTMA (HAP contracts executed prior to 4/18/17) may continue to use the former exceptions and may renew their HAP contracts under the old requirements, unless the PHA and owner agree to change the conditions of the HAP contract. However, this change may not be made if it would jeopardize an assisted family's eligibility for continued assistance in the project.

PHAs must include in the PHA administrative plan the type of services offered to families for a project to qualify for the exception and the extent to which such services will be provided. As of 4/18/17, the project must make supportive services available to all families receiving PBV assistance in the project, but the family does not actually have to accept and receive supportive services for the exception to apply to the unit. It is not necessary that the services be provided at or by the project, but must be reasonably available to families receiving PBV assistance at the project and designed to help families in the project achieve self-sufficiency or live in the community as independently as possible. A PHA may not require participation in the supportive service as a condition of living in the excepted unit, although such services may be offered.

If a family at the time of initial tenancy is receiving, and while the resident of an excepted unit has received, FSS supportive services or any other supportive services as defined in HACCC's administrative plan, and successfully completes the FSS contract of participation or the supportive services requirement, the unit continues to count as an excepted unit for as long as the family resides in the unit.

#### HACCC Policy

HACCC will provide PBV assistance for excepted units. Excepted units are defined as follows:

- The units are exclusively for elderly families
- The units are for households eligible for supportive services available to all families receiving PBV assistance in the project
- The project is located in a census tract with a poverty rate of 20 percent or less, as determined in the most recent American Community Survey Five-Year estimates

The project must make supportive services available to all families receiving PBV assistance in the project, but the family does not actually have to accept and receive supportive services for the exception to apply to the unit. It is not necessary that the services be provided at or by the project, but must be reasonably available to families receiving PBV assistance at the project and designed to help families in the project achieve self-sufficiency or live in the community as independently as possible. HACCC may not require participation in the supportive service as a condition of living in the excepted unit, although such services may be offered.

Some of the authorized services for exception units include the following:

- Supervised Medication taking;
- Substance abuse counseling/treatment for current abusers;
- Training in housekeeping and Homemaking skills;
- Money Management;
- Parenting Skills;
- Work Skills and/or Job Training;
- Computer Skills;
- FSS Contract of Participation goals;
- Other Independent Living Services as presented to HACCC and approved by the Executive Director

#### **Promoting Partially-Assisted Projects [24 CFR983.56(C)]**

HACCC may establish local requirements designed to promote PBV assistance in partially assisted projects. A partially assisted project is a project in which there are fewer units covered by a HAP contract than residential units [24 CFR 983.3].

HACCC may establish a per-project cap on the number of units that will receive PBV assistance or other project-based assistance in a multifamily project containing excepted units or in a single-family building. HACCC may also determine not to provide PBV assistance for excepted units, or HACCC may establish a per-project cap of less than 25 percent.

## **Housing Opportunities Through Modernization Act of 2016 (HOTMA) Changes**

The Housing Opportunities Through Modernization Act of 2016 (HOTMA) made changes to the income-mixing project cap and modified the exception categories to the cap on the number of assisted units in a project. The new caps apply only to projects with HAP effective dates after the HOTMA final implementation rule effective date of April 18, 2017.

Under HOTMA, the new limitation on the number of PBVs in a project is now the greater of 25 units or 25 percent of the units in a project. Owners under HAP contracts predating April 18, 2017 are still subject to the terms of those HAP Contracts and must continue to designate the same number of units and assist the same number of excepted families as provided in such HAP contracts for the duration of the HAP contract and subsequent renewals unless the owner and HACCC mutually agree to change the requirements.

### **Projects not Subject to a Project Cap [FR Notice 1/18/17; Notice PIH 2017-21]**

PBV units that were previously subject to certain federal rent restrictions or receiving another type of long-term housing subsidy provided by HUD are exempt from the project cap. In other words, 100 percent of the units in these projects may receive PBV assistance.

#### HACCC Policy

HACCC will not impose any cap beyond HUD regulations on the number of PBV units assisted per project.

## **17-II.G. SITE SELECTION STANDARDS**

### **Compliance With PBV Goals, Civil Rights Requirements, And HQS Site Standards [24 CFR 983.57(B)]**

HACCC may not select a proposal for existing, newly constructed, or rehabilitated PBV housing on a site or enter into an agreement to enter into a HAP contract or HAP contract for units on the site, unless HACCC has determined that PBV assistance for housing at the selected site is consistent with the goal of de-concentrating poverty and expanding housing and economic opportunities. The standard for de-concentrating poverty and expanding housing and economic opportunities must be consistent with the HACCC's Agency Plan under 24 CFR 903 and HACCC's administrative plan.

In addition, prior to selecting a proposal, HACCC must determine that the site is suitable from the standpoint of facilitating and furthering full compliance with the applicable Civil Rights Laws, regulations, and Executive Orders, and that the site meets the HQS site and neighborhood standards at 24 CFR 982.401(l).

#### HACCC Policy

It is HACCC's goal to select sites for PBV housing that provide for de-concentrating poverty and expanding housing and economic opportunities. In complying with this goal, HACCC will limit approval to sites for PBV housing in census tracts that have poverty concentrations of 20 percent or less.

However, HACCC will grant exceptions to the 20 percent standard where HACCC determines that the PBV assistance will complement other local redevelopment activities designed to de-concentrate poverty and expand housing and economic opportunities in census tracts with poverty concentrations greater than 20 percent, such as sites in:

- A census tract in which the proposed PBV development will be located in a HUD-designated Enterprise Zone, Economic Community, or Renewal Community;
- A census tract where the concentration of assisted units will be or has decreased as a result of public housing demolition and HOPE VI redevelopment;
- A census tract in which the proposed PBV development will be located is undergoing significant revitalization as a result of state, local, or federal dollars invested in the area;
- A census tract where new market rate units are being developed where such market rate units will positively impact the poverty rate in the area;
- A census tract where there has been an overall decline in the poverty rate within the past five years; or
- A census tract where there are meaningful opportunities for educational and economic advancement.

#### **Existing And Rehabilitated Housing Site And Neighborhood Standards [24 CFR 983.57(D)]**

HACCC may not enter into an Agreement to enter into a HAP (AHAP) contract nor enter into a HAP contract for existing or rehabilitated housing until it has determined that the site complies with the HUD required site and neighborhood standards. The site must:

- Be adequate in size, exposure, and contour to accommodate the number and type of units proposed;
- Have adequate utilities and streets available to service the site;
- Promote a greater choice of housing opportunities and avoid undue concentration of assisted persons in areas containing a high proportion of low-income persons;
- Be accessible to social, recreational, educational, commercial, and health facilities and services and other municipal facilities and services equivalent to those found in neighborhoods consisting largely of unassisted similar units; and
- Be located so that travel time and cost via public transportation or private automobile from the neighborhood to places of employment is not excessive.

#### **New Construction Site And Neighborhood Standards [24 CFR 983.57(e)]**

In order to be selected for PBV assistance, a site for newly constructed housing must meet the following HUD required site and neighborhood standards:

- The site must be adequate in size, exposure, and contour to accommodate the number and type of units proposed;
- The site must have adequate utilities and streets available to service the site;
- The site must not be located in an area of minority concentration unless HACCC determines that sufficient, comparable opportunities exist for housing for minority families in the income range to be served by the proposed project outside areas of minority concentration or that the project is necessary to meet overriding housing needs that cannot be met in that housing market area;

- The site must not be located in a racially mixed area if the project will cause a significant increase in the proportion of minority to non-minority residents in the area.
- The site must promote a greater choice of housing opportunities and avoid undue concentration of assisted persons in areas containing a high proportion of low-income persons;
- The neighborhood must not be one that is seriously detrimental to family life or in which substandard dwellings or other undesirable conditions predominate;
- The housing must be accessible to social, recreational, educational, commercial, and health facilities and services and other municipal facilities and services equivalent to those found in neighborhoods consisting largely of unassisted similar units; and
- Except for housing designed for elderly persons, the housing must be located so that travel time and cost via public transportation or private automobile from the neighborhood to places of employment is not excessive.

### **RAD Conversions**

HACCC must comply with all applicable site selection requirements as set forth in Notice PIH 2012-32rev2 and in accordance with any additional applicable guidance provided by HUD. Site selection requirements set forth at 24CFR § 983.57 shall apply to RAD conversions to PBV assistance. Site selection must be consistent with the requirements of the Fair Housing Act, Title VI of the Civil Rights Act of 1964 including implementing regulations at 24 CFR § 1.4(b)(3), Section 504 of the Rehabilitation Act of 1973 including implementing regulations at 24 CFR § 8.4(b)(5), and the Americans with Disabilities Act.

For conversions of assistance that involve new construction that is located in an area of minority concentration (whether on the existing public housing site or on a new site), HUD will conduct a front-end civil rights review of the site to determine whether it meets one of the conditions that would allow for new construction in an area of minority concentration.

HUD may approve new construction in an area of minority concentration, consistent with the regulatory requirements cited above, provided that:

- i. the new construction is located in a neighborhood experiencing significant private investment that is demonstrably improving the economic character of the area (a revitalizing area); or
- ii. there are sufficient comparable housing opportunities in areas outside of minority concentration.

In determining if the project meets the requirements above, HUD may consider such factors as: whether the locality has a demonstrated commitment to revitalization that includes or is in addition to the RAD conversion; whether the neighborhood shows signs of revitalizing, through indicators such as declining census tract poverty rates, low or declining violent crime rates or evidence of increased educational opportunity; or whether there is high private and public investment in retail, commercial or housing development that is already occurring or will imminently occur in the area. HACCC must receive prior written approval from HUD following

the review that HUD has accepted HACCC's certification and supporting documentation prior to entering into binding commitments for new construction.

## **17-II.H. ENVIRONMENTAL REVIEW**

[24 CFR 983.58]

HACCC activities under the PBV program are subject to HUD environmental regulations in 24 CFR parts 50 and 58. The responsible entity is responsible for performing the federal environmental review under the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.). HACCC may not enter into an Agreement to enter into a HAP contract nor enter into a HAP contract until it has complied with the environmental review requirements.

In the case of existing housing, the responsible entity that is responsible for the environmental review under 24 CFR part 58 must determine whether or not PBV assistance is categorically excluded from review under the National Environmental Policy Act and whether or not the assistance is subject to review under the laws and authorities listed in 24 CFR 58.5.

HACCC may not enter into an Agreement to enter into a HAP contract or a HAP contract with an owner, and HACCC, the owner, and its contractors may not acquire, rehabilitate, convert, lease, repair, dispose of, demolish, or construct real property or commit or expend program or local funds for PBV activities under this part, until the environmental review is completed.

HACCC must supply all available, relevant information necessary for the responsible entity to perform any required environmental review for any site. HACCC must require the owner to carry out mitigating measures required by the responsible entity (or HUD, if applicable) as a result of the environmental review.

## **PART III: DWELLING UNITS**

### **17-III.A. OVERVIEW**

This part identifies the special housing quality standards that apply to the PBV program, housing accessibility for persons with disabilities, and special procedures for conducting housing quality standards inspections.

### **17-III.B. HOUSING QUALITY STANDARDS**

[24 CFR 983.101]

The housing quality standards (HQS) for the tenant-based program, including those for special housing types, generally apply to the PBV program. HQS requirements for shared housing, manufactured home space rental, and the homeownership option do not apply because these housing types are not assisted under the PBV program.

The physical condition standards at 24 CFR 5.703 do not apply to the PBV program.

#### **Lead-Based Paint [24 CFR 983.101(C)]**

The lead-based paint requirements for the tenant-based voucher program do not apply to the PBV program. Instead, The Lead-based Paint Poisoning Prevention Act (42 U.S.C. 4821-4846), the Residential Lead-based Paint Hazard Reduction Act of 1992 (42 U.S.C. 4851-4856), and implementing regulations at 24 CFR part 35, subparts A, B, H, and R, apply to the PBV program.

### **17-III.C. HOUSING ACCESSIBILITY FOR PERSONS WITH DISABILITIES**

The housing must comply with program accessibility requirements of section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794) and implementing regulations at 24 CFR part 8. HACCC must ensure that the percentage of accessible dwelling units complies with the requirements of section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), as implemented by HUD's regulations at 24 CFR 8, subpart C.

Housing first occupied after March 13, 1991, must comply with design and construction requirements of the Fair Housing Amendments Act of 1988 and implementing regulations at 24 CFR 100.205, as applicable. (24 CFR 983.102)

### **17-III.D. INSPECTING UNITS**

#### **Pre-Selection Inspection [24 CFR 983.103(A)]**

HACCC must examine the proposed site before the proposal selection date. If the units to be assisted already exist, HACCC must inspect all the units before the proposal selection date, and must determine whether the units substantially comply with HQS. To qualify as existing housing, units must substantially comply with HQS on the proposal selection date as defined above. However, HACCC may not execute the HAP contract until the units fully comply with HQS.

### **Pre-HAP Contract Inspections [24 CFR 983.103(B)]**

HACCC must inspect each contract unit before execution of the HAP contract. HACCC may not enter into a HAP contract covering a unit until the unit fully complies with HQS.

### **Turnover Inspections [24 CFR 983.103(C), FR Notice 1/18/17, and Notice PIH 2017-20]**

Before providing assistance to a new family in a contract unit, HACCC must inspect the unit. HACCC may not provide assistance on behalf of the family until the unit fully complies with HQS, unless the PHA has adopted a policy to enter into a HAP contract for units that fail the initial HQS inspection as a result of only non-life-threatening conditions or if the unit passed an alternative inspection.

#### **PHA Policy**

The PHA will not provide assistance in turnover units until the unit fully complies with HQS.

### **Annual/Biennial Inspections [24 CFR 983.103(D); FR Notice 6/25/14]**

At least biennially during the term of the HAP contract, HACCC must inspect a random sample, consisting of at least 20 percent of the contract units in each project to determine if the contract units and the premises are maintained in accordance with HQS. Turnover inspections are not counted toward meeting this biennial inspection requirement.

If more than 20 percent of the biennial sample of inspected contract units in a project fails the initial inspection, HACCC must re-inspect 100 percent of the contract units in the project.

### **Other Inspections [24 CFR 983.103(E)]**

HACCC must inspect contract units whenever needed to determine that the contract units comply with HQS and that the owner is providing maintenance, utilities, and other services in accordance with the HAP contract. HACCC must take into account complaints and any other information coming to its attention in scheduling inspections.

HACCC must conduct follow-up inspections needed to determine if the owner (or, if applicable, the family) has corrected an HQS violation, and must conduct inspections to determine the basis for exercise of contractual and other remedies for owner or family violation of HQS.

In conducting HACCC supervisory quality control HQS inspections, HACCC should include a representative sample of both tenant-based and project-based units.

### **Inspecting HACCC-Owned Units [24 CFR 983.103(F)]**

In the case of HACCC-owned units, the inspections must be performed by an independent agency designated by HACCC and approved by HUD. The independent entity must furnish a copy of each inspection report to HACCC and to the HUD field office where the project is located. HACCC must take all necessary actions in response to inspection reports from the independent agency, including exercise of contractual remedies for violation of the HAP contract by HACCC-owner.

## **Part IV: Rehabilitated And Newly Constructed Units**

### **17-IV.A. OVERVIEW**

[24 CFR 983.151]

There are specific requirements that apply to PBV assistance for newly constructed or rehabilitated housing that do not apply to PBV assistance in existing housing. This part describes the requirements unique to this type of assistance.

Housing selected for this type of assistance may not at a later date be selected for PBV assistance as existing housing.

### **17-IV.B. AGREEMENT TO ENTER INTO HAP CONTRACT**

In order to offer PBV assistance in rehabilitated or newly constructed units, HACCC must enter into an agreement to enter into HAP contract (Agreement) with the owner of the property. The Agreement must be in the form required by HUD [24 CFR 983.152(b)]. The PHA may not enter into an Agreement if construction or rehabilitation has commenced after proposal submission [24 CFR 983.152(c)]. Construction begins when excavation or site preparation (including clearing of the land) begins for the housing. Rehabilitation begins with the physical commencement of rehabilitation activity on the housing.

In the Agreement the owner agrees to develop the PBV contract units to comply with HQS, and HACCC agrees that upon timely completion of such development in accordance with the terms of the Agreement, HACCC will enter into a HAP contract with the owner for the contract units [24 CFR 983.152(a)].

#### **Content Of The Agreement [24 CFR 983.152(d)]**

At a minimum, the Agreement must describe the following features of the housing to be developed and assisted under the PBV program:

- Site and the location of the contract units;
- Number of contract units by area (size) and number of bedrooms and bathrooms;
- Services, maintenance, or equipment to be supplied by the owner without charges in addition to the rent;
- Utilities available to the contract units, including a specification of utility services to be paid by the owner and utility services to be paid by the tenant;
- An indication of whether or not the design and construction requirements of the Fair Housing Act and section 504 of the Rehabilitation Act of 1973 apply to units under the Agreement. If applicable, any required work item resulting from these requirements must be included in the description of work to be performed under the Agreement;
- Estimated initial rents to owner for the contract units;
- Description of the work to be performed under the Agreement. For rehabilitated units, the description must include the rehabilitation work write up and, where determined necessary by HACCC, specifications and plans. For new construction units, the description must include the working drawings and specifications.
- Any additional requirements for quality, architecture, or design over and above HQS.

### **Execution Of The Agreement [24 CFR 983.153]**

The Agreement must be executed promptly after HACCC notice of proposal selection to the selected owner. The PHA may not enter into the Agreement if construction or rehabilitation has started after proposal submission. However, HACCC may not enter into the Agreement with the owner until the subsidy layering review is completed. Likewise, HACCC may not enter into the Agreement until the environmental review is completed and HACCC has received environmental approval.

#### **HACCC Policy**

HACCC will enter into the Agreement with the owner within 10 business days of receiving both environmental approval and notice that subsidy layering requirements have been met, and before construction or rehabilitation work is started. Rehabilitation costs exceeding \$3000 per unit shall require adherence to rehabilitation standards.

### **17-IV.C. CONDUCT OF DEVELOPMENT WORK**

#### **Labor Standards [24 CFR 983.154(B)]**

If an Agreement covers the development of nine or more contract units (whether or not completed in stages), the owner and the owner's contractors and subcontractors must pay Davis-Bacon wages to laborers and mechanics employed in the development of housing. The HUD-prescribed form of the Agreement will include the labor standards clauses required by HUD, such as those involving Davis-Bacon wage rates.

The owner, contractors, and subcontractors must also comply with the Contract Work Hours and Safety Standards Act, Department of Labor regulations in 29 CFR part 5, and other applicable federal labor relations laws and regulations. HACCC must monitor compliance with labor standards.

#### **Equal Opportunity [24 CFR983.154(C)]**

The owner must comply with Section 3 of the Housing and Urban Development Act of 1968 and the implementing regulations at 24 CFR part 135. The owner must also comply with federal equal employment opportunity requirements.

#### **Owner Disclosure [24 CFR 983.154(D) And (E)]**

The Agreement and HAP contract must include a certification by the owner that the owner and other project principals are not on the U.S. General Services Administration list of parties excluded from federal procurement and non-procurement programs.

The owner must also disclose any possible conflict of interest that would be a violation of the Agreement, the HAP contract, or HUD regulations.

### **17-IV.D. COMPLETION OF HOUSING**

The Agreement must specify the deadlines for completion of the housing, and the owner must develop and complete the housing in accordance with these deadlines. The Agreement must also specify the deadline for submission by the owner of the required evidence of completion.

#### **Evidence Of Completion [24 CFR 983.155(B)]**

At a minimum, the owner must submit the following evidence of completion to HACCC in the form and manner required by HACCC:

- Owner certification that the work has been completed in accordance with HQS and all requirements of the Agreement; and
- Owner certification that the owner has complied with labor standards and equal opportunity requirements in development of the housing.

At HACCC's discretion, the Agreement may specify additional documentation that must be submitted by the owner as evidence of housing completion.

#### HACCC Policy

HACCC will determine the need for the owner to submit additional documentation such as a Certificate of Occupancy or signed off Job Card as evidence of housing completion on a case-by-case basis depending on the nature of the PBV project. HACCC will specify any additional documentation requirements in the Agreement to enter into HAP contract.

