INTRODUCTION

The Housing Authority of the County of Contra Costa (hereinafter, “HACCC”) is a public entity that provides federally subsidized housing and housing assistance to low-income families within the County of Contra Costa. HACCC is headed by an Executive Director (ED) and is governed by a seven-person Board of Commissioners and is subject to the requirements of Title 24 of the Code of Federal Regulations (hereinafter, “CFR”) and HACCC’s procurement policy. An Executive director is appointed by the Board and is responsible for managing the daily operations of the agency with a budget of approximately \$254 million and a staff of 106.

HACCC owns and manages 963 public housing units and 2 affordable tax credit developments. HACCC also manages approximately 9,500 families through the Housing Choice Voucher Program and Continuum of Care Grants.

In keeping with its mandate to provide efficient and effective services, HACCC is now soliciting a Request For Proposal (RFP) from qualified, licensed, and insured entities to provide services to HACCC as listed below. 2.0 SCOPE OF WORK (SOW) TECHNICAL SPECIFICATIONS:

The purpose of this Request for Proposals (RFP) is to establish a contract with one or more vendors for the labor, materials, and equipment needed to provide services to the Housing Authority of the County of Contra Costa (HACCC). HACCC owns and manages multiple properties throughout the county.

Please see Attachment A for the complete Scope of Work.

3.0 PROPOSAL FORMAT:

3.1 Tabbed Proposal Submittal: HACCC intends to retain the successful proposer pursuant to a “Best Value” basis, not a “Low Proposal” basis (“Best Value,” in that HACCC will, as detailed within the following Section 9.1, considering factors other than just cost in making the award decision). Therefore, so that HACCC can properly evaluate the offers received, all proposals submitted in response to this RFP must be formatted in accordance with the sequence noted following. Each category must be separated by numbered index dividers and labeled with the corresponding tab reference noted below. None of the proposed services may conflict with any requirement HACCC has published herein or has issued by addendum.

HUD Maintenance Wage Rates Determination (MWRD): HUD has determined that, for non-construction maintenance work (work not covered by Davis-Bacon requirements), HACCC must ensure that contractors do not pay its employees that perform such work for HACCC at a rate less than the rates listed on the HUD MWRD. Therefore, by submitting a proposal, each proposer is thereby agreeing to and verifies that he/she will not pay his/her employees at rates less than detailed within the following Table No. 7. Please note that, as detailed within Section 10.10 of HUD Procurement Handbook 7460.8 REV 2 (most specifically within Section 10.10.E therein), the contractor will not be required to submit certified payrolls; however, the contractor must make its payroll records available to either HACCC or HUD on request, and failure on the part of the contractor to comply with this requirement will be the sole responsibility of the contractor, including any ensuing penalties, court costs, or wages due to employees as a result of the contractor’s failure to comply.

[Table No. 4]

RFP Section	Classification	Wage	Fringe Benefits
5.0	Maintenance	\$24.78	\$12.61

- 5.1 **Proposal Submission:** All pricing must be entered where provided within the e-Procurement System (ha.internationaleprocurement.com) and all electronic “digital copy” proposals must be submitted by no later than the submittal deadline stated herein (or within any ensuing addendum).
- 5.2 **Submission Responsibilities:** It shall be the responsibility of each proposer to be aware of and to abide by all dates, times, conditions, requirements and specifications set forth within all applicable documents issued by HACCC, including the RFP document, the documents listed within the following Section 5.0, and any addenda and required attachments submitted by the proposer. By virtue of completing, signing and submitting the completed documents, the proposer is stating his/her agreement to comply with all conditions and requirements set forth within those documents. Written notice from the proposer not authorized in writing by the PA to exclude any of HACCC requirements contained within the documents may cause that proposer to not be considered for award.
- 6.0 **Proposer's Responsibilities-Contact with HACCC:** It is the responsibility of the proposer to address all communication and correspondence pertaining to this RFP process to the PA only. Proposers must not make inquiry or communicate with any other HACCC staff member or official (including members of the Board of Commissioners) pertaining to this RFP. Failure to abide by this requirement may cause HACCC to not consider a proposal submittal submitted from any proposer who has not abided by this directive.
- 6.1 **Addendums:** All questions and requests for information must be addressed in writing to the PA via the internet e-procurement system. The PA will respond to all such inquiries in writing by addendum to all prospective proposers (i.e. firms or individuals that have obtained the RFP Documents). During the RFP solicitation process, the PA will NOT conduct any *ex parte* (a substantive conversation—“substantive” meaning, when decisions pertaining to the RFP are made—between HACCC and a prospective proposer when other prospective proposers are not present) conversations that may give one prospective proposer an advantage over other prospective proposers. This does not mean that prospective proposers may not call or e-mail the PA—it simply means that, other than making replies to direct the prospective proposer where his/her answer has already been issued within the solicitation documents, the PA may not respond to the prospective proposer’s inquiries but will direct him/her to submit such inquiry in writing so that the PA may more fairly respond to all prospective proposers in writing by addendum.

6.2 Minimum Requirements

This RFP sets forth the minimum requirements that all submissions shall meet. Failure to submit proposals in accordance with this request may render the proposal unacceptable.

6.3 Cost of the Proposal

Costs incurred by any proposer in the preparation of its response to the RFP are the responsibility of the proposer and will not be reimbursed by HACCC. Proposers shall not include any such expenses as part of their proposals

6.4 Disputes

In case of any doubt or differences of opinions as to the participation sought hereunder, or the interpretation of the provisions of the RFP, the dispute process shall apply. Contractors may appeal the recommended award, provided the appeal is in writing, contains the RFP number, is delivered to address HACCC P.O. Box 2759, Martinez, CA 94553, and is submitted according to the time requirements listed below. The following shall apply to protests (unless otherwise specified, this section will use the term “protest” to also include disputes and appeals):

Solicitation: Contractors may protest a solicitation issued by HACCC. It must be received by the Contracting Officer before the bid or proposal submittal deadline, or it will not be considered.

Award IFB: Any protest against the award of a contract based on an IFB must be received by the Contracting Officer no later than two full business days after the bid submittal deadline, or before award of the contract, whichever is earlier, or the protest will not be considered.

Award RFP: Any protest against the award of a contract based on an RFP or appeal of a decision by HACCC to reject a proposal, must be received by the Contracting Officer within three business days after notification to an unsuccessful proposer that they were not selected, or the protest will not be considered.

Rejection of Bid: Any protest of a decision by HACCC to reject a bid submitted in response to an IFB must be received by the Contracting Officer within two business days after being notified in writing of HACCC’s decision, or the appeal will not be considered.

A written response will be directed to the appealing Contractor within fourteen (14) calendar days of receipt of the appeal, advising of the decision with regard to the appeal and the basis for the decision. The decision of the HACCC shall be final and binding upon all parties.

7.0 Pre-bid Conference/Bidwalk: The scheduled pre-bid conference identified on Page 2 of this document is pursuant to HUD regulation. Attendance is not mandatory. Many prospective bidders have previously responded to an RFP with a multi-tabbed submittal and feel comfortable in doing so without attending the pre-bid conference. Typically, such conferences last 1 hour, though such is not guaranteed. The purpose of this conference is to assist prospective bidders to have a full understanding of the RFP documents so that he/she feels confident in submitting an appropriate bid; therefore, at this conference HACCC will conduct a brief overview of the RFP documents, including the attachments. Prospective bidders may also ask questions, though the CO/PA may require that some such questions are delivered in writing prior to a response being delivered. Whereas the purpose of this conference is to view the buildings to be demolished and review the RFP documents, attendees should bring a copy of the RFP documents to this conference. **HACCC will not distribute any copies of the RFP documents at this conference.**

8.0 Recap of Attachments: It is the responsibility of each proposer to verify that he/she has downloaded the following attachments pertaining to this RFP, which are hereby by reference included as a part of this RFP:

9.0 PROPOSAL EVALUATION:

9.1 **Evaluation Factors:** The following factors will be utilized by HACCC to evaluate each proposal submittal received; award of points for each listed factor will be based upon the documentation that the proposer submits within his/her proposal submittal.

[Table No. 6]

NO.	MAX POINT VALUE	FACTOR TYPE	FACTOR DESCRIPTION
1	40 points	Objective	The PROPOSED COSTS the proposer proposes to charge HACCC to provide the required work.
2	45 points	Subjective (Technical)	The proposer's DEMONSTRATED EXPERIENCE in performing similar work and the proposer's.
3	15 points	Subjective (Technical)	The OVERALL QUALITY, COMPLETENESS AND PROFESSIONAL APPEARANCE OF THE PROPOSAL SUBMITTED , based upon the opinion of the evaluators.
	100 points	100 points	Total Points

Evaluation Method:

9.1.1 **Initial Evaluation for Responsiveness:** Each proposal received will first be evaluated for responsiveness (e.g., meets the minimum of the published requirements). HACCC reserves the right to reject any proposals deemed by HACCC not minimally responsive (HACCC will notify such firms in writing of any such rejection).

9.1.2 **Evaluation Packet for Proposals Deemed Responsive:** Internally, an evaluation packet will be prepared for each evaluator, including the following documents:

- 9.1.2.1 Instructions to Evaluators;
- 9.1.2.2 Proposal Tabulation Form;
- 9.1.2.3 Written Narrative Justification Form for each proposer;
- 9.1.2.4 Recap of each proposer's responsiveness;
- 9.1.2.5 Copy of all pertinent RFP documents.

9.1.3 **Evaluation Committee:** HACCC anticipates that it will select a minimum of a three-person committee to evaluate each of the responsive proposals submitted in response to this RFP. PLEASE NOTE: No proposer shall be informed at any time during or after the RFP process as to the identity of any evaluation committee member. If, by chance, a proposer does become aware of the identity of such person(s), he/she **SHALL NOT** make any attempt to contact or discuss with such person anything related to this RFP. As detailed within Table No. 2, Page 2 of this document, the designated PA is the only person at HACCC that the proposers shall contact pertaining to this RFP. Failure to abide by this requirement will cause such proposer(s) to be eliminated from consideration for award.

9.1.4 **Evaluation:** The PA will evaluate and award points pertaining to Evaluation Factors No. 1 (the "Objective" Factors). The appointed evaluation committee, independent of the PA or any other person at HACCC, shall evaluate the responsive proposals submitted and award points pertaining to Evaluation Factors No. 2 & 3 (the "Subjective" Factors). Upon

final completion of the proposal evaluation process, the evaluation committee will forward the completed evaluations to the PA.

9.1.5 **Determination of Top-ranked Proposer:** Typically, the subjective points awarded by the evaluation committee will be combined with the objective points awarded by the PA to determine the final rankings, which is typically forwarded by the PA to the ED for approval. If the evaluation was performed to the satisfaction of the ED, the final rankings may be forwarded to the Housing Authority Board of Commissioners (BOC) at a scheduled meeting for approval. Contract negotiations may, at HACCC's option, be conducted prior to or after the BOC approval.

9.1.5.1 **Ties:** In the case of a tie in points awarded, the award shall be decided as detailed within Section 6.12.C of HUD Procurement Handbook 7460.8 REV 2, by “drawing lots or other random means of selection.”

9.1.6 **Notice of Results of Evaluation:** If an award is completed, all proposers will receive by our Internet e-Procurement System a Notice of Results of Evaluation. Such notice shall inform all proposers of:

9.1.6.1 Which proposer received the award;

9.1.6.2 Where each proposer placed in the process as a result of the evaluation of the proposals received;

9.1.6.3 The cost or financial offers received from each proposer;

9.1.7 **Restrictions:** All persons having familial (including in-laws) and/or employment relationships (past or current) with principals and/or employees of a proposer entity will be excluded from participation on the evaluation committee. Similarly, all persons having ownership interest in and/or contract with a proposer entity will be excluded from participation on the evaluation committee.