#### **HACCC Acceptance Of Completed Units [24 CFR 983.156]**

Upon notice from the owner that the housing is completed, HACCC must inspect to determine if the housing has been completed in accordance with the Agreement, including compliance with HQS and any additional requirements imposed under the Agreement. HACCC must also determine if the owner has submitted all required evidence of completion.

If the work has not been completed in accordance with the Agreement, HACCC must not enter into the HAP contract.

If HACCC determines the work has been completed in accordance with the Agreement and that the owner has submitted all required evidence of completion, HACCC must submit the HAP contract for execution by the owner and must then execute the HAP contract.

## **PART V: HOUSING ASSISTANCE PAYMENTS CONTRACT (HAP)**

### **17-V.A. OVERVIEW**

HACCC must enter into a HAP contract with an owner for units that are receiving PBV assistance. The purpose of the HAP contract is to provide housing assistance payments for eligible families. Housing assistance is paid for contract units leased and occupied by eligible families during the HAP contract term. With the exception of single-family scattered-site projects, a HAP contract shall cover a single project. If multiple projects exist, each project is covered by a separate HAP contract. The HAP contract must be in the form required by HUD [24 CFR 983.202(a)].

### **17-V.B. HAP CONTRACT REQUIREMENTS**

#### **Contract Information [24 CFR 983.203]**

The HAP contract must specify the following information:

- The total number of contract units by number of bedrooms;
- The project's name, street address, city or county, state and zip code, block and lot number (if known), and any other information necessary to clearly identify the site and the project;
- The number of contract units in each project, the location of each contract unit, the area of each contract unit, and the number of bedrooms and bathrooms in each contract unit;
- Services, maintenance, and equipment to be supplied by the owner and included in the rent to owner;
- Utilities available to the contract units, including a specification of utility services to be paid by the owner (included in rent) and utility services to be paid by the tenant;
- Features provided to comply with program accessibility requirements of Section 504 of the Rehabilitation Act of 1973 and implementing regulations at 24 CFR part 8;
- The HAP contract term;
- The number of units in any project that will exceed the 25 percent per project cap, which will be set-aside for occupancy by qualifying families - (elderly and/or disabled families and families receiving supportive services); and
- The initial rent to owner for the first 12 months of the HAP contract term.

#### **Execution Of The HAP Contract [24 CFR 983.204]**

HACCC may not enter into a HAP contract until each contract unit has been inspected and HACCC has determined that the unit complies with the Housing Quality Standards (HQS). For existing housing, the HAP contract must be executed promptly after HACCC selects the owner proposal and inspects the housing units. For newly constructed or rehabilitated housing the HAP contract must be executed after HACCC has inspected the completed units and has determined that the units have been completed in accordance with the agreement to enter into HAP, and the owner furnishes all required evidence of completion.

#### **HACCC Policy**

For existing housing, the HAP contract will be executed within 10 business days of HACCC determining that all units pass HQS.

For rehabilitated or newly constructed housing, the HAP contract will be executed within 10 business days of HACCC determining that the units have been completed in accordance with the agreement to enter into HAP, all units meet HQS, and the owner has submitted all required evidence of completion.

**Term Of HAP Contract [24 CFR 983.205; FR Notice 1/18/17, and Notice PIH 2017-21]**

HACCC may enter into a HAP contract with an owner for an initial term of no less than one year and no more than twenty (20) years.

HACCC Policy

The term of all PBV HAP contracts will be negotiated with the owner on a case-by-case basis.

At the time of the initial HAP contract term or any time before expiration of the HAP contract, the PHA may extend the term of the contract for an additional term of up to 20 years if the PHA determines an extension is appropriate to continue providing affordable housing for low-income families. A HAP contract extension may not exceed 20 years. A PHA may provide for multiple extensions; however, in no circumstances may such extensions exceed 20 years, cumulatively. Extensions after the initial extension are allowed at the end of any extension term, provided that not more than 24 months prior to the expiration of the previous extension contract the PHA agrees to extend the term, and that such extension is appropriate to continue providing affordable housing for low-income families or to expand housing opportunities. Extensions after the initial extension term shall not begin prior to the expiration date of the previous extension term. Subsequent extensions are subject to the same limitations. All extensions must be on the form and subject to the conditions prescribed by HUD at the time of the extension. In the case of PHA-owned units, any extension of the term of the HAP contract must be agreed upon by the PHA and the independent entity approved by HUD [24 CFR983.59(b)(2)].

For PBV HAP Contracts that pre-date HOTMA with 10 or 15 year terms, HACCC shall extend the term of the HAP contract to 20 years prior to expiration of the initial HAP contract term and permit HAP extensions of 20 year terms if requested. Under no circumstances will the total years of assistance exceed 40 years.

HACCC Policy

When determining whether or not to extend an expiring PBV contract, HACCC will consider several factors including, but not limited to:

- The cost of extending the contract and the amount of available budget authority;
- The condition of the contract units;
- The owner's record of compliance with obligations under the HAP contract and lease(s);
- Whether the location of the units continues to support the goals of de-concentrating poverty and expanding housing opportunities; and
- Whether the funding could be used more appropriately for tenant-based assistance.

### **Termination By HACCC [24 CFR 983.205(C) and FR Notice 1/18/17]**

The HAP contract must provide that the term of HACCC's contractual commitment is subject to the availability of sufficient appropriated funding as determined by HUD or by HACCC in accordance with HUD instructions. For these purposes, sufficient funding means the availability of appropriations, and of funding under the ACC from such appropriations, to make full payment of housing assistance payments payable to the owner for any contract year in accordance with the terms of the HAP contract.

If it is determined that there may not be sufficient funding to continue housing assistance payments for all contract units and for the full term of the HAP contract, HACCC may terminate the HAP contract by notice to the owner. The termination must be implemented in accordance with HUD instructions.

In the event of insufficient funding, HACCC shall first take all cost-saving measures prior to failing to make payments under existing PBV HAP contracts.

### **Termination By Owner [24 CFR 983.205(D)]**

If in accordance with program requirements the amount of rent to an owner for any contract unit is reduced below the amount of the rent to owner at the beginning of the HAP contract term, the owner may terminate the HAP contract by giving notice to HACCC. In this case, families living in the contract units must be offered tenant-based assistance.

### **Statutory Notice Requirements: Contract Termination or Expiration [24 CFR 983.206, FR Notice 1/18/17, and Notice PIH 2017-21]**

Not less than one year before the HAP contract terminates, or if the owner refuses to renew the HAP contract, the owner must notify HACCC and assisted tenants of the termination. The notice must be provided in the form prescribed by HUD. If the owner does not give timely notice, the owner must permit the tenants in assisted units to remain in their units for the required notice period with no increase in the tenant portion of their rent, and with no eviction as a result of the owner's inability to collect an increased tenant portion of rent. An owner may renew the terminating contract for a period of time sufficient to give tenants one-year advance notice under such terms as HUD may require.

Upon termination or expiration of the contract, a family living at the property is entitled to receive a tenant-based voucher. Tenant-based assistance would not begin until the owner's required notice period ends. The PHA must provide the family with a voucher and the family must also be given the option by the PHA and owner to remain in their unit with HCV tenant-based assistance as long as the unit complies with inspection and rent reasonableness requirements. The family must pay their total tenant payment (TTP) and any additional amount if the gross rent exceeds the applicable payment standard. The family has the right to remain in the project as long as the units are used for rental housing and are otherwise eligible for HCV assistance. The owner may not terminate the tenancy of a family that exercises its right to remain except for serious or repeated lease violations or other good cause. Families that receive a tenant-based voucher at the expiration or termination of the PBV HAP contract are not new admissions to the PHA HCV tenant-based program, and are not subject to income eligibility requirements or any other admission requirements. If the family chooses to remain in their unit with tenant-based

assistance, the family may do so regardless of whether the family share would initially exceed 40 percent of the family's adjusted monthly income.

### **Remedies For HQS Violations [24 CFR 983.207(B)]**

HACCC may not make any HAP payment to the owner for a contract unit during any period in which the unit does not comply with HQS. If HACCC determines that a contract does not comply with HQS, HACCC may exercise any of its remedies under the HAP contract, for any or all of the contract units. Available remedies include termination of housing assistance payments, abatement or reduction of housing assistance payments, reduction of contract units, and termination of the HAP contract.

#### **HACCC Policy**

HACCC will abate and terminate PBV HAP contracts for non-compliance with HQS in accordance with the policies used in the tenant-based voucher program. These policies are contained in Section 8-II.G., Enforcing Owner Compliance.

## **17-V.C. AMENDMENTS TO THE HAP CONTRACT**

### **Substitution Of Contract Units [24 CFR 983.207(A)]**

At HACCC's discretion and subject to all PBV requirements, the HAP contract may be amended to substitute a different unit with the same number of bedrooms in the same project for a previously covered contract unit. Before any such substitution can take place, HACCC must inspect the proposed unit and determine the reasonable rent for the unit.

### **Addition Of Contract Units [24 CFR 983.207(B) and Notice PIH 2017-21]**

At HACCC's discretion and subject to the restrictions on the number of dwelling units that can receive PBV assistance per project and on the overall size of HACCC's PBV program, a HAP contract may be amended following the execution date of the HAP contract to add additional PBV units in the same project. This type of amendment is subject to all PBV program requirements except that a new PBV proposal is not required.

#### **HACCC Policy**

HACCC will consider adding contract units to the HAP contract when HACCC determines that additional housing is needed to serve eligible low-income families. Circumstances may include, but are not limited to:

- The local housing inventory is reduced due to a disaster (either due to loss of housing units, or an influx of displaced families); and
- Voucher holders are having difficulty finding units that meet program requirements.
- Additional PBV assisted units are needed to ensure the financial viability of the project.

14 days prior to an RFP announcement or attaching assistance to additional units without competition, HACCC shall submit to the local field office i) the total number of units authorized in the ACC excluding those PBV units entirely excluded from the cap; ii) the

total number of units currently committed to PBV excluding those not counting towards the cap; iii) the number of new units proposed to be assisted. HACCC shall email the information to pbvsubmission@hud.gov with a copy to the local HUD PIH Office.

#### **17-V.D. HAP CONTRACT YEAR, ANNIVERSARY AND EXPIRATION DATES**

[24 CFR 983.207(b) and 983.302(e)]

The HAP contract year is the period of 12 calendar months preceding each annual anniversary of the HAP contract during the HAP contract term. The initial contract year is calculated from the first day of the first calendar month of the HAP contract term.

The annual anniversary of the HAP contract is the first day of the first calendar month after the end of the preceding contract year.

There is a single annual anniversary and expiration date for all units under a particular HAP contract, even in cases where contract units are placed under the HAP contract in stages (on different dates) or units are added by amendment. The anniversary and expiration dates for all units coincide with the dates for the contract units that were originally placed under contract.

#### **17-V.E. OWNER RESPONSIBILITIES UNDER THE HAP**

[24 CFR 983.210]

When the owner executes the HAP contract s/he certifies that at such execution and at all times during the term of the HAP contract:

- All contract units are in good condition and the owner is maintaining the premises and contract units in accordance with HQS;
- The owner is providing all services, maintenance, equipment and utilities as agreed to under the HAP contract and the leases;
- Each contract unit for which the owner is receiving HAP, is leased to an eligible family referred by HACCC, and the lease is in accordance with the HAP contract and HUD requirements;
- To the best of the owner's knowledge the family resides in the contract unit for which the owner is receiving HAP, and the unit is the family's only residence;
- The owner (including a principal or other interested party) is not the spouse, parent, child, grandparent, grandchild, sister, or brother of any member of a family residing in a contract unit;
- The amount of the HAP the owner is receiving is correct under the HAP contract;
- The rent for contract units does not exceed rents charged by the owner for comparable unassisted units;
- Except for HAP and tenant rent, the owner has not received and will not receive any other payment or consideration for rental of the contract unit;
- The family does not own or have any interest in the contract unit (does not apply to family's membership in a cooperative); and
- Repair work on the project selected as an existing project that is performed after HAP execution within such post-execution period as specified by HUD may constitute development activity, and if determined to be development activity, the repair work undertaken shall be in compliance with Davis-Bacon wage requirements.

## **17-V.F. ADDITIONAL HAP REQUIREMENTS**

### **Housing Quality And Design Requirements [24 CFR 983.101(E) And 983.208(A)]**

The owner is required to maintain and operate the contract units and premises in accordance with HQS, including performance of ordinary and extraordinary maintenance. The owner must provide all the services, maintenance, equipment, and utilities specified in the HAP contract with HACCC and in the lease with each assisted family. In addition, maintenance, replacement and redecoration must be in accordance with the standard practice for the project as established by the owner.

HACCC may elect to establish additional requirements for quality, architecture, or design of PBV housing. Any such additional requirements must be specified in the Agreement to enter into a HAP contract and the HAP contract. These requirements must be in addition to, not in place of, compliance with HQS.

#### **HACCC Policy**

HACCC will identify the need for any special features on a case-by-case basis depending on the intended occupancy of the PBV project. HACCC will specify any special design standards or additional requirements in the invitation for PBV proposals, the agreement to enter into HAP contract, and the HAP contract.

### **Vacancy Payments [24 CFR 983.352(B)]**

At the discretion of HACCC, the HAP contract may provide for vacancy payments to the owner for a HACCC-determined period of vacancy extending from the beginning of the first calendar month after the move-out month for a period not exceeding two full months following the move-out month. The amount of the vacancy payment will be determined by HACCC and cannot exceed the monthly rent to owner under the assisted lease, minus any portion of the rental payment received by the owner (including amounts available from the tenant's security deposit).

#### **HACCC Policy**

HACCC will provide vacancy payments to the owner equal to the contract rent in effect at the time of the vacancy for a period not to exceed 60 days. The HAP contract with the owner will contain the terms under which vacancy payments will be made.

## **PART VI: SELECTION OF PBV PROGRAM PARTICIPANTS**

### **17-VI.A. OVERVIEW**

Many of the provisions of the tenant-based voucher regulations [24 CFR 982] also apply to the PBV program. This includes requirements related to determining eligibility and selecting applicants from the waiting list as outlined in Chapter 4 of this Plan. Even with these similarities, there are requirements that are unique to the PBV program. This part describes the requirements and policies related to eligibility and admission to the PBV program.

### **17-VI.B. ELIGIBILITY FOR PBV ASSISTANCE**

[24 CFR 983.251(a) and (b)]

HACCC may select families for the PBV program from those who are participants in HACCC's tenant-based voucher program and from those who have applied for admission to the voucher program. For voucher participants, eligibility was determined at original admission to the voucher program and does not need to be re-determined at the commencement of PBV assistance. For all others, eligibility for admission must be determined at the commencement of PBV assistance.

Applicants for PBV assistance must meet the same eligibility requirements as applicants for the tenant-based voucher program. Applicants must qualify as a family as defined by HUD and HACCC, have income at or below HUD-specified income limits, and qualify on the basis of citizenship or the eligible immigration status of family members [24 CFR 982.201(a) and 24 CFR 983.2(a)]. In addition, an applicant family must provide social security information for family members [24 CFR 5.216 and 5.218] and consent to HACCC's collection and use of family information regarding income, expenses, and family composition [24 CFR 5.230]. HACCC may also not approve a tenancy if the owner (including a principal or other interested party) of the unit is the parent, child, grandparent, grandchild, sister, or brother of any member of the family, unless needed as a reasonable accommodation. An applicant family must also meet HUD requirements related to current or past criminal activity.

#### HACCC Policy

HACCC will determine an applicant family's eligibility for the PBV program in accordance with the policies in Chapter 3 (tenant-based voucher program).

### **In-Place Families [24 CFR 983.251(B)]**

An eligible family residing in a proposed PBV contract unit on the date the proposal is selected by HACCC is considered an "in-place family." These families are afforded protection from displacement under the PBV rule. If a unit to be placed under contract (either an existing unit or a unit requiring rehabilitation) is occupied by an eligible family on the date the proposal is selected, the in-place family must be placed on HACCC's waiting list. Once the family's continued eligibility is determined (HACCC may deny assistance to an in-place family for the grounds specified in 24 CFR 982.552 and 982.553), the family must be given an absolute selection preference and HACCC must refer these families to the project owner for an appropriately sized PBV unit in the project. Admission of eligible in-place families is not subject to income targeting requirements.

This regulatory protection from displacement does not apply to families that are not eligible to participate in the program on the proposal selection date.

## **17-VLC. ORGANIZATION OF THE WAITING LIST**

[24 CFR 983.251(C)]

HACCC may establish a separate waiting list for PBV units or it may use the same waiting list for both tenant-based and PBV assistance. HACCC may also merge the PBV waiting list with a waiting list for other assisted housing programs offered by HACCC. If HACCC chooses to offer a separate waiting list for PBV assistance, HACCC must offer to place applicants who are listed on the tenant-based waiting list on the waiting list for PBV assistance.

If HACCC decides to establish a separate PBV waiting list, HACCC may use a single waiting list for HACCC's whole PBV program, or it may establish separate waiting lists for PBV units in particular projects or for sets of such units.

### HACCC Policy

It was past practice for HACCC to use the same waiting list for both tenant-based and PBV assistance. HACCC used the HCV waiting list for PBV assistance until site-based waiting lists were established for each PBV project. All HCV applicants were given the first opportunity to be placed on these site-based wait lists. Since then and thereafter, all applicants interested in PBV assistance shall be placed on the project's site-based wait list. Placement on the site-based wait list shall not affect applicants' placement or status on the HCV wait list.

### Establishment of Site Based Waiting List for RAD Covered Projects

24 CFR § 983.251 sets out PBV program requirements related to establishing and maintaining a voucher-wide, PBV program-wide, or site-based waiting list from which residents for the Covered Project will be admitted. These provisions will apply unless the project is covered by a remedial order or agreement that specifies the type of waiting list and other waiting list policies. HACCC shall consider the best means to transition applicants from the current public housing waiting list, including:

- i.** Transferring an existing site-based waiting list to a new site-based waiting list. If HACCC is transferring the assistance to another neighborhood, HACCC must notify applicants on the wait-list of the transfer of assistance, and on how they can apply for residency at the new project site or other sites. Applicants on a project-specific waiting list for a project where the assistance is being transferred shall have priority on the newly formed waiting list for the new project site in accordance with the date and time of their application to the original project's waiting list.
- ii.** Informing applicants on the site-based waiting list on how to apply for a PBV program-wide or HCV program-wide waiting list.
- iii.** Informing applicants on a public housing community-wide waiting list on how to apply for the HCV or PBV site-based waiting list. The site-based waiting list shall be established in accordance with 24 CFR § 903.7(b)(2)(ii)-(iv) to ensure that applicants on HACCC's public housing community-wide waiting list have

been offered placement on the converted project's initial waiting list. In all cases, HACCC has the discretion to determine the most appropriate means of informing applicants on the public housing community-wide waiting list given the number of applicants, HACCC resources, and admissions requirements of the projects being converted under RAD. HACCC may consider contacting every applicant on the public housing waiting list via direct mailing; advertising the availability of housing to the population that is less likely to apply, both minority and non-minority groups, through various forms of media (e.g., radio stations, posters, newspapers) within the marketing area; informing local non-profit entities and advocacy groups (e.g., disability rights groups); and conducting other outreach as appropriate. Applicants on the agency's public housing community-wide waiting list who wish to be placed onto the newly-established site-based waiting list must be placed in accordance with the date and time of their original application to the centralized public housing waiting list. Any activities to contact applicants on the public housing waiting list must be conducted in accordance with the requirements for effective communication with persons with disabilities at 24 CFR § 8.6 and with the obligation to provide meaningful access for persons with limited English proficiency (LEP).

HACCC must maintain any site-based waiting list in accordance with all applicable civil rights and fair housing laws and regulations unless the project is covered by a remedial order or agreement that specifies the type of waiting list and other waiting list policies.

To implement this provision, HUD is specifying alternative requirements for 24 CFR § 983.251(c)(2). However, after the initial waiting list has been established, HACCC

shall administer its waiting list for the converted project in accordance with 24 CFR § 983.251(c). HACCC will establish and manage separate waiting lists for individual projects that are receiving PBV assistance. Site based waiting lists that are closed for general applications shall remain open for special needs applicants when there are units with additional restrictions in the PBV inventory for that property.