10.0 CONTRACT AWARD:

10.1 **Contract Award Procedure:** If a contract is awarded pursuant to this RFP, the following detailed procedures will be followed:

10.1.1 By completing, executing and submitting the Profile of Firm, Attachment B, the “proposer is thereby agreeing to abide by all terms and conditions pertaining to this RFP as issued by HACCC, including the contract clauses already attached as Attachments F, Accordingly, HACCC has no responsibility to conduct after the submittal deadline any negotiations pertaining to the contract clauses already published.

10.1.2 **Method of Award** HACCC will retain the right to contract with one or more of the bidders as a result of this RFP, which contracting shall occur in the following manner (this is sometimes called “forming a pool” of vendors that HACCC may draw from).

10.1.3 If a pool of vendors is established, only the top 3 (three) bidders will be included. Each bidder will be ranked based on the total score given by the evaluation panel. If any of the top 3 (three) bidders withdraw or are dismissed for any reason at any time, the next highest-ranked bidder, who is not in the top 3 (three), may be considered for inclusion in the pool.

- 10.1.4 When HACCC has need of work, HACCC staff assigned will contact the 1st-ranked bidder to ascertain as to whether or not that bidder is available to do the work within the reasonable timeframe HACCC has established for that work (typically, “reasonable” shall be met at the site within 1 workday and begin work within 1 workday thereafter). If the 1st-ranked bidder is not available, HACCC will proceed to the next-ranked bidder, and so forth, until HACCC has located an available vendor. HACCC shall use the Purchase Order to record this information and tracking purposes for payment.
- 10.1.5 **“Typical” Definition Pertaining to Emergencies.** There may be instances when it is not reasonable to wait for the needed services to be completed, when service is required from a vendor immediately, meaning a vendor is needed to drive to the site quickly. In such cases HACCC reserves the right to (and probably will) suspend the one-day required response time and will seek a vendor who within the previously described pool rotation who is immediately available.
- 10.1.6 **Procedure to Award.** Once an available vendor has been chosen, the vendor and HACCC representative will meet at the applicable unit or site, conduct the walkthrough, and mutually determine the extent of the required work and arrive at an agreed-upon cost, which shall be calculated based on the pricing line items (as detailed within the preceding Section 4.0 herein).
- 10.2 **Contract Conditions:** The following provisions are considered mandatory conditions of any contract award made by HACCC pursuant to this RFP:
- 10.2.1 **Contract Form:** HACCC will not execute a contract on the successful proposer's form-contracts will only be executed on HACCC form (please see Sample Contract, Attachments F), and by submitting a proposal the successful proposer agrees to do so (please note that HACCC reserves the right to amend this form as HACCC deems necessary). However, HACCC will during the RFP process (prior to the submittal deadline) consider any contract clauses that the proposer wishes to include therein and submits in writing a request for HACCC to do so; but the failure of HACCC to include such clauses does not give the successful proposer the right to refuse to execute HACCC's contract form. It is the responsibility of each prospective proposer to notify HACCC, in writing, prior to submitting a proposal, of any contract clause that he/she is not willing to include in the final executed contract and abide by. HACCC will consider and respond to such written correspondence, and if the prospective proposer is not willing to abide by HACCC's response (decision), then that prospective proposer shall be deemed ineligible to submit a proposal.
- 10.2.1.1 Please note that HACCC has no legal right or ability to (and will not) at any time negotiate any clauses contained within ANY of the HUD forms included as a part of this RFP.
- 10.2.2 **Assignment of Personnel:** HACCC shall retain the right to demand and receive a change in personnel assigned to the work if HACCC believes that such change is in the best interest of HACCC and the completion of the contracted work.
- 10.2.3 **Unauthorized Sub-Contracting Prohibited:** The successful proposer shall not assign any right, nor delegate any duty for the work proposed pursuant to this RFP (including, but not limited to, selling or transferring the contract) without the prior written consent of the PA. Any purported assignment of interest or delegation of duty, without the prior written consent of the PA shall be void and may result in the cancellation of the contract

with HACCC, or may result in the full or partial forfeiture of funds paid to the successful proposer as a result of the proposed contract; either as determined by the PA.

- 10.3 **Contract Period:** HACCC anticipates that it will initially award a contract for the period of 1 year with the option, at HACCC's discretion, of 2 (two) additional 2 (two)-year option periods, for a maximum total of 5 years.
- 10.4 **Contract Service Standards:** All work performed pursuant to this RFP must conform and comply with all applicable local, state and federal codes, statutes, laws and regulations.

11.0 Licensing and Insurance Requirements: Prior to award (but not as a part of the proposal submission) the *successful proposer* will be required to provide:

- 11.1.1 An original certificate evidencing the proposer's current industrial (worker's compensation) insurance carrier and coverage amount;
- 11.1.2 An original certificate evidencing General Liability coverage, naming HACCC as an additional insured, together with the appropriate endorsement to said policy reflecting the addition of HACCC as an additional insured under-said policy (minimum of \$1,000,000 each occurrence, general aggregate minimum limit of \$1,000,000, together with damage to premises and fire damage of \$50,000 and medical expenses any one person of \$5,000), with a deductible of not greater than \$1,000;
- 11.1.3 An original certificate showing the proposer's automobile insurance coverage in a combined single limit of \$1,000,000. For every vehicle utilized during the term of this program, when not owned by the entity, each vehicle must have evidence of automobile insurance coverage with limits of no less than \$50,000/\$100,000 and medical pay of \$5,000.
- 11.1.4 The above insurance requirements are subject to periodic review by HACCC. HACCC's Risk Manager is authorized, but not required, to reduce or waive any of the above insurance requirements whenever the Risk Manager determines that any of the above insurance is not available, is unreasonably priced, or is not needed to protect the interests of HACCC. In addition, if the Risk Manager determines that heretofore, unreasonably priced or unavailable types of insurance coverage or coverage limits become reasonably priced or available, the Risk Manager is authorized but not required, to change the above insurance requirements, to require additional types of insurance coverage or higher coverage limits, provided that any such change is reasonable in light of past claims against HACCC, inflation, or any other item reasonably related to HACCC's risk. Any such reduction or waiver for the entire term of the Agreement and any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this Agreement. Contractor agrees to execute any such amendment within thirty (30) days of receipt.

1.0 GENERAL CONDITIONS:

1.1 Applicability: If referred to within the text of such, these ITPC shall be applicable to all Requests For Proposals (RFP) solicitations that the Housing Authority of Contra Costa County (HACCC) conducts and shall be applicable to any contract that HACCC awards to or signs with any firm, agency or individual pursuant to that RFP. A copy of these ITPC shall be made available to any actual or prospective proposer, or contractor who does business with or intends to do business with HACCC.

1.1.1 Unless otherwise specified within the RFP or contract documents, in the event that any provision in any document listed herein conflicts with any provision within these ITPC, the provision in the RFP or contract document shall govern. Further, in the case of any attached HUD forms (more specifically: HUD-5369-C (8/93); HUD-5369-B (8/93); and HUD-5370-C (10/2006), Section I and/or Section II), the information within such HUD form(s) shall govern any other information issued, especially that issued within any HACCC-created forms that are issued as a part of this solicitation.

1.2 Definitions (pertaining to all RFP documents issued by HACCC pertaining to this RFP, including the attachments and the ensuing contract):

1.2.1 "**Contracting Officer**" when named within an RFP document shall refer to either the ED or the person he/she has delegated such responsibilities to the "**Purchasing Agent**" (PA).

1.2.2 "**Contract**" refers to the fully executed written agreement that ensues from the RFP. Whereas all RFP documents are included, by reference, as a part of the ensuing contract, when "contract" is referred to within the RFP document, such is referring to both the RFP documents and the ensuing contract document.

1.2.3 "**Contractor**" and the term "successful proposer" may be used interchangeably.

1.2.4 "**Days**" unless otherwise directed, shall refer to calendar days.

1.2.6 "**ED**" is HACCC Executive Director.

1.2.8 "**HACCC**" is the Housing Authority of Contra Costa County. Unless otherwise defined herein or within the ensuing contract, whenever the term "HACCC" is used without clearly designating a responsible HACCC staff person, the proposer(s) shall assume that responsibility for that item rests with the PA.

1.2.9 "**HUD**" is the United States Department of Housing and Urban Development. HUD is the Federal agency that HACCC receives some funding from; however, pertaining to this RFP, correspondences, including proposal submittals, received from each proposer must exhaust all provisions contained herein prior to contacting HUD (i.e. in the case of a protest).

1.2.10 "**Herein**" shall refer to all documents issued pursuant to the noted RFP, including the RFP documents and the attachments.

- 1.2.11 Offer**" is the proposal submittal referred to within the following Section 1.2.14 that the proposer delivers to HACCC in response to the RFP.
- 1.2.12 Offeror" or "Offerors"** are the proposer or proposers.
- 1.2.13 "Parties"** - When "the parties," "both parties" or "either party" is stated within the RFP documents or the contract, such refers to HACCC and the successful proposer(s).
- 1.2.14 "Proposal" and/or "Proposal Submittal"** is the "hard copy" document that the proposer is required to, as detailed within the RFP document, deliver to HACCC.
- 1.2.15 "Protestant"** is a prospective proposer or proposer who feels that he/she has been treated inequitably by HACCC and wishes HACCC to correct the inequitable condition or situation. To be eligible to file a protest with HACCC pertaining to an RFP or contract, the protestant must have been involved in the RFP process in some manner as a prospective proposer (i.e. registered and received the RFP documents).
- 1.2.16 "Prospective Proposer" or "Proposer"** - A prospective proposer is a firm or individual who has been notified of the RFP solicitation and/or who has requested and/or received the RFP documents and is considering responding with a proposal; a proposer is a firm or individual who has submitted a proposal in response to the RFP. All terms and conditions shall apply equally to all prospective proposers as well as proposers, though prospective proposers may not, after the deadline set for receiving proposals, receive further notices pertaining to that RFP--meaning, certain notices (such as the Notice of Results of Evaluation) are typically only delivered to proposers and not to all prospective proposers.
- 1.2.17 "Request For Proposals" (RFP)** is the competitive proposal process allowed by HUD, especially as defined within Chapter 7 of HUD Procurement Handbook 7460.8 REV 2.
- 1.2.18 "RFP Document(s)"** - Whether stated in the singular or the plural, such refers to the body of documents, including attachments and the information posted on the nahro.economicengine.com Internet System (hereinafter, the "noted Internet System" or the "System), that HACCC makes available to all prospective proposers wherein is detailed HACCC's requirements.
- 1.2.19 "Solicitation" or "Competitive Solicitation"** is the RFP process detailed herein.

2.0 CONDITIONS TO PROPOSE:

- 2.1 Pre-Qualification of Proposers:** Prospective proposers will not be required to pre-qualify in order to submit a proposal. However, all proposers will be required to submit adequate information showing that the proposer is qualified to perform the required work (i.e. Profile of Firm Form and required resumes). Failure by the prospective proposer to provide the requested information may, at HACCC's discretion, eliminate that proposer from consideration, provided that all proposers were required to submit the same information (in the case of a successful proposer(s), these requirements shall also apply in the context of the successful proposer or proposers).