Site-based waiting lists for properties restricted to elderly households shall deny applicants who are not 62 years of age or older from being placed on the site-based waiting list for that property. Existing non-elderly applicants on these site-based waiting lists shall be removed from these lists and notified of the reason either when they reach the top of the waiting list or en-mass as part of a waiting list update effort.

In an effort to preserve potential eligibility for non-elderly applicants who had previously applied to elderly waiting lists, non-elderly applicants who, at the time they reach the top of a senior waiting list are 55 years of age or older and have applications for other senior developments in the PBV portfolio, will be removed from the list they reached the top of only. The other waiting lists applications will remain active until they reach the top of those waiting lists. At that time, if they are still not 62 years of age or older, they will be removed from that particular waiting list at that time.

It is anticipated that HACCC shall have site-based wait lists for the following properties/projects:

### 17-VI.D. SELECTION FROM THE WAITING LIST

[24 CFR 983.251(C)]

Applicants who will occupy units with PBV assistance must be selected from HACCC's site-based waiting list for that property. HACCC shall establish selection criteria or preferences for occupancy of particular PBV units. HACCC may place families referred by the PBV owner to their PBV site-based waiting list.

#### **Continuum of Care Assisted Units**

In addition to site-based waiting lists for each PBV property, HACCC shall maintain a separate wait list for units designated for assistance through the Continuum of Care's Coordinated Entry System (CES). These units are required to be used to house homeless families that are in the CES for housing assistance referral. When vacancies occur at the PBV properties in these designated units, the owner shall request a suitable referral from the Coordinated Entry System. Once the owner has reviewed the application and accepted the referral for housing assistance, the owner shall refer the family to HACCC's initial eligibility team for program eligibility determination and leasing. Families will only be placed on this waiting list if they are deemed suitable for occupancy by the owner and immediately processed for intake.

This waiting list will not have a preference designation since all additions to the list will immediately be designated for specific units within the PBV portfolio. The only qualifier will be the date and time of the applicant's addition to the CES wait list.

Units eligible for CES assistance and priority are as follows:

- Garden Park Apartments - 2387 Lisa Lane, Pleasant Hill, CA
- Idaho Apartments - 10203 San Pablo Ave., El Cerrito/Richmond 94530
- Lakeside Apartments - 1897 Oakmead Dr., Concord, CA
  1. Unit A-10
  2. Unit B-3
  3. Unit B-5
  4. Unit C-1

5. Unit C-7
  6. Unit C-8
  7. Unit D-2
  8. Unit D-16
  9. Unit E-1
  10. Unit E-14
  11. Unit G-9
- Robin Lane - 1149 Meadow Lane, Concord, CA
    1. M103
    2. M203
    3. R101
    4. R104
    5. R204

This list may be modified from time to time to reflect new units added to the CES portfolio with PBV designations.

**Income Targeting [24 CFR 983.251(C)(6)]**

At least 75 percent of the families admitted to HACCC’s tenant-based and project-based voucher programs from the waiting list must be extremely-low income families in accordance with HUD practice and regulations. The income targeting requirement applies to the total of admissions to both programs.

**Units With Accessibility Features [24 CFR 983.251(C)(7)]**

When selecting families to occupy PBV units that have special accessibility features for persons with disabilities, HACCC must first refer families who require such features to the owner.

**Preferences [24 CFR 983.251(D)]**

HACCC may use the same selection preferences that are used for the tenant-based voucher program, establish selection criteria or preferences for the PBV program as a whole, or for occupancy of particular PBV developments or units. HACCC must provide an absolute selection preference for eligible in-place families as described in Section 17-VI.B. above.

Although HACCC is prohibited from granting preferences to persons with a specific disability, HACCC may give preference to disabled families who need services offered at a particular project or site if the preference is limited to families (including individuals):

- With disabilities that significantly interfere with their ability to obtain and maintain themselves in housing;
- Who, without appropriate supportive services, will not be able to obtain or maintain themselves in housing; and
- For whom such services cannot be provided in a non-segregated setting.

In advertising such a project, the owner may advertise the project as offering services for a particular type of disability; however, the project must be open to all otherwise eligible disabled persons who may benefit from services provided in the project. In these projects, disabled residents may not be required to accept the particular services offered as a condition of occupancy.

If HACCC has projects with "excepted units" (units specifically made available for elderly or families receiving supportive services), HACCC must give preference to such families when referring families to these units [24 CFR 983.261(b); FR Notice 1/18/17].

### HACCC Policy

HACCC will provide a selection preference when required by the regulation (i.e., eligible in-place families and mobility impaired persons for accessible units). In the event an owner is obligated to house specific populations in conformance with Federal, State or Local funding regulatory agreements, HACCC shall review the preferences for the designated site-based wait list and determine on a case by case basis whether a modification is required and will be adopted in this administrative plan. The following preferences have been adopted by HACCC for all PBV Site-Based Wait Lists:

Eligible households from a converting project under RAD interested in off-site replacement units for designated RAD Converted units. (500 Points)

Homeless - RAD SRO ONLY: Eligible households for RAD PBV projects converted from the McKinney Moderate Rehabilitation Single Room Occupancy (SRO) Program to RAD under Component 2 of the RAD Program who verify homelessness pursuant to the HUD McKinney-Vento Homeless Assistance Act as amended by the HEARTH Act and contained in the Continuum of Care at 24 CFR § 578.3. (50 Points)

Eligible in-place families as described as described in Section 17-VI.B. (200 Points);

Eligible households from the Housing Choice Voucher Wait List. (150 Points);

Current or former members of the U.S. Armed Forces, veterans, or surviving spouses of veterans (as required by state law) (1 Point);

Applicants who live, work or have been hired to work in the City wherein the housing units are located. (32 Points);

Applicants who live, work or have been hired to work in HACCC's jurisdiction (all of Contra Costa County) The use of a residency preference will not have the purpose or effect of delaying or otherwise denying admission to the program based on the race, color, ethnic origin, gender, religion, disability, or age of any member of an applicant family;

- Eligibility for this preference must be demonstrated by having a permanent physical residence within the jurisdictional area. Physical residence shall be defined as a domicile with a mailing address, other than a P.O. Box, for which the applicant can produce one or more of the following: a lease or purchase agreement, utility bills in their name showing the stated address, two pieces of first class mail addressed to the applicant or a member of their household at the stated address. In certain circumstances of homelessness, third party verification from service agencies, clergy,

merchants or other reliable source can be substituted subject to the approval of HACCC. (10 Points)

Applicants who have been involuntarily displaced from housing due to a federal or state declared disaster, government action (e.g., code enforcement, public improvement or development. Government action will also include participants in a witness protection program) or action by a housing owner that is beyond an applicant's ability to control and which occurs despite the applicant's having met all previous conditions of occupancy, and is other than a rent increase (e.g. conversion of a unit to non-rental or residential use, owner wants the property for personal use, foreclosure). If the owner is an immediate family relative and there has been no previous rental agreement and the applicant has been part of the owner's family immediately prior to application, the applicant will not be considered involuntarily displaced. To receive this preference, applicants must not be living in standard, permanent replacement housing. (state law requires a preference in cases of displacement by public or private action) (20 Points);

Formerly homeless families who have graduated from a Contra Costa County Continuum of Care (COC) funded permanent supportive housing program, or another homeless housing program participating in the COC Coordinated Entry system, that partners with HACCC such as Shelter Plus Care. A referral from the COC Coordinated Entry system is required to be eligible for this preference (500 Points);

Any family that has been terminated from HACCC's HCV program due to insufficient program funding (20 Points);

All applicants will be assigned points based on any preference(s) for which they qualify (e.g., a veteran and resident of HACCC's jurisdiction would receive 11 points). Applicants with more preference points will be ranked ahead of applicants with fewer preference points. Among applicants with the same number of preference points, families will be selected according to the date and time of application to that site-based wait list. A family who applied ahead of another family with the same preference points will have preference over that family.

## **17-VI.E. OFFER OF PBV ASSISTANCE**

### **Refusal Of Offer [24 CFR 983.251(E)(3)]**

HACCC is prohibited from taking any of the following actions against a family who has applied for, received, or refused an offer of PBV assistance:

- Refuse to list the applicant on the waiting list for tenant-based voucher assistance;
- Deny any admission preference for which the applicant qualifies;
- Change the applicant's place on the waiting list based on preference, date, and time of application, or other factors affecting selection under HACCC's selection policy;
- Remove the applicant from the tenant-based voucher waiting list.

The HACCC shall remove an applicant from the site-based wait list of a project when the applicant refuses an offer of housing at the specific site. At the Executive Director's discretion,

exceptions may be made for situations where the family is forced to refuse an offer of PBV housing due to a family, medical or legal obstacle.

#### **Disapproval By Landlord [24 CFR 983.251(E)(2)]**

If a PBV owner rejects a family for admission to the owner's units, such rejection may not affect the family's position on the tenant-based voucher waiting list. Rejection by the PBV owner, however, shall be grounds for removal from the PBV site-based wait list.

#### **Acceptance of Offer [24 CFR 983.252]**

##### **Family Briefing**

When a family accepts an offer for PBV assistance, HACCC must give the family an oral briefing. The briefing must include information on how the program works and the responsibilities of the family and owner. In addition to the oral briefing, HACCC must provide a briefing packet that explains how HACCC determines the total tenant payment for a family, the family obligations under the program, and applicable fair housing information.

##### **Persons With Disabilities**

If an applicant family's head or spouse is disabled, HACCC must assure effective communication, in accordance with 24 CFR 8.6, in conducting the oral briefing and in providing the written information packet. This may include making alternative formats available (see Chapter 2). In addition, HACCC must have a mechanism for referring a family that includes a member with a mobility impairment to an appropriate accessible PBV unit.

##### **Persons With Limited English Proficiency**

HACCC should take reasonable steps to assure meaningful access by persons with limited English proficiency in accordance with Title VI of the Civil Rights Act of 1964 and Executive Order 13166 (see Chapter 2).

#### **17-VI.F. OWNER SELECTION OF TENANTS**

The owner is responsible for developing written tenant selection procedures that are consistent with the purpose of improving housing opportunities for very low-income families and reasonably related to program eligibility and an applicant's ability to fulfill their obligations under the lease. An owner must promptly notify in writing any rejected applicant of the grounds for any rejection [24 CFR 983.253(b)].

##### **Leasing [24 CFR 983.253(A)]**

During the term of the HAP contract, the owner must lease contract units to eligible families that are selected and referred by HACCC from HACCC's HCV or site-based waiting list. The contract unit leased to the family must be the appropriate size unit for the size of the family, based on HACCC's subsidy standards.

##### **Filling Vacancies [24 CFR 983.254(A)]**

The owner must promptly notify HACCC of any vacancy or expected vacancy in a contract unit. After receiving such notice, HACCC must make every reasonable effort to promptly refer a

sufficient number of families for the owner to fill such vacancies. HACCC and the owner must make reasonable efforts to minimize the likelihood and length of any vacancy.

HACCC Policy

The owner must notify HACCC in writing (mail, fax, or e-mail) within 5 business days of learning about any vacancy or expected vacancy.

HACCC Policy

HACCC will make every reasonable effort to refer families to the owner within 10 business days of receiving such notice from the owner.

**Reduction In HAP Contract Units Due To Vacancies [24 CFR 983.254(B)]**

If any contract units have been vacant for 120 or more days since owner notice of the vacancy, HACCC may give notice to the owner amending the HAP contract to reduce the number of contract units by subtracting the number of contract units (according to the bedroom size) that have been vacant for this period.

HACCC Policy

If any contract units have been vacant for 120 days, HACCC will give notice to the owner that the HAP contract will be amended to reduce the number of contract units that have been vacant for this period. HACCC will provide the notice to the owner within 10 business days of the 120th day of the vacancy. Unless the owner can give adequate reason for the HACCC not to reduce the number of contract units within 15 calendar days of the date of the HACCC notice the amendment to the HAP contract will be effective the 1st day of the month following the date of HACCC's notice.

**17-VI.G. TENANT SCREENING**

[24 CFR 983.255]

**HACCC Responsibility**

HACCC is not responsible or liable to the owner or any other person for the family's behavior or suitability for tenancy. However, HACCC may opt to screen applicants for family behavior or suitability for tenancy and may deny applicants based on such screening.

HACCC Policy

HACCC will not conduct screening to determine a PBV applicant family's suitability for tenancy.

HACCC must provide the owner with an applicant family's current and prior address (as shown in HACCC records) and the name and address (if known by HACCC) of the family's current landlord and any prior landlords.

In addition, HACCC may offer the owner other information HACCC may have about a family, including information about the tenancy history of family members or about drug trafficking and criminal activity by family members. HACCC must provide applicant families a description of HACCC policy on providing information to owners, and HACCC must give the same types of information to all owners.

### HACCC Policy

HACCC will inform owners of their responsibility to screen prospective tenants, and will provide owners with the required known name and address information, at the time of the turnover HQS inspection or before. HACCC will not provide any additional information to the owner, such as tenancy history, criminal history, etc.

### **Owner Responsibility**

The owner is responsible for screening and selection of the family to occupy the owner's unit. When screening families the owner may consider a family's background with respect to the following factors:

- Payment of rent and utility bills;
- Caring for a unit and premises;
- Respecting the rights of other residents to the peaceful enjoyment of their housing;
- Drug-related criminal activity or other criminal activity that is a threat to the health, safety, or property of others; and
- Compliance with other essential conditions of tenancy.

RAD re-screening restrictions may apply pursuant to RAD Agreement.

## **PART VII: OCCUPANCY**

### **17-VII.A. OVERVIEW**

After an applicant has been selected from the waiting list, determined eligible by HACCC, referred to an owner and determined suitable by the owner, the family will sign the lease and occupancy of the unit will begin.

### **17-VII.B. LEASE**

[24 CFR 983.256]

The tenant must have legal capacity to enter a lease under state and local law. Legal capacity means that the tenant is bound by the terms of the lease and may enforce the terms of the lease against the owner.

#### **Form Of Lease [24 CFR 983.256(B)]**

The tenant and the owner must enter into a written lease agreement that is signed by both parties. If an owner uses a standard lease form for rental units to unassisted tenants in the locality or premises, the same lease must be used for assisted tenants, except that the lease must include a HUD-required tenancy addendum. The tenancy addendum must include, word-for-word, all provisions required by HUD.

If the owner does not use a standard lease form for rental to unassisted tenants, the owner may use another form of lease.

#### **HACCC Policy**

HACCC will not review the owner's lease for compliance with state or local law. However, if HACCC becomes aware that an owner's lease does not comply with state and local law, then HACCC will require the owner to modify the lease in order to comply with state and local law. If the owner does not do this within 15 business days, then HACCC may decline to approve the tenancy.

#### **Lease Requirements [24 CFR 983.256(C)]**

The lease for a PBV unit must specify all of the following information:

- The names of the owner and the tenant;
- The unit rented (address, apartment number, if any, and any other information needed to identify the leased contract unit);
- The term of the lease (initial term and any provision for renewal);
- The amount of the tenant rent to owner, which is subject to change during the term of the lease in accordance with HUD requirements;
- A specification of the services, maintenance, equipment, and utilities that will be provide by the owner; and
- The amount of any charges for food, furniture, or supportive services.
- RAD provision that the lease will be renewed except for cause.

#### **Tenancy Addendum [24 CFR 983.256(D)]**

The tenancy addendum in the lease must state:

- The program tenancy requirements;
- The composition of the household as approved by HACCC (the names of family members and any HACCC-approved live-in aide);
- All provisions in the HUD-required tenancy addendum must be included in the lease. The terms of the tenancy addendum prevail over other provisions of the lease.

### **Initial Term And Lease Renewal [24 CFR 983.256(F)]**

The initial lease term must be for at least one year. The lease must provide for automatic renewal after the initial term of the lease in either successive definitive terms (e.g. month-to-month or year-to-year) or an automatic indefinite extension of the lease term. For automatic indefinite extension of the lease term, the lease terminates if any of the following occur:

- The owner terminates the lease for good cause
- The tenant terminates the lease
- The owner and tenant agree to terminate the lease
- HACCC terminates the HAP contract
- HACCC terminates assistance for the family

### **Changes In The Lease [24 CFR 983.256(E)]**

If the tenant and owner agree to any change in the lease, the change must be in writing, and the owner must immediately give HACCC a copy of all changes.

The owner must notify HACCC in advance of any proposed change in the lease regarding the allocation of tenant and owner responsibilities for utilities. Such changes may only be made if approved by HACCC and in accordance with the terms of the lease relating to its amendment. HACCC must re-determine reasonable rent, in accordance with program requirements, based on any change in the allocation of the responsibility for utilities between the owner and the tenant. The re-determined reasonable rent will be used in calculation of the rent to owner from the effective date of the change.

### **Owner Termination Of Tenancy [24 CFR 983.257]**

With two exceptions, the owner of a PBV unit may terminate tenancy for the same reasons an owner may in the tenant-based voucher program (see Section 12-III.B. and 24 CFR 982.310). In the PBV program, terminating tenancy for "good cause" does not include doing so for a business or economic reason, or a desire to use the unit for personal or family use or other non-residential purpose.

### **Special RAD Provisions Regarding Project Owner Termination of Tenancy**

Project Owner termination of tenancy and eviction procedures for RAD conversions to PBV will require that PHAs provide adequate written notice of termination of the lease which shall not be less than:

- a. A reasonable period of time, but not to exceed 30 days:
  - i. If the health or safety of other tenants, PHA employees, or persons residing in the immediate vicinity of the premises is threatened; or
  - ii. In the event of any drug-related or violent criminal activity or any felony conviction;
- b. 14 days in the case of nonpayment of rent; and

c. 30 days in any other case, except that if a State or local law provides for shorter period of time, such shorter period shall apply.

**Tenant Absence From The Unit [24 CFR 983.256(G) And 982.312(A)]**

The owner may specify in the lease a maximum period of tenant absence from the unit that is shorter than the maximum period permitted by HACCC policy. According to program requirements, the family's assistance must be terminated if they are absent from the unit for more than 180 consecutive days. HACCC termination of assistance actions due to family absence from the unit are subject to 24 CFR 981.312, except that the unit is not terminated from the HAP contract if the family is absent for longer than the maximum period permitted.

**Continuation of Housing Assistance Payments [24 CFR 982.258]**

Housing assistance payments shall continue until the tenant rent equals the rent to owner. The cessation of housing assistance payments at such point will not affect the family's other rights under its lease, nor will such cessation preclude the resumption of payments as a result of later changes in income, rents, or other relevant circumstances if such changes occur within 180 days following the date of the last housing assistance payment by HACCC. After the 180-day period, the unit shall be removed from the HAP contract pursuant to 24 CFR 983.211.

**HACCC Policy**

If a participating family receiving zero assistance experiences a change in circumstances that would result in a HAP payment to the owner, the family must notify HACCC of the change and request an interim reexamination before the expiration of the 180-day period.

**Security Deposits [24 CFR 983.259]**

The owner may collect a security deposit from the tenant. HACCC may prohibit security deposits in excess of private market practice, or in excess of amounts charged by the owner to unassisted tenants.

**HACCC Policy**

HACCC will allow the owner to collect a security deposit amount the owner determines is appropriate, as long as it does not exceed that allowed under state law.

When the tenant moves out of a contract unit, the owner, subject to state and local law, may use the security deposit, including any interest on the deposit, in accordance with the lease, as reimbursement for any unpaid tenant rent, damages to the unit, or other amounts owed by the tenant under the lease.

The owner must give the tenant a written list of all items charged against the security deposit and the amount of each item. After deducting the amount used to reimburse the owner, the owner must promptly refund the full amount of the balance to the tenant.

If the security deposit does not cover the amount owed by the tenant under the lease, the owner may seek to collect the balance from the tenant. HACCC has no liability or responsibility for payment of any amount owed by the family to the owner.

## 17-VII.C. MOVES

### **Overcrowded, Under-Occupied, And Accessible Units [24 CFR 983.260]**

If HACCC determines that a family is occupying a wrong size unit, based on HACCC's subsidy standards, or a unit with accessibility features that the family does not require, and the unit is needed by a family that does require the features, HACCC must promptly notify the family and the owner of this determination, and HACCC must offer the family the opportunity to receive continued housing assistance in another unit.

#### HACCC Policy

HACCC will notify the family and the owner of the family's need to move based on the occupancy of a wrong-size or accessible unit within 10 business days of HACCC's determination. HACCC will offer the family the following types of continued assistance in the following order, based on the availability of assistance:

- PBV assistance in the same project;
- PBV assistance in another project; and
- Tenant-based voucher assistance.

If HACCC offers the family a tenant-based voucher, HACCC must terminate the housing assistance payments for a wrong-sized or accessible unit at the earlier of the expiration of the term of the family's voucher (including any extension granted by HACCC) or the date upon which the family vacates the unit. If the family does not move out of the wrong-sized unit or accessible unit by the expiration of the term of the family's voucher, HACCC must remove the unit from the HAP contract.

If HACCC offers the family another form of assistance that is not a tenant-based voucher, and the family does not accept the offer, does not move out of the PBV unit within a reasonable time as determined by HACCC, or both, HACCC must terminate the housing assistance payments for the unit at the expiration of a reasonable period as determined by HACCC and remove the unit from the HAP contract

#### HACCC Policy

When HACCC offers a family another form of assistance that is not a tenant-based voucher, the family will be given 60 days from the date of the offer to accept the offer and move out of the PBV unit. If the family does not move out within this 60-day time frame, HACCC will terminate the housing assistance payments at the expiration of this 60-day period.

HACCC may make exceptions to this 60-day period if needed for reasons beyond the family's control such as death, serious illness, or other medical emergency of a family member.

### **Family Right To Move [24 CFR 983.261]**

The family may terminate the lease at any time after the first year of occupancy. The family must give advance written notice to the owner in accordance with the lease and provide a copy of such notice to HACCC. If the family wishes to move with continued tenant-based assistance, the

family must contact HACCC to request the rental assistance prior to providing notice to terminate the lease.

If the family terminates the lease in accordance with these requirements, HACCC is required to offer the family the opportunity for continued tenant-based assistance in the form of a voucher or other comparable tenant-based rental assistance. If voucher or other comparable tenant-based assistance is not immediately available upon termination of the family's lease in the PBV unit, HACCC must give the family priority to receive the next available opportunity for continued tenant-based assistance.

The above policies do not apply when the family or a member of the family is or has been the victim of domestic violence, dating violence, sexual assault, or stalking, as provided in 24 CFR part 5, subpart L, and the move is needed to protect the health or safety of the family or family member, or any family member has been the victim of a sexual assault that occurred on the premises during the 90-calendar-day period preceding the family's request to move. A PHA may not terminate assistance if the family, with or without prior notification to the PHA, moves out of a unit in violation of the lease, if such move occurs to protect the health or safety of a family member who is or has been the victim of domestic violence, dating violence, sexual assault, or stalking and who reasonably believed he or she was threatened with imminent harm from further violence if he or she remained in the dwelling unit, or any family member has been the victim of a sexual assault that occurred on the premises during the 90-calendar-day period preceding the family's request to move.

If a family breaks up as a result of an occurrence of domestic violence, dating violence, sexual assault, or stalking, as provided in 24 CFR part 5, subpart L, the PHA may offer the victim the opportunity for continued tenant-based rental assistance.

If the family terminates the assisted lease before the end of the first year, the family relinquishes the opportunity for continued tenant-based assistance.

If the family seeks to move with continued assistance but is not in good standing, HACCC may deny the request subject to the informal hearing process. Good standing is defined as not owing back rent, not the subject of documented program and lease violations, not under eviction for violation of lease terms or subject to a proposal for termination due to a violation of program obligations.

### **Rental Assistance Demonstration (RAD) Choice Mobility Alternative**

HUD recognizes that it remains important for HACCC to still be able to use tenant-based vouchers to address the specific housing needs and priorities of the community.

Therefore, HUD has established an alternative requirement for PHAs where, as a result of RAD, the total number of PBV units (including RAD PBV units) under HAP contract administered by HACCC exceeds 20 percent of the HACCC's authorized units under its HCV ACC with HUD.

#### **HACCC Policy**

HACCC shall not provide more than three-quarters of its turnover vouchers in any single year to the residents of RAD Covered Projects. While HACCC is not required to

establish a voucher inventory turnover cap, if such a cap is implemented, HACCC shall create and maintain a waiting list in the order in which the requests from eligible households are received.

#### **17-VII.D. EXCEPTIONS TO THE OCCUPANCY CAP [24 CFR 983.262]**

As of April 17, 2018, the PHA may not pay housing assistance under a PBV HAP contract for more than the greater of 25 units or 25 percent of the number of dwelling units in a project unless:

- The units are exclusively for elderly families
- The units are for households eligible for supportive services available to all families receiving PBV assistance in the project

If the project is located in a census tract with a poverty rate of 20 percent or less, as determined in the most recent American Community Survey Five-Year estimates, the project cap is the greater of 25 units or 40 percent (instead of 25 percent) of the units in the project [FR Notice 7/14/17].

If a family at the time of initial tenancy is receiving and while the resident of an excepted unit has received Family Self-Sufficiency (FSS) supportive services or any other service as defined by HACCC and successfully completes the FSS contract of participation or the supportive services requirement, the unit continues to count as an excepted unit for as long as the family resides in the unit. However, if the FSS family fails to successfully complete the FSS contract of participation or supportive services objective and consequently is no longer eligible for the supportive services, the family must vacate the unit within a reasonable period of time established by the PHA, and the PHA shall cease paying HAP on behalf of the family.

Further, when a family (or remaining members of a family) residing in an excepted unit no longer meets the criteria for a "qualifying family" because the family is no longer an elderly due to a change in family composition, HACCC has the discretion to allow the family to remain in the excepted unit. If HACCC does not exercise this discretion, the family must vacate the unit within a reasonable period of time established by HACCC, and HACCC must cease paying housing assistance payments on behalf of the non-qualifying family.

Individuals in units with supportive services who choose to no longer participate in a service or who no longer qualify for services they qualified for at the time of initial occupancy cannot subsequently be denied continued housing opportunity because of this changed circumstance. A PHA or owner cannot determine that a participant's needs exceed the level of care offered by qualifying services or require that individuals be transitioned to different projects based on service needs.

If the family fails to vacate the unit within the established time, the unit must be removed from the HAP contract unless the project is partially assisted, and it is possible for the HAP contract to be amended to substitute a different unit in the project in accordance with program requirements; or the owner terminates the lease and evicts the family. The housing assistance payments for a

family residing in an excepted unit that is not in compliance with its family obligations to comply with supportive services requirements must be terminated by HACCC.

HACCC may allow a family that initially qualified for occupancy of an excepted unit based on elderly family status to continue to reside in a unit, where through circumstances beyond the control of the family (e.g., death of the elderly family member or long-term or permanent hospitalization or nursing care), the elderly family member no longer resides in the unit. In this case, the unit may continue to be counted as an excepted unit for as long as the family resides in that unit. Once the family vacates the unit, in order to continue as an excepted unit under the HAP contract, the unit must be made available to and occupied by a qualified family.

#### HACCC Policy

HACCC will provide PBV assistance for excepted units.

When HACCC determines that a family no longer meets the criteria for a "qualifying family" in connection with the "exception unit", HACCC will provide written notice to the family and owner within 10 business days of making the determination. The family will be given 60 days from the date of the notice to move out of the PBV unit. If the family does not move out within this 60-day time frame, HACCC will terminate the housing assistance payment at the expiration of the 60-day period.

HACCC may make exceptions to this 60-day period if needed for reasons beyond the family's control such as death, serious illness, or other medical emergency of a family member.

## **PART VIII: DETERMINING RENT TO OWNER**

### **17-VIII.A. OVERVIEW**

The amount of the initial rent to an owner of units receiving PBV assistance is established at the beginning of the HAP contract term. Although for rehabilitated or newly constructed housing, the agreement to enter into HAP Contract (Agreement) states the estimated amount of the initial rent to owner, the actual amount of the initial rent to owner is established at the beginning of the HAP contract term.

During the term of the HAP contract, the rent to owner is re-determined at the owner's request in accordance with program requirements, and at such time that there is a five percent or greater decrease in the published FMR.

### **17-VIII.B. RENT LIMITS**

[24 CFR 983.301]

Except for certain tax credit units (discussed below), the rent to owner must not exceed the lowest of the following amounts:

- An amount determined by HACCC, not to exceed 110 percent of the applicable fair market rent (or any HUD-approved exception payment standard) for the unit bedroom size minus any utility allowance;
- The reasonable rent; or
- The rent requested by the owner.

#### **Certain Tax Credit Units [24 CFR 983.301(C)]**

For certain tax credit units, the rent limits are determined differently than for other PBV units. Different limits apply to contract units that meet all of the following criteria:

- The contract unit receives a low-income housing tax credit under the Internal Revenue Code of 1986;
- The contract unit is not located in a qualified census tract;
- There are comparable tax credit units of the same bedroom size as the contract unit in the same building, and the comparable tax credit units do not have any form of rental assistance other than the tax credit; and
- The tax credit rent exceeds 110 percent of the fair market rent or any approved exception payment standard);

For contract units that meet all of these criteria, the rent to owner must not exceed the lowest of:

- The tax credit rent minus any utility allowance;
- The reasonable rent; or
- The rent requested by the owner.

#### **Definitions**

A qualified census tract is any census tract (or equivalent geographic area defined by the Bureau of the Census) in which at least 50 percent of households have an income of less than 60 percent

of Area Median Gross Income (AMGI), or where the poverty rate is at least 25 percent and where the census tract is designated as a qualified census tract by HUD.

Tax credit rent is the rent charged for comparable units of the same bedroom size in the building that also receive the low-income housing tax credit but do not have any additional rental assistance (e.g., tenant-based voucher assistance).

### **Reasonable Rent [24 CFR 983.301(e) and 983.302(c)(2)]**

HACCC must determine reasonable rent in accordance with 24 CFR 983.303. The rent to owner for each contract unit may at no time exceed the reasonable rent, except in cases where the PHA has elected within the HAP contract not to reduce rents below the initial rent to owner and, upon redetermination of the rent to owner, the reasonable rent would result in a rent below the initial rent. However, the rent to owner must be reduced in the following cases:

- To correct errors in calculations in accordance with HUD requirements
- If additional housing assistance has been combined with PBV assistance after the execution of the initial HAP contract and a rent decrease is required pursuant to 24 CFR 983.55
- If a decrease in rent to owner is required based on changes in the allocation of the responsibility for utilities between owner and tenant. If HACCC has not elected within the HAP contract to establish the initial rent to owner as the rent floor, the rent to owner shall not at any time exceed the reasonable rent.

#### HACCC Policy

HACCC elects within the HAP contract not to reduce rents below the initial level, with the exception of circumstances listed in 24 CFR 983.302(c)(2). If, upon redetermination of the rent to owner, the reasonable rent would result in a rent below the initial rent, HACCC will use the higher initial rent to owner amount.

### **Use Of FMRs, Exception Payment Standards, And Utility Allowances [24 CFR 983.301(F)]**

When determining the initial rent to owner, HACCC must use the most recently published FMR in effect and the utility allowance schedule in effect at execution of the HAP contract. When re-determining the rent to owner, HACCC must use the most recently published FMR and the utility allowance schedule in effect at the time of re-determination. At its discretion, HACCC may for initial rent, use the amounts in effect at any time during the 30-day period immediately before the beginning date of the HAP contract, or for re-determinations of rent, the 30-day period immediately before the re-determination date.

Any HUD-approved exception payment standard amount under the tenant-based voucher program also applies to the project-based voucher program. HUD will not approve a different exception payment standard amount for use in the PBV program.

Likewise, HACCC may not establish or apply different utility allowance amounts for the PBV program. The same utility allowance schedule applies to both the tenant-based and project-based voucher programs.

### HACCC Policy

Upon written request by the owner, HACCC will consider using the FMR or utility allowances in effect during the 30-day period before the start date of the HAP, or re-determination of rent. The owner must explain the need to use the previous FMRs or utility allowances and include documentation in support of the request. HACCC will review and make a decision based on the circumstances and merit of each request.

In addition to considering a written request from an owner, HACCC may decide to use the FMR or utility allowances in effect during the 30-day period before the start date of the HAP, or re-determination of rent, if HACCC determines it is necessary due to HACCC budgetary constraints.

### **Use of Small Area FMRs (SAFMRs) [24 CFR 888.113(h)]**

While small area FMRs (SAFMRs) do not apply to PBV projects, PHAs that operate a tenant-based program under SAFMRs may apply SAFMRs to all future PBV HAP contracts. If the PHA adopts this policy, it must apply to all future PBV projects and the PHA's entire jurisdiction. The PHA and owner may not subsequently choose to revert back to use of the FMRs once the SAFMRs have been adopted, even if the PHA subsequently changes its policy.

Further, the PHA may apply SAFMRs to current PBV projects where the notice of owner selection was made on or before the effective dates of PHA implementation, provided the owner is willing to mutually agree to doing so and the application is prospective. The PHA and owner may not subsequently choose to revert back to use of the FMRs once the SAFMRs have been adopted, even if the PHA subsequently changes its policy. If rents increase as a result of the use of SAFMRs, the rent increase may not be effective until the first anniversary of the HAP contract.

### HACCC Policy

HACCC will not apply SAFMRs to the PHA's PBV program.

### **Re-Determination Of Rent [24 CFR 983.302]**

HACCC must re-determine the rent to owner upon the owner's request or when there is a five percent or greater decrease in the published FMR.

### Rent Increase

If an owner wishes to request an increase in the rent to owner from HACCC, it must be requested at the annual anniversary of the HAP contract (see Section 17-V.D.). The request must be in writing and in the form and manner required by HACCC. HACCC may only make rent increases in accordance with the rent limits described previously. There are no provisions in the PBV program for special adjustments (e.g., adjustments that reflect increases in the actual and necessary expenses of owning and maintaining the units which have resulted from substantial general increases in real property taxes, utility rates, or similar costs).

### HACCC Policy

An owner's request for a rent increase must be submitted to HACCC 60 days prior to the anniversary date of the HAP contract, and must include the new rent amount the owner is proposing.

HACCC may not approve and the owner may not receive any increase of rent to owner until and unless the owner has complied with requirements of the HAP contract, including compliance with HQS. The owner may not receive any retroactive increase of rent for any period of noncompliance.

### **Rent Decrease**

If there is a decrease in the rent to owner, as established in accordance with program requirements such as a change in the FMR or exception payment standard, or reasonable rent amount, the rent to owner must be decreased regardless of whether the owner requested a rent adjustment. except where HACCC has elected within the HAP contract to not reduce rents below the initial rent under the initial HAP contract.

### **Notice Of Rent Change**

The rent to owner is re-determined by written notice by HACCC to the owner specifying the amount of the re-determined rent. HACCC notice of rent adjustment constitutes an amendment of the rent to owner specified in the HAP contract. The adjusted amount of rent to owner applies for the period of 12 calendar months from the annual anniversary of the HAP contract.

### HACCC Policy

HACCC will provide the owner with at least 30 days written notice of any change in the amount of rent to owner.

### **HACCC-Owned Units [24 CFR 983.301(G)]**

For HACCC-owned PBV units, the initial rent to owner and the annual re-determination of rent at the anniversary of the HAP contract are determined by the independent entity approved by HUD. HACCC must use the rent to owner established by the independent entity.

## **17-VIII.C. REASONABLE RENT**

[24 CFR 983.303]

At the time the initial rent is established and all times during the term of the HAP contract, the rent to owner for a contract unit may not exceed the reasonable rent for the unit as determined by HACCC, except where the PHA has elected within the HAP contract to not reduce rents below the initial rent under the initial HAP contract.

### **When Rent Reasonable Determinations Are Required**

HACCC must re-determine the reasonable rent for a unit receiving PBV assistance whenever any of the following occur:

- There is a ten percent or greater decrease in the published FMR in effect 60 days before the contract anniversary (for the unit sizes specified in the HAP contract) as

- compared with the FMR that was in effect one year before the contract anniversary date;
- HACCC approves a change in the allocation of responsibility for utilities between the owner and the tenant;
  - The HAP contract is amended to substitute a different contract unit in the same project; or
  - There is any other change that may substantially affect the reasonable rent.

### **How To Determine Reasonable Rent**

The reasonable rent of a unit receiving PBV assistance must be determined by comparison to rent for other comparable unassisted units. When making this determination, HACCC must consider factors that affect market rent. Such factors include the location, quality, size, type and age of the unit, as well as the amenities, housing services maintenance, and utilities to be provided by the owner.

### **Comparability Analysis**

For each unit, the comparability analysis must use at least three comparable units in the private unassisted market. This may include units in the premises or project that is receiving project-based assistance. The analysis must show how the reasonable rent was determined, including major differences between the contract units and comparable unassisted units, and must be retained by HACCC. The comparability analysis may be performed by HACCC staff or by another qualified person or entity. Those who conduct these analyses or are involved in determining the housing assistance payment based on the analyses may not have any direct or indirect interest in the property.

### **HACCC-Owned Units**

For HACCC-owned units, the amount of the reasonable rent must be determined by an independent agency approved by HUD in accordance with PBV program requirements. The independent entity must provide a copy of the determination of reasonable rent for HACCC-owned units to HACCC and to the HUD field office where the project is located.

### **Owner Certification Of Reasonable Rent**

By accepting each monthly housing assistance payment, the owner certifies that the rent to owner is not more than rent charged by the owner for other comparable unassisted units in the premises. At any time, HACCC may require the owner to submit information on rents charged by the owner for other units in the premises or elsewhere.

## **17-VIII.D. EFFECT OF OTHER SUBSIDY AND RENT CONTROL**

In addition to the rent limits discussed in Section 17-VIII.B above, other restrictions may limit the amount of rent to owner in a PBV unit. In addition, certain types of subsidized housing are not even eligible to receive PBV assistance (see Section 17-II.D).

### **Other Subsidy [24 CFR 983.304]**

To comply with HUD subsidy layering requirements, at the discretion of HUD or its designee, a PHA shall reduce the rent to owner because of other governmental subsidies, including tax

credits or tax exemptions, grants, or other subsidized funding. For units receiving assistance under the HOME program, rents may not exceed rent limits as required by that program.

For units in any of the following types of federally subsidized projects, the rent to owner may not exceed the subsidized rent (basic rent) or tax credit rent as determined in accordance with requirements for the applicable federal program:

- An insured or non-insured Section 236 project;
- A formerly insured or non-insured Section 236 project that continues to receive Interest Reduction Payment following a decoupling action;
- A Section 221(d)(3) below market interest rate (BMIR) project;
- A Section 515 project of the Rural Housing Service;
- A project receiving low-income housing tax credits;
- Any other type of federally subsidized project specified by HUD.

### **Combining Subsidy**

Rent to owner may not exceed any limitation required to comply with HUD subsidy layering requirements.

### **Rent Control [24 CFR 983.305]**

In addition to the rent limits set by PBV program regulations, the amount of rent to owner may also be subject to rent control or other limits under local, state, or federal law.

## **PART IX: PAYMENTS TO OWNER**

### **17-IX.A. HOUSING ASSISTANCE PAYMENTS**

[24 CFR 983.351]

During the term of the HAP contract, HACCC must make housing assistance payments to the owner in accordance with the terms of the HAP contract. During the term of the HAP contract, payments must be made for each month that a contract unit complies with HQS and is leased to and occupied by an eligible family. The housing assistance payment must be paid to the owner on or about the first day of the month for which payment is due, unless the owner and HACCC agree on a later date.

Except for discretionary vacancy payments, HACCC may not make any housing assistance payment to the owner for any month after the month when the family moves out of the unit (even if household goods or property are left in the unit).

The amount of the housing assistance payment by HACCC is the rent to owner minus the tenant rent (total tenant payment minus the utility allowance).

In order to receive housing assistance payments, the owner must comply with all provisions of the HAP contract. Unless the owner complies with all provisions of the HAP contract, the owner does not have a right to receive housing assistance payments.

### **17-IX.B. VACANCY PAYMENTS**

[24 CFR 983.352]

#### HACCC Policy

If an assisted family moves out of the unit, the owner may keep the housing assistance payment for the calendar month when the family moves out. However, the owner may not keep the payment if HACCC determines that the vacancy is the owner's fault.