2.2 RFP Forms, Documents, Specifications and Drawings:

- 2.2.1 It shall be each prospective proposer's responsibility to, prior to submitting a proposal in response to the RFP, examine carefully and, as may be required, properly complete and submit all documents issued pursuant to this RFP.
- 2.2.2 Unless otherwise instructed, specifications and drawings (if provided) do not purport to show all of the exact details of the work. They are intended to illustrate the character and extent of the performance desired under the proposed contract and may be supplemented or revised from time to time.
- 2.2.3 HACCC shall reserve the right to, prior to award, revise, change, alter or amend any of the instructions, terms, conditions, and/or specifications identified within the RFP documents issued, within any attachment or drawing, or within any addenda issued; such notice shall be delivered in writing to each prospective and/or actual proposer. Such changes that are issued before the deadline for receipt of proposals shall be binding upon all prospective proposers. Such changes that are issued after the receipt of proposals, but prior to award shall be binding upon all parties that have submitted proposals; however, such parties shall be allowed to reject such changes by, within 5 days of receipt of such written notice, withdrawing his/her proposal. Such withdrawal must be delivered, in writing, to the PA within the 5-day deadline period.

2.3 Proposal Preparation, Submission and Receipt by HACCC:

- 2.3.1 **Required Forms:** All required forms furnished by HACCC as a part of the RFP document issued shall, as instructed, be fully completed and submitted by the proposer. Such forms may be completed in a legible hand-written fashion, by use of a typewriter, or may be downloaded and completed on a computer. If, during the download, a form becomes changed in any fashion, the proposer must "edit" the form back to its originally form (for example, signature lines must appear on the page the line was originally intended to be on).
- 2.3.2 **Manner of Submission:** The proposal submittal shall be submitted in the manner detailed within the RFP document. Failure to submit the proposal in the manner specified may result in a premature opening of, post-opening of, or failure to open and consider that proposal, and may, at the discretion of the PA, eliminate that proposer from consideration for award.
- 2.3.3 **Time for Receiving Proposals:** Proposals received prior to the time set as the deadline for the receipt by HACCC of the proposal submittal shall be securely kept, unopened, by HACCC. The PA, whose duty it is to open such proposals, will decide when the specified time has arrived. No proposal received after the designated deadline shall be considered, except as detailed within Section 6 of Form HUD-5369-B (8/93), *Late Submissions, Modifications and Withdrawal of Offers*.
 - 2.3.3.1 Proposers are cautioned that any proposal submittal that may be time-stamped as being received by HACCC after the exact time set as the deadline for the receiving of proposals shall be returned unopened to the proposer. Any such proposals inadvertently opened shall not be considered, but shall be ruled to be invalid. No responsibility will

attach to HACCC or any official or employee thereof, for the pre-opening of, or the failure to open a proposal not properly addressed and identified.

2.3.4 No Public Opening of Proposals: Pursuant to the competitive proposals or RFP process, proposals are not publicly opened, but are held secure until the submittal deadline has passed. The proposals are then opened in private by the PA (or his/her designee) and are, pursuant to the evaluation plan, examined for minimal responsiveness (i.e. minimum compliance with the requirements of the RFP). Persons other than HACCC staff involved in this process are not allowed to be present during the opening, nor may they inspect the proposals until after award has been completed.

2.3.5 Withdrawal of Proposals: Proposals may be withdrawn as detailed within Section 6(h) of Form HUD-5369-B (8/93), *Late Submissions, Modifications and Withdrawal of Offers*. Negligence on the part of the proposer in preparing his/her proposal confers no right of withdrawal or modification of his/her proposal after such proposal has been received and opened.

2.3.6 Conflicting Conditions: Any provisions detailed within any of the RFP documents which may be in conflict or inconsistent with any of the paragraphs in any of the other RFP documents, including attachments, shall be void to the extent of any such conflict or inconsistency. Further, as stated within Section 1.1.1 of this ITP, unless otherwise specified within the RFP or contract documents, in the event that any provision in any document listed herein conflicts with any provision within this ITP, the provision in the RFP or contract document shall govern.

2.3.7 Interpretations: No official oral interpretation can be made to any proposer as to the meaning of any instruction, condition, specifications drawing (if any), or any other document issued pertaining to this RFP. Every request for an official interpretation shall be made by the prospective proposer, in writing, pursuant to the schedule set within the RFP document issued and as directed by HACCC. Official interpretations will be issued in the form of addenda, which will be delivered to each proposer; but it shall be the prospective proposer's responsibility to make inquiry as to addenda issued. All such addenda shall become a part of the RFP documents and the proposed contract with the successful proposer, and all proposers shall be bound by such addenda, whether or not received by the prospective or successful proposer(s).

2.4 Exceptions to Specifications:

2.4.1 A proposer may take exception to any of the proposal documents or any part of the information contained therein, by submitting, in writing to the PA, at least 10 days prior to the proposal deadline, a complete and specific explanation as to what he/she is taking exception to. Proposed alternate documents or information must also be included. A response by HACCC will be issued in writing within 5 days of receipt of such exception request. HACCC reserves the right to agree with the prospective proposer and issue a revision to the applicable RFP requirements, or may reject the prospective proposer's request.

2.4.2 When taking exception, prospective proposers must propose services that meet the requirements of the RFP documents. Exceptions to the specification and/or approved

"equal" requests may be discussed at the scheduled pre-proposal conference (if scheduled). All verbal instructions issued by HACCC officers not already listed within the RFP documents shall only become official when issued as addenda or as a written answer issued pursuant to receipt of a written question.

2.5 Lump Sum Cost Breakdown (LSCB):

2.5.1 HACCC reserves the right to, at any time, request and receive from any or all proposers a LSCB of any or all of the costs proposed. The proposal documents constitute an outline of the work to be completed by the proposer. These documents are intended to include all major items, and the lump sum cost breakdown computed therefrom will be the maximum compensation for all work and materials whatsoever furnished by the proposer in order to comply with the proposal documents in their present form, whether or not indicated in the approximate quantities or pertaining to the items of work as listed.

2.5.1.1 The purpose of this LSCB will serve HACCC in two distinct areas:

2.5.1.1.1 **Prior to award of proposals:** HACCC may request a LSCB for any or all items reflected within the RFP document as “lump sum” for the purpose of determining an unbalanced cost proposal. The PA, using acceptable methods dictated by the industry, shall conduct the analysis.

2.5.1.1.2 **After award:** HACCC may request a LSCB for any or all items reflected within the RFP document as “lump sum” for the purpose of making partial payments to the successful proposer.

2.5.1.1.3 Under no circumstances, may any cost item reflected as “lump sum” be increased/decreased as a result of the LSCB analysis.

3.0 PROPOSAL EVALUATION:

3.1 Proposal Opening Results: It is understood by all proposers/prospective proposers that the proposals received are not publicly opened and the results will typically not be a matter of public record until HACCC has concluded all evaluations, has chosen a final top-rated proposer, has completed the award and is ready to issue such results. When HACCC issues such notice, HACCC will inform all proposers as to each proposers placement as a result of the evaluation (i.e. 1st, 2nd, 3rd, etc.), the total points each proposer was awarded as a result of the evaluation and the proposed costs submitted by each proposer.

3.1.1 All proposal documents submitted by the proposers are not necessarily a matter of public record and as a matter of normal course, the proposals submitted by each proposer will not, until after award has been completed, be available to be viewed by any interested parties except as approved by HACCC Legal Counsel (i.e. a proposer will not, prior to completion of award, be allowed to challenge an apparent top-rated

proposer by inspecting the proposal that the apparent top-rated proposer submitted). HACCC shall, however, upon request, verify that the proposal documents submitted are/were acceptable.

3.2 Award of Proposal(s): The successful proposer shall be determined by the top-rated responsive and responsible proposer as determined by the evaluation process detailed within the RFP document issued, provided his/her proposal is reasonable, he/she is able to deliver the specified items in a timely manner and it is, in the opinion of HACCC, to the best interests of HACCC to accept the proposal. All proposers will be notified in a timely manner of the results of the evaluation after award has been completed.

3.3 Rejection of Proposals:

3.3.1 HACCC reserves the right to, at any time during the proposal process, reject any or all proposals received. In the case of rejection of all proposals, HACCC reserves the right to advertise for new proposals or to proceed to do the work otherwise, if in the judgment of HACCC, the best interest of HACCC will be promoted.

3.3.2 Prospective proposers acknowledge by downloading and receiving the RFP documents and/or by submitting a proposal that the submission of a proposal to HACCC is not a right by which to be awarded that proposal, but merely an offer by the prospective proposer to perform the requirements of the RFP documents in the event HACCC decides to consider an award to that proposer.

3.4 Cancellation of Award: HACCC reserves the right to, without any liability, cancel the award of any proposal(s) at any time before the execution of the contract documents by all parties.

3.5 Mistake in Proposal Submitted:

3.5.1 A request for withdrawal of a proposal due to a purported error need not be considered by HACCC unless the same is filed in writing by the proposer within 48 hours after the proposal deadline (proposers may of their own volition withdraw a proposal prior to the submittal deadline). Any such request shall contain a full explanation of any purported error and shall, if requested by HACCC, be supported by the original calculations on which the proposal was computed, together with a certification and notarization thereon that such computation is the original and prepared by the proposer or his/her agent, who must be identified on the notarized form. The foregoing shall not be construed that such withdrawal will be permitted, as HACCC retains the right to accept or reject any proposal withdrawal for a mistake.

3.5.2 Unless otherwise prohibited within the RFP documents, a mistake in the cost unit pricing that does not affect the total cost sum submitted may, at HACCC's discretion, be corrected by submitting a corrected cost form, together with a complete explanation in writing, of how the mistake occurred, to the PA, for his/her review. This mistake must be corrected before the issuance of contract documents.

- 3.6 Irregular Proposal Submittal:** A proposal shall be considered irregular for any one of the following reasons, any one or more of which may, at HACCC's discretion, be cause for rejection:
- 3.6.1** If the forms furnished by HACCC are not used or are altered or if the proposed costs are not submitted as required and where provided (especially within the noted Internet System).
 - 3.6.2** If all requested completed attachments do not accompany the proposal submitted.
 - 3.6.3** If there are unauthorized additions, conditional or alternate proposals, or irregularities of any kind which may tend to make the proposal incomplete, indefinite or ambiguous as to its meaning or give the proposer submitting the same a competitive advantage over other proposers.
 - 3.6.4** If the proposer adds any provisions reserving the right to accept or reject any award or to enter into a contract pursuant to an award.
 - 3.6.5** If the individual Pricing Items submitted by a specific proposer are unbalanced in the sense that the listed price of any cost item departs by more than 25% from HACCC's cost estimate for that item.
- 3.7 Disqualification of Proposers:** Any one or more of the following shall be considered as sufficient for the disqualification of a proposer and the rejection of his/her proposal:
- 3.7.1** Evidence of collusion among prospective proposers. Participants in such collusion will receive no recognition as bidders or proposers for any future work of HACCC until such participant shall have been reinstated as a qualified proposer or proposer. The names of all participants in such collusion shall be reported to HUD and any other inquiring governmental agency.
 - 3.7.2** More than one proposal for the same work from an individual, firm, or corporation under the same or different name(s), unless such was specifically allowed by HACCC within the proposal documents issued, including by addendum.
 - 3.7.3** Lack of competency, lack of experience and/or lack of adequate machinery, plant and/or other resources.
 - 3.7.4** Documented unsatisfactory performance record as shown by past work for HACCC or with any other local, State or Federal agency, judged from the standpoint of workmanship and progress.
 - 3.7.5** Incomplete work, which in the judgment of HACCC, might hinder or prevent prompt completion of additional work, if awarded.
 - 3.7.6** Failure to pay or satisfactorily settle all bills due on former contracts still outstanding at the time of letting.
 - 3.7.7** Failure to comply with any qualification requirement of HACCC.