If HACCC determines that the owner is responsible for a vacancy and, as a result, is not entitled to the keep the housing assistance payment, HACCC will notify the landlord of the amount of housing assistance payment that the owner must repay. HACCC will require the owner to repay the amount owed in accordance with the policies in Section 16-IV.B.

At the discretion of HACCC, the HAP contract may provide for vacancy payments to the owner. HACCC may only make vacancy payments if:

- The owner gives HACCC prompt, written notice certifying that the family has vacated the unit and identifies the date when the family moved out (to the best of the owner's knowledge);
- The owner certifies that the vacancy is not the fault of the owner and that the unit was vacant during the period for which payment is claimed;
- The owner certifies that it has taken every reasonable action to minimize the likelihood and length of vacancy; and
- The owner provides any additional information required and requested by HACCC to verify that the owner is entitled to the vacancy payment.

The owner must submit a request for vacancy payments in the form and manner required by HACCC and must provide any information or substantiation required by HACCC to determine the amount of any vacancy payment.

#### HACCC Policy

If an owner's HAP contract calls for vacancy payments to be made, and the owner wishes to receive vacancy payments, the owner must have properly notified HACCC of the vacancy in accordance with the policy in Section 17-VI.F. regarding filling vacancies.

In order for a vacancy payment request to be considered, it must be made within 10 business days of the end of the period for which the owner is requesting the vacancy payment. The request must include the required owner certifications and HACCC may require the owner to provide documentation to support the request. If the owner does not provide the information requested by HACCC within 10 business days of HACCC's request, no vacancy payments will be made.

#### **17-IX.C. TENANT RENT TO OWNER**

[24 CFR 983.353]

The tenant rent is the portion of the rent to owner paid by the family. The amount of tenant rent is determined by HACCC in accordance with HUD requirements. Any changes in the amount of tenant rent will be effective on the date stated in HACCC notice to the family and owner.

The family is responsible for paying the tenant rent (total tenant payment minus the utility allowance). The amount of the tenant rent determined by HACCC is the maximum amount the owner may charge the family for rental of a contract unit. The tenant rent covers all housing services, maintenance, equipment, and utilities to be provided by the owner. The owner may not demand or accept any rent payment from the tenant in excess of the tenant rent as determined by HACCC. The owner must immediately return any excess payment to the tenant.

#### **RAD Phase-in of Increase in Tenant Rent Portion.**

If a tenant's monthly rent increases by more than the greater of 10 percent or \$25 purely as a result of conversion, the rent increase will be phased in over 3 or 5 years. To implement this provision, HUD is specifying alternative requirements for section 3(a)(1) of the Act, as well as 24 CFR § 983.3 (definition of "total tenant payment" (TTP)) to the extent necessary to allow for the phase-in of tenant rent increases.

The method described below explains the set percentage-based phase-in a Project Owner must follow according to the phase-in period established. For purposes of this section "standard TTP" refers to the TTP calculated in accordance with regulations at 24 CFR §5.628 and the "most recently paid TTP" refers to the TTP recorded on line 9j of the family's most recent HUD Form 50058. If a family in a project converting from Public Housing to PBV was paying a flat rent immediately prior to conversion, HACCC shall use the flat rent amount to calculate the phase in amount for Year 1, as illustrated below.

Three Year Phase-in - Increase is the greater of 10 % of tenant's monthly rent or \$25:

- Year 1: Any recertification (interim or annual) performed prior to the second annual recertification after conversion – 33% of difference between most recently paid TTP or flat rent and the standard TTP
- Year 2: Year 2 Annual Recertification (AR) and any Interim Recertification (IR) prior to Year 3 AR – 66% of difference between most recently paid TTP and the standard TTP
- Year 3: Year 3 AR and all subsequent recertifications – Full standard TTP

Five Year Phase-in - Increase is the greater of 50 % of tenant's monthly rent or \$300:

- Year 1: Any recertification (interim or annual) performed prior to the second annual recertification after conversion – 20% of difference between most recently paid TTP or flat rent and the standard TTP
- Year 2: Year 2 AR and any IR prior to Year 3 AR – 40% of difference between most recently paid TTP and the standard TTP
- Year 3: Year 3 AR and any IR prior to Year 4 AR – 60% of difference between most recently paid TTP and the standard TTP
- Year 4: Year 4 AR and any IR prior to Year 5 AR – 80% of difference between most recently paid TTP and the standard TTP
- Year 5 AR and all subsequent recertifications – Full standard TTP

*Please Note:* In either the three year phase-in or the five-year phase-in, once the standard TTP is equal to or less than the previous TTP, the phase-in ends and tenants will pay full TTP from that point forward.

### **Tenant And HACCC Responsibilities**

The family is not responsible for the portion of rent to owner that is covered by the housing assistance payment and the owner may not terminate the tenancy of an assisted family for nonpayment by HACCC.

Likewise, HACCC is responsible only for making the housing assistance payment to the owner in accordance with the HAP contract. HACCC is not responsible for paying tenant rent, or any other claim by the owner, including damage to the unit. HACCC may not use housing assistance payments or other program funds (including administrative fee reserves) to pay any part of the tenant rent or other claim by the owner.

### **Utility Reimbursements**

If the amount of the utility allowance exceeds the total tenant payment, HACCC must pay the amount of such excess to the tenant as a reimbursement for tenant-paid utilities, and the tenant rent to the owner must be zero.

HACCC may pay the utility reimbursement directly to the family or to the utility supplier on behalf of the family. If HACCC chooses to pay the utility supplier directly, HACCC must notify the family of the amount paid to the utility supplier.

## HACCC Policy

HACCC will make utility reimbursements to the family.

### **17-IX.D. OTHER FEES AND CHARGES**

[24 CFR 983.354]

#### **Meals And Supportive Services**

With the exception of PBV assistance in assisted living developments, the owner may not require the tenant to pay charges for meals or supportive services. Non-payment of such charges is not grounds for termination of tenancy.

In assisted living developments receiving PBV assistance, the owner may charge for meals or supportive services. These charges may not be included in the rent to owner, nor may the value of meals and supportive services be included in the calculation of the reasonable rent. However, non-payment of such charges is grounds for termination of the lease by the owner in an assisted living development.

#### **Other Charges By Owner**

The owner may not charge extra amounts for items customarily included in rent in the locality or provided at no additional cost to unsubsidized tenants in the premises.

## Chapter 18

### PROJECT BASED VOUCHERS (PBV) UNDER THE RENTAL ASSISTANCE DEMONSTRATION (RAD) PROGRAM

#### INTRODUCTION

This chapter describes HUD regulations and PHA policies related to the Project-Based Voucher (PBV) program under the Rental Assistance Demonstration (RAD) program in eight parts:

Part I: General Requirements. This part describes general provisions of the PBV program, including maximum budget authority requirements, relocation requirements, and equal opportunity requirements.

Part II: PBV Project Selection. This part describes the cap on assistance at projects receiving PBV assistance, ownership and control, and site selection standards.

Part III: Dwelling Units. This part describes requirements related to housing quality standards, the type and frequency of inspections, and housing accessibility for persons with disabilities.

Part IV: Housing Assistance Payments Contract. This part discusses HAP contract requirements and policies including the execution and term of the HAP contract.

Part V: Selection of PBV Program Participants. This part describes the requirements and policies governing how the PHA and the owner will select a family to receive PBV assistance.

Part VI: Occupancy. This part discusses occupancy requirements related to the lease, and describes under what conditions families are allowed or required to move.

Part VII: Determining Contract Rent. This part describes how the initial rent to owner is determined, and how rent will be redetermined throughout the life of the HAP contract.

Part VIII: Payments to Owner. This part describes the types of payments owners may receive under this program.

## **PART I: GENERAL REQUIREMENTS**

### **18-I.A. OVERVIEW AND HISTORY OF THE RAD PROGRAM**

The Rental Assistance Demonstration (RAD) program was authorized in 2012 in order to assess the effectiveness of converting public housing, moderate rehabilitation properties, and units under the rent supplement and rental assistance payments programs to long-term, project-based Section 8 rental assistance. The program's four primary objectives are to:

Preserve and improve public and other assisted housing.

Standardize the administration of the plethora of federally subsidized housing programs and rules. The conversions are intended to promote operating efficiency by using a Section 8 project-based assistance model that has proven successful and effective for over 30 years. In other words, RAD aligns eligible properties more closely with other affordable housing programs.

Attract private market capital for property renovations. Through the use of this model, properties may be able to leverage private debt and equity to make capital repairs.

Increase tenant mobility opportunities.

Under the first component, a PHA with public housing units may submit an application to HUD to convert some or all of their public housing units to long-term, project-based Section 8 HAP contracts under either:

Project-based rental assistance (PBRA) under HUD's Office of Multifamily Housing Programs.

Project-based vouchers (PBVs) under HUD's Office of Public and Indian Housing (PIH).

This chapter will focus on public housing conversions to the PBV program under RAD. In order to distinguish between requirements for public housing conversion under RAD and PBV units under the standard PBV program, we will refer to the standard PBV program and the RAD PBV program.

## **18-I.B. APPLICABLE REGULATIONS**

On the whole, the regulations for both the standard and RAD PBV programs generally follow the regulations for the tenant-based HCV program found at 24 CFR Part 982. However, important parts of the tenant-based regulations do not apply to the project-based program. 24 CFR Part 983 outlines the sections of 24 CFR Part 982 that are not applicable to the project-based program.

For the RAD PBV program, Congress authorized HUD to waive certain statutory and regulatory provisions or establish alternative requirements from the standard PBV program. These provisions are identified in Notice PIH 2012-32, REV-2 (issued June 15, 2015) and Notice PIH 2012-32, REV-3 (issued January 12, 2017).

Otherwise, all regulatory and statutory requirements for the standard PBV program in 24 CFR Part 983 and Section 8(o)(13) of the Housing Act of 1937, and all applicable standing and subsequent Office of Public and Indian Housing (PIH) guidance, including related handbooks, apply to RAD PBV. This includes environmental review, Davis-Bacon, and fair housing requirements.

RAD is authorized by the Consolidated and Further Continuing Appropriations Act of 2012 (Public Law 112-55, approved November 18, 2011), as amended by the Consolidated Appropriations Act of 2014 (Public Law 113-76, approved January 17, 2014), and the Consolidated and Further Continuing Appropriations Act of 2015 (Public Law 113-235, approved December 6, 2014), and Division L, Title II, Section 237 of the Consolidated Appropriations Act (Public Law 114-113, enacted December 18, 2015) collectively, the “RAD Statute.” Requirements specific to the RAD program may be found in the following:

Generally, public housing projects converting assistance under RAD are bound by the terms of the notice in effect at the time of closing. Notice PIH 2012-32, REV-3 is applicable to projects converting assistance through RAD, including those where a CHAP has already been issued, upon the expiration of the 30-day comment period after publication of the notice. Notice PIH 2012-32, REV-3 was published January 12, 2017.

Notice PIH 2012-32, REV-2, RAD – Final Implementation, REV-2 is applicable to projects converting assistance through RAD upon the expiration of the 30-day comment period after publication of the Notice. PIH Notice 2012-32, REV-2 was published June 15, 2015.

**NOTE: The policies in this chapter follow Notice PIH 2012-32, REV-3. If your project falls under REV-2, applicable policies may be found in the applicable sections of the Instruction Guide for Chapter 18.**

- This notice may apply to projects that have converted to RAD prior to November 10, 2016 , AND who have requested and received approval from HUD to be governed by this notice. See PIH Notice 2016-17, Section 1, Paragraph 1.3 for applicability.

**NOTE: The policies in this chapter follow Notice PIH 2016-17. If your project falls under PIH 2014-17, applicable policies may be found in Section 18-I.D.**

RAD FAQs (<http://www.radresource.net/search.cfm>)

In other words, the standard PBV program follows many of the same regulations as the tenant-based HCV program, but not all of them, and the RAD PBV program follows many of the same regulations as the standard PBV program, but not all of them.

MTW agencies are able to apply activities impacting the PBV program that are approved in the MTW Plan to properties converting under RAD, provided they do not conflict with RAD requirements.

## **18-I.C. TENANT-BASED VS. PROJECT-BASED VOUCHER ASSISTANCE [24 CFR 983.2]**

Much of the tenant-based voucher program regulations also apply to the PBV program. Consequently, many of the PHA policies related to tenant-based assistance also apply to RAD PBV assistance. The provisions of the tenant-based voucher regulations that do not apply to the PBV program are listed at 24 CFR 983.2.

### HACCC Policy

Except as otherwise noted in this chapter, or unless specifically prohibited by PBV program regulations, the HACCC policies for the tenant-based voucher program contained in this administrative plan also apply to the RAD PBV program and its participants. This chapter is intended to address requirements specific to the RAD PBV program only.

## **18-I.D. RELOCATION REQUIREMENTS [Notice PIH 2016-17]**

In some developments, in-place residents may need to be relocated as a result of properties undergoing repairs, being demolished and rebuilt, or when assistance is transferred from one site to another. RAD program rules prohibit the permanent, involuntary relocation of residents as a result of conversion. Residents that are temporarily relocated retain the right to return to the project once it has been completed.

Relocation assistance provided to residents will vary depending on the length of time relocation is required. Residents must be properly notified in advance of relocation requirements in accordance with RAD program rules and Uniform Relocation Act (URA) requirements. Sample informing notices are provided in Appendices 2–5 of Notice PIH 2014-17. A written relocation plan is required if the RAD conversion involves permanent relocation (including a move in connection with a transfer of assistance) or temporary relocation anticipated to last longer than a year. While the PHA is not required to have a written relocation plan for temporary relocation lasting one year or less, HUD strongly encourages PHAs to prepare one. Appendix II of Notice PIH 2016-17 contains recommended contents for a relocation plan.

In addition, PHAs must undertake a planning process that complies with the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (URA), although not all relocations under RAD will trigger requirements under URA. URA statute and implementing regulations may be found at 49 CFR Part 24. The obligation due to relocating residents under RAD are broader than URA relocation assistance and payments.

Any residents that may need to be temporarily relocated to facilitate rehabilitation or construction will have a right to return to either: a) a unit at the development once rehabilitation or construction is completed, provided the resident's household is not under-housed; or b) a unit in the development which provides the same major features as the resident's unit in the development prior to the implementation of the RAD conversion.

Where the transfer of assistance to a new site is warranted and approved, residents of the converting development will have the right to reside in an assisted unit at the new site once rehabilitation or construction is complete.

If the PHA's proposed plans for conversion would preclude a resident from returning to the development, the resident must be given an opportunity to comment and/or object to such plans. PHAs must alter the project plans to accommodate the resident's right to return to the development if the resident would be precluded from returning to the development.

Examples of project plans that may preclude a resident from returning to the development include, but are not limited to:

- Changes in the development's bedroom distribution that decrease the size of the units, resulting in the resident being under-housed;
- The resident cannot be accommodated in the remaining assisted units due to a reduction in the number of assisted units at the development;
- Income limit eligibility requirements associated with the LIHTC program or another program; and
- Failure to provide a reasonable accommodation, in violation of applicable law, where reasonable accommodation may include installation of accessibility features that are needed by the resident.

Residents of a development undergoing conversion that would be precluded from returning to the development may voluntarily accept a PHA or owner's offer to permanently relocate to alternative housing, and thereby waive their right to return to the development after rehabilitation or construction is completed. In this event, the PHA must secure the resident's written consent to a voluntary permanent relocation in lieu of returning to the development. PHAs are prohibited from employing any tactics to pressure residents into relinquishing their right to return or accepting other housing options. Additionally, a PHA may not terminate a resident's lease if the PHA fails to obtain the resident's consent and the resident seeks to exercise the right to return.

In the case of multi-phase RAD transactions, the resident has a right to return to the development or to other converted phases of the development that are available for occupancy at the time the resident is eligible to exercise their right of return. Generally, the resident's right to return must be accommodated within the development associated with the resident's original unit, however, the PHA may treat multiple converted developments on the same site as one for purposes of right to return. Should the PHA seek to have the resident exercise the right to return at a future phase, the PHA must secure the resident's consent in writing.

Alternative housing options may involve a variety of housing options, including but not limited to:

- Transfers to public housing
- Admission to other affordable housing properties subject to the applicable program rules
- Housing choice voucher (HCV) assistance
- Homeownership programs subject to the applicable program rules
- Other options identified by the PHA

**18-I.E. EQUAL OPPORTUNITY REQUIREMENTS [24 CFR 983.8; Notice PIH 2012-32, REV-3]**

RAD conversions are governed by the same civil rights authorities that govern HUD-assisted activities in general. PHAs must comply with all applicable fair housing and civil rights laws, including but not limited to the Fair Housing Act, Title VI of the Civil Rights Act of 1964, and Section 504 of the Rehabilitation Act of 1973, when conducting relocation planning and providing relocation assistance. For example, persons with disabilities returning to the RAD project may not be turned away or placed on a waiting list due to a lack of accessible units. Their need for an accessible unit must be accommodated.

## **PART II: PBV PROJECT SELECTION**

### **18-II.A. OVERVIEW**

Unlike in the standard PBV program where the PHA typically selects the property through an owner proposal selection process, projects selected for assistance under RAD PBV are selected in accordance with the provisions in Notice PIH 2012-32, REV-3. Therefore, 24 CFR 983.51 does not apply since HUD selects RAD properties through a competitive selection process.

### **18-II.B. OWNERSHIP AND CONTROL [Notice PIH 2012-32, REV-3]**

Except where permitted to facilitate the use of low-income housing tax credits, during both the initial term and renewal terms of the HAP contract, ownership must be by a public or non-profit entity. The requirement for a public or non-profit entity is satisfied if a public or non-profit entity (or entities), directly or through a wholly-owned affiliate (1) holds a fee simple interest in the property; (2) is the lessor under a ground lease with the property owner; (3) has the direct or indirect legal authority to direct the financial and legal interest of the property owner with respect to the RAD units, (4) owns 51 percent or more of the general partner interests in a limited partnership or 51 percent or more of the managing member interests in a limited liability company with all powers of a general partner or managing member, as applicable; (5) owns a lesser percentage of the general partner or managing member interests and holds certain control rights as approved by HUD; (6) owns 51 percent or more of all ownership interests in a limited partnership or limited liability company and holds certain control rights as approved by HUD; or (7) other ownership and control arrangements approved by HUD.

If low-income housing tax credits will be used, HUD may allow ownership of the property to be transferred to a tax credit entity controlled by a for-profit entity if HUD determines that the PHA preserves its interest in the property. Preservation of PHA interest in the property includes but is not limited to the following:

- The PHA, or an affiliate under its sole control, is the general partner or managing member;
- The PHA retains fee ownership and leases the real estate to the tax credit entity pursuant to a long-term ground lease;
- The PHA retains control over leasing the property and determining program eligibility;
- The PHA enters into a control agreement by which the PHA retains consent rights over certain acts of the project owner and retains certain rights over the project;
- Other means that HUD finds acceptable

**18-II.C. PHA-OWNED UNITS [24 CFR 983.59, FR Notice 1/18/17, and Notice PIH 2017-21]**

If the project is PHA-owned, rent-setting and inspection functions set out in 24 CFR 983.59 must be conducted by an independent entity approved by HUD.

The definition of control/ownership provided under Notice PIH 2012-32, REV-3 (listed above) is used specifically to determine whether a PHA retains control over a project for purposes of HUD's requirement for ownership or control of the covered project under RAD. For purposes of determining whether an independent entity will perform certain functions for the project, the definition of PHA-owned under Notice PIH 2017-21 is used. This is the same definition used for standard PBV units. In some cases, a project may meet the RAD definition of ownership or control, but may not be considered PHA-owned for purposes of requiring an independent entity.

The independent entity that performs the program services may be the unit of general local government for the PHA jurisdiction (unless the PHA is itself the unit of general local government or an agency of such government), or another HUD-approved public or private independent entity.

The PHA may compensate the independent entity from PHA ongoing administrative fee income (including amounts credited to the administrative fee reserve). The PHA may not use other program receipts to compensate the independent entity for its services. The PHA, and the independent entity, may not charge the family any fee for the services provided by the independent entity.

### **18-II.D. SUBSIDY LAYERING REQUIREMENTS [Notice PIH 2012-32, REV-3]**

In the case of a PHA that is converting all of its ACC units, there is no restriction on the amount of public housing funds that may be contributed to the covered project at closing; the PHA may convey all program funds to the covered projects. In order to cover the cost of administrative activities required to terminate the ACC, once it no longer has units under the ACC and has no plans to develop additional public housing, the PHA may:

- Designate that a reserve associated with the project be available to fund any public housing closeout costs (such as an operating deficit reserve or a specific PHA close-out reserve). Any funds not needed for public housing close-out costs would remain in such reserve or may be transferred to another reserve associated with the project (such as the replacement reserve). Thereafter, these funds may be used at the project pursuant to the authorized use of the applicable reserve; or
- Retain funds under the public housing program for this purpose. However, HUD will recapture any public housing funds that a PHA does not expend for closeout costs.

In the case where the PHA will continue to maintain other units in its inventory under a public housing ACC, a contribution of operating funds to the covered project that exceeds the average amount the project has held in operating reserves over the past three years will trigger a subsidy layering review under 24 CFR 4.13. Similarly, any contribution of capital funds, including Replacement Housing Factor (RHF) or Demolition Disposition Transitional Funding (DDTF), will trigger a subsidy layering review. Notwithstanding the subsidy layering review, PHAs should be mindful of how the capital funds or operating reserves used in the financing of its RAD properties may impact the physical and financial health of properties that will remain in its public housing inventory.

In addition, following execution of the HAP contract, PHAs are authorized to use operating and capital funds to make HAP payments for the remainder of the first calendar year in which the HAP contract is effective. Otherwise, a PHA may not contribute public housing program funds to the covered project unless such funding has been identified in the approved financing plan and included in the approved “sources and uses” attached to the RCC.

### **18-II.E. PBV PERCENTAGE LIMITATION [Notice PIH 2012-32, REV-3]**

Covered projects do not count against the maximum amount of assistance a PHA may utilize for the PBV program, which under the standard PBV program is set at 20 percent of the authorized units allocated to a PHA under the HCV program. To implement this provision, HUD is waiving section 8(o)(13)(B) of the 1937 Act as well as 24 CFR 983.6.

There is no cap on the number of units that may receive PBV assistance in a project.

**18-II.F. SITE SELECTION STANDARDS [Notice PIH 2012-32, REV-3; Notice PIH 2016-17]**

Site selection requirements set forth in 24 CFR 983.57 apply to RAD PBV, with the exception of 983.57(b)(1) and (c)(2). HUD waives the provisions regarding deconcentration of poverty and expanding housing and economic opportunity for existing housing sites.

HUD will conduct a front-end civil rights review of the PHA's proposed site in certain circumstances. For RAD PBV conversions that involve new construction located in an area of minority concentration (whether on the existing public housing site or on a new site) HUD will determine whether it meets one of the exceptions that would allow for new construction in an area of minority concentration.

The PHA must ensure that its RAD PBV conversion, including any associated new construction, is consistent with its certification to affirmatively further fair housing and complies with civil rights laws.

**18-II.G. ENVIRONMENTAL REVIEW [Notice PIH 2012-32, REV-3]**

HUD cannot approve an applicant's financing plan submission unless and until the required environmental review has been completed for the applicant's proposed conversion project and found to meet environmental review requirements. Environmental documents must be submitted as part of the financing plan. HUD will not issue a RAD Conversion Commitment (RCC) if the project plan does not meet the environmental review requirements described in Attachment 1A of Notice PIH 2012-32, REV-3.

## **PART III: DWELLING UNITS**

### **18-III.A. OVERVIEW**

This part identifies the special housing quality standards that apply to the RAD PBV program, housing accessibility for persons with disabilities, and special procedures for conducting housing quality standards inspections.

### **18-III.B. HOUSING QUALITY STANDARDS [24 CFR 983.101]**

The housing quality standards (HQS) for the tenant-based program generally apply to the PBV program. HQS requirements for shared housing, manufactured home space rental, and the homeownership option do not apply because these housing types are not assisted under the PBV program.

The physical condition standards at 24 CFR 5.703 do not apply to the PBV program.

#### **Lead-based Paint [24 CFR 983.101(c)]**

The lead-based paint requirements for the tenant-based voucher program do not apply to the PBV program. Instead, The Lead-based Paint Poisoning Prevention Act (42 U.S.C. 4821-4846), the Residential Lead-based Paint Hazard Reduction Act of 1992 (42 U.S.C. 4851-4856), and implementing regulations at 24 CFR part 35, subparts A, B, H, and R, apply to the PBV program.

### **18-III.C. HOUSING ACCESSIBILITY FOR PERSONS WITH DISABILITIES**

The housing must comply with program accessibility requirements of section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794) and implementing regulations at 24 CFR part 8. The PHA must ensure that the percentage of accessible dwelling units complies with the requirements of section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), as implemented by HUD's regulations at 24 CFR 8, subpart C.

Housing first occupied after March 13, 1991, must comply with design and construction requirements of the Fair Housing Amendments Act of 1988 and implementing regulations at 24 CFR 100.205, as applicable. (24 CFR 983.102)

## **18-III.D. INSPECTING UNITS**

### **Initial Inspection [Notice PIH 2012-32, REV-3]**

Under RAD, all units must meet HQS no later than the date of completion of the work as indicated in the RCC.

### **Turnover Inspections [24 CFR 983.103(c), FR Notice 1/18/17, and Notice PIH 2017-20]**

Before providing assistance to a new family in a contract unit, the PHA must inspect the unit. The PHA may not provide assistance on behalf of the family until the unit fully complies with HQS, unless the PHA has adopted a policy to enter into a HAP contract for units that fail the initial HQS inspection as a result of only non-life-threatening conditions or if the unit passed an alternative inspection.

#### HACCC Policy

HACCC will not provide assistance in turnover units until the unit fully complies with HQS.

### **Annual/Biennial Inspections [24 CFR 983.103(d); FR Notice 6/25/14]**

At least once every 24 months during the term of the HAP contract, the PHA must inspect a random sample consisting of at least 20 percent of the contract units in each building, to determine if the contract units and the premises are maintained in accordance with HQS. Turnover inspections are not counted toward meeting this inspection requirement.

#### HACCC Policy

HACCC will inspect, on a biennial basis, all RAD PBV-assisted units to determine if the contract units and the premises are maintained in accordance with HQS.

If more than 20 percent of the sample of inspected contract units in a building fail the initial inspection, the PHA must reinspect 100 percent of the contract units in the building.

### **Other Inspections [24 CFR 983.103(e)]**

The PHA must inspect contract units whenever needed to determine that the contract units comply with HQS and that the owner is providing maintenance, utilities, and other services in accordance with the HAP contract. The PHA must take into account complaints and any other information coming to its attention in scheduling inspections.

The PHA must conduct follow-up inspections needed to determine if the owner (or, if applicable, the family) has corrected an HQS violation, and must conduct inspections to determine the basis for exercise of contractual and other remedies for owner or family violation of HQS.

In conducting PHA supervisory quality control HQS inspections, the PHA should include a representative sample of both tenant-based and project-based units.

**Inspecting PHA-Owned Units [24 CFR 983.103(f)]**

In the case of PHA-owned units, the inspections must be performed by an independent agency designated by the PHA and approved by HUD. The independent entity must furnish a copy of each inspection report to the PHA and to the HUD field office where the project is located. The PHA must take all necessary actions in response to inspection reports from the independent agency, including exercise of contractual remedies for violation of the HAP contract by the PHA-owner.

## **PART IV: HOUSING ASSISTANCE PAYMENTS (HAP) CONTRACT**

### **18-IV.A. OVERVIEW**

Public housing projects converting under RAD do not employ the PBV Agreement to Enter into a Housing Assistance Payments (AHAP) contract. Instead, following the execution of all requirements contained in the Commitment to Enter into a HAP (CHAP) contract and the RAD Conversion Commitment (RCC), a project is converted immediately to the RAD PBV HAP contract following the closing of any construction financing. Owners of public housing projects converted to PBV assistance via RAD enter into a HAP contract with the PHA that will administer the PBV assistance. Units assisted under a RAD PBV HAP contract must be subject to long-term, renewable use and affordability restrictions.

### **18-IV.B. HAP CONTRACT REQUIREMENTS**

#### **Contract Information [PBV Quick Reference Guide (10/14)]**

The RAD PBV program uses the PBV HAP contract for new construction or rehabilitated housing (Form HUD-52530A), as modified by the RAD rider (Form HUD-52621). The distinction between “existing housing” and “rehabilitated and newly constructed housing” is overridden by RAD requirements. The RAD rider must be attached to the PBV HAP contract and effectuates the conversion of public housing to PBV under RAD PBV. The project must also have an initial RAD use agreement. All public housing RAD conversion properties financed with LIHTC are also required to include an LIHTC rider.

#### **Execution and Effective date of the HAP Contract [*RADBlast!* 7/11/16]**

RAD PBV projects do not employ an Agreement to Enter into a Housing Assistance Payments (AHAP) contract like in the standard PBV program. Rather, when the conditions of the CHAP and the RCC are met and the conversion has closed, the PHA executes the HAP contract. Project owners may select the effective date of the HAP contract as the first day of either of the two months following the completed closing.

#### **Term of HAP Contract [Notice PIH 2012-32, REV-3]**

The initial term of the HAP contract may not be for less than 15 years, and may be for a term of up to 20 years upon request of the owner and with approval of the administering voucher agency. Upon expiration of the initial term of the contract, and upon each renewal term of the contract, the owner must accept each offer to renew the contract, subject to the terms and conditions applicable at the time of each offer, and further subject to the availability of appropriations for each year of each such renewal. To implement this provision, HUD is waiving section 8(o)(13)(F) of The United States Housing Act of 1937, which established a maximum term of 15 years, as well as 24 CFR 983.205(a), which governs the contract term.

#### **Agreement to Enter into a HAP (AHAP) Contract [Notice PIH 2012-32, REV-3]**

For public housing conversions to PBV, there will be no agreement to enter into a Housing Assistance Payments (AHAP) contract. Therefore, all regulatory references to the Agreement (AHAP), including regulations under 24 CFR Part 983 Subpart D, are waived. The definitions

for proposal selection date, new construction, rehabilitation, and existing housing are not applicable.

### **Mandatory Contract Renewal [Notice PIH 2012-32, REV-3]**

By statute, upon contract expiration, the agency administering the vouchers will offer, and the PHA will accept, renewal of the contract subject to the terms and conditions applicable at the time of renewal and the availability of appropriations each year for such renewal. Consequently 24 CFR 983.205(b), governing the PHA discretion to renew the contract for term of up to 15 years, will not apply.

In the event that the HAP contract is removed due to breach, non-compliance or insufficiency of appropriations, for all units previously covered under the HAP contract, new tenants must have incomes at or below 80 percent of the area median income at the time of admission and rents may not exceed 30 percent of 80 percent of median income for an appropriate size unit for the remainder of the term of the RAD use agreement.

### **Remedies for HQS Violations [24 CFR 983.208(b)]**

The PHA may not make any HAP payment to the owner for a contract unit during any period in which the unit does not comply with HQS. If the PHA determines that a contract does not comply with HQS, the PHA may exercise any of its remedies under the HAP contract, for any or all of the contract units. Available remedies include termination of housing assistance payments, abatement or reduction of housing assistance payments, reduction of contract units, and termination of the HAP contract.

#### HACCC Policy

HACCC will abate and terminate PBV HAP contracts for noncompliance with HQS in accordance with the policies used in the tenant-based voucher program. These policies are contained in Section 8-II.G., Enforcing Owner Compliance.

## **18-IV.C. AMENDMENTS TO THE HAP CONTRACT**

### **Floating Units [Notice PIH 2012-32, REV-3]**

In certain mixed-finance projects, the PHA may ask HUD permission to have assistance float among units within the project that are the same bedroom size. The unit to which assistance is floated must be comparable to the unit being replaced in quality and amenities.

If the PHA chooses to float units, units are not specifically identified on the HAP contract, rather the HAP contract must specify the number and type of units in the property that are RAD PBV units, including any excepted units. The property must maintain the same number and type of RAD units from the time of the initial HAP contract execution forward.

#### HACCC Policy

HACCC will not float assistance among unoccupied units within the project.

### **Reduction in HAP Contract Units [Notice PIH 2012-32, REV-3]**

Project owners are required to make available for occupancy by eligible tenants the number of assisted units under the terms of the HAP contract.

The PHA may not reduce the number of assisted units without HUD approval. Any HUD approval of a PHA's request to reduce the number of assisted units under contract is subject to conditions that HUD may impose. MTW agencies may not alter this requirement.

If units are removed from the HAP contract because a new admission's TTP comes to equal or exceed the gross rent for the unit and if the project is fully assisted, the PHA must reinstate the unit after the family has vacated the property. If the project is partially assisted, the PHA may substitute a different unit for the unit on the HAP contract in accordance with 24 CFR 983.207, or where "floating" units have been permitted.

## **18-IV.D. HAP CONTRACT YEAR AND ANNIVERSARY DATES [24 CFR 983.302(e)]**

The HAP contract year is the period of 12 calendar months preceding each annual anniversary of the HAP contract during the HAP contract term. The initial contract year is calculated from the first day of the first calendar month of the HAP contract term.

The annual anniversary of the HAP contract is the first day of the first calendar month after the end of the preceding contract year. There is a single annual anniversary date for all units under a particular HAP contract.

#### **18-IV.E. OWNER RESPONSIBILITIES UNDER THE HAP CONTRACT [24 CFR 983.210]**

When the owner executes the HAP contract, he or she certifies that at such execution and at all times during the term of the HAP contract:

- All contract units are in good condition and the owner is maintaining the premises and contract units in accordance with HQS;
- The owner is providing all services, maintenance, equipment, and utilities as agreed to under the HAP contract and the leases;
- Each contract unit for which the owner is receiving HAP is leased to an eligible family referred by the PHA, and the lease is in accordance with the HAP contract and HUD requirements;
- To the best of the owner's knowledge, the family resides in the contract unit for which the owner is receiving HAP, and the unit is the family's only residence;
- The owner (including a principal or other interested party) is not the spouse, parent, child, grandparent, grandchild, sister, or brother of any member of a family residing in a contract unit;
- The amount of the HAP the owner is receiving is correct under the HAP contract;
- The rent for contract units does not exceed rents charged by the owner for comparable unassisted units;
- Except for HAP and tenant rent, the owner has not received and will not receive any other payment or consideration for rental of the contract unit;
- The family does not own or have any interest in the contract unit (this does not apply to the family's membership in a cooperative); and
- Repair work on the project selected as an existing project that is performed after HAP contract execution within such post-execution period as specified by HUD may constitute development activity, and if determined to be development activity, the repair work undertaken shall be in compliance with Davis-Bacon wage requirements.

#### **18-IV.F. VACANCY PAYMENTS [24 CFR 983.352(b)]**

At the discretion of the PHA, the HAP contract may provide for vacancy payments to the owner for a PHA-determined period of vacancy extending from the beginning of the first calendar month after the move-out month for a period not exceeding two full months following the move-out month. The amount of the vacancy payment will be determined by the PHA and cannot exceed the monthly rent to owner under the assisted lease, minus any portion of the rental payment received by the owner, including amounts available from the tenant's security deposit.

##### HACCC Policy

HACCC will provide vacancy payments to the owner. The HAP contract with the owner will contain the amount of the vacancy payment and the period for which the owner will qualify for these payments.

## **PART V: SELECTION OF PBV PROGRAM PARTICIPANTS**

### **18-V.A. OVERVIEW**

Many of the provisions of the tenant-based voucher regulations [24 CFR 982] also apply to the PBV program. This includes requirements related to determining eligibility and selecting applicants from the waiting list. Even with these similarities, there are requirements that are unique to the PBV program. This part describes the requirements and policies related to eligibility and admission to the PBV program.

### **18-V.B. PROHIBITED RESCREENING OF EXISTING TENANTS UPON CONVERSION [Notice PIH 2012-32, REV-3]**

Current households cannot be excluded from occupancy at the covered project based on any rescreening, income eligibility, or income targeting provisions. Consequently, current households will be grandfathered for application of any eligibility criteria to conditions that occurred prior to conversion but will be subject to any ongoing eligibility requirements for actions that occur after conversion. Post-conversion, the tenure of all residents of the covered project is protected pursuant to PBV requirements regarding continued occupancy unless explicitly modified by Notice PIH 2012-32, REV-3 (e.g., rent phase-in provisions). For example, a unit with a household that was over-income at time of conversion would continue to be treated as an assisted unit. Thus, 24 CFR 982.201, concerning eligibility and targeting, will not apply for current households. Once that remaining household moves out, the unit must be leased to an eligible family. Existing residents at the time of conversion may not be rescreened for citizenship status or have their social security numbers re-verified.

Further, so as to facilitate the right to return to the assisted property, this provision must apply to current public housing residents of the converting project that will reside in non-RAD PBV units placed in a project that contain RAD PBV units. Such families and such contract units will otherwise be subject to all requirements of the applicable program, specifically 24 CFR 983 for non-RAD PBV.

For the RAD PBV program, *in-place family* means a family who lived in a pre-conversion property at the time assistance was converted from public housing to PBV under RAD.

### **18-V.C. ELIGIBILITY FOR PBV ASSISTANCE [24 CFR 983.251(a) and (b)]**

Applicants for PBV assistance must meet the same eligibility requirements as applicants for the tenant-based voucher program. Applicants must qualify as a family as defined by HUD and the PHA, have income at or below HUD-specified income limits, and qualify on the basis of citizenship or the eligible immigration status of family members [24 CFR 982.201(a) and 24 CFR 983.2(a)]. In addition, an applicant family must provide social security information for family members [24 CFR 5.216 and 5.218] and consent to the PHA's collection and use of family information regarding income, expenses, and family composition [24 CFR 5.230]. The PHA may also not approve a tenancy if the owner (including a principal or other interested party) of the unit is the parent, child, grandparent, grandchild, sister, or brother of any member of the family, unless needed as a reasonable accommodation. An applicant family must also meet HUD requirements related to current or past criminal activity.

#### HACCC Policy

HACCC will determine an applicant family's eligibility for the RAD PBV program in accordance with the policies in Chapter 3.

**18-V.D. ORGANIZATION OF THE WAITING LIST [24 CFR 983.251(c);  
Notice PIH 2012-32, REV-3]**

The standard PBV regulations at 24 CFR 983.251 set out program requirements related to establishing and maintaining a voucher-wide, PBV program-wide, or site-based waiting list from which residents will be admitted. These provisions will apply unless the project is covered by a remedial order or agreement that specifies the type of waiting list and other waiting list policies.

HACCC Policy.

HACCC will establish and manage separate waiting lists for individual projects or buildings that are receiving RAD PBV assistance. The PHA currently has waiting lists for the following RAD PBV projects:

Tabora Gardens	3701 Tabora Dr., Antioch, CA 94509	Veterans, Family, Disabled
Garden Park Apartments	2387 Lisa Lane Pleasant Hill, CA 94523	Disabled, Family Housing
Robin Lane Apartments	1149 Meadow Lane Concord, CA 94520	Family Housing
Elaine Null Apartments	112 Alves Lane/300 Waters Street Pittsburg, CA 94565	Family Housing
Church Lane Apartments	2555 Church Lane, San Pablo, CA 94806	Family Housing
Hana Gardens Senior Apartments	10860 San Pablo Ave., El Cerrito, CA 94530	62 Yrs or older
Hookston Senior Homes	80 W. Hookston Street, Pleasant Hill, CA 94523	62 Yrs or older
Heritage Point Apartments	1540 Fred Jackson Way, Richmond, CA 94801	Family Housing
Antioch Scattered Site Renovations	1945 Cavallo Rd., Antioch, CA 94509 107 W. 20th Street, Antioch, CA 94509	Family Housing
St. Paul's Commons	1860 Trinity Ave, Walnut Creek, CA 94596	Family Housing

For any applicants on the public housing waiting list that are likely to be ineligible for admission to a covered project converting to PBV because the household's TTP is likely to exceed the RAD gross rent, the PHA will consider transferring such household, consistent with program requirements for administration of waiting lists, to the PHA's remaining public housing waiting lists or to another voucher waiting list, in addition to transferring such household to the waiting list for the covered project.