- 3.7.8 Failure to list, if required, all subcontractors (if subcontractors are allowed by HACCC) who will be employed by the successful proposer(s) to complete the work of the proposed contract.
 - 3.7.9 As required by the RFP documents, failure of the successful proposer to be properly licensed by the California State License Board and/or the State of California and/or to be insured by a general liability and/or worker's compensation policy.
 - 3.7.10 Any legal reason to be determined, in good faith, to be in the best interests of HACCC.
- 3.8 **Burden of Proof:** If requested by HACCC, it shall be the responsibility of the proposer(s) to furnish HACCC with sufficient data or physical samples, within a specified time, so that HACCC may determine if the goods or services offered conform to the Specifications.

4.0 Right to Protest:

- 4.1 **Rights:** Any prospective or actual proposer, offeror, or contractor who is allegedly aggrieved in connection with the solicitation of a proposal or award of a contract, shall have the right to protest. An alleged aggrieved protestant claiming this right is hereby informed that these regulations do not provide for administrative appeal as a matter of right for that alleged aggrieved protestant.
 - 4.1.1 An alleged aggrieved "protestant" is a prospective or actual proposer who feels that he/she has been treated inequitably by HACCC and wishes HACCC to correct the alleged inequitable condition or situation. To be eligible to file a protest with HACCC pertaining to an RFP or contract, the alleged aggrieved protestant must have been involved in the RFP process in some manner as a prospective proposer (i.e. registered and received the RFP documents) when the alleged situation occurred. HACCC has no obligation to consider a protest filed by any party that does not meet these criteria.
- 4.2 **Administrative Powers:** It is totally within the administrative powers of the ED to grant or deny any requests for administrative appeal. If, in the opinion of the ED, the alleged aggrieved protestant merits an administrative review, the ED shall direct that alleged aggrieved protestant to submit additional data.
- 4.3 **Procedure to Protest:** An alleged aggrieved protestant shall comply with the following protest procedures, and failure to comply in the manner prescribed shall automatically relieve HACCC from accepting or considering that protest:
 - 4.3.1 The alleged aggrieved protestant must file, in writing, to the PA the exact reason for the protest, attaching any supportive data. The protestant must state within the written protest document specifically (not by inference) what action by HACCC or condition is being protested as inequitable, making, where appropriate specific reference to the RFP documents issued. The protest document must also state the corrective action requested. Failure by the alleged aggrieved protestant to fully

submit such information shall relieve HACCC from any responsibility to consider the protest and take any corrective action.

4.3.2 The written instrument containing the reason for the protest must be received by the PA within 10 days after the occurrence of any of the following:

4.3.2.1 the deadline for receiving proposals;

4.3.2.2 receipt of notification of the results of the evaluation or the award; or

4.3.2.3 the alleged aggrieved protestant knows or should have known the facts.

4.3.3 In any case, protests shall be filed no more than 10 days after any of the above (unless the occurrence being protested occurred in its entirety after the proposal deadline). Protests received after these dates shall not be considered.

4.3.4 The PA shall review the written protest and supportive data, if any. He/she shall, within 10 days after receipt of the written protest, issue a written opinion and decision. This document shall state the reasons for the action taken as well as inform the alleged aggrieved protestant of the right of further administrative review. A copy of this written opinion and decision shall be forwarded to the ED.

4.3.5 **Administrative Appeal:** If the alleged aggrieved protestant does not agree with the written opinion and decision issued by the PA, the alleged aggrieved protestant may, after receipt of the written opinion and decision issued by the PA request an administrative appeal hearing be granted (such request must be delivered in writing to the PA within 5 days of receipt of the written opinion and decision; failure to do so within such 5 days shall relive HACCC of any responsibility to consider such request). The following procedures must be complied with in the manner prescribed; failure by the alleged aggrieved protestant to comply shall automatically relieve HACCC from accepting or acting on that request for administrative hearing:

4.3.5.1 The alleged aggrieved protestant must file, in writing, his/her request for an administrative hearing, to the ED, within 5 days of receipt of the written opinion and decision and failure to do so within such 5 days shall relive HACCC of any responsibility to consider such request.

4.3.5.2 The request for an administrative appeal hearing must contain the specific reasons for the appeal and all supporting data for those reasons.

4.3.5.3 It shall be within the administrative powers of the ED to, after review of the request submitted, grant or deny any request for administrative appeal.

4.3.5.4 If the ED, after complete review of the alleged aggrieved protestant's written request and supporting data, decides that the request does not merit further consideration, he/she shall render his/her decision in writing to the alleged aggrieved protestant. A decision rendered under this paragraph shall be made within 10 days after the receipt of the

alleged aggrieved protestant's request for an administrative hearing. This decision shall be final without further administrative recourse.

4.3.5.5 If the ED, after review of the alleged aggrieved protestant's written request, decides that the request merits further consideration, he/she shall forward the protestant's written request, along with a cover letter explaining why it merits further consideration and with a recap of all proposals submitted and a copy of the original written protest, to HACCC Legal Counsel for consideration. HACCC Legal Counsel shall issue to the alleged aggrieved protestant a decision, in writing, within 10 days of his/her receipt of such documents.

4.3.5.5 Such written decision delivered to the alleged aggrieved protestant shall exhaust HACCC internal protest and administrative appeal process available to the alleged aggrieved protestant.

5.0 Disputed Billings (Charges):

5.1 Procedures: In addition to the procedures detailed within Clause No. 7 of Attachment G-1, Form HUD-5370-C (10/2006), *General Conditions for Non-Construction Contracts, Section I—(With or without Maintenance Work)*, in the event that HACCC disputes any portion of its billing(s), HACCC shall pay the undisputed portion of such billing and initiate the dispute-resolving procedures, as follows:

5.1.1 HACCC's representative shall, within 10 days after HACCC's receipt of such billing, formally notify the contractor's representative of all particulars pertaining to the dispute, and request that he/she investigate and respond to this issue.

5.1.2 If such dispute cannot be resolved by the contractor's response, within 10 days after such notification is given, the PA and the contractor's representative shall meet to discuss the matter and attempt to arrive at a resolution.

5.1.3 If the PA and the contractor's representative are unable to resolve the dispute through such discussion within 10 days, HACCC shall, within 10 days thereafter, either:

5.1.3.1 pay the disputed charges and reserve the right to submit the matter to the California Court Annexed Arbitration program if the disputed amount does not exceed \$40,000.00 or to the appropriate District Court in the State of California;

5.1.3.2 not pay the disputed charge and submit the matter to the California Court Annexed Arbitration program if the disputed amount does not exceed \$40,000.00 or to the appropriate District Court in the State of California;

5.1.3.3 not pay the disputed charge and allow the Contractor to submit the matter either to the California Court Annexed Arbitration program if the disputed amount does not exceed \$40,000.00 or to the appropriate District Court in the State of California.

5.1.4 The decision from arbitration will be binding upon both parties. If the decision is adverse to HACCC, HACCC shall pay HACCC's receipt of the decision. If the decision is in favor of HACCC, the contractor will either:

5.1.4.1 clear the amount which is ordered from HACCC account; or

5.1.4.2 repay to HACCC the amount ordered.

Either option shall be completed within 10 days after the contractor's receipt of the arbitrator's decision.

6.0 Additional Considerations:

6.1 Right of Joinder Pursuant to NRS 332.195:

6.1.1 Any political subdivision within the State of California, may be granted the privilege of joining the awarded contract, only at the option of the successful proposer. If the successful proposer so grants such a privilege, the terms and conditions of the RFP documents, including the ensuing contract, may be passed on to the joining political subdivision by the successful proposer.

6.1.2 The successful proposer shall retain the unilateral right to allow or disallow any political subdivision the privilege of joining the awarded contract. In the event the successful proposer allows another political subdivision to join HACCC contract, it is expressly understood that HACCC shall in no way be liable for the joining political subdivision obligations to the successful proposer in any manner whatsoever.

6.2 Non-Escalation: Unless otherwise specified within the RFP documents, the unit prices reflected on the contract shall remain firm with no provision for price increases during the term of the contract.

6.3 Funding Restrictions and Order Quantities: HACCC reserves the right to reduce or increase estimated or actual quantities in whatever amount necessary without prejudice or liability to HACCC, if:

6.3.1 funding is not available;

6.3.2 legal restrictions are placed upon the expenditure of monies for this category of service or supplies; or,

6.3.3 HACCC's requirements in good faith change after award of the contract.

6.4 Required Permits: Unless otherwise stated in the RFP documents, all local, State or Federal permits which may be required to provide the services ensuing from award of this RFP, whether or not they are known to either HACCC or the proposers at the time of the proposal submittal deadline or the award, shall be the sole responsibility of the successful proposer and any costs submitted by the proposer shall reflect all costs required by the successful proposer to procure and provide such necessary permits.

- 6.5 Taxes:** All persons doing business with HACCC are hereby made aware that HACCC is exempt from paying California State Sales and Use Taxes and Federal Excise Taxes. A letter of Tax Exemption will be provided upon request.
- 6.6 Government Standards:** It is the responsibility of the prospective proposer to ensure that all items and services proposed conform to all local, State and Federal laws concerning safety (OSHA and NOSHA) and environmental control (EPA and Contra Costa County Pollution Regulations) and any other enacted ordinance, code, law or regulation. The successful proposer shall be responsible for all costs incurred for compliance with any such possible ordinance, code, law or regulation. No time extensions shall be granted or financial consideration given to the successful proposer for time or monies lost due to violations of any such ordinance, code, law or regulations that may occur.
- 6.7 Freight on Bill and Delivery:** All costs submitted by the successful proposer shall reflect the cost of delivering the proposed items and/or services to the location(s) specified within the RFP documents or within the contract.
- 6.7.1** The successful proposer agrees to deliver to the designated location(s) on or before the date as specified in the finalized contract. Failure to deliver on or before the specified date constitutes an event of default by the successful proposer. Upon default, the successful proposer agrees that HACCC may, at its option, rescind the finalized contract under the default clause herein and seek compensatory damages as provided by law.
- 6.8 Communication:** If during the period of the contract, it is necessary that HACCC place toll or long distance telephone calls or telegrams in connection therewith (for complaints, adjustments, shortages, failure to deliver, etc.), it is understood that the successful proposer will bear the charge or expense for all such calls and/or telegrams.
- 6.9 Work on HACCC Property:** If the successful proposer's work under the contract involves operations by the successful proposer on HACCC premises, the successful proposer shall take all necessary precautions to prevent the occurrence of any injury to persons or property during the progress of such work and, except to the extent that any such injury is caused solely and directly by HACCC's negligence, shall indemnify HACCC, and their officers, agents, servants and employees against all loss which may result in any way from any act or omission of the successful proposer, its agents, employees, or subcontractors.
- 6.10 Estimated Quantities:** Unless otherwise stated within the RFP documents, the quantities reflected within the RFP documents, to the best of HACCC's knowledge, reflect projected consumption data. These quantities are not meant to infer or imply actual consumption figures or quantities that will be purchased by HACCC under the finalized contract; but, pursuant to all RFP documents, these quantities will be used as calculation figures to determine the successful proposer.
- 6.11 Warranty:**
- 6.11.1** The services provided under the contract shall conform to all information contained within the RFP documents as well as applicable Industry Published Technical Specifications, and if one of the above mentioned Specifications contains more stringent requirements than the other, the more stringent requirements shall apply.

- 6.11.2** The liability of the successful proposer to HACCC (except as to title) arising out of the furnishing of the services or of its use under the terms of the contract shall not exceed the correcting of the defect(s) in the services as provided under the contract, and upon expiration of the warranty period all such liability shall terminate except under the warranty for merchantability and the warranty of fitness for a particular purpose.
- 6.12 Official, Agent and Employees of HACCC Not Personally Liable:** It is agreed by and between the parties hereto that in no event shall any official, officer, employee, or agent of HACCC in any way be personally liable or responsible for any covenant or agreement herein contained whether expressed or implied, nor for any statement, representation or warranty made herein or in any connection with this agreement.
- 6.13 Subcontractors:** Unless otherwise stated within the RFP documents, the successful proposer may not use any subcontractors to accomplish any portion of the services described within the RFP documents or the contract without the prior written permission of the PA.
- 6.14 Salaries and Expenses Relating to the Successful Proposers Employees:** Unless otherwise stated within the RFP documents, the successful proposer shall pay all salaries and expenses of, and all Federal, Social Security taxes, Federal and State Unemployment taxes, and any similar taxes relating to its employees used in the performance of the contract. The successful proposer further agrees to comply with all Federal, State and local wage and hour laws and all licensing laws applicable to its employees or other personnel furnished under this agreement.
- 6.15 Attorney's Fees:** In the event that litigation is commenced by one party hereto against the other in connection with the enforcement of any provision of this agreement, the prevailing party shall be paid by the losing party all court costs and other expenses of such litigation, including attorneys' fees, in a reasonable amount, to be determined by the court. The amount so allowed as attorneys' fees shall be taxed to the losing party as costs of the suit, unless prohibited by law.
- 6.16 Independent Contractor:** Unless otherwise stated within the RFP documents or the contract, the successful proposer is an independent contractor. Nothing herein shall create any association, agency, partnership or joint venture between the parties hereto and neither shall have any authority to bind the other in any way.
- 6.17 Severability:** If any provision of this agreement or any portion or provision hereof applicable to any particular situation or circumstance is held valid, the remainder of this agreement or the remainder of such provision (as the case may be), and the application thereof to other situations or circumstances shall not be affected thereby.
- 6.18 Waiver of Breach:** A waiver of either party of any terms or condition of this agreement in any instance shall not be deemed or construed as a waiver of such term or condition for the future, or of any subsequent breach thereof. All remedies, rights, undertakings, obligations, and agreements contained in this agreement shall be cumulative and none of them shall be in limitation of any other remedy, right, obligation or agreement of either party.
- 6.19 Time of the Essence:** Time is of the essence under this agreement as to each provision in which time of performance is a factor.
- 6.20 Limitation of Liability:** In no event shall HACCC be liable to the successful proposer for any indirect, incidental, consequential or exemplary damages.

6.21 Indemnity:

6.21.1 The successful proposer shall protect, indemnify and hold HACCC, its officers, employees, agents, consulting engineers and other retained consultants harmless from and against any and all claims, damages, losses, suits, actions, decrees, judgments, attorney's fees, court costs and other expenses of any kind or character which HACCC, its officers, employees, agents, consulting engineers or other retained consultants may suffer, or which may be sought against, recovered from or obtainable against HACCC, its officers, employees, agents, consulting engineers or other retained consultants such as:

6.21.1.1 as a result of, or by reason of, or arising out of, or on account of, or in consequence of any act or failure to act on the part of the successful proposer, its subcontractors or agents, or anyone directly or indirectly employed by any subcontractor or agent, in the fulfillment or performance of the terms, conditions or covenants that are contained in this contract or agreement, regardless of whether or not the occurrence which gave rise to such claim, damage, loss, suit, action, judgment or expense was caused, in part, by any party indemnified hereunder; or

6.21.1.2 as a result of, or by reason of, or arising out of, or on account of, or in consequence of, any neglect in safeguarding the work; or

6.21.1.3 through the use of unacceptable materials or products, or both, which may be defective or manufactured, designed or installed so as to give rise to a claim; or

6.21.1.4 because of any claim or amount recovered under the "Nevada Industrial Insurance Act", or any other law, ordinance, or decree, which claim or recovery arose out of or is attributable to any act or failure to act on the part of the successful proposer in the fulfillment or performance of the terms, conditions and covenants that are contained in this contract. Any money due by the successful proposer under and by virtue of this contract which is considered necessary by HACCC for such purpose, may be retained by HACCC for its protection; or in case no money is due, its surety may be held until all such claims, damages, losses, suits, actions, decrees, judgments, attorney's fees and court costs and other expenses of any kind or character as aforesaid shall have been settled and suitable evidence to that effect furnished to HACCC provided, however, that money due the successful proposer will not be withheld when the successful proposer produces satisfactory evidence that it is adequately protected by public liability and property damage insurance, if required.

6.21.2 In this connection, it is expressly agreed that the successful proposer shall, at its own expense, defend HACCC, its officers, employees, agents, consulting engineers and other retained consultants, against any and all claims, suits or actions which may be brought against them, or any of them, as a result of, or by reason of, or arising out of, or on account of, or in consequence of any act or failure to act the consequences of which the successful proposer has indemnified HACCC, its officers, employees, agents, consulting engineers and other retained consultants against, and if the

successful proposer shall fail to do so, HACCC shall have the right, but not the obligation, to defend the same and to charge all direct and incidental costs of such defense to the successful proposer including attorney's fees and court costs; provided, however, that if the forum in which such claim suit or action is heard determines that the occurrence that gave rise to the same was caused, in whole or in part, by any party who is indemnified hereunder, HACCC shall reimburse the successful proposer for all, or the indemnified party's proportionate share, as the case may be, of the costs of such defense.

6.21.2 Reimbursement to the successful proposer by HACCC, in whole or in part, for the costs of protecting traffic shall not serve to relieve the successful proposer of its responsibility as set forth in the RFP documents.

6.21.3 The successful proposer guarantees the payment of all just claims for materials, supplies and labor, and all other just claims against it or any subcontractor, in connection with the contract.

6.22 Lobbying Certification: By proposing to do business with HACCC or by doing business with HACCC, each proposer certifies the following:

6.22.1 No Federal appropriated funds have been paid or will be paid, by or on behalf of the proposer, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of an Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into any cooperative agreement, and the extension, continuation, renewal, amendment or modification of any Federal contract, grant, loan or cooperative agreement.

6.22.2 If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of an Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form – LLL, “Disclosure Form to Report Lobbying”, in accordance with its instructions.

6.22.3 The successful proposer shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontractors, subgrants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

6.22.4 This clause is a material representation of fact upon which reliance was placed when the award was made or entered into. The signing of a contract or acceptance of award certifies compliance with this certification, which is a prerequisite for making or entering into a contract, which is imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certifications shall be subject to civil penalty of not less than \$10,000.00 and not more than \$100,000.00 for each such failure.

6.23 24 CFR 85.36(i), Procurement: Pursuant to this CFR, as issued by the Office of the Secretary, HUD, HACCC and the contractor each agree to comply with the following provisions and agree

that any contract that ensues as a result of this RFP will include the following clauses, whether actually inserted or by reference:

6.23.1 Remedies for Contractor Breach: Pertaining to contract-related issues, it is the responsibility of both HACCC and the contractor to communicate with each other in as clear and complete a manner as possible. If at any time during the term of this contract HACCC or the contractor is not satisfied with any issue, it is the responsibility of that party to deliver to the other party communication, in writing, fully detailing the issue and corrective action (please note that HACCC has the right to issue unilateral addendums to this contract, but the contractor does not have the same right). The other party shall, within 10 days, respond in writing to the other party (however, HACCC shall retain the right to, if conditions warrant, require the contractor to respond in a shorter period of time). Further, HACCC shall, at a minimum, employ the following steps in dealing with the contractor as to any performance issues:

Such termination must be delivered to the contractor in writing and shall fully detail all pertinent issues pertaining to the cause of and justification for the termination.

6.23.1.2 Prior to termination, HACCC may choose to warn the contractor, verbally or in writing, of any issue of non-compliant or unsatisfactory performance. Such written warning may include placing the contractor on probation, thereby giving the contractor a certain period of time to correct the deficiencies or potentially suffer termination. HACCC shall maintain in the contract file a written record of any such warning detailing all pertinent information. If the contractor does not agree with such action, the contractor shall have 10 days to dispute or protest, in writing, such action; if he/she does not do so within the 10-day period, he/she shall have no recourse but to accept and agree with HACCC's position on the issue. The written protest must detail all pertinent information pertaining to the dispute, including justification detailing HACCC's alleged incorrect action(s).

6.23.1.3 After termination, if the contractor does not agree with HACCC's justification for the termination, the contractor shall have 10 days to dispute, in writing, such action; if he/she does not do so within the 10-day period, he/she shall have no recourse but to accept and agree with HACCC's position on the issue. The written protest must detail all pertinent information pertaining to the dispute, including justification detailing HACCC's alleged incorrect action(s).

6.23.1.4 The response to any protest received shall be conducted in accordance with Section No. 4.0 of this document.

- 6.23.5 Davis-Bacon-Act:** For all construction contracts awarded in excess of \$2,000 when required by Federal Grant Program legislation, both parties hereby agree to comply with the Davis-Bacon Act (40 U.S.C. 276a to 276a-7) as supplemented in Department of Labor Regulations (29 CFR Part 5).
- 6.23.6 Sections 103 and 107 of the Contract Work Hours and Safety Standards Act:** For all construction contracts awarded in excess of \$2,000 and for other contracts, which involve the employment of mechanics or laborers awarded in excess of \$2,500, both parties hereby agree to comply with the Sections 103 and 107 of the Contract Work Hours and Safety Act (40 U.S.C. 327-330) as supplemented in Department of Labor Regulations (29 CFR Part 5).
- 6.23.7 Reporting:** Both parties hereby agree to comply with any reporting requirements that may be detailed herein.
- 6.23.8 Patent Rights:** Both parties hereby agree to comply with HUD Bulletin 90-23, which is the (a) Notice of Assistance Regarding Patent and Copyright Infringement.

The contractor grants HACCC and others acting on its behalf a paid-up, non-exclusive, irrevocable, worldwide license in such copyrighted data to reproduce, prepare derivative works, distribute copies to the public, and perform or display publicly by or on behalf of HACCC.
- 6.23.9.4** The contractor shall not, without the prior written permission of the PA, incorporate in data delivered under this contract any data not first produced in the performance of this contract and which contains copyright notice, unless the contractor identifies such data and grants HACCC a license of the same scope as identified in the preceding paragraph.
- 6.23.9.5** HACCC agrees not to remove any copyright notices placed on data and to include such notices in all reproductions of the data. If any data delivered under this contract are improperly marked, HACCC may either return the data to the contractor, or cancel or ignore the markings.
- 6.23.9.6** The contractor is responsible for obtaining from its subcontractors all data and rights necessary to fulfill the contractor's obligations under this contract.
- 6.23.9.7** Notwithstanding any provisions to the contrary contained in the contractor's standard commercial license or lease contract pertaining to any restricted computer software delivered under this contract, and irrespective of whether any such contract has been proposed prior to the award of this contract or of the fact that such contract may be affixed to or accompany the restricted computer software upon delivery, the contractor agrees HACCC shall have the rights set forth below to use, duplicate, or disclose any restricted computer software delivered under this contract. The terms and conditions of this contract, including any commercial lease or licensing contract, shall be subject to the following procedures.