To the extent any wait list relies on the date and time of application, the applicants shall have priority on the wait lists to which their application was transferred in accordance with the date and time of their application to the original waiting list.

The PHA will maintain the project-specific waiting list in accordance with all applicable civil rights and fair housing regulations found at 24 CFR 903.7(b)(2)(ii)-(iv). The PHA will provide applicants full information about each development, including an estimate of the wait time, location, occupancy, number and size of accessible units, and amenities like day care, security, transportation, and training programs at each development with a

site-based waiting list. The system for selection will be consistent with all applicable civil rights and fair housing laws and regulations and may not be in conflict with any imposed or pending court order, settlement agreement, or complaint brought by HUD.

The PHA will assess any changes in racial, ethnic or disability-related tenant composition at each PHA site that may have occurred during the implementation of the site-based waiting list, based on confirmed and accurate PIC occupancy data. At least every three years, the PHA will use independent testers to assure that the site-based system is not being implemented in a discriminatory manner.

### **18-V.E. SELECTION FROM THE WAITING LIST [24 CFR 983.251(c)]**

After conversion to RAD PBV, applicants who will occupy units with RAD PBV assistance must be selected from the PHA's waiting list. The PHA may establish selection criteria or preferences for occupancy of particular PBV units.

#### **Income Targeting [24 CFR 983.251(c)(6); Notice PIH 2012-32, REV-3]**

At least 75 percent of the families admitted to the PHA's tenant-based and project-based voucher programs during the PHA fiscal year from the waiting list must be extremely-low income families. The income targeting requirement applies to the total of admissions to both programs.

Families in place at the time of the conversion are exempt from income targeting requirements. New admissions follow standard PBV requirements.

#### **Units with Accessibility Features [24 CFR 983.251(c)(7)]**

When selecting families to occupy PBV units that have special accessibility features for persons with disabilities, the PHA must first refer families who require such features to the owner.

#### **Preferences [24 CFR 983.251(d); FR Notice 11/24/08; Notice PIH 2012-32, REV-3]**

The PHA may use the same selection preferences that are used for the tenant-based voucher program, establish selection criteria or preferences for the PBV program as a whole, or for occupancy of particular PBV developments or units.

The PHA may establish a selection preference for families who qualify for voluntary services, including disability-specific services, offered in conjunction with assisted units, provided that preference is consistent with the PHA plan. The PHA may not, however, grant a preference to a person with a specific disability [FR Notice 1/18/17].

In advertising such a project, the owner may advertise the project as offering services for a particular type of disability; however, the project must be open to all otherwise eligible persons with disabilities who may benefit from services provided in the project. In these projects, residents with disabilities may not be required to accept the particular services offered as a condition of occupancy.

#### HACCC Policy

HACCC will offer the same preferences for the RAD PBV program that it does for the regular PBV program as outlined in Chapter 17 of this Administrative Plan.

## **18-V.F. OFFER OF PBV ASSISTANCE**

### **Refusal of Offer [24 CFR 983.251(e)(3)]**

The PHA is prohibited from taking any of the following actions against a family who has applied for, received, or refused an offer of PBV assistance:

- Refusing to list the applicant on the waiting list for tenant-based voucher assistance
- Denying any admission preference for which the applicant qualifies
- Changing the applicant's place on the waiting list based on preference, date, and time of application, or other factors affecting selection under the PHA's selection policy
- Removing the applicant from the tenant-based voucher waiting list

### **Disapproval by Landlord [24 CFR 983.251(e)(2)]**

If a PBV owner rejects a family for admission to the owner's units, such rejection may not affect the family's position on the tenant-based voucher waiting list.

### **Acceptance of Offer [24 CFR 983.252]**

#### ***Family Briefing***

When a family accepts an offer for PBV assistance, the PHA must give the family an oral briefing. The briefing must include information on how the program works and the responsibilities of the family and owner. In addition to the oral briefing, the PHA must provide a briefing packet that explains how the PHA determines the total tenant payment for a family, the family obligations under the program, and applicable fair housing information.

#### ***Persons with Disabilities***

If an applicant family's head or spouse is disabled, the PHA must assure effective communication, in accordance with 24 CFR 8.6, in conducting the oral briefing and in providing the written information packet. This may include making alternative formats available (see Chapter 2). In addition, the PHA must have a mechanism for referring a family that includes a member with a mobility impairment to an appropriate accessible PBV unit.

#### ***Persons with Limited English Proficiency***

The PHA should take reasonable steps to assure meaningful access by persons with limited English proficiency in accordance with Title VI of the Civil Rights Act of 1964 and Executive Order 13166 (see Chapter 2).

## **18-V.G. OWNER SELECTION OF TENANTS**

The owner is responsible for developing written tenant selection procedures that are consistent with the purpose of improving housing opportunities for very low-income families and reasonably related to program eligibility and an applicant's ability to fulfill their obligations under the lease. An owner must promptly notify in writing any rejected applicant of the grounds for any rejection [24 CFR 983.253(a)(2) and (a)(3)].

### **Leasing [24 CFR 983.253(a)]**

During the term of the HAP contract, the owner must lease contract units to eligible families that are selected and referred by the PHA from the PHA's waiting list. The contract unit leased to the family must be the appropriate size unit for the size of the family, based on the PHA's subsidy standards.

### **Filling Vacancies [24 CFR 983.254(a)]**

The owner must promptly notify the PHA of any vacancy or expected vacancy in a contract unit. After receiving such notice, the PHA must make every reasonable effort to promptly refer a sufficient number of families for the owner to fill such vacancies. The PHA and the owner must make reasonable efforts to minimize the likelihood and length of any vacancy.

#### HACCC Policy

The owner must notify HACCC in writing (mail, fax, or e-mail) within five business days of learning about any vacancy or expected vacancy.

HACCC will make every reasonable effort to refer families to the owner within 10 business days of receiving such notice from the owner.

## **18-V.H. TENANT SCREENING [24 CFR 983.255]**

### **PHA Responsibility**

The PHA is not responsible or liable to the owner or any other person for the family's behavior or suitability for tenancy. However, the PHA may opt to screen applicants for family behavior or suitability for tenancy and may deny applicants based on such screening.

#### HACCC Policy

HACCC will not conduct screening to determine a PBV applicant family's suitability for tenancy.

The PHA must provide the owner with an applicant family's current and prior address (as shown in PHA records) and the name and address (if known by the PHA) of the family's current landlord and any prior landlords.

In addition, the PHA may offer the owner other information the PHA may have about a family, including information about the tenancy history of family members or about drug trafficking and criminal activity by family members. The PHA must provide applicant families a description of the PHA policy on providing information to owners, and the PHA must give the same types of information to all owners.

The PHA may not disclose to the owner any confidential information provided in response to a request for documentation of domestic violence, dating violence, sexual assault, or stalking, except at the written request or with the written consent of the individual providing the documentation [24 CFR 5.2007(c)].

#### HACCC Policy

HACCC will inform owners of their responsibility to screen prospective tenants, and will provide owners with the required known name and address information, at the time of the turnover HQS inspection or before. HACCC will not provide any additional information to the owner, such as tenancy history, criminal history, etc.

### **Owner Responsibility**

The owner is responsible for screening and selection of the family to occupy the owner's unit. When screening families the owner may consider a family's background with respect to the following factors:

- Payment of rent and utility bills
- Caring for a unit and premises
- Respecting the rights of other residents to the peaceful enjoyment of their housing
- Drug-related criminal activity or other criminal activity that is a threat to the health, safety, or property of others
- Compliance with other essential conditions of tenancy

## **PART VI: OCCUPANCY**

### **18-VI.A. OVERVIEW**

After an applicant has been selected from the waiting list, determined eligible by the PHA, referred to an owner, and determined suitable by the owner, the family will sign the lease and occupancy of the unit will begin.

### **18-VI.B. LEASE [24 CFR 983.256; Notice PIH 2012-32, REV-3]**

The tenant must have legal capacity to enter into a lease under state and local law. *Legal capacity* means that the tenant is bound by the terms of the lease and may enforce the terms of the lease against the owner.

The tenant and the owner must enter into a written lease agreement that is signed by both parties. The tenancy addendum must include, word-for-word, all provisions required by HUD.

#### **Lease Requirements [24 CFR 983.256(c); Notice PIH 2012-32, REV-3]**

The lease for a PBV unit must specify all of the following information:

- The names of the owner and the tenant;
- The unit rented (address, apartment number, if any, and any other information needed to identify the leased contract unit);
- The term of the lease (initial term and any provision for renewal);
- The amount of the tenant rent to owner, which is subject to change during the term of the lease in accordance with HUD requirements;
- A specification of the services, maintenance, equipment, and utilities that will be provided by the owner; and
- The amount of any charges for food, furniture, or supportive services.

The PHA must include resident procedural rights for termination notification and grievance procedures in the owner's lease. These requirements are not part of the regular PBV program but are required under RAD. An example of language that may be included can be found in Attachment-1E of Notice PIH 2012-32, REV-2.

#### **Tenancy Addendum [24 CFR 983.256(d)]**

The tenancy addendum in the lease must state:

- The program tenancy requirements
- The composition of the household as approved by the PHA (the names of family members and any PHA-approved live-in aide)

All provisions in the HUD-required tenancy addendum must be included in the lease. The terms of the tenancy addendum prevail over other provisions of the lease.

### **Initial Term and Lease Renewal [24 CFR 983.256(f); PBV Quick Reference Guide (10/14)]**

Leases for residents who will remain in place (i.e., who will not be relocated solely as a result of conversion) must have an effective date that coincides with—and must be signed on or before—the effective date of the RAD PBV HAP contract.

The initial lease term must be for at least one year. The lease must provide for automatic renewal after the initial term of the lease in either successive definitive terms (e.g., month-to-month or year-to-year) or an automatic indefinite extension of the lease term. For automatic indefinite extension of the lease term, the lease terminates if any of the following occur:

- The owner terminates the lease for good cause
- The tenant terminates the lease
- The owner and tenant agree to terminate the lease
- The PHA terminates the HAP contract
- The PHA terminates assistance for the family

### **Changes in the Lease [24 CFR 983.256(e)]**

If the tenant and owner agree to any change in the lease, the change must be in writing, and the owner must immediately give the PHA a copy of all changes.

The owner must notify the PHA in advance of any proposed change in the lease regarding the allocation of tenant and owner responsibilities for utilities. Such changes may only be made if approved by the PHA and in accordance with the terms of the lease relating to its amendment. The PHA must redetermine reasonable rent, in accordance with program requirements, based on any change in the allocation of the responsibility for utilities between the owner and the tenant. The redetermined reasonable rent will be used in calculation of the rent to owner from the effective date of the change.

### **Owner Termination of Tenancy [24 CFR 983.257; Notice PIH 2012-32, REV-3]**

With two exceptions, the owner of a PBV unit may terminate tenancy for the same reasons an owner may in the tenant-based voucher program (see Section 12-III.B. and 24 CFR 982.310). In the PBV program, terminating tenancy for “good cause” does not include doing so for a business or economic reason, or a desire to use the unit for personal or family use or other non-residential purpose.

Projects converting from public housing to PBV under RAD have additional procedural rights that do not apply to the standard PBV program. These procedural rights must be included in the owner’s lease as well as the PHA’s administrative plan. In addition to the regulations at 24 CFR 983.257 related to project owner termination of tenancy and eviction (which MTW agencies may not alter) the termination procedure for RAD conversions to PBV will require that PHAs provide adequate written notice of termination of the lease which may not be less than:

A reasonable period of time, but not to exceed 30 days:

- If the health or safety of other tenants, PHA employees, or persons residing in the immediate vicinity of the premises is threatened; or
- In the event of any drug-related or violent criminal activity or any felony conviction

14 days in the case of nonpayment of rent

30 days in any other case, except that if a state or local law provides for a shorter period of time, such shorter period will apply

Unlike in the standard PBV program, residents in converted projects have the right to request an informal hearing for issues that adversely affect the resident’s rights, obligations, welfare, or status with both the PHA and the project owner. See Chapter 16 Part III: Informal Reviews and Hearings for more information.

### ***Tenant Absence from the Unit [24 CFR 983.256(g) and 982.312(a)]***

The lease may specify a maximum period of family absence from the unit that may be shorter than the maximum period permitted by PHA policy. According to program requirements, the family’s assistance must be terminated if they are absent from the unit for more than 180 consecutive days. PHA termination of assistance actions due to family absence from the unit are subject to 24 CFR 982.312, except that the unit is not terminated from the HAP contract if the family is absent for longer than the maximum period permitted.

**Continuation of Housing Assistance Payments [24 CFR 983.258;  
Notice PIH 2012-32, REV-3]**

Current residents living in the property prior to conversion are placed on and remain under the HAP contract when TTP equals or exceeds gross rent. In this case, until such time as the family's TTP falls below the gross rent, the family will pay the owner the lesser of their TTP minus the utility allowance or any applicable maximum rent under the LIHTC program. The family will continue to pay this amount until/if circumstances change and HAP is paid on their behalf. In other words, assistance may subsequently be reinstated if the tenant becomes eligible for assistance. In such cases, the resident is still considered a program participant. All of the family obligations and protections under RAD and standard PBV apply to the resident. Likewise, all requirements with respect to the unit, such as compliance with the HQS requirements, apply as long as the unit is under HAP contract.

Following conversion, 24 CFR 983.53(d) applies, and any new families referred to the RAD PBV project must be initially eligible for a HAP payment at admission to the program. Further, for any new families admitted after the conversion, assistance will be terminated 180 days after the last housing assistance payment on their behalf. The cessation of housing assistance payments does not affect the family's other rights under its lease, nor does it preclude the resumption of payments as a result of later changes in income, rents, or other relevant circumstances if such changes occur within the 180 day window. If a family's assistance is terminated as a result of their zero HAP status, the PHA must remove the unit from the HAP contract. If the project is fully assisted, the PHA must reinstate the unit after the family has vacated the property. If the project is partially assisted, the PHA may substitute a different unit for the unit on the HAP contract in accordance with 24 CFR 983.207.

HACCC Policy

If a participating family who was admitted after the RAD conversion receive zero assistance and subsequently experiences a change in circumstances that would result in a HAP payment to the owner, the family must notify the PHA of the change and request an interim reexamination before the expiration of the 180-day period.

## **Security Deposits [24 CFR 983.259; PBV Quick Reference Guide (10/14)]**

Owners are permitted to recognize security deposit amounts that have been previously provided by tenants who are in-place at the time of the RAD conversion. Otherwise the security deposit requirements for standard PBV apply.

The owner may collect a security deposit from the tenant. The PHA may prohibit security deposits in excess of private market practice, or in excess of amounts charged by the owner to unassisted tenants.

### HACCC Policy

HACCC will allow the owner to collect a security deposit amount the owner determines is appropriate and commensurate with local and California rental laws.

When the tenant moves out of a contract unit, the owner, subject to state and local law, may use the security deposit, including any interest on the deposit, in accordance with the lease, as reimbursement for any unpaid tenant rent, damages to the unit, or other amounts owed by the tenant under the lease.

The owner must give the tenant a written list of all items charged against the security deposit and the amount of each item. After deducting the amount used to reimburse the owner, the owner must promptly refund the full amount of the balance to the tenant.

If the security deposit does not cover the amount owed by the tenant under the lease, the owner may seek to collect the balance from the tenant. The PHA has no liability or responsibility for payment of any amount owed by the family to the owner.

### **18-VI.C. PUBLIC HOUSING FSS AND ROSS PARTICIPANTS [Notice PIH 2012-32, REV-3]**

Current PH FSS participants will continue to be eligible for FSS once their housing is converted under RAD, and PHAs will be allowed to use any PH FSS funds granted previously or pursuant to the current fiscal year (FY) PH FSS notice of funding availability (NOFA), to serve those FSS participants who live in units converted to RAD and who will as a result be moving to the HCV FSS program. A PHA must convert the PH FSS program participants at the covered project to their HCV FSS program.

Residents who were converted from the PH FSS program to the HCV FSS program through RAD may not be terminated from the HCV FSS program or have HCV assistance withheld due to the participant's failure to comply with the contract of participation. Consequently, 24 CFR 984.303(b)(5)(iii) does not apply to FSS participants in converted properties.

At the completion of the FSS grant, PHAs should follow the normal closeout procedures outlined in the grant agreement. If the PHA continues to run an FSS program that serves PH and/or HCV participants, the PHA will continue to be eligible (subject to NOFA requirements) to apply for FSS funding and may use that funding to serve PH, HCV, and PBRA participants in its FSS program.

Current Resident Opportunities and Self-Sufficiency–Service Coordinators (ROSS–SC) program grantees will be able to finish out their current ROSS–SC grants once their housing is converted under RAD. However, once the property is converted, it will no longer be eligible to be counted towards the unit count for future public housing ROSS–SC grants.

At the completion of the ROSS-SC grant, PHAs should follow the normal closeout procedures outlined in the grant agreement. Please note that ROSS-SC grantees may be a non-profit or local resident association and this consequence of a RAD conversion may impact those entities.

### **18-VI.D. RESIDENT PARTICIPATION AND FUNDING [Notice PIH 2012-32, REV-3]**

Residents of covered projects converting assistance to PBVs will have the right to establish and operate a resident organization for the purpose of addressing issues related to their living environment and be eligible for resident participation funding.

## **18-VI.E. MOVES**

### **Overcrowded, Under-Occupied, and Accessible Units [24 CFR 983.260; Notice PIH 2012-32, REV-3]**

All in-place tenants at the time of conversion are eligible to remain in the project. Over-housed families should be moved into appropriately sized units if such units are available in the new or rehabbed project. If appropriately sized units are not available, the existing tenants may continue to be over-housed until an appropriately sized unit becomes available or until the tenant leaves the project. Once the unit turns over, it must be leased to an appropriately sized family.

Following conversion, the standard PBV regulations apply. If the PHA determines that a family is occupying a wrong-size unit, based on the PHA's subsidy standards, or a unit with accessibility features that the family does not require, and the unit is needed by a family that does require the features, the PHA must promptly notify the family and the owner of this determination, and the PHA must offer the family the opportunity to receive continued housing assistance in another unit.

#### PHA Policy

The PHA will notify the family and the owner of the family's need to move based on the occupancy of a wrong-size or accessible unit within 10 business days of the PHA's determination. The PHA will offer the family the following types of continued assistance in the following order, based on the availability of assistance:

PBV assistance in the same building or project

PBV assistance in another project

Tenant-based voucher assistance

If the PHA offers the family a tenant-based voucher, the PHA must terminate the housing assistance payments for a wrong-size or accessible unit at the earlier of the expiration of the term of the family's voucher, including any extension granted by the PHA, or the date upon which the family vacates the unit. If the family does not move out of the wrong-size unit or accessible unit by the expiration of the term of the family's voucher, the PHA must remove the unit from the HAP contract.

If the PHA offers the family another form of assistance that is not a tenant-based voucher, and the family does not accept the offer, does not move out of the PBV unit within a reasonable time as determined by the PHA, or both, the PHA must terminate the housing assistance payments for the unit at the expiration of a reasonable period as determined by the PHA and remove the unit from the HAP contract.

#### HACCC Policy

When HACCC offers a family another form of assistance that is not a tenant-based voucher, the family will be given 30 days from the date of the offer to accept the offer and move out of the PBV unit. If the family does not move out within this 30-day time frame, HACCC will terminate the housing assistance payments at the expiration of this 30-day period.

HACCC may make exceptions to this 30-day period if needed for reasons beyond the family's control such as death, serious illness, or other medical emergency of a family member.

#### **Family Right to Move [24 CFR 983.261]**

The family may terminate the lease at any time after the first year of occupancy. The family must give advance written notice to the owner in accordance with the lease and provide a copy of such notice to the PHA.

### **Choice Mobility [Notice PIH 2012-32, REV-3]**

If the family wishes to move with continued tenant-based assistance, the family must contact the PHA to request the rental assistance prior to providing notice to terminate the lease. If the family terminates the lease in accordance with lease requirements, the PHA is required to offer the family the opportunity for continued tenant-based assistance, in the form of a voucher or other comparable tenant-based rental assistance. If a voucher or other comparable tenant-based assistance is not immediately available, the PHA must give the family priority to receive the next available opportunity for continued tenant-based assistance.