HUD FORMS

Instructions to Offerors Non-Construction

U.S. Department of Housing
and Urban Development
Office of Public and Indian Housing

- 03291 -

1. Preparation of Offers

(a) Offerors are expected to examine the statement of work, the proposed contract terms and conditions, and all instructions. Failure to do so will be at the offeror's risk.

(b) Each offeror shall furnish the information required by the solicitation. The offeror shall sign the offer and print or type its name on the cover sheet and each continuation sheet on which it makes an entry. Erasures or other changes must be initialed by the person signing the offer. Offers signed by an agent shall be accompanied by evidence of that agent's authority, unless that evidence has been previously furnished to the HA.

(c) Offers for services other than those specified will not be considered.

2. Submission of Offers

(a) Offers and modifications thereof shall be submitted in sealed envelopes or packages (1) addressed to the office specified in the solicitation, and (2) showing the time specified for receipt, the solicitation number, and the name and address of the offeror.

(b) Telegraphic offers will not be considered unless authorized by the solicitation; however, offers may be modified by written or telegraphic notice.

(c) Facsimile offers, modifications or withdrawals will not be considered unless authorized by the solicitation.

3. Amendments to Solicitations

(a) If this solicitation is amended, then all terms and conditions which are not modified remain unchanged.

(b) Offerors shall acknowledge receipt of any amendments to this solicitation by

- (1) signing and returning the amendment;
- (2) identifying the amendment number and date in the space provided for this purpose on the form for submitting an offer,
- (3) letter or telegram, or
- (4) facsimile, if facsimile offers are authorized in the solicitation. The HA/HUD must receive the acknowledgment by the time specified for receipt of offers.

4. Explanation to Prospective Offerors

Any prospective offeror desiring an explanation or interpretation of the solicitation, statement of work, etc., must request it in writing soon enough to allow a reply to reach all prospective offerors before the submission of their offers. Oral explanations or instructions given before the award of the contract will not be binding. Any information given to a prospective offeror concerning a solicitation will be furnished promptly to all other prospective offerors as an amendment of the solicitation, if that information is necessary in submitting offers or if the lack of it would be prejudicial to any other prospective offerors.

5. Responsibility of Prospective Contractor

(a) The HA shall award a contract only to a responsible prospective contractor who is able to perform successfully under the terms and conditions of the proposed contract. To be determined responsible, a prospective contractor must -

- (1) Have adequate financial resources to perform the contract, or the ability to obtain them;

- (2) Have a satisfactory performance record;
- (3) Have a satisfactory record of integrity and business ethics;
- (4) Have a satisfactory record of compliance with public policy (e.g., Equal Employment Opportunity); and
- (5) Not have been suspended, debarred, or otherwise determined to be ineligible for award of contracts by the Department of Housing and Urban Development or any other agency of the U.S. Government. Current lists of ineligible contractors are available for inspection at the HA/HUD.

(b) Before an offer is considered for award, the offeror may be requested by the HA to submit a statement or other documentation regarding any of the foregoing requirements. Failure by the offeror to provide such additional information may render the offeror ineligible for award.

6. Late Submissions, Modifications, and Withdrawal of Offers

(a) Any offer received at the place designated in the solicitation after the exact time specified for receipt will not be considered unless it is received before award is made and it -

- (1) Was sent by registered or certified mail not later than the fifth calendar day before the date specified for receipt of offers (e.g., an offer submitted in response to a solicitation requiring receipt of offers by the 20th of the month must have been mailed by the 15th);
- (2) Was sent by mail, or if authorized by the solicitation, was sent by telegram or via facsimile, and it is determined by the HA/ HUD that the late receipt was due solely to mishandling by the HA/ HUD after receipt at the HA;
- (3) Was sent by U.S. Postal Service Express Mail Next Day Service - Post Office to Addressee, not later than 5:00 p.m. at the place of mailing two working days prior to the date specified for receipt of proposals. The term "working days" excludes weekends and U.S. Federal holidays; or
- (4) Is the only offer received.

(b) Any modification of an offer, except a modification resulting from the HA's request for "best and final" offer (if this solicitation is a request for proposals), is subject to the same conditions as in subparagraphs (a)(1), (2), and (3) of this provision.

(c) A modification resulting from the HA's request for "best and final" offer received after the time and date specified in the request will not be considered unless received before award and the late receipt is due solely to mishandling by the HA after receipt at the HA.

(d) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent either by registered or certified mail is the U.S. or Canadian Postal Service postmark both on the envelope or wrapper and on the original receipt from the U.S. or Canadian Postal Service. Both postmarks must show a legible date or the offer, modification, or withdrawal shall be processed as if mailed late. "Postmark" means a printed, stamped, or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable without further action as having been supplied and affixed by employees of the U.S. or Canadian Postal Service on the date of mailing. Therefore, offerors should request the postal clerk to place a hand cancellation bull's-eye postmark on both the receipt and the envelope or wrapper.

(e) The only acceptable evidence to establish the time of receipt at the HA is the time/date stamp of HA on the offer wrapper or other documentary evidence of receipt maintained by the HA.

(f) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent by Express Mail Next Day Service-Post Office to Addressee is the date entered by the post office receiving clerk on the "Express Mail Next Day Service-Post Office to Addressee" label and the postmark on both the envelope or wrapper and on the original receipt from the U.S. Postal Service. "Postmark" has the same meaning as defined in paragraph (c) of this provision, excluding postmarks of the Canadian Postal Service. Therefore, offerors should request the postal clerk to place a legible hand cancellation bull's eye postmark on both the receipt and the envelope or wrapper.

(g) Notwithstanding paragraph (a) of this provision, a late modification of an otherwise successful offer that makes its terms more favorable to the HA will be considered at any time it is received and may be accepted.

(h) If this solicitation is a request for proposals, proposals may be withdrawn by written notice, or if authorized by this solicitation, by telegram (including mailgram) or facsimile machine transmission received at any time before award. Proposals may be withdrawn in person by a offeror or its authorized representative if the identity of the person requesting withdrawal is established and the person signs a receipt for the offer before award. If this solicitation is an invitation for bids, bids may be withdrawn at any time prior to bid opening.

7. Contract Award

(a) The HA will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the HA, cost or price and other factors, specified elsewhere in this solicitation, considered.

(b) The HA may

- (1) reject any or all offers if such action is in the HA's interest,
- (2) accept other than the lowest offer,
- (3) waive informalities and minor irregularities in offers received, and (4) award more than one contract for all or part of the requirements stated.

(c) If this solicitation is a request for proposals, the HA may award a contract on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the offeror's best terms from a cost or price and technical standpoint.

(d) A written award or acceptance of offer mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer shall result in a binding contract without further action by either party. If this solicitation is a request for proposals, before the offer's specified expiration time, the HA may accept an offer, whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award. Negotiations conducted after receipt of an offer do not constitute a rejection or counteroffer by the HA.

(e) Neither financial data submitted with an offer, nor representations concerning facilities or financing, will form a part of the resulting contract.

8. Service of Protest

Any protest against the award of a contract pursuant to this solicitation shall be served on the HA by obtaining written and dated acknowledgment of receipt from the HA at the address shown on the cover of this solicitation. The determination of the HA with regard to such protest or to proceed to award notwithstanding such protest shall be final unless appealed by the protestor.

9. Offer Submission

Offers shall be submitted as follows and shall be enclosed in a sealed envelope and addressed to the office specified in the solicitation. The proposal shall show **the hour and date specified in the solicitation for receipt, the solicitation number, and the name and address of the offeror, on the face of the envelope.**

It is very important that the offer be properly identified on the face of the envelope as set forth above in order to insure that the date and time of receipt is stamped on the face of the offer envelope. Receiving procedures are: date and time stamp those envelopes identified as proposals and deliver them immediately to the appropriate contracting official, and only date stamp those envelopes which do not contain identification of the contents and deliver them to the appropriate procuring activity only through the routine mail delivery procedure.

 - (iii) That the Contractor has disclosed all relevant information and requested the HA to make a determination with respect to this Contract.
- (b) The Contractor agrees that if after award he or she discovers an organizational conflict of interest with respect to this contract, he or she shall make an immediate and full disclosure in writing to the HA which shall include a description of the action which the Contractor has taken or intends to eliminate or neutralize the conflict. The HA may, however, terminate the Contract for the convenience of HA if it would be in the best interest of HA.
- (c) In the event the Contractor was aware of an organizational conflict of interest before the award of this Contract and intentionally did not disclose the conflict to the HA, the HA may terminate the Contract for default.
- (d) The Contractor shall require a disclosure or representation from subcontractors and consultants who may be in a position to influence the advice or assistance rendered to the HA and shall include any necessary provisions to eliminate or neutralize conflicts of interest in consultant agreements or subcontracts involving performance or work under this Contract.

2. Changes

- (a) The HA may at any time, by written order, and without notice to the sureties, if any, make changes within the general scope of this contract in the services to be performed or supplies to be delivered.
- (b) If any such change causes an increase or decrease in the hourly rate, the not-to-exceed amount of the contract, or the time required for performance of any part of the work under this contract, whether or not changed by the order, or otherwise affects the conditions of this contract, the HA shall make an equitable adjustment in the not-to-exceed amount, the hourly rate, the delivery schedule, or other affected terms, and shall modify the contract accordingly.
- (c) The Contractor must assert its right to an equitable adjustment under this clause within 30 days from the date of receipt of the written order. However, if the HA decides that the facts justify it, the HA may receive and act upon a

- (e) No services for which an additional cost or fee will be charged by the Contractor shall be furnished without the prior written consent of the HA.

3. Termination for Convenience and Default

- (a) The HA may terminate this contract in whole, or from time to time in part, for the HA's convenience or the failure of the Contractor to fulfill the contract obligations (default). The HA shall terminate by delivering to the Contractor a written Notice of Termination specifying the nature, extent, and effective date of the termination. Upon receipt of the notice, the Contractor shall: (i) immediately discontinue all services affected (unless the notice directs otherwise); and (ii) deliver to the HA all information, reports, papers, and other materials accumulated or generated in performing this contract, whether completed or in process.
- (b) If the termination is for the convenience of the HA, the HA shall be liable only for payment for services rendered before the effective date of the termination.
- (c) If the termination is due to the failure of the Contractor to fulfill its obligations under the contract (default), the HA may (i) require the Contractor to deliver to it, in the manner and to the extent directed by the HA, any work as described in subparagraph (a)(ii) above, and compensation be determined in accordance with the Changes clause, paragraph 2, above; (ii) take over the work and prosecute the same to completion by contract or otherwise, and the Contractor shall be liable for any additional cost incurred by the HA; (iii) withhold any payments to the Contractor, for the purpose of off-set or partial payment, as the case may be, of amounts owed to the HA by the Contractor.

- (e) Any disputes with regard to this clause are expressly made subject to the terms of clause titled Disputes herein.

4. Examination and Retention of Contractor's Records

- (a) The HA, HUD, or Comptroller General of the United States, or any of their duly authorized representatives shall, until 3 years after final payment under this contract, have access to and the right to examine any of the Contractor's directly pertinent books, documents, papers, or other records involving transactions related to this contract for the purpose of making audit, examination, excerpts, and transcriptions.

 - (i) appeals under the clause titled Disputes;
 - (ii) litigation or settlement of claims arising from the performance of this contract; or,

5. Rights in Data (Ownership and Proprietary Interest)

The HA shall have exclusive ownership of, all proprietary interest in, and the right to full and exclusive possession of all information, materials and documents discovered or produced by Contractor pursuant to the terms of this Contract, including but not limited to reports, memoranda or letters concerning the research and reporting tasks of this Contract.

6. Energy Efficiency

The contractor shall comply with all mandatory standards and policies relating to energy efficiency which are contained in the energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub.L. 94-163) for the State in which the work under this contract is performed.

- (b) All claims by the Contractor shall be made in writing and submitted to the HA. A claim by the HA against the Contractor shall be subject to a written decision by the HA.
- (c) The HA shall, with reasonable promptness, but in no event in no more than 60 days, render a decision concerning any claim hereunder. Unless the Contractor, within 30 days after receipt of the HA's decision, shall notify the HA in writing that it takes exception to such decision, the decision shall be final and conclusive.

- (e) The Contractor shall proceed diligently with performance of this contract, pending final resolution of any request for relief, claim, appeal, or action arising under the contract, and comply with any decision of the HA.

8. Contract Termination; Debarment

A breach of these Contract clauses may be grounds for termination of the Contract and for debarment or denial of participation in HUD programs as a Contractor and a subcontractor as provided in 24 CFR Part 24.

9. Assignment of Contract

The Contractor shall not assign or transfer any interest in this contract; except that claims for monies due or to become due from the HA under the contract may be assigned to a bank, trust company, or other financial institution. The Housing Authority of the County of Contra Costa (HACCC) recognizes that the use of third-party vendors creates various risks that must be properly managed. Before entering into any third-party relationships, we take deliberate steps to conduct an assessment of risk related to the vendor relationship. We take care to understand the compliance, reputational, strategic, operational, and transactional risks relating to a particular vendor before entering into a contractual relationship.

Any vendor who has access to HACCC data classified as Personal Data or higher are expected to demonstrate their security policies, processes, and procedures and prove that they are able to provide adequate protection of such data, including against misuse or compromise. The following sections outline the requirements that vendors must follow if they collect, use or process personal data while providing services or doing business with HACCC.

I. Organization of Information Security

Vendor must establish, implement, and maintain information security policies and a program of Technical and Organization Security Measures appropriate to prevent any access to HACCC Confidential Information and comply with and meet all applicable Information Security best practices standards and guidelines, including those set forth herein.

II. Secure Baseline Standards

Vendors must ensure that secure configurations are developed, documented, and maintained for information systems accessing HACCC Confidential Information. Baseline configurations must include software versions and security patch levels, managed anti-virus and malware detection, and must include security settings for audit and accountability.

III. Compliance And Accreditation

Vendor must be compliant with applicable laws, including regulatory laws, such as the Health Insurance Portability and Accountability Act (HIPAA), Sarbanes-Oxley Act (SOX), General Data Protection Regulation (GDPR), Payment Card Industry Data Security Standard (PCI-DSS), and Statement on Standards for Attestation Engagements 16 (SSAE16) Service Organization Controls (SOC) Type I or II.

Vendors must complete regular attestation audits, such as SSAE16 SOC1, which evaluates internal controls over financial reporting and a SOC2 report, which evaluates the Vendor's information system relevant to security, availability, processing, integrity, confidentiality, and privacy. These SSAE16 attestation reports can be Type I or Type II.

Further to the above, Vendor must acknowledge and comply with export controls under the laws and regulations of the United States ("U.S.") and any other applicable jurisdictions, which govern export, re-export, import, transfer, distribution, and use of goods and services and shall obtain all required U.S. and any other applicable authorizations, permits, or licenses.

Vendors must maintain security related audits and certifications where HACCC Confidential Information is stored and must be able to attest to these certifications. Vendor datacenters or hosted colocations must have recently completed a Statement on Standards for Attestation Engagements 16 (SSAE16) Service Organization Controls (SOC) 2 audit. This report must be made available upon request. Vendors must have a process to document any non-compliance of any legal, regulatory or privacy instance or control that does not meet local laws and regulations and must identify and quantify the risks and mitigation plans and document the business decision for alternate controls or risk acceptance. The mitigation plan and business decision must be signed off by the Chief Information Officer (CIO) or an authorized individual who can accept responsibility and accountability.

IV. Physical and Environmental Security

Vendor must ensure that all of Vendor's systems and other resources intended for use by multiple users are located in secure physical facilities with access and authorization restrictions.

Vendor must ensure that all of Vendor's employees, agents, third party vendors, or otherwise sign a non-disclosure or confidentiality agreement with Vendor prior to processing HACCC Confidential Information.

Vendor must limit and monitor physical access to its facilities to ensure that visitor access is logged, and that access is restricted to appropriate personnel based on their job requirements. Vendors must require that all employees, contractors, and visitors present identification, log in, and be escorted by authorized staff through its facilities.

In its Housing Authority contractor capacity, Contractor shall not participate or appear in any commercially produced advertisements designed to promote a particular brand name or commercial product, even if Contractor is not publicly endorsing a product, as long as the Contractor's presence in the advertisement can reasonably be interpreted as an endorsement of the product by or on behalf of HACCC. Notwithstanding the foregoing, Contractor may express its views on products to other contractors, the Board of Supervisors, HACCC officers, or others who may be authorized by the Board of Supervisors or by law to receive such views.

25. **Required Audit.** (A) If Contractor is funded by \$500,000 or more in federal grant funds in any fiscal year ending after December 31, 2003 from any source, Contractor shall provide to HACCC at Contractor's expense an audit conforming to the requirements set forth in the most current version of Office of Management and Budget Circular A-133. If any such audit is required, Contractor shall provide HACCC with such audit. With respect to the audits specified in (A), (B) and (C) above, Contractor is solely responsible for arranging for the conduct of the audit, and for its cost. HACCC may withhold the estimated cost of the audit or 10 percent of the contract amount, whichever is larger, or the final payment, from Contractor until HACCC receives the audit from Contractor.

26. **Authorization**. Contractor, or the representative(s) signing this Contract on behalf of Contractor, represents and warrants that it has full power and authority to enter into this Contract and perform the obligations herein.

27. **No Implied Waiver**. The waiver by HACCC of any breach of any term or provision of this Contract will not be deemed to be a waiver of such term or provision or of any subsequent breach of the same or any other term or provision contained herein.

Contractor warrants that the SDS are (1) accurate, (2) adequate to fully advise those who come into contact with the hazardous chemical of the safety requirements and hazards associated with the hazardous chemical, and (3) in compliance with all industry standards and applicable laws, rules and regulations. I. Introduction

The Housing Authority of the County of Contra Costa has compiled this Section 3 Policy Guide to assist contractors and subcontractors in complying with the requirements of Section 3 of the Housing and Urban Development (HUD) Act of 1968, as amended by Section 915 of the Housing and Community Development Act of 1992 (hereafter "Section 3").

The purpose of Section 3 is to ensure that employment and other economic opportunities generated by certain HUD financial assistance shall, to the greatest extent feasible, and consistent with existing Federal, State, and local laws and regulations, be directed to low- and very low-income persons, particularly those who are recipients of government assistance for housing, and to business concerns which provide economic opportunities to low- and very low-income persons.

II. Definitions

1. Section 3 Worker:
 - a. A Section 3 worker is any worker who currently fits, or when hired within the past five years fit, at least one of the following categories, as documented:
 - b. The worker's income for the previous or annualized calendar year is below the income limit established by HUD;
 - c. The worker is employed by a Section 3 business concern; or
 - d. The worker is a YouthBuild participant.
2. Targeted Section 3 Worker:
 - a. A Section 3 targeted worker for Public Housing Financial Assistance projects is a Section 3 worker who:
 - i. is employed by a Section 3 business concern; or
 - ii. currently fits or when hired fit at least one of the following categories, as documented within the past five years:
 - iii. A resident of public housing or Section 8-assisted housing;
 - iv. A resident of other public housing projects or Section 8-assisted housing managed by the PHA that is providing the assistance; or
 - v. A YouthBuild participant
3. Section 3 Business Concern:
 - a. A Section 3 business concern is a business that meets at least one of the following criteria, documented within the last six-month period:
 - i. At least 51 percent owned and controlled by low- or very low-income persons
 - ii. Over 75 percent of the labor hours performed for the business over the prior three-month period are performed by Section 3 workers; or
 - iii. A business at least 51 percent owned and controlled by current public housing residents or residents who currently live in Section 8-assisted housing.

- (i) Low- and very low-income: Low- and very low-income limits are defined in Section 3(b)(2) of the Housing Act of 1937 and are determined annually by HUD. These limits are typically established at 80 percent and 50 percent of the area median individual income. HUD income limits may be obtained from: <https://www.huduser.gov/portal/datasets/il.html>
- (ii) YouthBuild: YouthBuild is a community-based pre-apprenticeship program that provides job training and educational opportunities for at-risk youth ages 16-24 who have previously dropped out of high school. YouthBuild participants learn vocational skills in construction, as well as in other in-demand industries that include health care, information technology, and hospitality. Youth also provide community service through the required construction or rehabilitation of affordable housing for low-income or homeless families in their own neighborhoods. The Division of Youth Services within the Employment and Training Administration's Office of Workforce Investment at the U.S. Department of Labor administers the YouthBuild program. Each year, more than 6,000 youth participate in approximately 210 YouthBuild programs in more than 40 states. More information can be found here: <https://www.dol.gov/agencies/eta/youth/youthbuild>
- (iii) Section 3 project: Section 3 projects are housing rehabilitation, housing construction, and other public construction projects assisted under HUD programs that provide housing and community development financial assistance when the total amount of assistance to the project exceeds a threshold of \$200,000. The threshold is \$100,000 where the assistance is from the Lead Hazard Control and Healthy Homes programs, as authorized by Sections 501 or 502 of the Housing and Urban Development Act of 1970 (12 U.S.C. 1701z-1 or 1701z-2), the Lead-Based Paint Poisoning Prevention Act (42 U.S.C 4801 et seq.,; and/or the Residential Lead- Based Paint Hazard Reduction Act of 1992 (42 U.S.C. 4851 et seq.). (See Question 12 of this part I of these FAQs for more detail regarding Lead Hazard Control and Healthy Homes programs.) The project is the site or sites together with any building(s) and improvements located on the site(s) that are under common ownership, management, and financing. The requirements of Part 75 apply to an entire Section 3 project, regardless of whether the project is fully or partially assisted under HUD programs that provide housing and community development financial assistance.
- (iv) Section 3 funding: A recipient is any entity that receives directly from HUD public housing financial assistance or housing and community development assistance that funds Section 3 projects, including, but not limited to, any State, local government, instrumentality, PHA, or other public agency, public or private nonprofit organization. It does not include contractors or any intended beneficiary under the HUD program to which Section 3 applies, such as a homeowner or a Section 3 worker.
- (v) Safe Harbor: Recipients will be considered to have complied with the Section 3 requirements and met the safe harbor, in the absence of evidence to the contrary, if they certify that they have followed the required prioritization of effort and met or exceeded the applicable Section 3 benchmarks. If a recipient agency or contractor does not meet the benchmark requirements but can provide evidence that they have made a number of qualitative efforts to assist low- and very low-income persons with employment and training opportunities, the recipient or contractor is considered to be in compliance with Section 3, absent evidence to the contrary (i.e., evidence or findings obtained from a Section 3 compliance review).