If the family terminates the assisted lease before the end of the first year, the family relinquishes the opportunity for continued tenant-based assistance.

#### HACCC Policy:

Prior to providing notice to the owner to terminate the lease, the family may submit a written request to HACCC for a choice mobility voucher at any time after completing the 12-month occupancy requirement.

The family will remain eligible to request a choice mobility voucher as long as they continue living at the same covered project. If a family moves from one covered project to another covered project prior to completing their 12-month occupancy requirement, their 12-month clock will reset. The family must wait 12 months from the date of move at the new property before they may request another choice mobility voucher. If a family transfers to a different unit within the same covered project, the 12-month clock does not reset.

HACCC will maintain a combined, agency-wide waiting list for all standard PBV and RAD PBV families wishing to exercise mobility after one year of tenancy. This list will be maintained separately from the tenant-based HCV list. Families on the choice mobility waiting list will be given priority over families on the tenant-based waiting list. The choice mobility waiting list will be organized by date and time of the family's written request to exercise choice mobility. The list will also identify whether families live in standard or RAD PBV units.

## **Turnover Cap**

If as a result of RAD, the total number of PBV units (including RAD PBV units) administered by the PHA exceeds 20 percent of the PHA's authorized units under its HCV ACC with HUD, the PHA may establish a turnover cap. The PHA is not required to provide more than three-quarters of its turnover vouchers in any single year to the residents of covered projects. If the PHA chooses to establish a turnover cap and the cap is implemented, the PHA must create and maintain a waiting list in the order requests from eligible households were received.

### HACCC Policy

As a result of RAD, the total number of PBV units (including RAD PBV units) administered by the PHA exceeds 20 percent of the PHA's authorized units under its HCV ACC with HUD. Therefore, HACCC will establish a choice mobility cap. HACCC will not provide more than three-quarters of its turnover vouchers in a single year to residents of covered projects.

Families who requested a choice mobility voucher and are denied due to the cap will be given priority the following year when choice mobility vouchers are again issued since the choice mobility list will be organized by the date and time of the family's request.

## **Emergency Transfers under VAWA [Notice PIH 2017-08]**

Except where special consideration is needed for the project-based voucher program, the PHA will follow VAWA policies as outlined in Chapter 16 Part IX of this administrative plan, including using the Emergency Transfer Plan as the basis for PBV transfers under VAWA (Exhibit 16-4).

HUD requires that the PHA include policies that address when a victim has been living in a unit for less than a year or when a victim seeks to move sooner than a tenant-based voucher is available.

### HACCC Policy

When the victim of domestic violence, dating violence, sexual assault, or stalking has lived in the unit for less than one year, HACCC will provide several options for continued assistance.

HACCC will first try to transfer the participant to another PBV unit in the same development or transfer to a different development where HACCC has PBV units. HACCC will expedite the administrative processes in this case in an effort to conduct the transfer as quickly as possible.

If no units are available for an internal transfer or if there is reasonable cause to believe that such a transfer would put the victim in jeopardy, the participant may receive continued assistance through an external transfer to either tenant-based rental assistance (HCV) or assistance in HACCC's public housing program. Such a decision will be made by HACCC based on the availability of tenant-based vouchers and/or vacancies in public housing units.

If a victim wishes to move after a year of occupancy in the unit, but no tenant-based vouchers are available, the PHA will offer the participant an internal transfer to another PBV unit in the same development or a transfer to a different development where HACCC has PBV units. HACCC will expedite the administrative processes in this case in an effort to conduct the transfer as quickly as possible.

If no units are available for an internal transfer, or if there is reasonable cause to believe that such a transfer would put the victim in jeopardy, the participant may receive continued assistance through an external transfer to HACCC's public housing program.

### **18-VI.F. REEXAMINATIONS [PBV Quick Reference Guide (10/14)]**

A family living in a unit converted from public housing to RAD PBV may retain its certification date. Unless a family's annual reexamination is due at the same time as the effective date of the RAD PBV HAP contract, the PHA does not need to recertify tenants at the point of conversion. For each family residing in a unit undergoing conversion of assistance under RAD, the administering PHA will have to submit a form HUD-50058 reflecting the family's admission to the voucher program. The effective date of the new admission will be the same as the effective date of the RAD PBV HAP contract. The form should include the same information previously found on the public housing form 50058, including the next annual reexamination date.

### **18-VI.G. EARNED INCOME DISALLOWANCE [Notice PIH 2012-32, REV-3]**

Tenants who are employed and are currently receiving the EID exclusion at the time of conversion will continue to receive the EID after conversion, in accordance with regulations at 24 CFR 5.617. Upon the expiration of the EID for such families, the rent adjustment will not be subject to rent phase-in; instead, the rent will automatically rise to the appropriate rent level based upon tenant income at that time.

Under the HCV program, the EID exclusion is limited to only persons with disabilities [24 CFR 5.617(b)]. In order to allow all tenants (including non-disabled persons) who are employed and currently receiving the EID at the time of conversion to continue to benefit from this exclusion in the PBV project, the provision in section 5.617(b) limiting EID to only persons with disabilities is waived. The waiver and resulting alternative requirement only applies to tenants receiving the EID at the time of conversion. No other tenant, such as tenants who at one time received the EID but are not receiving the EID exclusion at the time of conversion (e.g., due to loss of employment), tenants that move into the property following conversion, etc., is covered by this waiver.

### **18-VI.H. RESIDENTS' PROCEDURAL RIGHTS [Notice PIH 2012-32, REV-3]**

HUD is incorporating additional termination notification requirements for public housing projects that convert assistance under RAD to PBV beyond those for the standard PBV program. In addition to the regulations at 24 CFR 983.257 related to owner termination of tenancy and eviction (which MTW agencies may not alter) the termination procedure for RAD conversions to PBV require that PHAs provide adequate written notice of termination of the lease, which is no less than:

A reasonable period of time, but not to exceed 30 days:

- If the health or safety of other tenants, project owner employees, or persons residing in the immediate vicinity of the premises is threatened; or
- In the event of any drug-related or violent criminal activity or any felony conviction.

Not less than 14 days in the case of nonpayment of rent

Not less than 30 days in any other case, except that if a state or local law provides for a shorter period of time, such shorter period will apply

## **18-VI.I. INFORMAL REVIEWS AND HEARINGS [Notice PIH 2012-32, REV-3]**

Unlike in the standard PBV program, residents in converted projects have the right to request an informal hearing for issues that adversely affect the resident's rights, obligations, welfare, or status with both the PHA and the project owner.

In addition to reasons for an informal hearing listed at 24 CFR 982.555(a)(1)(i)–(vi) (See 16-III.C. Informal Hearings for Participants), an opportunity for an informal hearing must be given to residents for any dispute that a resident may have with respect to an owner action in accordance with the individual's lease or the contract administrator in accordance with RAD PBV requirements that adversely affect the resident's rights, obligations, welfare, or status.

For any hearing required under 24 CFR 982.555(a)(1)(i)–(vi), the contract administrator will perform the hearing, as is the current standard in the program.

For any additional hearings required under RAD, the PHA (as owner) will perform the hearing.

An informal hearing will not be required for class grievances or for disputes between residents not involving the PHA (as owner) or contract administrator. This hearing requirement does not apply to and is not intended as a forum for initiating or negotiating policy changes between a group or groups of residents and the PHA (as owner) or contract administrator.

The PHA (as owner) must give residents notice of their ability to request an informal hearing as outlined in 24 CFR 982.555(c)(1) for informal hearings that will address circumstances that fall outside of the scope of 24 CFR 982.555(a)(1)(i)–(vi). (See Chapter 16)

The PHA (as owner) must provide an opportunity for an informal hearing before an eviction.

## **PART VII: DETERMINING CONTRACT RENT**

### **18-VII.A. INITIAL CONTRACT RENTS [Notice PIH 2012-32, REV-3]**

RAD conversions are intended to be cost-neutral, and therefore, should not exceed current public housing funding as adjusted for unit size. Since public housing units do not currently have contract rents, HUD provides an estimate of current contract rents for each PHA's public housing units based on current funding as adjusted by bedroom size. Current funding includes operating subsidy, tenant rents, capital funds, replacement housing factor funds (RHF), and demolition disposition transitional funding (DDTF). The funding may limit the amount of initial rent for a property. A detailed explanation of the determination of current funding may be found in Attachment 1C of Notice PIH 2012-32, REV-2. Once the current funding amount is calculated, the amount is adjusted by bedroom size to determine the current funding rent. HUD uses the same bedroom adjustment factors as in the metropolitan FMR schedules where the project is located.

PHAs may adjust subsidy (and contract rents) across multiple projects as long as the PHA does not exceed the aggregate subsidy for all of the projects the PHA has submitted for conversion under RAD. This use, which HUD refers to as "bundled" rents, is permissible when a PHA submits applications for two or more projects. There is no limit to the number of projects that a PHA may bundle.

Notwithstanding the current funding level, the initial rents are set at the lower of:

110 percent of the fair market rent (FMR) or the PHA's exception payment standard approved by HUD, or the alternate rent cap in a PHA's MTW agreement

Reasonable rent in comparison to the unassisted housing market

An amount determined by current funding

- Adjusted through rent bundling or reconfiguration of units

## **18-VII.B. ADJUSTING CONTRACT RENTS [Notice PIH 2012-32, REV-3; PBV Quick Reference Guide (10/14)]**

Contract rents will be adjusted annually by HUD's operating cost adjustment factor (OCAF) at each anniversary of the HAP contract, subject to the availability of appropriations for each year of the contract term. As such, section 8(o)(13)(I) of the 1937 Act, and 24 CFR 983.301 and 983.302, concerning rent determinations, do not apply when adjusting rents. The rent to owner may at no time exceed the reasonable rent charged for comparable unassisted units in the private market, as determined by the contract administrator in accordance with 24 CFR 983.303.

Contract rents may not exceed the reasonable rent, with the exception that the contract rent for each unit may not be reduced below the initial contract rent under the initial HAP contract.

However, the rent to owner may fall below the initial contract rent in the following situations:

- To correct errors in calculations in accordance with HUD requirements
- If additional housing assistance has been combined with PBV assistance after the execution of the initial HAP contract and a rent decrease is required pursuant to 983.55 (prohibition of excess public assistance)
- If a decrease in rent to owner is required based on changes in the allocation of responsibility for utilities between the owner and the tenant

The contract rent adjustment will be the lesser of:

- The current contract rent increased by the operating cost adjustment factor (OCAF), which is published annually in the *Federal Register*; or
- The reasonable rent

The administering PHA (or independent entity, if the project is PHA-owned) is responsible for processing rent adjustments, at each contract anniversary date, in accordance with the prevailing OCAF.

At least 120 days before the contract anniversary date, HUD recommends that the owner submit the OCAF rent adjustment worksheet (Form HUD-9625) to the PHA administering the PBV assistance (or the independent entity). The PHA will validate the data on the form and determine whether the rent exceeds the reasonable rent charged for comparable unassisted units in the private market, in accordance with 24 CFR 983.303. If rents would be unreasonable following application of the requested OCAF, then the rent can only be increased up to the reasonable rent. The approved rent adjustment will go into effect and the new rents to owner will take effect on the date of the contract anniversary.

### **Rent Decrease**

Rents must not be reduced below the initial rent except to correct errors, for additional subsidy to the property, or to realign utility responsibilities.

**18-VII.C. UTILITY ALLOWANCES [Notice PIH 2012-32, REV-3;  
PBV Quick Reference Guide (10/14); Notice PIH 2018-11]**

When contract rent amounts are set initially, the amount does not include a utility allowance. In general, the utility allowances that are used on the initial HAP contract at closing are the public housing utility allowances that are in effect prior to conversion. The CHAP must be updated prior to conversion to reflect current public housing utility allowances. At its discretion, a PHA may use the FMRs and utility allowances in effect during the 30-day period immediately before the beginning date of the HAP contract. A PHA may request a waiver from HUD in order to establish a site-specific utility allowance schedule.

After conversion, the PHA may maintain a utility allowance schedule for tenant-paid utilities in accordance with standard PBV and HCV utility allowance regulations at 24 CFR 983.301(f)(2)(ii) and 24 CFR 982.517 respectively. The PHA may instead, however, apply site specific utility allowances in accordance with Notice PIH 2018-11.

HACCC Policy

HACCC will use the HCV utility allowance schedule for the RAD developments unless an alternative utility allowance, such as the California Utility Allowance Calculator, has been adopted to accommodate HOME or other forms of assistance.

## **18-VII.D. REASONABLE RENT [24 CFR 983.303]**

At the time the initial rent is established and all times during the term of the HAP contract, the rent to owner for a contract unit may not exceed the reasonable rent for the unit as determined by the PHA, except rents must not be reduced below the initial rent except to correct errors, for additional subsidy to the property, or to realign utility responsibilities.

### **How to Determine Reasonable Rent**

The reasonable rent of a unit receiving PBV assistance must be determined by comparison to rent for other comparable unassisted units. When making this determination, the PHA must consider factors that affect market rent. Such factors include the location, quality, size, type and age of the unit, as well as the amenities, housing services maintenance, and utilities to be provided by the owner.

#### ***Comparability Analysis***

For each unit, the comparability analysis must use at least three comparable units in the private unassisted market. This may include units in the premises or project that is receiving project-based assistance. The analysis must show how the reasonable rent was determined, including major differences between the contract units and comparable unassisted units, and must be retained by the PHA. The comparability analysis may be performed by PHA staff or by another qualified person or entity. Those who conduct these analyses or are involved in determining the housing assistance payment based on the analyses may not have any direct or indirect interest in the property.

#### **PHA-Owned Units**

For PHA-owned units, the amount of the reasonable rent must be determined by an independent agency approved by HUD in accordance with PBV program requirements. The independent entity must provide a copy of the determination of reasonable rent for PHA-owned units to the PHA and to the HUD field office where the project is located.

## **PART VIII: PAYMENTS TO OWNER**

### **18-VIII.A. HOUSING ASSISTANCE PAYMENTS**

During the term of the HAP contract, the PHA must make housing assistance payments to the owner in accordance with the terms of the HAP contract. During the term of the HAP contract, payments must be made for each month that a contract unit complies with HQS and is leased to and occupied by an eligible family. The housing assistance payment must be paid to the owner on or about the first day of the month for which payment is due, unless the owner and the PHA agree on a later date.

Except for discretionary vacancy payments, the PHA may not make any housing assistance payment to the owner for any month after the month when the family moves out of the unit (even if household goods or property are left in the unit).

The amount of the housing assistance payment by the PHA is the rent to owner minus the tenant rent (total tenant payment minus the utility allowance).

In order to receive housing assistance payments, the owner must comply with all provisions of the HAP contract. Unless the owner complies with all provisions of the HAP contract, the owner does not have a right to receive housing assistance payments.

## **18-VIII.B. VACANCY PAYMENTS [24 CFR 983.352]**

If an assisted family moves out of the unit, the owner may keep the housing assistance payment for the calendar month when the family moves out. However, the owner may not keep the payment if the PHA determines that the vacancy is the owner's fault.

### HACCC Policy

If HACCC determines that the owner is responsible for a vacancy and as a result is not entitled to keep the housing assistance payment, HACCC will notify the landlord of the amount of housing assistance payment that the owner must repay. The PHA will require the owner to repay the amount owed in accordance with the policies in Section 16-IV.B.

At the discretion of the PHA, the HAP contract may provide for vacancy payments to the owner. The PHA may only make vacancy payments if:

- The owner gives the PHA prompt, written notice certifying that the family has vacated the unit and identifies the date when the family moved out (to the best of the owner's knowledge);
- The owner certifies that the vacancy is not the fault of the owner and that the unit was vacant during the period for which payment is claimed;
- The owner certifies that it has taken every reasonable action to minimize the likelihood and length of vacancy; and
- The owner provides any additional information required and requested by the PHA to verify that the owner is entitled to the vacancy payment.

The owner must submit a request for vacancy payments in the form and manner required by the PHA and must provide any information or substantiation required by the PHA to determine the amount of any vacancy payment.

### HACCC Policy

If an owner's HAP contract calls for vacancy payments to be made, and the owner wishes to receive vacancy payments, the owner must have properly notified HACCC of the vacancy in accordance with the policy in Section 18-V.G. regarding filling vacancies.

In order for a vacancy payment request to be considered, it must be made within 10 business days of the end of the period for which the owner is requesting the vacancy payment. The request must include the required owner certifications and HACCC may require the owner to provide documentation to support the request. If the owner does not provide the information requested by HACCC within 10 business days of HACCC's request, no vacancy payments will be made.

### **18-VIII.C. TENANT RENT TO OWNER [24 CFR 983.353]**

The tenant rent is the portion of the rent to owner paid by the family. The amount of tenant rent is determined by the PHA in accordance with HUD requirements. Any changes in the amount of tenant rent will be effective on the date stated in the PHA notice to the family and owner.

The family is responsible for paying the tenant rent (total tenant payment minus the utility allowance). The amount of the tenant rent determined by the PHA is the maximum amount the owner may charge the family for rental of a contract unit. The tenant rent covers all housing services, maintenance, equipment, and utilities to be provided by the owner. The owner may not demand or accept any rent payment from the tenant in excess of the tenant rent as determined by the PHA. The owner must immediately return any excess payment to the tenant.

#### **Tenant and PHA Responsibilities**

The family is not responsible for the portion of rent to owner that is covered by the housing assistance payment and the owner may not terminate the tenancy of an assisted family for nonpayment by the PHA.

Likewise, the PHA is responsible only for making the housing assistance payment to the owner in accordance with the HAP contract. The PHA is not responsible for paying tenant rent, or any other claim by the owner, including damage to the unit. The PHA may not use housing assistance payments or other program funds (including administrative fee reserves) to pay any part of the tenant rent or other claim by the owner.

#### **Utility Reimbursements**

If the amount of the utility allowance exceeds the total tenant payment, the PHA must pay the amount of such excess to the tenant as a reimbursement for tenant-paid utilities, and the tenant rent to the owner must be zero.

The PHA may pay the utility reimbursement directly to the family or to the utility supplier on behalf of the family. If the PHA chooses to pay the utility supplier directly, the PHA must notify the family of the amount paid to the utility supplier.

#### HACCC Policy

HACCC will make utility reimbursements directly to the family.

#### **18-VIII.D. PHASE-IN OF TENANT RENT INCREASES [Notice PIH 2012-32, REV-3]**

For in-place tenants, if a tenant's monthly rent increases by more than the greater of 10 percent or \$25 purely as a result of conversion, the rent increase will be phased in over three years. To implement this provision, HUD is waiving section 3(a)(1) of the 1937 Act, as well as 24 CFR 983.3 (definition of *total tenant payment (TTP)*) only to the extent necessary to allow for the phase-in of tenant rent increases. For families who were on EID at the time of conversion to RAD PBV, upon the expiration of the EID, the rent adjustment is not subject to rent phase-in.

##### HACCC Policy

HACCC will implement a three-year phase-in for in-place families whose rent increases by more than the greater of 10 percent or \$25 as a result of the conversion as follows:

Year 1: Any recertification (interim or annual) performed prior to the second annual recertification after conversion: 33 percent of the difference between the most recently paid TTP and the calculated PBV TTP

Year 2: Year 2 annual recertification (AR) and any interim recertification (IR): 50 percent of the difference between the most recently paid TTP and the calculated PBV TTP

Year 3: Year 3 AR and all subsequent recertifications: Full calculated TTP

Once the standard TTP is equal to or less than the previous TTP, the phase-in ends and tenants will pay full TTP from that point forward.

#### **18.VIII.E. OTHER FEES AND CHARGES [24 CFR 983.354]**

##### **Meals and Supportive Services**

With the exception of PBV assistance in assisted living developments, the owner may not require the tenant to pay charges for meals or supportive services. Non-payment of such charges is not grounds for termination of tenancy.

In assisted living developments receiving PBV assistance, the owner may charge for meals or supportive services. These charges may not be included in the rent to owner, nor may the value of meals and supportive services be included in the calculation of the reasonable rent. However, non-payment of such charges is grounds for termination of the lease by the owner in an assisted living development.

##### **Other Charges by Owner**

The owner may not charge extra amounts for items customarily included in rent in the locality or provided at no additional cost to unsubsidized tenants in the premises.