III. Applicability

Section 3 applies to all public housing financial assistance funds, regardless of the amount of assistance from HUD. Section 3 projects are housing rehabilitation, housing construction, and other public construction projects assisted under HUD programs that provide housing and community development financial assistance when the total amount of assistance to the project exceeds a threshold of \$200,000. The threshold is \$100,000 where the assistance is from the Lead Hazard Control and Healthy Homes programs. There is no threshold for public housing agencies who received federal funding.

1. Public Housing Financial Assistance:
 - a. Development assistance provided pursuant to Section 5 of the United States Housing Act of 1937 (the 1937 Act);
 - b. Operations and management assistance provided pursuant to Section 9(e) of the 1937 Act;
 - c. Development, modernization, and management assistance provided pursuant to Section 9(d) of the 1937 Act; and
 - d. The entirety of a mixed-finance development project as described in 24 C.F.R. 905.604, regardless of whether the project is fully or partially assisted with public housing financial assistance as defined in subsections (i) through (iii).
2. Community Development Assistance:
 - a. Housing and Community Development Financial Assistance expended for housing rehabilitation, housing construction, or other public construction.
3. Section 3 also applies to projects with more than \$200,000 in funding from housing and community development financial assistance programs. The following is a list of examples of such funds:
 - a. Community Development Block Grant (CDBG)
 - b. HOME Investment Partnership
 - c. Housing Trust Fund (HTF)
 - d. Neighborhood Stabilization Program Grants (NSP 1, 2 & 3)
 - e. Housing Opportunities for Persons with AIDS (HOPWA)
 - f. Emergency Solutions Grants (ESG)
 - g. University Partnership Grants
 - h. Economic Stimulus Funds
 - i. 202/811 Grants
 - j. Lead Hazard Control Grants (\$100,000 threshold; see Question 12, above, in this part I of these FAQs)
 - k. Healthy Homes Production Grants (\$100,000 threshold; see Question 12, above, in this part I)
 - l. Rental Assistance Demonstration (RAD) (see most recent RAD Notice, found through HUD's RAD website, www.hud.gov/rad/)

*Note: The requirements of Section 3 typically apply to recipients of HUD funds that will be used for housing construction, rehabilitation, or other public construction. Contact Section3@hud.gov to determine applicability to a particular project/activity.

1. Non-HUD Assistance programs:
 - a. Section 3 applies to projects that are fully or partially funded with HUD financial assistance. Projects that are financed with state, local or private matching or leveraged funds used in conjunction with HUD funds are covered by Section 3 if the amount of HUD funding for the project exceeds the regulatory thresholds.
2. Professional service contracts:
 - a. Professional service contracts for non-construction services that require an advanced degree or professional licensing are not required to be reported as a part of total Section 3 labor hours. However, this exclusion does not cover all non-construction services
3. CDBG Entitlement recipients:
 - a. If the recipient intends to use its HUD grant to perform housing construction, rehabilitation, or other public construction and the total HUD assistance to the project exceeds \$200,000, then Section 3 applies to the project.

IV. Benchmark Requirements

Section 3 Workers must make up 25% of the total number of labor hours worked by all workers and Targeted Section 3 Workers make up 5% of the total number of labor hours worked by all workers. The Section 3 benchmarks are minimum targets that must be reached in order for HUD and HACCC to consider a recipient in compliance. Recipient agencies are required to make best efforts, or to the greatest extent feasible, to achieve the benchmarks required for the number of labor hours performed by both Section 3 workers and Targeted Section 3 workers.

Recipients will be considered to have complied with the Section 3 requirements and met the safe harbor, in the absence of evidence to the contrary, if they certify that they have followed the required prioritization of effort and met or exceeded the applicable Section 3 benchmarks.

If a recipient agency or contractor does not meet the benchmark requirements but can provide evidence that they have made a number of qualitative efforts to assist low- and very low-income persons with employment and training opportunities, the recipient or contractor is considered to be in compliance with Section 3, absent evidence to the contrary (i.e., evidence or findings obtained from a Section 3 compliance review).

1. HACCC adheres to HUD's benchmarks requiring:
 - a. Section 3 Workers make up 25% of the total number of labor hours worked by all workers.
 - b. Targeted Section 3 Workers make up 5% of the total number of labor hours worked by all workers.
2. Recipients shall make additional qualitative efforts to provide training and technical assistance to help Section 3 workers compete for jobs (e.g., resume assistance, career coaching, application assistance).

V. Reporting & Compliance Requirements

HACCC requires recipients to report the following benchmark data:

1. the total number of labor hours worked,
2. the total number of labor hours worked by Section 3 workers, and
3. the total number of labor hours worked by Targeted Section 3 workers.
4. Legacy Contracts:
 - a. Contracts executed or projects for which assistance or funds were committed prior to November 30, 2020 are still required to adhere to the requirements of the old rule. Recipients of such assistance or funds will still be expected to maintain records of Section 3 statutory, regulatory, and contractual compliance but will no longer be required to report Section 3 compliance to HUD in SPEARS.
5. New Rule Contracts:
 - a. Contracts executed or projects for which assistance or funds were committed after November 30, 2020, must follow the reporting standards of this policy guide

VI. Reporting Requirements

1. HACCC requires all recipients to provide:
 - a. the total number of labor hours worked,
 - b. the total number of labor hours worked by Section 3 workers, and
 - c. the total number of labor hours worked by Targeted Section 3 workers.
2. HACCC requires all recipients to input data for all projects through a designated data management program. Recipients must submit data reports within 10 days from the end of the set quarterly reporting timeframes.
3. HACCC requires all recipients to produce relevant documents related to labor hours reporting metrics and business certification, upon requests, within 14 days.
4. Recipients are required to ensure their own compliance and the compliance of their subcontractors with the Section 3 regulations, as outlined at 24 C.F.R. part 75. These responsibilities include but are not limited to the following:
 - a. Designing and implementing procedures to comply with the requirements of Section 3
 - b. Facilitating the training and employment of Section 3 workers
 - c. Ensuring Compliance and Meeting Numerical Benchmarks
 - d. Meet HACCC Reporting Requirements and respond to documentation production request(s)

VII. Record Keeping Requirements

1. Recipients must follow the recordkeeping requirements found at 24 C.F.R. § 75.31. Recipients are required to maintain documentation to demonstrate compliance with the regulations and are responsible for requiring their contractors/subcontractors to maintain or provide any documentation that will assist recipients in demonstrating compliance, including documentation that shows hours worked by Section 3 workers, Targeted Section 3 workers, and any qualitative efforts to comply with Section 3. Examples of documentation can be found in 24 C.F.R. §75.31.
2. Recipients must follow 2 C.F.R. Part 200 (as referred to in 24 C.F.R. §75.31) that establishes three (3) years, see applicable excerpt below:
 - a. 2 C.F.R. § 200.334
 - b. Financial records, supporting documents, statistical records, and all other non-Federal entity records pertinent to a Federal award must be retained for a period of three years from the date of submission of the final expenditure report or for Federal awards that are renewed quarterly or annually, from the date of the submission of the quarterly or annual financial report, respectively, as reported to the Federal awarding agency or pass-through entity in the case of a subrecipient. Federal awarding agencies and pass-through entities must not impose any other record retention requirements upon non-Federal entities.
3. The only exceptions are the following:
 - a. If any litigation, claim, or audit is started before the expiration of the 3-year period, the records must be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken.
 - b. When the non-Federal entity is notified in writing by the Federal awarding agency, cognizant agency for audit, oversight agency for audit, cognizant agency for indirect costs, or pass-through entity to extend the retention period.
 - c. Records for real property and equipment acquired with Federal funds must be retained for 3 years after final disposition.
 - d. When records are transferred to or maintained by the Federal awarding agency or pass-through

entity, the 3-year retention requirement is not applicable to the non-Federal entity.

- e. Records for program income transactions after the period of performance. In some cases, recipients must report program income after the period of performance. Where there is such a requirement, the retention period for the records pertaining to the earning of the program income starts from the end of the non-Federal entity's fiscal year in which the program income is earned.
- f. Indirect cost rate proposals and cost allocations plans. This paragraph applies to the following types of documents and their supporting records: Indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates).
- g. If submitted for negotiation. If the proposal, plan, or other computation is required to be submitted to the Federal Government (or to the pass-through entity) to form the basis for negotiation of the rate, then the 3-year retention period for its supporting records starts from the date of such submission.
- h. If not submitted for negotiation. If the proposal, plan, or other computation is not required to be submitted to the Federal Government (or to the pass-through entity) for negotiation purposes, then the 3- year retention period for the proposal, plan, or computation and its supporting records starts from the end of the fiscal year (or other accounting period) covered by the proposal, plan, or other computation.

VIII. Retention Policy

- 1. HACCC must follow the State of California's general records retention laws that establishes five (5) years as the minimum retention records for these documents, subject to the exceptions listed in pre, see above.
- 2. Section 3 Worker and Section 3 Target Worker Eligibility
- 3. A recipient may report on Section 3 workers and Targeted Section 3 workers for five years from when their certification as a Section 3 worker or Targeted Section 3 worker is established. A Section 3 worker is any worker who currently fits, or when hired within the past five years fit, at least one of the following categories, as documented:

1. For a worker to qualify as a Targeted Section 3 worker, one of the following must be maintained:
 - a. For Public Housing Financial Assistance projects:

HUD recipients, contractors and subcontractors may also establish their own system to certify Section 3 workers and business concerns. The business seeking the preference must be able to demonstrate that they meet one of the following criteria:

2. Facilitating the award of contracts to Section 3 business concerns:
 - a. HACCC may work to link developers and contractors with capable Section 3 business concerns. Additionally, recipient agencies, when necessary, may direct Section 3 business concerns to organizations that provide capacity-building training.

3. Entitlements:

- a. Section 3 is not an entitlement program; therefore, employment and contracts are not guaranteed. Low- and very low-income individuals and Section 3 business concerns must be able to demonstrate that they have the ability or capacity to perform the specific job or successfully complete the contract that they are seeking. Recipients, developers, and contractors are required, to the greatest extent feasible, to direct employment opportunities to low- and very low-income persons, including seasonal and temporary employment opportunities.

XI. Section 3 Contract Clause

1. All section 3 covered contracts shall include the following clause (referred as the section 3 clause):

The successful bidder (contractor), and bidder's subcontractors, are bound by the Section 3 Clause and must be included in all subcontractor agreements.

The work to be performed under this contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (Section 3). The purpose of Section 3 is to ensure that the employment and other economic opportunities generated by HUD assistance of HUD- assisted projects covered by Section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.

The parties to this contract agree to comply with HUD's regulations in 24 C.F.R. Part 75, which implement Section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the Part 75 regulations.

The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or worker's representative of the contractor's commitments under this section 3 clause and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

The contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 C.F.R. Part 75 , and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 C.F.R. Part 75 . The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 C.F.R. Part 75 .

The contractor will certify that any vacant employment positions, including training positions, that are filled after the contractor is selected but before the contract is executed; and (2) with persons other than those to whom the regulations of 24 C.F.R. Part 75 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 C.F.R. Part 75 .

Non-compliance with HUD's regulations in 24 C.F.R. Part 75 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.

With respect to work performed in connection with Section 3 covered Indian housing assistance, Section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under this contract. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to this contract that are subject to the provisions of Section 3 and Section 7(b) agree to comply with Section 3 to the maximum extent feasible, but not in derogation of compliance with Section 7(b).
